TUCKIAN

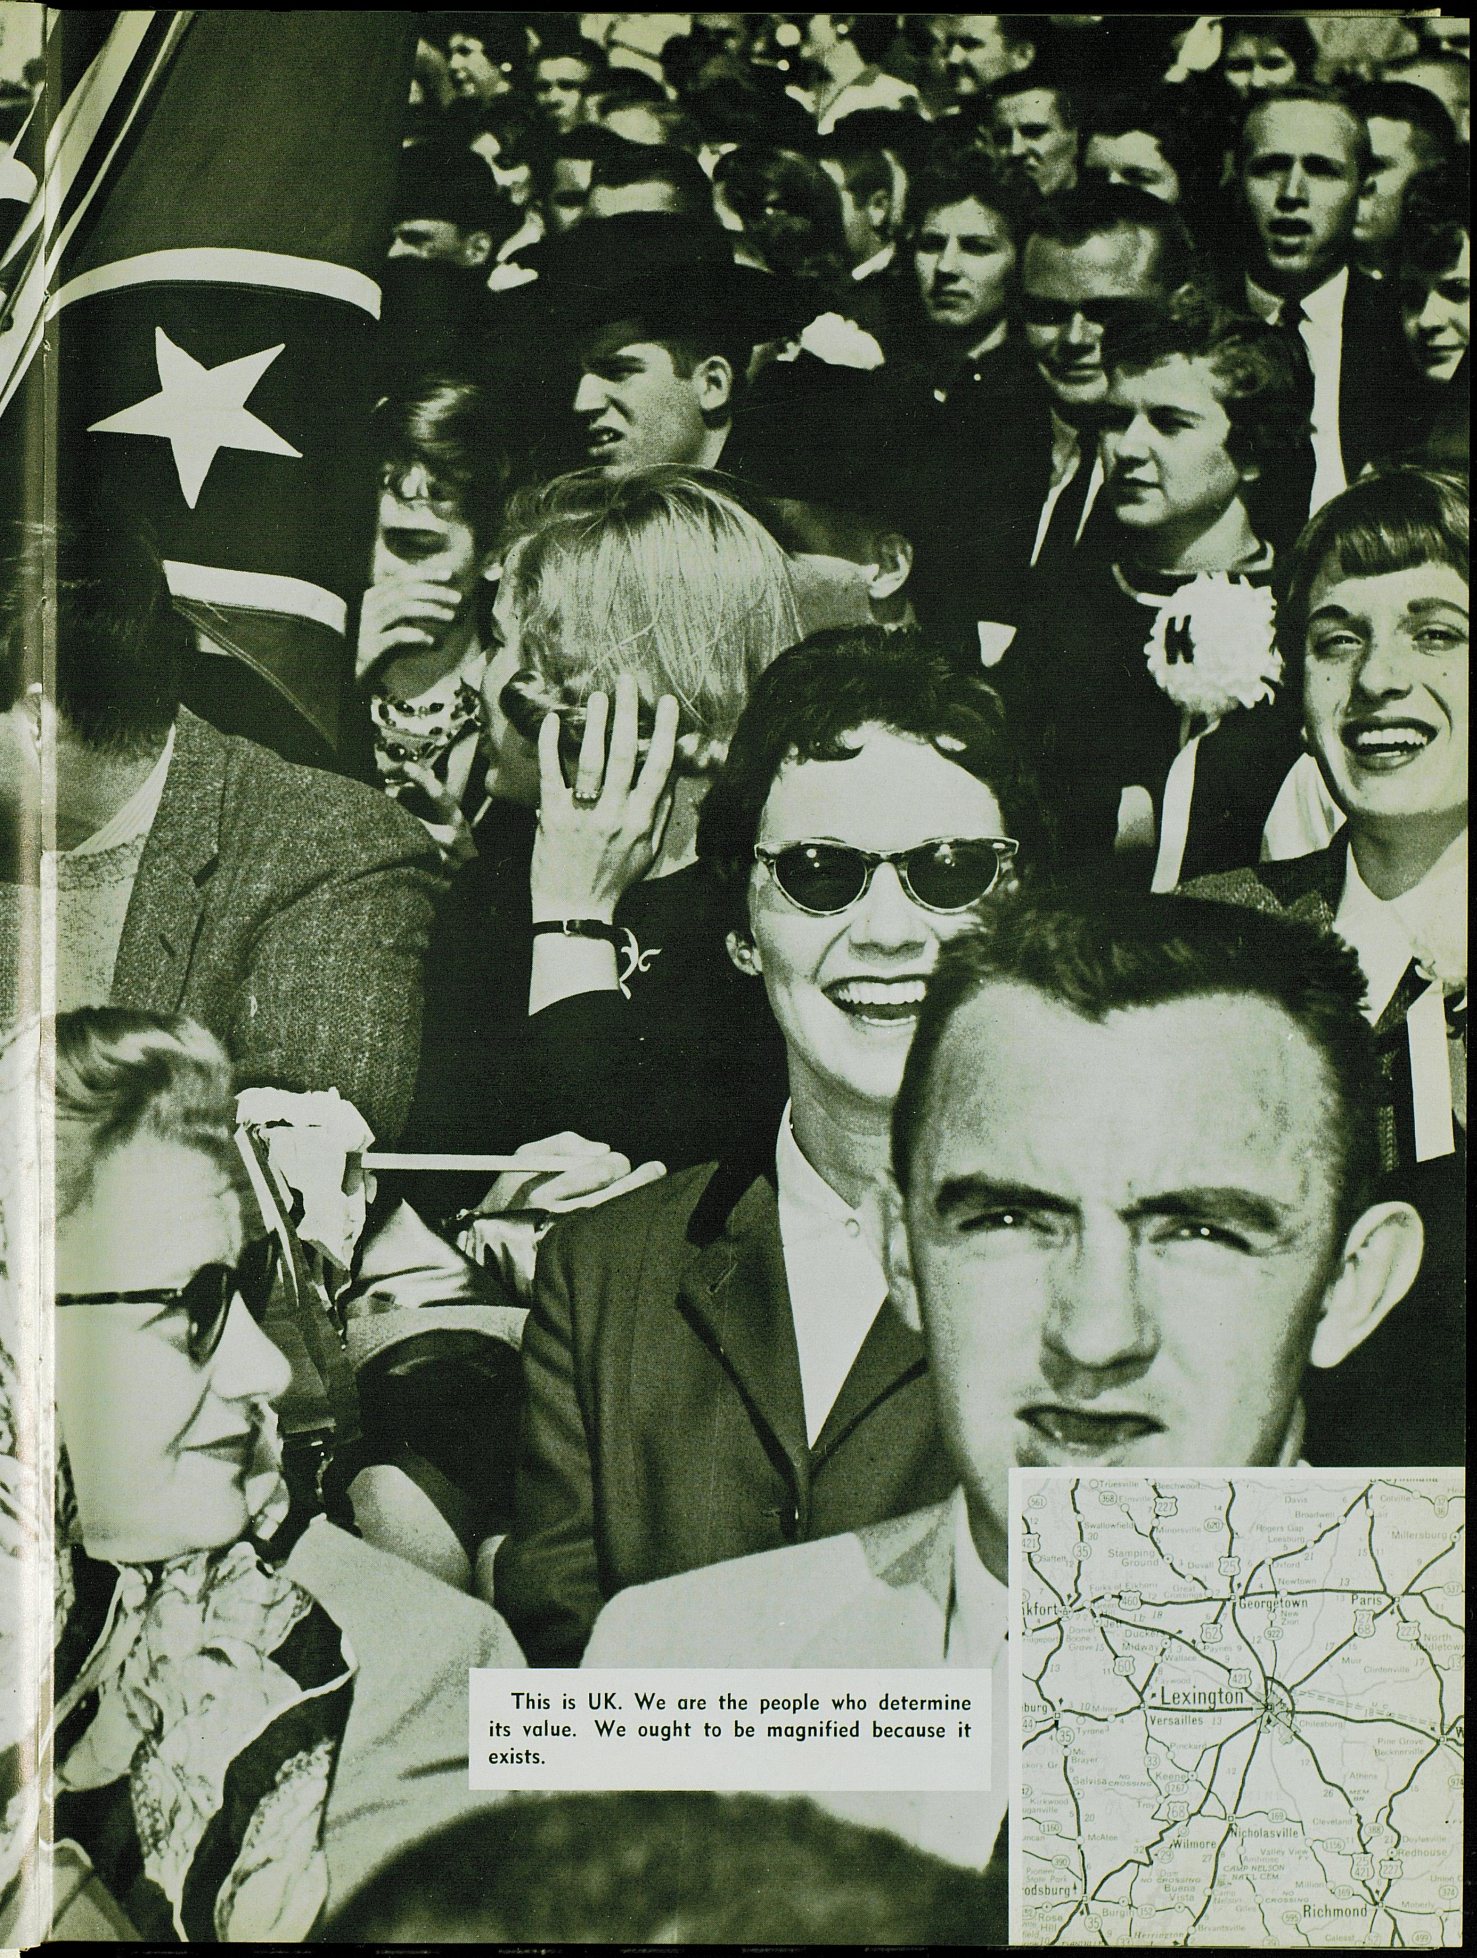

This is the University . . . home of over 8,000 students, nearly 100 buildings and over 700 campus acres. Housing the new Medical College . . . Adolf Rupp . . . research and education in many fields. The parent of college extensions at Henderson, Covington, Cumberland, Fort Knox and Ashland.

This is Lexington . . . the heart of the Bluegrass. Surrounded by miles of white fences . . . rolling acres of land . . . highways 25, 68, 27, 15 and 421 . . . Herrington Lake in the South and Frankfort, the capital in the West. Home of the Clays and Breckinridge . . . of an Old South tradition . . . great thoroughbreds . . . hospitality and friendliness.

This is Kentucky . . . area of 40,395 square miles . . . of mansions and shacks . . . weaving, tobacco, industry, famous distilleries and coal fields. Homes of Lincoln, Foster, Boone, Davis, Barkley and Vinson. Decorated with broad rivers and beautiful lakes . . . historic churches . . . state parks and national wonders . . . the changing panorama of mountain, meadow, river and lake down the length and across the breadth of the state. Echoing noises of the mellow bugling . . . of a fox hound baying in the hollow just over the hill . . . a horse stomping to the finish line.

This is a way of life that includes and inspires a philosophy of enjoyment . . . of happiness.

This is UK. We are the people who determine its value. We ought to be magnified because it exists.

One of the most familiar campus landmarks, James K. Patterson's statue, watches many autumns come and go. He was a former University of Kentucky president.

Many students find it restful to study together beneath the campus trees.

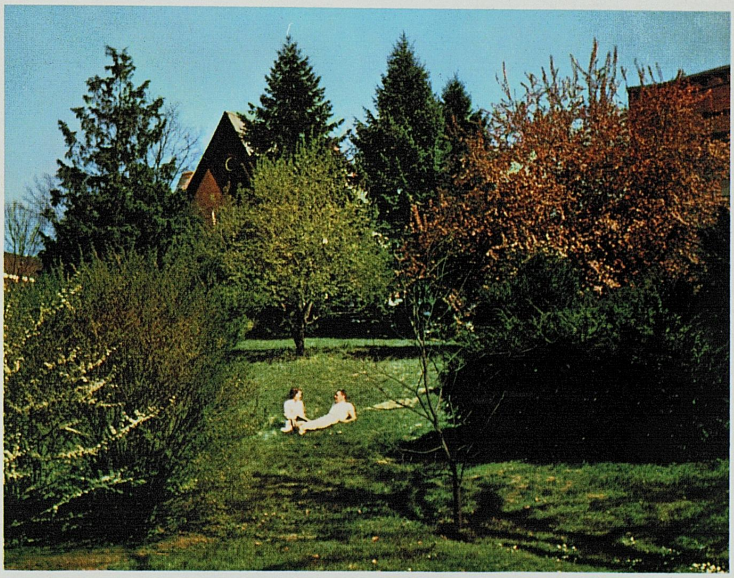

These are probably the busiest steps on campus, leading to science and English classes and dormitories.

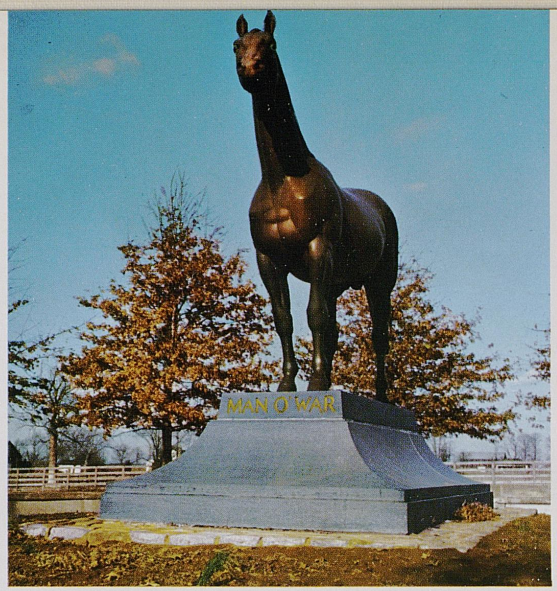

"On, on U. of K. We are right for the fight today . . ." the crowd sings as the cheerleaders lead the Cats onto Stoll Field.

Spring brings life to the Botanical Gardens. Couples enjoy sitting on the grass or walking the paths lined with redbuds, dogwoods and other blooming shrubs.

Visitors to the Bluegrass recall the once great turf winner—Man O' War. The county recently honored Man O' War by making Faraway Farm a park dedicated to him—showing the pride the state has for her horses.

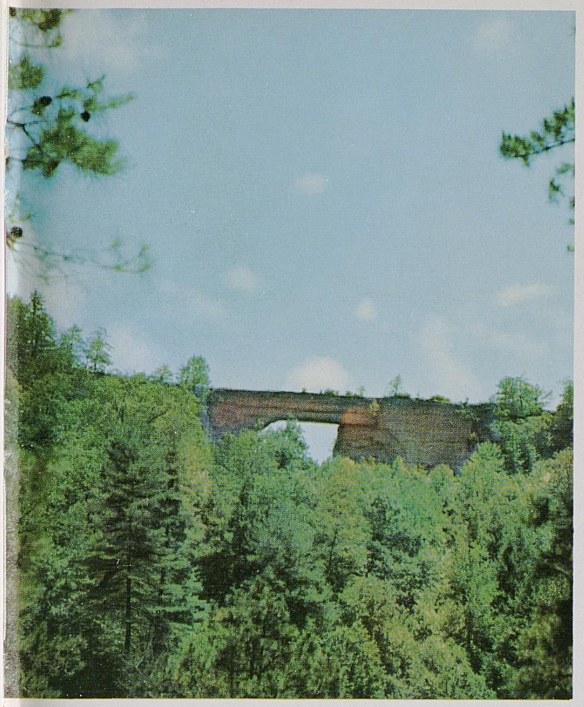

Miles of white fences enclose the great expanse of Calumet Farm which is so typical of the rolling Bluegrass countryside. The many red and white stables remind one of the great thoroughbreds like Bull Lea and Citation who have been sired here.

These stately, cold remaining columns of Elmendorf Farm once framed a beautiful mansion which was destroyed by fire. The columns depict an era of gracious living which reached its height in ante-bellum days and still persists throughout the Bluegrass state.

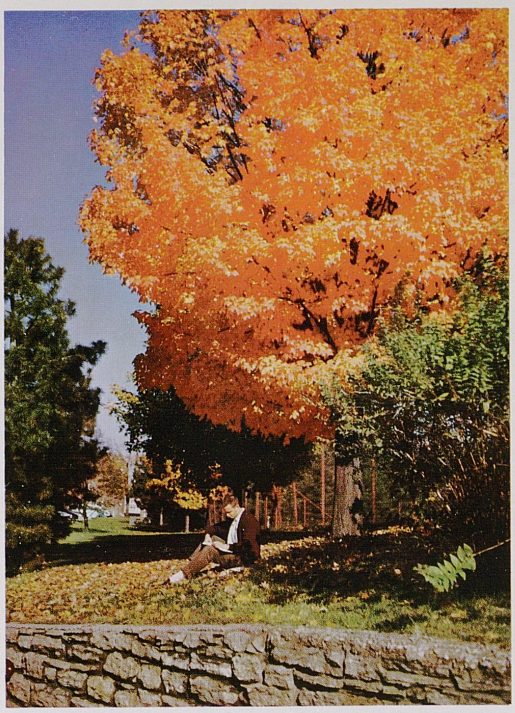

One of the few remaining mills
on a typical country lane.

Kentucky has a number of natural wonders within its borders: Natural Bridge (above) and Cumberland Falls (below).

Autumn brings its solitude
and call to knowledge.

Keenland Race Track beckons many students to the daily double and releases them with smiles and frowns.

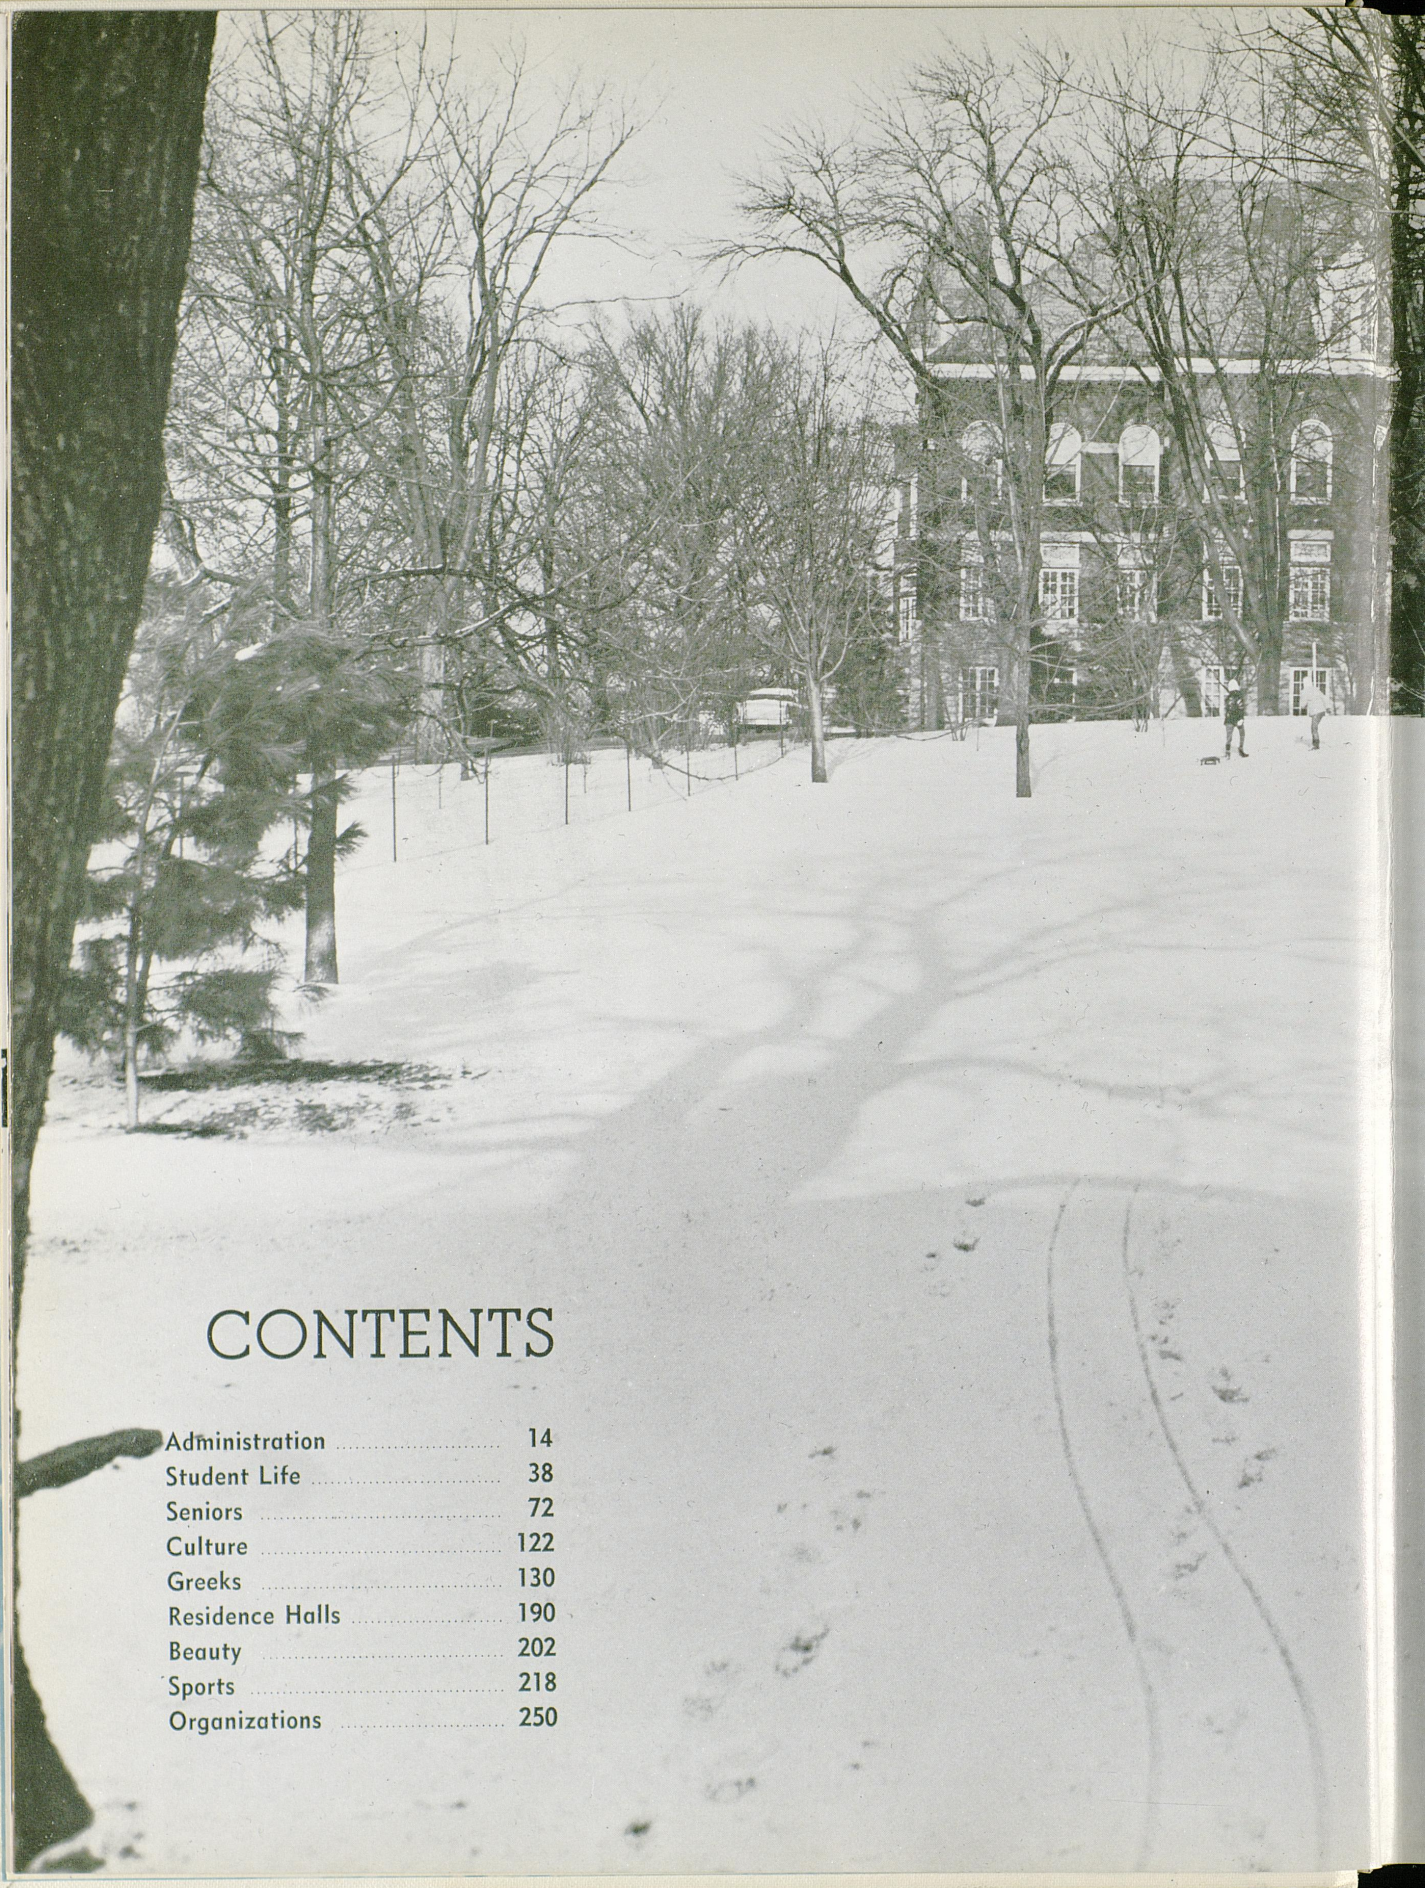

. . . and it's spring and the students are off to Herrington Lake; scene of boating, hiking, water skiing, swimming, steak fries and forgetting of classes.

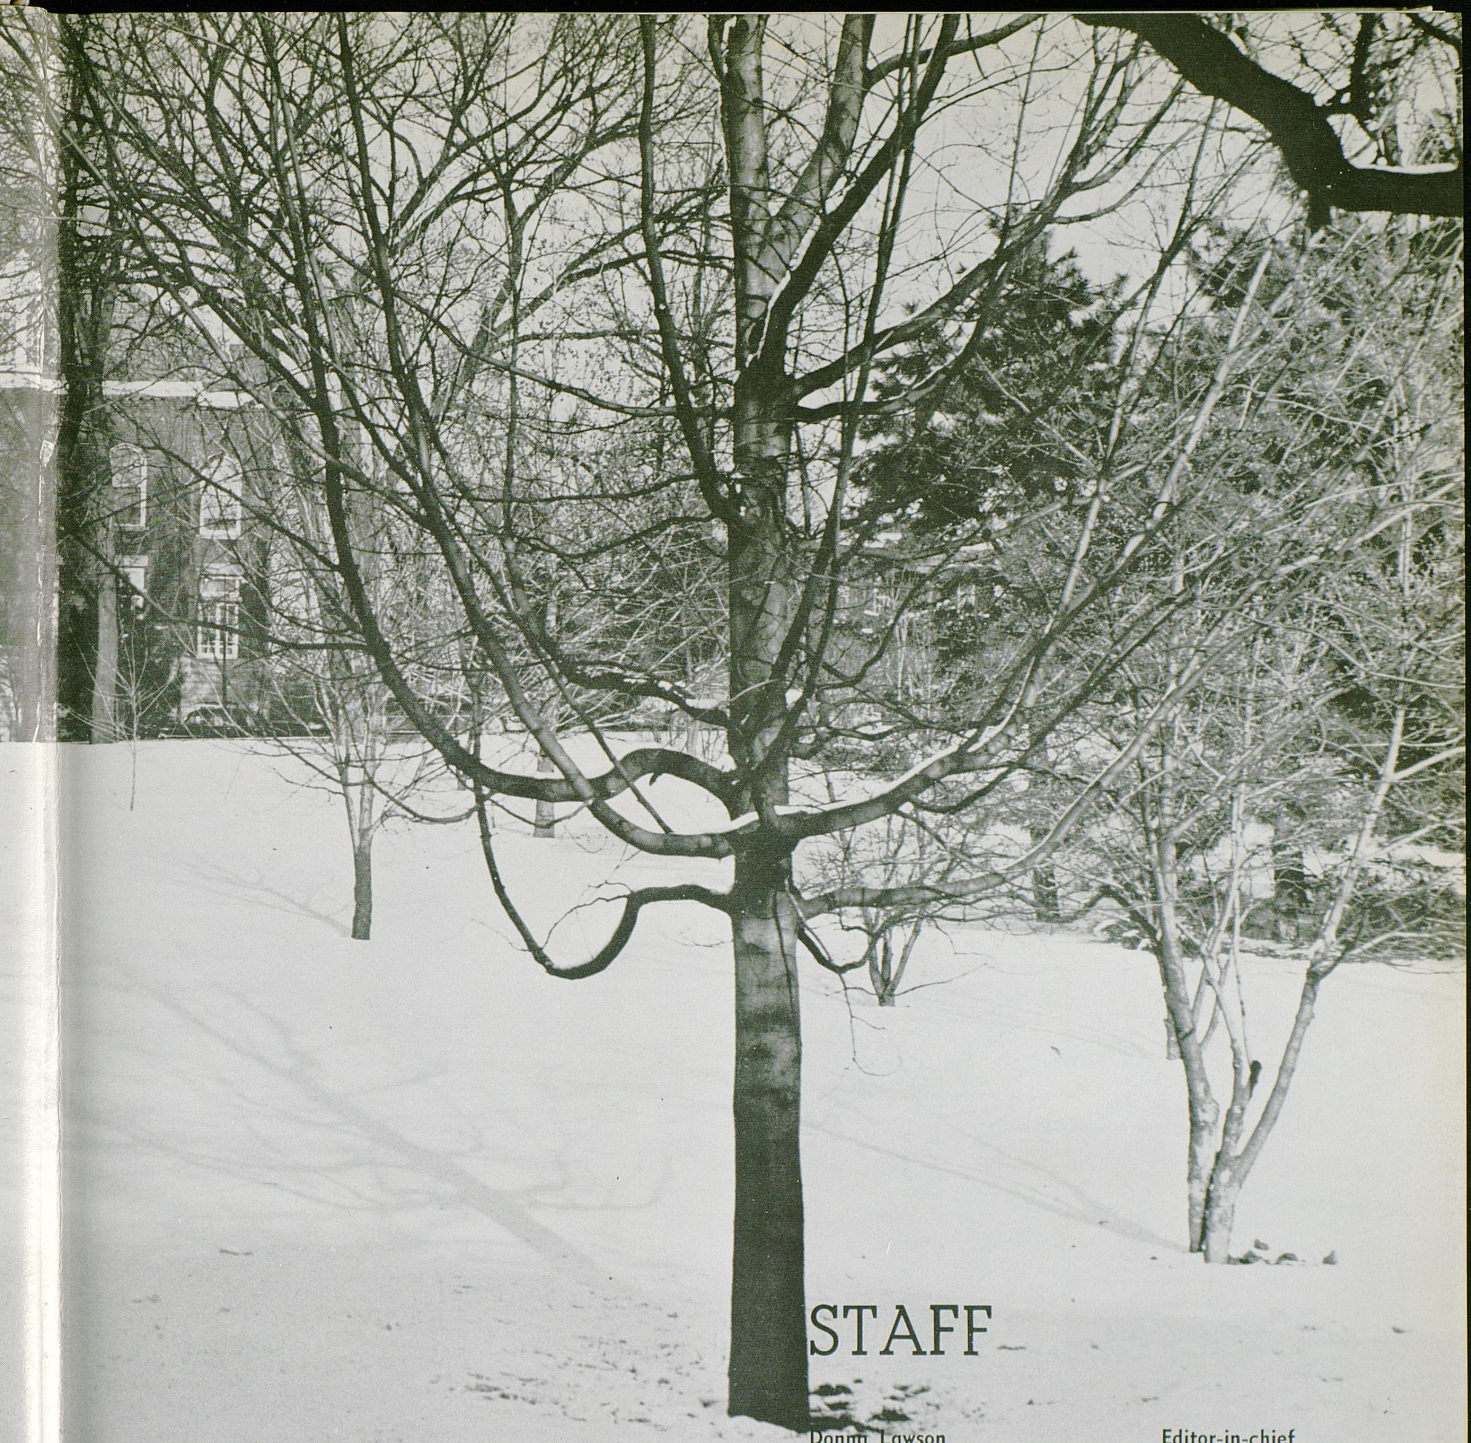

A different kind of love is found when the sun sets on the lake and the fires glow.

Agriculture and Home Economics

The College of Agriculture and Home Economics has developed an educational procedure that fits students to assume responsibilities for careers as useful citizens in all phases of agriculture and home economics. This may be rural or urban for the field of opportunity is as wide as the relation of agriculture and home economics to industry, commerce and finance.

". . . Grant me the serenity to accept the things I cannot change, The courage to change the things I can, And the wisdom to know the difference." —Unknown

Arts and Sciences

The College of Arts and Sciences strives to attain its purpose by imparting knowledge and by training the student in the proper methods of acquiring and using knowledge to the end that he may be broadly informed and skilled in the solution of problems, and that he may develop habits of self-reliance, initiative, judgment, and those inner resources that lead to self-mastery, and happiness.

