

Minutes of the Meeting of the Board of Trustees of the University of Kentucky, Tuesday, September 17, 1974

The Board of Trustees of the University of Kentucky met in regular statutory session at 2:00 p.m. (CDT) on Tuesday, September 17, 1974 in the Board Room on the 18th floor of the Patterson Office Tower on the campus of the University. The following members answered the call of the roll: Professor Michael Adelstein, Mr. William R. Black, Mrs. Rexford S. Blazer, Mr. Stanley Burlew, Mrs. Robert O. Clark, Mr. Albert G. Clay, Mr. Richard E. Cooper, Mr. John R. Crockett, Mr. Eugene Goss, Mr. George W. Griffin, Jr., Mr. Thomas B. Kessinger, Mr. David Mucci, Mr. Zirl Palmer, Mr. Frank Ramsey, Jr., Mr. Homer W. Ramsey, Professor Paul G. Sears, and Dr. John Woodyard. Absent from the meeting were Mr. William B. Sturgill and Mr. James A. Sutherland. Members of the University Administration present included President Otis A. Singletary; Vice Presidents Alvin L. Morris, Lewis W. Cochran, Robert Zumwinkle, Peter Bosomworth, Lawrence E. Forgy and Raymond R. Hornback; Mr. John Darsie, Legal Counsel; and Dr. Donald Clapp, Executive Assistant to the President. Representatives of the various news media were in attendance.

A. Meeting Opened

Mr. Albert Clay, Chairman, called the meeting to order at 2:00 p.m. (CDT). The invocation was pronounced by Mr. William R. Black and Mr. Clay welcomed the members of the Board to the first meeting of the year.

B. Oath of Office Administered

Mr. Clay noted that since the last meeting of the Board there were three new members - Mr. Thomas B. Kessinger, Professor Michael Adelstein, and Mr. David T. Mucci - and asked Mr. John Darsie to administer the oath of office to Mr. Kessinger and Professor Adelstein, explaining that Mr. Mucci, President of Student Government and student member of the Board of Trustees, had been sworn in at the June meeting of the Executive Committee.

Mr. Kessinger was appointed by Governor Ford for a four-year term ending June 30, 1978, to replace Mr. Garvice D. Kincaid whose term expired on June 30, 1974. Professor Adelstein was elected as a faculty member for a three-year term beginning July 1, 1974 and ending June 30, 1977. Mr. Mucci was elected President of Student Government in the spring and, as such, became the student member of the Board of Trustees replacing Mr. Jim Flegle.

Following the swearing in, Mr. Clay requested the secretary to call the roll. A quorum being present the meeting was declared officially open for the conduct of business at 2:07 p.m.

C. Officers of the Board and Executive Committee Elected

Under the Governing Regulations of the University, the officers of the Board of Trustees and the Executive Committee of the Board must be elected at the September meeting. Therefore, during the summer, Mr. Clay named two nominating committees, one to present a slate of officers and one to present nominations for members of the Executive Committee. Before calling on the chairman of the nominating committee for officers of the Board, Mr. Clay said that he had reminded the committee that in 1973 he had indicated that he felt the chairmanship of the Board should be rotated and that it was his wish that his name not be placed in nomination.

Mr. Cooper, Chairman of the committee to present a slate of officers, reported that the committee had respected Mr. Clay's wishes relative to the chairmanship and presented the following names for officers of the Board of Trustees:

William B. Sturgill, Chairman
 Albert G. Clay, Vice Chairman
 Lucile T. Blazer, Secretary
 Paul G. Sears, Assistant Secretary

Mr. Clay asked Mr. Black to assume the Chair for the election of officers. Mr. Black called for nominations from the floor and, there being none, Dr. Woodyard moved that the nominations be closed and that the Nominating Committee's report be accepted as presented. His motion was seconded by Mr. Homer W. Ramsey and passed.

