Dear Sir:-

In accordance with your request I submit in writing a report in reference to the lamps furnished the G. A. R. Committee by Mr. Wood. When the lamps arrived at the Auditorium there were three short, and when I put the lamps into the sockets there were eighteen of them that were in such a condition they would not burn at all, and there were only two of these lamps broken; that left the sign with twenty-three lamps short. Now, when I sent these lamps back to Mr. Wood I am positive I put every lamp, good and bad, with the exception of the two that were broken, in a box and returned them to him. I most emphatically state that I three missing called at the store twice to get these lamps and the eighteen that would not burn, and once after Mr. Wood had agreed to have them laid aside, and then did not get them.

If Mr. Wood had called out at the Auditorium when I telephoned him, he would have seen the whole matter to be just as I have stated.

Dear Sir:-

I have received your of July 31st, requesting me to prepare the full report of the Executive Council at its next meeting, as to number of Cots that have been sold by the Boylan's Agency, and as to the manner of record that has been kept. Mr. Boylan has a clerk employed to stay in this office for the purpose of selling these Cots. He has a day book that he enters all sales in, and looking over this book, I find that he has sold 25 Cots at \$1.00 making a total of \$25, he has rented 48 Cots at 85cts making a total of \$40.80, 10 Cots at 95cts. \$9.50, 50 Cots at \$1.25, total \$62.50. This is the total Cot transaction that appears on his Day Book, and this is the only record that I have access to. It will be a difficult matter for me to devote the time of keeping this account right, in connection with my other duties. If the Council would require Mr. Boylan to make the daily report to me of the number of Cots he sells, I can transmit this report to you, but I would not be responsible for its being correct.

Respectfully Submitted,

Special Service, St. Louis to Louisville, September 10th, account G. A. R.

To Members of the Grand Army of the Republic, of Southern and Western Illinois:

The following is a copy of order issued by General W. H. Powell, Commander, Department of Illinois, Grand Army of the Republic, designating the Louisville, Evansville & St. Louis Consolidated Railroad, "Air Line," the Official Route from Western and Southern Illinois to the next National Encampment at Louisville, to be held September 11th, 12th and 13th, 1895:

Chicago, July 24th, 1895.

SPECIAL ORDER No. 1.

For the better accommodation of the Department Officers, Aides-de-Camp and Comrades residing in the southern portion of the State, in going to the National Encampment at Louisville, Ky., September 10th, 1895, the Louisville, Evansville & St. Louis Consolidated Railroad, "AIR LINE," is designated as the Official Route from Western and Southern Illinois.

By order of

OFFICIAL:

(Signed) FRED. W. SPINK, A. A. G.,
Dep't Ill., G. A. R.

W. H. POWELL,
Dep't Commander.

In order to accommodate members of the Grand Army of the Republic and their friends who will attend the Encampment, and to assure a satisfactory and comfortable trip to Louisville, the Louisville, Evansville & St. Louis Consolidated Railroad, "Air Line," will arrange a handsomely decorated train for the Department of Illinois, to leave East St. Louis 8.55 a. m., Tuesday, September 10th, arriving at Belleville at 9.05 a. m.; Centralia, 10.25 a. m., where the Illinois Central Railroad makes connection from both North and South, affording the members who reside on the line of this road an opportunity to make close connections with the department train to Louisville. Mt. Vernon will be reached at 11.05 a. m., at which point the Wabash, Chester & Western and Chicago, Paducah & Memphis will make connection, permitting those living on these two roads to join the official party.

The special train will pass through Fairfield at 12.03 p. m., Albion 12.36 p. m., Browns 12.43 and Mt. Carmel at 1.09 p. m., where we intersect the Cleveland, Cincinnati, Chicago & St. Louis Railway, and members of the Grand Army of the Republic—particularly those south of Mt. Carmel—are earnestly requested to join the official party, thus completing, as well as providing accommodations for all those residing in the southern and western territory of Illinois, at the same time guaranteeing an enjoyable and comfortable trip.

Those who do not desire to take the department train can purchase tickets to Louisville and return from ticket agents at starting points, and make close connections at points designated above with our regular service, excellent accommodations being provided on all regular trains.

For further particulars, address the undersigned.

