

Minutes of the Meeting of the Board of Trustees of the University of Kentucky, Tuesday, May 5, 1992.

The Board of Trustees of the University of Kentucky met at 1:00 p.m. (Lexington time) on Tuesday, May 5, 1992 in the Board Room on the 18th floor of Patterson Office Tower on the Lexington Campus.

A. Meeting Opened and Roll Call

Mr. Foster Ockerman, Chairman, called the meeting to order at 1:00 p.m., and the invocation was pronounced by Judge Henry R. Wilhoit, Jr.

The following members of the Board of Trustees answered the call of the roll: Mrs. Kay Shropshire Bell, Professor Raymond F. Betts, Professor Carolyn S. Bratt, Mr. Scott A. Crosbie, Dr. Jack D. Foster, Mrs. Edythe Jones Hayes, Dr. Robert P. Meriwether, Mr. Foster Ockerman, Professor Judith Rhoads, Mr. James L. Rose, Mr. C. Frank Shoop, Mrs. Marian Moore Sims, Mr. William B. Stephens and Mr. Daniel C. Ulmer, Jr. The University administration was represented by President Charles T. Wethington, Jr.; Chancellors Peter P. Bosomworth, Robert E. Hemenway and Ben Carr, Jr.; Vice Presidents Joseph T. Burch, Edward A. Carter, Donald B. Clapp, Linda J. Magid and Eugene R. Williams; Dr. Juanita Fleming, Special Assistant to the President for Academic Affairs, and Mr. John Darsie, Legal Counsel.

Members of the general public and the news media were also in attendance. A quorum being present, Mr. Ockerman declared the meeting officially open for the conduct of business at 1:03 p.m.

B. Minutes Approved

Mr. Ockerman stated that the Minutes of the April 7, 1992 meeting of the Board of Trustees had been distributed and asked for corrections or additions. The Minutes were approved as distributed.

C. President's Report to the Trustees (PR 1)

In reviewing his report to the Trustees, President Wethington called attention to the following items:

1. A survey of the 1989 UK graduating class shows that the graduates are pleased with their UK experience. Approximately 80 percent of the graduates report that they found jobs in their fields within four months of graduation.
2. Faculty and staff celebrated the successful completion of their library fundraising drive April 30. More than 9,700 faculty and staff from the University contributed \$1,071,000 to the campaign.

3. Ambassador Thomas M. T. Niles, assistant secretary of state for Canada and Europe, will speak at the University's Commencement Exercises at 11:00 a.m., Saturday, May 9. Commencement ceremonies will honor approximately 7,600 candidates for degrees.
4. The National Alumni Association named six University of Kentucky faculty members as 1992 Great Teachers: three from the Lexington campus and three from the Community College System.
5. The fifth annual Children's Miracle Network Telethon will be held May 30 and 31 to benefit the University of Kentucky Hospital's pediatric program.

President Wethington asked that the Board review the other items in his report at their leisure.

As a part of the President's Report, President Wethington followed up with his commitment to the Board at the April 7, 1992 meeting in which he agreed to report to the Board on the University's Strategic Plan. He noted that the Strategic Plan was first approved by the Board in 1989. It was reviewed, revised and reaffirmed with some modification by the Board in 1991. He said that the Plan is active rather than passive and requires continuous review and adjustments. The Plan represents the University's vision or agenda for the future and guides decision-making and resource allocation. He said that the Plan articulates a central strategy; it has vision tempered by some reality.

Through a series of slides, President Wethington reviewed the history of strategic planning at the University and provided a brief overview of the Plan. He reminded the Board that the Plan has three overall goals -- scholarship, leadership, and stewardship, and he elaborated on the goals and the associated objectives.

President Wethington reported that there were a number of university-wide "measures of progress" established when the Strategic Plan was developed.

- Increase faculty salaries
- Increase staff salaries to competitive levels
- Increase employee benefits to competitive levels
- Raise the average ACT composite score of entering freshmen to 23+
- Improve the freshman to sophomore rate to 80+%
- Improve the undergraduate graduation rate

He stated that he was pleased to report that the University has made good progress in these areas.

He said that the changes made in 1991 were a result of changing economies, partly as a result of changing factors in the state. He reviewed the modifications to the Plan that were approved by the Board in 1991 and

provided an update on the progress toward accomplishment of these changes.

- a strengthening of the commitment to the teaching and learning environment,
- a commitment to the University's role in the successful implementation of the Kentucky Education Reform Act,
- more explicit language regarding the rural healthcare initiative, and
- the addition of an objective speaking specifically to the cultural diversity commitment of the University.

President Wethington commented on the issues raised by Governor Wilkinson in his proposal to the Board at its April 7, 1992 meeting: cost, accountability and effectiveness, completion rates, and teaching. He explained that all of these issues are already addressed in the Plan and expanded on each issue.

He said that the Plan is taken very seriously by the administration. The University has a good plan in place; however, the plan needs revision because resources have been drastically cut. As President, he plans to conduct a major review of the administration's plans in 1992-93. He emphasized that the involvement of faculty and staff in discussions of any proposed fundamental change is necessary to the successful implementation of such changes. He pointed out that the University has had successes in the past two years in putting greater emphasis on teaching and in managing the proposals for the budget cut because faculty and staff have helped determine the best ways to manage these major decisions.

In conclusion, he reiterated that Governor Wilkinson's issues have been addressed in the Strategic Plan and noted that at the previous Board meeting Governor Wilkinson had asked for discussion of his issues at this meeting. President Wethington said that he would ask the Board for approval to proceed in the following manner after its discussion of Governor Wilkinson's issues:

1. recommend that the Board ask the President to inform the new board after July 1, 1992 about the issues raised by Governor Wilkinson, and
2. recommend that the Board further ask the President to consider these issues during the regularly scheduled review of the University's Plan during 1992-93.

He then asked the Board to approve his recommendation, and Mr. Ockerman entertained a motion for approval. Mr. Sturgill said that it was a pretty good report card and clearly shows the progress of the University. He moved the adoption of the recommendation and Professor Rhoads seconded the motion.

Governor Wilkinson said that in his opinion the Strategic Plan does not address all of his issues and doesn't even pose all of the questions. He said that the cost of higher education is rising faster than almost any other cost in the nation. He said that these cost increases are putting the cost of a baccalaureate degree program at the major four-year institutions, not only in the Commonwealth but in the nation, out of reach of the vast majority of people. He said that in his opinion this is happening because of improper management of the human and financial resources of the institutions. He said that nearly one-half of the full-time tenured, senior faculty on the campus are not involved in undergraduate education and the other faculty have a very light load.

Governor Wilkinson mentioned the \$25 million bond issue for a research facility at the Medical Center that would be discussed later on the agenda. He noted that he opposed the bond issue when he was Governor and he is "no more excited about it today." He said that he opposed it because it was presented inadequately with no explanation of the project or the cost involved to staff, equip and operate the facility. He said that he is not anti-research but he does not want to plunge "pell-mell" into an expansion of this nature without understanding the cost involved.

Governor Wilkinson said that, in his opinion, the Plan does not adequately address the issues. He said that he "can't understand the wisdom in allowing events to control us when we clearly have an opportunity to control the events."

He recommended that a committee or group of people be formed to begin immediately, or within the next two months, studying his issues and making a determination about the best way to address them and understanding cost effectiveness. He stressed that this is a national problem in higher education.

Dr. Foster remarked that the president made an impressive presentation, and it was very informative. He said that he intended to support the president's recommendation. He then informed the members of the Board that he is not a novice in higher education and noted that he had spent 14 years as a university professor and department chair as well as serving on a faculty senate and chairing many important committees.

He said that, in his opinion, universities had gotten out of touch with their reason for existence. The whole reason for the institution should be first and foremost for the sake of the students. It is about young people and other adults who are trying to find a way to improve themselves through education. He cited some things that the University needs to focus on: assess and improve programs, and strengthen instructional skills, advisement and retention. The Board's mission is not just to administer the fiscal affairs of the University; it also must stay in touch with the young people and adults who are paying for an education.

Mr. Ockerman said that "we are all interested in seeing this university and the other public universities become more effective and more efficient in the manner in which they address the mission with which they are given." He repeated President Wethington's recommendation that all the issues be addressed and brought to the attention of the new board in July. He explained that any committee appointed at this time would be abolished June 30, 1992. He said that a motion had been made and seconded on the President's recommendation and called for a vote. The recommendation was approved. Governor Wilkinson voted against the recommendation.

D. Personnel Actions (PR 2)

With President Wethington so recommending, Mr. Wilcoxson made a motion to approve the routine personnel actions in PR 2. The motion, seconded by Mrs. Sims, carried. (See PR 2 at the end of the Minutes.)

E. Candidates for Degrees-- Community College System (PR 4A)

President Wethington recommended that the degrees specified in PR 4A be awarded to the persons named, upon certification that the requirements for those degrees have been satisfactorily completed. Ms. Hayes moved approval. Her motion, seconded by Professor Rhoads, passed. (See PR 4A at the end of the Minutes.)

F. Candidates for Degrees - University System (PR 5A)

On motion made by Judge Wilhoit, seconded by Mr. Wilcoxson and carried, the Board authorized the President to confer upon each individual whose name appears on the lists the degree to which he or she is entitled upon certification by the University Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate. (See PR 5A at the end of the Minutes.)

G. Appointments/Reappointments to University of Kentucky Business Partnership Foundation (PR 5B)

President Wethington recommended that approval be given to the appointments of Robert A. Edens, Margaret H. Greene, and William R. Hartman and the reappointment of Don K. Poole to the Board of Directors of the University of Kentucky Business Partnership Foundation for four-year terms beginning immediately and extending through the Spring 1996 Board meeting. Mr. Rose moved approval. Professor Betts seconded the motion, and it carried. (See PR 5B at the end of the Minutes.)

H. Acceptance of Interim Financial Report for the University of Kentucky for the Nine Months ended March 31, 1992 (FCR 1)

Mr. Ockerman, in his capacity as Chairman of the Finance Committee, reported that the Finance Committee had met and recommended that all of the FCR's be approved. He recommended that the Board accept the University of Kentucky consolidated financial report for the nine months ended March 31, 1992.

Governor Wilkinson called attention to the total appropriated fund balances being very close this fiscal year to what was called for in the original budget. He asked "will the next budget in terms of the bottom line be as close as this one is to the original anticipated budgeted amounts even though the new administration has also asked for give backs?"