Mr. Clay resumed the Chair and called for the report of the Nominating Committee for the Executive Committee. Professor Sears, Chairman, presented the following slate and moved its acceptance:

William B. Sturgill, Chairman
 Albert G. Clay
 Richard E. Cooper
 George W. Griffin
 William R. Black
 Lucile T. Blazer, Ex Officio Secretary

Mr. Clay called for nominations from the floor and, there being none, he asked Professor Sears to assume the Chair for purposes of conducting the election. Professor Sears called for a second to the motion for acceptance of the Nominating Committee report. The motion being duly seconded, all those in favor voting aye, the Executive Committee as nominated was elected with no nay votes being cast.

Mr. Clay resumed the Chair, explaining that he would continue to preside in the absence of Mr. Sturgill, the newly elected Chairman, who was out of the state and unable to be present for the meeting.

D. Committee Appointments

Although the agenda called for committee appointments, Mr. Clay said that he would defer this so that Mr. Sturgill could make the necessary appointments to the Board Committees. He would, however, ask Mrs. Robert O. Clark and Mr. William R. Black to draft resolutions on Mr. Garvice D. Kincaid and Professor Paul Oberst, whose terms on the Board expired on June 30, 1974, for presentation at the next meeting of the Board.

E. President's Report to the Trustees

The Chairman turned the meeting over to Dr. Singletary, who reviewed briefly several of the items in his monthly report to the Trustees and recommended that the members give the report a more careful reading since it contained some very useful information about the University and the activities going on around the campus.

Mr. Clay accepted the report with thanks and ordered it filed.

F. Recommendations of the President (PR 2)

The items in PR 2, Recommendations of the President, being routine in nature and the members of the Board having had an opportunity to familiarize themselves with the contents thereof prior to the meeting, President Singletary recommended that PR 2 be approved as a whole.

Without discussion, on motion by Mr. Black, seconded by Professor Sears, and passed PR 2, Recommendations of the President, was approved as a whole and ordered made an official part of the Minutes of the meeting. (See PR 2 at the end of the Minutes.)

G. Supplemental Recommendations of the President (PR 3 - II)

After explaining that PR 3, Supplemental Recommendations of the President, contained items which had been received too late for inclusion in the early distribution of agenda material, President Singletary called the attention of the members to item II in the report which requested approval of the Board of Trustees for the University to seek approval of the appropriate state agencies for the construction of animal facilities for the Wenner-Gren Research Laboratory at a proposed cost of approximately \$350,000 from funds provided by the University of Kentucky Research Foundation.

On motion by Mr. Homer Ramsey, seconded by Mrs. Clark, and passed without dissent item II in PR 3 was approved as recommended. (See PR 3 - II at the end of the Minutes.)

H. Supplemental Recommendation of the President (PR 3 - I)

President Singletary said that it gave him much pleasure to recommend to the Board of Trustees the appointment of D. Kay Clawson, M.D., F.A.C.S., as Dean of the College of Medicine and Professor (with tenure) in the Department of Surgery (Division of Orthopaedics), effective March 1, 1975. He further said that the search committee appointed to recommend candidates to him for the position had done an outstanding job and had submitted the names of three individuals, any one of whom would have been an excellent choice. However, all those concerned were essentially of one mind that Dr. Clawson headed the list. After a brief resumé of Dr. Clawson's background and credentials by Dr. Bosomworth, President Singletary placed the name of Dr. Clawson before the members with his recommendation for approval.

On motion by Mrs. Blazer, seconded by Mr. Black, the appointment of Dr. Clawson as Dean of the College of Medicine and Professor (with tenure) in the Department of Surgery was approved by unanimous vote.

President Singletary then introduced Dr. Clawson, who was present at the meeting, and Mr. Clay extended a warm welcome to the University to Dr. Clawson on behalf of himself and his fellow members.

Before proceeding to the next item on the agenda President Singletary expressed appreciation to Dr. Bosomworth for his contribution during the past few months when he had taken on not only the Chairmanship of the Department of Anesthesiology but operating room duties as well. Because of his willingness to carry this extra load, the hospital has been able to operate with very little reduction in services provided. He then mentioned that the appointment of Dr. Mark B. Ravin as Chairman of the Department of Anesthesiology, which was approved as part of PR 2, is an important first step in relieving the shortage of personnel which exists in that department. (See PR 3 - I at the end of the Minutes.)