Martin M. White, Dean

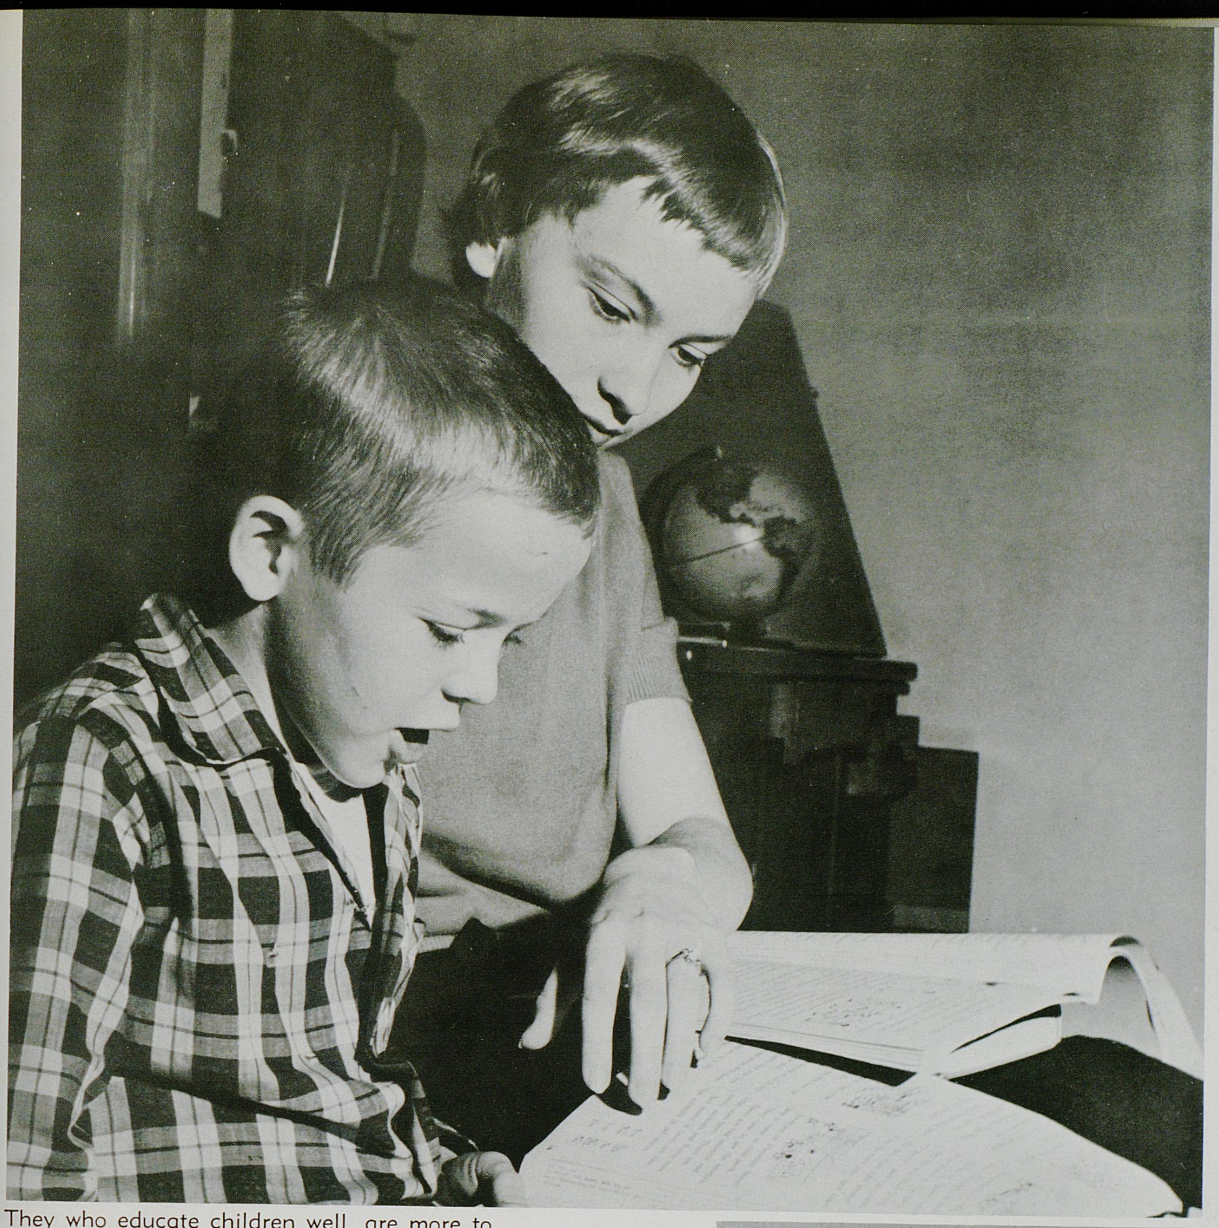

"Commerce has made all the winds her messengers; all climes her tributaries; all people her servants." —T Edwards

Cecil C. Carpenter, Dean

Commerce

The College of Commerce aims to provide an understanding of that segment of human behavior which is concerned with securing a living. Economic activity is not only a large portion of human activity but it is also basic in the sense that it must be adequate before artistic and other idealistic wants can be satisfied. Students are afforded the opportunity of preparing themselves as professional economists or specialists in taxation, industrial relations, finance, statistics, and numerous other phases of business.

They who educate children well, are more to be honoured than they who produce them; for these only gave them life, those the art of living well.—Aristotle

Education

The College of Education aims to give each student an opportunity to learn accepted and desirable methods and to develop skill in teaching. Students in elementary education have observation and student teaching in the University Elementary School and in nearby communities. Students preparing for junior and senior high school teaching have the advantage of the University High School and other secondary schools. The College offers a fine curriculum for the preparation of teachers to work with mentally retarded, the orthopedically disabled, the deaf and the speech deviate.

Lyman V. Ginger, Dean

The hasty multitude
Admiring entered; and the work some praise,
And some the architect. His hand was known
In Heaven by many a tower structure high.
—John Milton

R. E. Shaver, Dean

Engineering

The College of Engineering provides engineering education, promotes the development and utilization of the states' resources through organized research and through consultation with industry. Students receive training in the fundamental and applied sciences in preparation for careers in their chosen branches of engineering.

"I lead in the way of righteousness, in the midst of the paths of judgment."—Proverbs

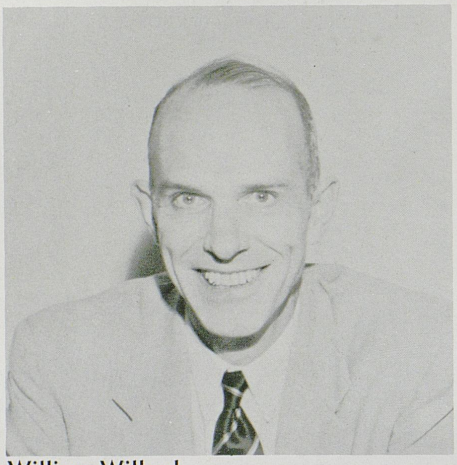

Law

The College of Law offers a program designed so that graduates of the school can practice their profession on a local, regional, and national level. The aim of the program is to give the student broad, practical, basic legal training of unmatched excellence that will permit unlimited development of his legal capacities throughout his career.

William L. Matthews, Dean

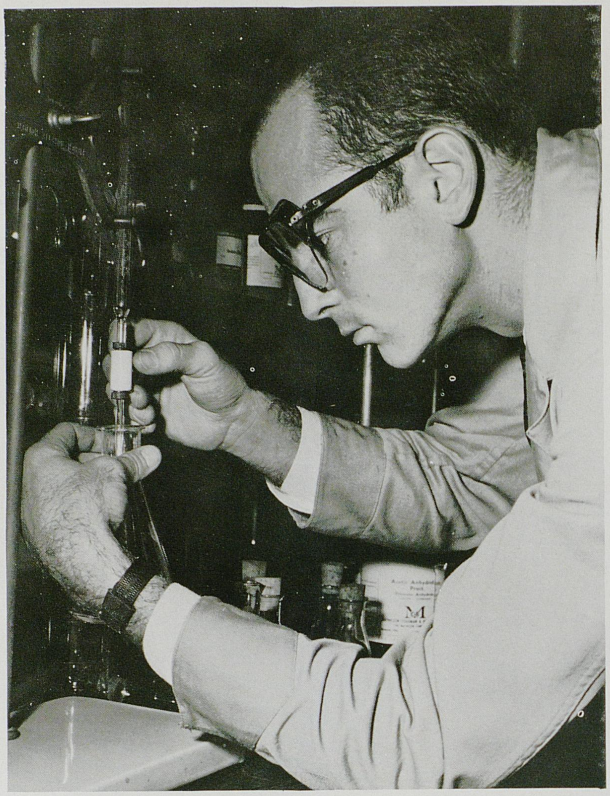

"God made the human body, and it is the most exquisite and wonderful organization which has come to us from the divine hand. It is a study for one's whole life."—H. W. Beecher

Earl P. Slone
Dean, College of Pharmacy

Medicine

The College of Medicine is a Unit in the University's new A. B. Chandler Medical Center. The first class is scheduled to be admitted to the unit in 1960. The New Center will include a College of Dentistry, a College of Nursing, a 400-bed University hospital, and programs for several groups of ancillary medical personnel.

Pharmacy

The objective of the College of Pharmacy is to prepare its graduates to assume, with dignity and honor the intellectual, legal, civic, and moral responsibilities of the profession of pharmacy. Every motivation and every act of the pharmacist must be in the interest of the public. The curriculum, therefore, of the College is devoted to inculcation of the highest ethical and moral standards among its students, providing foundation in basic sciences, and enriching the life and understanding of the pharmacist as a professional man and citizen.

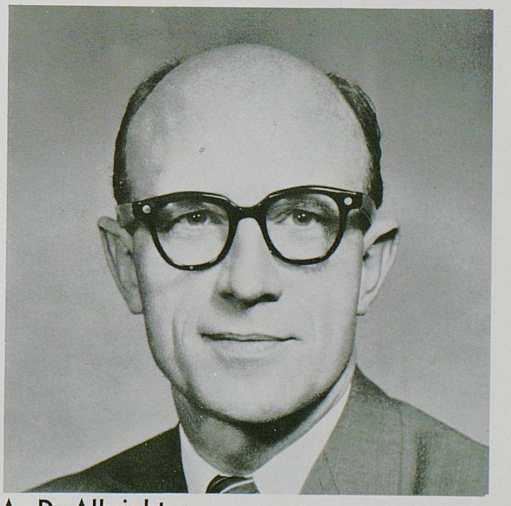

"Like a morning dream, life becomes more and more bright the longer we live and the reason of everything appears more clear."

Graduate School

Graduate work is offered in all colleges in the University. Some twenty-seven advanced degrees are conferred by the University Graduate School.

A. D. Albright
Dean, Extended Programs

Extended Programs

Extended Programs further implement the University's program. Its instructional and research facilities are made available to the public through its numerous services such as extension class programs, workshops, conferences, and the University Centers at Ashland and Covington.

ROW ONE: Tom Young, Taylor Jones, Phil Austin, Margie Triplett.

ROW TWO: Cecil Bell, Bob Wainscott, Chad Wright, Kitty Smith, Diane Vittow, Nancy Ladd, Jenrose Morgan, Marcia DeWitt, Judy Moberly, Martha Schneider, Mona Williams, Colleen Wickham, Sue Ball, John Bailey, Henry Bennett.

ROW THREE: Frank Brabson, Leroy McMullian, Colin Lewis, Bill Compton, Joe Bishop, Maitland Rice, unidentified, Willis Haws, Wayne Wilson, Frank Gosset, Phil Cox, Tom Dotson, Bill Jones, John Beifuss, William Cox, Doc Ryan, Don Dryfus.

Student Congress

Student Congress consists of representatives from the colleges, greeks, YMCA, YWCA, Cooperstown, Shawneetown, House President's Council, Men's Dorm Council, and Student Union Board.

The activities of SC center around the students' needs. It publishes the Student Directory, containing names, addresses, and phone numbers of all students, and sponsors the Homecoming Dance.

Student Congress appropriates money to various groups and organizations in order for them to function. It maintains an office in the Student Union Building.

Phil Austin was appointed acting president due to the ineligibility of Taylor Jones, the elected president.

Sue Ball brings up a thought provoking question.

". . . the way I see it . . ."

The majority rules.

ROW ONE: Jane Walsh, president; Charlotte Bailey, vice president; Lynn Crutcher, recording secretary; Frances Frye, corresponding secretary; Sandi Radcliffe, treasurer.

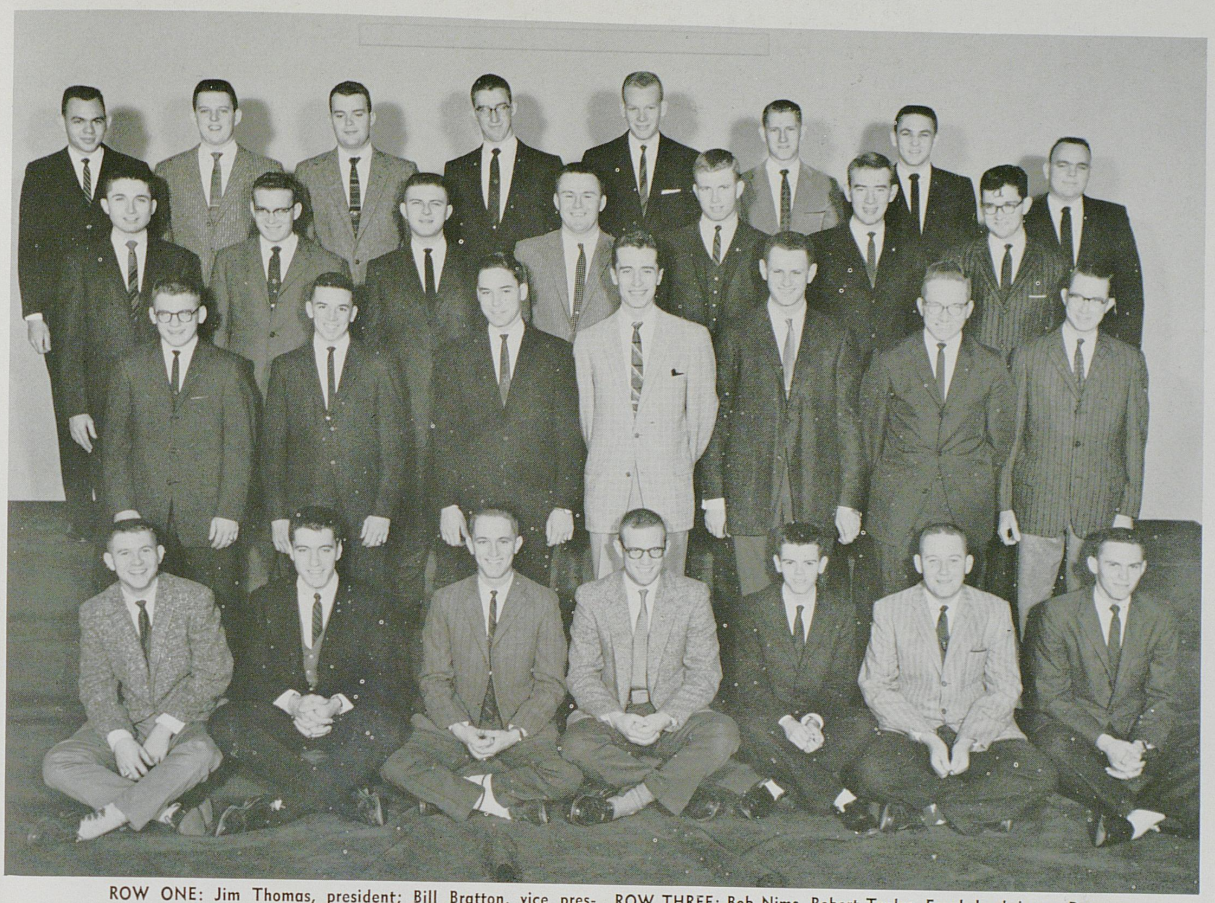

ROW TWO: Ann McMahon, Lessley Decker, Joanne Scinta, Ann Bower, Jean Squifflet, Shelley Edwards, Janet Humphries, Toni O'Connor, Martha Sue Goodson, Carol Francis, Judy Moberly, Linda Hale, Eva Graves, Bettye Choate, Miss Evans, advisor.

House Presidents' Council

House Presidents' Council, composed of a representative from each women's residence unit, is the governing body and policy making group for UK women in residence. It is a member of the Intercollegiate Association of Women Students, a national organization of women's government groups, dedicated to cultivating an attitude preparing women to govern themselves throughout their college careers and thereby increasing their ability and desire to fulfill the role of educated and competent women in a democratic society to the highest degree of social, physical, intellectual, and spiritual achievement.

Each year the Council publishes a handbook of suggestions and regulations to make group living more attractive. For the second year, House Presidents' Council sponsored KIHU, popularly known as the big-little sister program. Big sisters wrote to incoming freshmen during the summer to help answer their questions about UK, and held a picnic for them in the fall.

This year the council established an advisory council to supplement work done by individual residence unit governing councils. Plans are being made to expand the council's program so more women will play a direct part in its activities.

ROW ONE: Jim Thomas, president; Bill Bratton, vice president; Tommy Wilson, secretary; Tommy Luscher, treasurer; Johnny Mills, chief justice; Ted Morford, parliamentarian; Charles Wright, Student Congress representative.

ROW TWO: Harold Vang, Joe Strong, Preston Fields, Peter Simos, Jake Deme, Edward Horner, Jim Wainscott.

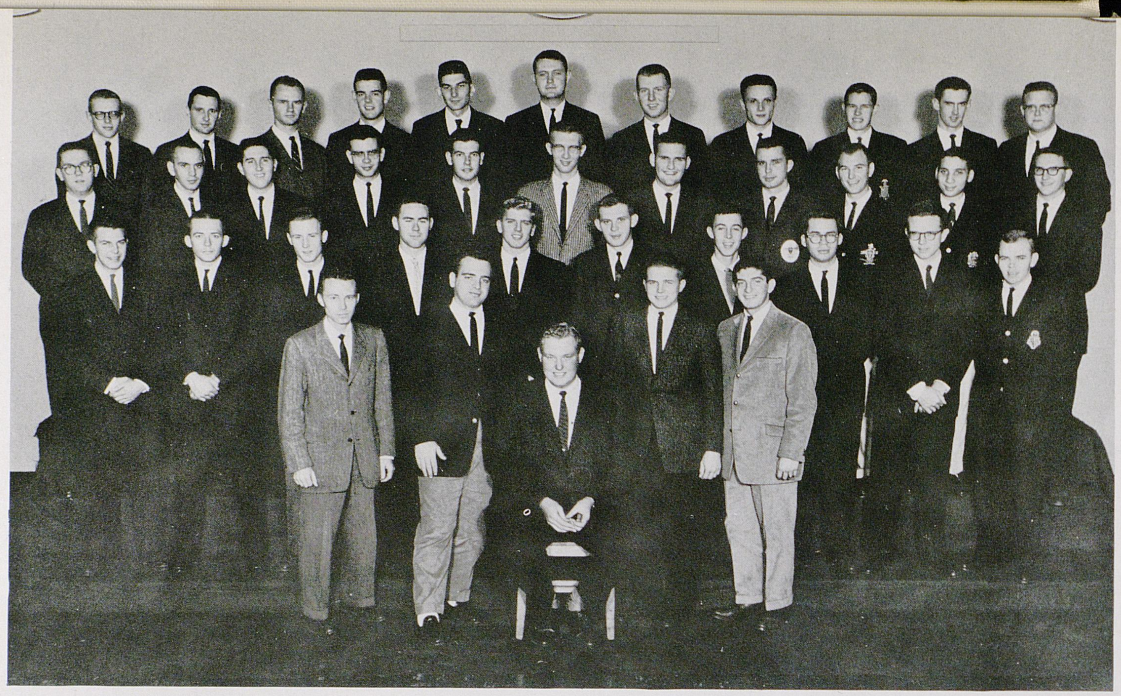

ROW THREE: Bob Nims, Robert Taylor, Frank Lucksinger, Don Capdau, Mike Prewitt, Ed Jett, Jr., James Hudson.

ROW FOUR: James Callender, Wayne Tolle, William Parker, Bruce Marcum, Fred Hall, Gerald Fudge, Charles Wells, Bobby Reynolds.

Men's Dorm Council

The men's dorm council is composed of representatives from all men's dormitories. Meeting bi-weekly, the group strives to improve living conditions for dormitory residents.

This year, the group's projects included the installation of change machines in dormitories, placing rubber stops on doors to decrease noise, a more thorough cleaning and waxing job in rooms, an improved selection of food in the Donovan Hall cafeteria, and fire alarm installation in the quadrangle.

ROW ONE: Kenneth Harper, advisor; Phil Austin, vice president; Charlie Schimpeler, president; Ronnie Henderson, treasurer; Jerry Shaikun, secretary.

ROW TWO: James Foster, James Baughman, Bill Tway, Jr., James Webster, Dick Wallace, Donald Lynam, Bill Secrest, Bill Howell, Jr., Peter Burke, Dave Routledge.

ROW THREE: John Bailey, Leonard Brammell, Lauren Fleischmann, Dick Watkins, Maitland Rice, Harvey Huff, Barry Averill, Walter Maynard, Max Farris, Steve Hyman, Leroy McMullan.

ROW FOUR: Stuart Riley, Jack McGehee, Loring Roush, Edw. Schmitt, Jim Peloff, J. McClure, Jr., David McLellan, Joe Bishop, Garryl Sipple, Tom Harris, Robert Taffler.

Interfraternity Council

The Interfraternity Council is the governing body for the men's greek social organizations on campus. Its purpose is to coordinate the actions and ideas of the University's 20 fraternities.

IFC starts the year with a formal rush program, which begins with many hours of planning during the summer and ends with the formal rush pledging at Memorial Hall.

IFC and Panhellenic Council begin intensive work on Greek Week activities early in the fall semester. Top national entertainers, leciures by prominent men in the greke world, exchange dinners, and the God and Goddess Ball make this a big week for the Greeks.

Through strong interest and participation in the National and the Southeastern Conference IFC, the council obtains valuable ideas for improvements.

This year, scholarship was a prime consideration. A rotating scholarship trophy was established through the efforts of a scholarship committee.

ROW ONE: Betty Allison, treasurer; Alice Broadbent, president; Becky Carloss, secretary.
ROW TWO: Jo Ann Aylor, Martha Ammerman, Gayle Harper, Anne Armstrong, Judy Pennebaker, Willie Jordan, Nancy Jones, Marcia Wrege, Jane Shewmaker.
ROW THREE: Sally Kitchen, Elaine Long, June Byers, Marlene Pitzer, Martha Sherfey, Sidney Crouch, Bev. Price, Margaret Gaddie, Joan Stewart, Anne Dannecker.
ABSENT: Cynthia Beadell, vice president.

Panhellenic Council

The Panhellenic Council is the governing body for sororities and is composed of the president and rush chairman of each of the ten sororities on the campus.

This year, the University of Kentucky Panhellenic played host to the delegates and advisors for the Panhellenic groups at the SEC schools. Workshops were held and many ideas were born and shared.

Panhellenic awarded five $100.00 scholarships to needy students and paid school expenses for a student from Turkey. This student also got to know many sorority girls as all the sororities took turns having her to lunch.

This year, Panhellenic organized and executed a pre-preference rush system and selected Rush Counselors and their programs. Both plans were discussed and evaluated.

During the year Panhellenic also had a Lances Skit, Greek Week Sponsor; entertained at Eastern State Hospital and organized the Miss Christmas Seal Contest in cooperation with the Tuberculosis Drive.

ROW ONE: Joseph Sharp, mayor; Charles Marcus, vice mayor; Frank Gossett, treasurer.
ROW TWO: Ellen Disque, James Dobbs, Marion Dempsey, John Bridwell, Richard Hood, Clayton Riley, Richard Trauth, Charles Whitnell.
ROW THREE: Bob Perkins Jerry Waters, John Murphy, Jacquelyn Hanson Mary Nelson, Hillier Stivers, Scotty Parsons, Charles Dixon, Jr., John Cecil.

Married Students' Housing Council

The Married Students Housing Council functions to improve relations between students living in Cooperstown and Shawneetown and the University. The council strives to improve living conditions for married students.

A Married Students Dance is held annually for students living in the housing apartments as well as for all other married students. The group also sponsors a Christmas party for their children.

The council meets monthly to discuss current problems of residents, to influence residents to keep apartments tidy, and to attempt enforcement of University housing rules.

At intervals members of the council conduct a general inspection of the building.

Student Union Board

The Student Union Board, first organized in 1938, is composed of ten students, the Dean of Men, Dean of Women, the Union Director, Program Director and two faculty members. Its purpose is to plan and administer Union programs. Broad, cultural, social, areas of recreational programs and activities are provided for the campus community, as the Board strives to make free time activity a cooperative factor with academic study.

This year the following have been sponsored by the board: Lectures and panel discussions on timely subjects by faculty members and well known authorities; jam sessions, chess and bridge lessons, ping pong and billiards tournaments, a faculty-student skit, Horse Farm tours and monthly movies. Golddiggers Ball, a backward dance, is one of the Student Union Board's annual events, as is the Fine Arts Festival in the Spring, which includes an art exhibit, foreign films and programs on music, art, dance and literature. Each month the Board selects a "Student of the Month" for his outstanding contribution to campus life during that particular month.

ROW ONE: Kathie Songster, Jean Riley, Myra Leigh Tobin, Marietta Booth.
ROW TWO: David Frasier, Kay Evans, secretary; Judy Schrim, president; Warren Wheat, vice president; Marion Ball, treasurer; Philip Cox.

ROW ONE: Fred Strache, adviser; Julian Heron, vice president; Garryl Sipple, president; John Williams, treasurer; Dale Loar, publicity and membership.
ROW TWO: Billy Mitchell, Vic Duval, Norman Harned, Emery Emmert, Warren Wheat, Leroy McMullan.

YMCA

Young Men's Christian Association is part of a worldwide fellowship of student, faculty, and staff members. The Y works within the community to understand social and religious problems of the campus, to discuss the implications of the Christian faith in all phases of life, and to view the national and international situations with a greater understanding.

The Y Cabinet is the core of the association. It plans and directs the activities of the organizations and acts as the policy making body.

Membership is open to all students wishing to work with the organization. Worship, study, and a sense of responsibility are incorporated in the YMCA program.

The group sponsors Freshman Camp, a 3-day period prior to fall registration, designed to aid new students in the transition from high school life to life at the University.

Phalanx fraternity is sponsored by the Y. This group has weekly luncheon meetings and its membership is limited to 50.

In the spring and fall, YMCA members go on retreats to Kentucky camps for worship, leadership training, and recreation.

ROW ONE: Jeannine Jackson, Molly Ryland, Diane Horton, Annabel Sisk.
ROW TWO: Pat Dolwick, Henrietta Johnson, Jane Brown, Anne-Marie Salgat.
ROW THREE: Bettye Petty, Faye Stephenson, Gae Good, Trudy Webb, Nancy Scott.

YWCA

The YWCA is part of a world-wide fellowship of student, faculty, and staff members. The YWCA seeks to meet personal, religious, social, political, intellectual and recreational needs.

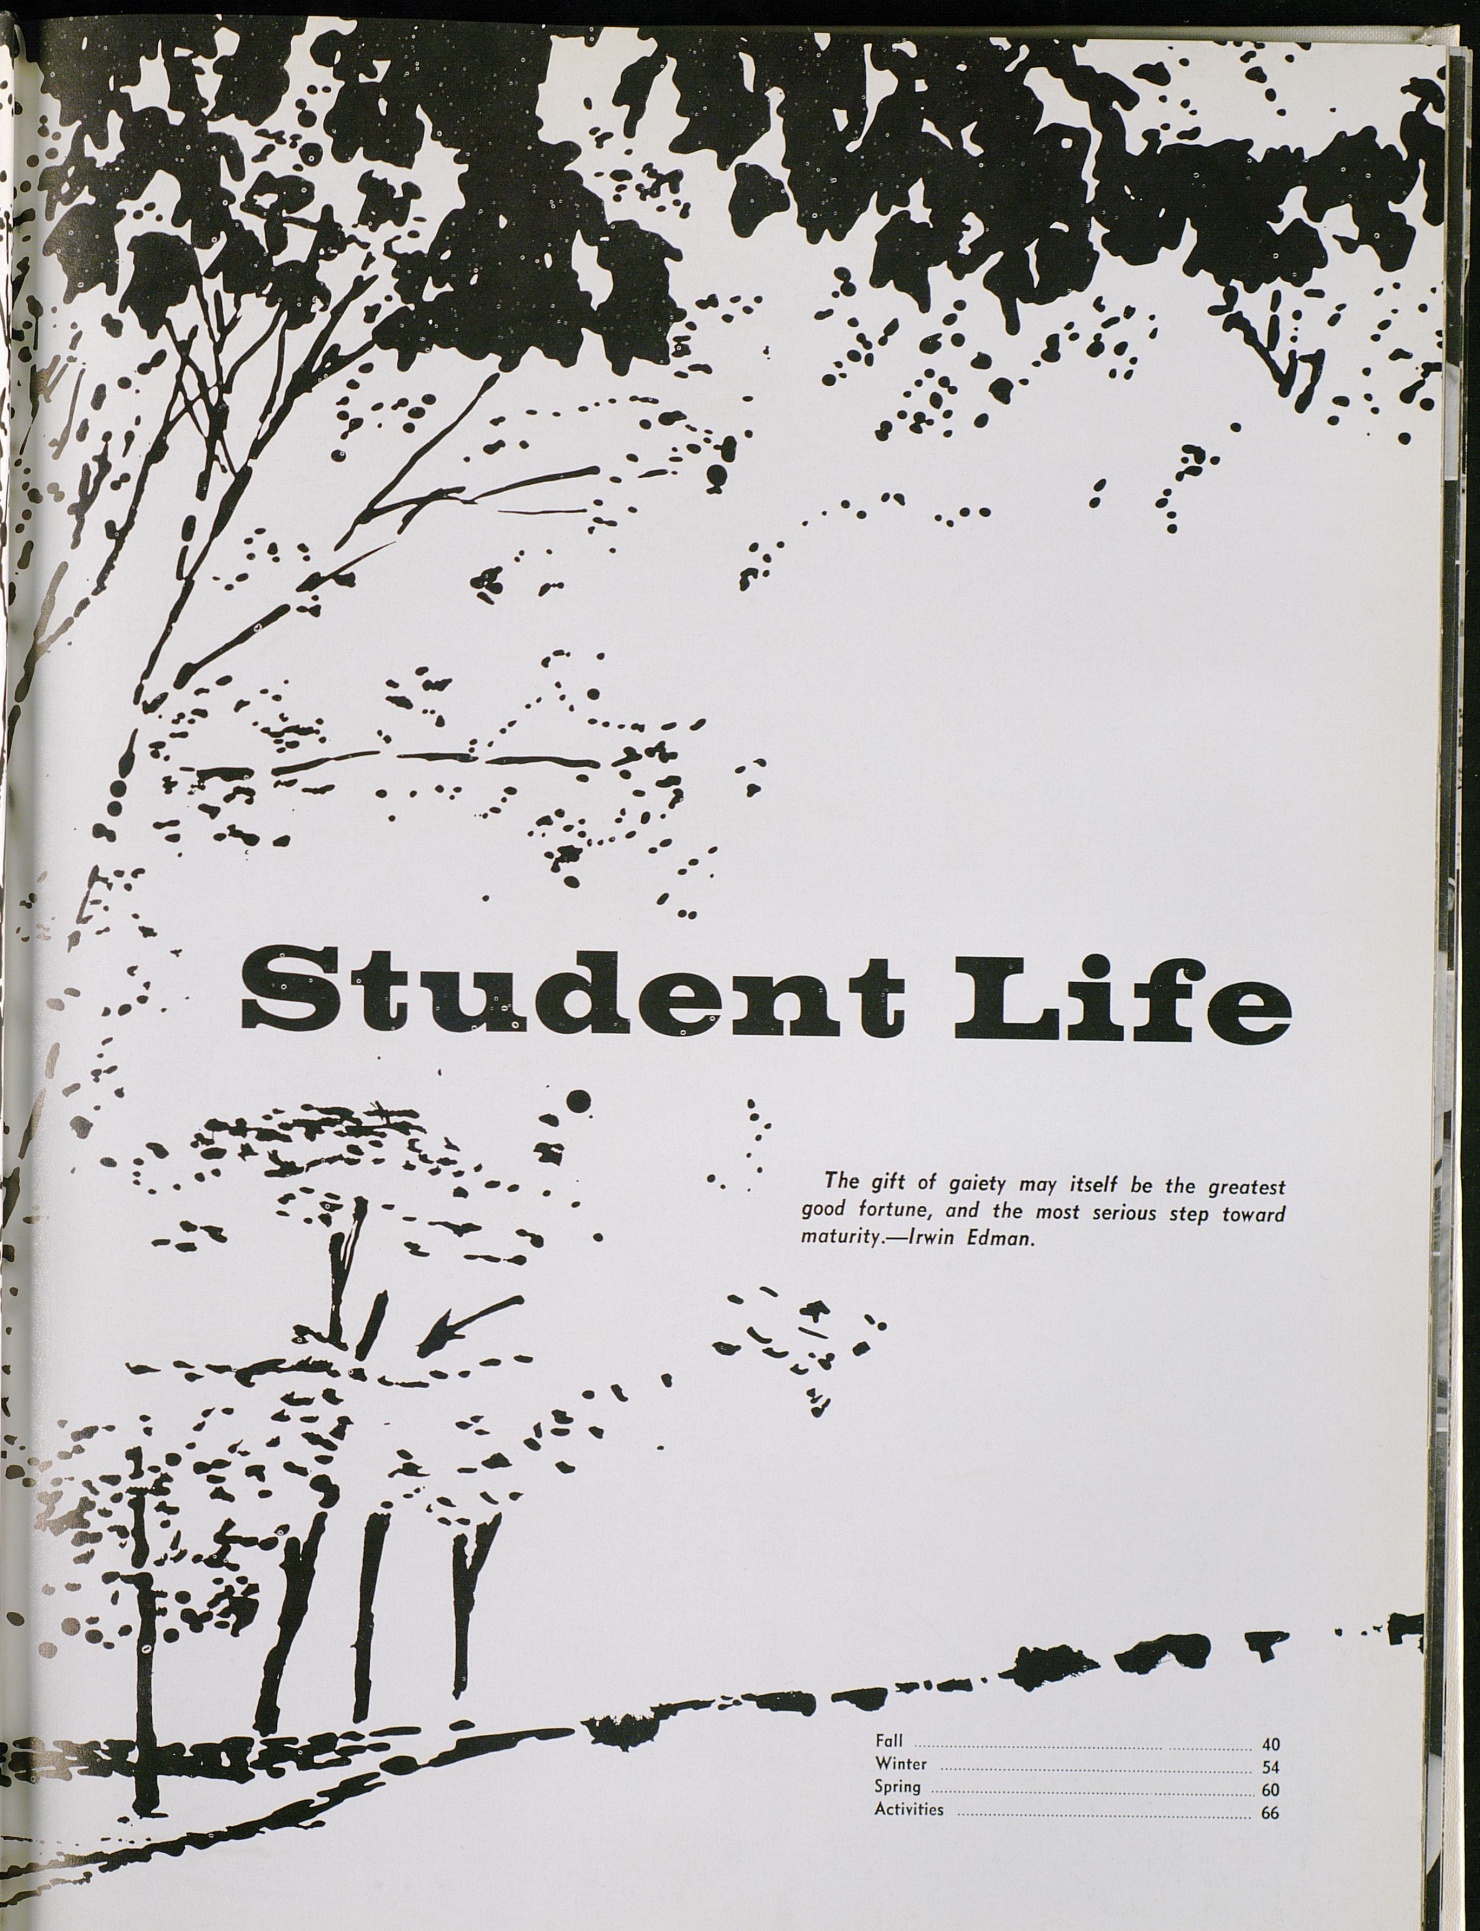

Campus members participated in several conferences this year, including the leadership conference held at Camp Daniel Boone.

