At this point Brother Edward F. Jacobs arose and explained the organization of the Masonic Temple Association and the equity of Lexington Lodge No. 1 in that organization and offered the following resolution:

The Master brought up for discussion our problem of lecturing candidates with the idea of finding some means of speeding up the completion of lectures in E.A. and F.C. degrees. Brother J. D. Harnett offered a motion to increase the salary of Brother Howard Long, our lecturer, from $100 to $200 per annum to apply only to the year 1946, which was seconded by Brother Cecil Hardwick. After considerable discussion as to the propriety of such a motion at this time, since a great number of those present earlier in the evening had departed, another motion was made by Brother L. N. RESOLUTION

WHEREAS, on the 28th day of December, 1945, the gentle spirit of Nat Corbin quietly slipped through the portal between time and eternity, passing from this earthly lodge of trouble and travail into the peace and tranquility of that eternal rest prepared for those who are called from temporal labors to everlasting refreshment in the Paradise of God, and

WHEREAS, for many years Brother Nat Corbin had been one of the outstanding members of Lexington Lodge No. 1, F. & A.M., having been elected to all of the principal offices of the lodge, being Secretary of the lodge at the time of his death, and

WHEREAS, although he had been active in other Masonic orders, he had never forgotten but ever practiced those simple but sublime cardinal virtues taught by the Blue Lodge;

NOW, THEREFORE, BE IT RESOLVED that in the death of Brother Nat Corbin Masonry in general, and Lexington Lodge No. 1, F. & A. M. in particular, has suffered irreparable loss;

That his family has lost a kind and affectionate loved one;

That his passing reminds us that however strong may be the chain of fraternal friendship it soon will be broken, but the memories of sweet fellowship lingers with us still.

"The Chain of Fraternal Friendship
Is bound by links of gold
Which we fondly hold and cherish;
Our friends, both new and old,
And then, one by one, they sever,
Just why we cannot tell,
But we trust the Heavenly Father
Who doeth all things well.

offered to donate blood if it were needed. Gage Dalrymple was reported at St. Joseph Hospital but in no danger.

Brother W. E. Lander informed the lodge that the degree team had been invited to Grant Lodge No. 85, Williamstown, Kentucky, to confer M.M. degree.

Brother Leer Buckley arose and paid tribute to the memory of Brother Natt Corbin, noting the assistance given him while he was Master of this lodge in a stronger financial condition and recalled that he was responsible for putting the lodge in a stronger financial condition and had given unstintingly of his time and energy in promoting the spirit of Masonry which meant more to us than we can realize.

Brother Hardwick made a motion, seconded by Brother Leonard, to reconsider a motion to raise the salary of Brother Howard Long from $100 to $200 per annum for the year 1946, which motion was tabled at our meeting of February 4, 1946. Motion carried. Edward F. Jacobs offered an amendment to the original motion to obtain an assistant lecturer with no increase in salary to Brother Long, which was duly seconded. Considerable discussion of this subject was carried on by various members of the Craft. Brother James L. Clay made a motion that the Master appoint a committee to investigate this situation and report at next meeting. No second to this motion. Brother Jacobs' amendment was put to vote and rejected. Brother Harnetts' original motion, tabled on February 4, 1946, and now reconsidered was put to a vote and carried. Brother J. W. Mattingly made a motion, seconded by Brother Edw. F. Jacobs, to appoint an assistant lecturer to be paid a salary not to exceed $100 per year, which motion was rejected.

Lodge called from Labor to R and opened on F.C. degree.

The following brothers were examined on F.C. degree:

The Secretary also read a letter from the Grand Lodge containing a copy of a resolution adopted at its last session. This resolution suggested that each subordinate lodge recognize its 25-year members by presenting them with a button, symbolic of such term of service in the fraternity. Each lodge was to pay for these buttons which will cost 85¢ each in lots of 26 or over. It was not the intent of this resolution to cause subordinate lodges to forego payment of dues by such members. A motion made by Harry M. Couch, which was duly seconded, was passed authorizing the Secretary to purchase a sufficient quantity of these buttons to supply our requirements.

Lexington Lodge No. 1

Lexington.—Lexington Lodge No. 1 at its regular meeting on March 4, raised six to the sublime degree of Master Mason. The new Master Masons included Clayton R. Cox, H. E. Wallace, Warren P. DeBell, Sr., Thomas D. McKeene, Franklin H. Stewart and J. Paul Nickell.

Russell Woodward, master, was unable to be present at the lodge due to illness in his family. Elwood Farra, past master, presided in the East and conferred the first section of the degree. Bro. Farra always can be counted on to give a good performance and the impressive manner in which he conducted this portion of the work was indeed a credit to him.

The second section was most impressive with our secretary, Harry Couch, past master, presiding in the East. Bro. Couch did a grand job and his impromptu lecture to the new brothers at the conclusion of the ceremony was touchingly beautiful. Bro. Couch was assisted in the East by the following past masters of Lexington Lodge: Elwood Farra, L. E. Crockett, F. L. Jones, R. E. Murphy and T. U. Saunders, Franklin Lodge No. 28, Danville, Ky., who in turn each raised one candidate. Much credit is due Dr. L. N. Leonard, our junior deacon, who acted as chief Fellow Craft and his team which included the following members of this lodge, to wit: Harry Carlos, John Medley, Raymond Mooney, Ray Kendall, Shelby Thompson, M. G. Daley, Eugene Shehan, David Hunt, Gordon Ford, Charles A. Shelby and Charles Elam. Others who took part in the ceremony included: Clyde Nave, senior warden; conductor (guide), A. D. Langford; C. K. Hoffman; Ed. Jacobs; W. E. Lander; Cecil Hardwick; E. Creighton Wilcoxen; O. G. Hisle, junior deacon, and Clayton Crump, tiler.

After the last brother was raised the lodge was declared at ease and the newly raised brothers were welcomed into the lodge.

Lodge was closed at 11:20 o'clock.—C. K. Hoffman, Reporter.

Lodge of E.A. closed and called to labor on M.M. degree. Six candidates who were in waiting were prepared and raised to the sublime degree of a Master Mason, namely: Clayton R. Cox, Warren P. De Bell, Sr., James Paul Nickell, Thomas D. McKeene, Franklin H. Stewart, and Houston E. Wallace. The first section was conferred by P. M. Ellwood Farra on short notice due to illness of our Master's wife. Needless to say, this ceremony was performed faultlessly. Assistance in raising in short form was given by P.M. L. E. Crockett, Theo. L. Jones, Ray E. Murphy, Ellwood Farra, and T. U. Saunders of Franklin Lodge No. 28. In the dramatic or long form our Secretary, Harry M. Couch, acted as King Solomon. The three R's were Clinton K. Hoffman, Edward F. Jacobs, and W. E. Lander. J. W. Mattingly acted as Master of Work, Cecil Hardwick as wayfaring man and L. N. Leonard was Chief fellowcraft.

The worthiness of 12 E.A. who were examined earlier was voted upon and they were elected to receive F.C. degree.

DECEASED
E. W. FRANTZ

The Secretary announced the death on March 15, 1946 of Brother E. W. Frantz, a member of this lodge.

Brother L. N. Leonard announced plans of our degree team to visit Williamsburg, Kentucky, to confer M.M. degree for Grant Lodge No. 85, and set a tentative date of April 22, 1946.

Brother Clinton Hoffman suggested appointing an assistant Chaplain since Brother Gray was so often unable to appear. No action taken.

The Master again discussed the District Meeting to be held on April 5, 1946, and asked those present to assist in spreading publicity to get the membership out on that night.

A. D. Langford announced that he had observed one or two Fellowcraft candidates recently who were wearing Masonic emblems or jewelry. The Secretary will dispatch a letter to each candidate warning them against such conduct in the future. A letter dated March 25, 1946 has been sent by the Master.

Brother Hardwick questioned the propriety of issuing standard dues receipts to E.A. and F.C. Masons, since such cards do not specify the Masonic degree of the card holder. Others joined in the discussion and the Secretary agreed to correspond with the Grand Lodge office and obtain an opinion which was done. Appropriate receipts for E.A. and F.C. Masons have been ordered.

Brother Hardwick also suggested that we observe re-obligation night as soon as opportunity presented itself, which was concurred in by the Master.

Russell C. Woodward, Master, presided in the East in the first section. This was the first occasion on which Brother Woodward had conducted ceremony which was done in clear voice and dignified manner and made a deep impression on the candidates. Brother Leer Buckley presented the aprons to the newly made brothers.

Three newly made brothers were raised in short form as follows:

Robert S. Maxwell	Roy Sapp, D.D.G.M., 25th District
Robert W. Featherston	E.E. Clark, P.M., Jeffersonville No.340
Thomas M. Barnett	Paul Reece, M., Plumb Lodge No. 862

Brothers O. G. Hisle, Edw. F. Jacobs, and Wm. F. Lander acted as J.J.& J. respectively.

Lodge adjourned at 5:30 P.M.

Lodge was called to order at 7:40 P.M. with over 200 members and guests present at which time Brother Roy Sapp, D.D.G.M., was the presiding officer.

The following Grand Lodge officers or other dignitaries were introduced:

Charles S. Johnson	-	Grand Master
Al E. Orton	-	P.G.M. & Grand Secretary
Hugh Moore, Boswell B. Hodgkin, Charles A. Keith, and Emile B. Beatty	-	Past Grand Masters
G. C. Fluty, Jr.	-	Grand Sword Bearer
Earl E. Bissell	-	D.D.G.M., 13th District
H. Heber Lewis	-	D.D.G.M., 20th "
G. P. Congleton	-	D.D.G.M., 30th "
Stephen S. Wilson	-	D.D.G.M., 17th "

Brother Chester D. Adams delivered an address of welcome to the dignitaries and visitors from other lodges.

The visiting officers and past officers of the Grand Lodge were given the Grand Masonic Honors as a token of respect.

Brother Dewey S. McKnight, a visitor from Thacker Lodge No. 710, was introduced as a visitor and recognized by the Grand Master.

After introductions, etc., were completed, the work of conferring the M.M. degree on James McKee Thorn in long or dramatic form continued with our Secretary, Harry M. Couch, as K.S., Russell C. Woodward, G.S.W., A. D. Langford, G.S.D., Clyde K. Nave, G.J.D., assisted by Brother L. N. Leonard and eleven other F.C.

Grand Master Charles S. Johnson instructed the newly made brothers on the "test oath" and delivered the charge. At this point Brother Roy Sapp, D.D.G.M., again presided and called for a standing representation present by lodges. It was found that all of the fifteen lodges were represented except Bedford Lodge No. 494. A tabulation indicated that 167 members from the district had registered, 60 of whom were from this lodge, 27 from Richmond No. 25, 20 from Devotion No. 160, 13 from Hart Lodge No. 61, and 12 from Scott Lodge No. 702. The worshipful master of this lodge reported that this lodge had enjoyed a growth from 661 members at July 31, 1945, to 790 at present, or a net increase of 129 members. Total registered guests and members were 217 representing 45 lodges from 6 states. The D.D.G.M. called for remarks to which responses were made briefly by Brothers Hugh Moore, P.G.M., Charles A. Keith, P.G.M., Boswell B. Hodgkins, P.G.M., G. C. Fluty, G.S.B., G. P. Congleton, Heber Lewis, Stephen S. Wilson, Earl E. Bissell, and Luther Morgan, Supt. of Old Mason's Home.

Our Grand Secretary, Brother Al E. Orton, recognized four of his previous superiors as Past Grand Masters present, dwelled upon the growth and size of this district, asked the brethren to sign their dues cards, and stated that 25-year buttons would be distributed as they are received.

Our Grand Master made an enjoyable address in which he explained the intended purpose and benefits obtainable through district meetings. He pointed out that although Masonry was banned in certain countries where freedom of religion was not permitted or in those controlled by Roman Catholicism, that we as a fraternity could not take sides against them. He predicted that the fraternity in Kentucky might reach a membership of 70,000 by October 1946. The influence of the fraternity would be felt by the effect that it has upon men and their actions and that new men would be impressed with this faith in the goodness of mankind, he said. Addressing his remarks generally he said that the new men would be impressed by what the brotherhood does and by their actions, and to the newly made brothers in closing he said, that the world would be impressed by the manner in which they lived.

The Master at this point assumed charge of the meeting and repeated that this lodge considered it a privilege and pleasure to have been host to this meeting and invited all present to repair to the second floor where a special luncheon was being served.

There being no further business, lodge was closed at 10:15 P.M.

RETURN FROM A MISSION—This picture of Dr. J. Archer Gray, who was injured fatally in a traffic accident Monday night, was taken in 1943 as he returned from a parley with a killer who had barricaded himself in a house and threatened to kill anyone who sought to arrest him. Alone and unarmed, Dr. Gray twice went to the house and talked to the desperate man, on his second trip persuading the suspect to surrender peaceably to police.

Traffic Mishap Causes Death Of Archer Gray

Dr. J. Archer Gray, 71, of 117 Goodrich avenue, pastor of Everybody's church, who for more than a score of years had occupied a unique position in the community, ministering not only to members of his own congregation but also to those without church affiliations and especially to the poor and to transients, was dead today as the result of a traffic accident Monday night.

Funeral rites will be held at the Ben Ali theater at 10 a. m. Thursday. Dr. E. E. Gabbard, president of Witherspoon College at Buckhorn, Ky., will officiate, and burial will be in the Lexington cemetery. Masonic rites will be conducted at the grave.

Police reported that Dr. Gray, who was walking west on East Main street, stepped off the curb at the Chesapeake-street entrance to the Greyhound bus station at shortly after 9 p. m. and walked into the side of a bus that was turning into the driveway. Dragged about eight feet, he suffered extensive internal injuries, according to Dr. J. Farra Van Meter, who attended him at the Good Samaritan hospital. He died approximately an hour after the accident.

A man highly educated, with four degrees from two universities and a theological seminary, Dr. Gray had chosen to devote much of his time and energies to working among the poor and among persons who ordinarily had little or no contact with organized religious bodies. In his youth, in order to learn more about transients and to study their needs and practical means of helping them, he had supplemented his formal education by spending his vacations "on the road," living among hoboes and tramps. His experiences and observations had been summarized in two of his most popular lectures during his 20 years in Chautauqua and lyceum work, titled, "The Trail of the Hobo" and "Out of Work."

Dr. Gray came to Lexington in 1923 to become pastor of the Max-

well Street Presbyterian church. Immediately before moving here he had been pastor of a Presbyterian church at Middlesboro, Ky. When at Middlesboro and for a time after coming to Lexington, he continued during his summer vacations to accept Chautauqua engagements, but gave up lecturing after organizing, in 1927, Everybody's church, a non-sectarian congregation which held its services each Sunday morning at the Ben Ali theater. On Sunday, April 7, the 19th anniversary of the founding of the church was celebrated and Dr. Gray had begun his 20th year as its pastor.

Members of Everybody's church said the theater's 1,290 seats were filled at virtually every service. In addition to preaching there each Sunday morning, Dr. Gray conducted services each Sunday night at the Athens Christian church and on Wednesdays held services at the Lexington Railway System garage on Loudoun avenue for drivers, shop men and other employees of the company.

Awarded V. F. W. Medal

Dr. Gray in January had been awarded the Veterans of Foreign Wars Distinguished Citizenship medal, at a dinner given by the Henry A. Lucas post and attended by the national commander of the organization. An accompanying citation told of his work among the under-privileged of the community.