I. Approval of Degree Candidates (University System) (PR 4)

Without discussion, on motion by Professor Sears, seconded by Mr. Homer Ramsey and passed, President Singletary was authorized to confer upon each individual whose name appeared on the list included as a part of PR 4, the degree for which he has made application, upon certification by the Dean of Admissions and approval by the University Senate that all requirements have been satisfactorily completed. (See PR 4 at the end of the Minutes.)

J. Approval of Degree Candidates (Community College System (PR 5))

Mr. Cooper moved that the degrees and certificates specified on the list attached to PR 5 be awarded to the persons named upon certification that all requirements for those degrees or certificates have been satisfactorily completed. Mrs. Blazer seconded his motion and it passed with all present voting aye. (See PR 5 at the end of the Minutes.)

K. Approval of Amendment to the Governing Regulations (PR 6)

After reminding those present that an amendment to Part VII A, 9 of the Governing Regulations had been received and tabled at the May 7, 1974 meeting of the Board of Trustees, President Singletary recommended that the proposed amendment, which would provide for the permissive delegation of a defined part of the determination of educational policies to an assembly of a college in the University System, be removed from the table and approved.

On motion by Mr. Mucci, seconded by Professor Sears, the proposed amendment to Part VII, A, 9 of the Governing Regulations was removed from the table and approved without dissent. (See PR 6 at the end of the Minutes.)

L. Proposed Amendments to the Governing Regulations (PR 7A)

President Singletary explained that three amendments to the Governing Regulations were proposed in PR 7A. The first amendment would permit the waiver, with appropriate administrative approval, of all or part of a period of prior service in determining the length of the probationary period of a non-tenured faculty member; the second amendment would authorize the President to promulgate and issue a Personnel Policy and Procedure Manual in addition to the Administrative Regulations; and the third amendment would provide a needed clarification of ambiguous wording in Part VIII, A, 3.

Professor Sears spoke briefly in favor of each amendment and recommended that the changes in the Governing Regulations as proposed in PR 7A be received for consideration and placed on the agenda for approval by the Board of Trustees at its next regular meeting. It was so ordered by Mr. Clay. (See PR 7A at the end of the Minutes.)

M. Proposed Amendments to the Governing Regulations (PR 7B)

In presenting PR 7B, President Singletary explained that the amendments to the Governing Regulations as proposed constitute technical changes in wording

in Part X, B which would bring the statements in the Regulations into better conformance with institutional procedures and recommended that the proposed changes be received for consideration and action at a later meeting. It was so ordered by Mr. Clay. (See PR 7B at the end of the Minutes.)

N. Amendment to Retirement Resolution (PR 8)

President Singletary recommended that the proposed amendment to the Retirement Resolution be approved after first explaining that the amendment would permit the part-time employment, in limited circumstances, of former University employees who have reached retirement age.

Without discussion, on motion by Mr. Homer Ramsey, seconded by Professor Sears, and passed, the amendment to the Retirement Resolution as proposed in PR 8 was approved. (See PR 8 at the end of the Minutes.)

O. 1974-75 Budget Revisions (PR 9)

The recommended revisions to the 1974-75 budget being routine in nature and there being no questions, President Singletary recommended that PR 9 be approved. On motion duly made, seconded and carried, it was so ordered. (See PR 9 at the end of the Minutes.)

P. President Singletary Comments on Mr. Clay's Chairmanship of the Board

President Singletary said that before turning the meeting back over to Mr. Clay, he wished to express his personal appreciation to him for the leadership he has given to the Board of Trustees as its Chairman for the past two years and as Vice Chairman for the period from January 1969 through September 1972. He continued that he never felt that he did not have the support, advice, counsel and time of Mr. Clay and he wished to thank him publicly for his loyalty and devotion.