It co-sponsors the hanging of the greens, works within the WUS, UN Day, Career Carnival, and the UN Trip.

The community service committee organizes volunteer service groups to work in the local welfare agencies.

The YWCA's purpose is to unite in the desire to realize full and creative life through a growing knowledge of God, to determine to have a part in making this life possible for all people, and to seek to understand Jesus and to follow him.

Alpha Delta Pi

Thirty-seven new fall pledges got the year under way for ADPi by winning the Sigma Chi Derby. Sue Ramsey was crowned queen of the Derby. Lana Fox was elected AFROTC sponsor. Ethel Insko was a member of the Homecoming Queen Court while our display, "Kentucky Lowers the Boom," received second place.

Our president, Becky Carloss, was chosen chairman of the Homecoming Committee, vice president of SuKy, and a member of Mortar Board. Jean Ropke was elected vice president of WAA and Colleen Wickham, secretary.

Other members in honoraries included: Pris Jones, Jackie Cain, and Gloria Paulo in Cwens; Joanne Scinta and Pris Jones in Links; Sara Bradly, Phi Beta and Gloria Paulo, Chi Delta Phi.

Activities for the year included a jam session for the new pledges, the annual Christmas buffet, and the Christmas party for the orphans. The Spring formal concluded our year.

Enough said.

Ain't love grand???

Mirror, Mirror on the wall, who are the leaders of them all?

Alpha Gamma Delta

Epsilon Chapter of Alpha Gamma Delta was the first of eleven sororities on the University of Kentucky campus. Alpha Gam received her chapter in 1908.

Our girls participate in many leadership activities, such as Mortar Board, Links, Cwens, and Alpha Lambda Delta. Alpha Games are also represented in such activities as Troupers, Blue Marlins, Student Congress, Tau Sigma, YWCA, Debate team, Kernel staff, and Student Union Committees.

Janie Walsh served as president of House President's Council this year. Judy Moberly is president of Jewell Hall and Diana Marek has been chosen AFROTC sponsor.

Last spring Susie Wilcox was an attendant to the Kentuckian Queen. Alpha Gamma Delta also received first place award for Little Kentucky Derby stall decoration and second place honors for pushcart decoration for the Lambda Chi Alpha Pushcart Derby.

Last summer, Martha Jim Ammerman and Linda Coffman attended the National Convention of Alpha Gamma Delta at French Lick, Indiana.

Alpha Gamma Delta's purpose is to help her members obtain a high shcolastic goal and high ideals for future life.

Alpha Xi Delta

Celebrating our fifty-second year on the UK campus, Xi Chapter of Alpha Xi Delta has distinguished itself through various social, athletic, and honorary activities.

Last spring the Alpha Xi's placed second in the Lambda Chi Pushcart Derby, and Joanie Fister was an attendant to the queen. J. B. Johnson, Jr., was Alpha Xi's second consecutive "King" of the annual Golddiggers Ball.

Nancy Foster was awarded the coveted Sullivan Medallion, the Panhellenic Service award and was advisor to Jr. Panhellenic.

In honoraries we were represented by Margaret Mullen, Phi Alpha Theta; Joy Ormsby, Phi Sigma Iota; Mary Jo Trimble, Alpha Lambda Delta; Mona Williams, Links; Kris Ramsey, Phi Upsilon Omicron; and June Allen Byers, Theta Sigma Phi.

Alpha Xi's prominence in other activities include Cecelia Fitch, president of the Bact. Society; Margaret Christie, secretary of Phi Alpha Theta; Katherine Benton, secretary of the Pitkin Club; and Ida Mae Webb, secretary of Lambda Kappa Sigma.

Kitty Smith was Arts and Sciences representative to Student Congress and chairman of Students Party. Diana Blair was a member of the Little Kentucky Derby Steering Committee, and Lois Kay Murphy was elected an AFROTC Sponsor.

In athletics, we placed first in bowling and ping-pong and second in archery to earn three more trophies.

In addition to participation in campus functions, we gave a Christmas party for underpriviledged children, held the annual Christmas buffet, Chapter Retreat, and Pink Rose Formal.

Chi Omega

Chi Omega's accomplishments last spring include obtaining the highest active standing of the sororities, tying for the highest overall standing and winning the Lambda Chi Pushcart Derby.

Our members have also been outstanding on campus. Alice Broadbent serves as Panhellenic president and is a member of Mortar Board. Betty Dawn Weaver, Jane Connell, and Pat Wright are members of Links, and Nancy Waterfield is president of the honorary. Pat Harris, Lucy Salmon, Debby Daniel, and Mary Ellyn LaBach are members of Alpha Lambda Delta, and Barbara Harkey, Pat Harris, Debby Daniel, Nell Vaughn, and Ann Fitts are Cwens.

Carolyn Arnett was named Pi Kappa Alpha Dream Girl, Tan Neel is Triangle Sweetheart, and Betsy Talbot is Phi Sigma Kappa Moonlight Girl.

Katie Maddux won the 1959 Kentuckian Queen, and Martha Layne Hall and Mike Gorman served as first and second attendants, respectively.

Katy Kirk and Barbara Wall were members of the 1959 Little Kentucky Derby Queen Court. Lynna Chase won the title of Best Dressed in the Sigma Chi contest.

Martha Layne Hall served as Queen of the Little Kentucky Derby in Louisville. Margie Triplett is Secretary of Student Congress.

Chi Omega was founded on April 5, 1895, at the University of Arkansas, and established at UK in 1914. Our colors are cardinal and straw.

Both collectively and individually, Tri Delta girls have distinguished themselves in all phases of campus activity.

At the annual "Stars in the Night" program last spring we were well represented. Girls were tapped for Cwens, Alpha Lambda Delta, Links, Mortar Board, and Chi Delta Phi. Not only are the Tri Delts active in these organizations through the offices they maintain but they are among the leaders in other all-campus activities such as Student Congress, Student Union Board, the Kentuckian and Kernel Staffs.

Besides maintaining a good scholastic standing we are also very active socially. Two fraternities chose Tri Delts as their dream girls and at every campus contest fraternities sponsored them as their candidates.

Tri Delts always do their share of partying with numerous desserts, teas, jam sessions, chapter parties, and the annual spring formal. Also it is a tradition for us to have a Christmas dance with our brother fraternity, Delta Tau Delta.

Along with scholarship, activities, sports, and parties, we manage to contribute to good will projects, such as entertaining the patients at Eastern State Hospital. Tri Delt is also very proud of its annual scholarship award which is awarded to some student on campus who has proved herself academically worthy.

Delta Zeta

Delta Zeta's social year opened with a tea given by the new pledge class for all sorority pledges. The rest of the year's social activities include desserts, exchange dinners, a pledge-active retreat, "peanut" exchange, a house dance, the senior banquet and our spring picnic. The big event of the year was the annual White Ball, given shortly before Christmas at the Phoenix Hotel. Joan Stadleman reigned as Dream Girl of Delta Zeta, and at this time Jane Mahoney, our outstanding associate member, was honored.

We continue to sponsor our overseas orphan for the third consecutive year. Christmas found us holding our Christmas party for underpriviledged children, followed by a party for big and little sisters.

This year saw the DZ's ride off with the Little Kentucky Derby debutante stakes as our team, composed of Pat Dolwick, Joann Aylor, Betty Green, and Janet Calhoun, set a record in the Coliseum. After winning the All-Campus Sing, a repeat performance of our prize-winning numbers, "Lolly Tu Dum" and "When You Wish Upon A Star" was given later on in the year at the Chorus concert. Another trophy was added with our first prize table setting. Peggy Wyse placed third in the Miss Christmas Seal contest.

In sports Carol Childers was second in the ping pong tournament and Linda Leitz thrid in the archery contest.

This year also saw Gayle Harper, our president, selected as the outstanding senior girl, and Martha Keffer receiving the Jessie Wilson service award at our Founders' Day banquet.

The honoraries are well represented by Patty Brown and Sue Harrelson, Cwens; Cecily Sparks, and Alice Evenburgh, Links; Charlotte Bailey and Katherine Gard, a Mortar Board. The professional honoraries list Joann Aylor and Roberta Klaren, Eta Sigma Phi; Alice Evenburgh, Valerie Hembree, and Linda Lietz, Phi Beta; Cecily Sparks, Pi Mu Epsilon, and Jane Mahoney, Kappa Delta Pi.

On campus Pat Dolwick was elected YWCA treasurer and Helen Herndon served as secretary of the freshmen "Y." Alice Evenburgh served on the 240 Committee. Betty Green was elected to the WAA Council and Carol Chiders is Intramural Vollyball Chairman. Charlotte Bailey was elected vice president of House Presidents' Council; Alice Evenburgh vice president of MENS; Carolyn Johns, president of the Social Work Club, and Martha Keffer president of Tau Sigma of Orchesis.

Kappa Alpha Theta

For the second consecutive year, Kappa Alpha Theta received the Panhellenic Spirit award given to the sorority displaying outstanding Panhellenic spirit. We won first place in the costume division of Little Kentucky Derby and second in the debutante stakes. The 1959 pledge class had the highest standing among sorority competition.

Individually the Thetas received many honors on campus. Cynthia Beadell was named Outstanding Woman of the Year, chairman of Little Kentucky Derby, vice president of Panhellenic, Judicial Board, and a member of Mortar Board. Jane Latta Shewmaker is Jr. Panhellenic advisor; Ethlee Davidson, vice president of Links; Sandra Radcliffe, treasurer of House President's Council; Jean Squifflet, president of Patterson Hall, and Leslie Decker, president of Holmes Hall. Marcia Wrege is publicity chairman of K.S.E.A. and Sandra Radcliffe historian. Barbour Lee Perry, Shirley Jones, Linda Cotton, and Ethelee Davidson are members of Links, and Gypsy Barker, Sandra Tattershall, Judy Beetem, Diane Horton, and Pixie Priest are members of Cwens.

Several Thetas received prominence on campus in beauty contests. Pixie Priest was elected "most beautiful sophomore woman" at the Keys dance, homecoming queen and was chosen Phi Tau Sweetheart; Pat Horton was attendant to the Little Kentucky Derby Queen; Vivian Toner was a Kentucky Derby Princess, and chosen Miss Mt. Sterling. Pixie Priest and Julie Houser were members of AFROTC sponsor corps and Ethelee Davidson and Sandra Tattershall were cheerleaders.

Our social life was highlighted by Parents Weekend in March, and the annual spring formal. A Bermuda Brunch, and Christmas party were held for other sororities and a Homecoming brunch and Christmas party for dates. The chapter entertained the campus with a jam session in the spring and the pledge class held a jam session for other pledges on campus. Teas, desserts, serenades, and exchange dinner rounded out Thetas social calendar for the year.

Kappa Delta

We began our year with the second annual retreat to Camp Daniel Boone where we worked, played, and planned the year's activities with our 33 new pledges.

Individually we had many outstanding women on campus. Jan Gover served as president of the senior class in Education and was chosen the outstanding senior in Education, "Miss F.T.A.," and received the Mortar Board senior service award. Theresa Nantz was outstanding junior in Education and Tanner Ottley, outstanding sophomore in Commerce.

Melanie Fessler reigned as Little Kentucky Derby Queen of 1959; Melanie, Ruth Ann Gaddie and Pam McDivit were chosen as AFROTC sponsors; Billie Mahoney received two sweetheart titles—Sigma Phi Epsilon and Kappa Psi; Linda Bibb was 2nd attendant to Sigma Chi Derby Queen; Jean Lovern took 2nd place in the Best Dressed contest and Trudy Webb was elected first attendant to Homecoming Queen.

Nancy Barnett is a cheerleader and Donna Lawson—a "Woman of the Month," is editor-in-chief of the Kentuckian.

Members in honoraries include Betty Allison, president of Links and member of Mortar Board; Trudy Webb, vice president of Alpha Lambda Delta, Cwens.

The KD's hold two seats in Student Congress: Trudy Webb as representative from the College of Arts and Sciences and Jo Moyer Treadway the College of Education.

We won 6 intramural trophies this year which have joined the ranks in the rec room.

Our social life was highlighted by the annual White Rose Formal, a Klondike party, a Homecoming tea, a Christmas party for underpriviledged children, desserts and serenades.

Kappa Kappa Gamma

The Kappas distinguished themselves in various campus activities this year. In the spring semester June Moore was elected Queen of the Lambda Chi Pushcart Derby. Many of us were honored at "Stars in the Night" by being tapped for Mortar Board, Links, Cwens, and Alpha Lambda Delta. Sue McCarthy was named Theta Sigma Phi Outstanding Woman, and Joanne Brown was awarded Mortar Board senior service award.

The fall saw Fielden Willmott chosen as attendant to Lances Queen, and Lois Meriwether was first attendant in the Sigma Chi Derby. Helen Graham, Virginia Fencel, Kay Evans, and June Moore were elected Air Force sponsors. Gayle Glashagel is a cheerleader; and June Moore, Gerri Ranch, Evelyn Bridgeforth and Sister Kemp are members of Blue Marlins.

Among the campus leaders are Anne Armstrong, vice president of Mortar Board and a member of the Greek Week steering committee; Kay Evans, secretary of the Student Union Board; Sue McCauley, treasurer of Chi Delta Phi and Libby May, secretary of Civil Engineering assembly.

The Spring Formal highlights the social events along with the Mother-Daughter Tea, Founders Day, scholarship and senior banquets.

That's him, our professor! Always so sweet and happy in class!

Zeta Tau Alpha

At the 1959 "Stars in the Night" program, Zeta Tau Alpha's outstanding girls were Bess Kutah, Martha Schneider, and Mary Cooke. Bess Kutak received the outstanding senior YWCA book award. In honoraries, we also made our presence known with Martha Schneider in Cwens and Alpha Lambda Delta, and Mary Cooke in Alpha Lambda Delta.

Zeta was presented first place award in the annual Lambda Chi Pushcart Derby for showing the most originality with our strawberry shortcake cart. In the sorority division, Zeta also received second place award in the Pushcart Derby races.

Peggy Black was selected Miss Winchester of 1959, thus being a representative in the Miss Kentucky pageant. She is also Miss Clark County Horse Show Queen, and Miss District 10 Dairy Princess of 1960.

Zeta girls enjoyed a full schedule of social events in 1959. Our social life included desserts, serenades, ZTA State Day in Kentucky and Founder's Day banquet. Our social calendar was highlighted by our spring White Violet Formal at Landsdowne Country Club and a swimming party at the Campbell House.

Alpha Chi chapter of Zeta Tau Alpha was founded at the University of Kentucky in 1924. Our purpose is to intensify friendship, foster a spirit of love, create such sentiments, perform such deeds, and mold such opinions as will conduce to the building up of a purer and nobler womanhood in the world.

Alpha Gamma Rho was founded at Indianapolis, Indiana, in 1908. Omicron Chapter was installed at the University of Kentucky in 1920. Green and gold are our fraternity colors, and the pink rose is our flower.

At last we will be able to move into our new house in the spring. It will be located at the corner of Woodland and Clifton and will house 48 men.

We have many actives who have distinguished themselves on campus. Glen Goebel is the president of the Ag Council, 4-H Club, and was the 1958-59 all-year individual intramural participation winner. George Duncan is president of the Ag Engineers; Leroy McMullen is president of Phalanx and vice chairman of the Students Party; Bill Williams is secretary of the YMCA; Billy Mitchell is president of the Dairy Culb; and Bob Rogers is president of Alpha Zeta. We also have members in Keys, Lances, and Y Cabinet.

Social activities included our beach party, Halloween party, Cowboy and Indian party, informal dances, and the traditional Pink Rose Formal. We also had a hayride, Christmas party, and Winter Formal.

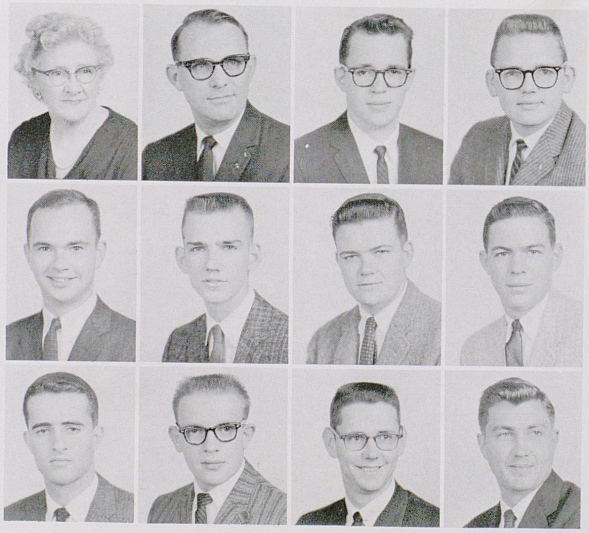

Alpha Tau Omega is one of the top national fraternities, being founded by three cadets at Virginia Military Institute on September 11, 1865. Today, Alpha Tau Omega has 119 active chapters with over 75,000 alumni. The founders had in mind four great principles when they organized the fraternity. These are: (1) To found a national, not a regional fraternity, (2) An original venture—not in imitation of or in opposition to any existing Greek fraternity, (3) To build permanent peace and heal the breach between the North and South, and (4) With Jesus Christ as its chief cornerstone.

We have never been known as a purely social, athletic, or scolastic fraternity, rather ATO's are found in all walks of life. This the fraternity prides itself in, for it is in this way that its members can grow physically and mentally.

Wherever you see the Maltese Cross, you can be sure its wearer is proud of it.

As the new year of 1959 was ushered in, the social activities at the Delta Tau Delta house were beginning to pick up. Various house parties and other social gatherings were held throughout the year, being topped off by the gigantic and swinging Delt weekend down at Cumberland Falls.

Our social activities did not hinder our class activities though. We received the Keys scholarship award for having the highest fraternity scholastic average on the campus.

The Delts annexed three first-place awards in one day with wins in the LXA Pushcart Derby float competition, eventual triumph in the actual race, and a triumph in All-Campus Sing.

The individuals of Delta Tau Delta are well represented in campus activities and are worthy of comment. Jimmy "Demo" Johns has been a stalwart lineman with the UK football team for the past few years; Jim McDonald and Herky Rupp performed with last year's frosh basketball squad and have moved up to the varsity this year; Roger "Buddy" Gum and John Baxter are mainstays with the Cross-Country team and track team and Jerry McAtee is an up-and-coming pole vaulter.

Doug Roberts has been active with the stage productions on the campus, along with leading the Delts in All-Campus Sing. Bob Linkner and Kenny Beard are making their presence felt with the UK baseball team. In the spring, Larry Heath and Jack Crutcher will be found on the fairways.

Allen Dawson, president of the chapter, has again distinguished himself by being one of 45 to be selected to be in the first class of the new medical center.

We have members in Alpha Sigma Mu, Keys, Lances, ODK, Tau Beta Pi, and the K-Club. Dave Routledge is president of Alpha Chi Sigma; Jim Hill is president of Phi Eta Sigma; Jerry Morris and Dan Patterson are president and treasurer of Pryor Pre-Med; Brit Kirwan is president of Lamp and Cross; and Charleton Godsey is president of Chi Epsilon.

Farm House

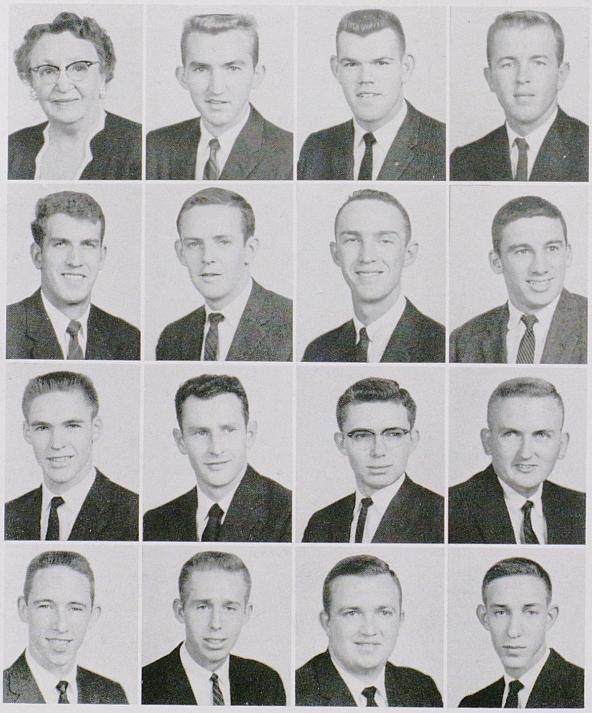

The past two semesters has seen Ketnucky Farmhouse entering into a more and more active participation in university activities, as well as expanding and growing numerically.

We had a very good intramural program the past two semesters. Last spring we had a very strong softball team, going as far as the play-offs. We also entered the Little Kentucky Derby. Farmhouse participated in intramural football and Ken Martin was third in free throw shooting. Farmhouse has what it considers one of the better basketball teams in fraternity competition.

We also have been very active socially. So far this year we have had two parties including our "Las Vegas" party, which met with great success. Homecoming, as usual, will find a "swinging affair" at the house.

We have many outstanding individuals in our group. Maitland Rice was elected to Student Congress last spring, and this fall, Maitland was elected king of the Agriculture College. Jack Jessup was high individual in dairy cattle judging at the International Livestock exposition last fall, and two Farmhouse men, Jim Green and Wayne Livesay, are on the livestock judging team this year.

Although Kentucky Farmhouse has already had a good year, we believe it will be very little in comparison with the remainder of this year, as well as future years.

Kappa Alpha

Kappa Alpha is the oldest fraternity on the University of Kentucky campus, being founded in 1893. Our fraternity is based upon the principles set forth by Robert E. Lee. The KA's enjoy a full round of social affairs during the school year, but still maintained a high scholastic average at the end of the 58-59 school year.

Last spring the social affairs included gatherings at Boonesboro and Lake Herrington. The climax was a Kentucky Derby party and the crowning of Sally Carmichael as the "KA Rose."

KA began the fall semester with a fine pledge class and also initiated intramural sports by winning the fraternity football championship. In university football, Bill Ransdell played a fine year as halfback for the "Big Blue." In campus politics, John Beifuss was elected chairman of the Campus Party.

Kappa Alpha also participates in all of the other campus activities such as desserts, open houses after games, and the Saturday jam sessions. The highlight of the social year is always the Old South Ball in the spring. During this weekend there is a parade through town, and Lexington is proclaimed a part of Confederate territory by the Mayor.

Kappa Sigma

Kappa Sigma social calendar includes desserts with sororities, Herrington Lake party for pledges, the "Beatnik" party, the Vanderbilt football trip, and the Black and White Formal in the spring.

Kappa Sig's have been active in all phases of intramurals, making the semifinals in intramural football.

Represented in campus politics are Bob Wainscott; Student Party presidential candidate, and Garryl Sipple, Student Congress representative.

Active in honorary societies are Whayne Priest; ODK president and Frank Martin, treasurer of ODK. James Black is the president of the national pre-medical honorary on campus. Jim Stuckert, Bob Wainscott, Garryl Sipple, Bob Beale, Jim Back, and Bob Gray are active in Lances. Julian Herron, Bob Wainscott, and Garryl Sipple are YMCA Cabinet members. Mickey Conner is K-Club president and Jim Stuckert attended Kappa Sigma's Grand Conclave held in Denver.

Lambda Chi Alpha

Lambda Chi started off this year with an even bigger bang than usual.

First, we had the chapter house remodeled from attic to cellar in Danish-modern design.

We also arranged for Mrs. Dorothy Webb, our housemother, to have a new assistant in running the house. His name is "Dammit," and every Lambda Chi in the place is determined to stay friendly with that three foot high german shepherd pup.

Our first party was the most swingin' and exotic blast on campus. The house was converted into an Arabian tent complete with harem, palm trees and a rock-n-roll band. This marked first the beginning of our school year.

We have many desserts, house parties, and hayrides during the year, along with our annual Crescent Ball held in the spring. Miss Priscilla Lynn was crowned our Crescent Girl last year.

Here at the University we are active in many organizations. Jim Heil has been president of IFC; several Lambda Chi's are members of Keys and Lances; Jim Steedly served as president of Lances and Delta Sigma Pi elected Bob Burns president last year.

We are determined to stay near the top in scholastic standing. Last year we were seventh out of twenty fraternities and our pledge class was first on campus. Just this fall John Kennoy was awarded $50 for maintaining the highest scholastic average for a senior in aeronautical engineering.

Lambda Chi has won many trophies for participation in intramural sports. We also have several boys on the varsity squads. John Zachem is on the baseball team and Hal Bishop and Bob Burns are on the rifle team.

Phi Delta Theta

The past year has been, for Kentucky Epsilon, one of the most successful in chapter history. At the general convention of Phi Delta Theta, we were one of ten to receive a Silver Star.

On the home front, we took over the leadership of Student Congress as Taylor Jones was elected President by the largest victory margin in school history. Brothers Tom Young as Treasurer and Jeff Brother as Judicial Chairman were appointed as able administrative assistants.

We have elects of six campus honoraries; Keys, Lances, Lamp and Cross, Omicron Delta Kappa, Scabbard and Blade, and Alpha Zeta. Our bicycle team broke the track record in winning the annual Little Kentucky Derby and was runner-up for the intramural championship.

The social calendar was highlighted as usual by desserts, serenades, the annual Derby Eve Formal, and "She Delta Theta Week," which included a mock pledgeship and initiation for about thirty Phi Delt sweethearts.

Phi Gamma Delta

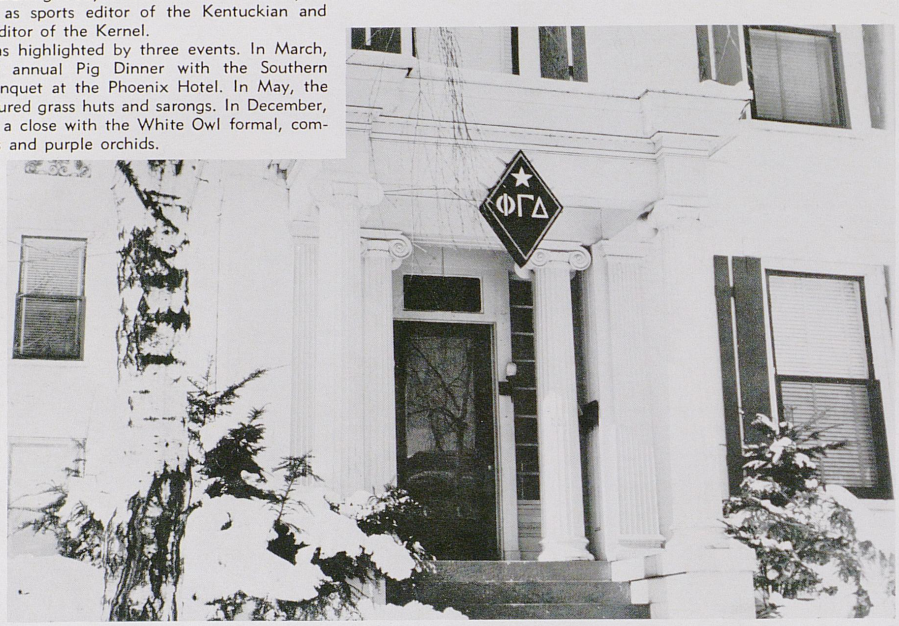

Phi Gamma Delta climaxed a successful 1959 with the first annual White Owl Formula at Boiling Springs Country Club.

The year 1959, saw two Fiji Queens crowned. In the spring Miss June Moore reigned as Pushcart Derby Queen and, this fall, Miss Gail Peterson was crowned Queen of Lances Carnival.

Our membership inculdes three members in Keys, two in Lances, three in the Marching 100, and one in Phi Mu Alpha. Ronald Wagoner serves as sports editor of the Kentuckian and Rex Bailey is associate editor of the Kernel.

Socially, the year was highlighted by three events. In March, the Fijis combined the annual Pig Dinner with the Southern Section Meeting in a banquet at the Phoenix Hotel. In May, the Fiji Island Weekend featured grass huts and sarongs. In December, the year was brought to a close with the White Owl formal, complete with black tuxedos and purple orchids.

Phi Kappa Tau

Phi Kappa Tau started the 1959-60 school year on a triumphal note, pledging 21 men.

Continuing on a winning course, chapter Dreamgirl Pixie Priest, representing Phi Tau, was selected Keys Queen. Gail Peterson, representing us and Phi Gamma Delta, was named Lances Queen.

