

Minutes of the Meeting of the Board of Trustees of the University of
Kentucky, Tuesday, May 7, 1974

The Board of Trustees of the University of Kentucky met in statutory session at 2:00 p.m. (Central Daylight Time) on Tuesday, May 7, 1974 in the Board Room on the 18th floor of the Patterson Office Tower on the University campus with the following members answering the call of the roll: Mr. Frank Ramsey, Jr., Mr. Homer W. Ramsey, Mr. William R. Black, Mrs. Rexford S. Blazer, Mrs. Robert O. Clark, Mr. Albert G. Clay, Mr. Richard E. Cooper, Mr. Eugene Goss, Mr. John R. Crockett, Mr. Garvice D. Kincaid, Professor Paul Oberst, Professor Paul G. Sears, Mr. William B. Sturgill, Mr. James A. Sutherland, Mr. James Flegle, and Dr. John R. Woodyard. Absent from the meeting were Mr. Stanley Burlew, Mr. George W. Griffin, and Mr. Zirl A. Palmer. The University administration was represented by President Otis A. Singletary; Vice Presidents Alvin L. Morris, Lewis W. Cochran, Robert Zumwinkle, Stanley Wall, Peter Bosomworth, Lawrence Forgy, and Raymond Hornback; Mr. John Darsie, Legal Counsel; and Dr. Donald Clapp, Executive Assistant to the President. Representatives of the various news media were in attendance.

A. Meeting Opened and New Members Sworn In

The chairman called the meeting to order at 2:00 p.m. (Central Daylight Time) and the invocation was pronounced by Mr. Black.

Mr. Clay announced that Mr. Frank Ramsey and Mr. Homer W. Ramsey had been appointed to four-year terms on the Board of Trustees to replace Mr. Thomas P. Bell and Mr. Jesse M. Alverson, Jr. whose terms expired December 31, 1973 and the reappointment of Mr. Richard E. Cooper for another four-year term. The terms of all three will expire December 31, 1977. The oath of office was administered by Mr. John Darsie and the newly appointed and qualified members were seated.

The secretary reported a quorum present and the meeting was declared officially open for the conduct of business at 2:05 p.m.

Before proceeding with the next item on the agenda Mr. Clay appointed Professor Sears and Mrs. Clark to draft resolutions of appreciation for the service of Mr. Bell, Mr. Alverson, and Mr. Flegle, whose term would expire on May 11, 1974.

B. Minutes Approved

On motion by Mr. Cooper, seconded by Mr. Sturgill and passed, the reading of the Minutes of the April 2 meeting of the Board was dispensed with and the Minutes were approved as published.

Mr. Clay called attention to the dates established for meetings of the Board of Trustees for 1974-75 and noted that only the four Statutory meetings were scheduled as full Board meetings but that any meeting of the Executive Committee could be changed to a full Board meeting if required. He then asked if there were any changes the members would like to suggest in the proposed dates and, there being none, the proposed dates were accepted as the official meeting dates for 1974-75.

F. President's Report to the Trustees

After reviewing briefly certain items in PR 1, the president's monthly report to the Trustees, President Singletary said he would like to add to his report an announcement of a grant of \$25,000 from the Merrill Foundation for scholarships in the College of Dentistry. He said that he had received a telephone call relative to this just prior to the Board meeting and he felt it was worth mentioning to the Board of Trustees at this time.

Mr. Clay expressed gratification at the new grant, accepted the report with thanks, and ordered it filed.

G. Recommendations of the President (PR 2)

President Singletary explained that the items in PR 2 were routine in nature but that he would be glad to answer any questions which members of the Board might wish to raise. There being no questions, on motion by Mr. Black, seconded by Mrs. Clark and passed, PR 2 was approved as a whole and ordered made an official part of the Minutes of the meeting. (See PR 2 at the end of the Minutes.)

H. Supplemental Recommendation of the President (PR 3)

President Singletary said that the recommendation in PR 3 relative to the establishment of two additional Alumni Professorships had not been distributed to the members of the Board in advance of the meeting and, therefore, he explained in some detail the request for the establishment of the additional alumni professorships, including their source of funding and the basis for the selection of the two individuals to be appointed to the professorships.

On motion by Mrs. Blazer, seconded by Mr. Crockett and with all present voting "Aye", the President was authorized to establish two additional alumni professorships as recommended in PR 3. (See PR 3 at the end of the Minutes.)

I. Candidates for Degrees - University System (PR 4)

Since the members of the Board had had an opportunity to examine the list of candidates for degrees at the May commencement exercises prior to the meeting, Mr. Clay asked if there were any questions. There being none, on motion by Professor Sears, seconded by Mr. Homer Ramsey and passed, the President was authorized to confer upon each individual whose name appears on the list attached to PR 4 the degree to which he is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which he has made application and as approved by the University Senate. (See PR 4 at the end of the Minutes.)

J. Candidates for Degrees - Community College System (PR 5)

The names of the candidates for degrees and certificates in the Community College System having been distributed to the Board members in advance of the meeting and there being no questions, Mr. Clay called for a motion for approval of the list attached to PR 5. Mr. Cooper so moved. His motion was seconded by Mr. Homer Ramsey and passed without dissent. (See PR 5 at the end of the Minutes.)

K. Budget Revisions for 1973-74 (PR 6)

Without discussion, on motion by Mr. Cooper, seconded by Mrs. Blazer and passed, the budget revisions for 1973-74 as recommended in PR 6 were authorized and approved. (See PR 6 at the end of the Minutes.)

L. Amendment to the Governing Regulations (PR 7)

Mr. Clay noted that at the April 2 meeting the Board had received and tabled for future action a proposed amendment to the Governing Regulations. The required month having passed, Mr. Clay asked the Board its pleasure relative to the amendment.