Q. Report of Hearing Committee Accepted

Mr. Clay explained that an appeal case had been before the Hearing Committee last spring and that the committee had not completed its hearings at the time Mr. Bell's term on the Board ended. Since it would be unfair to the student involved to change the personnel of the Hearing Committee prior to the conclusion of his hearing, Mr. Bell was requested to continue with the case. Mr. Clay then asked Mr. John Darsie to present Mr. Bell's report to the Board members.

Mr. Darsie read the report of the Hearing Committee as contained in the Minutes of its meeting held on the morning of September 17, 1974, a copy of which was included in the materials before the Trustees. There being no questions. Mr. Clay asked the Board's pleasure in the matter. Mr. Black, a member of the Hearing Committee and its present Chairman, moved that the Board of Trustees, having heard the report of the Hearing Committee, reject the appeal of Mr. Leo H. Liem for readmission to the University and that the expulsion be sustained. His motion was seconded by Mrs. Blazer and passed without dissent. (See Minutes of the Board of Trustees Hearing Committee at the end of the Minutes.)

R. Acceptance of Summary Audit Report for the University of Kentucky for 1973-74 (FCR 1)

Mr. Griffin, who was serving as Acting Chairman of the Finance Committee in the absence of Mr. Sturgill, reported that the Finance Committee had met on the morning of September 17 and considered the various items presented for Board approval. He indicated that Mr. Forgy would be happy to answer any questions relative to the Audit Report submitted by Coopers and Lybrand. There being no questions, Mr. Griffin moved acceptance of FCR 1. His motion was seconded by Mr. Burlew and passed. (See FCR 1 at the end of the Minutes.)

S. Resolution Accepting Settlement (FCR 2)

Mr. Griffin said that the Finance Committee had approved the Resolution relative to acceptance of full settlement from the Court of Claims of the State of West Virginia as presented in FCR 2 and moved its approval. His motion was seconded by Mr. Burlew and passed without dissent. (See FCR 2 at the end of the Minutes.)

T. Authorization for Incineration of Paid Bonds and Coupons (FCR 3)

Mr. Griffin moved that FCR 3 authorizing incineration of paid bonds and coupons as listed be authorized. Mr. Burlew seconded the motion and without dissent it was so ordered. (See FCR 3 at the end of the Minutes.)

U. Acceptance of Purchasing Letter & Cash Reconciliation Report for the University of Kentucky for 1973-74 (FCR 4)

Without discussion, on motion by Mr. Griffin, seconded by Mr. Burlew and passed the University of Kentucky Purchasing Letter for 1973-74 and the Cash Reconciliation Report as submitted by the firm of Coopers & Lybrand were accepted. (See FCR 4 at the end of the Minutes.)

V. Investment Committee Report (ICR 1)

Mr. Clay said that without objection he would accept the Quarterly Report on Investments as submitted in ICR 1. There being no objections, it was so ordered. (See ICR 1 at the end of the Minutes.)

W. Meeting Adjourned

Before calling for a motion for adjournment, Mr. Clay expressed his pleasure at having had the privilege of serving as Chairman of the Board of Trustees and thanked Dr. Singletary, the members of his Cabinet, the Faculty and Student Body of the University, and his fellow Board Members for their loyalty and support. He then called for a motion for adjournment which was made, seconded, and carried and the meeting adjourned at 2:30 p. m. (CDT).

Respectfully submitted,

Lucile T. Blazer, Secretary
Board of Trustees

Members, Board of Trustees:

SUPPLEMENTAL RECOMMENDATIONS OF THE PRESIDENT

I. Appointment of the Dean of the College of Medicine

Recommendation: that D. Kay Clawson, M.D., F.A.C.S. be named Dean, College of Medicine, and Professor (with tenure), Department of Surgery (Division of Orthopaedics), effective March 1, 1975.

Background: Following the resignation of William S. Jordan, Jr., M.D., as dean of the College of Medicine, a search committee was appointed to screen candidates and to make its recommendations to the President. The committee, composed of representative faculty members of the University and a student representative of the College of Medicine, received more than 100 nominations of potential candidates for the position from all over the country.

