

Minutes of the Meeting of the Board of Trustees of the University of Kentucky, Tuesday, May 8, 1973

The Board of Trustees of the University of Kentucky met in regular statutory session at 2:00 p. m. (Eastern Daylight Time) on Tuesday, May 8, 1973 in the Board Room on the 18th floor of the Patterson Office Tower on the University campus with the following members present: Mr. Jesse M. Alverson, Mr. Thomas P. Bell, Mr. William R. Black, Mrs. Rexford S. Blazer, Mr. Stanley Burlew, Mrs. Robert O. Clark, Mr. Albert G. Clay, Mr. Richard E. Cooper, Mr. Eugene Goss, Mr. George W. Griffin, Mr. Garvice D. Kincaid, Professor Paul Oberst, Mr. Zirl A. Palmer, Professor Paul G. Sears, Mr. William B. Sturgill, Judge James A. Sutherland, Mr. Scott Wendelsdorf, and Dr. John R. Woodyard. The only member absent from the meeting was Mr. Jacob H. Graves. The University administration was represented by President Otis A. Singletary; Vice Presidents Alvin L. Morris, Lewis W. Cochran, A. D. Albright, Glenwood L. Creech, Robert Zumwinkle, Stanley Wall, Peter P. Bosomworth, and Lawrence E. Forgy; Dr. Donald B. Clapp, Director of the Budget; and Mr. John C. Darsie, Legal Counsel. The various news media were also represented at the meeting.

A. Meeting Opened

Mr. Clay, Chairman of the Board, called the meeting to order at 2:00 p. m. Following the invocation, the Secretary reported a quorum present and Mr. Clay declared the meeting officially open for the conduct of business at 2:03 p. m.

B. Minutes Approved

On motion by Mr. Cooper, seconded by Mrs. Clark, and passed, the reading of the Minutes of the February 20, 1973 meeting and the April 3, 1973 meeting was dispensed with and the Minutes were approved as published.

C. Resolution Adopted

Mr. William R. Black read a resolution, a copy of which appears at the end of the Minutes, expressing appreciation to Mr. and Mrs. John Y. Brown, Jr. for their generous gift of one million dollars to the University of Kentucky to be used in the construction of a research facility for the study of aging and moved its adoption. Judge Sutherland seconded the motion and all present voted "aye". The resolution was adopted, ordered spread upon the Minutes and a copy presented to Mr. and Mrs. Brown.

D. President's Report to the Trustees

Following a brief review of several items in the President's monthly report to the Trustees, President Singletary recommended that the report be accepted. Mr. Clay accepted the report with thanks and ordered it filed.

E. Recommendations of the President (PR 2)

Noting that the items in PR 2, Recommendations of the President, were routine, President Singletary expressed his willingness to answer any questions which the Board members might have relative to any of the recommendations in the report. There being none, on motion by Judge Sutherland, seconded by Mrs. Blazer, and passed, PR 2 was approved as a whole and ordered made an official part of the Minutes of the meeting. (See PR 2 at the end of the Minutes.)

F. Supplemental Recommendations of the President (PR 3)

President Singletary explained that the nominating committee of the University of Kentucky Research Foundation had submitted its report too late for inclusion in the general mailing of agenda items and, therefore, it had been necessary to add PR 3 to the agenda. In addition to the nominations for appointments to the Board of Directors of UKRF, there are several personnel changes included in PR 3 which the Board had not had an opportunity to see prior to the meeting. President Singletary indicated his willingness to answer questions if the Board members so desired. There being no questions, on motion duly made by Mr. Black, seconded by Professor Sears, and passed, PR 3 was approved as a whole and ordered made an official part of the Minutes of the meeting. (See PR 3 at the end of the Minutes.)

G. Candidates for Degrees Approved (PR 4)

Noting that one of the primary purposes of the meeting was the approval of candidates for degrees at the May commencement exercises, President Singletary recommended said approval. The Board members having already had an opportunity to review the list of candidates and there being no questions, on motion by Professor Sears, duly seconded, and passed, the President was authorized to confer upon each individual whose name appeared on the list provided the degree to which he is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which application had been made. (See PR 4 at the end of the Minutes.)

H. Budget Revisions for 1972-73 Authorized (PR 5)

Noting that Dr. Donald Clapp was present to answer any questions relative to the proposed budget revisions, President Singletary recommended approval of PR 5.

Without question, on motion by Mrs. Blazer, seconded by Professor Sears, and passed, the budget revisions recommended in PR 5 were authorized and approved. (See PR 5 at the end of the Minutes.)

I. Summer Term Fee Schedules Approved (PR 6)

President Singletary explained that the establishment of summer session fees was necessary in order to establish maximum limits on fees for the individual four, six and eight week sessions. He continued that the maximum fees for the combined four, six and eight week sessions will remain at the levels set in the original action as confirmed by this Board. The Acting Executive Director of the Council on Public Higher Education has indicated that the individual fees were acceptable to the Executive Director of the Council on Public Higher Education and were consistent with the schedules approved by the Council on April 11, 1972.

Without discussion, on motion by Mr. Burlew, seconded by Dr. Woodyard, and passed, the recommended summer term fee schedules proposed in PR 6 were approved. (See PR 6 at the end of the Minutes.)

J. Baccalaureate Degree in Nursing (B. N.) Approved (PR 7)

President Singletary explained that the University wished to establish a baccalaureate degree program in nurse-midwifery. Under present regulations of the Council on Public Higher Education, all new programs must be approved by the Council before they can be activated. In order to submit the program to the Council, Board approval is required. He continued that there was a definite need for such a program and recommended approval by the Board.