Mr. Flegle who had presented the proposal at the April meeting, requested that it be returned to the table. No vote being required for such action, it was so ordered by Mr. Clay. (See PR 7 at the end of the Minutes.)

M. Proposed Amendment to the Governing Regulations (PR 8)

At the request of President Singletary, Professor Sears explained the change in the Governing Regulations (Part VII, A, 9) to provide for participation of students in the development of educational policies in the educational units of the University. The proposed amendment has been approved by the University Senate and Professor Sears recommended that it be received by the Board of Trustees for approval at its next regular meeting. There being no objection, it was so ordered. (See PR 8 at the end of the Minutes.)

N. Summer Term Fee Schedules (PR 9)

Explaining that the fee schedules for the summer terms as recommended in PR 9 established the maximum fees for the individual four, six and eight weeks terms within the maximum limits approved by the Council on Public Higher Education for the combined four, six and eight weeks terms, President Singletary recommended that they be approved effective with the summer of 1974 and until such time as fees may be revised by the Council on Public Higher Education.

Without discussion, on motion by Mr. Homer Ramsey, seconded by Mr. Crockett and passed, the summer fee schedules were approved as presented in PR 9, effective with the summer of 1974. (See PR 9 at the end of the Minutes.)

O. Operating Budget for 1974-75 (PR 10)

Although copies of the 1974-75 operating budget had been sent out prior to the meeting, copies were also made available to the members and to the press for their use during the President's presentation. After commending Mr. Ed Carter and Miss Karen Tuttle for the long hours and the hard work which had gone into the preparation of the document, President Singletary said that basically he was seeking approval of the budget under which the University would operate during the 1974-75 fiscal year, noting that it was the largest budget in the University's history totaling \$151,642,600.00, he gave the major sources of income as follows:

Appropriated State Funds	\$74.3 million
Student Fees	15.6 million
Federal Appropriations	8.2 million
Gifts and Grants	4.5 million

The major expenditure areas were broken down as follows:

Instruction and Departmental	
Research	\$45.0 million
Organized Research	9.1 million
Debt Service	5.9 million
Non-recurring Appropriations	
(Renovation of buildings,	
Purchase of Equipment, etc.)	5.1 million

The budget reflects increases in the following areas:

Fixed Costs	\$1,605,300.00
Cost of Living	4,105,400.00
Program Expansion	597,900.00

The President pointed out that the budget had been constructed without increasing student fees, which is on the plus side, but that there are certain concerns relating to the 1974-75 budget. For instance, the budget as projected does not cover possible inflationary increases in natural gas, fuel oil, coal, electricity, paper, and gasoline nor does it include funding for certain new programs and program expansion which had been planned. Concluding his remarks with the statement that the budget was strictly a continuation budget, President Singletary recommended its approval.

Mr. Clay, having first determined that there were no questions, called for a motion. Dr. Woodyard moved that the budget be approved in accordance

with the recommendation made in PR 10. His motion was seconded by Mrs. Blazer and passed with all present voting "Aye". (See PR 10 at the end of the Minutes.)

P. Report on Recommendations of Ad Hoc Committee to Reevaluate Privilege and Tenure

President Singletary said that he had recently received nine recommendations from the University Senate for inclusion in the Governing Regulations and/or Administrative Regulations. The recommendations resulted from a study by an Ad Hoc Committee to Reevaluate Privilege and Tenure. Of the nine recommendations transmitted to him, President Singletary indicated that he would approve five of them without change, three with amendments, and one he was not prepared to approve. The recommendations covered the following areas and his proposed action relative to each:

1. Prior service ruling - will recommend to the Board of Trustees for inclusion in the Governing Regulations at a later meeting
2. Faculty files - will approve
3. Information for new faculty members - will accept with modification
4. Performance review and tenure - will delete Part 1 of this recommendation on grounds it is already there and will approve Parts 2 and 4 and disapprove Part 3
5. Standards of tenure - will approve
6. This recommendation from the ad hoc committee was not approved by University Senate
7. Advisory Committee to the Dean - will approve as amended
8. Reasons for non-renewal - will disapprove
9. Advising - will approve
10. Student input in tenure and promotion decisions - will accept and add it to privilege and tenure document

Following Dr. Singletary's report, both Professor Sears and Professor Oberst indicated their agreement with the President's position relative to the recommendations. Mr. Clay accepted the report with thanks.

Q. University to Receive NCAA Funds for a National Summer Youth Sports Program

President Singletary announced that the University had just been notified that it had been selected to receive a \$24,000 grant from the NCAA to be used to conduct a summer sports program for disadvantaged youth. It will involve approximately 250 boys and girls between the ages of 10 and 18 and will include at least two hours of sports activity; two hours of an enrichment program on such subjects as drug abuse, job responsibilities, education and career opportunities, nutrition practices, etc.; and lunch.

R. Mr. Clay Recognizes President Singletary

Before proceeding to the committee reports, Mr. Clay took note of the fact that President Singletary was completing his fifth year at the University. He expressed the Board's gratitude to both President Singletary and Mrs. Singletary for bringing to the campus both stability and excellence and wished them both continuing success in their efforts to build an even better and stronger Institution in the future.

S. Interim Financial Report (FCR 1)

Mr. Sturgill, Chairman of the Finance Committee, mentioned that copies of the Financial Report covering the period ending March 31, 1974 had been mailed to the members in advance of the meeting and moved that the report be accepted. His motion was seconded by Mr. Black and was passed with all present voting "Aye". (See FCR 1 at the end of the Minutes.)

