Mr. Burwell.

Sir, I received a letter from you concerning the three year old colt. You wished to know if I could the three year old colt that drew the first premium at the State Fair at Buffalo. I own the said colt. He was three years old the 25th of October last 1867. height 15 $\frac{1}{2}$ hands without shoes weighs 1044 lbs.

I had rather keep him than to let him go for less than \$1000.