President Wethington informed the Board that action had been taken that would impact the fund balances and a complete report to the Board would be provided at the June meeting.

Following a discussion about external contracts and grants, Mr. Ockerman entertained a motion to approve FCR 1. On motion made Mr. Wilcoxson and seconded by Mr. Crosbie, it was approved. (See FCR 1 at the end of the Minutes.)

I. Capital Construction Report (FCR 2)

Mr. Ockerman recommended that the Capital Construction Report for the three months ending March 31, 1992, be accepted. Mr. Shoop moved approval.

Professor Rhoads seconded the motion and it passed. (See FCR 2 at the end of the Minutes.)

J. Report of Leases (FCR 3)

Mr. Ockerman stated that FCR 3 is a report to the Board on leases not exceeding \$30,000 in value and entertained a motion for approval. Dr. Meriwether moved approval. The motion, seconded by Mr. Wilcoxson, carried. (See FCR 3 at the end of the Minutes.)

K. Approval of Lease (FCR 4)

Mr. Ockerman reported that FCR 4 is a recommendation to the Board for approval of a lease exceeding \$30,000. He asked for a motion for approval. Dr. Meriwether moved approval of the recommendation. His motion was seconded by Mrs. Hayes and passed. (See FCR 4 at the end of the Minutes.)

L. Patent Assignment (FCR 5)

On motion made by Mr. Sturgill, seconded by Mr. Shoop and carried, the Board authorized the President to execute an assignment on behalf of the Board to the University of Kentucky Research Foundation of the following Letters Patent of the United States and the invention represented thereby: James K. Neathery, Serial No. (to be assigned), filed (to be filed). (See FCR 5 at the end of the Minutes.)

M. Room and Board Rates 1992-93 School Year (FCR 6)

Acting on the recommendation of the Finance Committee, Mr. Ockerman entertained a motion that the room and board rates for University Housing be adjusted in accordance with FCR 6 to become effective the fall semester 1992. Mr. Crosbie moved approval. Professor Rhoads seconded the motion and it passed. (See FCR 6 at the end of the Minutes.)

N. Confirmation of 1992-93 Tuition Schedule (FCR 7)

Mr. Ockerman recommended that the Board confirm changes in the tuition schedule as adopted by the Council on Higher Education, and establish corresponding part-time summer school charges under the guidelines of the Council on Higher Education. On motion made by Mrs. Sims, seconded by Mr. Shoop and carried, FCR 7 was approved. (See FCR 7 at the end of the Minutes.)

O. Adoption of 1992-93 Mandatory Registration Fee Schedule (FCR 8)

Mr. Ockerman called on Mr. Crosbie to comment on FCR 8.

Mr. Crosbie reported that the fee schedule had been discussed in various campus groups and organizations on campus. He said that it had been endorsed in open forums and by the campus newspaper. He noted that the student organizations affected by the technology fee increase have not had an increase in their revenue since 1985, and this represents a very nominal increase in their operating expenses. He said that the students feel that there is a definite need for these types of support services for computing and technology innovations on campus, and he made a motion that FCR 8 be approved. His motion, seconded by Mrs. Bell passed. (See FCR 8 at the end of the Minutes.)

P. A Resolution Authorizing the Issuance of \$25,430,000 of University of Kentucky Consolidated Educational Buildings Revenue Bonds, Series N, Dated June 1, 1992, of the Board of Trustees of the University of Kentucky (FCR 9)

With the Finance Committee so recommending, Mr. Ockerman entertained a motion that the Board of Trustees approve a Resolution authorizing the issuance of \$25,430,000 of University of Kentucky Consolidated Educational Buildings Revenue Bonds, Series N, dated June 1, 1992. President Wethington asked Chancellor Bosomworth to comment on FCR 9.

Chancellor Bosomworth reported that the research building is an 87,000 gross square foot building. It is anticipated that 80 plus research modules will be completed with the initial construction. Past experience shows that every 10,000 square foot of space will expand the research program by approximately \$1 million to be funded either from industrial sources or from the federal government. This building represents an important facility for the retention and attraction of faculty as well as building strength in the molecular biology area. He said that part of the staffing will be with research title series faculty members who are not tenured faculty but who are appointed to do research for limited periods. He explained that their entire cost is financed from the extramural sources and not from internal sources.

Governor Wilkinson said that he had done quite extensive research on this facility when he was in a position to make a decision about whether or not to move it forward. He said that he did not understand the cost involved to staff, operate, and equip this facility. An examination of these bond documents reveals that there is a lien filed on all of the general revenues, agency fees, and gross receipts to this university to retire the indebtedness. He said that on an issue of this magnitude the Board should be informed about the scope and ongoing costs of the project and provided a cost definition of the project before they are asked to approve it.

Chancellor Bosomworth said that the administration would be pleased to provide detailed financial information to the Board and expressed regret that the project had not met the Governor's expectations.

President Wethington informed the Board that the information that Governor Wilkinson is requesting was provided to the Council on Higher Education as a part of the project prior to the 1990 session of the General Assembly and again prior to the 1992 session. He said that the project was approved by the 1990 General Assembly and is a part of the Executive Budget that year. He noted that the project did not get final executive branch approval until after Governor Wilkinson had left the Governor's Office. He reported that this project had been approved again by the 1992 General Assembly, and it is a mandate that the University move ahead with plans for the construction of this facility. He said that he would be pleased to provide Board members with background information on this project. He encouraged the Board to approve FCR 9 which would give the University the authority to sell bonds.

Mr. Ockerman entertained a motion for approval. Mrs. Hayes asked that the information requested by Governor Wilkinson be sent to him, and then made a motion for approval of FCR 9. Her motion, seconded by Mr. Crosbie, carried with Governor Wilkinson casting the only opposing vote. (See FCR 9 at the end of the Minutes.)

Q. Report of Investments (ICR 1)

Mr. Wilcoxson, Chairman of the Investment Committee, moved that the Report of Changes in Investments for the University of Kentucky and its affiliated corporations for the three months ended March 31, 1992 be accepted. Mrs. Sims moved approval. Her motion was seconded by Professor Rhoads and passed.

Mr. Ockerman praised Mr. Wilcoxson and the members of the Investment Committee for their very effective job in completing the detailed study of the University's investments and for the recommendations which have been put into place to increase the University's income from investments. He expressed appreciation to them for their time, effort and the results that have been accomplished. (See ICR 1 at the end of the Minutes.)

R. Mr. Crosbie's Comments

Mr. Crosbie commented on the student affairs aspect of President Wethington's presentation on the Strategic Plan. He said that he could attest to the fact that, through his tenure in working with President Wethington and his administration, there is concerted emphasis in the area of student affairs, and there is interest in students. He said that he firmly believes that when he leaves office as Student Government President the students will continue to benefit under the administration of President Wethington.

S. Meeting Adjourned

There being no further business to come before the Board, the meeting adjourned at 2:29 p.m.

Respectfully submitted,

Edythe Jones Hayes
Secretary
Board of Trustees

Members, Board of Trustees:

CANDIDATES FOR DEGREES
UNIVERSITY SYSTEM

Recommendation: that the President be authorized to confer upon each individual whose name appears on the attached lists the degree to which he or she is entitled upon certification by the University Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate.

Background: Since the Commencement exercises are held immediately following completion of examinations, it is not possible for the University Registrar to certify satisfactory completion of requirements prior to Commencement exercises for those candidates who completed their requirements in May. The candidates who completed their requirements in August 1991 and December 1991 were approved by the Board of Trustees at earlier meetings.

	6. Place temporary shoring and provide demolition of existing piers.				
Reason for Change:	1. Ground contours do not create the amount of run-off that would require the construction of the 36" pipe drainage system. 2. The temporary roofing previously installed allowed water to enter the stairway on numerous occasions. 3. Original scope was to paint off the masonry contractors scaffolding, however the pier delay problem changed that. 4. The contract documents called for the existing handrails to be re-used. However, when the new stairs were built, they did not match the previous stairs treads and risers. The need for the guard rail was overlooked during the design phase. 5. The existing gutter/downspout does not have a connection point to the below grade storm system at column line 106 as was anticipated and exists at the other south elevation downspout locations. 6. 	2. Remove and reinstall spiral duct and fittings over Communications Room, delete return line sound attenuators. 3. Revise duct supply sizes crossing corridors 100G & 200B as indicated on drawings. 4. Provide additional steel reinforcing to openings for duct penetrations thru CM.U bearing walls as indicated on drawings.				
Reason for Change:	1. Height clearance as required for the water heater and fan unit in 2nd floor Mechanical Room overlapped, necessitating one or the other to be relocated. 2. Sound attenuator was shown on drawings vertically above air handling unit. Height clearance made it impossible to install in this manner. This required changes to spiral duct already installed. 3. Ceiling cavity space in corridors did not allow installation of duct sizes indicated in construction drawings. Supply ducts were changed from spiral duct to rectangular in order to fit within the space confines. 4. Increase in supply duct sizes through bearing walls, required additional structural support, not included in construction documents.

Reason for Change:	- With redesign of the lab basement, it is no longer required to route students through Anderson. This adds fence to route students outside Anderson Hall and avoid excess traffic thru the schools entry way. - There is no handicap ramp onto the sidewalk in front of Funkhouser Building for students going around the site on the south end. - After demolition, it was determined that the existing wall was adequate for this space. - Unknown conditions. CONFIRMATION OF 1992-93 TUITION SCHEDULE

Recommendation: that the Board of Trustees (1) confirm changes in the tuition schedule as adopted by the Council on Higher Education, and (2) establish corresponding part-time and summer school charges under the guidelines of the Council on Higher Education.

Background: Under KRS 164.020, the Council on Higher Education is empowered and charged with the responsibility to determine the tuition for attendance at public institutions of higher education in the Commonwealth. Charges for part-time and summer school students are derived, as the Council has directed, from the semester rate, using the institution's definition of what constitutes a full-time load for each level and program area.

The Council on Higher Education has established as part of their tuition policy the goal that tuition rates at Lexington Community College would be reduced over multiple biennia so that rates would be comparable with the other individually-accredited community colleges. The reduction in rates was contingent upon approval of revenue replacement funds by the 1992 General Assembly. In that this funding was not approved, the Council on Higher Education, at its meeting on April 20, 1992, approved a tuition rate for the Lexington Community College which retains the rate at the 1991-92 level.