T. Group Life Insurance Contract Awarded (FCR 2)

Mr. Sturgill reported that after a careful evaluation of the bids received on the group life insurance program for faculty and staff of the University, it was the judgment of the evaluators and the Finance Committee that the best bidder was Commonwealth Life Insurance Company of Louisville. Without discussion, on motion by Mr. Kincaid, seconded by Mr. Sturgill and passed, the contract for the group life insurance program for faculty and staff of the University of Kentucky was awarded to Commonwealth Life Insurance Company of Louisville and the Vice President for Business Affairs was authorized to execute the necessary documents to effectuate the program as of July 1, 1974. (See FCR 2 at the end of the Minutes.)

U. Investment Committee Report (ICR 1)

Mr. Kincaid, Chairman of the Investment Committee, called attention to

the report on changes made in investments for the University of Kentucky for the quarter ending March 31, 1974 and moved acceptance of the report. His motion was seconded by Mr. Homer Ramsey and passed. (See ICR 1 at the end of the Minutes.)

V. Report of Committee Appointed to Study Solicitation of Funds on Campus

Dr. Hornback, who had chaired a campus committee appointed by President Singletary at the suggestion of the Board of Trustees to review the Board's policy relative to solicitation of funds on campus, reported that the committee met five times, including one session with representatives of the American Cancer Society, the Kentucky Heart Association, and the United Way of the Blue Grass. It was the unanimous recommendation of the committee that the present institutional policy regarding on-campus solicitation of funds be retained without alteration.

Mr. Clay accepted the committee's report with thanks and it was ordered filed.

W. Mr. David Mucci, New Student Government President, Introduced

Mr. Flegle asked to be recognized and said before introducing his successor as President of Student Government and student member of the Board of Trustees, he would like to express his appreciation to Dr. Singletary and the University administration for the support which had been given to Student Government during the past year, particularly in the area of service programs. He then introduced David Mucci who will assume the Student Government presidency on May 12.

Mr. Clay acknowledged the introduction on behalf of his fellow members and welcomed Mr. Mucci as the next student member of the Board of Trustees. He indicated that Mr. Mucci would be sworn in at the September meeting of the Board of Trustees.

X. Meeting Adjourned

Mr. Clay, having determined that there was no further business to come before the meeting, called for a motion for adjournment. Motion being duly made, seconded and carried, the meeting adjourned at 3:00 p.m.

Respectfully submitted,

Lucile T. Blazer, Secretary
Board of Trustees

(The Schedule of Meetings, PRs 2, 3, 4, 5, 6, 7, 8, 9, and 10, FGRs 1 and 2, ICR 1 and the Ad Hoc Committee Report which follow are official parts of the Minutes of the meeting.)

Schedule of Board of Trustees Meetings, 1974-75

The following dates have been scheduled for meetings of the Board of Trustees during the 1974-75 fiscal year:

August 6, 1974	Executive Committee
September 17, 1974	Board of Trustees (Statutory)
October 15, 1974	Executive Committee
November 19, 1974	Executive Committee
December 10, 1974	Board of Trustees (Statutory)
January 28, 1975	Executive Committee
March 4, 1975	Executive Committee
April 1, 1975	Board of Trustees (Statutory)
May 6, 1975	Board of Trustees (Statutory)
June 17, 1975	Executive Committee

You will note that no meeting has been scheduled for July, 1974. In addition, no meeting has been scheduled for February, 1975. The January meeting has been scheduled late in the month and the March meeting has been scheduled for early in that month.

Any Executive Committee meeting may be rescheduled as a full Board meeting should the nature or quantity of work make this necessary.

PRI

PRESIDENT'S REPORT TO THE TRUSTEES

May 7, 1974

1. ODK HONORS 13; EIGHT STUDENTS INITIATED

Eight students who have demonstrated outstanding ability were honored on April 28 by Omicron Delta Kappa, junior and senior men's leadership and scholarship fraternity. Also honored were Dr. Alvin Morris, vice president for administration; Dr. Frank Buck, Department of Animal Science, College of Agriculture; Dr. N. J. Pisacano, professor and associate dean, College of Allied Health Professions, and Dr. Earl P. Slone, dean-emeritus, College of Pharmacy.

The student initiates were Stephen L. Miller, Owenton; Robert Vice, Lexington; William A. Sanders Jr., Maysville; Louis Conrad III, Falmouth; Joseph E. Hafley, Hustonville; Jackson Bray Jr., Greenville; Joseph Kinnarney, Hopkinton, Mass., and Johnny C. Burris, Kettering, O.

An honorary membership was presented to Thomson R. Bryant, assistant director-emeritus, Cooperative Extension Service.

New student members are nominated on the basis of school activities, scholarship and leadership by department chairman, campus organizations, and faculty.

2. FOUR WIN RESEARCH AWARDS GIVEN BY UKRF

Four faculty members will receive awards of \$500 each from the Research Foundation in ceremonies tonight at the annual meeting of the Foundation.

The annual awards recognize distinguished achievement in research and creative arts during the past two years, and this year will be received by:

--Dr. Thomas P. Pirone, professor of plant pathology who was cited for his research into virus-vector relationships, especially stylet-borne viruses and corn viruses.

--Dr. M. I. H. Aleem, professor of biological sciences, a native of Pakistan, whose work is receiving international recognition.

--Dr. Henry H. Bauer, professor of chemistry, whose research contributions have been in the areas of electrochemistry and analytical chemistry.

--Dr. Joseph A. Bryant Jr., professor of English, a Shakespeare and Renaissance scholar, who has written two books, one of them on Ben Jonson, which won an award as the best book manuscript of the year in 1973.

3. BUSINESS GRADUATES, ENGINEERS, GET MOST JOBS

Business and industry are hiring college graduates at a pace well above that of last year, with engineers and accountants getting the most job offers.