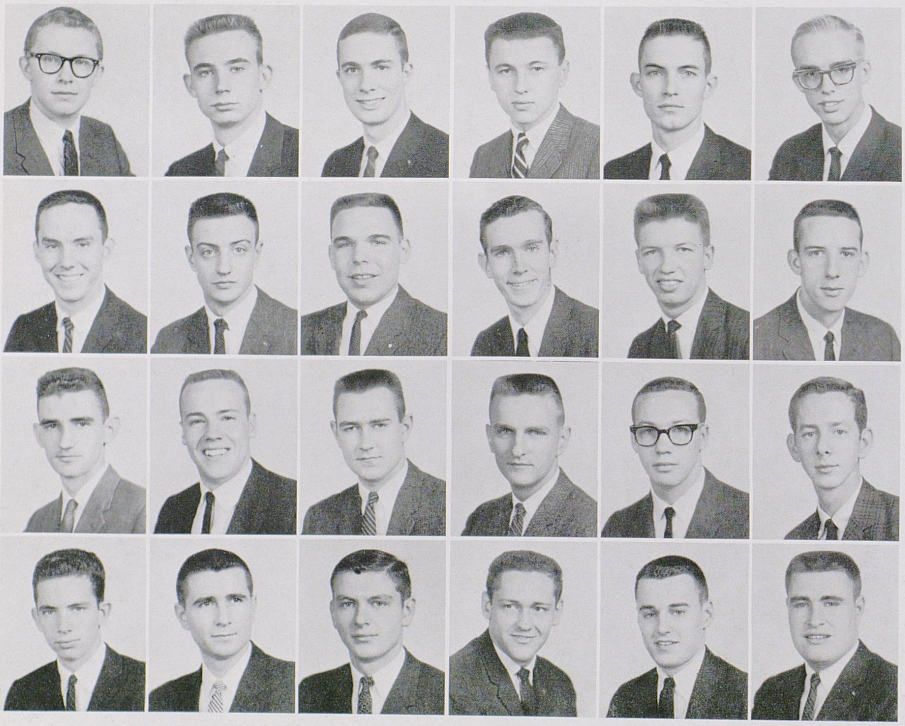

Scholastically we ranked third among all fraternities last spring with a 2.51 composite standing.

Not letting down on the social side, Phi Tau had its usual number of house parties and desserts with the annual Dreamgirl Formal highlighting the spring semester.

Among Phi Tau's house parties were a party for new pledges, a Halloween party, semi-formal Christmas party, and a Sadie Hawkins Barn party. As has been the custom in the past, the Dreamgirl Formal was held at Natural Bridge State Park.

Each year we take an evening off during the busy Christmas season to go to the Shriners' Crippled Children's Hospital with gifts to share Christmas with the children.

Phi Taus actives in campus affairs are: Bob Anderson, managing editor of the Kernel, Student Congress, Sigma Delta Chi, and Greek Week; Graham Beard, Phi Eta Sigma, Pryor Pre-Med, and Greek Week; Mac Jarboe, Phi Eta Sigma, Newman Club, and Pryor Pre-Med; Colin Lewis, Student Congress; Jack McGehee, IFC and Newman Club; Jerry Stricker, Beta Alpha Psi, College of Commerce, and Young Democrats; and Larry Westerfield, Marching 100.

Phi Sigma Kappa

The Phi Sigma Kappa Moonlight Formal closed the 1959 spring social calendar. The formal was held in Louisville so everyone could attend the Kentucky Derby. Betsy Talbot of Chi Omega was crowned Moonlight Queen.

With a successful fall rush completed, we started the social season with a "Can't Wait New Year's Party." The Four Sounds furnished the music and all the brothers had a swinging time.

Three weeks later everyone piled into a large truck and went on a hayride. The ride terminated on a Bluegrass farm outside Paris where the Phi Sigs roasted marshmallows and sung fraternity songs.

Parties after the football games, Lances carnival and Homecoming highlighted the fall semester.

The Phi Sig's from the University of Tennessee and Alumni took over the house during the big Homecomign weekend.

Our football team, playing splendid ball every game, advanced to the semi-finals in the fraternity division playoffs. Intramural spirit ran high and another great year was predicted by the brothers in sports.

Outstanding Phi Sigs on campus this year are Don Capelli, president of the American Institute of Mining and Metallurgical Engineers and president of the Norwood Mining and Metallurgical Society; Lawrence Wagers, vice president of Keys and Charles Cassidy vice president of the Chamber of Commerce.

Pi Kappa Alpha

The Pikes were guests of Governor and Mrs. A. B. Chandler for our annual spring dance. Miss Carolyn Arnett was crowned as our Dream Girl and reigned during the year.

In the spring we swept intramural championships in softball and track. On the social side, our "Coal Coolie" costume party was a huge success with a background of "Lock and Loll."

Fall found our social calendar studded with cabin outings, parties after ball games, an old-fashioned Halloween party complete with apple bobbing, a Winter Wonderland party featuring Bobby Martin and his Five Snowballs, and a Christmas party for underpriviledged children.

"Pike," our Dalmatian mascot, made his bid for notoriety in the campus grill and classrooms in the mornings.

Pi Kap men on campus were Al McGregor, secretary of Chamber of Commerce and president of Commerce Employment Association; Harry Browning, auditor of Commerce Employment Association; Mike Vaughn, treasurer of Students Party; Fred Schultz, Keys treasurer and Bob Bailey, secretary of Delta Sigma Pi.

"To make better students, citizens, and men out of its members, and to enrich and perpetuate those friendships formed here at the University." This is the purpose of Sigma Alpha Epsilon fraternity.

The intramural all-participation trophy again was won by us for the ninth consecutive year with championships being won in many sports. Schollett, Smith, Coyle, and Thompson represented us well in varsity football, while Roberts starred in basketball. Rupert played varsity tennis with Lips and Smith taking track honors for UK. Lips was also a member of the swimming team and Kirk a member of the University golf team.

Again the first place trophy for Lances Carnival was won by us. Second place honors in all Campus Sing added another trophy. We ranked in the top four in campus scholarship with the pledge class ranking second.

A good many of us attained prominence as members of many campus honorary and active organizations. Schollett was president of the football house, while both Coyle and Thompson served terms as president of Kitten Manor with Smith as secretary-treasurer.

Members of Lances were Kirk, Rupert, and B. White. Fossen was president of Keys with Ordway, Rupert, Kirk, and Holt as members. Wilson, S. Broadbent, and R. Broadbent were leaders in Pershing Rifles. Stovall was a member of the Marching 100. Schollett, B. White, and Fields were leaders in Student Congress, while Henderson and J. White were members of IFC. S. Broadbent and Wilson were active in Troupers.

Others were prominent in Arnold Air Society, Scabbard and Blade, Young Democrats, World University Service, Inter-Faith Council, Chamber of Commerce, Student Union Committees, Beta Alpha Psi, Phi Delta Chi, Tau Beta Phi, Chi-Epsilon, Kappa Psi, and Delta Sigma Pi.

Our annual SAE weekend house party highlighted the fall season with a number of parties and social events throughout the year. The colored orphans' party at Christmas and the spring formal were two other outstanding events.

Sigma Chi

Soon after the beginning of school, new sorority pledges competed in the fourteenth annual Sigma Chi Derby, which has become a campus tradition. Pie eating, apple dunking, relay races and a queen contest highlighted the afternoon of events. The crowning of Sue Ramsey as Queen of the Derby, gave Alpha Delta Pi soroity the All-Participation trophy for this year's Derby.

In the Spring, we staged the thirteenth annual Sigma Chi Best Dressed Contest and Style Show. It was presented in Memorial Hall and the latest in fashions were worn by the contestants from each fraternity and sorority on campus.

The Sigs continued to usher for all the Guignol Theatre productions, as they have done for over twenty years.

Miss Sally Mock was chosen our queen for the 1959-60 school year and was presented at a formal dinner held in her honor.

Sigma Nu

The calendar of events for the Sigma Nu's included their pre-registration party for freshmen girls, the fall hayride, a "city-dump" weiner roast, and a married couples party. The annual "poetic" Christmas party, several desserts, and the typical Sigma Nu informal "gatherings" added to the list of social activities.

In addition to our outstanding academic achievements, Sigma Nu has been very active on campus. Some of these activities are ODK tag sales winner for two consecutive years, runner-up in Lances Carnival with our own Kingston Trio, and Playboy's February playmate was pinned by one of our oustanding members. Also, we are the champion smokers on campus winning the Philip-Morris pack saving contest for the second year.

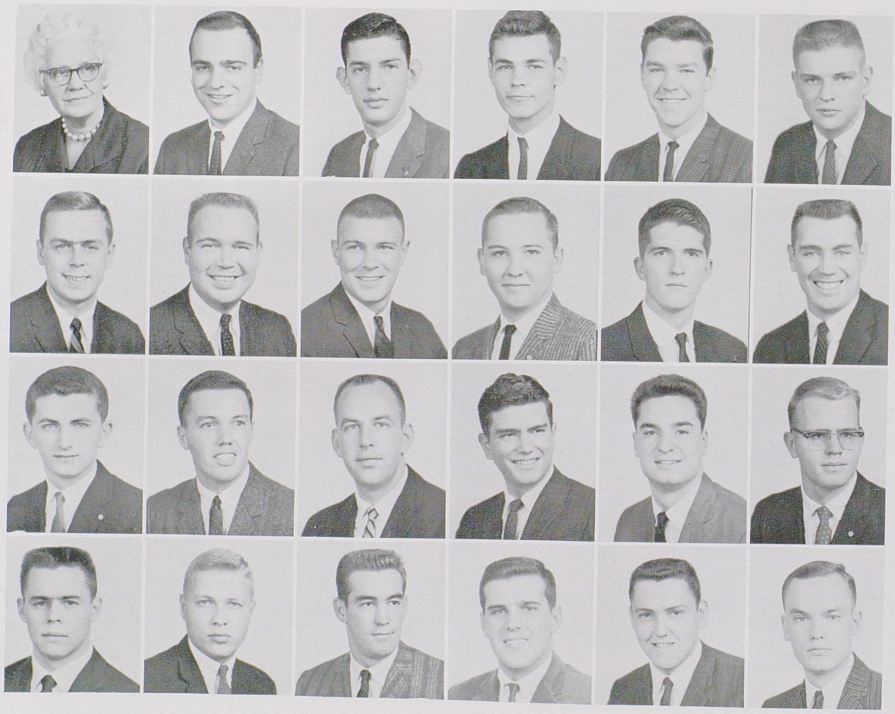

Prominent members on campus include Tom Tippett, baseball and K-Club; Bob Strawbridge, track; Charley Cassis, SC, I-M Director of Men's Dorms; John Codey and Dave Ryan, golf team; and Phil Austin, vice president of IFC, Chairman of Student Congress.

Sigma Phi Epsilon

Kentucky Alpha of Sigma Phi Epsilon, second largest national Greek fraternity, returned to its mansion, with the red door, after having ended the past year by walking off with the grand prize for the float decoration in the Little Kentucky Derby parade.

The Sig Eps showed our true spirit at Lances Carnival by giving the lively skit of "Flippers, Flappers, and Flasks." This was one of the most enjoyable shows on the midway for us, as well as the carnival's patrons.

The traditional "Sig Ep Express" carried students to and from classes before the Tennessee game, urging them to boost the team. The famed November 25th Revolution, which resulted after this game, was well attended by us.

An active pledge class was instrumental in the collection of donations for the United Fund in Lexington.

The Sig Eps gave our annual party for underpriviledged children at Christmas and closed out the year by experiencing a mob on unordered fire trucks, police cars, ambulances, and Pasquale's pizza.

Tau Kappa Epsilon

The highlight of the Teke social year was the Red Coronation Formal, which is held annually on Derby weekend. It is followed by the Derby and a party in Louisville Saturday night. Other highlights of the season's social calendar were the Halloween Costume Party, the Christmas Party for underpriviledged children, Alumni Day and the annual spring picnic.

Effort was made during the year toward obtaining a new house. Because of our growth in membership, it looks like a new house is a must for the next year.

Teke's among campus organizations were: Barry Averill, president of the Ohio Valley Province of Newman Clubs and a member of the National Newman Club Executive Board; Dave Stewart, member of the Kernel staff and Sigma Delta Chi; Alex Majors, a member of SuKy; and Bill Desmond, a member of the varsity swimming team.

Triangle

Last spring's activities were highlighted by winning the Campus bowling championship and taking second place trophies in both the Lambda Chi Alpha Push Cart Derby and the Little Kentucky Derby. Miss Tan Neal was crowned queen of the annual Spring Formal.

This fall got off to an excellent start with the pledging of a fine group of men. The social calendar included a hayride, a Harvest Moon party, a Christmas party, and open house after each home football game.

Many Triangles have distinguished themselves on and around campus. Dick Watkins was elected to ODK and Norman Cravens was named president of Tau Beta Pi. John Bailey, Henry Bennett, and Dick Watkins represent the fraternity in Student Congress. Tom Cambron has proven to be one of UK's finest swimmers. Other organizations in which we take part are Lances, Keys, Etta Kappa Nu, Pi Tau Sigma, YMCA, Phalanx, Pitkin Club, Patterson Literary Society, BSU, Wesley Foundation, and Newman Club.

Zeta Beta Tau

Zeta Beta Tau is now in its seventeenth year on this campus.

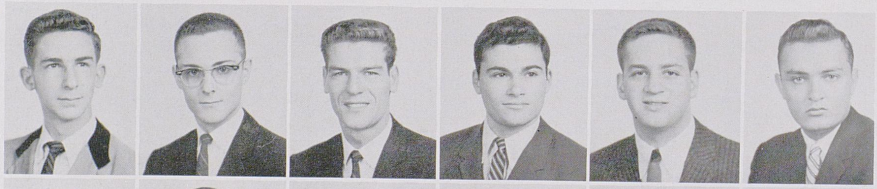

We completed a very successful year in '59 both athletically and socially by winning the tennis and handball championships and capping our social season with a spectacular spring formal at Natural Bridge State Park. Other social highlights icluded a Homecoming dinner dance at the Phoenix Hotel, a Christmas party for underpriviledged children, a Beatnik party, and a swimming party at the Campbell House pool.

This year ZBT is the reigning champ of its intramural football division finishing the season with a four win, one loss record.

Officers for this year are: Kenneth Rosenberg, president; Irvin Steinberg, vice president; Fred Rosenberg, secretary; Howard O'Koon, treasurer and Myron Pass, historian.

Prominent men on campus are: Jerry Shaikun, member of ODK, co-chairman of the Greek Week Committee, and secretary of IFC; Harold Hodor, member of DSP; Donald Dreyfus, member of the UK Tennis Team, Keys, and vice president of Hillel Foundation; Sid Cohen is a member of the UK basketball squad and also received the fraternity's national award for the Outstanding Athlete. Irvin Steinberg is president of Hillel and Bob Branson is the secretary.

Hamilton House

Hamilton House is a cooperative residence, managed and maintained by the 20 girls who live there. The girls share in housework and expenses, and manage to attend college more economically than the average student while learning practical and worthwhile lessons in housekeeping and group living. It has been a part of the University since 1942.

Some of the year's activities included a Halloween costume party, a Homecoming coffee, a Snowball Dance in December, a Faculty Tea, and Easter party for orphans, a buffet, Parent's Day, and a picnic to Natural Bridge.

Team spirit at its finest is displayed here as the Kittens, in their traditional beanies, shout encouragement to the Varsity as they take the field.

Seniors gathered with Coach Collier are, (front row, left to right) Lowell Hughes, Rich Wright, Pascal Benson, Frank Scholett, Glenn Shaw, Cullen Wilson, (back row) Bob Talamini, George Boone, Ronnie Cain, Ledger Howard, and Jimmy Johns.

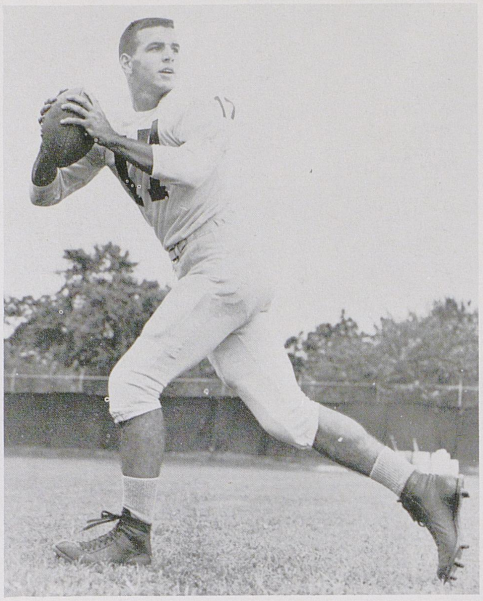

Georgia Tech

The Wildcats of Kentucky opened their 1959 football season with a 14-12 loss to Georgia Tech, before a near capacity crowd of 35,000 fans.

The Engineers scored twice in the first quarter, capitalizing first on bad UK punts, and then on a Wildcat fumble, which they recovered on the Cat's 26 yard line. The two tries for extra points were good, and Tech held on to make these 14 points enough for the win.

In the second half the Wildcats began to roll, behind the direction of quarterback Lowell Hughes. Gambling, UK moved 75 yards for the first Cat score, and when the pass for extra point was broken up, the score stood, 14-6. Then Kentucky capitalized on a Tech fumble, and a few plays later Charlie Sturgeon carried the ball 21 yards for the score. The extra point try again failed, and Georgia Tech led, 14-12. With 7:12 remaining in the game, Kentucky again got possession of the ball. The tension rose as the Wildcats began their drive downfield, but on the Tech 6 yard line the drive failed, and Georgia Tech had won.

It was a hard game ot lose for the Wildcats, who failed to hold the Engineers in the first half. The Cat's second half play was fine, but it came too late. Kentucky led in almost every statistical department, but failed to come up with the win.

Mississippi

A powerful Mississippi eleven overcame a spirited but out-manned Kentucky to register a 16-10 win at Stoll Field.

The Kentucky defense was brilliant throughout the first half, as Kentucky played Ole Miss on even terms, but it weakened badly in the second half after being called upon to stop several Rebel thrusts. The tough Mississippi pass defense contributed greatly to the defeat, as Wildcat quarterbacks could connect on only four of fourteen heaves. Five of these fourteen tosses were intercepted by Rebel defenders. The Ole Miss defense not only held Kentucky in check, but provided the Rebels with scoring opportunities. Their first score came after a Kentucky punt failed to move the ball out of deep Kentucky territory. The second TD resulted when fourth-string quarterback Doug Elmore raced 51 yards through a weakened Cat defense. This score came late in the last quarter after a third period field goal by Bob Khayat had made the score 9-0.

Bill Ransdell led the Wildcat running attack with 34 yards, while Charlie Sturgeon gained 32. All-American Charlie Flowers paced the Rebels with 68 yards.

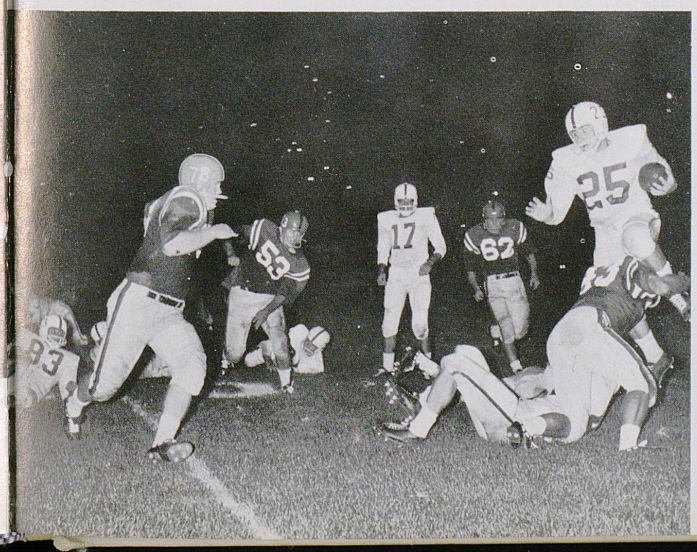

Detroit

The Wildcats posted their first victory of the season with a 32-7 romp over an out-manned Detroit team in a game played at Detroit.

Kentucky's fleet backs, with the aid of pulverizing blocking, gained an amazing 395 yards overall, on a team which was rated seventh in total defense. Not only did Kentucky's offense shine, but the defense also turned in a remarkable job, allowing Detroit only 141 yards. Fifty-one of these yards came as a result of a touchdown run by Dick Maher, to give Detroit their lone TD.

Kentucky's scoring began with 8:40 to go in the first quarter as Charlie Sturgeon went over from the four to climax a drive of 67 yards. Quarterback Leeman Bennett added UK's second marker early in the second quarter, going over from the four. Calvin Bird hit paydirt from the one to score Kentucky's third touchdown early in the third period. The Wildcats scored twice in the final stanza, as Coach Collier dipped down to his third and fourth-stringers. Sophomore Gary Cochran got the fourth TD on a run from the Detroit 30, ending a 68-yard drive of seven plays. Bennett scored again on a 6-yard sprint, after Jimmy Poynter and Charley Vaughn had helped move the ball 80 yards in eleven plays.

The Rebels close in as Charlie Sturgeon picks up short yardage.

Calvin Bird is on his way, as two Mississippi defenders pursue.

Auburn

Auburn knocked Kentucky groggy on the opening kickoff and continued driving to trounce the Cats 33-0, in an encounter at Auburn. The kickoff was returned 88 yards by Jim Pettus for the score, and Kentucky never recovered.

The Kentucky forces couldn't seem to get anything started as they watched the Tigers tally 15 quick points in the first quarter and 12 in the second for a 27-0 halftime lead. The final scoring came in the fourth quarter as the Auburn first string returned to the game to slash 72 yards for the TD.

The Tigers netted 335 yards from scrimmage against Kentucky's 113. The Wildcats penetrated the Tiger territory only three times, and lost in first downs by 14-4. This loss to Auburn marked Kentucky's worst defeat since a 34-0 loss to Vanderbilt in 1955.

L S U

The Wildcats of Kentuckly displayed a brilliant defensive effort against No. 1 ranked LSU only to lose by the narrow margin of 9-0.

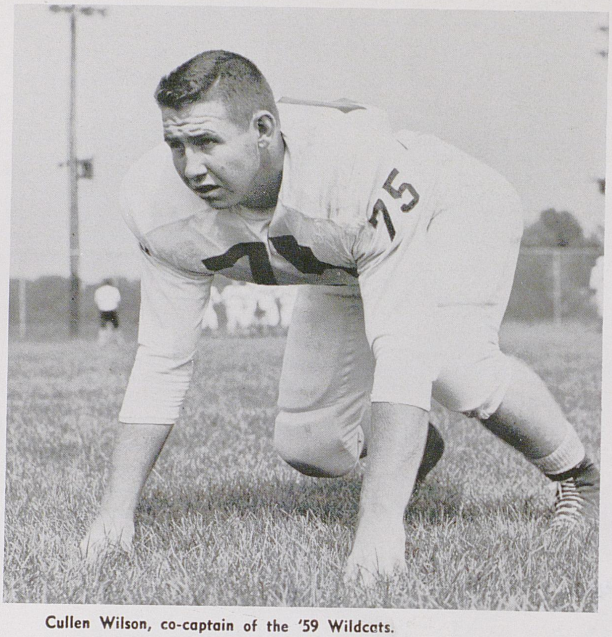

It was the kicking game that beat the Cats. Thirty-five thousand fans saw a perfectly placed punt by LSU fall on the Kentucky one-yard line, and a poor return kick that followed set up Louisiana's lone touchdown.

After the two teams fought through a scoreless first quarter, Gaynell Kinchen got off his sparkling punt, with less than four minutes to go in the first half. With 3:44 left in the half, Charlie Sturgeon attempted to punt out for the Cats. His boot was partially blocked, and the ball was taken by LSU and returned to the Kentucky 10. On third down, quarterback Warren Rabb passed to Jim Robinson for the TD.

Kentucky blew their best opportunity to score midway in the third quarter when tackle Cullen Wilson recovered a Billy Cannon fumble on the nine. The Cats rushed to the five, but stalled there after a run and two incomplete passes.

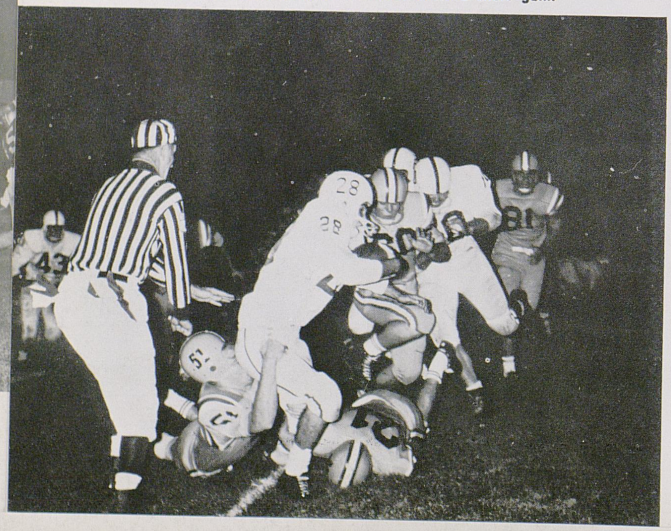

One of the brighter points of the game was the fact that All-American Billy Cannon was held to only eleven yards in as many carries.

It was a hard-fought defensive battle all the way, but the Wildcats couldn't seem to match their brilliant defense with an equally effective offense. It was nevertheless a great team effort, despite the loss.

Georgia

The erratic Cats continued to be their own worst enemies as Georgia capitalized on Kentucky's mistakes for a 14-7 victory. A blocked punt and a pass interception by the Georgians gave them the edge.

With 12 seconds gone in the second quarter, a pass by Jerry Eisaman was intercepted on the Kentucky 43 and run back for the first Georgia score. The extra point try was good.

The Cats bounced back quickly, tieing the score on an eight yard pass from Eisaman to end Tom Rodgers, who was all alone in the end zone. Bird added the extra point.

Georgia scored the winning TD with 10:54 left in the third quarter. A Sturgeon punt was blocked, and a Georgia guard fell on the ball on the UK 22. The score came as the result of a pitch-out and a run of 14 yards.

Halfbacks Charlie Sturgeon and Calvin Bird turned in great running exhibitions for the Wildcats, and Glenn Shaw also performed brilliantly, but the Cats failed to come through when in scoring position. Kentucky won in almost every statistical department, but again beat themselves.

Miami

Kentucky took its second win of the season by downing Miami of Florida by the score of 22-3.

The first Cat score came early in the game when Calvin Bird carried a punt return 55 yards and then added the extra point himself. Eisaman got Kentucky's second TD on a one-yard sneak, after Bob Hunt recovered a Miami punt-attempt on their one. Bird again made the conversion. Bird wasn't through, as he added UK's final touchdown on a 39-yard sprint, helped by blocks by Bob Talamini and George Boone. Eisaman passed to Ledger Howard to add two more points for the Cats.

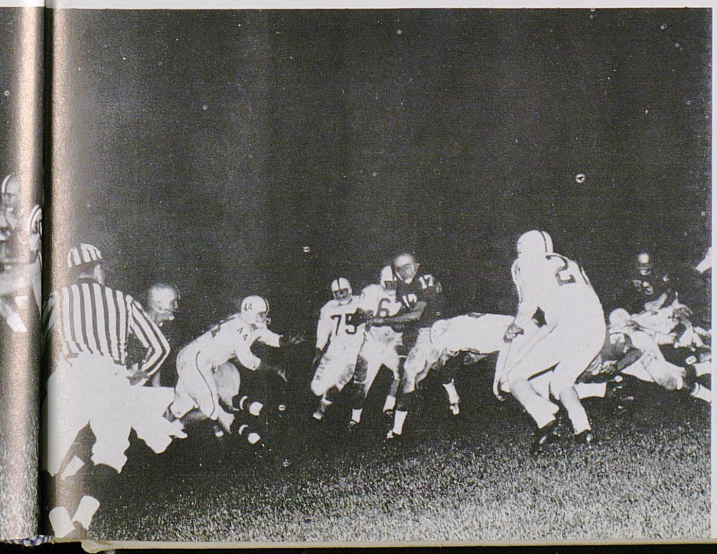

The game was marked by an unusual number of penalties, the officials gaining more yardage in the first half than the two teams combined.

Strangely enough, the Wildcats lost in the statistical department, 19-8 in first downs, and 278-160 yards in total rushing. Florida completed 18 of 40 passes, but none proved to be dangerous. Kentucky completed four of seven.

Vanderbilt

The Wildcats found themselves outplayed and outhustled by the Commodores of Vanderbilt, as they lost their sixth conference game of the season, 11-6. A couple of Kentuckians on the Vandy team helped in the defeat.

Kentucky had moved inside the Vandy 35 yard line four times before they were able to capitalize and get the ball across the goal line. This lone Cat score came in the final quarter when Jerry Eisaman passed to Ronnie Cain, who went over from the four. Vanderbilt scored first in the opening quarter on a field goal and added the winning TD in the third peroid, along with two points for the points after touchdown.

There seemed to be a general lack of desire on the part of Kentucky, although several boys stood out for their hard play. Among these were Glenn Shaw, George Boone, Lloyd Hodge, and sophomore Irvin Goode.

Guard Jimmy Johns

Xavier

Kentucky employed an impressive pass attack to overcome Xavier of Ohio 41-0 on Stoll Field. The Wildcats beat Xavier at their own game, netting 228 yards through the air to 127 yards for the Musketeers. In addition, passes were responsible for five of Kentucky's six touchdowns.

UK's first score came on a plunge by Shaw after two passes by Lowell Hughes to Tom Rodgers had moved the ball to Xavier's one. Sturgeon made the score 13-0 as he took a pass from Hughes for the score. Calvin "Thunder" Bird brought the crowd to its feet in scoring Kentucky's third touchdown, as he opened the second half with a spectacular 89-yard kickoff return. Bird then kicked his third straight extra point of the day to make the score 21-0. Cain got into the scoring act by intercepting a Xavier pass and scurrying 48 yards to paydirt. After the conversion by Bob Butler, the score stood 28-0. The rout continued as Eisaman passed to Charlie Vaughn, who completed the play good for 52 yards. Eisaman, later in the fourth quarter, completed another touchdown pass, this time to Gary Cochran. Jimmy Johns booted the extra point, and Kentucky had their winning margin, 41-0.

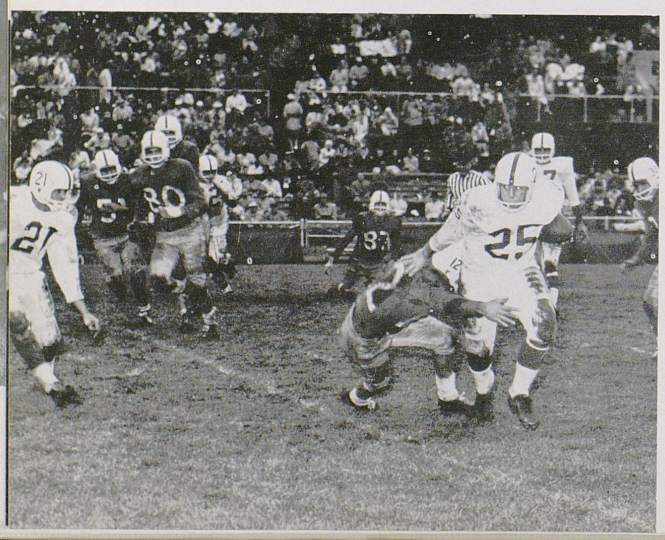

The defense by Kentucky was tough, as it held the Muskies to but 78 yards rushing. Bird's performance was brilliant, as he strengthened his position as the nation's No. 1 kickoff returner, with 404 yards in 13 carries.

Tennessee

A record crowd of 38,000 fans, on a beautiful Homecoming Day, saw the Wildcats play an equally beautiful game in defeating the Tennessee Vols 20-0, giving Coach Blanton Collier his fifth victory in six games against the Orange Ogres. The resounding victory was well deserved by the Cats, after an error-plagued season. "The breaks finally came our way," said Collier of the game.

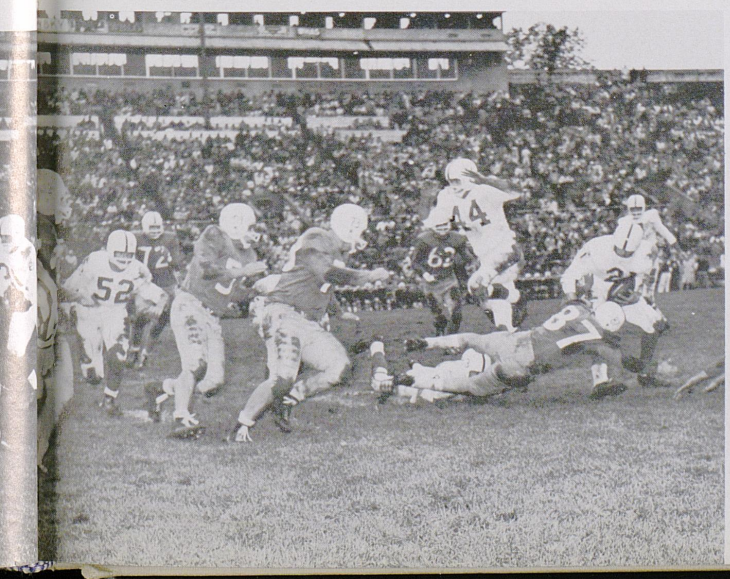

The bone-crushing defense thrown up by the Wildcat linemen knocked the favored Vols off stride and enabled the Cat backfield to turn the game into a rout. Boone, Talamini, Mueller, Cain, Hodge, Howard, Rodgers, and Johns turned in the magnificent defensive display. The backfield of Bird, Hughes, Sturgeon, and Shaw starred in the offense.