ADOPTION OF 1992-93 MANDATORY REGISTRATION
FEE SCHEDULE

Recommendation: that the Board of Trustees approve the following Mandatory Registration Fee Schedule for 1992-93.

Background: These fees will be charged to all students enrolled on the Lexington Campus, in the Medical Center and at Lexington Community College in accordance with their status as full-time or part-time students. Students taking all of their courses in off-campus locations outside of Fayette and its contiguous counties may have these fees waived. However, if a student eligible for this waiver wants to participate in activities supported by these fees, the student must pay the total mandatory fee.

The recommended schedule represents a forty-seven dollar increase over the 1991-92 mandatory fee schedule. The recommended fee is consistent with the Board-approved mandatory registration fee policy and remains considerably lower than the upper limit established in that policy. The Student Health Advisory Council supports the recommended increase, the purpose of which is to maintain the current level of service in the Student Health Services. A portion of the increased fee will be used to provide expanded computing services to students. Students are recognizing and expressing a need for increased computing services. Also, there is some increase for the Student Government Association, the Student Activities Board, and WRFL.

**A RESOLUTION AUTHORIZING THE ISSUANCE OF \$25,430,000 OF
UNIVERSITY OF KENTUCKY CONSOLIDATED EDUCATIONAL BUILDINGS
REVENUE BONDS, SERIES N, DATED JUNE 1, 1992, OF THE BOARD OF
TRUSTEES OF THE UNIVERSITY OF KENTUCKY**

Recommendation: that the Board of Trustees approve a Resolution authorizing the issuance of \$25,430,000 of University of Kentucky Consolidated Educational Buildings Revenue Bonds, Series N, dated June 1, 1992.

The Resolution authorizes the issuance of \$25,430,000 of Series N Bonds for the purpose of financing (i) a new Medical Research Building, and (ii) Cooling Plant repair and replacement, constituting the Series N Project upon the campus of the University in Fayette County in the Commonwealth of Kentucky, which addition will, when completed, become part of the University of Kentucky Consolidated Educational Buildings Project of the University (the "Series N Project").

The Resolution also directs that amounts held by the Kentucky State Treasurer in the Series K, L and M Construction Accounts, not otherwise needed to complete those projects, be transferred to the Series N Construction Account and that University unallocated Fund Balances of \$525,000 be transferred to the Series N Construction Account.

The Resolution also approves a Notice of Bond Sale, Official Terms and Conditions of Sale of Bonds, Bid Form and preliminary form of Official Statement, all contemplating that the Bonds be sold on the advice of the Fiscal Agent, Seasongood & Mayer, on June 16, 1992.

Background: The University presently has outstanding fourteen series of University of Kentucky Consolidated Educational Buildings Project Revenue Bonds, Series C, D, E, F, G, G (Second Series), H, H (Second Series), I, I (Second Series), J, K, L and M, all secured by a pledge of the Revenues (registration fees) and by a statutory mortgage lien against all of the buildings of the Project. These Series N Bonds are issued for the purpose of financing (a) the Series N Project identified above, (b) the funding of the Required Debt Service Reserve, and (c) the cost of issuance of the Series N Bonds. The Bond Resolution approves the appointment of the First Security National Bank & Trust Company, Lexington, Kentucky, as Trustee, Bond Registrar, Transfer Agent, Payee Bank and Depository Bank, with respect to these Bonds, provides for the execution of the appropriate parity certification establishing that the "coverage" of projected income of the Project over debt service requirements will meet the 1.25 test necessary to establish that the Series N Bonds will rank on a parity with the outstanding Series C through M Bonds and the Series G (Second Series), Series H (Second Series) and Series I (Second Series) Bonds.

The Series N Bonds shall be executed on behalf of the Board with the reproduced facsimile signature of the Chairman of the Board, and the facsimile of the Corporate Seal of the Board shall be imprinted thereon and attested by the reproduced facsimile signature of the Secretary of the Board; and said officials, by the execution of appropriate certifications, shall adopt as and for their own proper signatures, their respective facsimile signatures on said Bonds; provided the Authentication Certificate of Trustee on each printed Bond must be executed by the manual signature of the Trustee (not necessarily the same authorized officer of the Trustee on each Bond) on each

Bond before such Bond shall be valid, as set out in Section 2.13 below.

Pending the preparation of definitive Bonds, the Series N Bonds may be delivered in the form of one or more temporary Bonds, which may be printed, lithographed, typewritten, mimeographed or otherwise reproduced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, in registered form, and with such appropriate insertions, omissions, substitutions and other appropriate and necessary variations as the Board may determine, as evidenced by the execution of such temporary Bonds.

Until exchanged for Series N Bonds in definitive form, such temporary Bonds shall be entitled to the benefit and security of this Resolution. The Board shall, without unreasonable delay, cause to have prepared, executed and delivered printed Bonds to the Original Purchasers and/or their designees, and thereupon, upon the presentation and surrender of the temporary Bonds, such printed Bonds shall be delivered to the Original Purchasers and/or their designees in exchange therefor. Notwithstanding anything contained herein, the Trustee-Registrar shall have the right to order the preparation or printing of additional Bond Certificates which, in the sole discretion of the Trustee-Registrar, shall be necessary to maintain adequate reserves of such Bond Certificates to properly effect the continuing transfers of ownership of Bond Certificates. No further action regarding the authorization of additional Bond Certificates shall be required by the Board, and the expenses incidental thereto shall be borne by the Board as additional annual requirements of the Series N Bonds, the same as interest thereon.

At least five business days prior to the payment of the purchase price for the Bonds (the "Closing Date") each of the Original Purchasers shall furnish to the Registrar the name, address, social security number or taxpayer identification number of each party to whom the Bonds shall have been resold and in whose name the respective Bonds are to be registered, and the principal amounts and maturities thereof. The Trustee-Registrar shall then issue and deliver to each respective Purchaser on the Closing Date fully registered printed Bond Certificates for each registered owner so designated, in substantially the same form as that set out in Section 2.14 hereof.

All of the Series N Bonds shall be exchangeable and transferable upon the presentation and surrender thereof at the office of the Trustee-Registrar, duly endorsed for transfer or

accompanied by an assignment duly executed by the registered owner and/or his authorized representative, for a Bond or Bonds of the same maturity and interest rate and in the denomination of \$5,000 and/or a multiple thereof within a single maturity, in an aggregate principal amount or amounts equal to the unpaid principal amount of the Bond and/or Bonds presented for exchange. The Trustee-Registrar shall be and is hereby authorized to (authenticate and) deliver the exchange Bond in accordance with the provisions of this Section. Each exchange Bond delivered in accordance with this Section shall constitute an original contractual obligation of the Board and shall be entitled to the benefit and security of this Resolution to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

In the event of non-payment of interest or of one or more principal maturities on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment or for such maturity or maturities ("Special Record Date") will be established by the Trustee-Registrar if and when funds for the payment of such interest shall have been received from the Board. Notice of the Special Record Date and of the Special Payment Date of the past due interest shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each owner of the Bonds, as shown on the Bond Register, of such maturity or maturities appearing on the books of the Trustee-Registrar at the close of business on the last business day next preceding the date of mailing of such notice.

Section 2.9. Provisions as to Prior Redemption.

(a) Redemption Prior to Maturity. The Series N Bonds maturing on and after May 1, 2003, shall be subject to redemption prior to maturity, at the option of the Board, on any Interest Payment Date on and after November 1, 2002, in inverse order of maturities and by lot within a single maturity, at the following redemption prices (expressed as a percentage of principal amount) plus accrued interest to the date of redemption, as follows:

<u>Redemption Dates, Inclusive</u>	<u>Redemption Price</u>
November 1, 2002 through May 1, 2003	102%
November 1, 2003 through May 1, 2004	101%
November 1, 2004, and thereafter to maturity	100%

(b) Redemption of Less Than All of a Single Bond. In the event that a Bond subject to redemption is in a denomination larger than \$5,000, a portion of such Bond may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof, if the Bond is one of the maturities or amounts or part of the maturities or amounts called for redemption. Upon surrender of any Bond for redemption in part, the Trustee-Registrar shall (authenticate and) deliver an exchange Bond or Bonds in an

aggregate principal amount equal to the unredeemed portion of the Bond so surrendered.

(c) Notice of Redemption. The Trustee-Registrar shall give notice of any redemption by sending at least one such notice by United States mail, first class, postage prepaid, not less than 30 and not more than 60 days prior to the date fixed for redemption to the registered owner of each Series N Bond to be redeemed in whole or in part, at the address shown on the Bond Register as of the date of mailing of such notice. The Trustee-Registrar may furnish one other form of such notice more than 60 days prior to the date fixed for redemption, provided at least one such notice shall be sent not less than 30 nor more than 60 days prior to such date. Such notice shall state the redemption date, the Redemption Price, the accrued interest payable on the redemption date, the place at which the Bonds are to be surrendered for payment, and, if less than all of the Bonds outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Bondowner receives such notice.

Prior to each redemption date, the Trustee-Registrar shall make provision, to the extent funds are then available therefor, for the payment of the Redemption Price of the Bonds to be redeemed on such date by setting aside and holding in trust an amount sufficient to pay such Redemption Price. Upon presentation and surrender of any such Bond at the main corporate trust office of the Trustee-Registrar on or after the date fixed for redemption, the Trustee-Registrar shall pay the Redemption Price on such Bond (including accrued interest) from the funds set aside for such purpose.

All of said Bonds as to which the Board reserves and exercises the right of redemption and as to which notice as aforesaid shall have been given, and for the retirement of which, upon the terms aforesaid, funds are duly provided, will cease to bear interest on the redemption date. -

The required notice shall be deemed to have been given upon the Board furnishing Notice of Redemption to the Trustee-Registrar and upon the Trustee-Registrar acknowledging that it has instructions to send such notice and that it will do so at the proper time, even if the time for furnishing such notice has not yet arrived.

Section 2.10. Transferability. Title to any Series N Bond shall be transferable only upon the, presentation and surrender of same at the main office of the Trustee-Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or his authorized representative, such transfer to be made on such books and endorsed on the Bond by the Registrar.