Dr. Gray was injured a short time after leaving a meeting of Central Baptist hospital campaign workers at the Lafayette hotel, where he was the principal speaker.

Following his speech, Dr. Gray said: "I'm sorry that I can not stay for the campaign reports, but I have to leave to make arrangements for a funeral."

He was scheduled to officiate at the funeral of Police Sgt. Luther Henderson on Wednesday.

Members of the staff at Kerr Brothers funeral home said Dr. Gray had left the funeral home only a short time before they received news of the accident.

A native of Edinburgh, Scotland, Dr. Gray was a son of the late John and Margaret Watson Gray. At the age of six he came to Canada and received his elementary education in the public schools of Toronto, Ontario. He attended Manitoba University, Canada, from which he received his bachelor's and master's degrees. He took his doctor-of-philosophy degree at Columbia University, New York City, and a theological degree at Union Theological Seminary there.

Known As Humanitarian

Dr. Gray was widely known throughout Kentucky for his humanitarian and philanthropic works. The Ladies Aid, affiliated with Everybody's church, meets once each month to make comforts to be distributed to the poor. Dr. Gray was active with this group, collecting the materials for the women to use, delivering them to their meeting place, and then arranging to have the finished comforts distributed to the needy.

He also worked each Christmas season with the Good Fellows Club to provide baskets of food for the poor. In 1945 the group made up 455 baskets which were given to needy families in Lexington. The work of making comforts and distributing these Christmas baskets had been going on under Dr. Gray's direction for approximately 20 years.

Throughout the year, a member of the church said today, Dr. Gray constantly surveyed the needs of the poor of Lexington and arranged to collect clothing, shoes, food and furniture to be given to them.

Friends said the minister had often been known to salvage old furniture, clean and paint and repair it, and then give it to the needy.

During the winter months, he had often taken a coal truck and gone among the poor, himself shoveling coal into their bins.

Aided Flood Sufferers

During the 1937 flood disaster Dr. Gray went into the Kentucky mountains with a collection of food, clothing and money and helped wherever he found need among the people left homeless by the flood.

He conducted funeral services for many who died in the flood and, in some cases, arranged for the care of surviving women and children. Always interested in the welfare of the mountain people, Dr. Gray had been known among them as a friend for more than 20 years.

In March, 1943, Dr. Gray, acting as a go-between for police, persuaded Frank Hopkins, charged with the slaying of A. C. Pearson, Lexington contractor, to surrender to authorities.

Hopkins, who had barricaded himself, his wife and children in his house, a shack near Rosemont gardens, had refused to surrender and officers were preparing to take him by force when the minister volunteered his services.

Unarmed and alone, Dr. Gray went to the house and talked to Hopkins, without success. All that night the police kept guard on the house and were preparing to force surrender the next morning when Hopkins sent for Dr. Gray.

Again the minister went to the House. Hopkins admitted him and a short time later Dr. Gray had arranged his surrender.

Hopkins was later committed to Lakeland State Hospital for the Insane. Dr. Gray since that time has been active in obtaining care for the members of the convicted man's family.

Born May 1, 1875, Dr. Gray for a number of years had been honored by members of his church and friends with a birthday party the first Wednesday in each May. Such a party had been planned for May 1 this year.

The minister was a member of the Masonic order and the Shrine, Odd Fellows, Elks and Pythian lodges.

He was the author of a number of pamphlets and papers on religious and historical subjects.

Survivors include his wife, Mrs. Evalina Price Gray; two daughters, Mrs. Gladys Murphy, Lexington, and Mrs. Gwendolyn Gray Pardington, Salem, Va.; a son, Merle Gray, Lexington; two grandchildren, Patricia Ann Gray and Mary Merle Gray, Lexington, and a brother, Mathew Gray, Toronto, Ontario.

As is customary in such cases, police filed a technical charge of manslaughter against John C. Howard, 30, of 160 East Second street, driver of the Southeastern Greyhound Lines bus which figured in the accident.

Dr. Gray's body was to be removed from Kerr Brothers funeral home to his residence, 117 Goodrich avenue, this afternoon.

Lodge opened in form at 9:35 with 6 others present.

The Master announced that the purpose of this meeting was to pay our last respects to our beloved and departed brother J. Archer Gray, who was Chaplain of this lodge and who departed this life on April 15, 1946.

All present repaired to Everybody's Church where approximately 75 other Masons were present to join the officers of the lodge. After this service, all brothers went to Lexington Cemetery where Masonic Funeral Services were conducted by Brother Chester D. Adams as Master, assisted by Harry M. Couch, S.W., Ellwood Farra, J.W., Russell C. Woodward, Chaplain. Brother Adams' eloquence on other occasions has been highly praised by those present, but there can be no doubt but that his manner of conducting this service on that occasion had never been surpassed by himself or any other brother of this lodge.

The funeral of our beloved brother was one of the largest, if not the largest, ever held in Lexington. It was estimated that 200 Masons were present at the cemetery and approximately 1,500 people in all were there to indicate their respect and show their grief at the parting of one whose efforts have meant so much to this and other communities in Kentucky. His spirit has returned to that Celestial Lodge on High from whence all goodness emanates but his memory will ever linger in the hearts of his Masonic brethren and hosts of friends.

After the services at the grave, the officers returned to the Hall where lodge was closed at 11:45 A.M.

An Editorial in the Madisonville Daily Messenger, April 19 issue stated:

"News of the death in Louisville of Col. Frank D. Rash came as a shock this morning to Hopkins countians who counted Colonel Rash as one of the most prominent and influential men Hopkins County ever produced.

"Many remember Mr. Rash as president of St. Bernard Mining Company during his many years residence in Earlington, others remember his church and lodge activity and his public service generally. A former state commander of the American Legion and former president of the Federal Land Bank in Louisville and former managing director of the Louisville district Federal Reserve Bank, Mr. Rash had served since 1940 as director of selective service in Kentucky.

"A man of wide and varied interest, Mr. Rash will be missed in Louisville's and Kentucky's business, civic, religious and fraternal life. His father, former State Senator James R. Rash, of Madisonville, who is 93, will have the heartfelt sympathy of the community in his great loss."

Colonel Rash was admired for his sterling honesty, gentleness and frankness. We now honor and revere his memory in death as a good, kind, and sincere man and friend, a rare character evidenced by his ability, his dignity and his unselfish devotion to duty.

As a token of respect for the memory of our deceased brother, it is ordered that this memorial be read at the first communication after it is received and made a part of the records of the lodge.

Given under my hand and seal of the Grand Lodge of Kentucky, this day and year above written.

The Master announced that a called meeting would be held on June 21, 1946, for the purpose of conferring M.M. degree.

The following brothers being in waiting they were prepared, introduced, and raised to the sublime degree of a Master Mason: Hosea A. Garber, Julian E. Bosworth, Robert L. Moores, William A. Saunders, Noble L. Strunk, and Marvin S. Whitton.

The first section of this degree was conferred by Brother Russell C. Woodward, Master of this Lodge, in his usual deliberate and faultless style.

After the first section was completed, the Master read an edict from the Most Worshipful Grand Master, regarding the accepted method of conferring the second section of this degree. Such edict stipulates that each lodge should read it each and every time this degree is conferred.

A letter of May 7, 1946 to Brother Roy Sapp from the Grand Master, which quoted his opinion in connection with voting methods, also was read in open lodge by the Worshipful Master.

The second section of this degree was conferred by Harry M. Couch as K.S. on Julian E. Bosworth, in long or dramatic form. Able assistance was given by our Fellowcraft team, Brothers Hoffman, Jacobs, Lander, and Hardwick, in their usual roles.

The Worshipful Master acknowledged the assistance rendered on this occasion and thanked the brethren for their cooperation. Brother Farra, P.M., acted as Chief Fellowcraft, presented aprons and raised a candidate.

It was understood that this motion did not apply to those initiated after that date. After considerable discussion of this subject on the floor, it was put to a rising vote and it was found that such motion was lost by a vote of eight to six, numerous brothers present not voting.

There being no further business to come before the lodge, it was closed at 11:45 P.M.

(This paragraph not a record of actual happening at this meeting but inserted as a matter of record prior to 7-31-46.)

There appears to be four brothers whose names have been removed from Grand Lodge records at various times but are being carried in the lodge records as members and have paid dues since 1944. Their names and records follow:

Otis Denniston, 315 Locust Ave., Lexington, Ky.
Reported to G.L. as deceased June 17, 1944, which was an error.

James C. Diekman, 205 Clyde St., Lexington, Ky.
Reported J. C. Dickerson suspended on August 19, 1940, and the Grand Lodge apparently removed James C. Diekman from its rolls as a member as of that date.

L. S. Haddox, Box 154, Georgetown, Ky.
Grand Lodge record shows him suspended on August 17, 1942.

Roy F. Sharpe, 608 Price Ave., Lexington, Ky.
Grand Lodge records show him suspended June 19, 1944.

In addition, our lodge records have heretofore shown no record of William C. Brown, 228 Castlewood Drive, Lexington, Kentucky, as a member, although his name is included as such in the Grand Lodge records.

The Secretary proposes to make the necessary changes in the records as of July 31, 1946.

There being no further business to come before the lodge, it was closed at 10:25 P.M., after which all present partook of refreshments consisting of ice cream which was supplied plentifully and served by Brothers O'Lee and Ishmael.

Lodge opened in form at 3:30 P.M. 12 others present.

The Master announced that the purpose of this meeting was to pay our last respects to a loved and departed brother, Ray E. Murphy, who was called to the Celestial Lodge on High on August 3, 1946; and to conduct regular business at an evening session.

Those present accompanied the officers to Kerr Brothers Funeral Home where they were joined by approximately 150 other Masons. After the services at the funeral home, all Masons accompanied our brother's remains to Lexington Cemetery where funeral services were conducted by Brother Ray S. Stewart as W. M., assisted by Harry M. Couch as S.W., Ellwood Farra as J.W., and Lorah N. Leonard as Chaplain. It is significant that Brother Murphy had requested Brother Stewart to conduct this service at such time as it became necessary. This was the first time that Brother Stewart had said this service within four years, but his presentation indicated that he had lost none of his ability. His work was one of those accomplishments aptly described as "perfect."

Lodge was again called to order at 7:30 P.M., with 35 others present including W. E. Lander, Sr., as S.S., and Edw. F. Jacobs, J.S., A. D. Langford, S.D., Clyde Nave, J.D.

The Master commented upon the conduct of Brother Ray Murphy's funeral this afternoon and thanked the brothers for their attendance. It was his opinion that the manner in which Brother Ray Stewart conducted this ceremony left nothing to be desired.

Minutes of meetings of July 15 and July 19 read and approved.

To The Worshipful Master, Wardens,
and Brethren of Lexington Lodge No. 1, F.& A.M. August 3, 1946

Pursuant to instructions from the Master of this lodge, the auditing committee has completed a detail audit of the Secretary's books from January 1, 1945 to and including July 15, 1946. The actual detail work was performed by two members of the lodge, Brothers Hisle and Crowley. These men were added to the committee because it was found that in order to make a complete report a large volume of work had to be done. For this assistance the original committee is thankful and takes this opportunity of so stating to the entire lodge. The work papers consisting of Schedules A to F inclusive are submitted herewith.

Receipts and disbursements for the period shown above were examined and found to be in order. The examination was made by first preparing a master work sheet accounting for every member of the lodge (Schedule F). From this work sheet the amounts due the lodge for dues and fees were determined. Amounts collected were traced to the cash book, membership ledger, and bank account. Cash balance was verified by examination and reconciliation of the bank account (Schedule B).

Unpaid accounts receivable were verified by letters to the members shown on the attached work sheets and identified by red reference numbers (Schedule F). Replies to these letters were checked to the records and corrective action was taken, where necessary.

Government bonds, stock certificates, and miscellaneous notes were verified by examination, as shown in the work papers (Schedule C - Sheets 2 and 3). Schedule A - Sheets 1 and 2, cover general notes and information and lists a number of discrepancies such as names appearing on Grand Lodge books and not on membership ledger; on membership ledger and not on Grand Lodge books; dues paid by person not shown as member on either membership ledger or Grand Lodge books. It is our understanding that the Secretary is in the process of correcting these discrepancies.

The following statements are attached hereto and made a part of this report:

Income and Expense for the Year 1945 and six and one-half months ended July 15, 1946.
Open Accounts as of July 15, 1946.
Statement of Assets as of July 15, 1946.

These statements have been prepared after setting up the entries necessary to reflect all transactions in ledger form. Prior to this time the records have been kept on a cash basis. By adopting the ledger form, as shown, it is possible to maintain controls on dues, fees, accounts receivable, expenses, investments, cash, etc. This procedure was used in the preparation of the accompanying statements and it is recommended that a similar ledger record be maintained by the Secretary for the recording of all future transactions.

It must be recognized by the members of this lodge that the correct handling of some 750 accounts entails considerable accounting. The receiving and disbursing of cash in the amounts shown on these statements and the difficulty of accounting for such items under the system heretofore followed warrant the immediate installation of records as herein recommended.

The Committee offers its further assistance in the event this suggestion is adopted.

Respectfully submitted,

H. K. Stark

E. F. Jacobs

A. D. Langford

O. G. Hisle

The Secretary read a letter of July 23, 1946 from Luther F. Morgan, Supt. of Old Masons Home, who accepted our offer to confer work at the Home in the near future for the edification of those brothers. We are to name the date and they will receive us gladly. Another letter of July 23, 1946, from Devotion Lodge No. 160 was also read. This letter gave information concerning the names of five who were suspended on July 22, 1946 for non-payment of dues.

The following bills were received and ordered paid:

Collector of Internal Revenue - Tax withheld	$ 25.00
Marvin S. Whitton - Food and drinks 7/19/46	26.99
Service Print Shop - 150 post cards	4.60
The Velvet Ice Cream Company - Ice cream	12.50

Clinton K. Hoffman reported on the progress of his committee in connection with a meeting to be held on August 14, 1946, at which emblems would be presented to 25-year members.

Brother E. F. Jacobs read an audit report covering the year 1945 and to July 15, 1946 that was submitted by himself and other committee members; namely, H. K. Stark, A. D. Langford, Otho G. Hisle, and L. J. Crowley. This report consisted of six typewritten pages and a group of working papers was left in custody of the Secretary. Upon motion by Brother Jacobs, which was duly seconded, this report was accepted and adopted subject to further discussion of recommendations contained therein. It was pointed out in this report that Brothers Otho G. Hisle and Lester J. Crowley had performed most of the detail work on this audit, so upon recommendation of the Secretary these two brothers were appointed and made a part of this audit committee.

Brother Cecil Hardwick inquired about any progress made by the Masonic Temple Association toward decorating or rehabilitation of our quarters in the Temple. Edward F. Jacobs replied stating that a meeting of M.T.A. would be held on August 7, 1946, at which time it was hoped that some action could be taken but that there was a shortage of cash and painters too, and that quotations had been received on painting the building but no contract had been let to date.

Brother J. W. Mattingly explained some of the difficulties encountered by the Masonic Temple Association in its operation but hoped to have something more definite to report after the meeting of the association on August 7, 1946.

The Master suggested that he felt that the officers of this lodge would be willing to approve an expenditure in the form of a contribution to this association providing other Masonic bodies would do likewise.