Dr. Clawson, a native of Utah, is presently Professor and Chairman of the Department of Orthopaedics, University of Washington School of Medicine at Seattle. He received his premedical education at the University of Utah, and his M. D. degree from Harvard Medical School. Following his internship and orthopaedic residency at Stanford University Hospital, he was appointed Fellow in Orthopaedics and Advanced Orthopaedics, National Foundation for Infantile Paralysis and did special additional study in England, Holland and Italy.

Dr. Clawson has served as Assistant Professor of Surgery of the University of California at Los Angeles; Assistant and Associate Professor of Surgery, Head of the Division of Orthopaedic Surgery, and Professor and Chairman of the Department of Orthopaedics at University of Washington School of Medicine. He also served as Chief of the Orthopaedic Service, University of Washington Hospital; as consultant, Children's Orthopaedic Hospital and Medical Center, United States Public Health Service Hospital, and Veterans' Administration Hospital in Seattle; and as a member of the consulting staff of the Greater Juneau Borough Hospital, Juneau, Alaska.

In addition to his professional experience, Dr. Clawson is a Diplomate and Examiner, American Board of Orthopaedic Surgery, and a Fellow of the American Academy of Orthopaedic Surgeons and the American College of

Surgeons. He is currently associate editor of the Journal of Bone and Joint Surgery and a member of the editorial board of the Review of Surgery and the board of editorial advisors of Orthopaedic Review. He has contributed more than 50 articles to scientific publications and journals, has written numerous chapters for medical textbooks, and co-authored a textbook on musculoskeletal systems for medical students. He is a member of numerous professional organizations, several of which he has served as national officer, and has served as chairman and member of many national committees. He is one of the founders and past president of the Association for Orthopaedic Chairmen. Dr. Clawson received the Outstanding Teacher of the Year Award of the University of Washington on two occasions, is a recipient of the American Medical Association's Physicians' Recognition Award and the American Orthopaedic Association's Travelling Fellowship Award, and is listed in Who's Who in America.

II. Approval of Capital Construction Project for Submission to the Council on Public Higher Education

Recommendation: that the Board authorize the President of the University to take the necessary steps to obtain the approval of the appropriate State agencies for the construction of Animal Facilities for the Wenner-Gren Research Laboratory.

Background: State statutes require the approval of the Council on Public Higher Education for any capital construction project which exceeds \$100,000 in cost and the statutes also require the approval of this Board before projects can be submitted to the Council on Public Higher Education. The proposed 5,400 square foot facility will cost approximately \$350,000 which has been provided by the University of Kentucky Research Foundation.

APPROVAL OF AMENDMENT TO THE GOVERNING REGULATIONS

Recommendation: that the proposed amendment to Part VII, A, 9 of the Governing Regulations received and tabled at the May 7, 1974 meeting of the Board of Trustees be removed from the table and approved as proposed.

Background: A copy of PR 8 which was received and tabled at the May 7, 1974 meeting is attached. As explained at that meeting, the amendment to Part VII of the Governing Regulations as proposed would provide for participation of students in the development of educational policies in the educational units of the University.

Members, Board of Trustees:

PROPOSED AMENDMENTS TO THE GOVERNING REGULATIONS

Recommendation: that the following three proposed amendments to the Governing Regulations of the University of Kentucky be received for consideration and, provided at least one month has elapsed, be put on the agenda for approval by the Board of Trustees at its next regular meeting.

First Amendment - Change the first paragraph of PART X-B-2 (pages 31, 32) to read:

(Note: Proposed addition is underlined.)