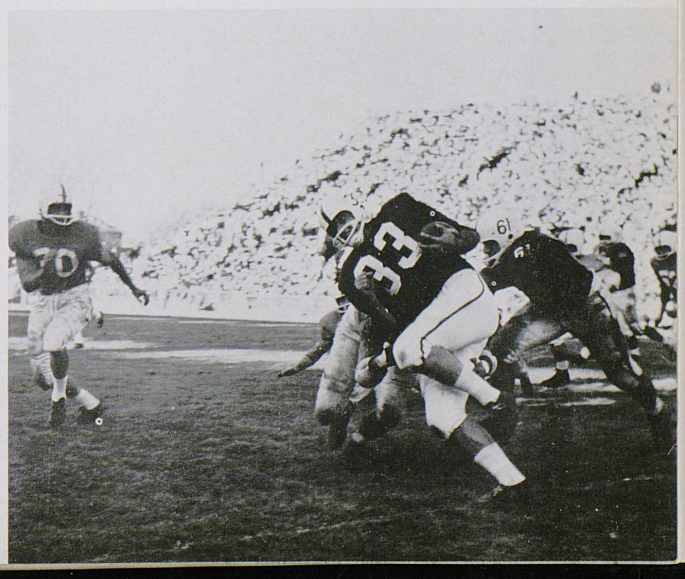

Bird and Shaw were off to a quick start in the first quarter. After an exchange of punts, Kentucky gained possession on the Volunteer 49. Nine bone-crushing plays later the ball rested on the Tennessee four, with fourth down and one to go. Bird got the ball on a hand-off, and sped over right end to tally Kentucky's first TD. Bird also added the extra point.

The frenzy was hardly over when Tennessee's Etter again tried a quick kick. Bob Hunt charged in to block it, and End Ronnnie Cain plucked the ball out of the air, and carried it to the Vol five. After Shaw carried to the one, the ball was again given to Bird. The speedy halfback ran back to the twelve, and then followed a path cleared by jarring blocks into the end zone.

Not more than two minutes had passed in the second half when Bird took a Tennessee punt on his own 38, and executed one of the most brilliant plays of his career, carrying the ball through several Vol tacklers and into the Tennessee end zone.

Tennessee finally got rolling in the third, but Lloyd Hodge stopped a key play on the Kentucky 17, ending the threat.

The Kentucky Kittens opened their 1959 campaign September 26 by defeating Vanderbilt's Baby Commodores 13-6, at Nashville. Clarkie Mayfield put the Kittens in front with two field goals in the first half, but the Vandy frosh came back to tie the score at 6-6, late in the final quarter. Quarterback Jerry Woolum of the Kittens then took over to lead his team to the game winning TD with 58 seconds remaining in the game. The score came on a pass from Woolum to end Tom Hutchison, with Mayfield kicking the extra point.

In their second encounter of the season the Kittens took on, and defeated the Bearkittens of Cincinnati by the score of 20-12. Herb Conley scored first for the Kittens, taking the ball over from the Cincy six. Bill Davidson added a second TD in the second quarter and Clarkie Mayfield's second conversion of the day made the score 14-6. The Bearkittens scored a second time, but Jerry Woolum threw to Tom Hutchison for the game clinching Kitten score.

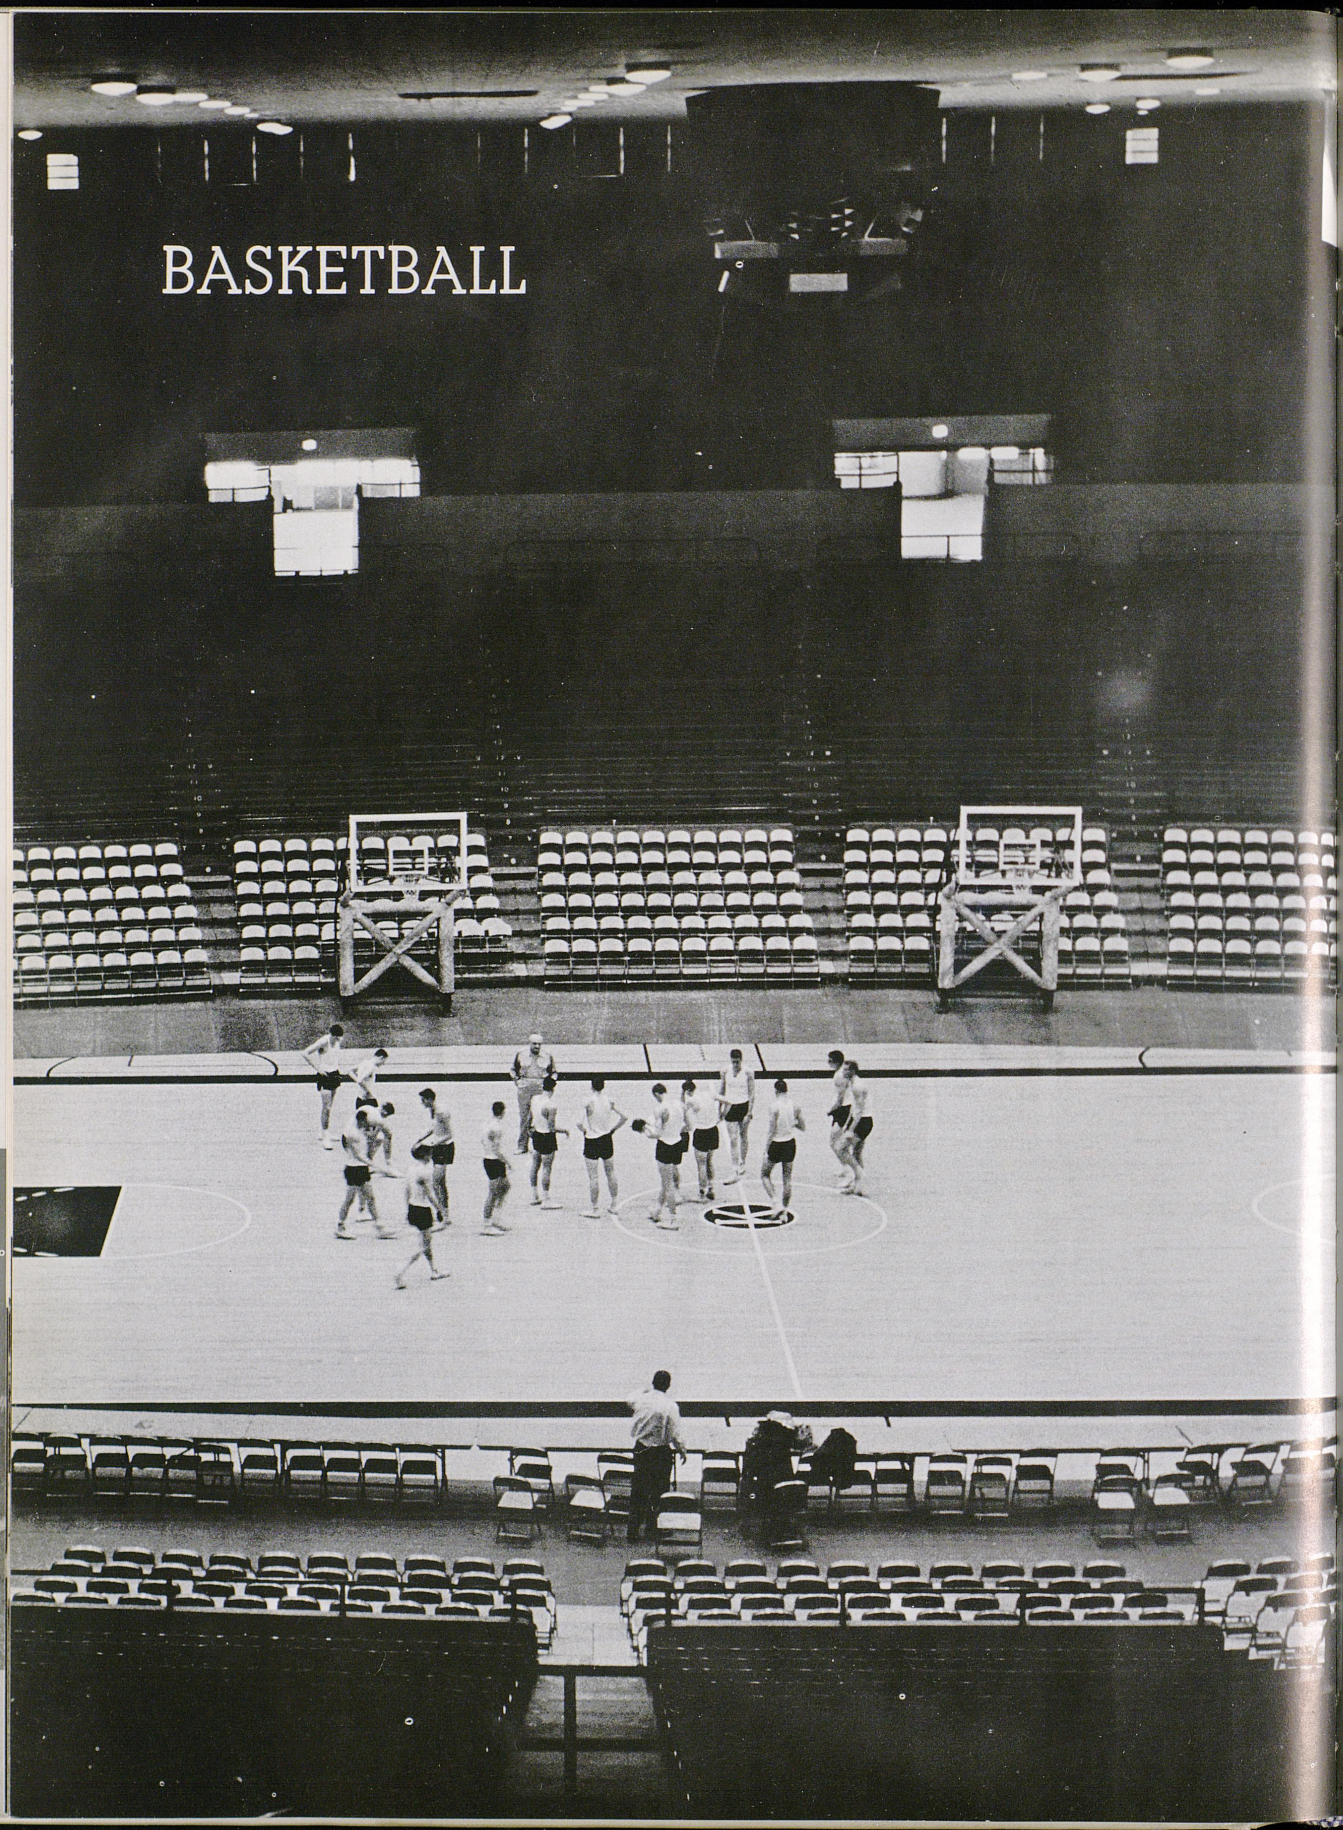

The Kitten string of eleven games without a loss came to an end November 6, as the Baby Vols came to town and defeated the Kittens, 17-13. Pat Counts, Herb Conley, and Bobby Reeves led the Kittens first scoring drive, which was climaxed by another Woolum-Hutchison TD pass. Bill Davidson took over as quarterback, and completed 5 of 6 passes to move the Kittens 90 yards for their final score. Gary Steward caught a Davidson pass for the touchdown.

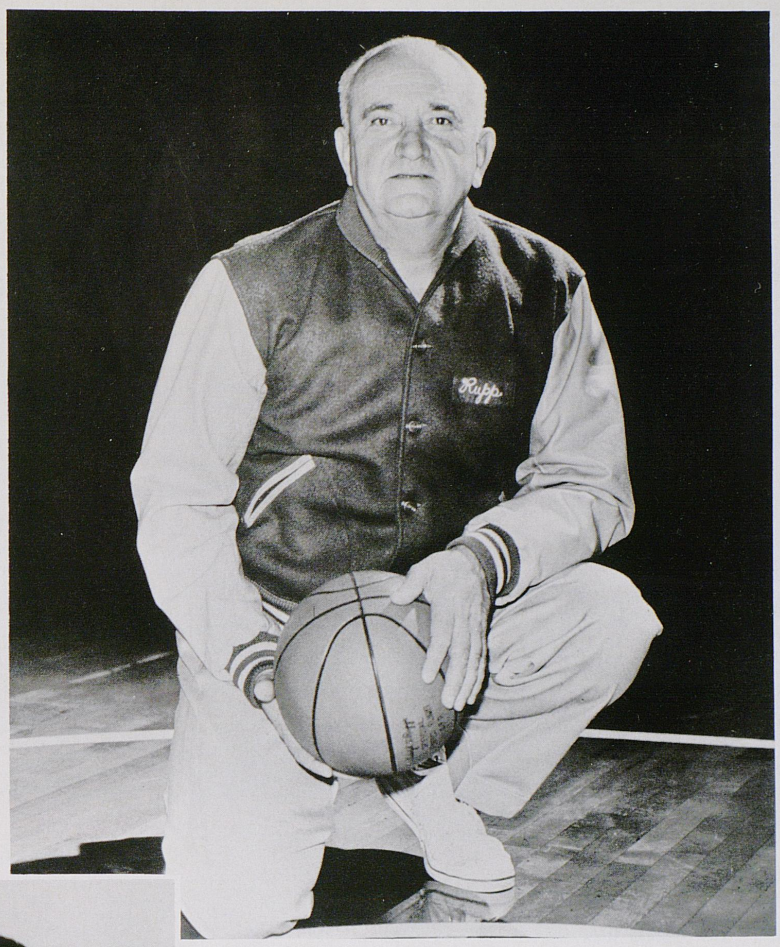

Coached by Ed Rutledge, the 1959 Kittens are loaded with top talent and big boys. Seven were first team All-Staters, and several boys tip the scales at well over 210 pounds. Thirty of the 45 frosh hail from Kentucky, six come from Ohio, three from Florida, and two each from Indiana, Tennessee, and Pennsylvania. The group shows much promise, and should be well received by the Varsity next year.

Coach Rupp with the co-captains of the Wildcats, Don Mills (left) and Bill Lickert.

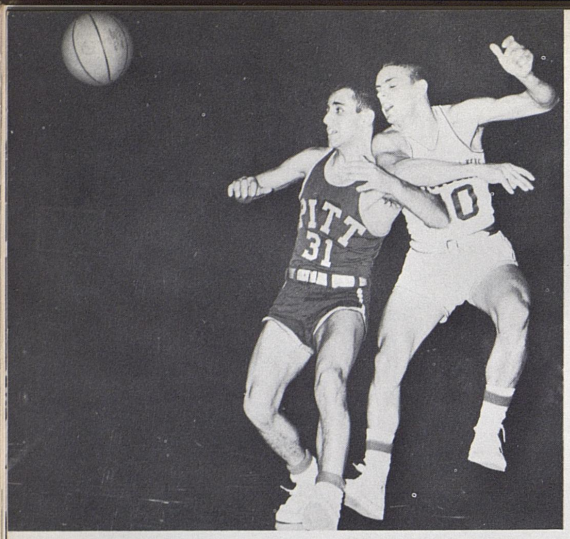

Allen Feldhaus (32) and Bennie Coffman surround a loose ball in the Cats opener with Colorado State.

The Wildcats of Kentucky finished their 30th season under Coach Adolph Rupp with a 18-7 record, their second worst since Rupp has been at UK. Four of the losses were to SEC foes, and two of these four came at the hands of Georgia Tech. The Cats started the season with a roar against Colorado State, setting an opening game record by scoring 107 points; but they soon cooled down, dropping three of their first seven games. After the grueling December schedule the Wildcats started conference play with their first loss to Tech, followed by four wins and then the other loss to the Engineers. Hopes for at least a tie in the SEC were dimmed when Auburn defeated the Cats 61-60 in a thrilling contest. Tennessee added the last UK defeat with an upset victory over the weary Kentuckians. The season was by no means an unsuccessful one however, as the Wildcats defeated such national powers as Ohio State, Kansas, North Carolina, and Temple.

Ned Jennings (4) in one of his familiar poses.

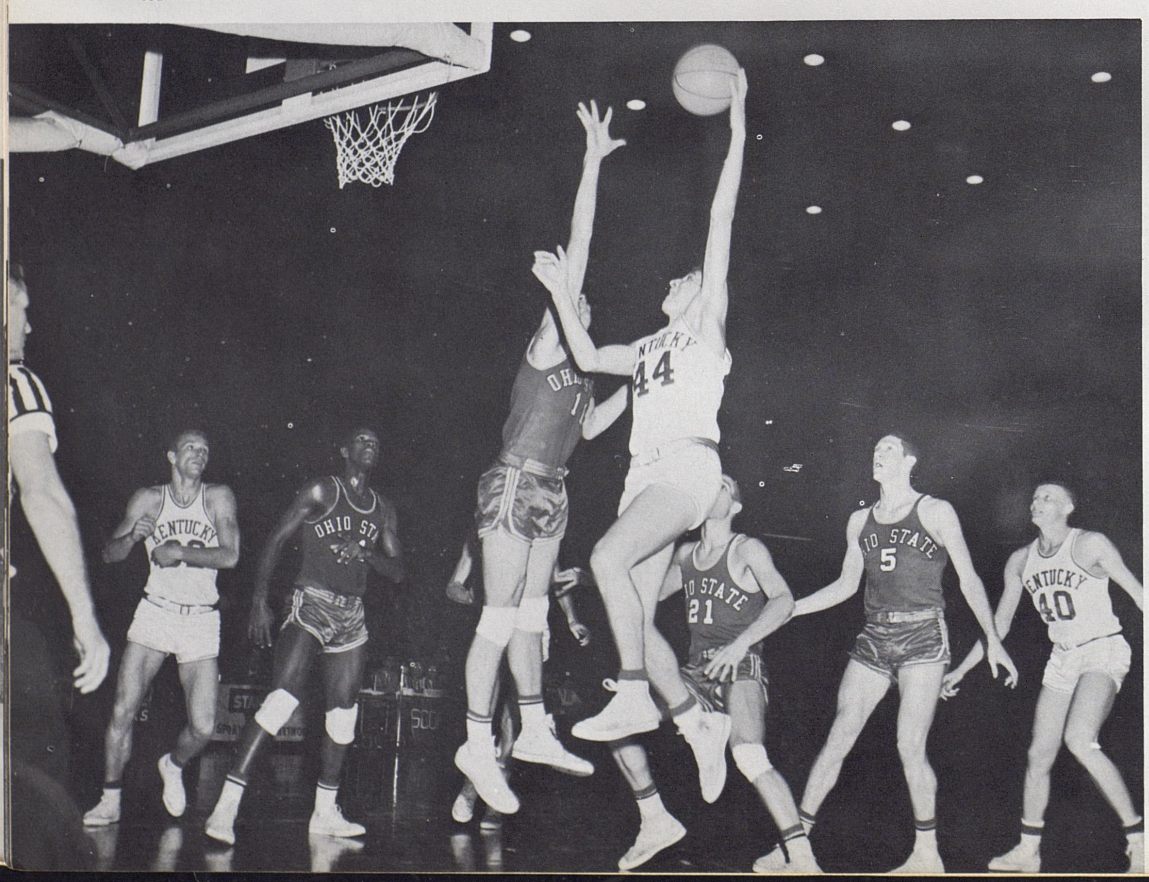

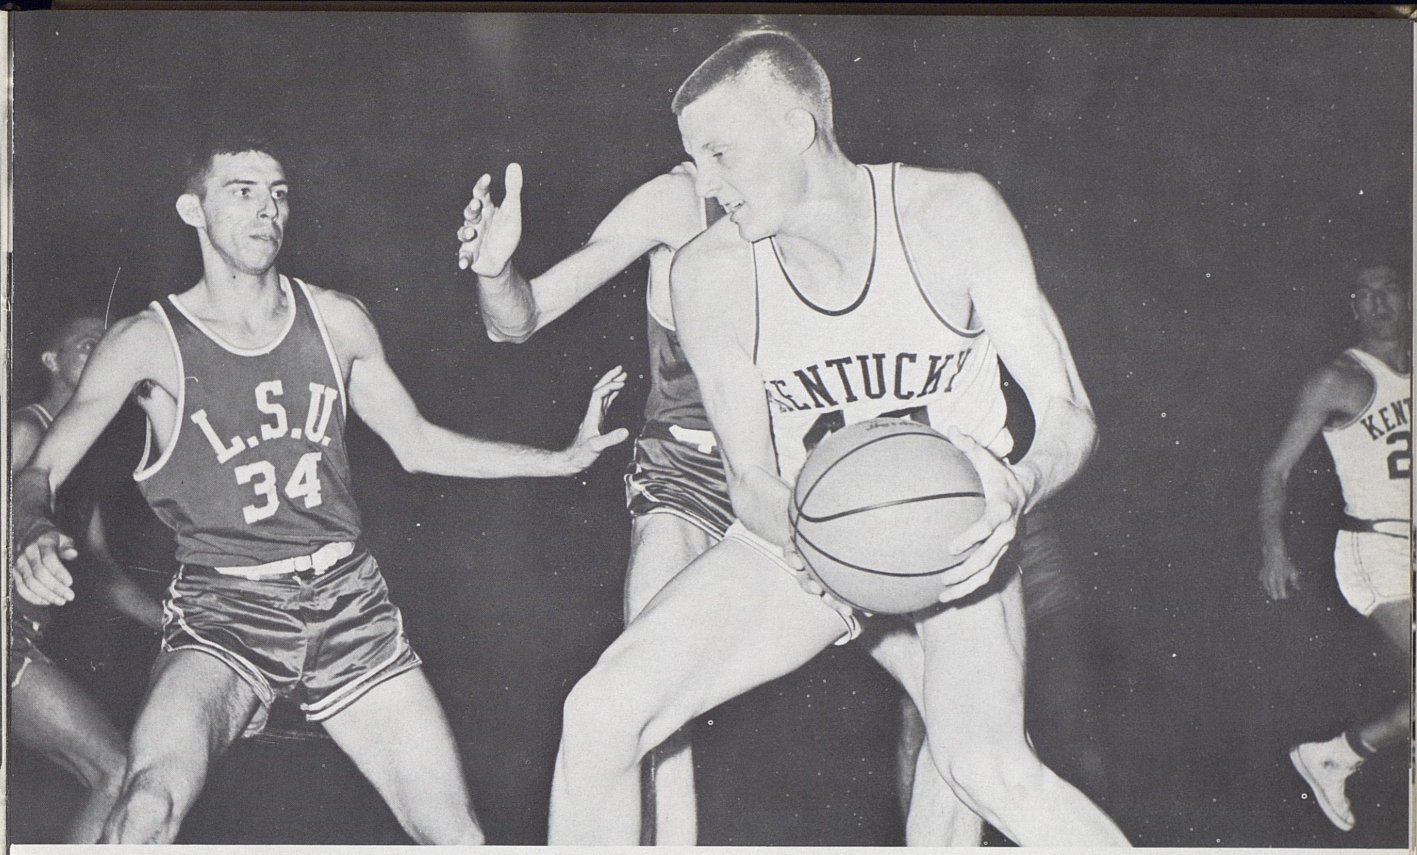

Scrappy Dickie Parsons and a Pittsburgh player seem to be in pain as the ball soars away from them.

Bill Lickert drives in, with All-American Jerry Lucas attempting to block the shot.

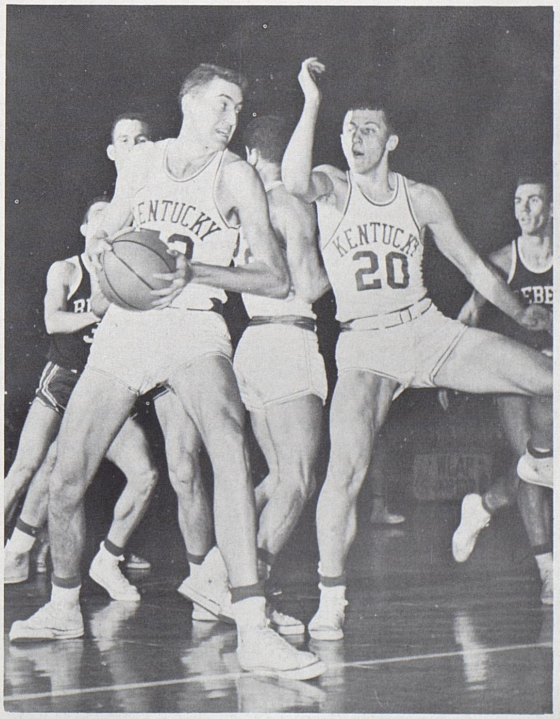

Senior Don Mills pulls in another rebound. His season total of 323 was double that of any of his team mates.

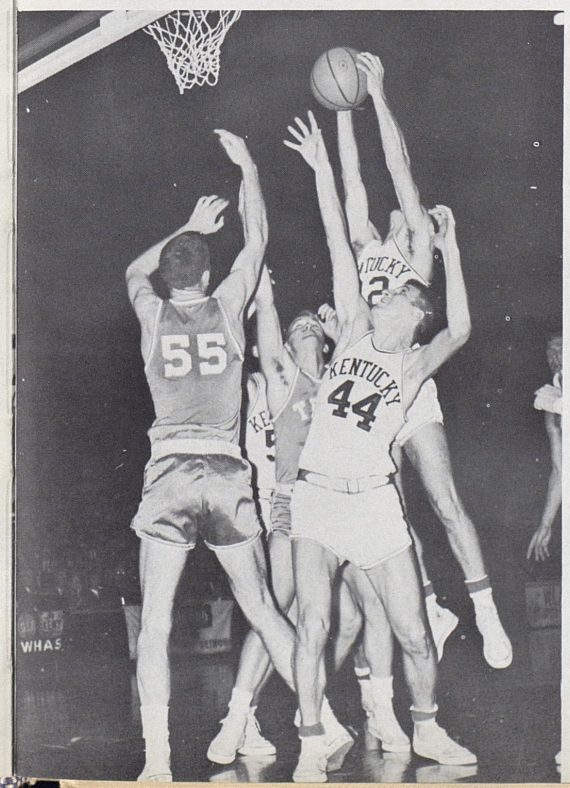

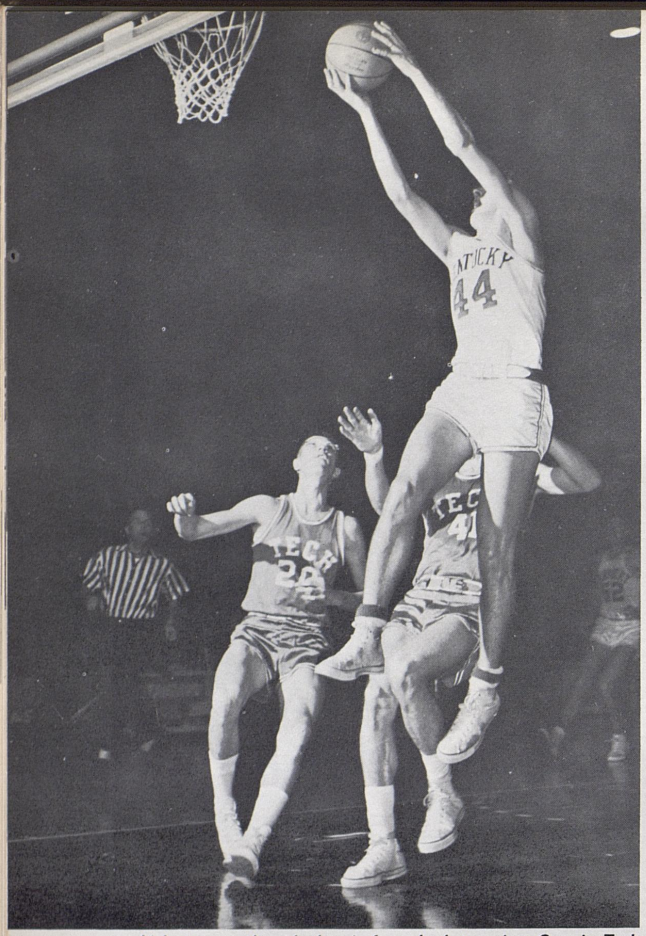

Sophomore Carroll Burchett seems to have control of the situation as he fakes the defense. Burchett came into his own against Vanderbilt, scoring 24 points, and was a threat to the opposition for the remainder of the season.

Don Mills and Sophomore Jim McDonald (20) in action.

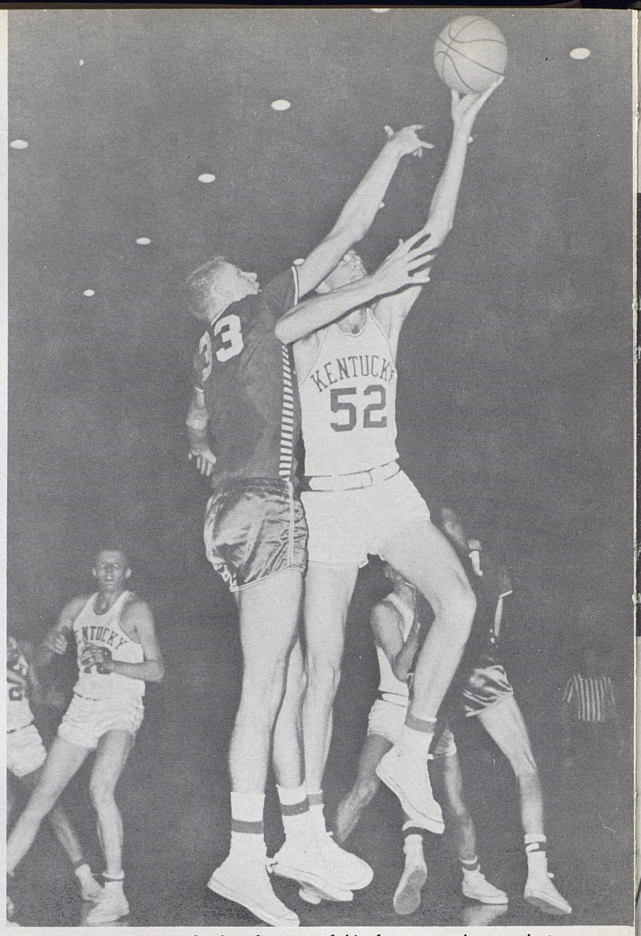

This flat-footed position is expressive of the Wildcats' play against Georgia Tech. Both games were terrible from the Kentucky viewpoint, with the Cats hitting 16.3 percent of their shots at Atlanta.