Section 2.11. Designation of Trustee (Bond Registrar, Transfer Agent, and Payee Bank). For the purpose of securing the payment of both the principal of and interest on all of the Series N Bonds, and to secure for the benefit of all the owners thereof the faithful performance of the covenants and provisions contained in the Resolution in the manner and to the extent permitted and provided in this Series N Resolution and in Section 162.340, et seq., and 58.010 through 58.140 of the Kentucky Revised Statutes, the First Security National Bank & Trust Company, in the City of Lexington, Kentucky, is hereby designated as Trustee, Bond Registrar, Transfer Agent, and Payee Bank under the Basic Resolution and this Series N Resolution for the owners of all of said Series N Bonds, with the powers and duties set forth in the Basic Resolution and in this Series N Resolution and with no liability in connection with any action or omission to act under the Basic Resolution or under this Series N Resolution except for its own negligence or willful breach of trust. Execution of the Authentication Certificate of the Trustee-Registrar on the respective Series N Bonds, shall conclusively establish the acceptance by the Trustee-Registrar of the trusts and provisions with respect thereto as set forth in this Resolution. Acceptance of the duties of Trustee-Registrar shall also be evidenced by the execution of the appropriate form of Acceptance immediately following the end of this Series N Resolution.

Section 2.12. Security for Series N Bonds; Statutory Mortgage Lien; Revenue Pledge. For the protection of the holders and owners of the Bonds secured by the Basic Resolution and this Resolution, a statutory mortgage lien upon the Project and properties connected therewith and belonging thereto, on a parity with All Bonds, is granted and created by and pursuant to Sections 162.350 and 162.200 of the Kentucky Revised Statutes, which said statutory mortgage lien is hereby recognized and declared to be valid and binding as provided by law, and shall take effect immediately upon the delivery of any and all of the Series N Bonds, ranking on a parity with the outstanding Series C through M Bonds.

All of the Series N Bonds are payable only from the Gross Revenues derived from the operation of the Project, ranking on a parity with the outstanding Series C through M Bonds, and the Series N Bonds shall not and do not constitute an indebtedness of the University of Kentucky or of its Board of Trustees or of the Commonwealth of Kentucky within the meaning of any provisions or limitations of the Constitution of the Commonwealth of Kentucky.

Section 2.13. Authentication of Bonds. No Series N Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Resolution unless and until such Bond has been duly authenticated by the Trustee-Registrar by the execution of the Authentication Certificate of Trustee-Registrar appearing on such Bond. Such Certificate appearing on any Bond shall be deemed to have been duly executed by the Trustee-Registrar if manually signed by an authorized officer of the Trustee-Registrar.

It shall not be required that the same officer of the Trustee-Registrar sign such Certificate on all of the Series N Bonds.

Section 2.14. Form of Bonds. The aforesaid authorized issue of Series N Bonds shall be in substantially the following form:

The Board of Trustees of the University of Kentucky (the "Board"), a body corporate, as an educational institution and agency and a political subdivision of the Commonwealth of Kentucky, for value received, hereby promises to pay to the Registered Owner, identified above, or his or its registered assigns, solely from the special fund hereinafter identified, upon presentation and surrender of this Bond, the Principal Amount set out above on the Maturity Date specified above and to pay interest on said sum at the per annum Interest Rate specified above, from the interest payment date to which interest has been paid next preceding the date on which this Bond is authenticated, unless this Bond is authenticated on an interest payment date to which interest has been paid, in which event this Bond shall bear interest from such date, or if this Bond is authenticated prior to the first interest payment date, this Bond shall bear interest from the date of original issue set out above, commencing November 1, 1992, and semiannually thereafter on May 1 and November 1 of each year until payment of the Principal Amount, except as the provisions hereinafter set forth with regard to redemption prior to maturity may be and become applicable. The principal of and redemption price, if any, on this Bond are payable in lawful money of the United States of America at the main office of the First Security National Bank & Trust Company, Lexington, Kentucky (the "Trustee," "Bond Registrar," and "Payee Bank"). All interest on this Bond shall be payable by check or draft mailed by the Trustee-Registrar to the registered owner hereof at the address shown on the registration books kept by the Trustee.

This Bond is one of a duly authorized issue of \$25,430,000 principal amount of Bonds (said Bonds being hereinafter sometimes collectively referred to as "the Bonds," "these Bonds" or "the Series N Bonds"), issued in full compliance with the Constitution and Statutes of the Commonwealth of Kentucky, including Sections 162.340 to 162.380, and 58.010 through 58.140 of the Kentucky Revised Statutes, now in full force and effect, and under and pursuant to the Resolution adopted by the Board on September 20, 1960 (the "Basic Resolution"), and the Resolution adopted on May 5, 1992, authorizing the Series N Bonds (the "Series N Resolution"), issuable as fully registered Bonds in the denominations of \$5,000 and any authorized multiple thereof within the same maturity, for the purpose of financing (a) the costs (to the extent not otherwise provided) of establishing and erecting certain educational buildings and necessary appurtenances (the "Series N Project"), upon the property of the University in Fayette County, Kentucky, which Series N Project buildings and appurtenant facilities will, when erected and acquired, become part of the Consolidated Educational Buildings Project of said University (the "Project"), (b) the amount necessary to fully fund the Required Debt Service Reserve, and (c) the costs of issuance of the Series N Bonds. Copies of the Basic Resolution and the Series N Resolution are on file at the office of the Trustee.

As provided in the Series N Resolution, these Series N Bonds, together with the outstanding Bonds of Series C, Series D (Refunding), Series E through M and Series G (Second Series) issued to refund on May 1, 1993, the Series G Bonds maturing May 1, 1994-2003, Series H (Second Series) issued to refund on May 1, 1993, the Series H Bonds maturing May 1, 1994-2003, and Series I (Second Series) issued to refund on May 1, 1996, the Series I Bonds maturing May 1, 1997-2006 (all of the Series A and B Bonds having been retired), and any additional Parity Bonds which may hereafter be issued and outstanding under the terms of the Basic Resolution and subsequent Series Resolutions (hereinafter all references to said outstanding Bonds of Series C, Series D (Refunding), Series E through M, and Series G [Second Series], Series H [Second Series] and Series I [Second Series], and any additional Parity Bonds shall be collectively referred to as "All Bonds"), are and will be payable from and constitute a first charge and lien upon the Revenues (as defined in the Basic Resolution) to be derived by the University from the operation of its Consolidated Educational Buildings Project. The fee imposed upon and collected from all students enrolled in the University at the Lexington Campus as an incident to registration at the beginning of each semester of the regular academic year and each summer session, including fees imposed for part-time students, night school and extension courses, is designated as the source of Revenues of the Project. Such fees are known as the Student Registration Fees, and the Board has covenanted on behalf of the University that such fees will be fixed (and, if necessary, revised and increased from time to time) at such rates as may be required to pay the interest on and principal of the Bonds as they respectively mature, to provide reserves therefor, and to pay the operating costs of the Project to the

extent that such costs are not otherwise provided. All collections of the Student Registration Fees are to be set aside, as received, into the Consolidated Educational Buildings Project Revenue Fund (the "Revenue Fund") and are made subject to a first pledge, lien, and charge for the security and source of payment of All Bonds.

The Basic Resolution provides for the creation of a special account designated "Consolidated Educational Buildings Project Bond and Interest Sinking Fund" (the "Bond Fund") and for the deposit from the Revenue Fund to the credit of the Bond Fund of a fixed amount of the gross Revenues of the Project sufficient to pay interest on All Bonds as the same become due, to pay or retire the principal of All Bonds at or prior to the maturity thereof, and to provide a reserve for such purpose, which Bond Fund is pledged to and charged with the payment of said principal and interest.

The aggregate principal amount of Bonds which may be issued under the Basic Resolution is not limited except as provided in such Basic Resolution, and all Bonds issued and to be issued under the Basic Resolution are and will be equally secured by the pledges and covenants made therein, except as otherwise expressly provided or permitted in the Basic Resolution.

As further security for these Series N Bonds, a statutory mortgage lien, which is hereby recognized as valid and binding on the Project and properties connected therewith and belonging thereto, on a parity with All Bonds, is created and granted to and in favor of the owner(s) of these Series N Bonds, pursuant to Sections 162.350 and 162.200 of the Kentucky Revised Statutes, which said statutory mortgage lien shall take effect immediately upon the delivery of any and all of the Series N Bonds, and the Project shall remain subject to such statutory mortgage lien until the payment in full of the principal of and interest on All Bonds, including the Series N Bonds.

All Bonds as may be outstanding from time to time are payable only from the gross Revenues derived from the operation of the Project, a sufficient amount of which revenues will be annually set aside into the Bond Fund, and this Bond does not constitute an indebtedness of the University of Kentucky, its Board, or the Commonwealth of Kentucky within the meaning of any provisions or limitations of the Constitution of the Commonwealth of Kentucky.

This Bond is transferable by the registered owner hereof in person or by his attorney duly authorized in writing at the main office of the Trustee-Registrar, but only in the manner, subject to the limitations provided in the Series N Resolution, and upon surrender and cancellation of this Bond, duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or his authorized representative. Upon such transfer being effected, a new fully registered Bond or Bonds of the same series and the same maturity of authorized denomination, for the same aggregate principal amount, and the same interest rate, will be issued to the transferee in exchange therefor.

The Board and the Trustee-Registrar may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and redemption price, if any, hereon, and interest due hereon, and for all other purposes, and neither the Board nor the Trustee-Registrar shall be affected by any notice to the contrary.

The owner of this Bond shall have no right to enforce the provisions of the Basic Resolution or the Series N Resolution, to institute action to enforce the covenants therein, to take any action with respect to any default under such Resolutions, or to institute, appear in, or defend any suit or other proceedings with respect thereto, except as provided in such Resolutions. The Basic Resolution provides for fixing, charging, and collecting fees for the services of the Project, which fees will be sufficient to pay the principal of and interest on All Bonds as the same become due, to provide a reserve for such purpose, and also to pay the cost of operation and maintenance of the Project to the extent that same are not otherwise provided.

Reference is made to such Basic Resolution and Series N Resolution (a) pursuant to which the First Security National Bank & Trust Company, in the City of Lexington, Kentucky, has been designated as Trustee and Bond Registrar, Payee Bank, and Transfer Agent for the owners of the Series N Bonds, (b) for the provisions, among others, with respect to the custody and application of the proceeds of the Series N Bonds, (c) the rights, duties, and obligations of the Board and of the Trustee, and (d) the rights of the owners of these Series N Bonds; and by the acceptance of this Bond, the registered owner hereof assents to all of the provisions of said resolutions.