Non-tenure appointments may be for one year or for other stated periods, subject to renewal, but the total non-tenure period shall not exceed seven years, including previous full-time service with the rank of instructor or higher in other institutions of higher learning, provided that in the case of a faculty member with more than three years in the academic profession, who is called from another institution and appointed at the rank of associate professor or below, it may be required that he serve in a probationary status for a period not to exceed four years, even though thereby his total probationary period in the academic profession is extended beyond seven years. However, in any case where a period of prior service of a prospective faculty member involves significantly different institutional objectives or significantly different professional activity, all or part of the period of prior service may be eliminated from consideration in determining the non-tenure period at the University of Kentucky. Except as provided in Part X-C-7, time spent on leave of absence shall count as probationary period service unless the University in granting the leave and the individual in accepting it, agree to the contrary. Individuals initially appointed at the rank of full professor may be given non-tenure status for a period not to exceed one year. An individual shall not remain at the rank of instructor in the University for more than three years. If after that period, promotion to a higher rank cannot be justified, employment as an instructor at the University shall be terminated.

Background: This change in policy has been recommended to the President by the University Senate following several months of study by a committee of the Senate. The proposed amendment represents a desirable change which would permit, with appropriate administrative approval, the waiver of all or part of a period of prior service in determining the length of the probationary period of a non-tenured faculty member in the University System of the University of Kentucky.

Second Amendment - Change the second and third paragraphs of PART II (page 3) to read:

(Note: **Proposed additions are underlined.**)

These Governing Regulations of the University of Kentucky describe the composition, powers and duties of the Board of Trustees of the University of Kentucky as defined by Kentucky Statutes and establish policies and procedures for the performance of its functions. In the Governing Regulations, the Board of Trustees has delegated certain responsibilities to the President and the University Senate in order to provide for the responsible and efficient administration of the University and the accomplishment of its goals. It has likewise delegated certain responsibilities to the President and the Senate of the Community College System with respect to the operation of the University of Kentucky Community College System. As the chief administrative officer of the University, including the Community College System, the President is authorized by the Board to promulgate Administrative Regulations and a Personnel Policy and Procedure Manual which provide interpretation and implementation of these Governing Regulations and of the Minutes of the Board and which state policies within the sphere of delegated responsibility. The University Senate is authorized to issue rules implementing the responsibility delegated to it in these Governing Regulations. Likewise, the Senate of the Community College System is authorized to issue rules implementing the responsibility delegated to it in these Governing Regulations.

Where appropriate, the detailed rules and regulations appearing in the Administrative Regulations, the Personnel Policy and Procedure Manual, the Rules of the University Senate, and the Rules of the Senate of the Community College System should be referred to their source or sources in the Governing Regulations or Minutes of the Board, so that interested persons seeking guidance will find it necessary to consult only the Administrative Regulations, the Personnel Policy and Procedure Manual, and the Rules of the University Senate or the Rules of the Senate of the Community College System.

Background: This amendment is designed to authorize the President to promulgate or issue the Personnel Policy and Procedure Manual in addition to the Administrative Regulations. The Personnel Policy and Procedure Manual, which relates to staff (non-teaching) personnel, was approved by the Board of Trustees on March 12, 1962, and re-adopted on April 6, 1971. The Manual currently needs numerous revisions and, similar to the Administrative Regulations, will be continuously subject to various changes which will be mostly routine in nature.

Third Amendment - Change the fourth paragraph of PART VIII-A-3 (page 28) to read:

(Note: Proposed deletion is enclosed in brackets.)

Search committees for [associate deans or] directors of schools shall be appointed by the deans of the colleges after consultation with the appropriate faculty bodies within the colleges.

Background: The proposed deletion provides a needed clarification of ambiguous wording. The original intent of this paragraph was that it should apply to only those associate deans who actually administer educational units such as a school in a college and not to those who have only staff relationships.

Members, Board of Trustees:

PROPOSED AMENDMENTS TO THE GOVERNING REGULATIONS

Recommendation: that the following proposed changes in the Governing Regulations of the University of Kentucky be received for consideration and, provided at least one month has elapsed, be put on the agenda for approval by the Board of Trustees at its next regular meeting.

- (a) Change the last sentence of the first paragraph in Part X-B-2 to read:
(deletions are bracketed; new wording is underlined)

If after that period promotion to a higher rank cannot be justified, the individual's appointment [employment as an instructor] at the University shall not be renewed [terminated].