On motion by Judge Sutherland, seconded by Mrs. Blazer, and passed, approval for submission to the Council on Public Higher Education was given to a new professional program in nurse-midwifery leading to the Bachelor of Nursing degree (B. N.). (See PR 7 at the end of the Minutes.)

K. President of Student Government Introduced

In closing his part of the agenda, President Singletary announced the election of Mr. James Flegle as the new President of Student Government. As

such he will replace Mr. Wendelsdorf as the student member on the Board of Trustees. Mr. Flegle being present at the meeting, he was introduced by President Singletary and welcomed to the meeting by Mr. Clay. Inasmuch as Mr. Flegle had not assumed office yet, Mr. Clay indicated that he would be sworn in at the next meeting of the Board of Trustees in September.

L. Committee Appointed to Draft Resolution on Dr. Albright, Dr. Creech and Dr. Forth

Before proceeding to the next item on the agenda, Mr. Clay said he would like to ask Judge Sutherland and Mr. Bell to prepare a resolution of appreciation for the services to the University of Dr. Albright, Dr. Creech and Dr. Forth, all of whom would be leaving the University to assume other positions before the end of the summer.

M. Recommendation to Abolish Student Athletics Fee Presented (TR 1)

The Chairman called on Mr. Wendelsdorf to present the two recommendations which he had submitted for consideration at the May meeting. Mr. Wendelsdorf stated that he had learned since submitting his recommendation relative to the abolition of student athletics fees that the Board of Trustees does not have the power to raise or lower fees and, therefore, wished to amend the proposal which had been mailed to the Board members in advance of the meeting so that it would read as follows:

Recommendation: that the Board of Trustees recommend to the Council on Public Higher Education the following proposal:

The athletics fee of \$6.25 per full-time student per semester now assessed as part of the mandatory activities fee be abolished, and the combined tuition-activities fee be reduced accordingly beginning with the fall 1973 semester. This regulation shall in no way infringe upon the power of the Athletics Association Board of Directors to develop a student athletics program based upon voluntary fee payments.

In support of his recommendation, Mr. Wendelsdorf then read his Rationale for Abolition of Athletics Fee, copies of which he distributed to members of the Board and a copy of which is included at the end of the Minutes. Following the reading of the rationale, Mr. Wendelsdorf moved adoption of his amended resolution. The motion died for lack of a second. (See TR 1 and the Rationale for Abolition of Athletics Fee at the end of the Minutes.)

N. Resolution Regarding Public Meetings Withdrawn (TR 2)

Mr. Wendelsdorf indicated that he wished to withdraw his recommendation

relative to public meetings since he had reached the conclusion that it would create more problems than it would solve. He then requested permission to say a few words since this was his last meeting. Permission being granted by the Chairman, Mr. Wendelsdorf noted some of the changes in the Board's approach to student problems during his two years as a student member of the Board and urged the Board to come to grips with some of the problems still unresolved.

In closing he commented that he had been guilty of "snap judgments" concerning some members of the Board and regretted some of the comments he had made at the May 1972 meeting relative to certain Board members. Since he has gotten to know these members better, he realizes he was wrong and he has a great deal of respect, not only for them but for all members of the Board of Trustees and for the responsible manner in which they are carrying out their duties.

Mr. Clay thanked Mr. Wendelsdorf for his reassuring remarks and requested Mr. George Griffin and Mr. Eugene Goss to draft a resolution recognizing Mr. Wendelsdorf's contributions to the Board to be presented at the next meeting. (See TR 2 at the end of the Minutes.)

O. Interim Financial Report Accepted (FCR 1)

Mr. Griffin, Chairman of the Finance Committee, moved that the interim financial report of the University for the period ending March 31, 1973 which had been mailed to the members in advance of the meeting be accepted. His motion was seconded by Mr. Alverson, and passed without dissent. (See FCR 1 at the end of the Minutes.)

P. Acquisition of Property for Jefferson Community College
Approved (FCR 2)

At Mr. Griffin's request, Mr. Forgy explained that the property recommended for acquisition for the Jefferson Community College was necessary for the development of that campus and that of the Louisville Vocational Technical Institute, and recommended that the Board request the Executive Department of Finance and Administration to acquire the property described in FCR 2 and further requested that the cost of acquiring said properties be paid from funds appropriated by the Commonwealth for the Louisville Vocational Technical Institute.

There being no questions, Mr. Cooper moved approval of the recommendation as stated in FCR 2. His motion was seconded by Mrs. Blazer, and passed without dissent. (See FCR 2 at the end of the Minutes.)

Q. Authorization Given for Payment of the Replacement Cost of Roof Damage to the Administration Building (FCR 3)

Mr. Forgy explained that under the Resolution creating and establishing the Consolidated Educational Buildings Project of the University of Kentucky all insurance monies in excess of \$10,000 must be paid to the Trustee of the Bond Holders. The purpose of the recommendation in FCR 3, therefore, is to request the Trustee to make payment from the insurance monies received for the replacement cost of roof damage to the Administration Building resulting from windstorm.

Mr. Alverson moved approval of the recommendation in FCR 3. His motion was seconded by Mrs. Clark, and passed with all members voting "aye". (See FCR 3 at the end of the Minutes.)

R. Non-Profit Corporation for Collection of Delinquent Medical Center Accounts Formed (FCR 4)

Mr. Griffin called attention to FCR 4 in the folders of the Board members, noting that this recommendation had been added to the agenda after the tentative agenda had been mailed out. It was explained that the formation of a non-profit corporation for the collection of delinquent Medical Center accounts had been discussed at length in a joint meeting of the Finance Committee and the Medical Center Committee, and that the consensus of these two committees was that this was perhaps the best manner to handle such collections at this time.