Dear Sir

In reply to your letter of July 17th in reference to Colored Glass G. A. R. Badge Transparency belonging to Ransom Post, I will state that this Transparency is made of different Colored glass and is a most elegant and beautiful design of a Grand Army Badge 12 feet high by 4 1/4 feet wide. It cost the Post nearly five hundred dollars, and is now at your disposal for one hundred dollars, if you desire to purchase it. It has been boxed and stored away for years in the warehouse of one of our comrades. We have never offered it for sale before, and would not now if our Hall was so arranged that we could hang it for illumination. I have hunted everywhere for a photograph of it, and tried to get possession of original design or drawings, but they were destroyed by fire.

If any of your Committee could see this design, I am quite sure they would admit that it would be one of the handsomest decorations that could be secured and used at your National Encampment. There would have to be one change made, in the transparency if you bought it. "Ransom Post" at the top of design would have to be taken out, and other colored glass substituted. In daylight it is beautiful, but when lighted up simply magnificent. Could not one of your Committee come to St. Louis, and inspect the design? In conclusion I will say, that Gen. N. J. Sherman a member of Ransom Post at that time, originated the idea of the design. I am very sorry I am not in a position to be more useful to you in regard to this matter but I wish you could see it. Hoping to hear from you, I am respectfully,

sent me today a photo. of

Friday night. As Mr. Klauter
took the photo for nothing for
me, I think we all ought to
buy one. I also want to ask
you, if you could not buy some
for the strangers, & send it to
them. Mrs. Rogers was very
anxious for one, also Genl. Lawler.
I would like very much to send
it to them, but feel as I asked
to have it done I do not care to

pay any more extra for them - They
are \$1. for each - Can't you
order some from Mr. Klauter -
+ give each one of the Committee
in the picture one? I have bought
mine, but do not feel like buying
any more. You ought to have
one to put with my other
papers in the Scrap-book -
Of course they are not good, but
they are a memento of the affair.

and a half days. The testimony given is that they were crowded in our room and that the cots were not such as persons in civil life would find rest and comfort upon. That many of the cots were not provided with pillows and sheets, were made from a width or more of new cotton that you were poorly provided with blankets, and no service provided, that the food was very indifferent and not at all in keeping with appearance. We have a list of twenty persons who paid you between sixty and seventy dollars. There was no agreement to remain at your hotel for a stated time. Consequently if the people were not satisfied with the situation they would naturally pay their bills and go away. Under the circumstances, we cannot see why we should pay you any more.

I have worked hard to do my duty in every respect, ~~best~~ to the best of my ability, and hope that for what mistakes I made - we will look, as it was want of experience in such matters, and not any disregard of personal feeling for any of the City Radio Committee. I feel very much indebted to

(3-

you, and "The Committee
for your aid, and
patience with many
annoyances which I
always come up in
so much work of this
kind. I have many
kindly remembrances
during our months of
work, and pleasant
events which will be
very gratifying to me
in the future."

On April 11th I appoint-
ed my Executive Board,
and Chairmen of all
Committees. Having of
course received a letter
from all ladies to be
in these committees
accepting.
The Board met every

4

2 weeks until the
warm weather, then ^{over}
+ a month. until Sept.
I had 2 meetings in
Sept. before the 7th.
The Finance Committee
did not have any
meetings as it was
decided at the first
meeting of the Ex. Bd.
to put all money in
charge of the Citizens
Committee, and not
have a separate set of
books, I therefore turned
over to Mr. Wyman a
check for \$100.00 from
the W. R. C. I had
received.

The Press Committee
was very satisfactory in
the work - but it did

not have any expense.
 The Orndorff Com.
 also did not have
 any expense - Dr. Julia
 Ingram reporting to
 Dr. White of the Citizens
 Committee. The Ascom
 Moderation Committee
 Mrs. Luke Chairman,
 did very noble work
 all through the warm
 weather, and at the
 reports in Sept. Also
 Mrs. Frank Chairman
 of the Colored Committee.
 Mrs. Louis Seback
 Chairman of Lunch Com.
 served lunch on three
 days at Board of Trade,
 & Library Hall for
 500 ladies each day -
 The expense of this

5

Com. - was \$258.95
She has settled with
Citizens Committee. I
can not speak too
highly of the work
done by the ladies
of this Com. with Mrs.
Seubach, as I feel
she had by far the
hardest work of all
the committees.