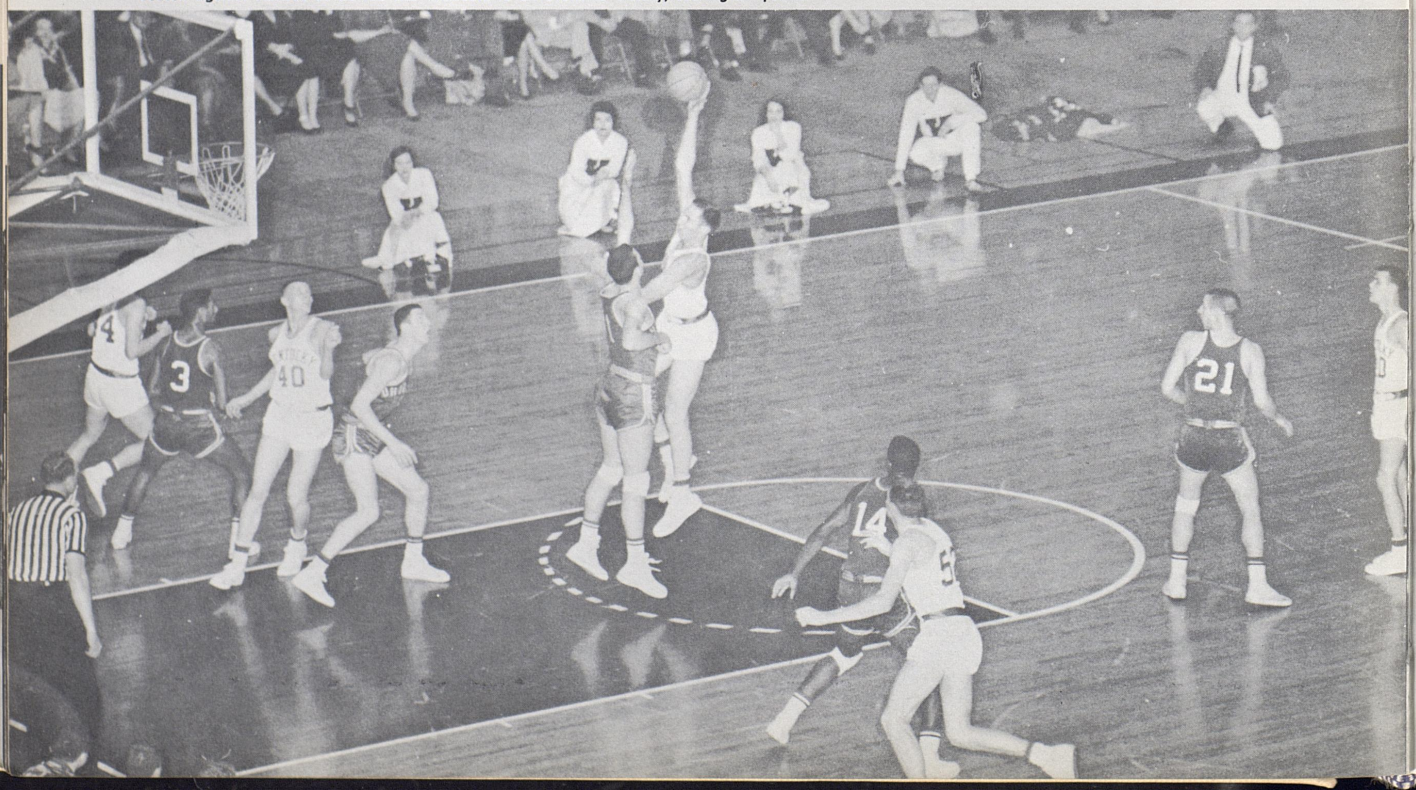

Lickert soars through the air for a bucket against Georgia Tech.

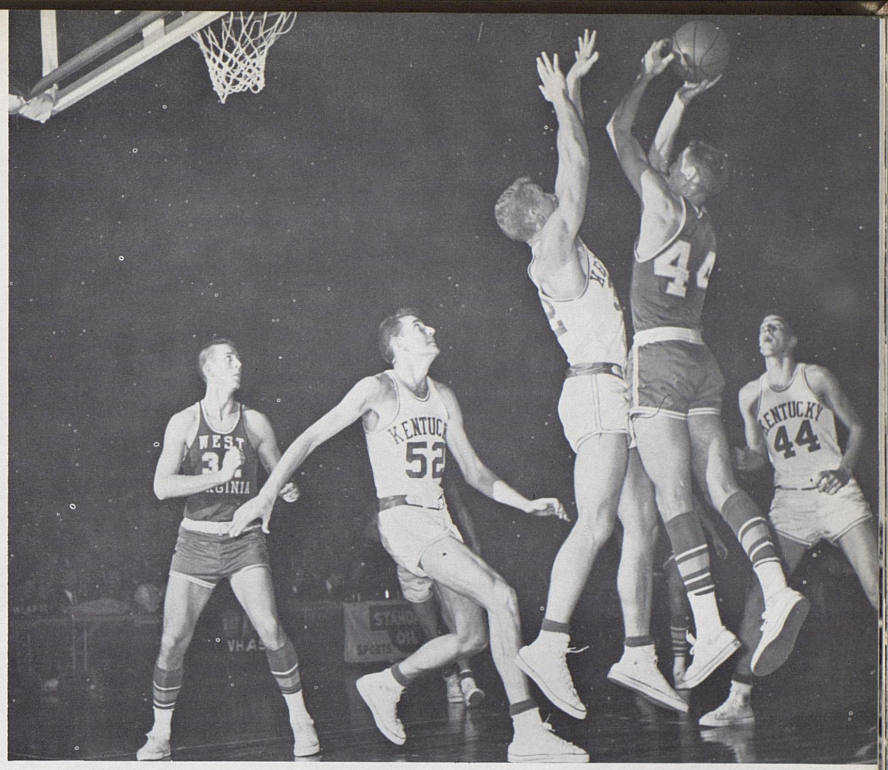

Mills goes up with a soft shot for two of his fourteen points against Tulane. His season high, which was also high for the team, was 30 points, scored against Florida.

Ned Jennings hooks high over the head of Ohio State's Lucas. Jennings played his best game of the season against Kansas as he led the Wildcats to an overtime victory, scoring 27 points.

Co-captains Willie Akers and Jerry West are shown accepting West Virginia's second UKIT Championship trophy.

All-American Jerry West, guarded by Allen Feldhaus, goes up for the score. Looking on are Don Mills and Bill Lickert (44).

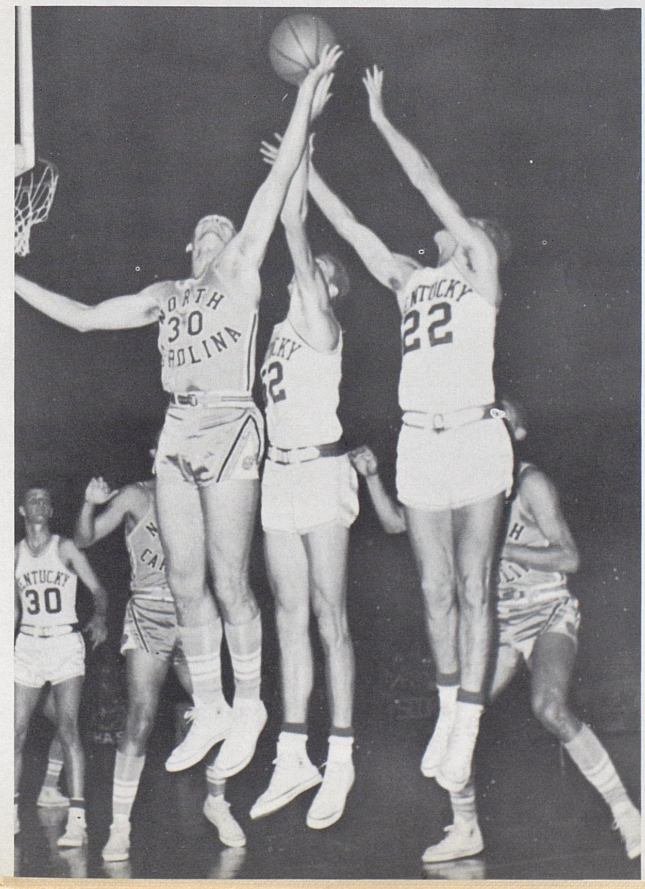

UKIT

The University of Kentucky Invitational Tournament, held December 18-19, attracted St. Louis, North Carolina, and West Virginia, three of the top-ranked teams in the nation. When the action was over, West Virginia had taken their second UKIT title in three years.

Friday night action saw UK pull past North Carolina 76-70, and West Virginia barely squeeze by St. Louis 87-86. The wins by West Virginia and Kentucky advanced them to the finals where they met for the second straight year. In the St. Louis-West Virginia game Jerry West of WVU was the whole show as he tossed in 37 points for a new tourney high, and grabbed 22 rebounds. The Cats were led over North Carolina by Bennie Coffman with 30 points.

The championship tilt was a grueling, hard fought battle, with West Virginia coming out on top, 79-70. West again was the big gun, although he played much of the game with a broken nose. Coffman again took high point honors for Kentucky with 20. In the consolation game St. Louis handed North Carolina their second loss of the year, 68-52, to take third place honors.

The All-Tournament Team for this seventh UKIT included Jerry West, Coffman, Shaffer of North Carolina, McCaffrey of St. Louis, and Patrone of West Virginia.

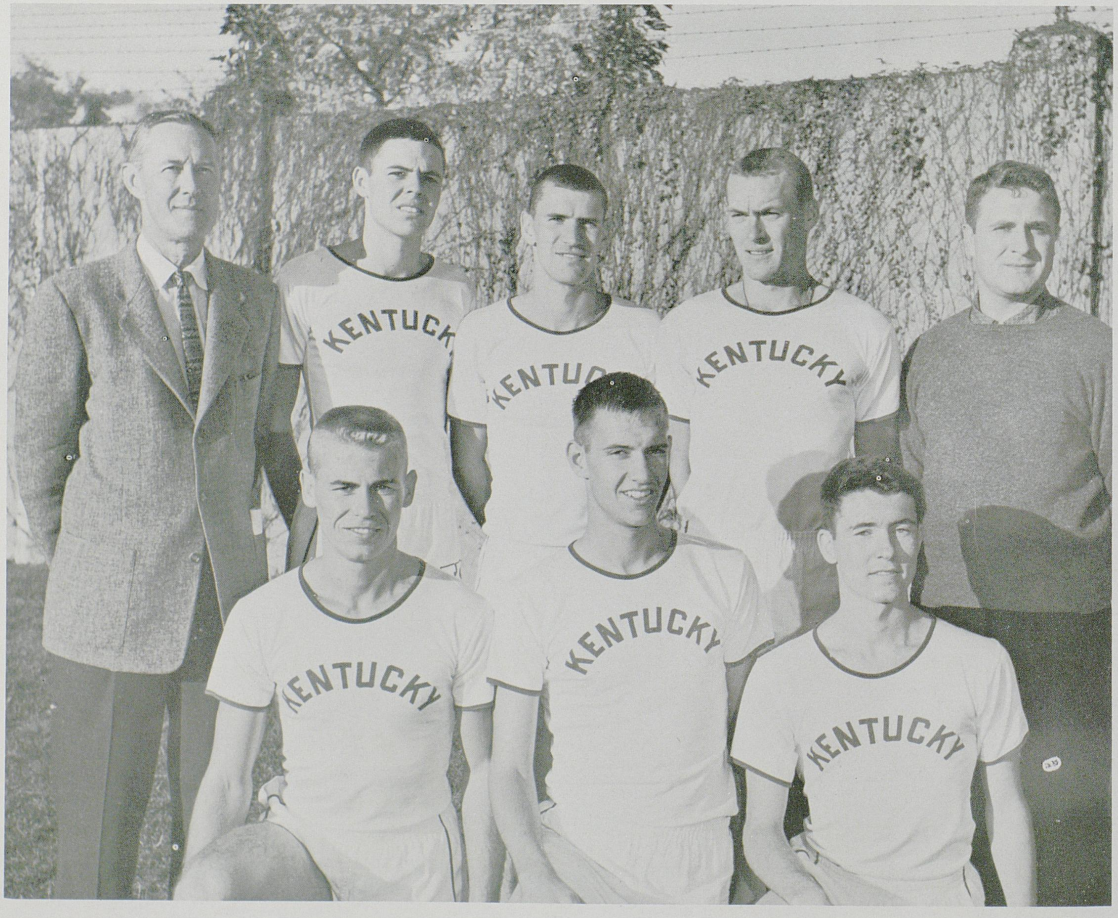

Cohen and Mills of Kentucky leap with a Tar Heel durnig the second game of the UKIT. The Wildcats won 76-70.

CROSS-COUNTRY

Alpha Epsilon Delta

Alpha Epsilon Delta was founded at the University of Alabama, April 28, 1926. It consists of 74 active chapters. The total national membership totals 18,900.

The Kentucky Beta chapter received its charter on May 11, 1959. The initiation took place Sunday afternoon May 11, 1959, and was followed by a banquet at the Campbell House. The actual installation was performed by Dr. Lloyd Gribble, National President, Dr. Maurice L. Moore, National Secretary, and members of the Kentucky Alpha chapter at the University of Louisville. Following the presentation of the charter and a talk by Dr. Gribble, the guest speaker, Dr. Richard Noback, Assistant Dean of the new medical school was introduced. Dr. Noback compared the similarity of position of the new medical school with the new chapter of Alpha Epsilon Delta since they both were starting down a new road with very bright futures. He also cited the purposes of the new medical center and the state's need for more doctors. Last but certainly not least Bob Chambliss was presented an Alpha Epsilon Delta key for his outstanding work in organizing the chapter.

Alpha Lambda Delta

Alpha Lambda Delta honors freshman women who attain a 3.5 standing in their first semester.

Alpha Lambda Delta was founded in 1924 at the University of Illinois; the Kentucky chapter was installed on this campus in 1940. Its purpose is to promote and encourage intelligent living, a high standard of learning, and superior scholastic attainment among freshman women.

The organization's activities during the year included ushering at Baccalaureate and Commencement exercises, maintaining an information booth at the Activities Night program during orientation week, and holding a "B-Standing" party for the freshmen at the end of the first semester.

Alpha Zeta

Alpha Zeta is a national honorary fraternity, which bases membership on character, leadership, and a minimum scholastic standing of 3.0.

Alpha Zeta has various activities during the school year. The chapter members are in charge of the ballot boxes in all agriculture campus elections and some campus wide elections. This year Alpha Zeta began a seminar program for all agriculture seniors to help them prepare for job interviews. The speakers were Kroger Company employees, UK placement service, and agricultural college staff members. The chapter proposes to have this program for all university seniors in the near future.

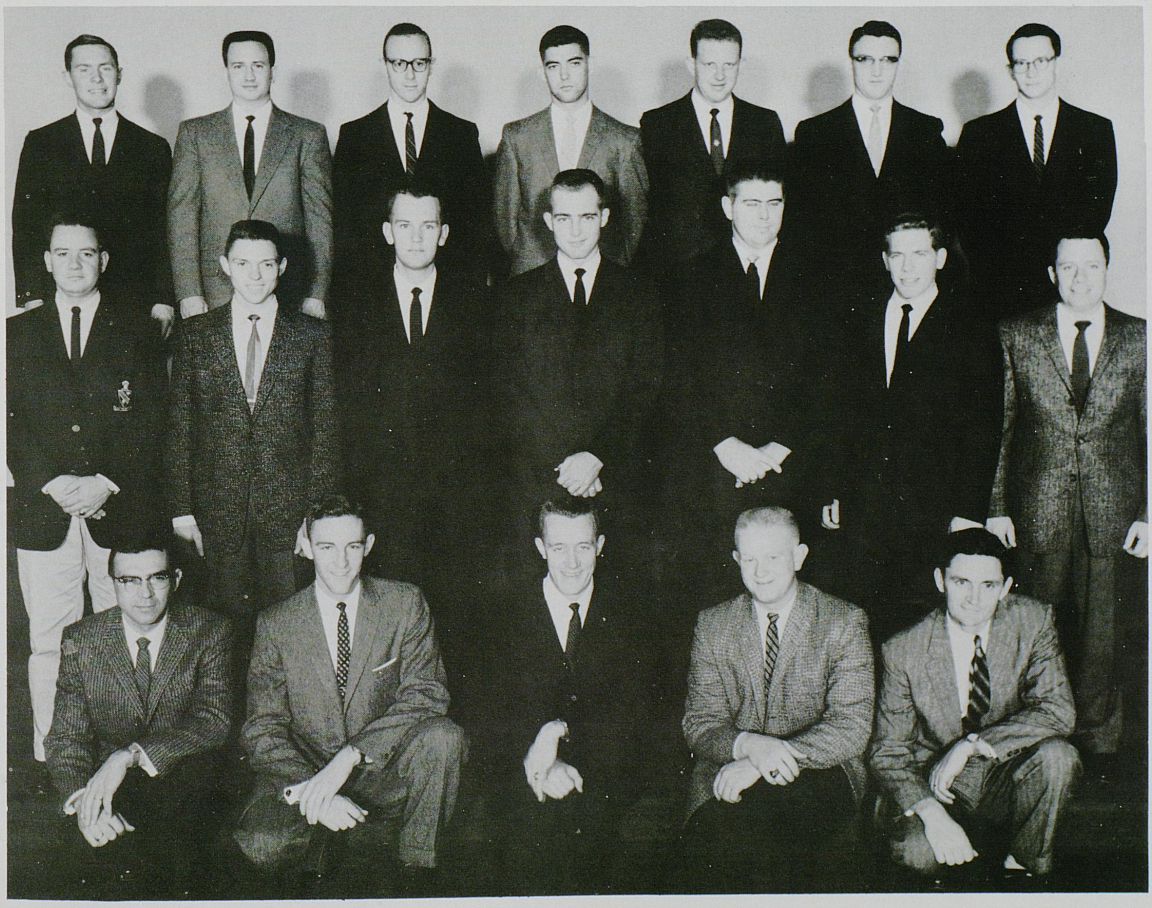

Other activities include an annual alumni banquet, scholastic aid to agricultural freshmen and awards to the outstanding freshman boy.

American Institute of Electrical Engineers

The American Institute of Electrical Engineers is a professional electrical engineers club which meets weekly for talks and discussions. The group is composed of upper classmen eligible for student membership in the national parent society.

During the spring semester a contest was held in conjunction with other AIEE societies in the nation. It involved the writing and presenting of a paper on some phase of electrical engineering.

Architectural Engineers

The purpose of the Architectural Engineering Student organization is to promote social and professional activity, which is enhanced by weekly programs of speakers to stimulate thought and give direction in adjunct fields.

The group takes trips each year to study the architecture of various buildings.

Arnold Air Society

Arnold Air Society is a national organization of outstanding advanced AFROTC cadets, selected on a basis of leadership and scholastic achievement.

Its purpose is to create a closer relationship among advanced cadets and its major aims are to promote American citizenship in the Air Age; to advocate the support of air power; to further the purpose, mission, tradition, and concept of the USAF as a means of national security; and to create a closer, more efficient relationship within the AFROTC.

The local chapter in conjunction with Pershing Rifles and Scabbard & Blade, sponsors an annual Military Ball. It sells name tags and gloves to AFROTC cadets as a service function.

The national society was founded at the University of Cincinnati in 1947. The local chapter, General Albert M. Woody Squadron, was installed at UK in 1948.

Beta Alpha Psi

Beta Alpha Psi, national accounting fraternity, is dedicated to encouraging and fostering the ideal of service as a basis of the accounting profession; to promote the study of accountancy and its highest ethical standards; to act as a medium between professional men, instructors, students, and others interested in development of the study or profession of accountancy, and to develop high moral, scholastic, and professional attainments in its members and the profession in general.

ROW ONE: Lois Goodrich, treasurer; Eleanor Hamilton, secretary; Bobby A. Traugott, vice president; Donald Hill, president.

ROW FOUR: Bill G. Smith, James Ragland, Cecil Bell, Jr., Gene Harris, Kelly Thompson II, Ben Taylor, Arnold Watson.

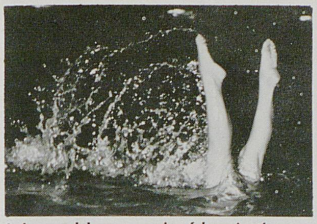

Block and Bridle

The Block and Bridle Club seeks to promote a higher scholastic standing among the students of animal husbandry, especially in phases of animal husbandry work, and to bring about a close relationship between students, faculty and others engaged in animal husbandry.

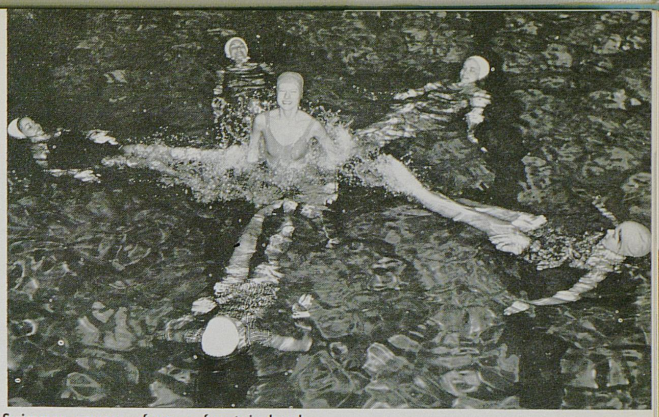

Some principle activities were the annual Fall Festival, available for all student participation consisting of various contests ranging from sheep and cattle judging to a milking contest for girls; a December banquet held in honor of the livestock and meats judging teams; a judging contest in April; and an annual horse show held at the trotting track in May.

The organization was founded at Chicago in 1919 and installed on this campus in 1923.

Canterbury Fellowship

The Canterbury Fellowship began the school year by moving into its new chapel and student center on Rose Street.

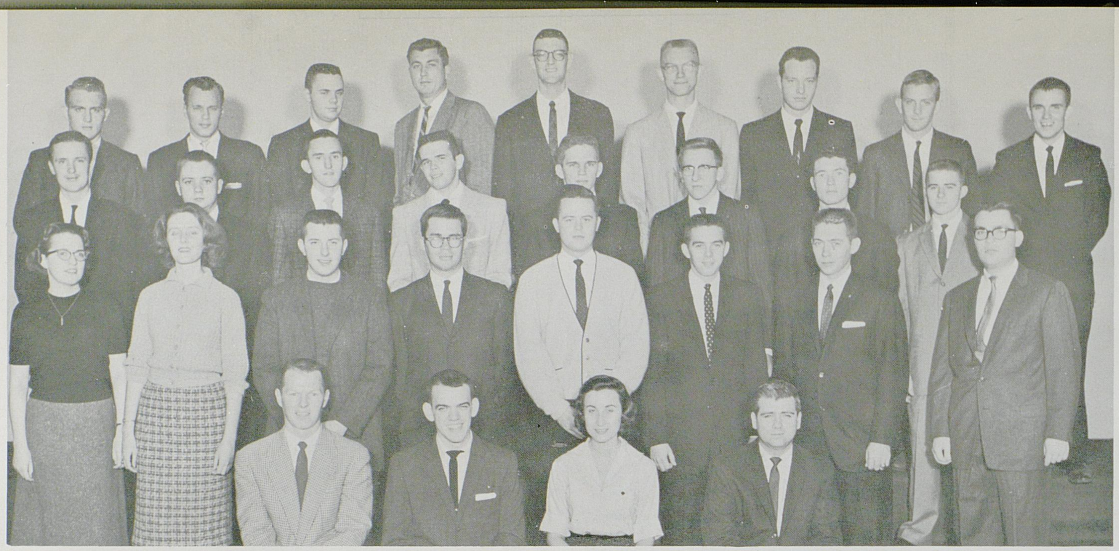

Events on the Canterbury social calendar included a hay ride, a beatnik gathering, and some impromptu sock-hops on weekend evenings. John Jacob Niles, the famous folk singer and collector, gave a concert in December.

The religious program included an annual fall retreat to the Cathedral Domain, regular Sunday evening supper and discussion groups with guest speakers, and daily chapel services at 5 p.m.

Canterbury also played host to the annual Diocesian Convention of Collegiate Youth on Nov. 15.

Chemical Engineers

Chemical engineering is one of the youngest and fastest growing branches of engineering, concerned with situations involving physical and chemical changes.

The chemical engineer works with large-scale equipment, leaving chemistry laboratory work to the chemist.

Chemical engineering was born on this campus in September, 1956, with an enrollment of 21 students and one faculty member. This department has grown to its present enrollment of 110 students and three faculty members. A well-equipped unit operations laboratory was recently added to the physical plant.

This year the club was nationally recognized as a student chapter in the American Institute of Chemical Engineers.

Among the departmental activities were field trips to neighboring industrial centers and entertainment of guest speakers who discussed responsibilities of chemical engineers in industry.

Chi Delta Phi

Chi Delta Phi, women's literary honorary fraternity, was founded to encourage creative writing among talented young women. To become a member of Xi Chapter at UK, a woman student must have been on campus one semester and have maintained a 2.8 overall standing. Applicants for membership must present a creative manuscript to the fraternity for approval. Upper class pledges are accepted in the fall and freshmen are presented at Stars in the Night.

The president of Chi Delta Phi is a member of the Stylus staff and members assist in selling the magazine and contribute to it.

A special project of Chi Delta Phi this year was compiling their own Christmas stories and poems in a booklet for the enjoyment of underprivileged and hospitalized children.

The group has literary speakers at meetings during the year. Socially, the fraternity has a spring banquet for all pledges.

The sponsor of Xi chapter is Dr. Jane Haselden. Xi chapter's roll includes two honorary members—Miss Mary Ellen Rickey, a member of the University English faculty and Mrs. Raymond Wilkie, the author of several historical children's novels.

ROW ONE: Billy Ball, Carleton Godsey, president; Arnold Estep, treasurer; Joe Johnson, vice president; Chester Myers, secretary; Alfred Western.

ROW TWO: Glen A. Bottoms, J. P. Hillier Stivers, Larry Epley, William Proffitt, Jr., Colin Lewis, Joe Fister, Sherrell Helm, Ronnie Henderson.

Chi Epsilon

Chi Epsilon, National Civil Engineering Honorary, is UK's youngest national honorary.

Chi Epsilon was formed on campus in 1959 by a group of civil engineering students. Each of these men was a member of Tau Beta Pi, national honorary for outstanding students in engineering.

The purpose of Chi Epsilon is to recognize students in the department of civil engineering who have attained high scholarship and have met high standards based on integrity, breadth of interest both inside and outside of engineering, adaptability, and unselfish activity.

The colony elected eight new members in the fall, bringing the membership to twenty.

Some of the projects Chi Epsilon had this year were the tutoring of freshman civil engineering students and the presentation of an award to the freshman civil student with the highest scholastic standing.

Choristers

Members are: Betty Allison, Alice Broadbent, Betty Burgin, Janice Cook, Peggy Davis, Alice Evenburgh, Ruth Gaitskill, Margaret Hannin, Valerie Hembree, Sarabel Hieronymus, Joyce Ison, Donna Kelly, Elaine Kiviniemi, Ann Maglinger, Shelah Miller, Charlotte Montgomery, Marcia Morgan, Pauletta Owens, Lillian Prater, Sue Puffenberger, Sue Searles, Judith Sullivan, Tarasa Travis, Sarah Utterback, Patricia Wallace, Diana Wilson, Marcia Winfrey, Cora Wright.

Baptist Student Union

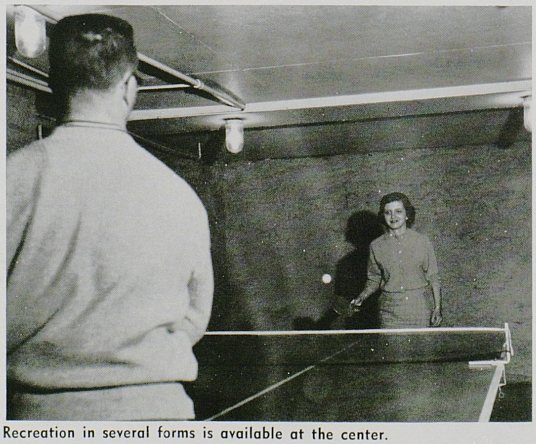

The Baptist Student Center, 371 South Limestone, houses most of the activities of the BSU and serves as a "home-away-from-home" for students. Facilities include a chapel, date parlor, lounge, music room, ping pong, shuffleboard, kitchen, library, study, and photo darkroom.

Many students take time out each day to participate in group devotions at the center. Planned by and for students, these programs seek to confront and stimulate the individual with issues relevant to college life.

A variety of parties provide opportunities to meet people and to have a good time. Recreation is encouraged through BSU participation in the University intramural program, and opportunities for service come as students conduct missions in Lexington. The BSU Choir annually tours churches in Kentucky.

This bulletin board suggests some of the many activities of the group.

Recreation in several forms is available at the center.

Cwens

Cwens, the sophomore women's honorary, initiates girls who have an overall 3.0 standing and are active in campus activities.

Its members are active on campus, serving as ushers for various University functions and helping as hostesses at teas. Their biggest projects this year were a Chrsitmas party for old people, candy and calendar sales, a tea for UK freshman women with a 3.0 standing, a banquet for new initiates, and promotion of good scholarship.

The UK chapter was represented at a state day for all Kentucky chapters at Eastern State College in Richmond.

Dairy Club

The UK Dairy Science Club is primarily for undergraduates interested in dairy manufacturing or production. Monthly meetings consist of business transactions, a program, and refreshments from the dairy plant.

It serves both students interested in dairying and men of the industry. Food and refreshments are served by the club at sales and short courses and the group serves a homecoming breakfast. This aids in bringing the students together with the men in the dairy industry. An outstanding Kentucky dairyman, either in production or manufacturing, is honored by the club at its annual honor banquet.

Student interest is stimulated by holding a showmanship contest in the fall and a judging contest in the spring. The year's events are summarized in an annual produced by the club.

Stewart Berryman, Carl Caudell, Robert Walton, coach Glenn Goebel, and Roger Woeste are members of the Dairy Club. They won the title of 1959 National Intercollegiate Dairy Cattle Judging Team this year.

Delta Sigma Pi

Eta chapter was established on this campus in 1920. Its first president was Cecil C. Carpenter, now dean of the College of Commerce. Members of Eta chapter now connected with the University include President Emeritus Frank L. McVey; Dr. Robert D. Haun, Dr. Walter Jennings, and Prof. R. D. McInture, and all of the college of commerce faculty. Mr. Clyde F. Irwin is the present faculty adviser.

Eta chapter sponsors a professional program consisting of business speakers, tours, and films. Dr. Ralph Pickett; Charles F. Hardy, director of public relations for Delco-Remy Division of General Motors; and Mr. Sam Parish, Sales Manager of I.B.M., were several of this year's speakers.

Eta chapter toured the I.B.M. Corporation and the General Electric plant in Louisville this year. It has made tours through Procter and Gamble, Ford, I.B.M., and the Old Taylor Distillery in the past few years.

The chapter held its annual initiation banquet in the La Flame restaurant this year. The chapter also holds an annual picnic in honor of the graduating seniors.

ROW ONE: J. D. Warmington II, Sr. vice president; Willard Stice, secretary; Bill Alexander, historian; Clyde Irwin, Faculty advisor; Robert Burns, chapter advisor; Wayne Riddle, Jr., vice president; Howard Erwin, president; Joseph Malloy, treasurer.

Guest speakers often speak to members of the Disciple Student Fellowship at their weekly forum meetings.

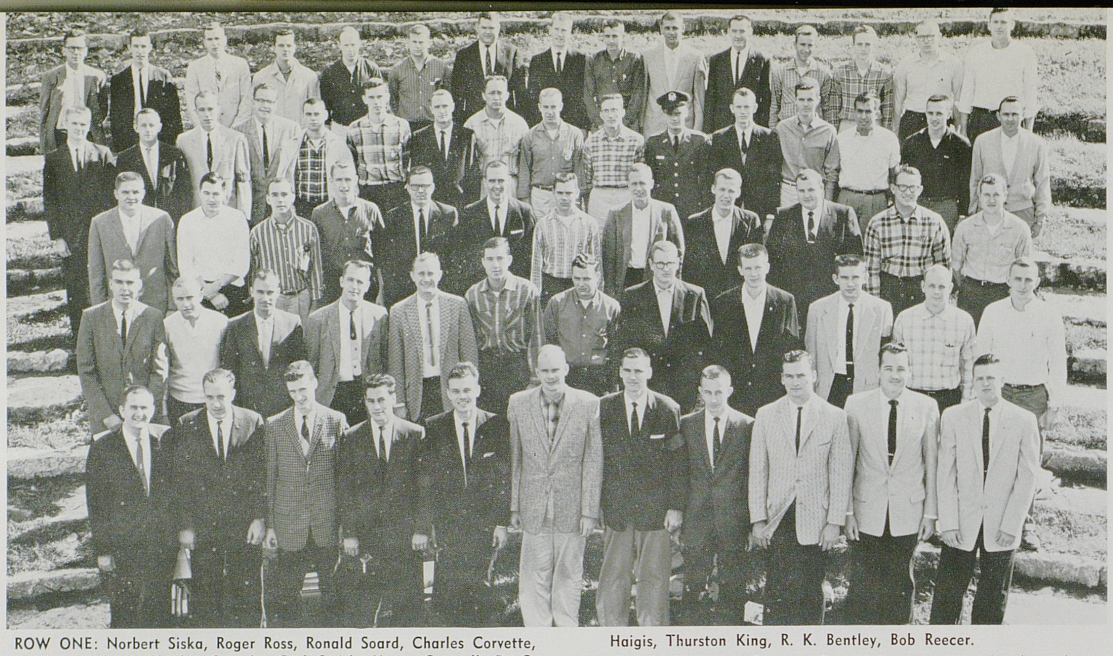

Disciple Student Fellowship

The Disciples Student Fellowship is a church-centered fellowship of the Christian Church (Disciples of Christ). It strives to meet the Christian student's needs while on campus.

The DSF program at UK is conducted by a joint committee from Woodland, Central, and Victory Christian Churches. Miss Mary Ellen LaRue, campus minister, works closely with this committee.

