Dear Friends at home

I was more than
glad to hear from you this evening
It found a feeling like a skeleton
I saw Lizzie a few moments before just
she was going on west the next day.
I have not quite a good way that I
have seen before, but few from home
There has been a way boarder when
I heard that is a right lot of Gilbert
in 'em I took a tramp through the
Colorado building and Washington building and
California building yesterday and spent
about an hour in the Transportation
building. I sum most information to get
so much together is such a short time
I wish you could all be here and
look the things over I shall spend
more time looking around if possible