Mrs. Emily Varison
Chairman Music Com.
gave a concert at
Library Hall, She had
an appropriation of
\$160.20 for her work.
It was very successful,
and she spent her
amount of money.
Mrs. Angus Allmond
Chairman of Badges -

7

Mrs. Almond sold
1 doz. Citizens Com-
pins at \$2.00 each -
\$24 - & turned over
to Mr. Bateman of
Citizens Committee.
Mrs. Andrew Cron
Chairman of reception
Committee has sent
all her bills for refresh-
ments including a bill
\$6.25 & O. K. for Ther.
That was my most
expensive Committee
as the Auditorium cost
\$750. for one night was
enormous - but since
it proved such a
grand success I
feel it was money
well spent.
Mrs. Jas. Camp Chairman

8

Decorations of the Aud.
had \$350.00 - Miss
Rutherford of the
Salt House has sent
in her report to the
Citizens Com - All of
these Chairmen had
requisitions of how
much they were to
spend, these were
signed by Mr. Sherley,
& returned so no
mistakes could be
made. The printing-
paper - stamps, &
all expenses of my
office I have the
same requisitions
made out to Mr.
Cornwall & he & Miss
Owson - bookkeeper
have my accounts.

9.

I think This is about
as full a report as
I can forrmitly make.
If it is not as correct
as forrmitly, or you
wish any further
information I will
try to give it. I hope
it has been perfectly
satisfactory to you,
and to the Executive
Board of the Citizens
Committee -

Yours Most Truly

Mr. Cornwall -

I had expected some relatives to occupy my spare room, but they did not come, so I would like to have a couple during the week, either two ladies or a man & wife - of course they must be nice people. * Tell Cary how much I ought to charge them a piece - it is a lovely room, & I have a first cook, you know I was always used to good eating.

Dear Sir:-

During the G. A. R. Encampment there were used a number of tin buckets, dippers &c, which had been furnished by the City, to which I now beg to call your attention in the hope that in case the articles have been disposed of by the Citizens Committee the city will be given due credit for the amount realized on them, or if not sold to return them to the City who is anxious to dispose of them to the various charitable institutions. I shall thank you if you will be so kind as to advise me in the matter.

READ THE NOTICE AND AGREEMENT ON BACK.

ALL MESSAGES TAKEN BY THIS COMPANY ARE SUBJECT TO THE FOLLOWING TERMS:

To guard against mistakes or delays, the sender of a message should order it REPEATED ; that is, telegraphed back to the originating office for comparison. For this, one-half the regular rate is charged in addition. It is agreed between the sender of the following message and this Company, that said Company shall not be liable for mistakes or delays in the transmission or delivery, or for non-delivery of any UNREPEATED message, beyond the amount received for sending the same ; nor for mistakes or delays in the transmission or delivery, or for non-delivery of any REPEATED message, beyond fifty times the sum received for sending the same, unless specially insured, nor in any case for delays arising from unavoidable interruption in the working of its lines, or for errors in cipher or obscure messages. The Company will not be liable for damages or statutory penalties in any case where the claim is not presented in writing within sixty days after the message is filed with the Company for transmission.

BILL OF LADING No. _____

Received from _____

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said BALTIMORE & OHIO SOUTHWESTERN RAILWAY CO. agrees to carry to the said destination, if on its Road, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, in consideration of the rate of freight hereinafter named, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the conditions, whether printed or written, herein contained, and which are hereby agreed to by the shipper and by him accepted for himself and his assigns as just and reasonable.

CONDITIONS:

