The Secretary announced that demits had been requested and issued to Wilgus S. Broffitt on November 14, 1947, and to Kenneth P. Crouse and John L. Forcum on December 1, 1947.

The Secretary reported on a visit to John G. Cramer on November 30 and notified the craft of the illness of Henry K. Stark. Charles A. Martin is confined with a strep throat. George Wellinghurst and D. H. Lloyd were reported as being on the job again and Albert Henderson, 409 Columbia Ave., a member of a sister lodge, is confined as the result of a stroke. Brother Clarence Eads, recently deceased, was a member of a Ludlow, Kentucky, lodge.

Herbert D. Estes announced practice for F.C. Clubs on December 3, 1947.

The W.M. announced M.M. degree on December 9, 1947, opening at 2:30 P.M. on 11 candidates with food at 6 P.M.

The W.M. inquired as to whether any action had been taken by the "Blood Donor" committee. Herbert D. Estes, being the only one present, had nothing to report.

F.C. Examined

Frank Box
Luther Brumfield
Alexander H. Cory, Jr.
Charles G. Danos
Joseph H. Davidson
Luther Hundley
Wade Littrell
Shelt Manning
Earl Moberly
Horatio F. Rowan

Lodge called from L-R and opened on F.C. degree.

Frank Box, Luther Brumfield, Alexander H. Cory, Jr., Charles G. Danos, Joseph H. Davidson, Luther Hundley, Wade Littrell, Shelt Manning, Earl Moberly, and Horatio F. Rowan, being in waiting, they were introduced and examined on the F.C. degree after which they were informed that the M.M. degree would be conferred on December 9, 1947.

Lodge called from R-L on M.M. degree.

Ten brothers who had been examined earlier in the evening were declared proficient and elected to receive the M.M. degree.

The W.M. announced M.M. degree on December 9, E.A. and examination on December 15, and annual election on December 27.

The Secretary then read certain amendments to the Constitution and Regulations as amended by the Grand Lodge. These relate to (1) examination of candidates in all degrees (including M.M.); (2) adjusted regulations regarding suspensions for non payment; (3) additional assessment of 50¢ for M.W.& O. Home to be added to 1948 dues; (4) uniform dues receipt; and (5) remitting of dues.

Brother Langford raised the question as to the method to be used in conducting the lecture on M.M. degree and as to whether any penalty could be inflicted for non compliance. This question was discussed openly by numerous brothers and the Secretary endeavored to explain that it hardly seemed possible that qualifying in M.M. lecture could be made a "must" but that it was his opinion that there were enough Master Masons who would be interested in this educational program to warrant us to take the necessary steps at once to make this lecture available to those who are interested but no action was taken at this time.

J. W. Mattingly announced K.T. degree in Webb Commandery No. 1, on Tuesday, December 2, 1947, preceded by a dinner in Fraternity Hall. There being no further business to come before the lodge, it was closed at 9:45 P.M.

Cecil Hardwick presided in the East during the first section of this degree and administered this obligation for the last time during his administration as Master. Needless to say, it was well done.

The various brothers who were raised in short form and those who presided are as follows:

Charles G. Danos	Cecil Hardwick
Wade Littrell	Cecil Hardwick
Luther R. Brumfield	H. M. Couch
Alexander J. Cory, Jr.	H. M. Couch

During the course of this work, Brother Jesse Hugheby, a visiting brother from Evanston Lodge No. 695, Norwood, Ohio, was introduced.

At this point, lodge was called at ease and all present retired to the club room and library where a delicious buffet supper, consisting of roast beef, snowflake potatoes, fruit cake, and all appropriate side dishes, and drinks had been prepared by our food committee.

