fitting tribute to him
thou to place it in
your tender care —
thereby adorning the walls
of your noble institution
which he so much
honored and appreciated.
Should you care to
receive and keep it
until I shall call
upon you for it — as I
will do when I'm once more
in my own home — I

President James K. Patterson
A & M College
Lexington [Sep, 1891]
My dear President Patterson

Knowing you will rejoice
with me in having secured
a fine portrayal — in that
of a life-size oil — of
my sainted father — the
late Col L. J. Bradford
of Covington — I can
now think of no more

shall expect to hear from
you at your earliest
convenience.
With the sincerest appreciation
of your regard
for my beloved father
I am Sincerely me
Cordially Yours &