Brothers Hardwick and Farra led the discussion with respect to getting some action on the rehabilitation of the building which was answered by Edward F. Jacobs. After further considerable discussion on this subject, Brother Jacobs offered a motion that Lexington Lodge No. 1 contribute $1,000 to the Masonic Temple Association for the purpose of starting work on the building which was seconded by Charles A. Wachtman. This motion brought forth some protest from the Secretary, Brother Farra, James Garrison, and J. W. Mattingly, after which the motion and second were withdrawn.

Lodge of M.M. called from L-R and opened on E.A. degree.

THE GRAND LODGE OF KENTUCKY

To all subordinate lodges of the Grand Lodge of Kentucky: Greetings:

AN EDICT

At the 1945 session of the Grand Lodge a twenty-five year service button was authorized by the following resolution:

"WHEREAS, In the past there has been no uniform outward recognition of 25 year members and in view of the small number of brethren attaining 50 year membership which is recognized by this Grand Lodge.

"NOW THEREFORE BE IT RESOLVED, That this Grand Lodge decide upon a suitable silver design for a 25 year button commemorating the initiation of a brother—the Grand Lodge shall purchase these buttons in sufficient quantities to meet the demand of the subordinate lodges so as to bring cost to lowest possible figure, it being the intention of this resolution that each lodge pay for the buttons given their members. In this manner the subordinate lodge recognizes the silver anniversary of a brother and the Grand Lodge his golden anniversary as a member of the Craft.

"Further, Nothing in this resolution shall be construed to call for the remission of dues on the part of the lodge or assessments on part of the Grand Lodge.

"This Resolution shall take effect immediately upon adoption."

Inasmuch as there is no law governing the distribution of the 25-year emblem, I as Grand Master of Masons in Kentucky, issue the following edict which is to become effective immediately for the governance of all lodges in Kentucky; the same to remain in force and effect until the Grand Lodge shall decide otherwise.

WHO IS ENTITLED TO RECEIVE THE EMBLEM?

Any Master Mason, who has been a member of a regularly constituted lodge for twenty-five (25) years, in this or any other Grand jurisdiction. However the recipient must have served Masonry for a full twenty-five years either as an Entered Apprentice, Fellow Craft, or Master Mason, but cannot receive the award until he has attained the rank of Master Mason, and is presently a member of a Kentucky lodge.

It is not necessary that the twenty-five (25) years service be consecutive, but a brother must have actually been affiliated and in good standing for that period of time.

No member is entitled to receive this award from more than one lodge; he cannot receive recognition in one lodge, demit and receive it again in another. (This governs the distinction and not the replacement in case of loss, etc.)

The resolution creating the twenty-five year award does not require each subordinate lodge to present the emblems to its members, that is left to the discretion of the lodge.

When placing an order for emblems with the Grand Secretary remittance must accompany the request.

In accordance with the power vested in me as Grand Master of the Grand Lodge of Kentucky, this edict is issued on the sixth day of March, 1946.

Fraternally thine, Charles S. Johnson
Grand Master.

Called MEETING DATE August 14, 1946

Russell Woodward W. Master ____ Treasurer

Cecil Hardwick Senior Warden Harry M. Couch Secretary

L. N. Leonard Junior Warden W. E. Lander Senior Steward

A. D. Langford Senior Deacon Edward Sutton Junior Steward

Lyndon Crockett Junior Deacon C. C. Crump Tyler

Lodge opened in form at 8:15 P.M., with 205 members and visitors present. This attendance was composed of 180 members of this lodge, and 25 visitors from lodges in Ohio, Indiana, Missouri, Massachusetts, South Carolina, and 13 other Kentucky lodges.

The Master announced that the purpose of this meeting was to honor and present 25-year emblems to those members who could qualify.

The following named Past Grand Masters of the Grand Lodge of Kentucky were introduced by Brother J. W. Mattingly and Grand Masonic honors tendered them:
Hugh Moore, Charles P. Duley, Charles A. Keith, and Emil P. Beatty.

The colors were presented to the altar and all joined the Worshipful Master in the pledge of allegiance to the flag.

Brother Eldon S. Dummit, in his appropriate style, welcomed the 25-year members and visitors. His speech was entertaining, instructive, and to the point. One of the high-lights of his speech was his declaration that his father's Masonic receipt, indicating 50 years of service, was one of his prized possessions now carried by him at all times.

The Worshipful Master outlined the progress made by this lodge since 1921 and pointed out that within 25 years our membership had increased from 571 to 745 and that work and more work had been our program since January 1, 1946. During the year to July 31, 1946, 57 have been raised to the sublime degree of a Master Mason. The lodge has purchased, for $7,400, in June 1946, Series F. Bonds, and in 1944 and 1945 similar purchases of these bonds have cost the lodge $296. Cash on hand on August 12, 1946 was approximately $3,500. Grand Lodge dues for 1946 are $2,258, and our net worth is approximately $22,000 as of July 15, 1946, per audit report recently issued. His remarks were instructive and undoubtedly a source of enlightenment to our 25-year members and other members as well.

Brother W. Emmet Milward at this point made a formal presentation of emblems to our honored guests. The presentation was prefaced by an inspiring talk designed to cause all present to think deeply about his remarks. He attempted to show what our honored guests should have picked up along the way in 25 years or more when the butcher, baker, and candlestick maker, figuratively speaking, have all met together on this common Masonic ground. The things that surely must have meant most to them, he said, were (1) our emblem, (2) friendships developed, and (3) understanding the other fellow's point of view. He reiterated that he was proud of his affiliation with Lexington Lodge No. 1, and pledged to the honored guests that we would continue to build bridges for those Masons who come after us that by our combined influence we would make Lexington a better place in which to live. The Worshipful Master and Secretary assisted in the presentation of emblems.

Appropriate response to Brother Emmet Milward's address was made by the following 25-year members: Theo L. Jones, Joe E. Marks, Roy E. Anderson, R. E. L. Murphy, John R. Humphrey, James S. Garrison, J. Bruce Davis, Charles P. Votaw, and Rev. Charles C. Ecton.

Brother Emmet Milward called attention to the fact that among the honored guests was a father and son combination in the persons of Charles A. Baker and Fred R. Baker, Sr., and also introduced two 50-year Masons, Brothers John H. Cavins and William L. Trosper.

Brothers Hugh Moore, Charles P. Duley, Charles A.Keith, and Emil P. Beatty, Past Grand Masters of the Grand Lodge of Kentucky, and Luther F. Morgan, Supt. of Old Masons' Home, made short speeches, each of which carried an inspiring message to the craft.

After these remarks, all joined in singing one verse of "Blessed Be the Tie That Binds" which was directed by Brother James H. Sims.

There being no further business to come before the lodge it was closed at 10:05 P.M., after which those present repaired to the Eastern Star room and partook of a very special buffet luncheon of fried chicken and all suitable things to satisfy the inner man. Brothers Hoffman, Whitton, and A. E. Wilson were responsible for this treat as well as for all other arrangements at this event which represented our outstanding meeting of its kind held this year.

Membership Elected
Carl Peter King

Carl Peter King was elected as a member by demit from Hazard Lodge No. 676, Hazard, Kentucky.

The Secretary read a letter from the Grand Secretary in which a waiver of jurisdiction had been requested by a Georgia lodge for Ralph W. Carpenter who resides on Burnett Ave., Lexington, Ky., and is employed by Southeastern Greyhound Lines. A committee, composed of A. D. Langford, James H. Sims, and Delmas K. Bach, was appointed to investigate the character of this applicant before deciding whether a waiver of jurisdiction could be granted since such permission automatically was said to amount to a recommendation of the applicant for the degrees.

A letter from Luther F. Morgan, Supt. of Old Masons' Home, stating that in response to Brother Charles B. Matthews's application to the Home he could be admitted at once. Brother E. H. Palmer reported that Brother Matthews had been transported to Veachland and admitted on August 18, 1946.

The Worshipful Master thanked his committee who served for the meeting of 25-year Masons on August 14, 1946. Brothers Hoffman, Whitton, and A. E. Wilson were also ably assisted by Brothers O'Lee, Kinker, and Garber.

After some discussion of the advisability of calling off our

meeting scheduled for September 2, 1946, it was moved by J. W. Mattingly, seconded by Harry M. Couch, that we dispense with the meeting scheduled on that date. Motion carried.

Edward F. Jacobs reported that Brother Conrad J. Scherer had been in St. Joseph Hospital but was dismissed and now at home.

Brother Edward F. Jacobs reported action taken by Masonic Temple Association at a meeting on August 7, 1946, viz.: President given authority to contract with painting contractor, to investigate nature of walls in kitchen as to whether or not they were supporting the structure so that their removal could be considered. Robert L. Saunders was elected vice-president of M.T.A. at that meeting. J. W. Mattingly, Secretary of M.T.A., believed that Association could meet painter's bill but did not know cost of other improvements proposed.

Brother Charles C. Gulley again introduced Brother Donald B. Kane, a visitor from Oseris Lodge No. 26, Washington D. C., as a soldier with whom he had been associated in the army. Brother E. H. Palmer again introduced Brother Stewart Rose of Sol Naciente Lodge No. 15, Puerto Rico. Brothers Vernon Pennebaker, Charles L. Cox, and Lyman Hunt, members of this lodge, were also recognized.

Elected to Receive M.M. See body of text.

Upon motion made by the Secretary, seconded by Cecil Hardwick, the worthiness of Jesse W. Clark, Norwood Cowgill, Brock C. Cunigan, Clarence C. Horine, and Willard H. Lindberg to receive the M.M. degree was approved and they were elected to receive the M.M. degree, subject to their proficiency in the F.C. degree. (See minutes of meeting of September 6, 1946.)

Dear Mrs. Murphy:

I have been directed to send to you a copy of a resolution, adopted by this lodge, regarding its feelings toward Ray. The resolution is enclosed herewith.

I wish that I could express to you the loss that I feel that I have suffered personally with Ray's death, for I not only have lost a true Masonic brother but a warm personal friend as well.

Numerous friends and Masons have spoken to me regarding their feelings regarding Ray, and it may be of some comfort to you to know that all remarks made were complimentary to him. Naturally, they could not be otherwise.

With kindest personal regards and best wishes to you, I am

Sincerely yours,

The Worshipful Master announced that on September 16, 1946, "Reobligation" night would be observed, and a school of instruction would be conducted. He further stated that on

September 30, 1946, at a called meeting, the Entered Apprentice degree will be conferred.

Masonic emblems were presented to Edwin H. Bandy by Brother John G. Pettitt from his home lodge, and to Jesse W. Clark by Brother Russell Woodward on behalf of Brother Clark's wife.

Brother W. L. Bruggeman, P.M. of Sebring Lodge No. 626, Sebring, Ohio, congratulated this lodge upon the manner in which this degree had been conferred. Brother J. G. Pettit of that lodge stated that even though they had driven 300 miles to attend this meeting, they felt amply repaid for such effort in observing the exemplification of this degree and the raising of his son-in-law, Edwin H. Bandy, of our Ohio sister lodge.

There being no further business to come before the lodge, it was closed at 11:10 P.M., after which all partook of a tasty buffet luncheon prepared by Vertner Slade, Carl Johnson, and Cleo L. Tolberd.

The secretary stated that he had called on Brothers Cook, M. Gano, Daley, Stanley Cropper, and John Handy, all of whom were at home recuperating. Fred W. Holder and David C. Hunter, were also at home after operations. The Secretary stated that Brother John G. Cramer was in a condition where he needed some encouragement and urged members of the Craft to call on him.

The Secretary suggested that members of the Craft could perform a Masonic duty by sending a card to Brother Charles B. Matthews at the Old Masons Home.

At this time Brother Joseph C. Gibson, Treasurer of Masonic Home Guild, was asked to present emblems to Brothers Leonard Ishmael, John Leo Medley, and Robert L. Moores, which he did in an impressive and dignified manner, after which our planned program was conducted.

At various times, during this meeting, it was necessary to furnish more chairs for the comfort of those who had come to attend this meeting so that there were now about 125 brothers present.

The Master announced that the purpose of this meeting was two-fold. The announced intention was for all present to repeat their Master Mason obligation and to conduct a school of instruction.

Brother J. W. Mattingly presided at this time and re-obligated all those present, which was an inspiring and impressive sight.

In order to refresh the memories of those present with the various signs and passwords and give instruction in the proper method of examining a visitor, the procedure was dramatized by Brother Clyde K. Nave who submitted to examination in the respective degrees by Brothers Langford, Hardwick, and Couch, respectively.

Further explanations were given from time to time by the Worshipful Master who explained the use of the passwords in the respective degrees. The Grand Masonic word was communicated to those who requested it by those who could convey it properly. The Worshipful Master then gave instruction regarding the method of giving the Grand Masonic Honors to distinguished visitors.

The method of filling out petitions for Initiation, Membership, and Reinstatement, the responsibilities of those who act upon committees of investigation, and the significance of signing their names, recommending a petitioner, was fully explained by our Secretary.

At this point, numerous brethren present took the opportunity to compliment the officers for their ideas in holding such a meeting and for the manner in which it had been conducted. Various suggestions were made that it might be advisable to repeat such meetings at regular intervals, which undoubtedly will be given consideration by the officers.

OCT 19 1946

~~Worshipful Master~~
~~Mr. Chairman~~, and Members of Lexington Lodge: No. 1.

I think you may be interested in knowing how I came to have a picture painted of Col. Richard Clough Anderson, First Master of Lexington Lodge, First Masonic Lodge west of the Alleghany Mountains.

It came about simply in this way. Following the close of the First World War, Mr. Larz Anderson, a great grandson of Col. Richard Clough Anderson, sought in the Christian Church his solution to the problems of Peace and Recovery. Others sought their solutions to the same problems using new names and new terms. However, in the principles of Christian Brotherhood exemplified by the life of our Savior, Mr. Anderson sought salvation.

As a consequence about the year 1927 Mr. Anderson gave to Washington Cathedral a chapel to be known as Saint Mary's Chapel. The chapel served as a sign for his Mission of Love, Life, and Truth.

My attention was attracted shortly after the stock market collapse of 1929 to the subject of Masonry. I learned for the first time that my great, great grandfather, Col. Richard Clough Anderson, had been First Master of the First Masonic Lodge west of the Alleghanies. In fine I learned that a successful life should be founded upon the principles of Christian Brotherhood, Fraternity, and Courtesy.

Consequently I made a visit to Lexington. Here I had the pleasure of meeting Mr. J. Winston Coleman. Together we visited this Lodge. I saw that there was a real need for a suitable picture of your First Master. I consulted Mr. John E. Weis, one of Cincinnati's distinguished artists. He consented to paint for me this picture. In June the picture was commenced. Oct. 16th. was the 120 anniversary of the death of Col. Richard Clough Anderson. It is a great pleasure to see the memory of Col. Anderson again suitably commemorated in Lexington Lodge.