After a brief discussion, on motion by Mr. Palmer, seconded by Mrs. Blazer, and passed, the two-part recommendation in FCR 4 was approved as presented. (See FCR 4 at the end of the Minutes.)

S. Investment Committee Report Accepted (ICR 1)

Mr. Clay, Chairman of the Investment Committee, noted that this was a routine quarterly report of the changes made in the investments for the University of Kentucky and its affiliated corporations and recommended its acceptance.

On motion by Mr. Bell, seconded by Mr. Griffin, and passed, the quarterly report of the Investment Committee was accepted and ordered made an official part of the Minutes of the meeting. (See ICR 1 at the end of the Minutes.)

T. Meeting Adjourned

There being no further business to come before the meeting, on motion

duly made, seconded, and carried. the meeting was adjourned at 2:35 p. m.

Respectfully submitted,

Lucile T. Blazer, Secretary
Board of Trustees

(The Brown Resolution, PRs 2, 3, 4, 5, 6, and 7, TR 1 and its accompanying Rationale, TR 2, and FCRs 1, 2, 3, and 4 and ICR 1 which follow are official parts of the Minutes of the meeting.)

PRI

PRESIDENT'S REPORT TO THE TRUSTEES

May 8, 1973

1. NEW OMBUDSMAN HAS ENVIABLE RECORD IN STUDENT COMMUNICATIONS

Dr. Donald F. Diedrich, associate professor of pharmacology, is the new academic ombudsman.

The office is a mechanism for handling issues for which no established procedure exists or for which such procedures have not yielded a satisfactory solution. The ombudsman must rely on his ability to communicate and to convince opposing forces to reach a consensus. A student who has a grievance against any impersonal facet of the University can appeal through the ombudsman, and receive a hearing and investigation of his complaint.

President Singletary said the University and especially the students are fortunate that Dr. Diedrich was "willing to accept this challenging appointment."

The work of the office has increased each year indicating it more and more is filling a need. Dr. Diedrich is the fourth ombudsman. The others were Garrett Flickinger, who teaches law; John Scarborough, who teaches history, and John L. Madden, who teaches economics.

Dr. Diedrich was given the Golden Apple Award by the Student American Medical Association for "outstanding contributions to teaching." The Class of 1968 commended him for his outstanding teaching and expressed its appreciation "for your interest and devotion in our behalf..."

He was chairman of the Student Affairs Committee for the College of Medicine.

2. CC ENROLLMENT EVENTUALLY 50 PER CENT TECHNICAL

Dr. Stanley Wall, vice-president for the Community College System, said recently he hopes to have 50 per cent of community college students enrolled in occupationally-oriented programs.

Dr. Wall told members of the Interim Study Commission on Educational Organization that UK plans to continue expending these programs. Currently about 40 per cent of the 11,400 community college students are enrolled in occupationally-oriented programs. He said the colleges are offering academic and technical programs as well as continuing education for adults. He said 38 per cent of the students are in two-year technical programs.

3. BEGIN HYDROGEN RESEARCH IN ENGINEERING COLLEGE

Theoretical research on hydrogen production processes will begin this month in the College of Engineering. Dean James E. Funk and Dr. William L. Conger, associate professor of chemical engineering, have received a \$25,692 grant from the National Aeronautics and Space Administration for a 10-month study.

They will be dealing with theory and computer computations rather than with laboratory hardware. They will develop and implement a procedure for evaluating methods for producing hydrogen other than by electrolysis. Electrolysis is a method of producing hydrogen by passing an electric current through water, which "cracks" water molecules, thereby separating hydrogen from oxygen.

Many engineers and scientists believe that hydrogen, the most abundant element in the universe, will become the principal source of industrial energy within the next 30 to 40 years.

4. LECTURERS-RESEARCHERS LEAVE NEXT MONTH ON FULBRIGHTS

A number of faculty and staff members will begin leaving next month for tours abroad to research and lecture under the auspices of the Fulbright-Hays Fellowship program.

They include: Dr. Ronald Dillehay, professor of psychology, who will lecture on behavioral science at the Catholic University of Lima, Peru; Dr. Robert W. Randall, associate professor of history, who will lecture on American and Latin American history at the University of Cuyo, Mendoza, Argentina; Dr. Edward T. Ordman, assistant professor of mathematics, who will conduct research in the general areas of infinite and large topological mathematical groups at the University of New South Wales, Sydney, Australia.

Dr. P. K. Kadaba, professor in electrical engineering, who will conduct research on solid state physics at the University of Ljubljana, Yugoslavia; Dean James Funk of the College of Engineering, who will spend six weeks in Guayaquil, Ecuador, with the Escuela Superior Polytechnica del Litoral; Dr. George E. Mitchell Jr., coordinator of Graduate Studies in the College of Agriculture, who will research the interaction between calcium and phosphorous status and energy metabolism in dairy cattle at the Ruakura Center in Hamilton, New Zealand.

Vyrle W. Owens, field director of the University Year for Action, who will do research on comparative education and technological innovation in the Philippines, and James Pettinari, College of Architecture, who will lecture on architecture and urban planning at the Universidad Catolica, in Ecuador.

Dr. Michael Impey, assistant professor in the Department of Spanish and Italian, will do research in Romania under a grant from the International Research and Exchanges Board.