"At the bachelor's level, engineering candidates received 59 per cent of the total job offers reported in a recent survey by the College Placement Council, while another 18 per cent went to accounting majors," James Alcorn, placement director, said.

The most active employer groups so far this season are public accounting firms, followed by chemical and petroleum groups. Increased competition for engineering graduates is reflected in the fact that, at the bachelor's degree-level, employers had made almost 50 per cent more job offers to engineers than a year ago. General business majors received 26 per cent more offers and offers to accounting majors rose 11 per cent. Marketing and distribution job offers, however, dropped 8 per cent.

Graduates in the areas of education and social work are experiencing difficulty in finding jobs.

"But there are jobs available in these fields for those who are well qualified," Harry Jones, assistant director of placement, said. He added that it is necessary for students in the humanities and social sciences fields to make an extra effort in the job market.

Chemical engineers, at an average of \$1,021 per month, received the highest salary offers, and metallurgical engineers, at an average of \$994 per month, experienced the largest percentage gain in starting salaries. Overall, engineering salary offers were five per cent higher than last year.

Graduates interested in general business work received average monthly offers of \$782, about 4.5 per cent higher than last year. Those educated in the humanities and social sciences received average monthly salary offers of \$664 and \$689, which were about equal to last year's offers.

4. DRILL TEAM CAPTURES HONORS AT OHIO MEET

University drill teams took most of the honors during drill meet competition recently in Columbus, Ohio.

Company C-1 of Pershing Rifles' Second Battalion and its coed affiliate, The Kentucky Babes, won 17 team trophies and eight individual awards. And for the third consecutive year, the Second Battalion was chosen as the outstanding battalion in the Pershing Rifles First Regiment.

Teams from five states participated in the competition at Ohio State University. Of the 45 awards presented, University teams and individuals received 25. Receiving individual awards were Ivan Munro, Lexington (four awards), Steven Smith, Lexington (two), Dwight Cropper, South Portsmouth, Ky., and Richard A. Ford, Johnson City, Tenn. (one award each).

5. SCIENTIST STUDIES BORON AS CANCER DETERRENT

Derivatives of boron (one of man's most unusual elements) which are used in detergents, glass, insecticides, and as rocket fuels, are being tested at the University for possible treatment of cancer.

Dr. Kurt Niedenzu, professor of chemistry, who earned high distinction while getting his Ph.D. degree from the University of Heidelberg, has prepared more than 200 different boron compounds during recent years. Some of these materials now are being tested for application in the treatment of cancer and malaria.

Medical researchers at Massachusetts General Hospital, Boston, hope to utilize some of Dr. Niedenzu's new chemicals for the selective destruction of cancer cells in brain tumors while doing minimum damage to surrounding healthy tissue. Other chemicals prepared by Dr. Niedenzu and his students are being tested at Walter Reed Army Hospital, Washington, for their curative power in treating malaria.

Dr. Niedenzu said the creation of new compounds of boron is usually a laborious and risky undertaking, since these materials tend to be flammable and must be protected from air and moisture in intermediate stages of their preparation.

Structural studies on compounds prepared on the Lexington campus are in progress at the University of Oslo, Norway. Theoretical calculations on these same materials are being pursued at the University of Munich, Germany, and spectroscopic features are being elucidated in collaboration with Prof. E. B. Bradley of the electrical engineering department and a group of Japanese scientists.

His research has earned wide recognition for Dr. Niedenzu. He has received an award from the Department of Defense as "outstanding scientist" and just recently was invited by the Alexander von Humboldt Foundation to spend a year at a German research institution under a George C. Marshall Fellowship. This honor is given annually only to 10-15 U.S. scientists and this is the first time a University of Kentucky professor has been selected for the award.

6. DR. GADBOIS WORKS IN NEW GUINEA UNDER FULBRIGHT

Dr. George Gadbois, associate professor of political science, is beginning a nine-month stay in Papua-New Guinea, under a senior Fulbright-Hays Research Award.

Dr. Gadbois will be affiliated with the University of Papua Department of Political Studies. He will conduct research and offer recommendations in interpretation of tribal law to merge with the modern law of the country.

During the 1969-70 academic year, Dr. Gadbois was in India on his second faculty research fellowship, awarded by the American Institute of Indian Studies. A native of Boston, he has degrees from Marietta College and Duke University. He was an instructor in political science at the University of Hawaii, and associate director of the Institute of Advanced Projects, East-West Center, at Hawaii, before coming here in 1966.

7. SUE FEAMSTER CHOSEN TO HEAD NEW PROGRAM

The formation of a Women's Intercollegiate Athletic Program will provide University women with the opportunity to compete in sports on an intercollegiate level.

Susan B. Feamster, presently director of women's intramural and club sports, will become director of Woman's Intercollegiate Athletics effective July 1.

The new program largely is in line with recommendations of an 11-member committee of faculty and staff members asked a few months ago to study the status of women's athletics at the University.

The committee, whose chairman is Marion E. McKenna, dean of the College of Nursing, was cited for its work by President Otis Singleary, who called the new women's athletics program a "major step forward for the University. This puts us up among the major universities in this enterprise."

The program will be under the administrative control of The Vice President for Student Affairs, the Office of the Dean of Students, and the Department of Campus Recreation. Until now, women participated in sports only at the intramural and "club" levels. Competitive clubs usually meet with similar groups from other institutions on an extra-mural basis or generate their own competition within their specific group.

The program will begin with participation in at least four sports and others will be added later. Existing club sports will be elevated to the intercollegiate level as funds are available and as the teams develop. Just as in the man's sports program, a club sport which becomes an intercollegiate sport is eliminated from the club program.