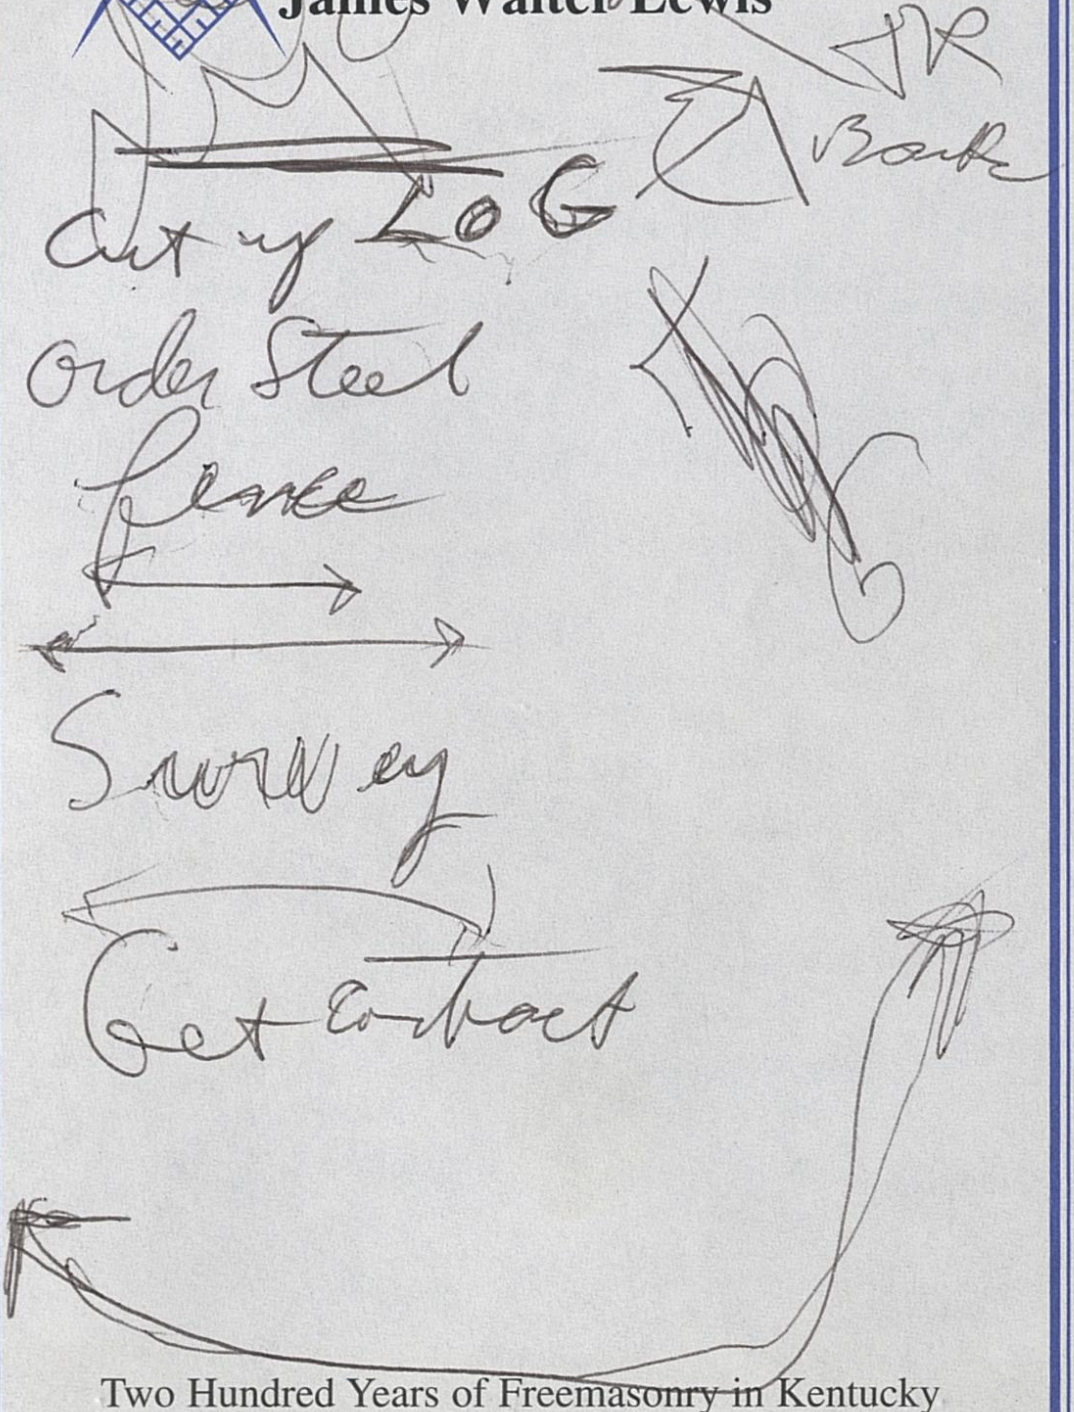

Thank you.

Alex F. Anderson.

Addenda to Minutes of Meeting of October 21, 1946

After lodge was closed, the Worshipful Master announced that arrangements had previously been made to present this lodge with a painting of its first master. He introduced J. Winston Coleman, Jr., who covered the history of Lexington Lodge No. 1 briefly, after which Brother Coleman introduced Mr. Alex F. Anderson, of Cincinnati, Ohio, who was not a Mason, but who was a great, great grandson of our first Worshipful Master, Col. Richard Clough Anderson. Mr. Anderson read a speech in which he made the presentation of this artist's painting of our esteemed initial Worshipful Master. The painting, which occupied a place in the East, was unveiled by Mr. Anderson and was accepted on behalf of Lexington Lodge No. 1, F.& A.M., by our Worshipful Master, Russell C. Woodward. Those who were present came forward to inspect this work of art and were profuse in their thanks to Mr. Anderson for this wonderful gift which will be cherished by every member of this lodge as one of the many grand things which has happened to this lodge in its 158 years of life.

It is a coincidence that this presentation was made a little over 120 years after the death of our first Master which was on October 16, 1826.

Lodge opened in form at 8:20 P.M. with 200 others present. Before lodge was opened a sumptuous meal had been served at the Lafayette Hotel as a part of our observance of Past Masters' Night, which was to be continued at this meeting.

The following dignitaries of the Grand Lodge were introduced by Brother Harry M. Couch:

Albert C. Hanson - Most Worshipful Grand Master.
Edward J. Kister - Grand Senior Deacon
William Carson Black - Past Grand Master
Emile P. Beatty - Past Grand Master, had been present at the dinner but business engagements prohibited him from being present at the Temple.

Our Grand Master's message to the Craft stressed the necessity of fraternizing more with younger Masons who are now affiliating with our order instead of being too intent upon working all of the time. He was appreciative of and thanked us for the opportunity of visiting with members of the mother lodge of all Kentucky lodges.

Brother Paul Waxler, of Cambridge Lodge No. 66, Cambridge, Ohio, was introduced as a visitor.

Worshipful Master Woodward again reminded the Craft that this is the one occasion on which our past masters are honored and commented briefly on the ability, loyalty, and support of which past masters of this lodge had contributed so generously.

Past Masters present, who were then introduced, were:
J. Bruce Davis, Howard F. Wilkirson, Theo. L. Jones, Ray S. Stewart, James W. Mattingly, Robert D. Hawkins, W. Emmet Milward, Andrew W. Johnson, Benham J. Sims, Lyndon E. Crockett, Devar H. Lloyd, Leer Buckley, Harry M. Couch, and Elwood Farra.

Brother Emmet Milward responded to the Worshipful Master's greeting by explaining the feelings of a past master of this lodge and paid a glowing tribute to Past Master John G. Cramer, who could not be with us on account of his health, and to Past Masters Natt Corbin and Ray E. Murphy, who were with us last year but had since reported to the Great Architect of the Universe. At Brother Milward's suggestion, the Worshipful Master requested those present to bow their heads in silent tribute to these departed brothers. Brother Milward's prayer at this time was a fitting eulogy to these departed brothers and was one of the high lights of this evening's tribute to our illustrious past masters.

At this time the Worshipful Master stated that it was desirable to proceed with the raising of candidates and declared the lodge at ease and requested the following past masters to assume the respective stations:
Elwood Farra, W.M., J. Bruce Davis, S.W., J. W. Mattingly, J.W., Ray S. Stewart, S.D., Theo L. Jones, J.D., L. E. Crockett, S.S.

Raised - M.M.
William T. Willis
Leon E. McKinney

William Tony Willis and Leon Earl McKinney, being in waiting, they were prepared, introduced, and raised to the sublime degree of a Master Mason. Elwood Farra presided in the East and conferred the first section of this degree, which was faultlessly done by this junior past master, who is one of our most accomplished ritualists, and is one to whom our present officers are deeply indebted for able and willing assistance on various occasions this year.

Brother William Tony Willis was raised in short form by M.W.G.M. Albert C. Hanson, and Leon Earl McKinney was raised in long or dramatic form with the following Past Masters or others in the respective stations:
Chester D. Adams, K.S., Harry M. Couch, S.W., Ray S. Stewart, G.S.D., Clinton K. Hoffman, G.J.D., Clyde K. Nave, G.S., D. H. Lloyd, 1.R., Leer Buckley, 2R, Russel C. Woodward, 3R, Lyndon Crockett, Chief F.C., and Benham J. Sims, W.M. Our Worshipful Master deserves great credit for his dramatic rendition of the soliloquy and Brother Chester D. Adams' work in his station was, as always, a masterpiece for others to attempt to imitate, but for none to equal.

After the work of raising candidates was completed, the regular officers resumed their stations at which time Brother Cecil Hardwick announced that the F.C. degree would be conferred on November 4, 1946, at our next regular communication.

There being no further business to come before the lodge, it was closed at 11:30 P.M. All Masons who attended this meeting could only feel that it had been a rare privilege to have been present this evening and enjoy the fraternalism that had been exemplified throughout this meeting.

The Grand Lodge of Kentucky, F. & A.M.

OFFICE OF THE
GRAND MASTER
ALBERT C. HANSON
806 PARK AVE.
NEWPORT, KENTUCKY

AN EDICT

During my first two weeks as Grand Master many complaints have come to me regarding invasion of jurisdiction by subordinate lodges in Kentucky, not only of other subordinate lodges, but also of other Grand Jurisdictions.

I have before me protests of two Grand Masters which show conclusively that permanent residents of these States, while sojourning at their "old home in Kentucky have joined subordinate Kentucky lodges. Some give as a reason that the location of the Kentucky lodge is the location of their former home, or that their relatives are now, or have been, members thereof, and in some cases, it may also be assumed that it is done to save on the initiation fees.

The laws of the Grand Lodge specifically provide that a petitioner shall have been a bona fide resident of the jurisdiction of the lodge to which he applies for a period of not less than six months before his petition is balloted upon. This is plain and simple, and men who have lived away from Kentucky for years cannot, by any stretch of imagination, have residence in Kentucky. This practice must be stopped, and any lodge guilty must forfeit the fees, and I shall recommend to the Grand Lodge that any lodge so guilty also forfeit such additional sum of money as will make up the fees in the jurisdiction invaded, and if a lodge persists in this conduct in the face of the law, the Grand Lodge may impose such other penalties as it may see proper, including the arrest of the charter. We want our subordinate lodges to grow with healthy resident material, but we do not want to invade the jurisdiction of others, nor the jurisdiction of other Grand Lodges. Every master and every Recommending Committee, and every Investigating Committee should know the law upon this subject and strictly adhere to it.

The law is as follows:

Constitution—Section 107. No petition for degrees or affiliation by demit shall be balloted on by any lodge, unless the petitioner shall have been continuously a bona fide resident of its jurisdiction for at least six months, or obtained a waiver from the lodge having jurisdiction of it.

Constitution—Section 110. Petitions must be in writing (or printed), signed by the petitioner, giving his occupation, date and place of birth, and the place where he has resided during previous twelve months; also the degree attained, if any, and whether or not his petition has ever been presented to or rejected by a Masonic Lodge—if it has, then the name, number and location of the lodge petitioned must be given; or the name and number of any lodge of which he may be a member of good standing.

Regulation—218. The territorial jurisdiction depends on the distance from the candidate's place of residence to the lodge room, and not to the County line or corporate limits of town or city, where there is more than one lodge. If the nearest city lodge has the jurisdiction, any lodge in such city may receive the petition, or waive jurisdiction, precisely as if it were the only in such city.

Regulation—219. A mere sojourner in a lodge jurisdiction is not a bona fide resident therein.

Regulation—220. Although a candidate be not a naturalized citizen of the United States, yet, if his home is in Kentucky, he may be made a Mason in a Kentucky lodge, provided he shall have resided within the jurisdiction of such a lodge the required time or a waiver of jurisdiction be obtained.

Regulation—225. Kentucky has always maintained the doctrine of territorial jurisdiction, and accorded to other Grand Lodges what it reserves to itself—the right to pass upon the fitness of all candidates who have been bona fide residents of the State for the requisite time. The Grand Lodge of Kentucky has never claimed power to act, outside of its own jurisdiction, nor will it allow its own action to be controlled by any other body of Masons.

Regulation—226. A lodge having jurisdiction to confer the Entered Apprentice degree, and having conferred it, retains jurisdiction until it shall waive it in legal manner, notwithstanding the person, after initiation, may have removed into the territorial jurisdiction of another lodge. The same principle will be adhered to as between a lodge in Kentucky and one in another Grand Jurisdiction. A lodge in any other State, having conferred it, retains jurisdiction to confer the other degrees until it shall waive it by granting a demit or giving consent to the Kentucky lodge to confer them.

I, therefore, order that this Edict be read in full before each subordinate lodge at its Regular Annual Meeting in December, 1946, and that it be read again in full at one Regular Meeting in January, 1947, and at one Regular Meeting in February, 1947, so that the Craft may know what the law is upon this subject, and be fully informed in respect thereto.

Witness my hand this 4th day of November, 1946.

Albert C. Hanson

Albert C. Hanson, Grand Master.

An edict of our Most Worshipful Grand Master regarding jurisdictional infringements and instructions pertaining thereto was read as instructed by our Grand Master.

The Worshipful Master announced that the principal business of the evening would be to elect and install officers for the ensuing year. He invited the attention of the Craft that one year ago he had made the statement that he felt that being Master of this lodge was the greatest honor that had ever been bestowed upon him and re-emphasized that statement by saying that he still felt the same way about it. He again thanked his officers for their loyalty and efforts and recognized that without their assistance his term could not have been as successful as it has been. Lexington Lodge No. 1 Elects Cecil Hardwick

Lexington. — Cecil Hardwick was elected master of Lexington Lodge No. 1, F.&A.M., for 1947 at the annual election of officers held Friday night, December 27, 1946, at the Masonic Temple. He succeeded Russell C. Woodward.

Cecil Hardwick
Master

The new master is very active in Masonic circles holding membership in Lexington Lodge No. 1, F.&A.M.; Lexington Chapter No. 1, R.A.M.; Webb Commandery No. 1, K.T.; Oleika Temple, A.A.O.N.M.S.; Aahmed Grotto, M.O.V.P.E.R. (charter member); Washington Council No. 1, R.&S.M.

Bro. Hardwick is employed as service manager at Goodwin Brothers Garage. He resides at 1710 Clays Mill Road, Lexington, with his wife (Lorene Faulkner), and two daughters, Martha Jean, age 15, and Joyce Ann, age 13.

Other officers elected include: Dr. L. N. Leonard, Sr. Wdn.; A. D. Langford, Jr. Wdn.; Harry M. Couch, Sec.; Elwood Farra, Treas., and Clayton C. Crump, tiler. W. Emmet Milward and Edward F. Jacobs were named directors of the Masonic Temple Association and J. Winston Coleman, Jr., and Harry M. Couch were elected trustees.

Officers appointed by the new master include Clyde Nave, Sr. Dea.; W. E. Lander, Jr. Dea.; C. H. Hoffman, Sr. Stw.; J. H. Sims, Jr. Stw.; Dr. Charles L. Pyatt, Chap.; J. William Mattingly, director of ceremonies, and C. K. Hoffman, reporter.