5. THAILAND PROJECT NOW IN SEVENTH YEAR

Dr. John Ellis of the agronomy department and Walter Graham of the Division of Agricultural Regulatory Services, have returned from the Northeast Agricultural Center in Tha Phra Khon Kaen, Thailand, providing an opportunity to review the international program.

The Thailand Contract is administered through the U.S. Agency for International Development and the UK Research Foundation. UK was chosen for the Contract because it is well-known for its College of Agriculture and because it had successfully completed a similar project with Indonesia.

Dr. Howard Beers, director of the Center for Developmental Change, was instrumental in steering the project to Kentucky, and Dr. Willis Griffin, director of the Office for International Programs, took major responsibility in negotiating the Contract, which now is in its seventh year and is to be extended through June, 1975. Initially administered through CDC, the project was transferred to the College of Agriculture, under the administration of Dean Charles Barnhart.

The major obligation of the University is institution-building: the development of a sustainable research capability and physical capacity in agricultural research and certain aspects of extension work. To meet this obligation, the Contract articulates three major activities: 1) advice to, and training of, Thai counterparts; 2) selection and programming of participants for graduate study; and 3) identification and procurement of commodities.

The University is responsible for selection of participants, programming and pre-departure training, including instruction in English, both on-site and in the U.S. To provide breadth of exposure, some participants are sent to universities other than Kentucky. Of the 46 Thai students currently in the program, 26 are here and 20 are at other universities. Arriving participants are led in an intensive eight-week English study program by Mrs. Jean Pival of the English department.

Throughout the six years of the Contract, it has been coordinated on campus by Dr. S. C. Bohanan with the help of his two assistants, Mrs. Emily Wright and Mrs. Sue Jeter.

The UK team currently in Thailand is led by Dr. Russell Brannon, and includes Dr. Aly Lasheen, Dr. Eddie Daniel, Dr. Verne Finkner, Dr. Robert Blevins, Paul Teague, and Donald Slack. They will be joined in June by Dr. Barry Bobst of the Department of Agricultural Economics. Charles Alton, graduate assistant with the Thailand Project, plans to go to Thailand this month. He will join the Kentucky team while researching his doctoral dissertation in the field of agricultural economics.

6. ACTION PROGRAM FUNDED FOR ANOTHER YEAR

A recent \$73,000 grant from ACTION, the citizens volunteer service corps, will provide financial assistance to the University Year for Action program for the coming year.

The program allows University undergraduates to work outside the Lexington campus and earn 30 hours of academic credit.

President Singletary said, "The University Year for Action provided multiple benefits for the University, our students and the Commonwealth in its first year, and we look forward to an even better program."

Sixty students were enrolled in the program last year. Five were in agriculture, 10 in architecture, 12 in arts and sciences, 12 in education, eight in law, 13 in social professions, and one in medicine.

The students helped serve approximately 50,000 low-income people in Kentucky. As a consequence, more than 35 agencies and communities have requested students to work in their respective programs.

The University UYA office estimated some 300 students would be needed to fill current requests.

Student assignments last year included work in Anderson, Bourbon, Boyle, Casey, Clark, Clay, Clinton, Cumberland, Estill, Floyd, Franklin, Garrard, Harlan, Harrison, Jessamine, Knox, Leslie, Letcher, Lincoln, Madison, Mercer, Nicholas, Perry, Powell, Pulaski, Rockcastle, Scott, Wayne, and Woodford counties. In addition, some 20 students work with agencies in Lexington and 12 were in Louisville.

In one case--because of the services of a UYA student--the Backwoods Community Center in eastern Kentucky became eligible for licensing and state and local assistance programs. Enough local workers now have been trained to enable the center to operate on a full-time basis.

A UYA student from the College of Architecture designed and supervised construction of a clothing store for the Redbird Mission in eastern Kentucky. He recruited local manpower to complete construction.

7. PLAN SUMMER PROGRAM AT THE INSTITUTO TECNOLÓGICO DE MONTERREY

The University again will sponsor a six-weeks program in Mexico this summer. Classes will begin July 1 and end August 10. Intensive courses in beginning, intermediate, and advanced Spanish and archaeology, art, folklore, anthropology, music, economics, geography, history, Spanish literature, and sociology will be offered. Students are given six semester hours of transfer credit.

Included in the program are tours, mixers, dinners, and special programs depicting the different cultures of Mexico. The total cost of the program is as low as \$435 plus transportation which is to be arranged by the student with the help of the program director. The program fee covers room and board, tuition, tours and various social and cultural events. The Instituto has a modern, attractive campus with 12 residence halls, air-conditioned library and dining hall, two swimming pools, tennis courts, and a well-equipped gymnasium.

8. SUMMER TEACHING IMPROVEMENT FELLOWSHIPS AWARDED TO CC FACULTY

Six community college faculty members have been awarded Summer Teaching Improvement Fellowships in the amount of \$1200.

James Douglas, Somerset Community College, was awarded a fellowship for the purpose of developing an auto-tutorial course for History 108, U.S.A. History Before 1865. Ruth Craddock, Jefferson Community College, will develop additional materials for use in the second year nursing program at the AT Lab at Jefferson. Jane Fus-senegger, Jefferson, was awarded a fellowship to develop millimeter single loop concept films for techniques and procedures in the Medical Laboratory Technician program and to develop overhead transparencies for use in these programs.

Marilyn Foulke, Jefferson, will study materials and develop the possibility of utilizing computer assisted instruction in math courses at Jefferson Community College. Bob C. Chiang, Hazard Community College, was awarded a fellowship which will allow for the revision of Chemistry 105, Chemical Calculations. A fellowship also was granted to Sherree Zalampas, Jefferson, to develop instructional materials for use in the Early Childhood Development curriculum.