The Series N Bonds maturing on or after May 1, 2003, are redeemable at the option of the University on or after November 1, 2002, in whole or in part, and if in part, in inverse order of maturities (less than all of a single maturity to be selected in such manner as the Trustee may determine), at redemption prices expressed in percentages of the principal amount with respect to each Bond as set forth below, plus in each case accrued interest to the date of redemption:

<u>Redemption Dates, Inclusive</u>	<u>Redemption Price</u>
November 1, 2002 through May 1, 2003	102%
November 1, 2003 through May 1, 2004	101%
November 1, 2004, and thereafter to maturity	100%

In the event that a Bond subject to redemption is in a denomination larger than \$5,000, a portion of such Bond may be redeemed, but only in a principal amount equal to \$5,000 or an integral multiple thereof. Upon surrender of any Bond for redemption in part, the Trustee-Registrar, in accordance with the Series N Resolution, shall authenticate and deliver an exchange Bond or

Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered.

The Trustee-Registrar shall give notice of any redemption by sending such notice by United States mail, first class, postage prepaid, not less than 30 and not more than 60 days prior to the date fixed for redemption, to the registered owner of this Bond at the address shown on the Bond Register as of the date of mailing of such notice.

This Bond is exempt from taxation (except inheritance taxes) by the Commonwealth of Kentucky and all of its political subdivisions.

It is hereby certified, recited, and declared that all acts, conditions, and things required to exist, to happen, and to be performed precedent to and in the issuance of this Bond, do exist, have happened, and have been performed in due time, form, and manner as required by law, and that the amount of this Bond, together with all other obligations of the Board and of said University of Kentucky, does not violate any provision or exceed any limit prescribed by the Constitution or Statutes of Kentucky; that the Project will be continuously operated, and that a sufficient portion of the gross Revenues therefrom has been pledged to and will be set aside into the Bond Fund (created in the Basic Resolution) for the payment of the principal of and interest on this Bond and All Bonds which by their terms and the terms of the Basic Resolution, the Series N Resolution, and all previous Series Resolutions, are payable from the Bond Fund as and when the same will respectively become due.

IN TESTIMONY WHEREOF, the Board of Trustees of the University of Kentucky has caused this Bond to be executed on its behalf by the reproduced facsimile signature of its Chairman, and the facsimile of its corporate seal to be imprinted hereon, and attested by the reproduced facsimile signature of its Secretary, dated as of June 1, 1992; provided, however, that this Bond shall not be valid or obligatory for any purpose or be entitled to any security or benefit under the Series N Resolution pursuant to which it was authorized until the Authentication Certificate of Trustee-Registrar printed hereon shall have been executed by the manual signature of a duly authorized representative of the Trustee-Registrar.

ARTICLE III
PUBLIC SALE OF SERIES N BONDS; COMPLIANCE WITH PARITY
REQUIREMENTS; THE SERIES N CONSTRUCTION ACCOUNT;
DISPOSITION OF PROCEEDS OF SERIES N BONDS

Section 3.1. Advertisement of Series N Bonds for Sale.
The Series N Bonds shall be offered publicly for sale upon the basis of sealed, competitive bids at such time as the Board (or the Executive Committee of the Board) shall designate by duly adopted Motion or Resolution.

The Treasurer of the Board is hereby authorized and directed to cause an appropriate form or forms of a Notice of Sale of Bonds to be published in THE COURIER-JOURNAL, a legal newspaper published in the City of Louisville, Kentucky, which will afford statewide notice of the sale, and in THE BOND BUYER, a financial journal published in the City of New York, New York, which is a publication having general circulation among bond buyers; and said newspaper and financial journal are hereby declared to be qualified to publish such notice for the Board within the meaning and provisions of KRS Chapter 424. Such notice shall be published in said newspaper and financial journal at least once not less than seven nor more than twenty-one days prior to the scheduled date of sale of the Series N Bonds.

A suggested form of Notice of Sale of Bonds, a suggested form of Official Terms and Conditions of Sale of Bonds, and a suggested form of Official Bid Form, having been prepared by Bond Counsel in cooperation with the Fiscal Agent, and same, together with a suggested form of Preliminary Official Statement having been examined by this Board, same are hereby approved for such purposes, and a copy of each is hereby ordered to be attached to this Resolution and to the minutes of the meeting at which this Resolution is adopted. The notice of Sale of Bonds shall be signed by the Treasurer of the University and may be used for the purpose of publishing notice of the sale of the Bonds. The Preliminary Official Statement having been prepared by the Board's Fiscal Agent on behalf of the Board in conjunction with the sale, containing all pertinent information in regard to the Series N Bonds, and in regard to the University, and which Preliminary Official Statement is to be supplied to prospective bidders for the purchase of the Series N Bonds, and said Preliminary Official Statement having been reviewed and considered by the Board, same is hereby authorized, ratified and approved in substantially the form attached hereto, and the Chairman and the Treasurer are hereby authorized to sign said Preliminary Official Statement and the final Official Statement with such changes as approved by the Treasurer on behalf of the Board to evidence such approval. Copies of said documents (Notice, Official Terms, Bid Form, and Preliminary Official Statement) shall be furnished to a list of known interested bidders and to any interested parties who may request same.

Bidders shall be advised that Seasongood & Mayer, Cincinnati, Ohio, has been employed as Fiscal Agent in connection

with the issuance of these Series N Bonds, that their fee for services rendered with respect to the sale of the Series N Bonds is contingent upon the issuance and delivery of the Series N Bonds, and that they may submit a bid for the purchase of the Series N Bonds at the time of the advertised public sale of the Series N Bonds, either individually or as the member of a syndicate organized to submit a bid for the purchase of the Series N Bonds.

Upon the date and at the respective hour set forth for the opening and consideration of purchase bids, as provided in the instruments hereinabove approved, the sealed bids theretofore received by the Treasurer and the Finance Committee of the Board shall be publicly opened and publicly read by the Treasurer and later delivered to the Board and again publicly read by the presiding officer of the Board. If there shall be one or more bids which conform in all respects to the prescribed terms and conditions, such bids shall be compared, and the Board agrees that if a bid is accepted, it will accept the best of such bids, as measured in terms of the lowest interest cost to the Board, as calculated in the manner prescribed in the Official Terms and Conditions of Sale of Bonds.

Bids will be received for the purchase of such Bonds at such date and hour as shall be fixed or otherwise determined by the Resolution of the Board (or of its Executive Committee).

It is hereby determined that the successful bid for the purchase of the Series N Bonds, at the option of the Board of Trustees, may, in lieu of acceptance by the full Board of Trustees, be accepted by the Executive Committee of the Board of Trustees upon the advice of the Board's Fiscal Agent, Seasongood & Mayer, with the approval of the Treasurer of the University.

Section 3.2. Compliance with Parity Requirements of Basic Resolution. In accordance with the requirements of Section 7.10 of the Basic Resolution, it is hereby certified, covenanted, and declared:

(a) That at the present time, and at the time of issuance of the Series N Bonds, there is and will be no deficiency in amounts required by the Basic Resolution or any Series Resolution to be paid into the Bond Fund;

(b) That prior to the issuance of the Series N Bonds, there will have been procured and filed with the Trustee a statement by the Treasurer of the Board to the effect that the average of the annual revenues from the Project for the two fiscal years immediately preceding the issuance of the Series N Bonds, was equal to not less than 1.25 times the maximum Aggregate Principal, Interest and Bond Fund Charges in any succeeding twelve month period ending May 1 on the Outstanding Bonds and on the Series N Bonds proposed to be issued. For the purposes of such computation, such certification of the Treasurer shall make an adjustment in the amount of the annual Revenues to reflect any increases or decreases

in the pledged Revenues (the student registration fees) which at that time shall have been determined by the Board and made effective for future services of the Project.

Accordingly, based on the foregoing compliance with the requirements of the Basic Resolution, it is hereby found and declared that the Series N Bonds shall rank and be payable on a parity with the outstanding Series C through M Bonds on a first lien basis from the gross revenues of the Project and further secured by a first statutory mortgage lien on the Project buildings.

Section 3.3. The Series N Construction Account; Disposition of Proceeds of Series N Bonds. There is hereby established in the Treasury of the Commonwealth a Construction Account to be designated "University of Kentucky Consolidated Educational Buildings Project Bond Proceeds Series N Construction Account" (the "Series N Construction Account").

Immediately upon the issuance, sale, and delivery of the Series N Bonds, the entire amount received from the Original Purchasers of the Series N Bonds shall be deposited in the Treasury of the Commonwealth for immediate credit and/or transfer as follows:

(a) To the Bond Fund, all amounts received as collected accrued interest for the period from June 1, 1992, the date of the Series N Bonds, to the date of delivery, for application to the payment of interest next becoming due on the Series N Bonds.

(b) To the Debt Service Reserve Fund, the amount necessary to fully fund the Required Debt Service Reserve.

(c) To the "University of Kentucky Consolidated Educational Buildings Series N Bonds Cost of Issuance Account," hereby created and to be maintained on deposit with the Trustee, such appropriate amount as shall be directed by the Treasurer of the Board, to be held and disbursed upon written authorization of the Board or its designee. The Trustee shall apply funds in such account for the purpose of meeting issuance expenses, including printing, fiscal agent fee, legal fees and expenses, rating agency fees, and other necessary costs (to the extent not payable by the Fiscal Agent) of preparing, issuing, advertising, and selling the Bonds. After payment in full of such issuance expenses, based upon the certification of the Board, through its Treasurer, all amounts remaining in such Account shall be transferred to and deposited in the Bond Fund and applied toward the payment of interest requirements falling due on the Bonds on November 1, 1992.

(d) The balance of the proceeds of the Series N Bonds shall be deposited in the Series N Construction Account.