Brother Frank Box was the candidate in "long" or dramatic form. Harry M. Couch, P.M., portrayed the part of K.S., assisted by L. N. Leonard, G.S.W., LeRoy Tolberd, W.M., Burrell Bean, S.C., and twelve fellowcraft. Worthy assistance in the conference of this degree was rendered by Theo. R. Skidmore, Victor Skidmore, P.M., Henry G. Woodruff, and William Minor, of Devotion Lodge No. 160. Our F.C. team again exemplified their portion of this section under the new form and received many compliments. Ray S. Stewart, assisted by Herbert D. Estes, exemplified the third section partially but Brother Stewart could not finish it on account of a very heavy cold.

Emblems were presented to Brother Littrell by Clyde Nave, and to Brothers Manning and Cory by Cecil Hardwick, from loved ones or friends. A friendly letter from Brother

Hoskins, an associate of Brother Cory who presented him with the emblem, was read in open lodge.

Floyd E. Pogue,

The food committee, composed of Marvin Whitton, John D. Harb, Guy Kessler, James H. Sims, Clinton K. Hoffman, Herbert D. Estes, and Gordon Bozarth, were congratulated by the W.M. upon the quality and quantity of food of which we had partaken earlier in the evening. The F.C. team were also thanked and congratulated upon their work.

Brother Jones, of Deming Lodge No. 12, N.M., and Frank Box, of this lodge, thanked this lodge for the opportunities presented to them in becoming Master Masons.

Vertner L. Slade invited our attention to one of our newly made Masons, Charles J. Danos, and explained that due to his more limited knowledge of the English language his effort in attaining this degree had naturally been greater than that of any other member of this class. It is noticeable to note that all members of this class mastered the F.C. lecture within a 30-day period.

Herbert D. Estes extended an invitation to the newly raised brothers to affiliate with the F.C. Club. Brother Frank Sparks is secretary of this group.

The W.M. announced E.A. degree and examination thereon on December 15, 1947, and election of officers on December 27, 1947.

An exemplification of the interest in this meeting is that 50 brothers, in addition to the officers, were present before closing.

There being no further business to come before the lodge, it was closed on M.M. degree at 9:45 P.M.

REPORT OF CECIL HARDWICK, WORSHIPFUL MASTER
AND HARRY M. COUCH, SECRETARY, TO THE CRAFT
FOR THE YEAR ENDED DECEMBER 27, 1947

Again the Great Architect of the Universe has been kind by permitting us to participate in another year of Masonic life and assist in the further expansion of this venerable lodge, which now ranks as the second largest in the State of Kentucky.

During the year, 44 meetings were held of which 13 were called meetings for work and 7 were to conduct funerals. During this period 69 were initiated, 69 passed, and 75 raised. Our membership changed as follows during 1947:

Members	December 27, 1946	801
"	initiated	69
"	admitted	45
"	reinstated	12
		927
Died 11, Demitted 10, Suspended 2		23
Members	December 27, 1947	904

One of the chief problems confronting our W.M. when he assumed his duties was the large number of E.A. and F.C. who had not made satisfactory progress. At December 27, 1946, there were 50 E.A. and F.C. At July 31, 1947, there were 84 and at present there are 72. Of 6 F.C. at present, 4 are considered as slow, and of 66 E.A. about 50 have made no progress since July 31, 1947. Numerous letters have been dispatched by your W.M. to these brothers endeavoring to encourage them to proceed with their work and offering them personal assistance. The results obtained have not been in keeping with the effort involved and it is hoped that the incoming Master and his staff can carry on this important function to a more satisfactory conclusion.