A committee, made up of faculty, students and the administrative staff, will be named to serve in an advisory capacity to the director.

Miss Feamster is 29 years old and has an extensive background in teaching and coaching athletics. She has been employed since 1970. A native of Frankfort, Miss Feamster received her bachelor's degree in physical education, health and recreation from Kentucky State University. She is a candidate for a master's degree in recreation administration and a candidate for a doctoral degree in college administration.

8. UNIVERSITY RANKS 25TH IN NUMBER OF STUDENTS

The University ranks 25th in full-time students among the "Big 30" universities.

The ranking appears in the journal, "Intellect," formerly "School and Society."

The survey was conducted by Dr. Garland G. Parker, vice provost for admissions and records at the University of Cincinnati. It lists 24,773 full-time students for UK during the current academic year. The State University of New York ranked first, with a full-time total of 244,316 students; ranking 30th is Wayne State University, Detroit, with 20,862.

9. DR. WILLIAM H. JANSEN IS A&S DISTINGUISHED PROFESSOR

Dr. William Hugh Jansen has been named the College of Arts and Sciences Distinguished Professor for 1973-74.

Dean Art Gallaher said that Dr. Jansen, professor of English, will be given the fall semester free of other duties to devote full time to research in oral narrative performance, and in folk legends, particularly Kentucky legends.

Although Dr. Jansen's early field work is cited in folklore textbooks as a pioneer study of an actual person becoming a folk hero and losing his real-life identity, he recently has become known to folklorists throughout the world for identifying and defining what folk narrative scholars call the S-X factor, which alerts students of the folk narrative to its social, political, ethnic and psychological values in addition to the usual personal values and entertainment.

Dr. Jansen was general editor for two scholarly monograph series. Under his editorship, 18 volumes have been prepared for publication by the University of Texas Press. Eleven volumes have appeared.

He has been a Fulbright Lecturer, a Ford Foundation Faculty Fellow, and senior fellow of the National Endowment for the Humanities. In 1964 he was elected a member of the International Society for Folk-Narrative Research in Germany, and in 1969 was named a Fellow of the American Folklore Society. This year he began a five-year appointment as delegate to the American Council of Learned Societies. In 1965 he was a member of President Johnson's White House Conference on the International Cooperation Year.

He also was assistant director of the University's overseas program in Bandung, and coordinator of the University's overseas program for four years.

He was a visiting professor at the University of Ankara, Turkey, for two years, and of the Bandung Institute of Technology in Indonesia for three years. He has presented papers before international congresses in Athens, Bucharest, and Chicago, and will appear before a congress in Helsinki in June. He is the author of numerous scholarly articles, reviews, and chapters in several books.

Born in Stamford, Conn., Dr. Jansen earned his bachelor's degree at Wesleyan University, and his doctorate at Indiana University. He is married to the former Violet E. Schraft.

10. GEOGRAPHERS HONOR MEMORY OF ELLEN CHURCHILL SEMPLE

The late Ellen Churchill Semple, whose personal library and papers were donated to the University library, and who was called America's most distinguished woman geographer (1868-1932), was honored last month in a day dedicated to her memory, by the Department of Geography. The more than 80 geographers and invited guests heard Dr. Preston James, a leading U.S. geographer, at a banquet that closed the day's observance.

11. PHI BETA KAPPA INITIATES 32 STUDENTS

Phi Beta Kappa has initiated 32 students.

The initiates, their hometowns and major fields of study are:

Morris W. Beebe III, biology, Ronald L. Embry, pre-med, Sheila R. Isaac, sociology, and Frederick D. Nelson, philosophy and political science, all of Lexington.

William F. Allard, Lewisport, zoology; Nancye Jane Bailey, Paintsville, psychology; Dianne Benjamin, Mayfield, psychology; Theodore E. Collins, Cumberland, political science; Emiline L. Gill, Lily, English; Deborah S. Hackney, Danville, Russian and English literature; Rodney A. Hall, Clay City, mathematics; Patsy Gail Kennan, Maysville, Russian language and literature; David W. Philips, Middletown, psychology; David C. Quast, Ft. Mitchell, biology; Victoria Ringstaff, Catlettsburg, psychology; Daniel L. Schoulties, Highland Heights, zoology; Scarlett L. Smith, Frankfort, psychology.

Nancy P. Stevens, Princeton, psychology; William A. Thielen, Owensboro, political science; Christina S. Wallace, Ashland, English Education; Kelsa Young, Hopkinsville, English.

Susan R. Ehrman, journalism, Deborah Grayson, political science; James R. Hill, economics; Mary E. Kellogg, social work; Patricia M. Ryan, comparative literature, and Catherine A. McCarthy, journalism, all of Louisville.

Charles C. Hedde, Lawrenceville, Ill., zoology; Donna Jean Medve, Coraopolis, Penn., English and speech; Patricia L. Schwagmeyer, Cincinnati, psychology; James S. Wetmore, Pittsburgh, Penn., ecology; Joseph S. Prus, Glen Cove, N. Y., psychology.

Also elected to membership were Larry S. Butler, Betty Jean Gooch, Ellen S. Dickerson, and Diana S. Legg, all of Lexington; Betty Lynn Horrar, Corydon, Ind., Robert Bentley Tincher, Berea, and Dee Hamilton Wade, Campbellsville.

12. NEW PERSONNEL OFFICE AT MEDICAL CENTER

An additional personnel office to serve the Albert B. Chandler Medical Center has been opened there.

The new office serves people wishing to apply for work at University Hospital and the related Colleges of Medicine, Dentistry, Nursing, Pharmacy and Allied Health.