The retiring master, Russell C. Woodward, was presented with a watch by the lodge in appreciation of the splendid work he did while master. Russell was also presented a past master's jewel as a gift from his business partner and brother mason, Ben Miller. Howard Long, lecturer for Lexington Lodge No. 1, was presented a watch by a group of admirers whom he had lectured.—C. K. Hoffman, Reporter.

At this point Brother Woodward asked Brother Mattingly to preside as installing officer and Brother Couch to act as Marshall, whereupon all stations were declared vacant and Brother Cecil Hardwick was installed as Master of this lodge for the year 1947.

Worshipful Master Hardwick then made the following appointments for the ensuing year:

Clyde K. Nave, S.D.
Clinton K. Hoffman, S.S.
Charles L. Pyatt, Chaplain
J. W. Mattingly, Master of Ceremonies
Clinton K. Hoffman, Reporter for Masonic Home Journal and for local publicity.
Walden E. Lander, Sr., J.D.
James H. Sims, J.S.
Howard S. Long, Lecturer

All Wardens, Deacons, Stewards, the Tiler, Secretary, and Treasurer were duly obligated by J. W. Mattingly and conducted to their respective stations by the Marshall who proclaimed the officers of this lodge duly obligated and installed.

The first official action of our newly elected Worshipful Master was to personally offer a prayer for guidance in his duties and actions for the coming year.

Brother Hardwick stated that he would appoint other committees at a later meeting; such as, refreshment, sick, examining, audit, etc., and that it had been about nine years since he had been obligated at our altar. He was thoroughly impressed with the honor now bestowed on him and wanted it known that he did not aspire to surpassing records in members initiated but would devote some time to making better Masons of those now on our rolls. His ambition would be satisfied, he said, if the Craft could say after his term had expired, "Well, he was a good Master."

Brother Benham J. Sims arose and, after other remarks, predicted that on this night one year hence the Craft would thank him for originally appointing Cecil Hardwick. Another who wished to share this signal honor was Brother Russell Woodward who used his influence to prevent Cecil from withdrawing after he had been in line for a while.

Various other members congratulated the lodge upon its selection and pledged their support to its newly elected officers.

There being no further business to come before the lodge, it was closed at 9:20 P.M.

Cecil Hardwick
Master

Harry M Couch
Secretary

The following was not actually announced at this meeting but is entered here for record purposes.

The following members were issued demits on December 27, 1946:

C. L. Votaw, Covington, Ky., who will associate with one of the Covington lodges.
Calton V. Farrior, Louisville, Ky., who will associate with Suburban Lodge No. 740, Louisville, Ky.

REPORT OF WORSHIPFUL MASTER, RUSSELL C. WOODWARD,
AND HARRY M. COUCH, SECRETARY, TO THE CRAFT

FOR THE YEAR ENDED DECEMBER 31, 1946
(Submitted December 27, 1946)

One year ago tonight the officers of this lodge took their stations as has been customary for years past, and at that time they did not realize what the present year held in store for them.

Within 24 hours after Brother Russell C. Woodward had been installed as Master, one of our illustrious past masters and secretary at that time, Natt Corbin, had answered the roll call of the Great Architect of the Universe. By the middle of March funeral services were conducted for two additional brethren of this lodge, (Reed and Rice) and three funeral services had been held for sister lodges. It requires courage, my brothers, to carry on under such circumstances, but "Russ", as he is affectionately known to the craft, raised his head a little higher when others might have given up, and carried on to close one of the most prosperous years in the history of this lodge. On April 18, 1946, our last respects were paid to Brother Archer Gray, our Chaplain, and on August 5, 1946, it became our solemn duty to conduct funeral services for one of our most popular past masters, Ray E. Murphy. These three illustrious brothers (Corbin, Gray, and Murphy) will ever be remembered for their loyalty and devotion to the fraternity. Their personalities cannot be replaced but others must "carry on" the traditions of this grand old lodge.

During the year 40 meetings were held, of which 16 were called meetings for funerals or work. Nine called meetings were for funerals. During the calendar year 86 were initiated, 55 passed, and 52 raised. Our membership changed as follows during 1946:

Members January 1, 1946		693
" Initiated	86	
" Admitted	28	
" Reinstated	16	130
		823
Died 11, Demitted 9, Suspended 4		24
Members December 27, 1946		799

Four outstanding meetings were held this year, three of which were unusual in that such meetings had not previously been conducted by this lodge. On April 5, 1946, we were host to lodges in the 25th District at a District Meeting arranged by Roy Sapp, D.D.G.M. Grand Master Charles S. Johnson, Al E. Orton, Grand Secretary, and other dignitaries were present on that occasion. On August 14, 1946, a meeting was held for the purpose of presenting 25-year emblems to those who could qualify. This meeting was an inspiring one conducted principally by officers and past masters. On September 16, 1946, each one present repeated his Master Mason obligation under the direction of Brother J. W. Mattingly. Another feature of this meeting was a school of instruction intended to be beneficial to those who might desire to visit another lodge. Past Masters' night was duly observed on November 1, 1946, when 14 past masters were present. Most Worshipful Grand Master Albert C. Hanson attended this meeting. Chester D. Adams exemplified the Master Mason degree in his own superb manner assisted by past masters of this lodge in the various stations. This meeting was preceded by a sumptuous meal at the Lafayette Hotel which was attended by approximately 200 members and guests.

Financially, this lodge is in a satisfactory condition. Briefly the cash situation can be summarized as below:

Balance December 31, 1945	$ 4 233.65
Cash received from fees, dues, etc.	11 137.43
	$ 15 371.08
Cash disbursements	12 991.61
Balance December 27, 1946	$ 2 379.47

(Over)

Collections for the year have been most gratifying. There are but 11 members who have not paid their 1946 dues, and before this meeting 130 members had paid their dues for the year 1947.

*

The majority of the Craft do not realize the sacrifice in time and effort that must be made by an officer if he wishes to have a successful administration. All of the officers of this lodge have cooperated in the fullest extent to make this year one of the banner years in the history of this fraternity and the Worshipful Master and Secretary are most grateful to them and acknowledge that without such support this year could not have been as flattering as it was.

Our best wishes and fraternal greetings are extended to the officers elect for the ensuing year and to them we submit our pledge to assist them to the best of our ability.

Russell C. Woodward
Master

Harry M Couch
Secretary

* The following paragraphs were omitted in typing.

It will be recalled that the disbursements include $7,400 representing an investment in United States Government Bonds with a maturity value of $10,000.

This year has been an outstanding one in members initiated, as on two different occasions we passed 16 to the Fellowcraft degree and on September 30, 1946, 24 candidates of this lodge and one of a sister lodge were initiated. As of this date there are 64 Entered Apprentice Masons and 11 Fellowcraft to be advanced to other degrees. With such large classes being initiated, it has been necessary to employ an assistant lecturer, Thomas D. McKeene, who operates under the direction of Brother Howard Long, our regular lecturer.

Divine services were conducted at the Old Masons' Home on July 7, 1946, and the authors of this report and Brother Cecil Hardwick, S.W., attended the 154th session of the Grand Lodge of Kentucky on October 15 to October 17, 1946.

Death Takes J. E. Cassidy, Once Mayor

John Ernest Cassidy, 79, former Lexington mayor and city clerk, died at 9:30 o'clock today at the Good Samaritan hospital where he had been under treatment since last Friday. He had been in ill health for several years, and had been in retirement since he sold his Aylesford grocery business at Maxwell and Woodland which he operated successfully for a number of years. He resided at 123 Forest avenue.

A native of Fleming county, Mr. Cassidy was born Jan. 16, 1867, a son of the late John T. Cassidy and Laura (Cassidy) Cassidy. He attended public schools at Elizaville and Maysville and private schools operated at Paris by the Rev. J. P. Hendricks and Prof. Fox.

In 1886, at the age of 19, he opened a general merchandise store at Shawhan in Bourbon county. He came to Lexington in 1891 and operated a cigar factory for 15 years. In 1893, he was selected as city clerk, serving until 1912 when he was elected mayor for a four-year term, retiring on his birthday in 1916.

During his administration, the city built 16 miles of asphalt street, acquired, without bond issue, the Jefferson-street viaduct and purchased Douglas, Duncan and Gratz parks.

Mr. Cassidy served as regent of Eastern Council, Royal Arcanium, for five years, and as state regent for one year. He was a 50-year member of the Grand Lodge, Free and Accepted Masons, and held membership in Webb Commandery No. 1, Knights Templar, Knights of Pythias, Maccabees and Woodmen of the World and was a one-time Kiwanian. He also was a member of the Sons of the Revolution and the Central Christian church.

Survivors include his wife, Mrs. Sallie Moore Cassidy; a daughter, Miss Laura Cassidy, Lexington; a brother, H. K. Cassidy, Culver City, Calif., and several nieces and nephews.

The body was removed to the residence.

glory and reputation of the institution might be firmly established and the world convinced of its good effects. In a few brief remarks he endeavored to impress upon those present that recommending a candidate for initiation or membership or acting upon an investigating committee were solemn Masonic duties which each have pledged to perform individually but which have been neglected in some instances. It was his opinion that too many brothers are prone to sign a petition recommending or approving an applicant because some well known Mason had recommended him or approved his petition as a committeeman. Each individual should make his investigation independently and should not recommend a candidate unless he actually knows him to be worthy.

The Secretary announced that we had a cash balance of about $5,000 and made a motion that U.S. Government bonds to cost $3,700 be purchased. This motion was duly seconded and $5,000 maturity value of Series F Bonds have since been purchased.

The Secretary asked for and obtained approval of an expenditure of $2.50 each for resilvering officers' jewels.

After some discussion, a committee consisting of H. M. Couch, L. N. Leonard, and W. E. Lander, Sr. was appointed and instructed to secure quotations on a coffee urn, dishes or cutlery for our Temple kitchen so that the contribution made by this brother could be best applied to something of value that would be appreciated and used by all Masons in this jurisdiction.

The Worshipful Master outlined his plan for conducting work during his administration. It was his intention, he said, to confer the M.M. degree only at called meetings and examinations would be conducted only in the degrees in which work was scheduled on any regular meeting night. This plan met with the approval of those present.

There being no further business to come before the lodge it was closed on the M.M. degree at 10:30 P.M.

In the first section of this degree Elwood Farra, P.M., presided in the East and, as is his usual custom, the work was faultlessly conferred.

The second section was conferred on thirteen brothers in short form, as follows:

The record of this meeting would not be complete without reference to the sterling work of Brother Ray S. Stewart in his role of K.S. and in his presentation of the third section of this degree. This section had not been conferred for a long time and it was most instructive to those present who had not seen it and equally important to those who had.

William B. Jones, (Berea No. 617), D.D.G.M. of this district was present and paid tribute to the manner in which this degree was conferred and announced that his lodge would be host to a district meeting on June 14, 1947, at which time the Master Mason degree would be exemplified.

The success of this meeting is exemplified by the fact that about 225 Masons were present and in addition to our own members there were representatives present from 20 sister lodges.

A tasty buffet supper was served in Fraternity Hall promptly at 6:30 P.M. by Brothers Marvin Whitton, Vertner Slade, Raymond Mooney, and their cohorts on the refreshment committee.

Lodge opened in form on the E.A. degree at 7 P.M., in the Chapel of the Old Masons' Home at Veachland, Kentucky, with 45 others present.

The Worshipful Master called Brother Charles Mathews, a resident of the Home, to the altar and presented him with his 1947 dues receipt as a compliment of the lodge.

The Master explained to those present that it was our pleasure to come and visit them and confer the E.A. degree at this time and informed the Craft that Brothers A. D. Langford and J. W. Mattingly would preside. He commented upon the work that this lodge was doing and that we had about 90 men in process of taking the degrees in Masonry at this time.

Initiated - E.A.

Harold Y. Barker
William D. Hurt

Harold Y. Barker and William D. Hurt, being in waiting, they were prepared, introduced, and initiated as E.A. Masons. A. D. Langford presided in the East in the first section of this degree, and J. W. Mattingly in the second section. Both of these brothers demonstrated to our own brothers and to our loved brothers of the Old Masons' Home that they were masters of the art of dignity and oratorical perfection in their presentation of this degree.

After the work was completed all present congratulated the mewly made brothers and good of the order was the next order of ceremony.

Brothers Barker and Hurt, newly initiated, acknowledged their appreciation of our consideration in choosing them as candidates on this occasion and expressed their pleasure at the conference of this work.

A number of our brothers, residents of the Home, responded with congratulatory remarks about our meeting and gave some of their own Masonic background. Those who responded were Brothers S. P. Witt, P.M. Keystone Lodge No. 470, Gratz, Ky., Charles B. Mathews, Lexington Lodge No. 1, Col. Horace Rutherford (50-year Mason), Vesper Lodge No. 71, Elkton, Ky., and Leonard Schweitzer, Mt. Vernon Lodge No. 14, Georgetown, Ky.

Brother Luther F. Morgan, Supt. of the Home, welcomed us as visitors and commented upon his one time affiliation with this lodge. He wore the apron and jewel of the Chaplain on this occasion, and in his remarks, stated that this gave him a feeling of great pride.

J. W. Mattingly mentioned that it was a pleasure for him to be present again at the Home and to assist in conferring this degree.

H. M. Couch referred to Brother John G. Cramer's condition at present since he is known to several residents of the Home and his name had been mentioned earlier. Attention of the newly made brothers was invited to the distinctive feature of their initiation and their privilege of being selected as candidates on this occasion.

L. N. Leonard suggested that as he hoped to be Master of this lodge in 1948, it would be entirely possible that we could confer another degree for them at that time.

Brother A. D. Langford introduced Brother Thomas Ford of Rockport Lodge No. 312, a resident, and inferred that two other good Masons, Charles S. Johnson and himself had originated from Ohio County.

The Master offered his congratulations to Brothers Langford and Mattingly for their presentation of this degree work and his remarks were applauded by all.

Brothers Z. H. Brooking, Scott Lodge No. 702, and Roy Farmer, Buford Lodge No. 494, were present as visitors.

As a compliment to our brothers residing in the Home, a box of cigars was distributed to them and a further treat of apples and oranges was left with them for their pleasure.

In addition to those who acted in the various stations, there were four other members of this lodge present and approximately thirty residents of the Home were accounted for by registration.

It was a great source of satisfaction to those members who attended this meeting in knowing that they had done something for our less fortunate brothers from which they derived some pleasure. All felt that whatever effort had been made to accomplish this purpose, had not been a burden but a genuine pleasure.

There being no further business to come before the lodge, it was closed at 8:45 P.M.

Our Worshipful Master, Brother Hardwick, presided in the East in the first section of this degree. This was the first occasion on which this section of the work had been conferred by him and it is needless to state that his presentation was faultless. He deserves great credit for the time and effort he expended (in addition to his other duties as Master) in committing this work to memory.

At this point the Worshipful Master recognized Brother T. Robin Toadvine, W.M., of St. Andrews Lodge No. 18, Cynthiana, Kentucky, who, with twelve other brothers of that lodge, were visitors on this occasion. He issued an invitation to attend a district meeting there on May 13, 1947.

Brother Cecil Hardwick again presided in the East in the first section of this degree and seldom has such an exemplification of this degree been witnessed in this Lodge. Those who were unfortunate enough to be absent on this occasion missed an example of sterling ritual exemplification.