9. UNIVERSIDAD DE ORIENTE COOPERATIVE PROJECT IS UNDERWAY

The College of Education, under a University contract with the Universidad de Oriente-Venezuela (UDO) and the U. S. Agency for International Development, is providing technical consultant services and participant training programs to the Universidad de Oriente-Venezuela. This cooperative project is designed to meet UDO priority needs for upgrading the quality of specific educational programs including those of the School of Education.

For the implementation of this international project, which began in the Spring semester of 1972, seven faculty members have participated in providing consultant services on site at the UDO campus in Cumana, Venezuela. They are Drs. Arsenio Espinoza, who also is coordinator of the project, George Denemark, John Stephenson, Harry Barnard, Collins Burnett, Larry Craft, and Mrs. Mary Ruth Brown. A number of administrators and faculty have discussed problems of common interests with UDO officials who visited the campus.

One of the phases of the cooperative project calls for UDO faculty to participate in degree and internship programs at Lexington. At present, five UDO faculty members are enrolled in master's degree programs and one in an internship program.

10. HONOR 18 RETIRING STAFFERS WITH 521 YEARS' SERVICE

The University cited 18 retiring staffers with 521 years' service. President Singletary was speaker.

The retirees (alphabetically) are:

--Miss Cecil Bull, head cataloger in the Chandler Medical Center Library, joined UK in 1957, serving 14 years.

--James H. Cobb joined the English department in 1960 as teacher of Greek, Hebrew, the Bible and Survey of Western Literature.

--Mary Hester Cooper was archivist in the King Library since 1956; she first was a clerk in the Registrar's office, 1936.

--Hubert Davis, agriculture extension specialist, joined in 1945; he was Bell county extension agent and Wilderness Trail horticulture agent; was state horticulture specialist.

--Theodore R. Freeman, professor of animal science, came in 1948.

--W. Brooks Hamilton, professor of hygiene; 1928.

--Miss Jane Haselden, associate professor of French.

--Wilbur A. Heinz, associate professor, Department of Public Health, Allied Health Professions, came in 1928.

--William M. Moore, associate professor of journalism. Joined the faculty in 1947.

--Earl P. Slone, professor of pharmacy, joined the Louisville College of Pharmacy in 1925.

--J. Allan Smith, editor, Agriculture Extension publications, joined in 1941 and headed Department of Public Information, 1952-67.

--Dr. Thomas B. Stroup, distinguished professor of English since 1948, was recipient of the Alumni Association Faculty Award (1966) and Sang Award for contributions to graduate education (1968).

--James P. Sullivan, chairman of the Division of Behavioral and Social Sciences at Jefferson Community College.

--Rhea Taylor, associate professor of history, joined the faculty in 1944 as an instructor.

--Lee H. Townsend, professor of agricultural entomology, joined the faculty in 1936.

--Elizabeth Van Horne, Government Publications librarian, King Library; joined in 1954.

--Ralph E. Weaver, distinguished professor of microbiology, joined the faculty as instructor of bacteriology in 1926.

--Martin M. White, professor of psychology and former dean of the College of Arts and Sciences, joined the faculty as assistant professor of psychology in 1930.

11. THREE TOP ADMINISTRATORS LEAVE FOR JOBS ELSEWHERE

Three top University administrators will leave this summer for positions at other institutions.

Dr. Stuart Forth, head of the library system since 1965, will leave July 1 to become dean of university libraries at Pennsylvania State University. He will be in charge of the libraries in the 18-campus Penn State system. He has been a professor in the College of Library Science and was acting vice president for student affairs, 1968-70.

Dr. A. D. Albright, vice president for institutional planning, has been named executive director of the State Council of Public Higher Education. He will leave within the next few weeks to assume the post, a new position, with offices at Frankfort. Dr. Albright came to the University in 1954 as director of the Bureau of School Service and chairman of the College of Education Division of Educational Administration. He has been executive dean of the Extended Programs Division, University Provost, executive vice president, and following a year in Belgium (1969-70) vice president for institutional planning.

Dr. Glenwood Creech, since January 1, 1965, vice president for University Relations, will leave in June to assume the presidency of Florida Atlantic University, Boca Raton. Prior to joining the W. K. Kellogg Foundation as director of the Division of Agriculture, Dr. Creech served as a research specialist and associate editor at UK and associate professor at the University of Wisconsin. He resigned his position at Kellogg to return to the University, and has been responsible for creating and building the Office of Development. He also has been professor of agricultural extension.

12. TO TRAIN SEWER-PLANT PERSONNEL

A federal grant of \$14,764 will underwrite the training of Kentucky sewer-plant personnel.

The U. S. Environmental Protection Agency provided the grant, which was announced by Sen. Marlow Cook. The University has received other grants in the past totaling more than \$100,000, including those to improve the performance of water purification personnel.

C. R. Hager, associate dean for extension, is project director and the training will be conducted by Terry Regan, consulting sanitary engineer.

As consultant for the program, Regan will visit a score of Kentucky cities and provide on-campus instruction for sewer-plant personnel from nearby towns.

13. UKRF IN MARCH RECEIVES FUNDS FOR 28 NEW PROGRAMS; 24 GET MORE AID

Research awards in the College of Medicine and the College of Agriculture led grants through the University of Kentucky Research Foundation during March. A total of \$440,512.40 during the month boosted awards for the first nine months of the fiscal year to \$13,457,457.94. Many existing programs received additional funding, with a number of private firms underwriting research at the University.