The employment office for the rest of the University will continue to be located in Room 350 of the Service Building on Limestone at Upper Street. "We still have one personnel function. We're just adding an additional office to better serve the public and the University," G. Bruce Miller Jr., personnel director, said.

Walter Gattis is in charge of the new office. He was state personnel commissioner, 1961-67, and more recently was assistant director of the Bureau of Government Services at UK.

13. MEDICAL TEAM, STUDENTS RESPOND TO TORNADO DISASTER CALL

A 10-member medical disaster team working out of the Medical Center saw its first action on the night of a recent tornado-stricken Central Kentucky.

Established about five years ago at the suggestion of Dr. Peter Bosomworth, now vice-president for the Medical Center, the team, including surgeons, pharmacists and nurses, with equipment to treat trauma and other victims of the storm, was on its way to King's Daughters Hospital in Frankfort within 20 minutes after the Medical Center received a request from Gov. Wendell Ford.

Many of the victims from the Frankfort area as well as Stamping Ground and other Kentucky towns and cities hit by the tornado, were brought to the University Hospital, and all personnel were alerted in case the disaster struck the Lexington area.

Others, including a number of students, responded to calls for aid, especially in the days following when clean-up crews were needed.

14. ENGLISH DEPARTMENT CITES FOUR TOP STUDENTS

Four English students, two from Hopkinsville Community College, have been honored by the Department of English.

Dr. Joseph A. Bryant, departmental chairman, presented the department's top awards in the recent annual ceremony to:

--Kathie Scranton, Hopkinsville Community College, who received the \$100 Dantzler-Farquhar award for the best published prose by an undergraduate.

--Joseph Chambers, also of Hopkinsville, who received a \$100 award for the best published poetry by an undergraduate during 1972-73.

--Emiline Gill, Lexington, recipient of the \$500 L. L. Dantzler and Mary E. Dantzler award to the outstanding English major.

--Arvin Jupin, Brandenburg, recipient of the \$600 Ellershaw award to the Ph.D. candidate not holding a non-service fellowship who stood highest in scholastic excellence and who plans to enter a career in teaching.

15. STUDENTS WORK TO RESTORE LOCAL HOUSES

Some 600 students are cleaning, mending and repairing 30 Lexington homes through Adopt-A-House.

Dr. P. S. Sabharwal, associate professor of biological sciences and director of the program, said students are involved in painting--both indoors and out, cleaning yards, and making minor repairs. "In some instances, adopted houses look so good when the students are finished," Dr. Sabharwal said, "that other home owners get busy and paint their own homes. The entire neighborhood begins to look better."

16. HYDROGEN STUDIES, SHORTWALL MINING RESEARCH BOOST YEAR'S GRANTS

The total amount of awards received through the Research Foundation by the end of March was \$15,321,477. 17. SIGNIFICANT ACTIVITIES OF FACULTY AND STAFF

E. Anne Stiene, associate professor of medical technology, College of Allied Health Professions, has been named Technologist of the Year by the Kentucky State Society for Medical Technology. Miss Stiene also is the society's president-elect, and will assume the presidency at the group's annual meeting next April.

Dean William S. Jordan Jr. of the College of Medicine took part in the meetings of the Southern Deans and the Council of Deans of the Association of American Medical Colleges, held in Phoenix, Ariz., in late April.

Nancy Green, adviser to student publications, was a program participant at the recent annual meeting of the National Association of Student Personnel Administrators, held in Chicago.

Dr. Hubert M. Martin Jr., associate professor of classics, has been appointed a corresponding member of the Institute for Antiquity and Christianity, which functions out of Claremont (Calif.) Graduate School as an international center for basic research in the humanities. Dr. Martin will do research in the Corpus Hellenisticum Novi Testamenti project for the Institute.

Dr. Abraham Wikler, professor of psychiatry, lectured on "Drug Abuse and the Nervous System," at the American Academy of Neurology convention held recently in San Francisco.

Dr. Frank Bordeaux Jr., assistant professor of agricultural economics, presented a paper before the annual meeting of members of the Southern Regional Science Association, held April 4-5 at Arlington, Virginia. He also participated in a conference-workshop sponsored by the Southern Regional Education Board, held in late March in Raleigh, N.C.

A paper, "Public and Private Rights Related to Water Use," was presented by Dr. Clyde Kiker, assistant professor of agricultural economics, at the Water Resources Symposium conducted by Fort Valley State College, Georgia.

Dean Harry M. Bohannon of the College of Dentistry currently is on special assignment as staff coordinator of Health Sciences Education, Council on Public Higher Education. Dr. Gene P. Lewis, assistant dean for health research and development, is serving as acting dean for the college.

Dr. Michael E. Adelstein, associate professor of English, participated in the conference on College Composition and Communication held April 5 in San Francisco, with his paper, "Television as a Teaching Tool: FE on TV."

Dr. William H. Peters, associate professor in the Department of Curriculum and Instruction, College of Education, has been invited to serve on the national committee of Performance-Based Teacher Education, Certification and Recertification, by the Conference on English Education. He is president of the Kentucky Council of Teachers of English and a director of the National Council of Teachers of English.

Dr. Sheldon Simon, associate professor of political science, has received a research grant from the American Institute of Public Policy Research, to prepare a publication on Asian neutralism for the Institute's foreign policy study series. The study will be based on interviews conducted by Dr. Simon last year in Asia.

Dr. Martin B. Solomon, director of the Computing Center, has been selected by the United Nations to advise in establishment of a new international center in Budapest, Hungary. He will spend several weeks in Budapest, beginning this month, as one of five U.S. scientists taking part in the project.

Dr. James W. Tawney, director of Programmed Environments for the Developmentally Retarded, served as chairman/presenter for a recent program conducted for the convention of the International Council for Exceptional Children, held in New York City. Four other members of the local project took part.

