

when he brought me home if I got paid for
going I told him yes and thanked him for
the pleasure he said my company fully
repaid all I was most afraid Willie would
ask me but he did not though he asked
Ardeleia if I wanted to go that was after cousin
George insisted me) she told him I was going
what is George Burrwell going to do if he don't
stay to Uncle Phil's dinner won't let him go
away unless she goes will she I would not
if I were in her place give my love to her
when you see her tell her I often think
of all the rest of my acquaintances but that
is all the good it does it is so funny how
chilly all your letters are or have been I can't
think what I wrote for my heart that
made you think I had the chills at
last please Mr Post so he just laughed
and laughs about it the wind is coming
up and it lightens some think perhaps we
will have a thunder shower hope it will
come before I go to bed if it is coming but
Aunt Post's fire is getting down and she
has taken off her belt so think I will be
leaving will write a little more before retiring
goodnight Wednesday evening methinks I
see you all seated around in our dear old
home just about to commence the evening
worship I am away out here seated in my room
trying to write a few lines I have a good

she has just written me for
a long time as she has had
such a bad cough but that
is better now for have
just run to see when Ardeleia
and I were calculating to go up
to the church to pray meeting
but it was as is so dark &
much that Willie hated
to go and take us so we are
obliged to stay at home
the Post is coming out
and the best of
travelling think I will go
back to see what is in the
morning can ride on
my horse seems to be
perfectly happy and I
hope she may never have
dark clouds come up to
cause such shadows
I don't know but you will

for subscription in each town. I have made these lists of churches for each town and day book. I have all and mostly
I thought you would not mind it and in a little time I shall send you some of the same but I have made so much that
I think I ought to send you a book and give in town and
stay a week or two at a time but then
I don't care. she asked me to stay all
night when I commenced to put on my
things and when she found I wouldn't
stay any way she teased me hard but I
send no and I felt it to the Akumates
are invited there Thursday night also Willie
and I am awfully afraid she will ask me
not because I think she wants me but
just for looks. I will have some excuse
I mean I feel just as though I wanted to
keep out of her way all I can. hardly
think

After supper well I forget
what I was going to say so will commence
anew I wrote to Ezra & Adelia about my
going to the Tabernacle so you will hear
all about it Cousin George told me any
time I wanted to go any place to just
let him know he asked me the next morning

got a dollars worth of stamps so I think I
won't have to get any more this week I have
just been counting the letters I have had
since I came here twenty six and I have
written as many as that don't you think
my pen ought to keep warm Alice Danson
called the other day she wanted Adelia
to come down and bring her sister are you
acquainted with either of them the other one
name is Annie I believe I am not overanxious
to go but suppose will have to if it goes. went
over to Mrs Longs the other day had just
a tolerable time (as they say here when it is not
the poorest nor best) Julia said she told her
Ma she ~~was~~ wasn't going to call on Mrs
Wood she was going to call on Cousin
Mary or Mary I told her all right I
just as soon she would call me so I
cant say that I worship her and I know
you don't she is such a strange girl but