14. SIGNIFICANT ACTIVITIES OF FACULTY AND STAFF

Dr. Joseph L. Massie, professor of business administration, presented one of the lectures in the Treuhaff Lecture Series at Case Western Reserve University, Cleveland, in late March.

Mrs. Mary Ruth Brown, head of the Agriculture Sciences Library, is co-author of a new annotated bibliography, "Agricultural Education In A Technical Society," published by the American Library Association. It is the first annotated bibliography compiled to help teachers in secondary and post-secondary agricultural instruction.

Everette Mackey, extension marketing specialist, and John Tuttle, extension poultry specialist, participated in the Midwest Egg School at Lafayette, Ind., recently. They both presented papers.

Dr. Wilson Hourigan, extension specialist in agricultural Policy, attended the Southern Public Affairs Conference in Atlanta.

Dr. Martin B. Solomon, director of the Computing Center, was chairman of a seminar in Dallas concerning Data Base Management Systems. ACM is a national organization of computing professionals to publish, disseminate, and reflect upon problems and solutions in the computing industry.

A year's leave made possible by a National Endowment Grant for the Humanities will enable Ernest Tucker, faculty member of Ashland Community College, to continue and intensify his research into eastern Kentucky's immediate past. His search for tools, hand implements, herbs, concoctions and documentation by residents of farming techniques, cures, and life in general from 1890 to 1950 will take him into 20 counties.

Gerald M. Leitzell, assistant professor at Elizabethtown Community College, has published a technical description of the instructional system which he developed in the TAP Special Edition Catalog. His instructional system is entitled "How to Frame the Purpose" (of an essay).

Three members of the Department of Statistics participated in an International Symposium on Statistical Design and Linear Models, sponsored by the National Science Foundation and Colorado State University, held at the latter institution in late March. Dr. R. L. Anderson, presented an invited paper on "Designs and Estimators for Variance Components." Dr. Z. Govindarajulu presented a paper on "locally Most Powerful Rank Order Tests for the One-Way Random Model," and Dr. Paul Cornelius presented "A Lattice Design for Unreplicated Yield Trials of Maize Varieties at Several Plant Densities."

Dr. Edward Blackhurst, associate professor of education, has been installed as president of the Kentucky Federation of The Council For Exceptional Children.

John D. Sammons, mathematics instructor at Prestonsburg Community College, has been voted by the student body as teacher of the year.

Dr. Hugh A. Storrow, professor of psychiatry, has assumed the presidency of the Kentucky Psychiatric Association.

Dr. David R. Wekstein, associate professor of physiology and biophysics, has been named chairman of the Central Kentucky United Jewish Appeal and federated charities.

Dr. William R. Meeker, assistant professor of surgery, has contributed comments to a Forum on Modern Medicine in the March 19 issue of Modern Medicine. He discussed the management of Hodgkin's disease.

Dr. Marion E. McKenna, dean of the College of Nursing, has received an invitation to participate in the Air War College National Security Forum May 7-11 at Maxwell Air Force Base in Alabama.

Miss Rosemary Pond, associate dean of students, and Miss Anne Law Lyons, assistant dean of students, participated in the annual meeting of the National Association for Women Deans, Administrators and Counselors in Cleveland.

Dr. Glen W. Swanson, assistant professor of history, presented a paper, "Some Observations on American Involvement in the Middle East, 1930-1972," at the Southeastern Regional meeting of the Society for Historians of American Foreign Relations, in Atlanta.

Vito A. Girone, College of Architecture, has been elected to membership in the National Register of Prominent Americans. His name will appear in the 1974-75 International Notables, a professional and biographical reference and contact book.

Dr. T. R. Freeman, retired dairy manufacturing professor, has been presented the International Historian Award of Gamma Sigma Delta Honor Society of Agriculture. Dr. Homer J. L'Hote, treasurer of the national organization, presented the award at the local chapter's annual initiation banquet.

Harold Van Hook, assistant director of academic affairs at Somerset Community College, recently was elected to represent 14 southeastern states on the board of directors of the American Personnel and Guidance Association. The Association is a professional organization of over 28,000 members. Its primary purpose is to enhance individual human development by seeking to advance the discipline of guidance, counseling, and personnel work.

Office of the President

PR 2

Members, Board of Trustees:

RECOMMENDATIONS OF THE PRESIDENT

I. Report on Gifts and/or Grants (See Attachment)

Recommendation: that the report on gifts and/or grants covering the period from January 1, 1973 through March 31, 1973 be accepted and made a matter of record.

Background: The attached report represents the gifts and/or grants accepted by the President on behalf of the Board of Trustees for the three months' period ending March 31, 1973, in accordance with the policy adopted by the Board of Trustees on November 19, 1965. Acknowledgment of gifts and/or grants has been made to all donors by the President on behalf of the Board.

II. Appointments and/or Other Staff Changes

Recommendation: (1) that approval be given to the appointments and/or other changes which require Board action; and (2) that the report relative to appointments and/or changes already approved by the administration be accepted.

Background: The following recommended appointments and/or other staff changes require approval by the Board of Trustees in accordance with Part VIII-B of the Governing Regulations of the University. These recommendations are transmitted to the Board by the appropriate vice president through the President and have his concurrence.

Under the Governing Regulations the authority to make certain appointments and/or other staff changes is delegated to the President or other administrators who are required to report their actions to the Board. This report follows the recommendations requiring Board approval.