Dear Mr. Couch:

Your letter touched me deeply; in fact, it brought a flood of tears. We sincerely appreciate your thoughtfulness and the thoughtfulness of the others in placing flowers on Natt's grave, and I know how appreciative Natt would be, if he knew, of what the Masons had done for him. He loved his Masonic work and its membership. Always happy to help anyone in any way he could, but never expecting anything in return.

Words are inadequate to express our emotion for the kindness and thoughtfulness of Lexington Lodge #1 for the memorial at the Old Masons' Home in Shelbyville. It is really a beautiful token of appreciation of his work and a wonderful gesture on their part. Perhaps you can express to the Lodge our gratefulness in better words than I, but no words can express how deeply we feel from the bottom of our hearts. Please convey this message to our dear friends in the Lodge.

We are planning on coming to Lexington Sunday for a little vacation. Will be staying at # 267 Castlewood Drive while there. Hope to see you before we return.

Best regards to the wife and to all of our good friends in the organization.

Sincerely,

Russell W. Corbin.

RESOLUTION ADOPTED BY
LEXINGTON LODGE NO. 1, F.& A.M.
On July 7, 1947

To The Board of Directors of
Masonic Widows and Orphans' Home and Infirmary,
Masonic Home, Kentucky.

"WHEREAS, Brother Arthur Williams who died on the 23 day of January, 1928, was at the time of his death and had been for a period of 51 years and 3 months, a Master Mason in good standing in Charity Lodge No. 279, F.& A.M., of Mayslick, Kentucky, and whereas, he left surviving him Mary White Galbreath Williams, a widow who is now 76 years of age, and whereas the lodge has through a committee composed of Brother G. G. Grall, L. N. Leonard, and H. M. Couch, members of said lodge, made a careful investigation of the case and finds that the said widow is in destitute circumstances, that she has no one able and willing to support or care for her, except as herein stated; and that she is worthy and eligible under the Home's by-laws, rules and regulations to admission to said Home.

Now, therefore, be it resolved, that Lexington Lodge No. 1, hereby applies for the admission of said widow to the Masonic Widows and Orphans' Home and Infirmary and agree as follows:

1. If admitted the widow shall be subject to said by-laws, rules and regulations and to the conditions and agreements therein contained.

2. To receive back said widow at any time upon the request of the Board of Directors of said Home.

3. In the event of the death of said widow before being discharged from said Home to defray the funeral expenses.

4. To mail to the Superintendent of the Home annually between the 1st and 15th of July on forms to be furnished for that purpose, a statement showing the financial condition of the widow."

We, the undersigned Master and Secretary respectively of Lexington Lodge No. 1, F.& A.M., hereby certify that the foregoing is a true, correct and accurate copy of a resolution adopted by said lodge at a stated meeting of same held on the 7th day of July, 1947, and that said resolution has been spread upon the minutes of said lodge at page_____ of the minute book.

Harry McCouch
Secretary.

The Secretary read a resolution in connection with the application of Mrs. Mary White Galbreath Williams, 1318 Southern Avenue, to the Masonic Widows and Orphans Home. It was regularly moved and seconded that this resolution be adopted which was done by unanimous vote of the lodge. Said resolution is incorporated in these minutes on an appended page.

The Secretary reported on the condition of Brother John G. Cramer, Brother Kinker on Brother Shelby Lane, and Brother Hardwick on Brother John R. Bays.

Brother L. N. Leonard made a report to the Craft on our divine service at O.M.H. on July 6, 1947, and the W.M. thanked the program and refreshment committees for their efforts on this occasion. Our brothers at the Home seemed to enjoy the treat of ice cream and cigars which we took with us for their pleasure. The W.M. complimented Brother Chester D. Adams on his fine sermon, "Let There be Light." He stated that although the attendance was not as good as he had expected that he was proud to have been there on that occasion as Master of this lodge. A presentation was made to the Home of a check for $225 for the furnishings of a double room which was to be dedicated to the memory of our beloved brother, Natt Corbin.

The W.M. informed the Craft that another check for $225 had been contributed personally by Brothers Guss Johnson and Lee Pyman for the same purpose.

At this point the W.M. read the names of numerous E.A. and F.C. Masons who were making no progress and asked that the brethren do all in their power to encourage these men to proceed as soon as possible.

Lodge called from L-R and opened on F.C. degree.

Leonard, S.W., conferred the first section and A. D. Langford the second.

He also informed the Craft that a report covering the operations of the Old Masons Home of Kentucky was available for inspection of anyone who wanted to see it.

Henry Pendleton Barret

Born September 2, 1865 Died July 9, 1947

Grand Master Grand Lodge of Kentucky 1907-1908

Office of the Grand Master

Newport, Kentucky, July 26, 1947.

To the Officers and Brethren of the Most Worshipful Grand Lodge of Kentucky, Free and Accepted Masons and its constituent lodges, and to all Masons to whom these presents may come, this sorrowful greeting:

My Dear Brethren:

It is with profound sorrow that I officially announce to you the passing of our beloved Past Grand Master

Henry Pendleton Barret

at his home at Henderson, Kentucky, on Wednesday, July 9, 1947, at 7:00 o'clock p. m. His death came unexpectedly although he had been in declining health for some time. He had retired from business activities for several years, spending his winters in Florida and traveling extensively.

Funeral services were private and simple and were held at his beautiful country home on Friday, July 11, at 4:30 p. m. The Grand Lodge of Kentucky was represented by Nat S. King, Grand Junior Warden, proxy for the Grand Master, and Hugh E. Duke, District Deputy Grand Master. The Grand Commandery of Kentucky was represented by H. H. Davis, Past Grand Commander, C. W. Geibel, Grand Captain of the Guard and G. L. Utley, Chairman of the Grievance Committee.

Bro. Barret was born in Henderson, Kentucky, on September 2, 1865, the son of James R. and Lucy Stites Barret. All ancestors for three generations lived in Henderson. The Barret homestead in the City was donated by him to Jerusalem Lodge No. 9 on which it erected the present beautiful Masonic Temple.

He was at the time of his death the Senior Past Grand Master and had served as a valuable member of the Committee on Jurisprudence for the past twenty years.

He was one of the most extensive land owners in Henderson County. He owned and operated the Kentucky Cardinal Orchards, Green Farm, Home Farm, and others. Some 300 workers were employed on the farms. His purebred livestock was widely known.

He was vice-president of the Ohio Valley Trust Company and a director of the Ohio Valley National Bank. He formerly owned and operated several tobacco stemmeries.

He was noted for his aid to charitable institutions and had aided many Henderson County students through college. He had been an active Director of the Masonic Widows and Orphans' Home for many years. His council and advice will be greatly missed. It was he that introduced the resolution in the Grand Lodge creating the Endowment Fund for the Home.

His home, one of the show places of the County was furnished with rare antiques and art work from many Countries, especially Central and South America and he also owned one of the finest collections of Audubon original paintings in the Country.

He married Miss Mariam Worsham on June 5, 1901.

He is survived by his wife; sister, Mrs. Samuel Gant, and a niece, Mrs. Charles Hoge of Frankfort, Kentucky.

The Secretary announced that Otho G. Hisle was fully recovered from his operation and expected to return to work within a short time.

The W.M. called attention to the fact that those who petition for initiation should be informed that their advancement in Masonry involves committing certain portions of the work to memory so that this would be fully understood when the application is filed.

The Secretary stated that this lodge would have about 875 members at July 31, 1947, and that would include 59 E.A. members before the class of this evening were initiated or 67 after this meeting.

Brother Herbert D. Estes called attention to a letter from Brother Rollie C. Walling of the Division of Police, Louisville, Kentucky, who had rendered valuable assistance to the lodge in securing a M.M. working jacket. The letter was given to the Secretary to acknowledge which has been done.

Brother A. D. Langford introduced Brother Stanley Kerns of Mt. Sterling Lodge No. 23, who has been a regular visitor recently and has offered his assistance in conferring degrees or funeral services.

Brother J. W. Mattingly invited attention to the requirement that utmost secrecy is a necessary attribute of all members with respect to any action taken within the lodge. Violation of this principle can be punished by suspension.

The Secretary told of his visit in June 1947 to the O.M. Home of Minnesota and again called attention to a copy of the 43rd, 44th, and 45th annual reports of the Old Masons' Home of Kentucky that was available to anyone who wished to read it.

The W.M. announced that an examination on F.C. degree and conference of that degree, if there were any candidates, would be the order of work at our next meeting.

L. N. Leonard Senior Warden — Harry M. Couch Secretary

A. D. Langford Junior Warden — Senior Steward

C. K. Nave Senior Deacon — J. M. Sims Junior Steward

Marvin S. Whitton Junior Deacon — Chas. C. Crump Tiler

Lodge opened in due form on M.M. degree at 7:40 P.M. with 87 others present.

The following visitors were present:

Sanford C. Perry	Fortitude No. 47, La Grange, Ky.
W. F. Bumstead	Winchester No. 20, Winchester, Ky.
Paul Busch	Kilwinning No. 506, Louisville, Ky.

The W.M. announced that the purpose of this meeting was to reobligate all Master Masons, conduct a school of Masonic instruction, listen to explanations of Masonry and eat.

Without further delay all present took their position at the altar, whereupon Brother J. W. Mattingly ably administered the binding obligation of a Master Mason to those present. This was an imposing sight and each one obligated was in a serious mood for in every brother's heart there was an earnest desire to fulfill this obligation.

A school of instruction was conducted by Brother Marvin S. Whitton, assisted by Brothers Elmer O. Kinker, Thomas D. McKeene, and Raymond W. Mooney. The "Test" oath or "Tiler's" oath was illustrated, after which a hypothetical examination of a brother who wished to enter lodge, as a visitor, was demonstrated. This examination covered essentials in each of the three degrees. The G.M.W. was also communicated. Numerous brothers present, who did not have the word, were enlightened.

Brother Orval M. Morgan, in an instructive talk gave valued information relating to the conduct of Masonic funerals, covering (1) the positions of officers and the craft, (2) giving grand Masonic honors and stressed the importance of visiting the home of bereaved ones after the funeral. The remainder of his allotted time was taken up by explaining the connection of the Holy Bible to our Masonic teaching, quoting references in Kings and Chronicles with relation to King Solomon's Temple, King Solomon, Hiram, King of Tyre, and Hiram Abiff. He explained some now seldom used terms; such as, 20,000 measures of wheat being 160,000 bushels, and 20,000 baths of wine or olive oil representing 8 gallons each and 8 hand breadths being a cubit. He described the location of King Solomon's Temple, its construction and the numbers of various types of workmen employed, explaining the Holy of Holys, The Middle Chamber, etc.

He confirmed instructions, always given in this lodge, that stewards in charge of candidates in E.A. degree should never prompt them to answer questions propounded. Such interrogations as "Why does the Master wear his hat?" and "Where did the Masonic jewels come from?" remained unanswered. Brother Morgan was well fortified for this talk and had no doubt given considerable time to its preparation. He had a book which showed cuts of King Solomon's Temple which was passed among the craft. This portion of our program will be remembered by the brethren as one of the most interesting of its kind which it has been our privilege to hear.

Brother Charles L. Pyatt, Chaplain, was called upon for some remarks and answered the question in his own case, "Why do men become Masons?" He remembered as a child sitting on his father's knee and playing with his Knight Templar Charm. His father and grandfather were both charter members of an Illinois lodge, and his grandfather played the part of J---M when his own father was raised. His grandfather could remember an anti-Masonic political party being organized during his lifetime. Brother Pyatt's impression is that there is not so much secrecy about the order as generally supposed although there is, and should be some secrets in such an organization. His favorite degree, as with most of us, is E.A. where the candidate is told, "You are now about to enter--------both a and h ------a as having subsisted----------and h as tending -------so as to render----------ancient precepts." In closing he hoped that more fellowship could result from our Masonic association in order to become better acquainted with our brothers. He congratulated the W.M. on the conduct of this meeting and appreciated the opportunity of being with us and assisting in any way possible.

The W.M. graciously thanked those who had assisted in making this meeting a success for it was a hot night. Their attendance indicated to him that they were trying to support him in every way possible. He again called attention to our most serious problem of trying to induce certain E.A. and F.C. Masons and to progress in their Masonic career. (As of July 31, 1947, we had 67 E.A. Masons and 17 F.C. Masons.) We all know that Brother Hardwick has spent many hours of his time working on this problem and has been gratified by some success but he asked for assistance from the Craft to help him solve this perplexing problem.

The W.M. dwelled upon the responsibilities of those who recommend applicants for degrees or membership and cautioned committeemen on petitions not to shirk their Masonic duty but to make a thorough investigation, in each instance. He cited examples of members having been accepted in this lodge and then rejected (rightfully) when they had applied for admission to the higher bodies.

The W.M. announced that Brother E. L. Armstrong, a brother of a sister lodge, was at St. Joseph Hospital and needed a contribution of blood to save his life.

He stated that the E.A. degree and examination thereon would be the order of work on August 18, 1947.

Brother Russell C. Woodward, P.M., expressed his pleasure at being present and assured the W.M., Wardens, and Brethren that he had received some benefit from attending.

Brother Gilbert A. Kinmouth introduced Brother W. F. Bumstead, a member of Winchester Lodge No. 20, who formerly was a member of a Canadian Lodge and wore the apron presented to him there. He gave an interesting discourse on certain practices followed by Canadian lodges that differ from ours.

The Secretary introduced Brothers Mack C. West, Paint Lick, Ky., Charles W. Bohmer and Cecil M. Platt, who have recently been made members of this lodge by reinstatement or affiliation. All members who had been raised within the last year were asked to arise. There were about 20 of them. The Secretary announced that during the past year we had done courtesy work for 22 brothers of other lodges.

(Over)

There being no further business to come before the lodge, it was closed at 9:30 P.M., after which all repaired to the club room where delicious ice cream sandwiches were served by the refreshment committee and a social hour enjoyed by all.

The Secretary read a letter from Brother Warner L. Alcombrach, Long Beach, California, in which he enclosed a postal note for $10 as his contribution to furnishing two rooms at the Old Masons' Home. The Secretary suggested that this might be the nucleus of providing funds to furnish an additional room at the Old Masons' Home through voluntary contributions if the Craft were so inclined. This suggestion met with no response, however.

A communication of August 11, 1947, from Luther T. Goheen, Supt. of the Masonic Widows and Orphans Home, was also read.

We were informed that Mrs. Mary Williams' application for admission to the Home was accepted on August 8, 1947, but that she could not be admitted until four other widows' applications had been satisfied.

A communication from Herbert Teater, Secretary of Madison Lodge No. 183, F.& A.M., Edenton, Kentucky, requesting a waiver of jurisdiction in behalf of Russell L. Moberly, 912 S. Limestone Street (a carpenter) was also read. The W.M. appointed Clinton K. Hoffman, James H. Sims, and Walden E. The family of William H. Moore, for whom a Masonic funeral service was conducted on August 2, 1947, acknowledged their appreciation by means of a card expressing their gratitude.

L. N. Leonard reported that Brother Escum L. Moore had been operated on but was now at home and suggested sending a "get well" card which has been done.

At this point Brother M. O. Wilson, P.M. and Secretary of Devotion Lodge No. 160, announced that a special program had been prepared for a meeting of September 2, 1947, at which time they would observe their 100th anniversary at the Phoenix Hotel, starting with a dinner at 6 P.M. All members of this lodge were invited to attend this dinner. The W.M. urged all to attend who could possibly do so and to assist our sister lodge in any possible manner in making this meeting an outstanding one for Masons in Central Kentucky.