1. No carrier or party in possession of all or any of the property herein described shall be liable for any loss or damage thereto, by causes beyond its control, or by floods or by fire from any cause or wheresoever occurring; or by riots, strikes, or stoppage of labor, or by leakage, breakage, chafing, loss in weight, changes in weather, heat, frost, wet, or decay, or from any cause if it be necessary or is usual to carry such property upon open cars.
2. No carrier is bound to carry said property by any particular train or vessel or in time for any particular market, or otherwise than with as reasonable dispatch as its general business will permit. Every carrier shall have the right, in case of necessity, to forward said property by any railroad or route between the point of shipment and the point to which the rate is given.
3. No carrier shall be liable for loss or damage not occurring on its own road or its portion of the through route, nor after said property is ready for delivery to the next carrier or to consignee. The amount of any loss or damage, for which any carrier becomes liable, shall be computed at the value of the property, at the place and time of shipment under this bill of lading, unless a lower value has been agreed upon or is determined by the classification upon which the rate is based, in either of which events such lower value shall be the maximum price to govern such computation. Claims for loss or damage must be made by writing to the agent at point of delivery promptly after arrival of the property, and if delayed for more than thirty days after the delivery of the property or after due time for the delivery thereof, no carrier hereunder shall be liable in any event.
4. All property shall be subject to necessary cooperage and bailing at owner's cost. Each carrier over whose route cotton is to be carried hereunder, shall have the privilege, at its own cost, of compressing the same for greater convenience in handling and forwarding, and shall not be held responsible for unavoidable delays in procuring such compression. Grain in bulk consigned to a point where there is an elevator may unless otherwise expressly noted herein, and then if it is not promptly unloaded be there delivered, and placed with other grain of same kind, without respect to ownership, and if so delivered shall be subject to a lien for elevator charges in addition to all other charges hereunder. No carrier shall be liable for differences in weights or for shrinkage of any grain or seed carried in bulk.
5. Property not removed by the person or party entitled to receive it within twenty-four hours after its arrival at destination, may be kept in the car, depot, or place of delivery of the carrier, at the sole risk of the owner of said property, or may be, at the option of the carrier, removed and otherwise stored at the owner's risk and cost, and there held subject to lien for all freight and other charges. The delivering carrier may make a reasonable charge per day for the detention of any car and for use of track after the car has been held forty-eight hours for unloading, and may add such charge to all other charges hereunder, and hold said property subject to a lien therefor. Property destined to or taken from a station at which there is no regularly appointed agent,

shall be entirely at risk of owner when unloaded from cars, or until loaded into cars; and when received from or delivered on private or other sidings, shall be at owner's risk until the cars are attached to, and after they are detached from, trains.

6. No carrier hereunder will carry, or be liable in any way for, any documents, specie, or for any article of extraordinary value not specifically rated in the published classifications unless a special agreement to do so, and a stipulated value of the articles are indorsed hereon.

7. Every party, whether principal or agent, shipping inflammable, explosive, or dangerous goods, without previous full written disclosure to the carrier of their nature, shall be liable for all loss or damage caused thereby, and such goods may be warehoused at owner's risk and expense or destroyed without compensation.

8. Any alteration, addition or erasure in this bill of lading which shall be made without the special notation hereon of the agent of the carrier issuing this bill of lading, shall be void.

9. If the word "order" is written hereon immediately before or after the name of the party to whose order the property is consigned, without any condition or limitation other than the name of a party to be notified of the arrival of the property, the surrender of this bill of lading, properly endorsed, shall be required before the delivery of the property at destination. If any other than the aforesaid form of consignment is used herein, the said property may, at the option of the carrier, be delivered without requiring the production or surrender of this bill of lading.

10. Owner or consignee shall pay freight at the rate below stated, and all other charges accruing on said property, before delivery, and according to weights as ascertained by any carrier hereunder, and if upon inspection it is ascertained that the articles shipped are not those described in this bill of lading, the freight charges must be paid upon the articles actually shipped, and at the rates and under the rules provided for by published classifications.

11. If all or any part of said property is carried by water over any part of said route, such water carriage shall be performed subject to the conditions, whether printed or written, contained in this bill of lading, including the condition that no carrier or party shall be liable for any loss or damage resulting from the perils of the lakes, sea, or other waters; or from explosion, bursting of boilers, breakage of shafts, or any latent defect in hull, machinery or appurtenances; or from collision, stranding or other accidents of navigation, or from the prolongation of the voyage. And any vessel carrying any or all of the property herein described shall have liberty to call at intermediate ports, to tow and be towed, and to assist vessels in distress, and to deviate for the purpose of saving life or property. And any carrier by water liable on account of loss or damage to any of said property shall have the full benefit of any insurance that may have been effected upon or on account of said property.

Upon all the conditions, whether printed or written, herein contained, it is mutually agreed that the rate of freight

Mr Wm Cornwall,

Gen Sec'y of Citizen's G.A R. Com.

Louisville, Ky.

Sir:-

I called at your office today to procure, if possible, a list of the Posts, and their topographical situation in the city, which will attend the G.A.R. encampment. It is quite necessary that I should have this data as soon as possible, as I will be compelled to request that Hon Post Office Dept, at Washington, D.C. to allow me additional force.

If any Posts are to be situated in the cities of New Albany and Jeffersonville, Ind. it would be well to supply me with a list of them also, as letters might be misdirected to this city and we would hardly know what disposition to make of same.

Your immediate attention will greatly oblige,

Very respectfully,

CHAS. P. WEAVER, P. M.