Dr. Carol Polsgrove, Maysville Community College, read a paper, "Short Country Tales in Great Britain: 1820-1840," at the Kentucky Philological Association meeting in March at Murray State University.

Dr. Eldon D. Smith, professor of agricultural economics, participated in an international seminar on "Programs for Agricultural Development of the Mekong River Basin," held in March at Cornell University.

Members, Board of Trustees:

RECOMMENDATIONS OF THE PRESIDENT

I. Naming of Building

Recommendation: that the Board of Trustees approve the following name for the biological sciences building now under construction: Thomas Hunt Morgan School of Biological Sciences.

Background: The chairman of the Committee on Naming University Buildings has reported to me that the committee was unable to make a positive recommendation for an appropriate name for the new biological sciences building presently under construction but did offer several suggestions. From the possible names suggested, at least half seemed to favor the Thomas Hunt Morgan School of Biological Sciences. Therefore, it is recommended that the building be so named.

II. FUND Board Appointment

Recommendation: that approval be given to the reappointment of Mr. LeRoy M. Miles as a member of the FUND Board of Directors for an additional two-year term beginning July 1, 1974 and ending June 30, 1976.

Background: The Board of Trustees must approve all appointments to the Board of Directors of The Fund for the Advancement of Education and Research in the University of Kentucky Medical Center. Mr. Miles has served as a member of the Board since 1968 and has been an effective and valuable member. In order to continue to receive the benefit of his advice and counsel, his reappointment is requested.

III. Appointments and/or Other Staff Changes

Recommendation: (1) that approval be given to the appointments and/or other changes which require Board action; and (2) that the report relative to appointments and/or changes already approved by the administration be accepted.

Background: The following recommended appointments and/or other staff changes require approval by the Board of Trustees in accordance with Part VIII-B of the Governing Regulations of the University. The recommendations are transmitted to the Board by the appropriate vice president through the President and have his concurrence.

Under the Governing Regulations the authority to make certain appointments and/or other staff changes is delegated to the President or other administrators who are required to report their actions to the Board. This report follows the recommendations requiring Board approval.

Members, Board of Trustees:

SUPPLEMENTAL RECOMMENDATIONS OF THE PRESIDENT

I. Establishment of Alumni Professorships

Recommendation: that the Board of Trustees authorize the establishment of two Alumni Professorships from resources available from Annual Giving Funds.

Background: In 1965 the Alumni Association established a President's Progress Fund to provide three alumni professorships as well as scholarships for needy students. On April 4, 1967 the Board of Trustees approved the appointment of Dr. Ray Marshall as the first Alumni Professor of Economics, a position which he held until his resignation in August 1969. A successor was not named until July 1970 when Dr. Charles P. Roland was appointed Alumni Professor of History.

In 1971 the Alumni Giving Program was incorporated into the Annual Giving Program of the University under the aegis of the Development Office. Therefore, the source of funding the alumni professorships was removed from the Alumni Association and they were unable to underwrite the other two professorships as originally planned. The Annual Giving Fund has now grown to the point where it is possible to provide the funds necessary to support two additional alumni professorships.

The Alumni Associate has endorsed the proposal that additional alumni professorships be made available and has indicated its support for nominations to be made by the President to the Board of Trustees of the University of Kentucky. Accordingly, an Ad Hoc Committee was appointed to make nominations to the President of persons to be named alumni professors in the science area and in the professional area. The persons to be so named will be announced at the Alumni Banquet on Friday evening, May 10, and at the Commencement Exercises on Saturday afternoon, May 11. In the meantime, approval of the Board of Trustees is requested for the establishment of two additional alumni professorships.

The establishment of professorships of this calibre strengthen the academic program of an institution and are beneficial in both the recruitment and retention of personnel. It is hoped that as the University's Annual Giving Program grows, funds will become available for the establishment of additional professorships in other areas.

CANDIDATES FOR DEGREES - UNIVERSITY SYSTEM

Recommendation: that the President be authorized to confer upon each individual whose name appears on the list the degree to which he is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which he has made application and as approved by the University Senate.

Background: Since Commencement Exercises are held immediately following completion of examinations, it is not possible for the Office of the Dean of Admissions and Registrar to certify satisfactory completion of requirements, prior to Commencement Exercises, for those candidates who completed their requirements in May. The candidates who completed their requirements in August 1973, and December 1973, were approved by the Board of Trustees at an earlier meeting.

To the Board of Trustees:

Student Senate Recommendation for Governing Regulations changes

RECOMMENDATION: that the Board of Trustees adopt the attached wording changes to the GOVERNING REGULATIONS of the University of Kentucky. These changes are to be incorporated as expeditiously as possible.

Background:

This recommendation comes from the SG Senate and administration. The Student Senate voted to recommend these changes at the February 5, 1974 meeting. Their rationale was as follows:

"The influences of language structure upon our mental processes has been the subject of much thought. Whorf's 1956 linguistic-relativity hypothesis proposed that the structure of a language partially determines our conception of the world.

The use of the pronoun "he" in the English language when the referent is either an indeterminate sex or both sexes, implies a great deal about this society's concept of women and their "proper" role. The common use of words like "council-man," "chairman," or "committeeman" is only further evidence of this unconscious attitude in our everyday speech.

Kate Miller, in her book Sexual Politics, describes the problem:

"With the Indo-European languages this is nearly inescapable habit of mind, for despite all the customary pretense that "man" and "humanity" are terms which apply equally to both sexes, the fact is hardly obscured that in practice, general application favors the male far more often than the female as referent, or even sole referent, for such designations."¹

It is in the academic environment of a university that changes can best be made. Deleting sexist phrases and words from the Governing Regulations of the University of Kentucky is the first step.