- (b) Change the second paragraph of Part X-B-2 to read:

Following appropriate probationary periods not exceeding in duration those described above, all persons of associate professor or higher rank shall be given tenure or shall not have their appointments renewed [terminated]; all persons of assistant professor rank (or equivalent ranks as adjudged by the President) shall: (1) be promoted to associate professor with tenure; (2) be transferred to a non-research rank with tenure; or (3) not have their appointments renewed [terminated]. Established appointment, promotion, and review procedures shall be followed in making these decisions.

- (c) Change Part X-B-4 to read:

4. Notification of Non-Renewal of Appointment [Termination]:
Non-Tenure Appointments

Part-time visiting or temporary short-term appointments with explicit terminal dates of one academic year or less, terminate at the expiration of the term without notice. For those employed year-to-year on a fiscal or academic year basis, notification of non-renewal of appointment [termination of employment] at the end of the first year of service shall be given not later than March 1 if the appointment expires at the end of that year or three months in advance if the one-year appointment terminates during the academic year. Notification of non-renewal [termination] of appointment at the end of the second year of service shall be given no later than December 15

if the appointment expires at the end of the year or six months in advance if the appointment expires during the year. Notification of non-renewal [termination] of appointment after more than two years of service shall be given at least 12 months before expiration of the appointment. Notice of non-renewal [termination] of appointment of those on past retirement appointment shall be no less than six months.

Background: The proposed amendments constitute technical changes in wording which would bring the statements in the Governing regulations into better conformance with institutional practices.

Members, Board of Trustees:

AMENDMENT TO RETIREMENT RESOLUTION

Recommendation: That the University's Retirement Resolution be amended so that, as amended, Section II would read as follows: (new material underlined)

II. Extension of Service for University Employees

- A. Extension of Full-Time Service. By special vote of the Board of Trustees, post-retirement appointments may be made for definite periods not to exceed one year each, but no such post-retirement appointment shall be made to extend beyond the end of the University's fiscal year in which the employee attains age 70. The following conditions will be observed with respect to all post-retirement appointments during the period thereof:
- (1) The appointee shall not receive retirement benefits from TIAA, CREF, or the University.
 - (2) The University and the employee shall continue to make contributions to the funded retirement plan in the same percentages as would have been the case if the employee had not attained retirement age.
 - (3) The employee will continue to accrue service credit for the period as though the service had been accumulated prior to retirement. Provided, however, that final salary for purposes of computing supplementary retirement benefits upon the termination of any post-retirement appointment shall be the salary at the time of retirement and such computation shall not be affected by the level of compensation during the period of any post-retirement appointment.
- B. Extension of Part-Time Service. By special vote of the Board of Trustees, part-time post-retirement appointments (defined as 50% or less of full-time employment) may be made for definite periods not to

exceed one year each, but no such part-time post-retirement appointment shall be made to extend beyond the end of the University's fiscal year in which the employee attains age 70. The following conditions will be observed with respect to all part-time post-retirement appointments:

- (1) The appointee may elect to receive retirement benefits from TIAA, CREF, or the University.
 - (2) The University shall not make further contributions to any funded retirement plan for the employee.
 - (3) The employee will not accrue service credit for the employment period.
 - (4) The employee's compensation for each annual period of a part-time, post-retirement appointment shall not exceed the lesser of:
 - (a) An amount which, when added to the employee's entitlement to income (calculated on the basis of a single life annuity) from TIAA, CREF, and University supplemental retirement payments, would be equal to the employee's annual income from University sources in the last full year of regular University employment, or
 - (b) An amount equal to one half of the employee's annual income from University sources in the last full year of regular University employment.
- C. Notwithstanding the prohibition relating to appointments beyond age 70, former employees who have attained age 70 may be employed, subject to conditions (1) - (4) of paragraph B. hereof, to perform duties for which fee schedules have been established and approved by the President of the University.