DSF activities include noonday meditations on Mondays and Wednesdays in the SUB, discussion groups, faculty firesides, and open houses after athletic events. It participates in such campus-wide events as the Interfaith Breakfast, College Night, and intramural sports.

Committee members for this year were Bert Roark and Bobby Steger, co-chairmen; Wayne Goodaker, campus relations chairman; Pat Harris, worship chairman; Becky Hudson, recreation chairman; Bart Dickinson, church relations chairman; Eddie Foree, study chairman, and Bobby Steger, recording secretary.

The Engineering Student Council is the governing body of the students in the College of Engineering. Installed on campus in 1946, the council represents the Engineering College in all official University affairs and fosters cooperation between the student body and the engineering faculty. It conveys student ideas and complaints to the staff and helps plan and promote functions and events held by the college.

The Council consists of two representatives, the president and one elected representative, from each departmental engineering assembly. A faculty advisor is chosen by the Council. This year's advisor was Prof. Staley F. Adams.

The Council annually sponsors student activities such as the engineering dances and Engineer's Day.

Eta Kappa Nu

Eta Kappa Nu is the national honor society for electrical engineering students. The local chapter was installed in 1948.

To become eligible for membership a junior student must rank in the top third of his class, have a 2.8 standing and meet high personal qualification standards.

Among activities sponsored by Eta Kappa Nu are the annual picnic, a sliderule course for freshman electrical engineering students, maintenance of a display case, weekly sayings, and supervision of Engineers Day projects.

4 - H Club

The purpose of the 4-H Club, established at UK in 1927, is to promote friendship bonds among members and to keep former members up to date in agriculture and home economics information. Programs consist of speakers in various fields, films on 4-H work in other lands, and panel discussions.

The group celebrates a Lost Weekend each spring at Camp Bingham, for a weekend of fun and relaxation. Members attend from throughout the state.

The UK club presents trophies to the outstanding boy and girl at 4-H Club Week held on campus each spring.

Guignol Players

Guignol Players is open to both men and women interested in dramatics—including acting, directing, lighting, costumes, makeup, and stagecraft.

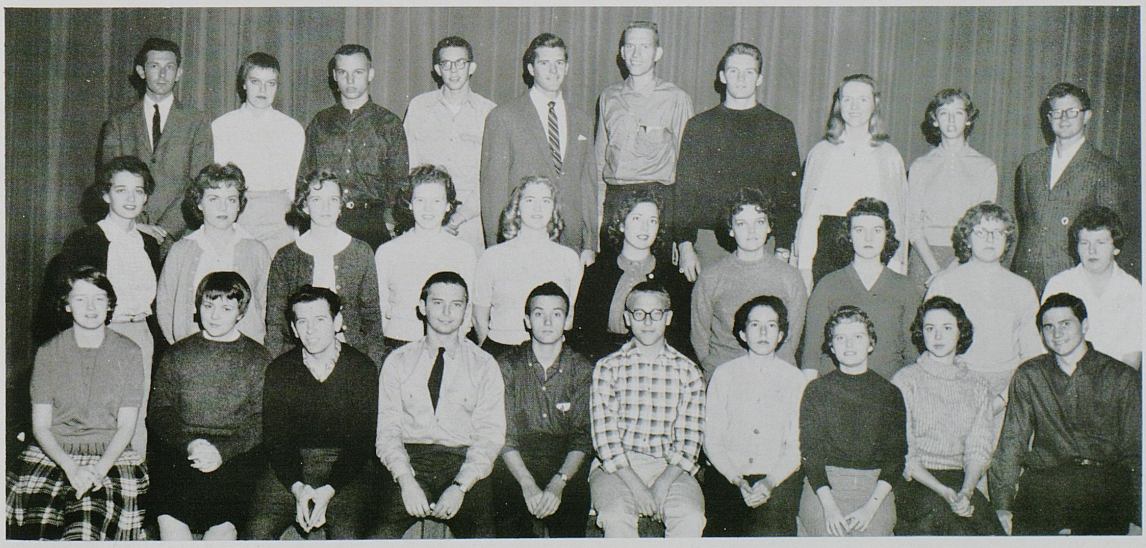

One-act plays, readings, and cuttings are presented at weekly meetings. The group criticizes these presentations.

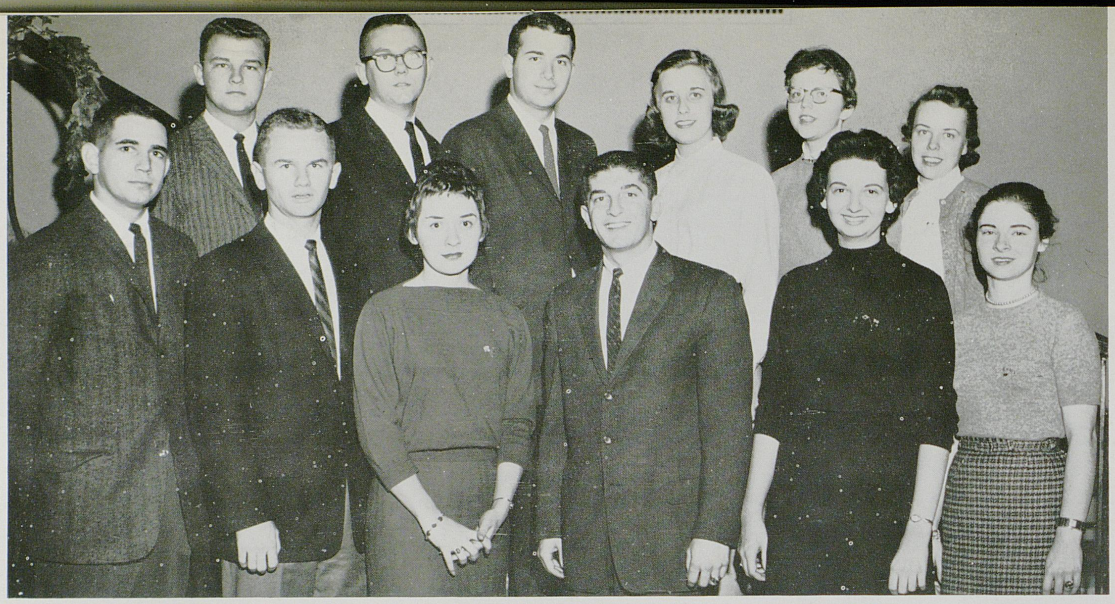

A number of productions were put on by the group this year, including "Our Town" and a group of one-act plays in the spring.

ROW FOUR: Donald Lynam, Lauren Fleischmann, Ben Crain, John Mathis, Dan Sweeney, Fred Haas.

Hillel Foundation

Hillel activities for the year were the presentation of religious services, a trip to the Narcotics Hospital, a stereo demonstration program, and a basketball movie with discussion led by Sid Cohen, UK basketball player.

Dinner meetings included various guest speakers, one of which was Prophet Irvin of Steinberg's Tabernacle.

Stuart Goldfarb, a member of Hillel, was vice president of Interfaith Council; Margaret Richlin was secretary of the council.

Hillel's advisor this year, and also a senior at Hebrew Union College, was Rabbi Alan Weitzman.

ROW ONE: Irvin Steinberg, president; Donald Dreyfuss, vice-president; Margie Richlin, treasurer; Robert Branson, secretary.

ROW TWO: Ronald Fleischman, religious chairman; Steve Hyman, publicity chairman; Shelton Mann, social chairman; Kenny Rosenberg, program chairman; Roger Cornbleet, cultural chairman.

ROW ONE: Betty Ann Foley, president; Kathleen Poore, vice president; Barbara Landrum, recording secretary; Alice Gadberry, corresponding secretary; Jane Clark, treasurer; Kay Kuster, song leader; June Foy, publicity; Bettie Renaker, senior student adviser; Myra Leigh Tobin, sophomore student adviser; Trudy Thompson, social chairman; Becky Carloss, historian; Lynn Crutcher, international chairman; Pat Solomon, state membership chairman.

Home Ec Club

The Home Economics Club is one of the larger campus organizations for women. The club was presented a cup for the "Outstanding Women's Organization" last year. Members are students interested in professional home economics and homemaking.

The 50th anniversary of the American Home Economics Association was celebrated this year. The local club is affiliated with the national association and two delegates were sent to the national convention in Milwaukee last June.

The state convention, KHEA, was held at the Phoenix Hotel in November. The club was honored by having a member elected to serve as state officer.

The Home Ec Club meets twice monthly. Its program for this year was "Look, it's time for living!" Using magazine titles as program subjects, the group studied home economics careers, held joint meetings and parties with the ag boys, entertained foreign students with a U.N. Day tea, participated in Opportunity Day, and sponsored a Christmas bazaar and luncheon.

A formal initiation banquet was given for new members second semester.

ROW ONE: D. J. Cotter, Advisor; Charles Beyer, president; Phillip Shelby, vice president; Ray L. Adams, secretary and treasurer; D. C. Martin, Advisor.
ROW TWO: Fred Shank, Bill Cordle, James Muth, George Basau, Lawrence Lose, Michael Wall.

Hort Club

Members of the Hort Club gain experience through cooperation in money-making activities and in contest participation.

When fall apples ripen, cider making starts. The cider press goes full force every Thursday afternoon until Halloween. The funds from this project send a vegetable judging team to participate in a national inter-collegiate vegetable judging contest. This year it was held at Atlantic City, New Jersey.

The aspects of horticulture which are not covered by contests and activities are supplemented by speakers representing various fields of horticulture at monthly meetings, which also include "shop talk" over a glass of cold cider.

With the oncoming of spring, flower seeds are planted for a spring plant sale. Last spring and summer the Club participated in the Kentucky State Gladiolus Show at Donovan Hall.

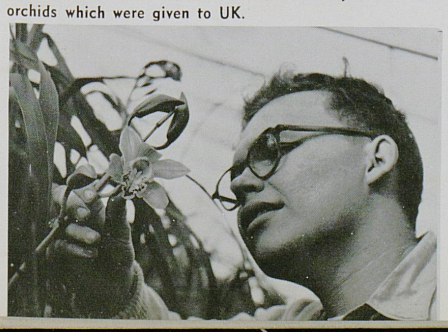

The social calendar is highlighted by a fall and spring picnic, which includes a softball game between staff members and students.

The Hort Club is open to students in any field of agriculture or related science.

Bill Cordle prepares new sprouts with fertilizer and mulch, using shears to clip suitable size stems.

Larry Lose examines the first bloom of a shipment of 500 orchids which were given to UK.

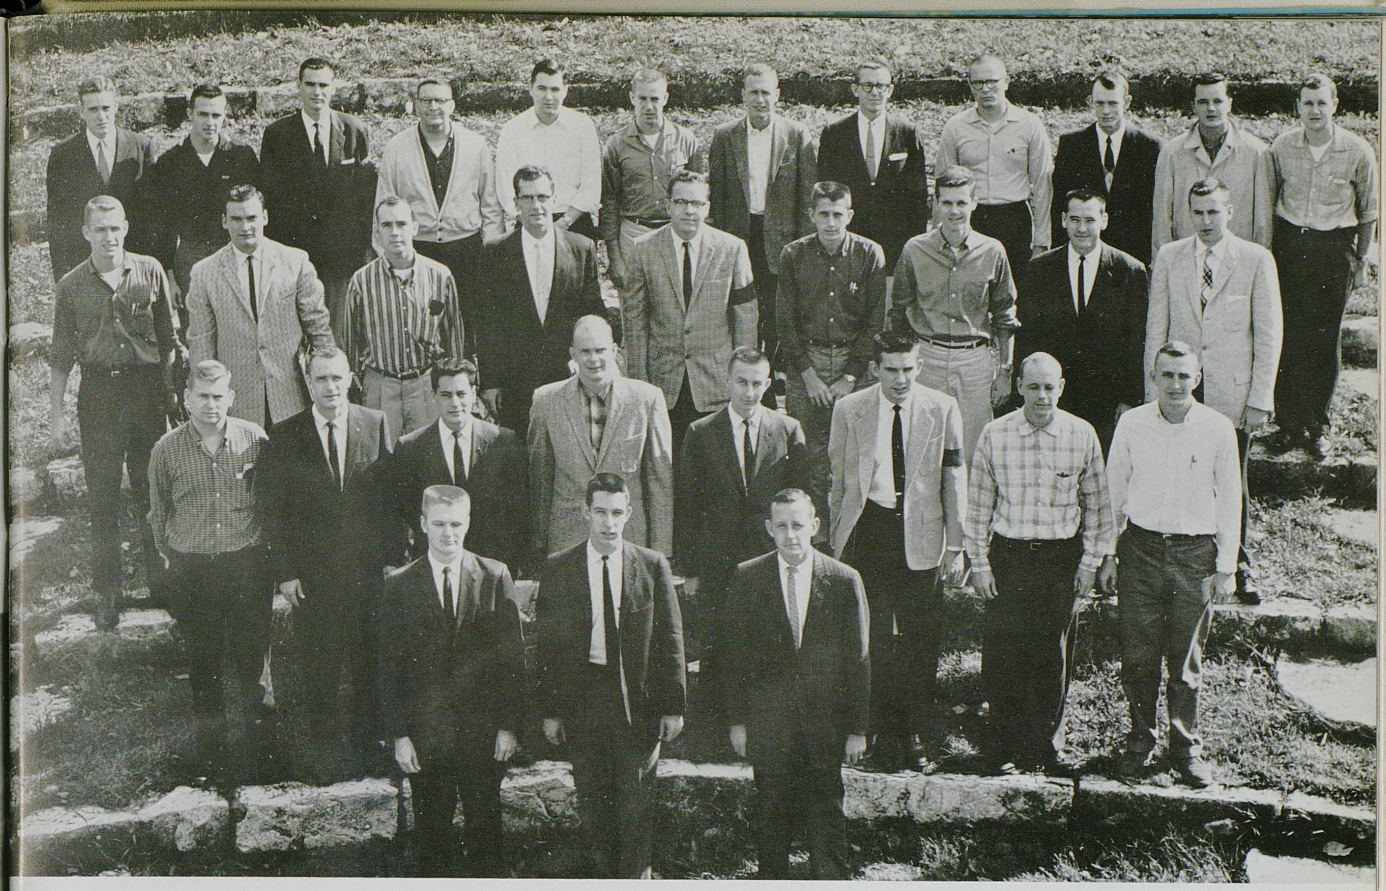

ROW ONE: Mike Simpson, chairman; William Abdell, vice chairman.
ROW TWO: Ronald Porter, Glen Miller, Mary Morton, Charles Wheeler, Gordon Hopkins, Bruce Brooks.
ROW THREE: Robert Berry, Vernon Budde, William Coons, Richard Watkins, Robert Irvine, James Manly.
ABSENT: Dr. K. O. Lange, honorary chairman; John Dressman, secretary-treasurer.

Institute of Aeronautical Science

The Institute of Aeronautical Sciences is the representative society for engineers, designers and technical specialists in all sciences related to the design and development of aero space craft. Its basic mission is to facilitate by all available means the interchange of technical ideas among aero space engineers throughout the world.

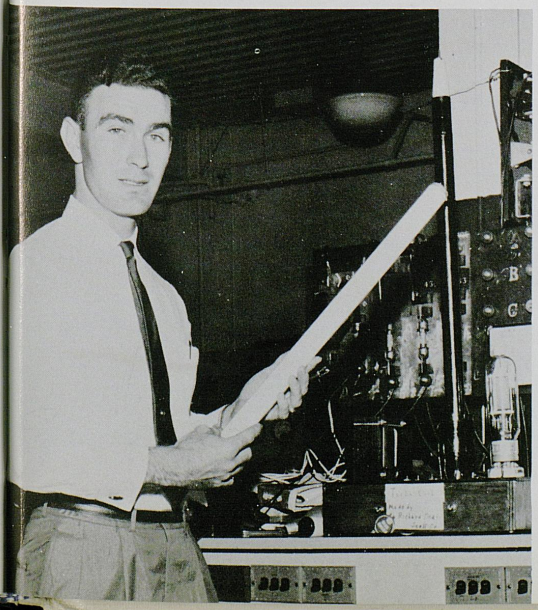

The UK student branch meets monthly. Programs include guest speakers from the aeronautical industry and films of aero space research. Each year, at the IAS Regional Conference, student members have an opportunity to present papers in competition for cash awards. First award papers, graduate and undergraduate, are published annually.

Other advantages afforded IAS members include a thesis topic list, IAS library service, and subscriptions to two aero space magazines. Upon graduation student members are automatically transferred to associate membership in the Institute.

ROW ONE: Norman Cravens, Maurice L. Miller, Jr., Ronald Stewart.

Institute of Radio Engineers

The Institute of Radio Engineers is a national organization with student branches for persons with primary interests in communications and electronics fields. Student members may attend sectional and national meetings of the parent organization.

The Kentucky chapter's activities include sponsorship of speakers from organizations connected with electronic control or communications fields, and field trips to nearby installations pertaining to radio, television, and similar services.

IRE sponsored exhibits at the annual Engineer's Day, held on campus. The group awarded a prize to the most popular exhibit in the electrical engineering field.

Bi-weekly programs for the E.E. Assembly are provided by IRE. Subjects range from nuclear physics to sports films of UK teams.

ROW ONE: R. A. Carpenter, advisor; Stuart Goldfarb, vice president; Adrienne Todd, secretary; Anne-Marie Salgat, advisor; Fred Strache, advisor.

ROW FIVE: Mickey Royse, John King, Charles Harber, Judson Knight.

Interfaith Council

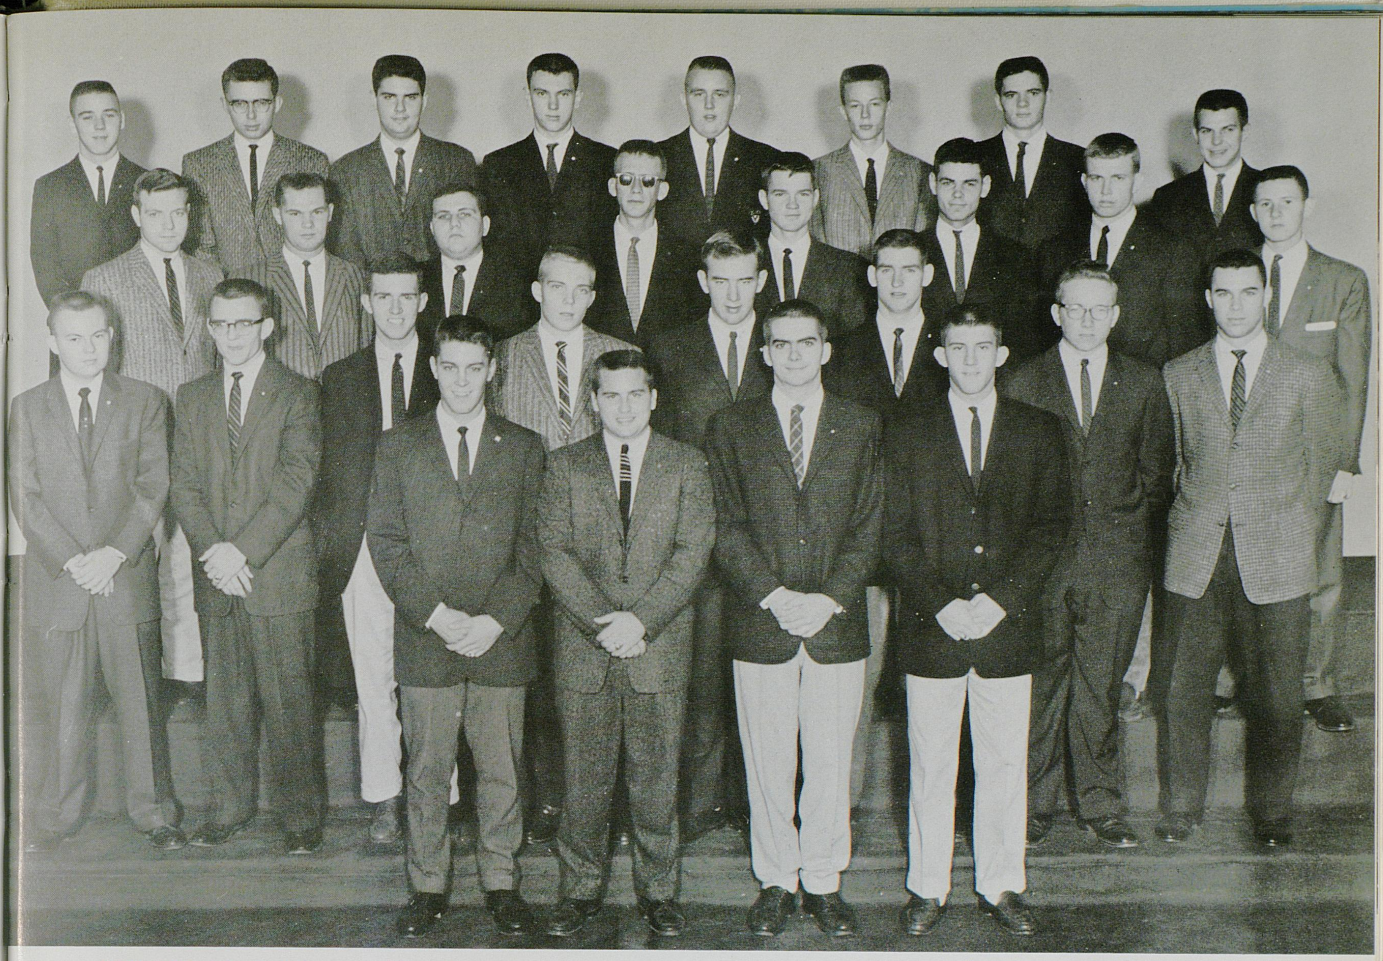

Interfaith Council has as its purpose to bring together representatives from all religious organizations on campus. Through monthly meetings, the group hopes to foster a growing understanding between all faiths.

The council's primary function is the sponsoring and organization of Religion in Life Week, during which a breakfast, convocation, seminars, and religious speakers are on campus for the benefit of the students.

Another project includes co-sponsoring of the World University Service drive.

Henrietta Johnson, Norma Crawford, Emery Emmert, Adrienne Todd, and Dale Loar discuss plans for an Interfaith Council meeting.

ROW ONE: John R. Anderson, president; Ron Rauh, vice president; Clifford Holliday, secretary; Hunter Pipes, treasurer.

ROW TWO: Bill Capps, George W. Mills, Terry Trovato, Jim Owen, Edward C. Jett, Jr.; Mer Grayson, Edward Horner, Jim Lisanby.

ROW FOUR: Greg Moncrief, James B. Gooch, Dudley O. Williams, Jr., M. Garland Woodroof, III, Alev Stone, Joe McMichael, Joe Hunsaker, Jim Foster, advisor.

Jr IFC

Jr. IFC is a council made up of two representatives from the pledge class of each fraternity on campus. Its organization is modeled after that of the Inter-Fraternity Council.

Under the Jr. Inter-Fraternity Council's direction, the annual Light Bulbs for Polio sale is conducted by fraternity pledges.

The group also sponsors informal get togethers each semester for new fraternity pledges and helps with Welcome Week at the first of the fall school term.

The main purpose of the Jr. IFC is to prepare fraternity pledges for later positions on the IFC. Jr. IFC members lose their membership in the organization immediately after becoming active fraternity members.

Advisor for the Jr. IFC is Jim Foster, a member of the IFC.

ROW ONE: Mary Tobin, Lea Mathis, Alice Ford, Ann Chamberlain, Barbara Johnson, Elsie Barr, Nene Carr, Mary Barbara Baker, Virginia Klaren.

ROW TWO: Dee Dee Atchison, Jackie Wilson, Bev Minison, Diane Ross, Beth Smith, Jane Tucker, Kay Bridenstine, Kay Shropshire, Sue Ramsey, Suzanne Pitzer.

Jr. Panhellenic

Junior Panhellenic is composed of two members, usually the president and vice president, of each sorority pledge class. Its purpose is to bring about a better relationship between the Greeks and the Independents by various projects throughout the year. Besides campus activities, Junior Panhellenic also participates in community functions.

The important activities of the year were helping the underprivileged children of the city and presenting programs for the patients at hospitals. Junior Panhellenic also provided seasonal decorations in the Boyd Hall dining room.

Members and friends at a get-acquainted tea held early in the fall semester.

Kappa Delta Pi

Alpha Gamma chapter of Kappa Delta Pi is a scholastic honorary in the College of Education.

During the year, monthly meetings are held, to which various speakers are invited from KCEA, KEA, PTA, and other groups connected with the progress of better education.

KDPi members act as guides during Freshman Orientation and set up information booths for their convenience.

The summer months find members planning picnics and outings.

The officers are faculty members.

K-Book

ROW ONE: Wanda Evans, Charlotte Bailey, Jerry Miller.
BACK: Ken Harper.

The K-Book is an information booklet for freshmen and new students designed to acquaint them with life and customs at UK. It is also distributed to high school students who may be interested in the University. The book is published in cooperation with the Dean of Men's office by a student committee, the chairman of which is chosen by the Student Government.

Although the K-Book (formerly called the Freshman Handbook) has been published at UK since 1912, the book had a few major changes. It was designed to last for two years, making it a biennial publication, somewhat more informal and slanted toward student needs.

ROW ONE: Lowell Hughes, vice president; Glenn Shaw, sgt.-at-arms; Cullen Wilson, treasurer; Bernie Shively, advisor; Mickey Conner, president; Bob Talamini, secretary.

Kentucky Law Journal

The Kentucky Law Journal is the tenth oldest law journal in the country and the only one in Kentucky.

Its purposes are to provide the legal profession with scholarly legal writing and train its student members in legal writing and research.

Published four times a year, it contains articles by learned members of the bar with notes and case comments by its student members.

Kentucky Student Educational Association

Kentucky Student Education Association completed a second year under its new name. The organization was formerly known as Future Teachers of America, but was changed to Student National Education Association to distinguish between the high school and college organization of the National Education Association.

The future teachers began their membership drive in October. At the introductory meeting new members met their advisor who gave a welcoming speech.

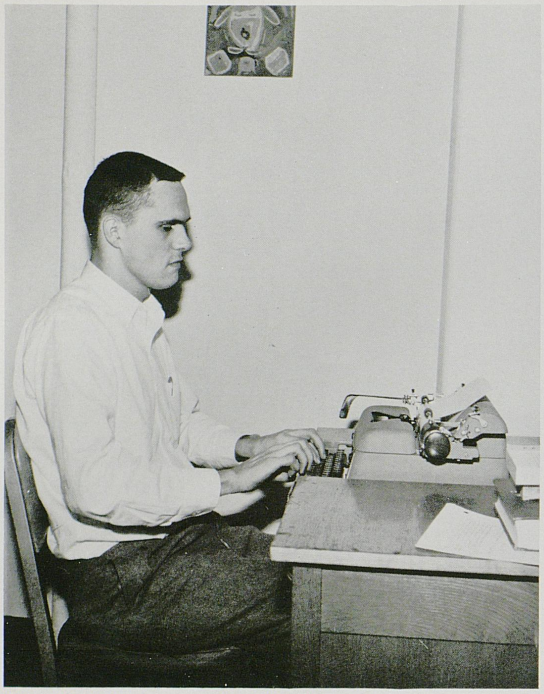

Throughout the year, members heard speeches on the various aspects of education.

Bob Anderson discusses a Kernel with Raymond Dora, mechanical supervisor of the Kernel.

The Kentucky Kernel has completed its second year as a daily newspaper. Previously, it was published weekly.

The paper is printed four days each week. This year's staff consisted of Bill Neikirk, editor-in-chief; Bob Anderson, managing editor; Carole Martin and Paul Zimmerman, assistant managing editors; Stewart Hedger, sports editor; and numerous assistants, staff writers, and reporters.

Four different staffs worked on the paper, a staff for each issue of the week. Daily editors were Suzy Horn, Mereda Davis, Bill Blakeman, and Jim Nolan.

The Kernel depends almost completely on campus news and activities for its material, although an Associated Press teletype makes national news available over the AP "A wire."

As nearly as possible, the Kernel operates as a daily community newspaper. One of its purposes is to acquaint journalism students with the workings of newspaper publication.

Any student may work on the paper as a reporter and receives semester credit for his or her work.

Keys

Keys, the sophomore men's honorary, is composed of men with a 3.0 overall standing with a fraternity affiliation.

Keys Dance, the first campus dance of the year, was held in October, featuring Bill Walters' band. Pixie Priest, Kappa Alpha Theta sorority, was crowned the "Most Beautiful Sophomore Woman of 1959."

Later in the year, Keys presented a trophy to the fraternity with the highest scholastic standing for the previous semester.

Officers for this year were Abe Fossom, president; Larry Wagers, vice president; Jim Hill, secretary; and Fred Schultz, treasurer.

Lambda Kappa Sigma

Alpha Nu chapter of Lambda Kappa Sigma, professional pharmaceutical fraternity for women in the College of Pharmacy, received its charter in December, 1958.

Activities for the year included participation in an annual Christmas party given by the pharmacy college for underprivileged children, and a benefit bridge, held in the college to raise funds.

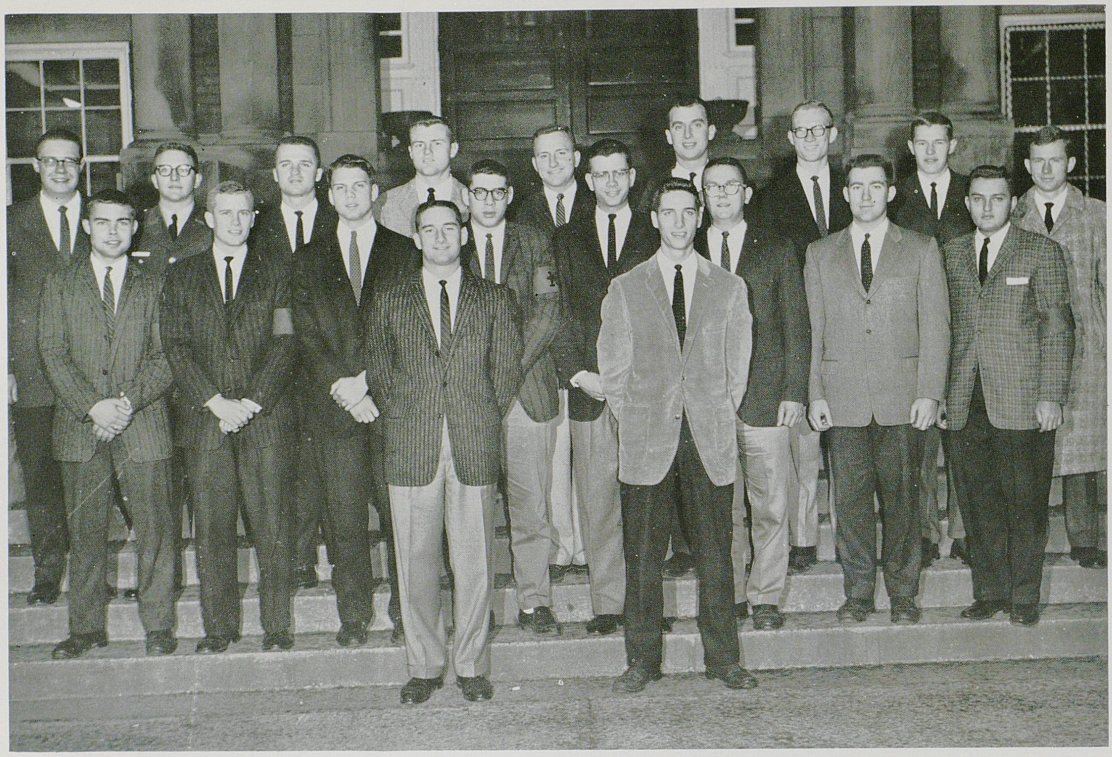

A program was planned to interest women in the field of pharmacy. Information will be presented to high school students in Lexington and surrounding towns.

National unity is carried out by an annual professional program on March 15, known as Hygeia Day.

Lances

Lances, Junior Men's Honorary, was founded at the University of Kentucky in 1903. The purpose of Lances is to recognize, foster, and further the qualities of leadership and scholarship among the junior class of the University of Kentucky.

Every fall Lances' carnival and Lances' Dance constitute one of the biggest weekends on the social calendar. One half of the money taken in by the carnival skits is used by Lances for scholarships, and the other half is returned to the organizations that participated.

This fall over 20 fraternities and sororities participated in the carnival. Delta Tau Delta won the fraternity skit contest and Sigma Alpha Epsilon placed second. In the sorority skit division Chi Omega took first place while Delta Delta Delta placed second. At the dance the Clyde Trask Orchestra provided music for a capacity crowd and Lynn Bryant was crowned as Lances' Queen.