SUPPLEMENTAL RECOMMENDATIONS OF THE PRESIDENT

I. Appointments to the Board of Directors of the University of Kentucky Research Foundation

Recommendation: that Mr. H. S. Beattie, Mr. Richard E. Cooper and Dr. Fred Zechman be reappointed to the Board of Directors of the University of Kentucky Research Foundation for three-year terms ending in 1976, and that Mr. Thomas P. Bell be appointed as a Trustee member for a term ending in 1975.

Background: The terms of Mr. Beattie, Mr. Cooper and Dr. Zechman expire this year. All three men have been valuable members of the Board of Directors of UKRF and their reappointment for an additional three-year term is recommended. Mr. Beattie is recommended as a citizen member, Mr. Cooper as a Trustee member and Dr. Zechman as a faculty member.

Mr. Floyd Wright was appointed as a Trustee member in 1972 for a term ending in 1975. Since Mr. Wright is no longer on the Board of Trustees of the University, he is not eligible to continue to serve on the Board of Directors of UKRF. It is, therefore, recommended that Mr. Thomas Bell be appointed to complete his term.

II. Appointments and/or Other Staff Changes

Recommendation: (1) that approval be given to the appointments and/or other changes which require Board action; and (2) that the report relative to appointments and/or changes already approved by the administration be accepted.

Background: The following recommended appointments and/or other staff changes require approval by the Board of Trustees in accordance with Part VIII-B of the Governing Regulations of the University. These recommendations are transmitted to the Board by the appropriate vice president through the President and have his concurrence.

Under the Governing Regulations the authority to make certain appointments and/or other staff changes is delegated to the President or other administrators who are required to report their actions to the Board. This report follows the recommendations requiring Board approval.

BOARD ACTION

Members, Board of Trustees:

CANDIDATES FOR DEGREES

Recommendation: that the President be authorized to confer upon each individual whose name appears on the list the degree to which he is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which he has made application and as approved by the University Senate.

Background: Since Commencement Exercises are held immediately following completion of examinations, it is not possible for the Office of the Dean of Admissions and Registrar to certify satisfactory completion of requirements, prior to Commencement Exercises, for those candidates who completed their requirements in May. The candidates who completed their requirements in August 1972, and December 1972, were approved by the Board of Trustees at an earlier meeting.

SUMMER TERM FEE SCHEDULES

Recommendation: that the Board approve the attached fee schedules for the four, six and eight week summer terms of 1973.

Background: The Council on Public Higher Education adopted fee schedules on April 11, 1972 to be effective either in the summer or fall of 1972. The Board of Trustees of the University of Kentucky confirmed those fee schedules at its meeting of May 9, 1972 and authorized the effective date of the new fees to coincide with the opening of the fall term of 1972. These previously approved schedules include fees for the combined four, six and eight week sessions but do not specifically provide for the individual sessions. An interpretation was requested from the Acting Executive Director of the Council on Public Higher Education in order to establish fees for the individual sessions. The attached schedules were acceptable to the Executive Director and determined to be consistent with the schedules approved on April 11, 1972. The principal effect of this action is to establish maximum limits on fees for the individual four, six and eight week sessions. Maximum fees for the combined four, six and eight week sessions will remain at the levels set forth in the original Council action as confirmed by this Board.

Members, Board of Trustees:

ABOLITION OF ATHLETICS FEE

Recommendation: That the Board of Trustees adopt the following proposal:

The Athletics fee of \$6.25 per full-time student per semester now assessed as part of the mandatory activities fee is hereby abolished, and the combined tuition-activities fee shall be reduced accordingly beginning with the Fall, 1973 semester. This regulation shall in no way infringe upon the power of the Athletics Association Board of Directors to develop a student athletics program based upon voluntary fee payments.

Amended prior to submission by Mr. Wendelsdorf so that first sentence reads as follows:

Recommendation: That the Board of Trustees recommend to the Council on Public Higher Education the following proposal:

Action: Approved _____ Disapproved _____ Other Died for lack of a

Date: _____, 1973

RATIONALE FOR ABOLITION OF ATHLETICS FEE

(To Accompany TR 1)

At the March meeting, the Board of Trustees approved an increase in the University's room and board rates due to the increased costs of operation incurred by that system. It was conceded that the cost increase was unavoidable, the only point of contention was the source of the dollars necessary to meet these rising costs. One of the views offered was that instead of meeting the anticipated deficit with increased student fees, the deficit could be met from the General Fund. In response to that suggestion, the Administration stated its policy that General Fund money, to which all students contribute, should not be used to fund programs benefiting only a minority of the student body. In short, all 20,000 students should not have to support and subsidize a system used by only 5,000 of the students. Consequently, the Board held that the housing and dining system should be supported entirely and solely by the students choosing to use its services.

We now come to a virtually identical situation: the mandatory athletics fee. Every full time student must pay a \$6.25 per semester athletics fee as part of the mandatory activities fee. This money goes to support the extracurricular student athletics programs of the Athletics Association such as student tickets to athletic events. Obviously, not all students desire to participate in this system, yet all students must financially support it. In other words, all students must support and subsidize a system used by only a minority of the student body. Why shouldn't the logic of the housing and dining system be applied here as well, namely that the student athletics program should be supported solely and entirely by those students choosing to use its services?

If it would be wrong for all students to have to subsidize a housing and dining system used by only a minority of those students, is it not also wrong for all students to have to subsidize a student athletics program used by only a minority of those students?

If the housing and dining system should be wholly supported by those who choose to use it, is it not also equitable to have a student athletics program wholly supported by those students choosing to use it?

In a referendum held during Student Government elections, 60% of the students voicing an opinion voted to abolish the mandatory athletics fee.