Such balance in the Construction Account shall be disbursed from such Account by the Treasurer of the Commonwealth

according to such inspection, audit, and disbursement procedures as may from time to time be provided by law, for the purpose of paying the costs (to the extent not otherwise provided) of establishing and constructing the Series N Project buildings and appurtenances as identified in Section 2.2 of this Series N Resolution in accordance with the approved plans and specifications therefor and to reimburse the University or the Commonwealth for any payments which may have been made from other available resources in anticipation of the issuance of the Series N Bonds, and only upon certification of the Architects or Engineers having supervision of construction (or of the Secretary of the Finance Cabinet of the Commonwealth with respect to reimbursements sought by the Commonwealth), as to each disbursement for construction costs, that the amount thereof has been duly earned by and is payable to (and has not previously been paid to) the designated party or parties, for materials, services, and/or labor furnished pursuant to proper contract duly awarded therefor.

Amounts on deposit in the Construction Account shall be invested and reinvested from time to time by the State Treasurer upon direction to the State Treasurer by the Treasurer of the University, in direct obligations of the United States Government or of agencies of the United States Government, or obligations which are fully guaranteed by the United States Government, or in negotiable or non-negotiable Certificates of Deposit issued by any bank, trust company or national banking association (including the Trustee) whose deposits are insured by the Federal Deposit Insurance Corporation, provided such Certificates of Deposit, to the extent that same shall exceed the amount insured by the Federal Deposit Insurance Corporation, must be continuously secured by a valid pledge of direct obligations of or obligations guaranteed by the United States Government having a market value (exclusive of accrued interest) at all times equal to at least 100% of the principal amount of said Certificates of Deposit, which Certificates shall be lodged with the State Treasurer as custodian, or in investments permitted by KRS 42.500(6). The Investments shall be made upon the determination of the University Treasurer, upon advice from said Architects or Engineers (or of said Secretary of the Finance Cabinet) that moneys on deposit in the Construction Account are not immediately required for construction purposes and any investments made from the Construction Account shall be selected in contemplation of the anticipated schedule of disbursements prepared by the University Treasurer. All such investments shall be reconverted into cash as and when cash is required to pay costs for which the Construction Account is established.

Any balance remaining in said Construction Account after the establishment and construction of said Series N Project buildings and appurtenances and the payment of all costs in connection therewith shall be deposited in the Bond Fund and (a) credited to the Debt Service Reserve established in and by Section 405(3) of the Basic Resolution if and to the extent that such Debt Service Reserve contains less than the amount of the Required Debt Service Reserve, and/or (b) either applied as a credit against the next

deposit required to be made into the Bond Fund, or used to purchase Series N Bonds in the open market at not exceeding par plus accrued interest, as may be directed by the Board; provided, however, that if proceedings are then pending or imminently contemplated for the establishment and/or construction of one or more additional educational buildings, which are or will be financed by the issuance of additional Series Bonds pursuant to the Basic Resolution, and which building or buildings constitute or will constitute a part of the Consolidated Educational Buildings Project, any such unexpended balance may be taken into account in determining the amount of Bonds to be authorized therefor, or may otherwise be applied to the proper costs thereof, in which event such unexpended balance may, upon authority of the Board, be transferred to the Series Construction Account thereof; and provided further, that if the Board has made a contribution to the Construction Account, any surplus to the extent of such contribution shall be transferred back to the Board.

The Board authorizes and directs that the amounts held in the Series K Construction Account, Series L Construction Account and Series M Construction Account (including the investment earnings on such accounts) be transferred to the Series N Construction Account as permitted by the resolutions of the Board authorizing such Series of Bonds. The Board further authorizes and directs that the investment earnings on the Series N Construction Account be applied toward the costs of the Series N Project. The Board also directs that \$ 525,000 of University unallocated Fund Balances be transferred to the Series N Construction Account.

ARTICLE IV
COMPLIANCE WITH FEDERAL ARBITRAGE REQUIREMENTS;
THE REVENUE FUND; DEBT SERVICE RESERVE FUND

Section 4.1. Compliance with Federal Non-Arbitrage Requirements. Neither the University nor the Trustee shall take any action at any time which will cause the interest on the Bonds to become subject to Federal income taxation, and, without limiting the foregoing, it is covenanted for the benefit of the owners of such Bonds that no use of the proceeds of the Series N Bonds will be made at any time which, if such use had been reasonably expected on the date of issue of such Bonds, would have caused them to be "arbitrage bonds." This covenant shall impose an obligation to comply with the requirements of Section 148 of the United States Internal Revenue Code of 1986, as amended (the "Code"), and the applicable regulations thereunder. The word "proceeds" as used herein shall have the meaning which it has under such section of the Code and such regulations and shall include all moneys on deposit in all Funds provided for herein and all Funds established in connection with the Project and the Bonds. Without limiting the generality of the foregoing, in no event shall moneys be deposited in any accounts created hereunder or invested pursuant to the provisions hereof if such deposit or investment shall cause any Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code.

The Board certifies that on the basis of the facts, expectations, and circumstances (including covenants of the Board) in existence on the date of adoption of this Series N Resolution it is not expected that the proceeds of the Series N Bonds will be used in a manner that will cause such obligations to be "arbitrage bonds." The Chairman and the Treasurer of the Board are hereby jointly and severally designated and charged by the Board and the University with the responsibility for issuing the Series N Bonds and are hereby designated as the officers of the Board and the University to execute (by either of them) the ("no arbitrage") certification required by Section 1.103-13(a)(2)(ii) and any other provisions of the Treasury Regulations, and such certification shall set forth such facts, expectations and circumstances, which may be in brief and summary terms, and shall state that to the best of his knowledge and belief there are no other facts, expectations, or circumstances that would materially change such expectation that the proceeds of the issue of Bonds herein authorized will not be used in a manner that would cause same to be "arbitrage bonds." If, under any valid provisions of law hereafter enacted, the interest paid by the Board on the Bonds should be excludable from the gross income of a recipient thereof for Federal income tax purposes without regard to compliance with the provisions of Section 148 of the Code, then the University shall not be required to comply with such provisions of the Code.

Section 4.2. The Revenue Fund; Transfers to the Bond Fund and the Debt Service Reserve Fund to Provide for the Additional Requirements of the Series N Bonds.

(1) From and after the issuance and delivery of the Series N Bonds, the Treasurer, conforming to the provisions of Section 4.05(2) of the Basic Resolution, shall transfer from the Revenue Fund and deposit to the credit of the Bond Fund from time to time such sums as are required to pay (a) interest falling due on each November 1 with respect to the Series N Bonds, and (b) interest and principal, if any, falling due on each May 1 with respect to the Series N Bonds; and such transfers and deposits into the Bond Fund shall be in addition to the transfers and deposits required to be made from time to time for payment of the interest on and principal of the Series C through M Bonds.

(2) Conforming to the requirements of Section 4.05(2) of the Basic Resolution, if, whenever, and so long as the amount on deposit in the Debt Service Reserve (as part of the Bond Fund) shall be less than the Required Current Debt Service Reserve Accumulation or the Required Debt Service Reserve (as defined herein), with respect to All Bonds for any future year ending May 1, the Treasurer shall transfer from the first available funds in the Revenue Fund and deposit in the Bond Fund, whatever additional amounts over and above all deposits otherwise required to be made into the Bond Fund, as set out in the foregoing paragraph (1) of this Section, shall be required in order to restore and maintain the Required Current Debt Service Reserve Accumulation or the Required Debt Service Reserve in the Debt Service Reserve portion of the Bond Fund.

(3) It is further determined by the Board that in calculating the amount of the required annual payments to be made by the Board into the Bond Fund to meet the principal and interest requirements of All (Outstanding) Bonds, the Board shall (whenever and so long as the Required Current Debt Service Reserve Accumulation or the Required Debt Service Reserve has been accumulated and is being maintained), take credit for the investment income derived from the investment of funds in the Bond Fund, including funds in the Debt Service Reserve; provided, further, however, that the Board, in compliance with the arbitrage requirements of the Internal Revenue Code of 1986, as amended, represents that amounts on deposit in the Bond Fund will be used within thirteen (13) months from the date of deposit for the payment of principal of and interest on the Outstanding Bonds; and the Bond Fund will annually be depleted through such application, for current debt service requirements on the Outstanding Bonds, except for an amount equal to not more than the greater of (a) one-twelfth (1/12) of the debt service requirements of the Outstanding Bonds for the then ensuing year, or (b) one year's earnings on the Bond Fund.

Section 4.3. Adjustments in the Debt Service Reserve.
It is hereby determined that it is necessary (a) in order to comply with the parity requirements of the Basic Resolution, and (b) for

the marketability of the Series N Bonds, that the Debt Service Reserve shall continue to be maintained and, when necessary, accumulated and/or restored, in an amount equal to the "maximum Aggregate Principal, Interest and Bond Fund Charges" (as defined in the Basic Resolution) with respect to all Outstanding Bonds for any future year ending May 1 ("Required Debt Service Reserve").

The Debt Service Reserve shall not (except where the amount on deposit therein shall exceed the Required Debt Service Reserve) be used for any purpose except to make the payments required to be made from the Bond Fund when there are insufficient funds available in the Bond Fund for such purposes.

ARTICLE V
MISCELLANEOUS CONCLUDING PROVISIONS

Section 5.1. All Provisions of Basic Resolution and Various Series Resolutions Are Hereby Readopted, Ratified and Confirmed. The Board hereby readopts, ratifies and confirms all previous Resolutions relating to the Project, including the Basic Resolution adopted on September 20, 1960, and each of the various Series Resolutions C through M.

Section 5.2. Ratification of Previous Appointment of Trustee to Serve as Registrar, Transfer Agent and Payee Bank. First Security National Bank & Trust Company, Lexington, Kentucky, the Trustee in all previous Series Resolutions, which was designated in Section 2.5 of the Series J, Series K and Series L Resolutions to serve also as Bond Registrar, Transfer Agent and Payee Bank with respect to the Series J, Series K, Series L and Series M Bonds, is also designated to serve in all capacities referred to above with respect to the Series N Bonds.

Its duties as Registrar, Transfer Agent and Payee Bank with respect to the Series N Bonds shall be the same as its duties in such capacities with respect to the Series J, Series K, Series L and Series M Bonds.

The Trustee/Registrar/Payee Bank shall be entitled to the same rights, privileges, and immunities with respect to the Series N Bonds as are specified in the Series J, Series K, Series L and Series M Resolutions with respect to the Series J, Series K, Series L and Series M Bonds.

The Trustee Bank shall indicate its acceptance of its respective duties and capacities by signing its Acceptance at the conclusion of this Resolution.