This lodge was honored, upon this occasion, by the presence of Rube McKnight, Deputy Grand Master of the Grand Lodge of Kentucky, who was introduced by the Secretary and, after Grand Masonic Honors were given, he was conducted to the East. Our program of work continued at this time without interruption.

Langford conferred the first section of this degree and J. W. Mattingly conferred the second section and gave the charge to the newly made brothers. These two worthy brothers exhibited a fine piece of ritualism on this occasion and were the recipients of congratulations from the Craft.

Our Deputy Grand Master, Rube McKnight, was then called upon for some remarks. He brought greetings from the Grand Lodge of Kentucky, F.& A.M., and from lodges in West Kentucky, where he is a member of Central Lodge No. 673, F.& A.M., Central City, Kentucky. He mentioned the problems of Grand Lodge officers who guide the activities of our fraternity which may have 70,000 members when the Grand Lodge meets in October. He mentioned the appointment of Brother Luther T. Goheen as Superintendent of Masonic Widows' and Orphans' Home and spoke of the good work he was doing in employing boys from

the Home to wash paint work in the buildings there rather than to repaint surfaces which did not require paint. Inovations in the operation of the Home recently instituted are (1) establishment of a four year high school curriculum and permitting children of Masons who are not actually orphans to enter the Home on a paying basis.

If man is mason

This was Brother McKnight's first visit to this lodge. He stated that our method of conferring the E.A. degree was similar to that used in West Kentucky and expressed his pleasure at having had the opportunity to visit with us.

Brother M. B. Blair, a visitor from Rachford Lodge No. 469, Rachford, Tennessee, stated that this was the first time he had ever sat in a Kentucky Lodge. He said that he would like to say that he was as well versed in the work as our officers who had conferred the degree earlier and mentioned that our work was somewhat more elaborate than theirs.

The W.M. announced the following trestle board:

September 29, 1947	(Called)	E.A. degree and examination.

The W.M. declared eight E.A. examined earlier in the evening to be proficient and seven were elected to receive the F.C. degree in this lodge (one being from Hazard No. 676).

Oscar Ray Reynolds was elected to receive the M.M. degree in Mt. Vernon Lodge No. 14, Georgetown, Kentucky, subject to his proficiency in the F.C. degree. Brother Reynolds received the F.C. degree in Mt. Vernon Lodge No. 14 on August 18, 1947.

F.C. degree conferred
Oscar Ray Reynolds (Mt. Vernon No. 14)

Herbert D. Estes reported as Chairman of a committee that an air conditioning unit for the lodge room would cost about $4,120, not installed. The M.T.A. representative stated that no funds were available for such an expenditure, so final action was deferred on this subject until a later date when more complete details as to installed cost, location of unit, etc., could be established.

There being no further business to come before the lodge, it was closed at 10:50 P.M.

Lodge was again called to order at 7:30 P.M., and the members of the refreshment committee were recognized and congratulated.

The W.M. announced that a brown straw hat, size 7-1/8, which had been left at our meeting of August 12th or August 18th, was available to the owner in the Secretary's office.

The Craft was informed that the F.C. degree would be conferred on September 15th and E.A. degree on September 29th at a called meeting.

The W.M. recognized Brother D. W. Dunn of Franklin Lodge No. 28, Danville, Kentucky. Brothers Victor Bogaert, Jr., Potentate of Oleika Temple, and Lilliard T. Marshall, P.P. of Oleika Temple, were also recognized and made appropriate remarks on this occasion.

After the newly made Master Masons were congratulated, Brothers L. N. Leonard and Cecil Hardwick presented Brothers Frank H. Farmer and James M. Stapp, Jr., respectively, with gifts submitted by donors who could not be present.

Attention was again called to the 100th anniversary of Devotion Lodge No. 160 on September 2, 1947, and urged all to attend on this occasion.

The Secretary called the attention of Brothers Hill and Vance, who had been raised tonight, to a provision in the Grand Lodge of Ohio requirements that Master Masons of Ohio lodges must qualify with an examination on that degree. They were instructed to make their own arrangements in this connection as such is not required in Kentucky.

There being no further business to come before the lodge, it was closed at 9:30 P.M.

LEXINGTON LODGE NO. 1, F.& A.M.

"WHEREAS, Brother Oscar Willard Justice who died on the 13th day of April, 1940, was at the time of his death and had been for a period of 7 years and no months, a Master Mason in good standing in Lexington Lodge No. 1, F.& A.M., of Lexington, Kentucky, and, whereas, he left surviving him Ann Louise Justice, a child who is now between the ages of 3 and 16 years, and whereas the Lodge has through a Committee composed of Brothers Henry J. Schofield, Harry M. Couch, and Virgil C. Roberts, members of said Lodge, made a careful investigation of the case and finds that the said child is in destitute circumstances, that it has no one able and willing to support or care for it, except as herein stated; and that it is worthy and eligible under the Home's by-laws, rules and regulations to admission to said Home.

Now, therefore, be it resolved, that Lexington Lodge No. 1 hereby applies for the admission of said child to the Masonic Widows and Orphans' Home and Infirmary and agrees as follows:

ON SEPTEMBER 15, 1947

RESOLVED, That this lodge hereby approves and endorses the application of Brother Robert Guyn Lowrey, a member of this lodge, to be admitted to the Old Masons' Home of Kentucky. We certify that he has been a member of this lodge continuously, preceding this date, for 18-2/3 years last past, that we have carefully and diligently investigated all questions and answers involved in the application, and affirm that he is unable to earn a support for himself; that he possesses no property real or personal, no life insurance or pension, no money or income, and that his children are unable to support him, in whole or in part, with the exceptions -- Cash approximately $900 and equity in life insurance policy of approximately $800, and that he is worthy and deserving, and that he is not addicted to the intemperate use of intoxicants, nor to the use of opiates, nor is he of UNSOUND mind.

That if the Board of Directors of said Old Masons' Home shall at any time dismiss Brother Robert Guyn Lowrey or if the Executive Committee of said Home shall deem him unfit to be retained as a resident, this lodge pledges itself to receive him back to its jurisdiction, furnish transportation to his home and fulfill its obligations to him as a member of the lodge. Kean Ashurst and Dwight G. Tenney were elected as members by demit from Mt. Vernon No. 14, Kentucky, and Independent Royal Arch No. 2, New York, respectively.

F.C. Elected
Thomas M. Wallace

Thomas M. Wallace was elected to receive the F.C. degree, having been examined in Devotion Lodge on August 25, 1947.

The Secretary read a letter of August 11, 1947, from Brother Warner L. Alcombrach, Long Beach, California, who is now 90 years of age. He had enclosed a postal note for $10.00 which was intended as his contribution toward reimbursement of the lodge for a portion of the $225 which it had contributed to furnish a room at the Old Masons' Home. At the time it was received it was suggested by the Secretary that this amount might be used as a nucleus to start a fund by voluntary contributions to furnish an additional room at our Home, but no response having been received to this suggestion, it was moved by the Secretary and duly seconded that this voluntary contribution be returned with our thanks, which motion was carried. These orders were carried out by the Secretary on September 17, 1947.

The Secretary read a letter of September 4, 1947, from the Secretary of Charleston Lodge No. 153, Charleston, West Virginia, stating that Brother Thomas E. Sutherland of that lodge was to attend U. of K. and asked our assistance in obtaining quarters for him. Brother Sutherland has since contacted your Secretary and stated that temporary quarters had been obtained.

The following bills were received and ordered paid:

Resolutions endorsing the applications of Brother Robert Guyn Lowrey to the Old Masons' Home and of Louise C. Justice, the widow of Oscar W. Justice, for admission of her daughter, Ann Louise, to the Masonic Widows and Orphans Home, were approved after some discussion. The application of Brother Lowrey was filed on September 24, 1947, and that of Mrs. Justice on September 25, 1947. Copies of the resolutions as adopted are made a part of these minutes.

The audit report of the lodge, covering its operations for the year ended December 31, 1946, was read and ordered filed. This committee was composed of Hardes A. Smith, William Beck and Charles C. Combest. The report as submitted was compiled by the Chairman, Hardes A. Smith.

The Committee on a request for waiver of jurisdiction on behalf of Russell L. Moberly, 912 S. Limestone Street, to Madison Lodge No. 183, reported their findings and recommended that such waiver be granted. After some discussion of this situation, and our past policy in such cases, it was regularly moved, seconded and carried that such waiver be refused. The Secretary of Madison Lodge No. 183 was so notified on September 17, 1947.

The Secretary reported on a visit to John G. Cramer and requested younger Masons to call on him. Melvin D. Shumaker and Harvey W. Poor were reported in Good Samaritan Hospital and Clarence Eads of Ludlow, Kentucky, at Veterans Hospital.

We were fortunate, on this occasion, to have as a visitor Brother Charles P. Duley, P.G.M. of the Grand Lodge of Kentucky, and a member of Morehead Lodge No. 654. He is not a stranger

in this lodge and recalled a notable occasion in our history when he was present at our 150th Anniversary. He stated that with the passing of older members such as Natt Corbin and John G. Cramer, (See note below) it behooves the younger group to become proficient in their work, pay their dues and assist in any way possible. He congratulated this lodge upon furnishing two rooms at the Old Masons' Home and mentioned that his brothers had paid for the furnishings of a room by voluntary personal contributions. After some discussion of problems of our Homes on admissions, he extended an invitation to visit Morehead Lodge No. 654 on the second Saturday and fourth Thursday any month.

Lodge called from L-R and opened on F.C. degree.

James A Fraser, Louis R. Grall, Frank J. Korb, Jr., William D. Porter, William R. Saunier, Archer B. Seeley, Aaron Taylor and Thomas M. Wallace, of this lodge, and Theodore W. Clark of Hazard Lodge No. 676, F.& A.M., being in waiting, they were prepared, introduced, and passed to the degree of an F.C. by L. N. Leonard and A. D. Langford in the respective sections.

- James A. Fraser
- Louis R. Grall

- Wm. D. Porter
- Wm. R. Saunier
- Archer B. Seeley

The W. M. announced that this lodge would confer the F.C. degree in Buford Lodge No. 494, Midway, Kentucky, on October 7, 1947, and invited those in this class who were just passed to attend that ceremony.

Lodge closed on F.C. and called from R-L on M.M. degree

The W. M. announced that a called meeting would be held on September 29, 1947, for the purpose of conferring the E.A. degree at which time Past Masters Couch and Mattingly would preside in the respective sections.

It was announced that the F.C. team would practice on September 17, 1947.

NOTE: The minutes of this meeting inadvertently mentioned the "passing" of John G. Cramer (This Page). This was intended to mean his inability to assist in lodge activities and not that he was deceased. (Correction requested by W.M.).

Mr. Harry M. Couch, Secretary
Lexington Lodge #1
F. & A. M.
Lexington, Kentucky.

Dear Brother Couch:

Pursuant to the request of the Worshipful Master of Lexington Lodge # 1, the Auditing Committee is attaching hereto their report of the Audit of the Books of our Lodge for the year 1946, and ask that you submit this report to the Officers and Members of the Lodge for their acceptance.

Included in this report are the following schedules:

1. Analysis of Income and Expenses.
2. Balance Sheet.
- 2A. Schedule of Government Bonds.
- 2B. Investments in the Masonic Temple Association.
- 2C. Schedule of Fixed Assets.
- 2D. Accounts Receivable.
- 2E. Dues and Fees Paid in Advance.
3. Schedule of Cash Receipts.
4. Schedule of Cash Disbursements.
5. Summary of Receipts and Disbursements.
6. Bank Balance Reconciliation.

You will note that the schedules of Cash Receipts and Disbursements are computed on a cash basis for the year, in order to correctly show the final cash standing; and that the Income and Expense, and the Balance sheet are computed on an accrual basis, in order to conform with the present system of bookkeeping.

I might add that it has been a pleasure to audit these books, and that the manner in which they have been kept is very commendable and in such a very good condition that an audit has been comparatively simple. I wish to commend you on the manner in which these books have been kept, and say that very few people keep a set of books in such a clear cut manner; all items having been clearly set out, and readily cross checked by your system of bookkeeping.

On behalf of the Auditing Committee, I thank the Officers of our Lodge for the opportunity of performing this Audit.

Respectfully submitted,

H. A. Smith, Jr. Chairman
Auditing Committee.

Fred I. Rogers
Norman V. Lewis

Robert E. Featherston was elected to receive the M.M. degree in Delta Lodge No. 425, Tulsa, Okla. Fred I. Rogers was elected to receive the F.C. degree in Honolulu Lodge No. 409, and Norman V. Lewis was elected to receive the F.C. degree in Bowling Green Lodge No. 73.

At this point Brother Robert G. Lowrey was asked to approach the Altar where he was introduced to the Craft by your Secretary, Harry M. Couch. He was then presented with a 50-year emblem signifying that term of service to the fraternity. Brother Lowrey was raised in Buford Lodge No. 494, Midway, Kentucky, on March 24, 1891, and has also been a member of Hart Lodge No. 61 and of this lodge since January 7, 1929. Brother Lowrey will be 88 years of age on October 22, 1947, and as a token of our esteem he was presented with a pipe and a pound of his favorite tobacco in the hope that it would help him to pass some pleasant hours at the Old Masons Home where his application is pending. In responding to this presentation, Brother Lowrey stated that he was raised by Brother Sewell Avery Smith.

The Secretary read a letter of September 27, 1947, from Albert C. Hanson, G.M.G.L. of Kentucky, to which he attached a copy of his letter of the same date to the Secretary of Middletown Lodge No. 732, F.& A.M., in which he ruled that Lodge No. 732 had invaded our jurisdiction in the case of Carl Sweeney. His order was that they should pay to this lodge any fees collected and as a penalty any additional amount representing the difference between the amount they collected and the amount of our fees for the E.A. degree. The Secretary of Lodge No. 732 has informed your Secretary that they had collected $20.00 and he has been informed that our fees for this degree are $35.00.

The Secretary read a letter of September 29, 1947, from Greenville Lodge No. 655, Caney, Kentucky, in which a waiver of jurisdiction was requested on behalf of Lewis Richard Watson, address unknown. No committee was appointed and additional information requested by the Secretary from the requesting lodge has not been forthcoming.

A letter of September 24, 1947, from Brother Warner L. Alcombrach, Long Beach, California, enclosing his postal note for $10, which had previously been returned to him by a vote of this lodge on September 15, 1947, was also read. This letter addressed to the Secretary gave his permission to use the funds to purchase utensils, dishes or cutlery for the Masonic Temple kitchen.

Brothers Melvin D. Shumaker, Harvey Poor, and Elmer O. Kinker were reported in improved condition but Brother John H. Cavens was said to be in serious condition.

The W.M. announced the following activities:

October 7, 1947, F.C. degree for Buford Lodge No. 494, Midway, Kentucky.
October 20, 1947, E.A. degree and examination.
October 21-23, 1947, Grand Lodge of Kentucky, Louisville, Ky.
October 28, 1947, Called Meeting to present 25-year emblems.
November 21, 1947, Past Masters Night.
(Last date subsequently changed to November 17, 1947).

The W.M. read a letter which he had written to various E.A. and F.C. Masons whose progress has been unsatisfactory. Included on this list were Brothers Gooch, Johns, Lawson, Mastin, Looney, Moore, Odom, Sloan, Turner, Davidson, Mitchell, Danos, Corey, and Espin.

