Chosen the Official Watch to Time This Football Game . . . **LONGINES**

Throughout the season America's most important football games will be timed by Longines Watches . . . official watch for *all* major international sporting associations . . . the watch of yesterday's air pioneers and today's airlines . . . the watch that has won 10 World's Fair Grand Prizes and 28 Gold Medals, and more observatory accuracy awards than any other watch.

A Longines owner is *justly* proud, for no name on a watch means so much. The new, smartly-styled Longines watches are now being shown by Longines-Wittnauer jeweler agencies, priced \$40 and upward, for sport, business or formal wear for men and women. Folder on request.

THE WORLD'S MOST HONORED WATCH
WINNER OF 10 WORLD'S FAIR GRAND PRIZES — 28 GOLD MEDALS

The University of Kentucky plays West Virginia today for the second time. In their first meeting shortly after the turn of the century the Mountaineers came out on the large end of a 45 to 0 score. The Big Blue hopes to even the series. Another rivalry may be in the making with today's renewal of the battle started way back before most of today's spectators were born.

Of the 54 candidates on the University of Kentucky football squad this year, 22 served as captains of their high school football teams and fifteen were named on all-State teams while in high school. The former captains are Charles Ishmael, Pikeville; Bernard Johnson, Lexington; Lloyd Ramsey, Somerset; Tom Zinn, Burnsville, W. Va.; Alex Zechella, Newport; Bill Goatley, Springfield; Charles Martin, Harlan; Carl Combs, Hazard; Bill Black, Paducah; Wilce Carnes, Cincinnati, Ohio; Tom Spickard, Princeton; John Eibner, Jeanette, Penn.; Jim Hardin, New Albany, Ind.; Joe Shepherd, Louisville Manual; Burchell Helton, Alva; Bob Palmer, Mount Sterling; Sam Hulette, Ashland; Jack Waters, Louisville Male; Bob Beeler, Bardstown; Phil Scott, Birmingham, Ala.; Ed Gholson, Paducah, and Harry Denham, Mount Sterling.

Among the eight sophomore candidates for a halfback position on the University of Kentucky football squad this fall is Richard "Dick" Kelly, from Springfield. He is a half-brother of the famous "Shipwreck" Kelly, Wildcat halfback who burned up Southern gridirons a decade ago, who later starred in professional football and who now is part owner of the Brooklyn Dodgers football team.

Bert Johnson, Kentucky's great halfback of 1934-35-36, has been playing professional football since he finished the sport at the University, first with the Brooklyn Dodgers, now with the Chicago Bears. Now realizing the advantage of a college degree, which he failed to win when his class was graduated, Bert came back to the University for the spring term in order to earn additional credits. He intends to keep it up until he has his sheepskin.

Ab Kirwan, who is entering on his second season as head football coach at the University of Kentucky, has two hobbies — books and bridge. Kirwan was captain of the Wildcat football team in 1925.

FEATS OF FOOTBALL

Football's longest run from scrimmage — 115 yards, by Wyllis Terry, of Yale, against Wesleyan, November 4, 1884—could not be duplicated today; in fact, it has been impossible since 1912, when the old 110-yard field was shortened to the present 100-yard gridiron. Terry's run was made from kick formation, five yards behind his own goal line. Yale won the game, 31 to 0.

The all-time greatest "thief" in football annals was Arthur Poe, of Princeton, who wrenched a ball from the arms of a Yale runner November 12, 1898, and galloped 100 yards for the score that won the game, 6 to 0.

But for sheer deceit, Charles Dillon, of the Carlisle Indians of 1903, holds the record. In a game with Harvard, Dillon received a kick-off, hid the ball under his jersey (which had been especially

prepared for the ruse) and ran 105 yards through the Harvards, without detection. "Pop" Warner probably put him up to it! Harvard won the game.

Arle Davis, of Oklahoma, kicked 23 extra points from placement in one game—Oklahoma vs. Kingfisher, in 1917. Oklahoma won, 179 to 0.

The longest field goal on record is one of 65 yards by J. T. Haxall, of Princeton, which gave the Tigers a victory over Yale in 1882.

Including his famous five field goals against Yale in 1913, the great Charley Brickley kicked 26 field goals in one season. Alexander Moffat, of Princeton, went Brickley several better in 1882 when he kicked 32 field goals in 15 games. In fact, at that time old statistics reveal that football was really *football*; the number of kicks in one game usually exceeded the number of scrimmage plays.