Every candidate voiced support for the proposal. The Student Body President-Elect has publicly endorsed the proposal and pledged continued efforts to seek its adoption. This issue will remain long after I depart. It is not my proposal; it is the students' proposal.

Abolition may require a higher fee for those participating just as the policy of not requiring all students to contribute to the housing and dining system required higher room and board rates for those participating. This is an equitable result.

In an era of spiring University costs, here is an opportunity to begin to roll back, if only slightly, the burden of financing higher education.

The student body asks it, even handed administration requires it, consistent logic compels it.

RESOLUTION REGARDING PUBLIC MEETINGS

Recommendation: That the Board of Trustees adopt the following resolution regarding Board policy:

It is the policy of the University of Kentucky Board of Trustees that all meetings of the Board, the Executive Committee of the Board, and all committees of the Board shall be adequately announced and open to the public. Although the Board reserves the right to meet in executive session for the purpose of receiving reports and other information from the administration and for the purpose of previewing the agenda of items to be considered at full Board meetings, any meeting at which any substantive University business is discussed, debated, or in any way considered shall be adequately announced and open to the public.

Members, Board of Trustees:

ACQUISITION OF PROPERTY FOR JEFFERSON COMMUNITY COLLEGE

Recommendation: that the Board of Trustees request the Executive Department of Finance and Administration to acquire the following properties for the Jefferson Community College between First and Second Streets and Broadway and Chestnut in Louisville, Kentucky: Breaux Ballard Body Shop; Volkswagen Broadway Imports, Inc. (owned by the University of Louisville); Ashland Oil Service Station; the Whitehouse Brace Shop; and the sixty-five (65) foot strip between First and Second Streets owned by the Urban Renewal Agency and further request that the cost of acquiring these properties be paid from funds appropriated by the Commonwealth for the Louisville Vocational Technical Institute.

Background: The above named properties are necessary for the development of the campus of Jefferson Community College and Louisville Vocational Technical Institute. The total project cost for the Louisville Vocational Technical Institute is approximately \$7,000,000. The Commonwealth has appropriated \$5,000,000, and the University will provide \$2,000,000 from the sale of University of Kentucky Community Colleges Educational Buildings Revenue Bonds.

Members, Board of Trustees:

AUTHORIZATION FOR PAYMENT OF THE REPLACEMENT COST OF ROOF
DAMAGE RESULTING FROM WINDSTORM, ADMINISTRATION BUILDING

RECOMMENDATIONS: that the Board request the Trustee of the Consolidated Educational Building Revenue Bonds of the University of Kentucky to make payment in the amount of \$13,047.99 for the replacement cost of roof damage to the Administration Building by windstorm, and the Vice President for Business Affairs be authorized to execute the necessary documents for this payment and necessary related transactions under Section 7.04 of the Resolution creating and establishing a Consolidated Educational Project of the University of Kentucky adopted by the Board of Trustees on September 20, 1960.

BACKGROUND: The Resolution creating and establishing a Consolidated Educational Buildings Project of the University of Kentucky provides that all insurance monies (except amount less than \$10,000) be paid to the Trustee. Article VII, Section 7.04, of the Bond Indenture covenants to the Trustee of the Bond Holders, the Board's approval of payments for the repairs necessary to restore facilities to a condition of useful service. The University received \$13,047.99 from the insurance carrier in reimbursement for expenditures. This resolution will liquidate the proceeds received.

NON-PROFIT CORPORATION
FOR COLLECTION OF
DELINQUENT MEDICAL CENTER ACCOUNTS

Recommendation:

1. That the Board of Trustees authorize and direct the Vice President for the Medical Center, the Vice President, Business Affairs and Treasurer, the Administrator of the University Hospital, the Controller of the University, and the Special Counsel for the University to do and perform those acts necessary to form a non-profit corporation pursuant to the provisions of Chapter 273 of the Kentucky Revised Statutes for the purpose of collecting amounts due by virtue of services rendered or materials furnished by the University Medical Center.

2. That the appropriate officials of the University be authorized to execute a contract with said corporation for the collection of said amounts.

Background:

The corporation authorized by this action would constitute the University's operating agent for the collection of hospital and physician charges at the Medical Center pursuant to contract with the University. Its Board of Directors will be appointed by the President of the University and its assets will be devoted solely to the purposes of the University.

Resolution
of the
University of Kentucky
Board of Trustees

WHEREAS, private gift support increasingly enables the University of Kentucky to achieve a dimension of educational, service and research accomplishments otherwise unattainable and further serves as an example to stimulate other giving, and

WHEREAS, Mr. and Mrs. John Y. Brown, Jr., through the "Eleanor and John Y. Brown, Jr. Foundation," have established a \$1,000,000 challenge gift for construction of a major research facility for the study of aging at the University of Kentucky Medical Center, thereby making an important contribution to the life of the elderly and bringing distinction to the Commonwealth and to the University of Kentucky, and

WHEREAS, Mr. and Mrs. John Y. Brown, Jr. have given tangible recognition and commended to the attention of the public the remarkable examples to the aged set by the active, useful and extended lives of Colonel Harland Sanders and John Y. Brown, Sr., and

WHEREAS, this challenge gift will match a \$1,000,000 potential appropriation supported by Kentucky's Governor Wendell Ford from the 1974 Kentucky Legislature, and

WHEREAS, this gift is recognized as the largest single cash gift by a private donor to the University or its Medical Center, now therefore,

BE IT RESOLVED, that the Board of Trustees of the University of Kentucky expresses its sincere appreciation to Mr. and Mrs. John Y. Brown, Jr., for their commitment and extraordinary generosity displayed toward their Alma Mater.