"Language constantly evolves in response to need. It is groping today for ways to accomodate the new recognition of women as full-fledged members of the human race."²

Members, Board of Trustees:

PROPOSED AMENDMENT TO THE GOVERNING REGULATIONS

Recommendation: that the Board of Trustees receive and, at its next regular meeting after one month has elapsed, approve the following proposed amendment to the Governing Regulations of the University of Kentucky.

Background: Part VII,A,9 of the Governing Regulations states that rules of procedure in educational units of the University shall provide for participation of students in the development of educational policies. The proposed amendment has been recommended by the University Senate to provide the faculty of a college with an option to establish an assembly in which students may formally participate in the development of educational policies of that college.

It is required that a proposed change in the Governing Regulations be received for study and consideration at least one month prior to action to amend at a regular or special meeting of the Board of Trustees.

Action: Approved X Disapproved Other

Date: May 7 , 1974

PROPOSED AMENDMENT TO THE GOVERNING REGULATIONS

Add as a new last paragraph in Part VII,A,4:

A Faculty may delegate by rule a defined part of the determination of its educational policies to an assembly of the college, which shall consist of the faculty and designated student representatives. The number of students voting and the method of selecting these students shall be determined by the rules of the college.

Members, Board of Trustees:

SUMMER TERM FEE SCHEDULES

Recommendation: that the Board approve the attached fee schedules for the four, six and eight week summer terms effective with the summer of 1974.

Background: The Council on Public Higher Education adopted fee schedules on April 11, 1972 which specified an increase in fees effective either in the summer or fall of 1972, and the Board of Trustees of the University of Kentucky confirmed those fee schedules at its meeting of May 9, 1972 to be effective in the fall of 1972. These approved schedules included fees for the combined four, six and eight week summer sessions but did not specifically provide for the individual sessions. An interpretation was requested from the Acting Executive Director of the Council on Public Higher Education in order to establish fees for the individual sessions, and this Board approved a fee schedule for the summer of 1973 based on that interpretation. The principal effect of the action was to establish maximum limits on fees for the individual four, six and eight week sessions. Maximum fees for the combined four, six and eight week sessions remained at the level set forth in the original Council action as confirmed by this Board. The attached fee schedule for which approval is recommended will establish a like interpretation for the summer of 1974 and until such time as fees are revised.

OPERATING BUDGET FOR 1974-75

Recommendation: that the 1974-75 Operating Budget as submitted, including the authorization set forth in the letter of transmittal be approved and ordered recorded as an integral part of the University's financial system with the necessary fiscal control being exercised for the collection and appropriation of income and for the expenditure of departmental appropriations in accordance with authorized fiscal policies and procedures and accepted as a basis of maximum expenditures for the year 1974-75. The Board of Trustees or the Executive Committee is empowered to make such changes in the budget as may from time to time be deemed necessary upon recommendation of the President.

Background: The 1974-75 Operating Budget of the University of Kentucky is presented for approval by the Board of Trustees. Copies of the budget document have been made available to members of the Board.

Note: The budget document is not included in the Minutes but is on file with the official records of the meeting.

GROUP LIFE INSURANCE CONTRACT

Recommendation: the Finance Committee recommends that the contract for the group life insurance program for faculty and staff of the University be awarded to Commonwealth Life Insurance Company, Louisville, Kentucky, and that the Vice President, Business Affairs and Treasurer be authorized to execute the necessary documents to effectuate the program as of July 1, 1974.

Background: Detailed specifications and invitations to bid were sent to over fifty major life insurance underwriters in the United States and Canada. Fifteen bids were received and opened on April 26, 1974. A copy of the bid tabulation is attached. These bids were evaluated by University staff, Meidinger & Associates insurance consultants, and the Deputy Commissioner of Insurance, Department of Insurance, Commonwealth of Kentucky, all of whom, after such evaluation, gave as their opinion the lowest and best bidder was Commonwealth Life Insurance Company, of Louisville, Kentucky, which bid a monthly premium rate of 39 1/2 cents per thousand dollars of insurance coverage. The present premium rate for group life insurance is 48 cents per month per thousand.

REPORT OF AD HOC COMMITTEE ON CAMPUS SOLICITATION OF FUNDS

The ad hoc committee appointed by President Singletary on February 20 to review the University's current policy on campus solicitation of funds has completed its assignment.

The committee has unanimously taken the position that the policy adopted by the Board of Trustees on March 17, 1967, and subsequently incorporated into the Governing Regulations, should be continued without change. This decision was reached after five meetings, including one session with representatives of the American Cancer Society, the Kentucky Heart Association, and the United Way of the Bluegrass. Each of the aforementioned was given an opportunity to present its case and to answer questions posed by committee members.

The committee concluded that the present policy is in the best interests of the University community. It was felt that amendment of the policy as requested by the American Cancer Society and the Kentucky Heart Association would bring a multitude of similar requests from other voluntary health agencies and that other alternatives discussed would at this time be inappropriate.

Committee members felt that reasons underlying the Trustees' action of March, 1967, retain their validity today. Further, the committee wishes to point out the fact that the United Way of the Bluegrass maintains an open-door policy toward the American Cancer Society, the Kentucky Heart Association, and other voluntary agencies which have elected to remain outside the United Way program in the past. Additionally, we wish to reaffirm the University's present policy which permits voluntary agencies to use the University mail service in the solicitation of gifts from faculty and staff members.

It is worth noting that the current University of Kentucky policy is essentially the same as at benchmark institutions in neighboring states.

Therefore, for the reasons outlined in the preceding paragraphs, the committee recommends unanimously that our present institutional policy regarding on-campus solicitation of funds be retained without alteration.