Links

Links is a Junior Women's Honorary established at UK in 1953. Its members must be able to contribute scholarship, social activity, and service to the campus community. Members are required to have a 3.0 overall standing and to have shown outstanding leadership qualities.

Links was one of the organizers of Leadership Conference and furnishes the chairman each year. This year's conference chairman was Geri Denbo.

The group's project for the year is a summer job employment service in its newly-opened office in Holmes Hall. It secures information for summer jobs throughout the country and makes it available to students.

Links members who supervised the job placement office maintained by the club this year. They are Barbara Lee Perry, project chairman; Peggy Brumleve, office manager; Kay Custer, office manager; and Mona Williams, publicity chairman.

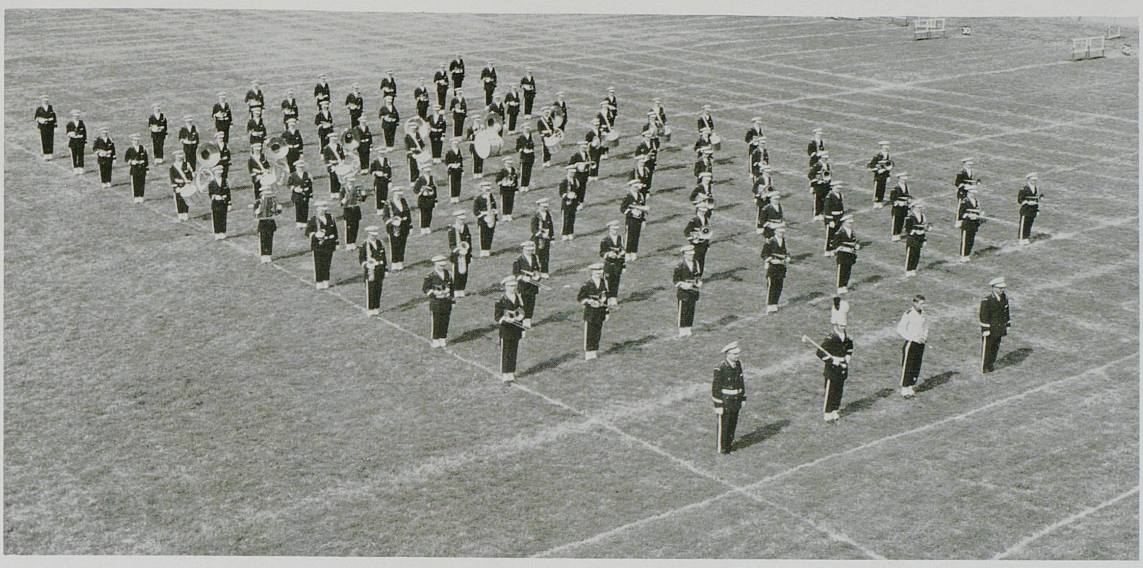

ROW ONE: Dee Mills, division III; Susan King, division VII; Albert Sisk, division V; Wayne Smith, division IV; Dick Watkins, division II; Linda Cotton, division VI; Sue Harney, division VIII.
ROW TWO: Sidney Crouch, secretary; Cynthia Beadell, chairman; Dick Warren, vice chairman; William Moore, treasurer.

Little Kentucky Derby

The Little Kentucky Derby, beginning at UK in 1957, was founded to unite students, faculty, and alumni in a common, worthwhile project. All proceeds are used for scholarships.

A brief rundown of the weekend events includes the queen contest, the Debutante Stakes—a girls' tricycle race and a street dance on Friday night. A parade begins Saturday with colorful floats made by various campus organizations followed in the afternoon by the big race itself.

The Derby is patterned after the Kentucky Derby except that bicycles are substituted for horses. The weekend is concluded with the presentation of trophies and a concert in Memorial Coliseum Saturday night.

Marching 100

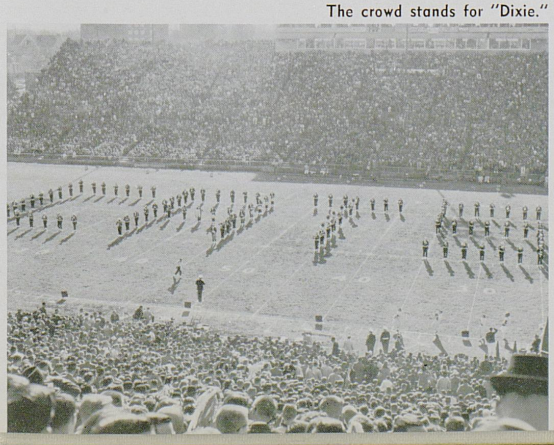

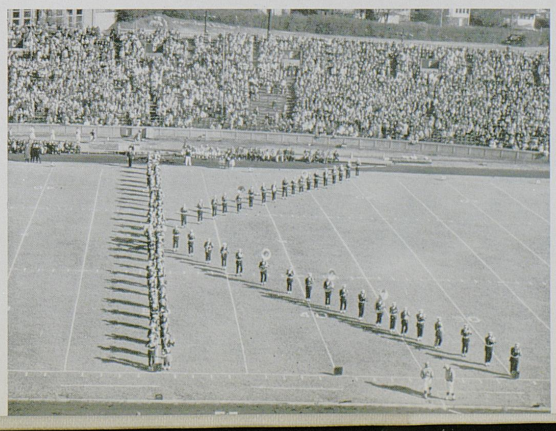

Warren Lutz studies band members' marching form.

The University of Kentucky Marching 100 is nationally-famous all-male band that annually represents the University and the entire State at many public ceremonies. Group activities begin a week prior to fall registration when all members, old and new assemble to begin training for the season. For ten days and nights the group conducts extensive rehearsals, designed to perfect the music and marching maneuvers to be used during the football season.

Each season the group makes one out-of-town football trip. The trip for the 1959 season was to Nashville to perform at the Vanderbilt game. On the way the group presented marching clinics and concerts in Madisonville and Paducah. Other appearances during the year included the Governor's Inauguration, the Kentucky Derby, all home basketball games and various civic and University parades.

The crowd stands for "Dixie."

Mortar Board

Mortar Board is a senior women's honorary with requirements of a 3.0 standing, leadership, and service in campus organizations. A national honorary, the group holds study and business meetings throughout the year.

This year Mortar Board began its activities with an open house for transfer students. Several members served on the Leadership Conference registration committee.

"Buzz sessions" with the freshmen women were planned by Mortar Board to help them with academic problems.

Mortar Board sponsored a "Smarty Party" for junior women with a 3.0 standing, sold gummed name and address labels, and had a china-silver-crystal display.

New members were tapped at the Stars in the Night program when Mortar Board also presented its Senior Service Award to a senior woman.

Newman Club

In illustrating the educational, religious, and social programs of its agenda, the Newman Club of the University of Kentucky has participated in discussion panels, missions, dances, and athletics.

Along with student panel discussions were talks given by visiting priests and the Newman Club Chaplain. There were two missions, one in December and one in February offering a retreat for Catholic students. The social program included picnics, get-togethers, seasonal parties and Mardi Gras Dance sponsored by the Newman Club.

Norwood Mining Society

The Norwood Mining and Metallurgical Society is a student chapter of the American Institute of Mining, Metallurgical and Petroleum Engineers.

They meet each week throughout the year for regular business meetings. At these sessions they feature a guest speaker and plan their two annual field trips to large companies. An annual picnic is held by the AIME for the combined membership.

Omicron Delta Kappa

ODK raises funds for charitable distribution by selling ODK tags for football games. This money is used for awarding minor sports scholarships, providing awards for contributors in the Stylus Literary Magazine, purchasing equipment for the Cosmopolitan club, for the infirmary.

Another ODK service is the purchasing of books for deserving students pertaining to their future profession, to aid them in building a professional library.

An outstanding honor came to ODK when Professor R. D. McIntyle, UK College of Commerce, was elected national ODK president in 1958.

Men students with high scholastic standing and proficiency in athletics, publications, music, speech, drama, scholarship, and student government are eligible for membership in Omicron Delta Kappa.

Pershing Rifles

Pershing Rifles is a national honorary military fraternity for basic cadets.

The UK chapter of Pershing Rifles sponsored the annual Coronation Ball in November this year. The group also co-sponsored the Military Ball with the Arnold Air Society and Scabbard and Blade.

In December, the drill team took first and third places in individual drill competition in a drill meet at Xavier University in Indiana.

The UK chapter served as host for the annual P. R. Regimental Drill meet in May.

Pershing Rifles provided a color guard for the Daughters of the American Revolution Convention in May.

They attended the annual Cherry Blossom Festival in Washington, D. C., upon invitation, which the group considers an outstanding honor.

Phalanx members enjoy a luncheon meeting.

Phalanx

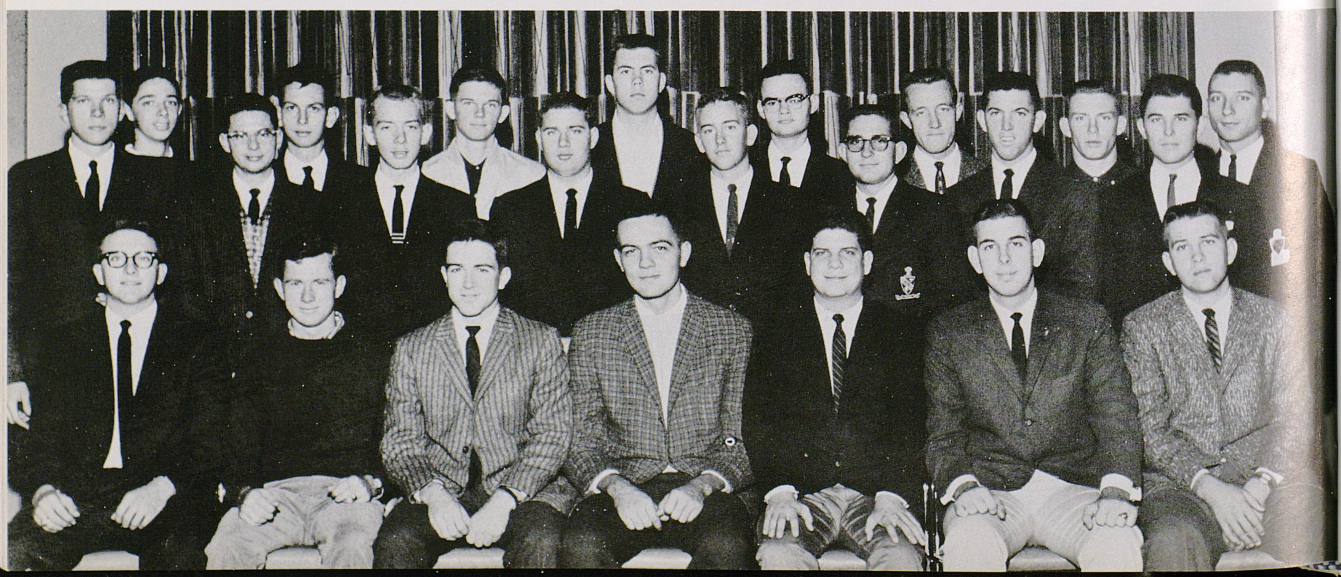

The purpose of Phalanx is to unite young men in cooperative effort to practice and extend Christian standards and ideals.

The Phalanx fraternity, a service fraternity for young men in the Young Men's Christian Association (YMCA), meets weekly at noon for lunch and an inspirational, educational, or entertaining talk by a prominent personality.

Phi Beta

Phi Beta, women's professional fraternity of music and speech, strives toward the achievement of professional and personal excellence of its members. Its projects and activities are of both a social and a service nature.

This spring, Phi Beta joined with Phi Mu Alpha and ODK to sponsor the annual All-Campus Sing, in which groups from the housing units competed.

Programs and concerts, a "Get Acquainted" party, and a freshman party were sponsored by the group.

Phi Beta with Phi Mu Alpha served coffee to the United States Navy Band, in Lexington for a Concert and Lecture Series appearance. A preview of "La Traviata" was presented before the opera's presentation on the Series.

Members ushered at recitals and opera workshop productions. Phi Beta warded music and speech scholarships as another service project.

Rochelle Stephens, president, attended the national triennial convention last August in Madison, Wis., and was presented a national leadership-achievement award. The chapter was cited for outstanding work.

Phi Delta Chi

Phi Delta Chi, a professional pharmacy fraternity, was founded at the University of Michigan, November 2, 1883. Alpha Beta Chapter at the University was established March 30, 1923.

The reason for Phi Delta Chi's continued existence is due to the interest which has been maintained throughout the past seventy years for the continued helpfulness of the Brothers towards each other and willingness to follow the purpose of the fraternity as originally expounded in 1883 in Ann Arbor, Michigan. "The object of this association shall be to advance the science of pharmacy and its allied interests and to foster and promote a fraternal spirit among its members."

ROW ONE: Ed Thomas, vice president; Jim Hill, president; Charles Mays, treasurer.

Phi Eta Sigma

Phi Eta Sigma, a national honorary fraternity for freshmen men, encourages incoming students to recognize scholastic achievement early in their college careers.

The UK chapter was established in 1946. This chapter functions as an honor society only, with recognition of scholarship as its principal goal. The group does participate upon request in general community or University programs.

Dr. H. P. Riley, head of the Botany Department and guest speaker at the Phi Eta Sigma initiation ceremonies, shows slides to Dr. Lee H. Townsend, advisor, John B. Dressman, and James P. Hill.

Philosophy Club

The UK Philosophy Club seeks to stimulate among its members and on the campus in general a lively interest in activities of an intellectual nature whether they be in science philosophy, literature, art, etc. It also provides for all interested students an opportunity to take part in the free discussion of a wide range of philosophical subjects. The club seeks to emphasize the meaningful relation of contemporary events to current ideologies and to encourage a coming-together in open discussion of the various concerns and interests of the many different departments of the university.

The club meets at least six times per semester at approximately bi-weekly intervals.

Half of its programs are conducted by students; the others by faculty members and speakers outside the University. The programs take a variety of forms, including the reading of papers, informal talks, debates, panel discussions, and question and answer discussions.

Officers for the year are President, Robert Miller; Vice President, Sara Jean Riley; Secretary-Treasurer, Mae Marie Sexton and Faculty Adviser, Professor John Kuiper.

ROW ONE: Patty Harper, treasurer; Bettie Renaker, chaplain.

Phi Upsilon Omicron

Phi Upsilon Omicron is a national home economics professional fraternity founded at the University of Minnesota in 1909. Iota chapter at UK, is the ninth of forty-three active chapters which have been organized to date.

Each semester new members of Phi U are chosen on the basis of scholarship, service, and character. Iota chapter has eighteen members at present.

Phi U is dedicated to professional service serving high schools by providing slides and a script which depict home economics at UK. The members visit various high schools to give further information. Booklets written especially for girls interested in home economics are provided for high schools.

Another current professional project is the preparation of a history of the University's school of Home Economics.

The Cornell Award for the Sophomore woman in home economics with the highest freshman standing is awarded annually by Phi U at "Stars in the night." The fraternity also presents an award to an outstanding 4-H girl at State 4-H week each June.

Phi U carries out various other services which are beneficial to the home economics profession and to members of the fraternity.

Phi Tau Sigma

Fourteen new members were initiated into the honorary Mechanical Engineering fraternity during the fall pledging ceremonies. These new members were honored by a tapping ceremony held at a regular meeting of the Student branch of the American Society of Mechanical Engineers.

The chapter sponsored two exhibits on Engineer's Day, 1958, consisting of a steam refrigeration plant and an internally exposed gasoline engine. A bookcase is maintained in the study hall in the Engineering building by the chapter, which contains pamphlets and bulletins of industrial companies interested in employing engineers.

The annual presentation of a plaque with the Pi Tau Sigma key to the outstanding sophomore in Mechanical Engineering was made at the meeting of the Student Branch of ASME.

All new members were required to submit a project which would be of benefit to the Mechanical Engineering Department, and some of these projects are in the process of being implemented. The main project of the year was the design and construction supervision of a trophy case for the display of athletic and academic awards won by the Mechanical Engineering Department.

President Guy A. Jolly attended the annual National Convention of Pi Tau Sigma held in Pittsburgh in October. The chapter held a picnic last spring for members and their guest.

Faculty advisor for the chapter is professor O. W. Stewart.

Poultry Club

The major activity of the Poultry Club is barbecuing chicken for various groups and organizations, having served over ten thousand customers in the past three years. The club's profits are used to finance a trip at the end of each spring semester. On their last trip, members toured the Southeast and surveyed some of the poultry industries.

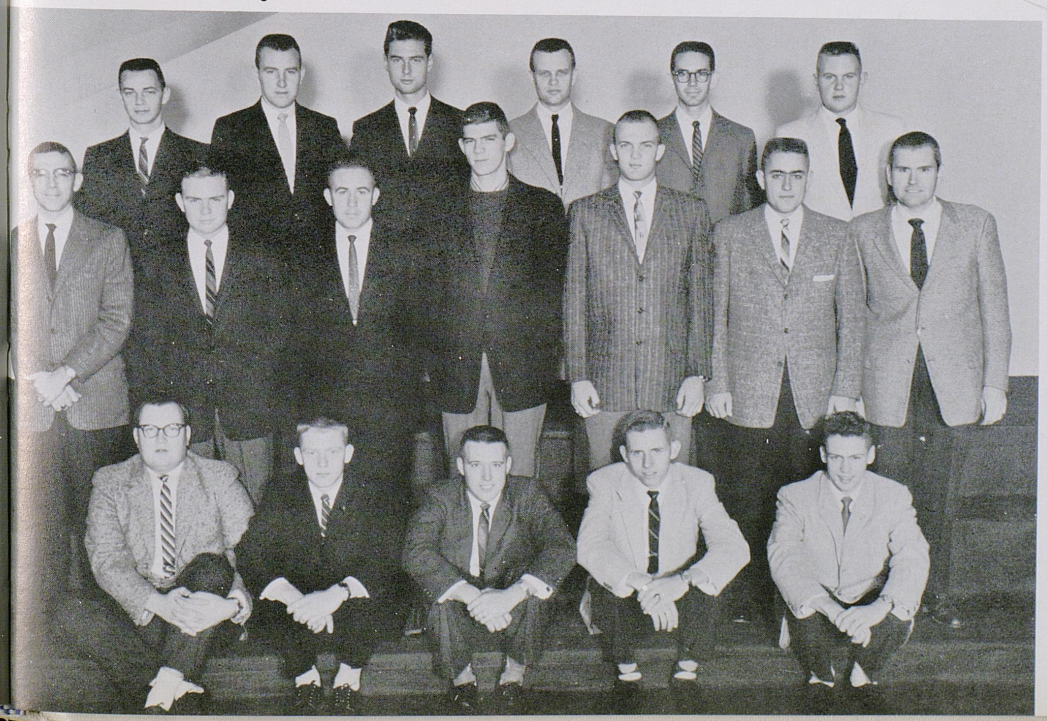

During the fall semester a special barbecue for prospective members is held and a dance is held in the spring for all club members.

Spring also finds the club sponsoring the Poultry Judging Contest and paying the expenses of the poultry judging teams to both the Mid-South and Chicago contests.

Pryor Pre -Med Society

The Pryor Pre-Medical Society was organized in 1915 by Dr. J. W. Pryor to bring together persons with an interest in medicine.

A physician or specialist speaks to the society on various aspects of medicine at each monthly meeting. These speakers, the club feels, aid students in deciding on a particular field of medicine.

Field trips are made to institutions such as the U. S. Public Health Service Hospital, mental institutions, and hospitals to see medicine in practice.

The school year was concluded with the Society's annual picnic.

Radio Studios

Radio operation is by no means new to this campus. In 1919 a radio receiving apparatus was built by two engineering students operating from the physics building. The original tests of the first voice broadcasts were received here, as well as many other broadcasting "firsts."

In 1930, actual broadcasts took place under the auspices of the University. At this time, Mr. Elmer G. Sulzer, then Director of Radio, established a 100 watt AM broadcasting station in Beattyville. These programs were beamed to five radio community listening centers in remote Kentucky mountain areas.

During World War II this operation ceased, the station was moved to the campus, and changed to FM. It was first located in the old Fine Arts Building, later being moved to its present location in McVey Hall. A Department of Radio Arts was then established and in 1953 the first complete student staff was appointed. Today this staff is composed of about 20 students responsible for more than 2,400 hours of air time per year. WBKY operates 6 to 7 hours nightly from September through May.

Serving Central Kentucky listeners with classical music, educational, student, feature programs, and a news digest, the "Broadcasting Service" also originates programs for Kentucky commercial stations and the National Association of Educational Broadcasters.

Rho Chi

The need for a pharmaceutical honor society resulted in the formation of Rho Chi as a national honorary. The "Aristolochite Society" was founded at the University of Michigan College of Pharmacy in 1908.

High standards maintained for membership in Rho Chi have resulted in its general recognition as **the** honor society in pharmacy. Rho Chi is accorded a place in the directory of Banta's Greek Exchange and a sketch of the society appears in the latest edition of Baird's Manual. The society is a member of the Association of College Honor Societies.

To attain membership in Rho Chi, the student must have completed 75 semester credit hours with a scholastic average of at least the second highest letter grade awarded by the institution and rank in the highest 20 percent of his class. The student shall have shown capacity for achievement in the science and art of pharmacy and the allied sciences as evidenced by strength of character, personality and leadership. They shall have been approved by the dean or secretary of the pharmacy faculty and received the affirmative vote of not less than three-fourths of the voting membership of the chapters. The reward of election to membership, symbolized by the award of the Rho Chi Key, supplies a scholarship incentive.

The fundamental objective of Rho Chi is to promote the advancement of the pharmaceutical sciences through the encouragement and recognition of intellectual scholarship. The society seeks to promote scholarly fellowship in pharmacy by bringing undergraduate and graduate students and faculty members together in fraternal and helpful comradeship.

Regular meetings are held where papers which emphasize the professional aspects of pharmacy and point the way to instructive study and research are presented.

Scabbard And Blade

Scabbard and Blade is a military honorary which exists to unite in closer relationship the military departments of American universities and colleges, to develop the essential qualities of good and efficient officers, and to spread intelligent information concerning the military requirements of the United States.

Annually, Scabbard and Blade, in conjunction with Pershing Rifles and Arnold Air Society, sponsors the Military Ball. The UK group, Company D, 4th Regiment, enters teams in the rifle and pistol matches sponsored by national headquarters.

Sigma Delta Chi

Sigma Delta Chi is a national fraternity for persons interested in the field of journalism.

Members of the campus branch of SDX are chosen on the basis of scholarship, intention to become professional journalists, and the consent of the chapter.

SDX conducted an apple sale during the fall semester this year, to raise money for planned projects.

The group provided a pamphlet for high schools on the UK School of Journalism, a service project designed and compiled by members of SDX.

Other projects of the year included co-sponsorship of the annual Kentuckian Dance and Queen Contest, the evaluation of high school newspapers for High School Press Day and the presentation of awards to six outstanding papers, the compiling and distributing of blotters containing campus phone numbers, and several professional meetings at which outstanding journalists spoke.

The group held weekly meetings, a number of which were luncheons.

Jim Nolan, president of SDX, and Bill Blakeman, secretary, attended the National Sigma Delta Chi Convention in Indianapolis, where they heard several prominent figures, such as Vice President Richard Nixon and news commentator David Brinkley speak.

Jim Nolan, Bill Neikirk, and Bob Anderson survey some of the high school newspapers they have to grade for the Press Clinic.

SUKY

SuKy, State University of Kentucky, is a pep organization working with the UK Athletic Association. Its purposes are to promote school spirit, to develop interest in the University athletic activities, to create an active organization of students united to support these activities, and to instill enthusiasm in the student body.

SuKy sponsors the cheerleaders, their clinic and election, and furnishes a cheerleader manager. It also sponsors all pep rallies, torch parades, team send-offs and welcomes.

Three of the six members on the Steering Committee for Homecoming are from the SuKy Circle. They were in charge of publicity, and obtaining trophies and flowers.

SuKy sits in a reserved section with the K-Club during football and basketball games to help the cheerleaders lead the crowd in cheers.

The members of SuKy this year went to Auburn, Alabama, the UK-Auburn football game as their trip for the year. In the spring SuKy sponsors an Athletic Picnic for all varsity athletes and their dates.

Members are selected after a semester "tryout" period, during which time points are earned by working on projects. SuKy has a seat and vote in Student Congress and is recognized as a major campus activity.

Tau Beta Pi

The Tau Beta Pi Association, national engineering honor society, was founded at Lehigh University in 1885, to recognize undergraduates in engineering with distinguished scholarship and exemplary character.

The oldest greek-letter organization on campus, the Kentucky Alpha chapter was founded April 5, 1902. Its membership consists of students in all phases of engineering who are elected twice annually.

Students must have a 3.0 standing and be in the upper eighth of the junior class or the upper fifth of the senior class to be eligible for membership. New members carry a sledge hammer for one week after being tapped, and are given a golden key in the form of a bent at their initiation.

Tau Sigma

Tau Sigma is a national modern dance fraternity. The purpose of Tau Sigma is to promote the art of modern dance among interested students, and to present programs of modern dance for the public.

Prospective members must go through four preliminary workouts in the fall, with the best prospects being chosen at the end of this period.

Sandra Tattersall rehearses a step movement.

Members of Tau Sigma perform a warmup series which enables them to dance correctly.

Theta Sigma Phi

Theta Sigma Phi is a national professional fraternity for women in journalism. Founded in the early 1920's, the Chi Chapter has as its purposes: to unite women engaging in or being trained in journalism, and to inspire members to greater individual effort.

This year Theta Sigma Phi in co-operation with Sigma Delta Chi held an open house for journalism students. In addition the Chi Chapter participated with the Alumni in the annual Matrix Table, the spring banquet, in early May.

Many members of the fraternity work with campus publications, the Kernel and Kentuckian.

United Lutheran Student Fellowship

The Lutheran Student Association is affiliated with the United Lutheran Church in America and the National Lutheran Council. Sponsored locally by Faith Lutheran Church, the group is guided by the Reverend Herman G. Fisher, Jr., pastoral adviser.

Organized four years ago, the student group has strengthened its program and increased its activity on campus. It meets weekly and holds dinner meetings once a month in the homes of church members.

Each year a varied program is outlined by the executive committee. This year the agenda included special topics, guest speakers, panel discussions, and Bible study. Every month an outing or special event was planned, such as skating, bowling, and picnics.

The association's goal is for the completion of the ministry of the Church through five objectives: worship, study, evangelism, service and recreation.

Wesley Foundation

Wesley Foundation is the Methodist student organization on campus under the direction of Rev. Tom Fornash, the Methodist chaplain.

Its purpose is to present a Christ-centered program for students while they are on campus. Opportunities for worship, study, and recreation are part of its work.

Sunday morning Sunday School, Sunday evening supper, and forum along with Tuesday vespers are worship times, and socials and study groups make up part of the weekly schedule. A choir, drama group, monthly paper ("The Founder"), and intramural sports teams are also part of the program.

All Methodist students are invited to join in the fellowship at the Wesley Foundation Student Center.

Westminster Fellowship

Westminster Fellowship, a fellowship of Presbyterian students enrolled at the University of Kentucky and Transylvania College, seeking to relate the Christian faith to academic life, meets regularly on Sunday nights at 5:30 p. m. for supper, a program of interest to students, and a period of student-led worship. It has an annual Steak Fry for all Presbyterian students on campus and their dates, friends, or guests. It participates in campus activities such as Orientation Week, Homecoming, and the Leadership Conference. It is a member of Interfaith Council and through it participates in Religion-In-Life Week and the Little Kentucky-Derby weekend. Through the United Student Christian Council, it participates with other evangelical student groups across our land, and with student groups across the world through the World's Student Christian Federation.

Various parties and social functions are held during the year. Members of W. F. teach Sunday School classes at Shriners Crippled Children's Hospital, sing in local church choirs, and participate in other local benevolent concerns, e. g. picnic for underprivileged children and various other work projects.

W. F. takes part in the Kentucky State Ecumenical Conference, as a part of the Kentucky Student Christian Association, and sends representatives to other conferences during the year, as well as having its own retreats and study sessions.

Women's Athletic Association

The Women's Athletic Association conducts women's intramural sports at UK. This is an organization of women who enjoy the spirit, physical activity, and companionship found in sports participation.

In 1922, WAA was founded on this campus. Intra-house competition began in 1919. This year, UK was elected the president school for the Kentucky Athletic and Recreational Federation of College Women. Two WAA members, Jo Corelli and Sonja Lancaster, served as co-state presidents of the federation.

WAA sponsors extramural sports—hockey and basketball, and intramural sports—swimming, archery, tennis, bowling, volleyball, badminton, basketball, table tennis, and softball.

Teams entering competition this year included five dorms, ten sororities, three co-op houses, one independent, one graduate, and one Dames Club team. Trophies were presented to the winners of each sport at the annual spring banquet.

Play days and sports days for high school and college women throughout the state are also sponsored by WAA.

Extension

Sue Reeves, Northern Center's Snow Ball Queen.

There are now three University centers in operation and two more scheduled to open in September.

The present centers are the Ashland Center at Ashland, Northern Center in Covington, and the Ft. Knox Center in Ft. Knox.

The Ft. Knox Center has completed two semesters of operation with an enrollment of 385 the first semester and 305 students for the spring term.

The Southeast Center is Cumberland and the Northwest Center in Henderson are near completion. Both are expected to be open for the fall semester of 1960.

Clyde Orr is director of the Ashland Center, Thomas Hankins is director of the Northern Center, and James Jones is director of the Ft. Knox Center.

Dr. Louis Alderman is serving as director of the Northwest Center, and the Southeast Center has Dr. Edsel Godby as director.

The Northern Center was the first to be put into operation in Kentucky. Now in its twelfth year, this center is scheduled to go into its new $750,000 building this fall.

Located on a picturesque hill, the new center overlooks the industrial Ohio Valley and Licking River. An enrollment of more than 2,000 stundents is predicted by University officials within five years.

Most of the Northern Center students come from the business houses and industrial centers of the Ohio Valley. Approximately 50 percent of the students are married; nearly all are part-time or full-time employees of the local area.

Students may live at home, work nearby, and still study toward a degree. Many of the students finish their academic careers in Lexington after taking two years of school at the Northern Center.

Betty Spencer and Gene Blanford were Mr. and Miss Northern Center.

Sue Gutzeit, a commerce sophomore, won the Miss Pinup Girl and Miss Sweptwing titles this year at the Northern Center.

Centers

The most heavily attended college at the center is the College of Education, as most of the local teachers are either working toward a degree, or are taking graduate work in an attempt to better their positions. This is the trend for most Northern Kentucky students at the center—they are attempting to add to their knowledge and skills in order to better themselves in local business houses of this second highest populated section of the Commonwealth.

The Ashland Center was established in September, 1957, to provide educational opportunities for Eastern Kentucky.

All courses at the Center are the same as the corresponding courses offered on the Lexington campus; however, a maximum of 67 semester hours may be taken at the center for residence credit.

The physical plant is a three-story building which houses a library, ten lecture rooms, a student lounge, a cafeteria, and three science laboratories which were added to the original building in January, 1958.

Previous to its affiliation with the University program, the Ashland Center was a two-year municipal college that had been in operation since 1937. The affiliation with the state university has provided broader facilities and resources for residents of the area.

The academic program is supplemented by a social program for students involving participation in various social and service organizations.

This is the end. Finis! It has been a long hard struggle for the staff, but in many ways we feel it has been worthwhile.

We have tried to picture the campus of 1960 to satisfy most of the students. Naturally there is always some disappointments. We have done our best.

At the beginning the staff always has ideas galore. Some of these ideas materialize; others for some reasons like money, time and patience, never exist.

Perhaps our one wish is that everyone could see the process it takes to put out a yearbook ... the decisions on a theme, cover, and division pages ... supplies ... notifying Greeks and organizations over and over again ... being sure to have pictures of all university functions ... the thousands of picture orders and deliveries ... copy written, checked, typed, proof read, type set and sent to press. It looks easy on paper, but actually all work is forgotten when you have your work in hand and complete.

I wish to thank all of my staff for their hard and enthusiastic work.

We hope when you repeat events of 1960 you'll remember the yearbook along with ... "Mac-the-Knife" ... Kingston Trio ... the Thanksgiving riot ... Lady Chatterly's Lover ... BoBo with sandwiches ... pre-registration ... Beating Tennessee ... Losing to Tennessee ... Student Congress ... APATHY ... tests ... Chandler ... snow ... and another year is finished.

Goodbye. Here's to success to the new staff and --- you all!