Section 5.3. Replacement by Board of Registrar, Transfer Agent, Payee Bank and Depository Bank. The Board shall have the right at any time to replace the Registrar, Transfer Agent, Payee Bank, and/or Depository Bank by observing the same procedure as that required by the Basic Resolution and/or the respective Series Resolutions for replacement of the Trustee.

Section 5.4. Covenant of Board to Take All Action Necessary to Assure Compliance with the Internal Revenue Code of 1986, as Amended. In order to assure purchasers of the Series N Bonds that interest thereon will continue to be exempt from all Federal and Kentucky income taxation (subject to certain exceptions set out below), the Board covenants to and with the owners of Series N Bonds that (1) the Board will take all actions necessary to comply with the provisions of the Internal Revenue Code of 1986, as amended, (2) the Board will take no actions which will violate any of the provisions of such Code, or would cause the Series N Bonds to become "private activity bonds" within the meaning of the Code, (3) none of the proceeds of the Series N Bonds will be used

for any purpose which would cause the interest on the Series N Bonds to become subject to Federal income taxation, and the Board will comply with any and all requirements as to rebate (and reports with reference thereto) to the United States of certain investment earnings on the proceeds of the Series N Bonds.

The Board certifies that the Series N Bonds are not "private activity bonds" within the meaning of the Code, and the Board has been advised by Bond Counsel and therefore believes that interest on the Series N Bonds is not included as an item of tax preference in calculating the alternative minimum tax for individuals.

The Board is further advised that the exemption from income taxation by the United States of America of interest on the Bonds is subject to the following exceptions:

1. For purposes of the alternative minimum tax imposed on corporations (as defined for federal income tax purposes), interest on the Series N Bonds is taken into account in determining adjusted current earnings for taxable years beginning after December 31, 1989.

2. Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Series N Bonds, or, in the case of a financial institution, that portion of a holder's interest expense allocated to interest on the Series N Bonds.

3. With respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15% of the sum of certain items, including interest on the Series N Bonds.

4. For taxable years beginning before January 1, 1992, interest on the Series N Bonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the Code.

5. Interest on the Series N Bonds earned by certain foreign corporations doing business in the United States of America could be subject to a branch profits tax imposed by Section 884 of the Code.

6. Passive investment income, including interest on the Series N Bonds, may be subject to federal income taxation under Section 1375 of the Code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such Subchapter S corporation is passive investment income.

7. Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to

take into account, in determining the taxability of such benefits, receipts or accruals of interest on the Series N Bonds.

The Board reserves the right to amend the Resolution authorizing these Series N Bonds without obtaining the consent of the owners of the Bonds (i) to whatever extent shall, in the opinion of Bond Counsel, be deemed necessary to assure that interest on the Series N Bonds shall be exempt from Federal income taxation, and (ii) to whatever extent shall be permissible (without jeopardizing such tax exemption or the security of the owners of the Series N Bonds) to eliminate or reduce any restrictions concerning the Project, the investment of the proceeds of the Series N Bonds, or the application of such proceeds or of the revenues of the Project. The purchasers of the Series N Bonds are deemed to have relied fully upon these covenants and undertakings on the part of the Board as part of the consideration for the purchase of the Series N Bonds. To the extent that the Board obtains an opinion of nationally recognized bond counsel to the effect that non-compliance with any of the covenants contained in this Resolution or referred to in this Resolution would not subject interest on the Series N Bonds to Federal income taxes or Kentucky income taxes, the Board shall not be required to comply with such covenants or requirements.

This Resolution is adopted in contemplation that Bond Counsel will render an opinion as to exemption of principal of the Bonds from Kentucky ad valorem taxation and as to exemption of interest on the Series N Bonds from Federal and Kentucky income taxation, based on the assumption by Bond Counsel that the Board complies with covenants made by the Board with respect to compliance with the provisions of the Code, subject to the exceptions set out above, and based on the assumption of compliance by the Board with requirements as to any required rebate (and reports with reference thereto) to the United States of America of certain investment earnings on the proceeds of the Series N Bonds. The Board has been advised that, based on the foregoing assumption of compliance, Bond Counsel are of the opinion that the Series N Bonds are not "arbitrage bonds" within the meaning of Section 148 of the Code.

Section 5.5. Resolution Contractual With Bondowners. The Basic Resolution and this Series N Resolution shall, from and after the issuance and delivery of the Series N Bonds, constitute a contract between the Board of the University and the owners of the Series N Bonds as shall be outstanding hereunder.

Section 5.6. Provisions in Conflict are Repealed. All resolutions or parts thereof in conflict with the provisions of this Series N Resolution are hereby rescinded to the extent of such conflict.

Section 5.7. Copy to be Filed with Trustee. A certified copy of this Series N Resolution shall be filed with the Trustee, and this Series N Resolution shall take effect immediately upon its

adoption and the filing of the certified copy thereof with the Trustee, as provided in the Basic Resolution.

Adopted May 5, 1992.

the 15th day of the month preceding each interest due date by regular United States mail postmarked not later than the due date. Upon submission of a properly executed assignment of a Bond, such Bank will transfer ownership of such Bond within three (3) business days of receipt without expense to the Bondowner.

The Series N Bonds shall be lettered and numbered from R-1 upward, or such numbering shall be made in such other appropriate manner as may be determined by the Trustee.

The person in whose name any Series N Bond is registered on the Record Date (April 15 or October 15) with respect to an interest payment date shall be entitled to receive the interest payable on such interest payment date (unless such Bond shall have been duly called for redemption on a redemption date which is prior to such interest payment date).

The Series N Bonds maturing on and after May 1, 2003, shall be subject to redemption prior to maturity, at the option of the Board, on any Interest Payment Date on and after November 1, 2002, in inverse order of maturities and by lot within a single maturity, at the following redemption prices (expressed as a percentage of principal amount) plus accrued interest to the date of redemption, as follows:

<u>Redemption Dates, Inclusive</u>	<u>Redemption Price</u>
November 1, 2002 through May 1, 2003	102%
November 1, 2003 through May 1, 2004	101%
November 1, 2004, and thereafter to maturity	100%

If a Bond subject to redemption is in a denomination larger than \$5,000, a portion of such Bond may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof, if such Bond is one of the maturities or amounts or part of the maturities or amounts called for redemption. Upon surrender of any Bond for redemption in part, the Trustee shall (authenticate and) deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered.

The Trustee shall give notice of any redemption by sending at least one such notice by first class mail not less than thirty (30) and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of each Series N Bond to be redeemed in whole or in part at the address shown on the Bond Register as of the date of mailing of such notice; and interest on such Bonds or portions thereof shall cease to accrue after the redemption date.

STATUTORY AUTHORITY AND PURPOSE OF BONDS

These Bonds are issued in full compliance with the Constitution and Statutes of the Commonwealth of Kentucky, including Sections 162.340-162.380, and 58.010-58.140 of the Kentucky Revised Statutes, and under and pursuant to the Resolution adopted by the Board on September 20, 1960 (the "Basic Resolution"), and to the Resolution adopted on May 5, 1992, authorizing these Bonds (the "Series N Resolution"), for the purpose of financing (a) the cost (to the extent not otherwise provided) of establishing and erecting certain educational buildings and necessary appurtenances on the campus of the University of Kentucky in Lexington, Kentucky, consisting of (i) a new Medical Research Building, and (ii) Cooling Plant repair and replacement, (b) funding the Required Debt Service Reserve, and (c) paying the costs of issuance of the Series N Bonds.

SECURITY

These Series N Bonds, together with the Series C through M Bonds (all of the Series and A and B Bonds having been retired), and the Series G (Second Series), Series H (Second Series) and Series I (Second Series), all previously issued, and any additional parity bonds which may hereafter be issued and outstanding under the terms of the Basic Resolution and any subsequent Series Resolutions, are and will be payable from and will constitute a pledge, charge and lien upon the Revenues to be derived by the University from the operation of its Consolidated Educational Buildings Project, as defined in the Basic Resolution. The fee imposed upon and collected from all students of the University at Lexington, Kentucky, as an incident to registration at the beginning of each semester of the regular academic year and each summer session, including fees imposed for part-time students, night school and extension courses, is designated as the source of Revenues of the Consolidated Educational Buildings Project. Such fees are known as the Student Registration Fees (the "Registration Fee") and the Board covenants that the same will be fixed and if necessary revised and increased from time to time at such rates as may be required to pay the interest on and principal of the Bonds as they respectively mature, to provide reserves therefor, and to pay the operating costs of the Project to the extent that such costs are not otherwise provided. All collections of the Student Registration Fee are to be set aside as received into the Consolidated Educational Buildings Project Revenue Fund and are made subject to a first lien and paramount charge for the security and source of payment of all outstanding Consolidated Educational Buildings Revenue Bonds.

As further security for the Bonds, a statutory mortgage lien upon the Project is created and granted by the Series N Resolution pursuant to Sections 162.350 and 162.200 of the Kentucky Revised Statutes, in favor of the Series N Bonds and all parity bonds, including those heretofore issued and those hereafter issued.

BIDDING CONDITIONS AND RESTRICTIONS

The public offering of the Series N Bonds is made upon the following specific conditions and provisions:

- A. Bidders shall bid for the entire issue a minimum price of not less than \$24,921,400 (98% of par) for the \$25,430,000 of Bonds, plus accrued interest from the date of the Bonds (June 1, 1992) to the date of delivery, payable in Federal Funds.
- B. Each bid shall be accompanied by a certified or bank cashier's good faith check (which check need not be in Federal Funds) in the amount of \$254,300 (1%), payable to the order of the Treasurer of the University of Kentucky. The check of the successful bidder will be immediately deposited by the University and credited (without interest) against the purchase price. The good faith checks of the unsuccessful bidders will be returned promptly.
- C. The determination of the best bid will be made on the basis of the lowest net interest cost calculated by computing the total interest payable on the Bonds from June 1, 1992, through the Final Maturity Date, plus discount or less premium, as set forth in the Official Bid Form, for exactly \$25,430,000 of Series N Bonds under the terms and conditions herein specified.
- D. Bidders must state an interest rate or rates in a multiple of 1/20 of 1%.
- E. There is no limit on the number of different rates which may be specified in any bid.
- F. All Bonds of the same maturity shall bear the same and a single interest rate from the date thereof to maturity.
- G. Interest rates must be on an ascending scale, in that the interest rate for Bonds of any maturity may not be less than the interest rate stipulated for any preceding maturity.
- H. The right to reject bids for any reason deemed advisable by the Finance Committee of the Board and the right to waive any possible informalities, irregularities, or defects in any bid which, in the judgment of the Finance Committee of the Board, with the advice of the Fiscal Agent, shall be minor or immaterial, is expressly reserved.

