Friend

Lewis I take this
my first opportunity to answer
your most welcome letter
as I am well and hard
at work every day thrashing
I hope I will get done
soon as I have been at it
since the first of August
the times are rather
dull here nothing of interest
to write about the
people all well as usual
and every thing in a
flourishing condition you
say we must hitch up
and drive a double
team it perhaps would

better for us both
but we are to partentlar
to make a choice I fear
but perhaps we will some
time if we perdevore
as there is a large flock
to choose from if we have
the right of choice
I will not write any more
on this subject you must
come home as soon as
you can for it is landome
here you must write before
you come home I have
not seen Henry for some
time but they are well
I believe you will excuse
my haste in writing
as my time is short
So good

Yours Truly
