Dear Sir:-

Replying to yours of the 6th. asking information as to what action had been taken by our Committee on the Annexation question, I would say, that after a careful consideration of the samples and specifications, and prices furnished by our Committee, we were compelled to award the contract to the firm of Fuller and Co., representatives of a New Orleans. There was no partiality whatever shown to any one and this contract was not awarded on account of Messrs. Fuller & Co., the are representatives of Fuller & Co., because they were home firms, but the contract was awarded simply and solely upon the merits of what had been submitted us. Thanking you for giving us an opportunity to submitte an estimate from you, I am,

Dear Kiser:

At a meeting of the Executive Council held May 19th, at the Headquarters of the Criminal Committee 29th, National Encampment, you reported in favor of increasing the number of badges to be bought, and upon motion, it was decided that the order for badges given to Mann Bros. & Co., would not be increased.

At the meeting held April 9th, you submitted another report, to which President Shumaker called attention, and it was passed, with the statement that a resolution had been passed at a previous meeting, not to purchase or increase the number of badges ordered.

Mr. J. E. Charlton,

Chairman Halls & Comm. Rooms.

Dear Sir:-

At a meeting of the Polytechnic Society of Kentucky held yesterday evening, I attended the meeting and insisted on settlement of just what the Women's Relief Corps was to have during the Encampment, and a meeting has been appointed to-night of Mr. Pirtle and Miss Pollard, and they will fix a time to confer with you, and perhaps Mr. Eberly. I can state, however, that in my opinion they will give you the Large Hall, and Art Gallery and Front Rooms of the floor above., the Art Gallery can be used for the Committee Rooms. I believe it will be impossible for them to give you any Committee rooms for the use of the W. R. C. on the same floor with the Art Gallery.

Mr. T. H. Sherley,

President of the Citizens Committee G. A. R.

Dear Sir:-

I respectfully refer to you, enclosed correspondence which will explain itself. I am of the opinion that it was a mistake from the beginning that my Committee should have anything to do with the organization known as the Sons' of Veterans', but as we acted together this far, and have proceeded with the arrangements for their place of meeting etc., I think it will be unfair for us to drop them now, unceremoniously, and I believe them to be entitled to some consideration. I am exceedingly anxious that this matter should be settled at once, and think the Executive Council should take a definite stand in the matter. If appropriations are to be made for their entertainment, they should know it, if not they should be so informed, that they may not expect anything, and at the same time if the funds are at your command, I earnestly hope that an appropriation of not less than $200 be made for their entertainment. In a second communication to me they say that the sum of $400 is as small an amount as they could do with to accomplish the desired results.

Respectfully,

Chairman.

Secretary.

Dear Sir,-

Replying to your letter of the 10th inst, would say that we have taken the liberty of placing your name on our program for a Camp Fire Speech, on the evening of Sept. 11th of the coming Encampment at Music Hall.

You will please notify me at once, what the subject of your address will be, in order that it may be placed on the program, and I would suggest, as our programs are very elaborate, and pretty well filled up that you make your speech not to exceed 10 minutes. We have also notified Dr. Iliff of Utica, and have given him a place upon the program. In your letter, however you have it, Dr. Iliff of Utah, which I presume you meant for Utica. I assure you it will give me much pleasure to do all in my power and give the Chaplains a proper place on our programs.

Awaiting your earliest reply, I am,

Yours respectfully,

J. L. Fuller
Chairman.

Secretary.

Mr. Aug. Stine.

Dear Sir:-

I herewith enclose you Exhibit E. which will enable you to determine as to the probable expense you will be at in the execution of your part of our Commissioners' work. I have taken the liberty of doing this without waiting for your report. You will please send in your report, just as if you had not received this, as the same will be a necessity in order to keep our records in a proper way. You will observe that I have made no mention of the expense of removing Piano in and out of the building, this you will have to provide for. If the incidental amt will not be sufficient and you are absolutely under the necessity of making an expenditure that is more than the allowance I think we can arrange for you

Yours respectfully

Your letter of the 18th inst, to Mr. Wm. Demmwall, Gen'l Secty, has been referred to me. I regret very much that circumstances have been such as to prevent the Kid Quartette from being with and assisting us in our Programme. We had assigned the "Boys" a place on the programme for one night at two Camp-fires, but since the receipt of your communication, we have placed some home talent instead, in the place the Kid Quartette was to occupy.

We shall be pleased, however, to have you attend the Encampment, and shall be glad to meet you when here.

Dear Sir-

Replying to yours of the 21st inst. have to say that it is a mistake in reference to my Committee having placed you up on one of the programs of our Camp Fires, and we were familiar with the fact that your time would be occupied while here. We have Gen. Lawler down for a speech Wednesday evening at the Camp Fire held at Music Hall, and the Chaplain Chief for another speech on Thursday evening. These two are the only persons who we have considered in the announcement amongst those of Gen. Lawler's Staff.

We certainly would have been gratified to have given you a place on the Program, except as we understand for the reasons named. It may be that you have been placed on the Program for the Dog Watch on Monday evening Sept. 9th. As the Chairman of that Committee is not present at this writing, I am not able to ask him concerning this.

Dear Sirs-

We most respectfully ask that you "Pre-empt" a shipment of the "Official Badge and Trophies", to be issued by the Citizens Committee of the "Van Trimmel Encampment of the G.A.R." of the City, from Pittsburgh to Louisville. We have telegraphed to this effect, and asked an answer by telegraph. The Adams Express Co. through the two Companies, of which we are happy and Express Co. took them to Pittsburgh from Cincinnati, thence to Louisville, and the American Express Co. took them to Pittsburgh from Cincinnati, thence to this [illegible] Citizens movement, we felt [illegible] to bring the manufactured badges and trophies to Louisville. They are about ready for shipment, and I ask you to telegraph us, at our expense, your decision.

Thanking you in advance for this and other favors already granted, I remain

Yours truly,

Enclosed please find information sheet No. 2., which will give you some valuable facts. If I can be of any further service, write me.