Further comments were made by the W.M. about the poor attendance at Masonic funerals and suggested as a remedy that such services could be conducted at the funeral home on the night before the funeral as a means of encouraging attendance.

At this point an open discussion was held on the possibility of establishing a Masonic "Blood Bank" on the basis of one recently described in the Masonic Home Journal. The names of those interested in this venture were recorded and given to the W.M. and Edward E. Sutton given authority to take the proper steps to establish such an organization in this group without the formation of a club similar to the "High Twelve" club.

Brother Herbert D. Estes announced that the Fellowcraft Club would meet on October 8, 1947, and made a motion, which was duly seconded and carried, that the lodge contribute $25 toward the expense of postage and refreshments for this group. The Master stipulated that accounting for this fund should be made to the Secretary.

There being no further business to come before the lodge, it was closed at 9:45 P.M.

A PROCLAMATION

Whereas—Definite, subversive influences are being exerted through attacks upon our liberties, by those who would advocate pagan philosophies of government to replace our "American way," and

Whereas—Realizing the important part that religious faith has played in the building of our civilization by the early colonists, whose liberties were won, only by tremendous sacrifices.

Now Therefore—As Grand Master of Masons of Kentucky, I do hereby designate and proclaim the 3rd week of October 13 to 20, 1947, inclusive, as

NATIONAL BIBLE WEEK

in all Masonic Lodges under the Grand Jurisdiction of the Grand Lodge of Kentucky, Free and Accepted Masons.

Each lodge shall set aside a part of the stated meeting during that week, or of the first meeting thereafter, if none is held during that time, for the purpose of reading aloud in open lodge, a portion of God's law from that book of books, our Great Light, The Holy Bible; so that as Masons who fully realize that in union there is strength, we might put forth a united effort to combat Communism and other influences which would launch us into a state of totalitarianism and its comitant paganistic philosophies.

Given under my hand as Grand Master of the Grand Lodge of Kentucky, Free and Accepted Masons, in the City of Newport, Kentucky, this fourth day of October, 1947.

Albert C. Hanson

Grand Master.

Before lodge was opened the craft met in Fraternity Hall at 6 P.M., where a delightful buffet supper was served by Marvin S. Whitton, Solly Hall, Hosea A. Garber, Julien Bosworth, Eugene Shehan, Herbert D. Estes, Edward E. Pogue, and D. D. Dean.

Lodge opened in form on M.M. degree at 7:40 P.M., with 125 others present.

This meeting, an annual affair, was called for the purpose of honoring 106 brothers, 40 of whom received their emblems on this occasion. All present joined in pledging allegiance to the flag of our country which was then presented to the East.

Brother Charles L. Pyatt, Chaplain, who was supposed to welcome the 25-year members, stated that there was no necessity to express our welcome to them, as they had previously been welcomed by the food committee.

Brother Hardwick presented statistics on the growth of this lodge for the year ended July 31,1947, in which period our membership showed a net increase of 131 members to 876, which was the largest net increase of any lodge in Kentucky. This lodge now ranks as the second largest in the State in membership. The W.M. described in detail his impressions of the Grand Lodge Meeting held on October 21 to 23, and mentioned the thrill he received upon visiting our ward at the M.W.& O. Home, Ann Louise Justice, who was visited by your W.M. and Secretary before the sessions opened. Highlights of this session~~were~~ the election of Edwin E. Freshney, G.J.W., raising dues 50¢ as an additional assessment for the M.W.& O. Home, making our examination on M.M. degree mandatory, changing rules about suspensions for non-payment, establishing a uniform dues receipt and other business which will be more fully described at a later date. Upon returning from the sessions, the Home was again visited and the superintendent's quarters and cottage for girls of high school age was inspected. At that time, there were 129 widows and 148 children in the Home, and 74 men and 12 women in the O.M. Home.

Presentation of 25-year emblems was made this year again by W. Emmet Milward, assisted by J. W. Mattingly and your Secretary. In his remarks, he mentioned that he considered it a privilege to serve in this capacity and assist in fostering this program of the Grand Lodge to honor its members on their silver anniversary. He stated that the opportunity to become a fifty-year Mason was available to so few of our members that this form of recognition of service rendered made it possible for more Masons to be representatives of the craft and thereby set examples to those within and without the fraternity.

Forty brothers were so honored and presented emblems, and they were mailed to sixty six others who were not present because of distance or other reasons,making a total of 106 members so honored.

Masons with over 25 years of service were asked to arise. Brother Charles W. Miller was raised in 1899 and Brother Frank Carter was a 48 year Mason. Two other brothers could boast over 40 years of membership and five of over 30 years.

Brother Chester D. Adams responded as a representative of the 25-year members present by saying that he was honored upon receiving this emblem and that it was a good gesture on the part of the Grand Lodge to establish this practice in 1946. (Brother Adams has been a member about 43 years.) He went on to say that even though the Chapter and Council had been most kind to him, his first allegiance is to the subordinate lodge. He closed by repeating a poem by Robert Morris, which repeats this phrase with each verse:

"On yonder book that oath I took and I'll forget it never
I'll stand by this, and this, and this, forever and forever."

Appropriate remarks were made by Charles A. Wachtman, James S. Garrison, William M. Morris, and Charles B. Mathews, who came from the Old Masons' Home to this meeting. He wanted it to be known that he was happy there and that also applied to all residents of our Home. Brother Morgan, Supt. of O.M.H., who accompanied Brother Mathews, stated that it was a pleasure for him to attend and bring Brother Mathews, and that this lodge was his mother lodge, having been raised here 24 years ago. He also stated that he had seen the building from which our original Charter had been issued, which was protected, during the siege of Richmond in the Civil War, by order of the high Command of the Union Army and was unharmed during this struggle. He pointed out that our Chester Adams is a member of the B. of D. of O.M.H. and that the M.W.& O. Home now accepts children of living Masons. He also pointed out that there was not a dissenting voice in the Grand Lodge when the proposal to increase the assessment for the M.W.& O. Home from $1.00 to $1.50 was presented. The same thing was true two years ago when the assessment for the O.M.H. was increased from 25¢ to 50¢.

Chester Adams suggested that we visit the O.M.H. and find out what is being done there. Those brothers of this lodge who have performed this Masonic duty are gratified with the results being accomplished.

Brother Hardwick read an article from a pamphlet "Masonic Histrology" which pointed out the benefits derived from Masonry.

Your Secretary mentioned to the craft the aspirations of a Grand Lodge committee, of which he is a member, on standardizing lectures in the three degrees of Masonry, and stated that it would be necessary for this lodge to do something about establishing a lecture in the M.M. degree since the last Grand Lodge had passed such a resolution.

The W.M. announced the F.C. degree on November 3, Past Masters night on November 17, and M.M. degree repeated on November 21.

W. Emmet Milward stated that congestion at their parking space on meeting nights had become quite a problem on occasions when they might have a number of funerals, and asked those who were accustomed to parking there to check with their office to see if space was available before parking, in order that their own patrons might not be inconvenienced.

There being no further business to come before the lodge, it was closed at 9:25 P.M.

James D. Barnes and Medford L. Garrison were elected to receive the E.A. degree;

M.M. Elected

James A. Fraser
Robert W. Payne

James A. Fraser and Robert W. Payne were elected to receive the M.M. degree, they having been examined on November 10, 1947, in Devotion Lodge No. 160.

The following Grand Lodge officers were introduced by J. W. Mattingly, P.M.:

Edward E. Freshney, G.J.W., Leer Buckley, D.D.G.M. 25th District, and Emile B. Beatty, W. Carson Black, Hugh Moore, and Charles A. Keith, P.G.M's of the Grand Lodge of Kentucky.

Past Masters of this lodge who were present on this occasion were:
J. Bruce Davis-1910, Howard Wilkerson-1911, Theo L. Jones-1916, Robert D. Hawkins-1924, Ray S. Stewart-1928, James W. Mattingly-1930, William C. Heacox-1931, Stanley M. Moore-1934, Andrew W. Johnson-1937, Benham J. Sims-1939, Lyndon E. Crockett-1941, Leer Buckley-1943, Harry M. Couch-1944, Elwood Farra-1945, Russell C. Woodward-1946.

One of our illustrious past masters, John G. Cramer, could not be present but, in accordance with our past custom, he was sent a bouquet of flowers.

On behalf of this group of past masters, Leer Buckley responded to the introduction of the W.M. by reminding us of the discouraging years this lodge had passed through and the efforts put forth by the past officers and members to place this lodge in its current enviable position.

At this point the W.M. called for visiting past masters to approach the altar. The following were introduced:
Edwin E. Freshney, 109 Ky., Emile P. Beatty, 213 Ky., W. Carson Black, 187 Ky., Hugh Moore, 28 Ky., Stanley W. Kearns, 23 Ky., Dwight Tenney, 2 N.Y. (Est. 1760), Raleigh M. Beatty, 652 Mo., and four others.

Brother Edwin E. Freshney, G.J.W., who was forced to leave early, delivered an inspiring message to the craft, extending the felicitations of Rube McKnight, G.M., and expressed his pleasure at visiting this old fraternal lodge. His chief concern was that only about 50% of the people are associated with churches. He stated that ritualistic work is not enough for Masons and that they need the influence of the church also. He exhorted all to live according to their Masonic teachings and set an example to our children by attending Sunday School and Church.

M.M. Conferred
William R. Saunier ✓

The first section of the M.M. degree was conferred on William R. Saunier, with the following past masters occupying the various stations:
J. W. Mattingly, W.M., Elwood Farra, S.W., Theo L. Jones, J.W., W. C. Heacox, S.D., Robert D. Hawkins, J.D., Lyndon E. Crockett, S.S., Andrew W. Johnson, J.S.

After the first section was completed, Cecil Hardwick, W.M., announced conference of M.M. degree on 13 candidates at a called meeting on April 21, 1947.

At this time, the W.M. pointed out that it was with genuine pleasure that he was about to present the highest honor which this lodge could bestow, to a past master whose faithful devotion to his Masonic duties had been of great value to this lodge. After commenting for several minutes about the qualifications of this expert craftsman, he disclosed the recipient as none other than our presiding master, James W. Mattingly. Presentation of this distinguished honor came as a complete surprise to Brother Mattingly who, for a time, was at a loss to know what to say. After gaining his composure, however, he expressed his astonishment and thanks which was greeted with a round of applause. In order to make this event complete Brother Russell C. Woodward presented Brother Mattingly with a sterling silver engraved life membership card bearing the signatures of the W.M. and secretary. This card was furnished by Brothers Woodford and Hardwick as a token of their appreciation of Brother Mattingly's assistance and counsel during their respective terms as masters of this lodge.

LEXINGTON LODGE No. 1 F. & A. M.

LEXINGTON  KENTUCKY

At Continuous Labor since date of Charter

This lodge meets in Masonic Temple, 144 North Broadway, Lexington, Ky., on the first and third Mondays of each month at 7:30 p.m.

Appropriate remarks were given at this time by Past Grand Masters, Emile B. Beatty, Charles A. Keith, W. Carson Black, and Hugh Moore, and by Raleigh M. Beatty. P.M. Pilgrim Lodge No. 652, St. Louis, Missouri.

The second section of this degree was conferred on William R. Saunier with the stations occupied as follows:
Ray S. Stewart, K.S., H. M. Couch, G.S.W., W. C. Heacox, G.S.D., W. E. Lander, Sr., J.D., Herbert Estes, Ja., Leer Buckely, Jo., Russell C. Woodward, Jm., B. J. Sims, W.M., L. E. Crockett, S.C., Charles Shelby, C.F.C.

The W.M. took occasion to congratulate the Past Masters upon the conference of this degree and justly so for it cannot be denied that this group did an outstanding piece of work on this occasion. Russell C. Woodward and Benham J. Sims in their respective roles were superb and, of course, Ray S. Stewart's portrayal of K.S. was, as it is always, beyond comparison. He deserves great credit for this effort as he was fighting off a heavy cold at the time.

Brother Dwight Tenney, P.M., and life member of Independent Royal Arch Lodge No. 2, New York, N.Y., arose and congratulated this degree team on their work and stated that in his 31 years of traveling through Masonry he had never witnessed a more inspiring exemplification of this degree.

The following announcements were made:

Fellowcraft Club	November 18th
Royal Arch Degree	November 19th
Royal and Select Masters Degree	November 20th

There being no further business to come before the lodge, it was closed at 11:10 P.M.

The first section of this degree was conferred by Cecil Hardwick, W.M., in his usual clear style.

The second section was conferred in due form on eleven candidates in short form, being raised as follows:

John B. Gay	Cecil Hardwick
Frank J. Korb, Jr.	Cecil Hardwick
James A. Fraser	Harry M. Couch
Thomas M. Wallace	Harry M. Couch
William D. Porter	L. N. Leonard

Hugel D. Phillips (Albany No. 206)	W. E. Lander, Sr.
J. T. Holzworth (Poughkeepsie No. 206, N.Y.)	Ray S. Stewart.

At 6 P.M. we adjourned to Fraternity Hall and partook of a tasty buffet supper prepared by Marvin S. Whitton, Solly Hall, Julien Bosworth, Edward Pogue, Herbert Estes, and James T. Russell.

After this food had been consumed by those present, lodge was called to order at 7 P.M., when Brother Holzworth was raised in short form and William Burns Reese was raised in "long" or "dramatic" form.

Harry M. Couch acted as K.S., assisted by A. D. Langford, G.S.W., Clyde Nave, S.D., E. O. Kinker, J.D., Joseph C. Thompson, Ja., Herbert Estes, Jo., W. E. Lander, Sr., Jm., Leroy Tolberd, W.M., David Hunt, S.C. The work of the Fellowcraft team on this occasion was outstanding, it being carried out in longer form with considerable dialogue. These brothers deserve great credit for this performance as well as their instructors, Charles A. Shelley, L. N. Leonard, and their secretary, Frank M. Sparks. This was the first time that this particular part of this degree had been accomplished in this manner by a team of F.C. from this lodge and it indicated long hours of practice on their part as indicated by numerous long speaking parts.

The third or illustrated section of this degree was exemplified by Ray S. Stewart assisted by A. D. Langford and held the attention of all the craft. The charge to the newly made Master Masons was given by Cecil Hardwick, W.M.

After the work was completed, the W. M. recognized the members of the committee who served the dinner and the F.C. team members who worked on this occasion. Invitations were issued to the newly made Masons to join the F.C. Club by Brothers Estes, Shelley, and Leonard.

Brother J. T. Holzworth of Poughkeepsie Lodge No. 266, New York, expressed his thanks for conferring this degree upon him as a courtesy to his lodge.

The W.M. announced that the F.C. degree would be conferred December 1, 1947.

Various brothers congratulated the F.C. team upon their work this evening.

The secretary then explained to the craft that action taken by the Grand Lodge in October made it necessary for all Masons raised in the future to qualify with a lecture on the M.M. degree and pass a satisfactory examination in open lodge, after which a certificate would be issued to those who qualify and are approved. It was also explained that the Grand Lodge had deferred action until next year with respect to making available to all lodges a standard lecture on each of the three degrees. As a method of finding out the reaction of those present to this question, all those who would like to attend a lecture on the M.M. degree were asked to stand. It was found that there were 40 such members which included some of the present officers.

The W.M. thanked all the craft for their attendance and assistance after which lodge was closed in due form at 9:50 P.M.