Chosen the Official Watch to Time This Football Game . . . **LONGINES**

Throughout the season America's most important football games will be timed by Longines Watches . . . official watch for *all* major international sporting associations . . . the watch of yesterday's air pioneers and today's airlines . . . the watch that has won 10 World's Fair Grand Prizes and 28 Gold Medals, and more observatory accuracy awards than any other watch.

A Longines owner is *justly* proud, for no name on a watch means so much. The new, smartly-styled Longines watches are now being shown by Longines-Wittnauer jeweler agencies, priced \$40 and upward, for sport, business or formal wear for men and women. Folder on request.

THE WORLD'S MOST HONORED WATCH
WINNER OF 10 WORLD'S FAIR GRAND PRIZES — 28 GOLD MEDALS

The University of Kentucky plays West Virginia today for the second time. In their first meeting shortly after the turn of the century the Mountaineers came out on the large end of a 45 to 0 score. The Big Blue hopes to even the series. Another rivalry may be in the making with today's renewal of the battle started way back before most of today's spectators were born.

Of the 54 candidates on the University of Kentucky football squad this year, 22 served as captains of their high school football teams and fifteen were named on all-State teams while in high school. The former captains are Charles Ishmael, Pikeville; Bernard Johnson, Lexington; Lloyd Ramsey, Somerset; Tom Zinn, Burnsville, W. Va.; Alex Zechella, Newport; Bill Goatley, Springfield; Charles Martin, Harlan; Carl Combs, Hazard; Bill Black, Paducah; Wilce Carnes, Cincinnati, Ohio; Tom Spickard, Princeton; John Eibner, Jeanette, Penn.; Jim Hardin, New Albany, Ind.; Joe Shepherd, Louisville Manual; Burchell Helton, Alva; Bob Palmer, Mount Sterling; Sam Huette, Ashland; Jack Waters, Louisville Male; Bob Beeler, Bardstown; Phil Scott, Birmingham, Ala.; Ed Gholson, Paducah, and Harry Denham, Mount Sterling.

Among the eight sophomore candidates for a halfback position on the University of Kentucky football squad this fall is Richard "Dick" Kelly, from Springfield. He is a half-brother of the famous "Shipwreck" Kelly, Wildcat halfback who burned up Southern gridirons a decade ago, who later starred in professional football and who now is part owner of the Brooklyn Dodgers football team.

Bert Johnson, Kentucky's great halfback of 1934-35-36, has been playing professional football since he finished the sport at the University, first with the Brooklyn Dodgers, now with the Chicago Bears. Now realizing the advantage of a college degree, which he failed to win when his class was graduated, Bert came back to the University for the spring term in order to earn additional credits. He intends to keep it up until he has his sheepskin.

Ab Kirwan, who is entering on his second season as head football coach at the University of Kentucky, has two hobbies — books and bridge. Kirwan was captain of the Wildcat football team in 1925.

FEATS OF FOOTBALL

Football's longest run from scrimmage — 115 yards, by Wyllis Terry, of Yale, against Wesleyan, November 4, 1884—could not be duplicated today; in fact, it has been impossible since 1912, when the old 110-yard field was shortened to the present 100-yard gridiron. Terry's run was made from kick formation, five yards behind his own goal line. Yale won the game, 31 to 0.

The all-time greatest "thief" in football annals was Arthur Poe, of Princeton, who wrenched a ball from the arms of a Yale runner November 12, 1898, and galloped 100 yards for the score that won the game, 6 to 0.

But for sheer deceit, Charles Dillon, of the Carlisle Indians of 1903, holds the record. In a game with Harvard, Dillon received a kick-off, hid the ball under his jersey (which had been especially

prepared for the ruse) and ran 105 yards through the Harvards, without detection. "Pop" Warner probably put him up to it! Harvard won the game.

Arle Davis, of Oklahoma, kicked 23 extra points from placement in one game—Oklahoma vs. Kingfisher, in 1917. Oklahoma won, 179 to 0.

The longest field goal on record is one of 65 yards by J. T. Haxall, of Princeton, which gave the Tigers a victory over Yale in 1882.

Including his famous five field goals against Yale in 1913, the great Charley Brickley kicked 26 field goals in one season. Alexander Moffat, of Princeton, went Brickley several better in 1882 when he kicked 32 field goals in 15 games. In fact, at that time old statistics reveal that football was really *football*; the number of kicks in one game usually exceeded the number of scrimmage plays.
