

East Addison Wt

Sept 3rd 1868

Ever remembered Brother,
as I have no chores to
do this morning will improve
a few moments in answering
your welcom letter that I
received some time ago,

You will pardon me for not
writing before as I have
been so busy getting ready
for school. I commenced
yesterday. I am living in
the Dr. & old house & have got
for house keepers Addie, Mary,
Martha, Mary Jane Bowers, & Jennie &
so you see I have got my
hands full to keep them
all straight - Jennie has not
come this week is coming next

we will have quite a
school there was 32 yesterday
& there is some more to come

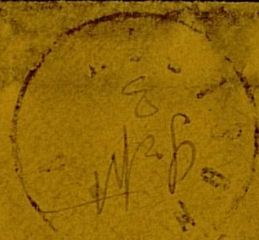

I suppose you are
getting itchy I would like
call on you some day & see
how you are getting along
well I must draw to a
close & get my lessons
for I have gotta study
pretty hard to keep up
with the rest of them,

We will have Meetings
twice a week,

now write soon, I will
answer soon than I did this
time kind regards to all

yours fraternally