- I. Bids must be made on forms which, together with an Official Statement, may be obtained at the office of the Treasurer of the University or from the Fiscal Agent, Seasingood & Mayer, 300 Mercantile Library Building, 414 Walnut Street, Cincinnati, Ohio 45202-3910, phone (513) 621-2000. Bids must be enclosed in sealed envelopes marked "Proposal for University of Kentucky Consolidated Educational Buildings Revenue Bonds, Series N, dated June 1, 1992," and bids must be received by the aforesaid Treasurer prior to the date and hour set for the sale.
- J. The purchasers of the Bonds shall pay the CUSIP Service Bureau charge for the assignment of CUSIP numbers, which numbers will be printed on the Bonds at no expense or cost to the purchasers. Neither the failure to print a CUSIP number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchasers thereof to accept delivery of and pay for the Bonds.
- K. Delivery will be made at First Security National Bank & Trust Company, Lexington, Kentucky, at no additional cost or expense to the purchasers. The purchasers may elect to require delivery through a depository trust corporation, provided the purchasers agree to pay any additional expense in connection therewith, such expense to include shipping expense, insurance in transit and the fee of the depository trust corporation. In connection with the issuance of the Bonds, the Board will pay for the printing of the Bonds, which will contain the opinion of Bond Counsel. Delivery is expected on June 29, 1992.
- L. The University may tender the Bonds in the form of a single fully registered temporary Bond to the purchasers, in which event, such purchasers, upon tender thereof to the Transfer Agent of the temporary Bond, will be issued fully registered Bond Certificates (in the denomination of \$5,000 or any multiple of same within the same maturity) in such names as shall have been properly designated to the Bond Registrar.
- M. It shall be the responsibility of the purchasers to furnish or cause to be furnished to the Trustee at least five (5) business days prior to the date of delivery of the Bonds, a list of the names, addresses, social security numbers or taxpayer identification numbers, of each of the parties to whom the Bonds are to be registered and the principal amounts and maturities thereof. In the event of

the failure to so furnish such list, the Bonds delivered to the purchasers shall be registered in the name or names of such purchasers or their designated representatives appearing as the first name on the successful Bid Form, or otherwise appropriately designated, and shall be issued in denominations corresponding to the principal amount of each respective maturity, as shall be determined by the Trustee-Registrar.

- N. Upon wrongful refusal of the purchasers to take delivery of and pay for the Bonds in Federal Funds when tendered for delivery, the amount of the good faith check shall be forfeited by such purchasers, and such amount shall be deemed liquidated damages for such default, provided, however, if such Bonds are not ready for delivery and payment within forty-five (45) days from the date of sale herein provided for, said purchasers shall be relieved of any liability to accept the Bonds hereunder. However, it is contemplated that the Bonds will be delivered on a date during such period as may be designated by representatives of the Board, and the purchasers will be required to accept delivery of and pay for the Bonds on any designated date within such 45 day period upon notice being given at least five (5) business days prior to the designated delivery date.
- O. Bidders are advised that Seasongood & Mayer, of Cincinnati, Ohio, has been employed as Fiscal Agent in connection with the issuance of these Series N Bonds. Their fee for services rendered with respect to the sale of the Series N Bonds is contingent upon the issuance and delivery of the Series N Bonds. They may submit a bid for the purchase of the Series N Bonds at the time of the advertised public sale of the Series N Bonds, either individually or as members of a syndicate organized to submit a bid for the purchase of the Series N Bonds.
- P. If the successful bidder desires to obtain insurance guaranteeing the payment of the principal and/or interest on such Bonds, the University agrees that it will cooperate with such successful bidder in obtaining such insurance, but all of the expenses and charges in connection therewith shall be borne by such bidder, and the University shall not be liable to any extent therefor.
- Q. The successful bidder shall promptly advise the Financial Advisor to the Board of Trustees of (i) the reoffering price for each maturity of the Series N Bonds, and (ii) the principal amount sold to the

public of each principal maturity of the Series N Bonds on the reoffering date.

If, upon the basis of the foregoing, the Board shall accept a purchase bid for these \$25,430,000 of Series N Bonds, the Board shall adopt a Resolution to that effect, and supply proper evidence of such acceptance to the bidder submitting the accepted purchase bid.

The Board will furnish to the purchasers the customary No Litigation Certificate and the final, approving Legal Opinion of Rubin Hays & Foley, Municipal Bond Attorneys, Louisville, Kentucky, without expense to the purchasers.

The Board of Trustees shall provide to the successful purchaser a final Official Statement in accordance with SEC Rule 15c2-12. Arrangements have been made with the printer of the preliminary official statement, upon submission of completion text, to print a reasonable quantity of final Official Statements in sufficient time to meet the delivery requirements of the successful bidder under SEC or Municipal Securities Rulemaking Board Delivery Requirements, which Official Statements will be provided at the expense of the Board.

Concurrently with the delivery of the Series N Bonds, the Treasurer of the Board of Trustees will certify that, to the best of his knowledge, the Official Statement did not as of its date, and does not as of the date of delivery of the Bonds, contain any untrue statement of a material fact or omit to state a material fact which should be included therein for the purpose for which the Official Statement is to be used, or which is necessary in order to make the statements contained therein, in the light of the circumstances under which they were made, not misleading in any material respect.

SPECIAL TAX EXEMPTION CONSIDERATIONS

In order to assure purchasers of the Series N Bonds that interest thereon will continue to be exempt from all Federal and Kentucky income taxation (subject to certain exceptions set out below), the Board covenants to and with the owners of such Bonds that (1) the Board will take all actions necessary to comply with the provisions of the Internal Revenue Code of 1986, as amended (the "Code"), (2) the Board will take no actions which will violate any of the provisions of such Code, or would cause the Bonds to become "private activity bonds" within the meaning of the Code, (3) none of the proceeds of the Bonds will be used for any purpose which would cause the interest on the Bonds to become subject to Federal income taxation, and the Board will comply with any and all requirements as to rebate (and reports with reference thereto) to the United States of certain investment earnings on the proceeds of the Series N Bonds.

The Board certifies that these Bonds are not "private activity bonds" within the meaning of the Code, and the Board has been advised by Bond Counsel and therefore believes that interest on the Bonds is not included as an item of tax preference in calculating the alternative minimum tax for individuals. However, the Board has been advised that these Bonds are not "qualified tax-exempt obligations" for bank investments and that banks are not permitted to deduct the interest cost attributable to the purchase of these Bonds.

The exemption from income taxation by the United States of America of interest on the Bonds is subject to the following exceptions:

1. For purposes of the alternative minimum tax imposed on corporations (as defined for federal income tax purposes), interest on the Series N Bonds is taken into account in determining adjusted current earnings for taxable years beginning after December 31, 1989.

2. Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Series N Bonds, or, in the case of a financial institution, that portion of a holder's interest expense allocated to interest on the Series N Bonds.

3. With respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15% of the sum of certain items, including interest on the Series N Bonds.

4. For taxable years beginning before January 1, 1992, interest on the Series N Bonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the Code.

5. Interest on the Series N Bonds earned by certain foreign corporations doing business in the United States of America could be subject to a branch profits tax imposed by Section 884 of the Code.

6. Passive investment income, including interest on the Series N Bonds, may be subject to federal income taxation under Section 1375 of the Code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such Subchapter S corporation is passive investment income.

7. Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account, in determining the taxability of such benefits, receipts or accruals of interest on the Series N Bonds.

The Board reserves the right to amend the Resolution authorizing these Series N Bonds without obtaining the consent of the owners of the Bonds (i) to whatever extent shall, in the opinion of Bond Counsel, be deemed necessary to assure that interest on the Series N Bonds shall be exempt from Federal income taxation, and (ii) to whatever extent shall be permissible (without jeopardizing such tax exemption or the security of the owners of the Series N Bonds) to eliminate or reduce any restrictions concerning the Project, the investment of the proceeds of the Series N Bonds, or the application of such proceeds or of the revenues of the Project. The purchasers of the Series N Bonds are deemed to have relied fully upon these covenants and undertakings on the part of the Board as part of the consideration for the purchase of the Series N Bonds. To the extent that the Board obtains an opinion of nationally recognized bond counsel to the effect that non-compliance with any of the covenants contained in this Resolution or referred to in this Resolution would not subject interest on the Series N Bonds to Federal income taxes or Kentucky income taxes, the Board shall not be required to comply with such covenants or requirements.

Bond Counsel will render the customary opinion as to exemption of principal of the Bonds from Kentucky ad valorem taxation and as to exemption of interest on the Bonds from Federal and Kentucky income taxation, based on the assumption by Bond Counsel that the Board complies with covenants made by the Board with respect to compliance with the provisions of the Code, subject to the exceptions set out above, and based on the assumption of compliance by the Board with requirements as to any required rebate (and reports with reference thereto) to the United States of America of certain investment earnings on the proceeds of the Series N Bonds. Bond Counsel are of the opinion that, based on the foregoing assumption of compliance, the Bonds are not "arbitrage bonds" within the meaning of Section 148 of the Code.

Bond Counsel has reviewed the Official Statement with regard to all matters pertaining to the legality and tax exemption of the Series N Bonds, including statements concerning the Board and the purpose and security of the Series N Bonds; but Bond Counsel has not reviewed the financial data concerning the Board and the University in the Official Statement, and expresses no opinion thereon and assumes no responsibility in connection therewith.

Subject to the matters set out above, the Series N Bonds are offered for sale on the basis of the principal of said Bonds not being subject to Kentucky ad valorem taxation and on the basis of the interest on said Bonds not being subject to Federal or Kentucky income taxation on the date of their delivery to the purchasers.

If, prior to the delivery of the Series N Bonds, any event shall occur which alters such tax-exempt status, the purchasers shall have the privilege of voiding the purchase by giving

immediate written notice to the Board, whereupon the amount of the good faith deposit of the purchasers will be returned to the purchasers. (Signed) Henry Clay Owen, Treasurer, Board of Trustees, University of Kentucky, Lexington, Kentucky