Numerous meetings during the year were outstanding. On April 14, 1947, the E.A. degree was conferred on two candidates in the Chapel of the Old Masons' Home. On July 6, 1947, divine services were conducted at O.M.H. of Ky., on which occasion this lodge presented a check for $225 to furnish a room in the new addition. A check of the same amount for this purpose was also given by two brothers of this lodge, Lee Pyman and Guss Johnson. On August 12, 1947, all Master Masons present were reobligated by Bro. James W. Mattingly, and a school of instruction was conducted by Marvin S. Whitton and others. On September 2, 1947, Devotion Lodge No. 160 observed its 100th anniversary with a banquet at the Phoenix Hotel which was well attended by members of this lodge. On October 28, 1947, we paid our respects to 106 members of this lodge by presenting them with 25-year emblems to designate that term of service to the Fraternity. Forty of these were present or received their emblems on this occasion. On November 17, 1947, Past Masters' Night was observed with a banquet at the Phoenix Hotel attended by about 185 brothers of this and sister lodges. On this occasion we were honored by the presence of Edwin E. Freshney, G.J.W., Leer Buckley, D.D.G.M., and four P.G.M.'s of the Grand Lodge of Kentucky. There were 15 P.M.'s of this lodge present and the M.M. degree was exemplified by them, with J. W. Mattingly conferring the first section and Ray Stewart the second and third sections. On this occasion Brother J. W. Mattingly was presented with a Life Membership in this lodge and a sterling silver engraved dues receipt. Your Worshipful Master and Secretary attended the Grand Lodge communication on October 21, 22, and 23, and your Senior Warden was present on one day.

Financially this lodge is in good condition. A summary of its cash transactions for the period is shown below:

Balance December 27, 1946	$ 2 379.47
Cash received	12 274.60
Total	$ 14 654.07
Cash disbursements	11 857.63
Balance December 27, 1947	$ 2 796.44

Collections for the year have been satisfactory but there are now 15 M.M. who have not paid their dues for this year, and at this time there are 296 brothers

who have paid their 1948 dues. Disbursements include $3,700 paid for U.S. Government securities with a maturity value of $5,000 and $1,250 contributed to the Masonic Temple Association for their rehabilitation program. Our Grand Lodge assessment this year was $2,660.

During this year your Secretary has established a Masonic history for our present membership. It is not complete as yet but degrees conferred currently are being recorded promptly. This work requires much correspondence in cases of members admitted as our records in such cases are incomplete. It is hoped that another year will see this record in ample form.

On October 12, 1947, this lodge had a ward, Ann Louise Justice, admitted to the M.W.& O. Home and the petition of a widow, Mrs. Mary G. Williams, has also been approved and she will be admitted on December 27, 1947. On November 22, 1947, Brother Robert G. Lowrey, who was 88 years of age on October 22, 1947, was admitted to the O.M.H. of Ky. He was presented with a 50 year emblem on October 6, 1947 by your Secretary.

When your Worshipful Master assumed his duties as Master of this lodge he stated that he had no aspirations to break any records of increases in membership and he hoped that his administration would be so conducted that the craft would say, "Well, he was a good master." By consulting our records we can see that our net increase this year has been 103, which compares with a net increase of 106 in 1946, which was the largest increase heretofore in recent years. As to the latter aspiration, no one can deny that he has been a good master. He has undertaken his duties with enthusiasm and labored dilligently to accomplish the tasks that confront each master of the lodge. Several conferences were held with the officers and he has given personal assistance to various candidates on their lectures. One need say no more than this to assure the Craft that those following "Cecil" have had a definite pattern set for them to emulate.

No Master or group of officers can bring to a conclusion all of the problems which confront them. During this year there were numerous things started or questions raised which were not satisfied or brought to a conclusion, so we desire to pass them on to the next group of officers with our recommendation that consideration be given to these problems as soon as possible:

(1) Require stewards or some other officer or member to memorize and give both lectures in E.A. and F.C. degrees, respectively, thereby making the conference of these degrees in complete form.

(2) Institute a program whereby additional members become proficient in conferring the second and third sections of the M.M. degree as well as the Masonic funeral service.

(3) Officers giving the charges in each degree should commit them to memory instead of reading them.

(4) Institute a plan at once to make available to the newly raised M.M. and others a lecture and examination on that degree.

(5) Amend the by-laws to include therein an increase in dues to at least $7.50 per year and amend any other items that may be deemed unsuitable to the lodge at present.

(6) Rewrite the by-laws to include any amendments heretofore made or to be made and bring up to date the history of the lodge as shown in the present by-laws which were issued in 1923.

(7) Take necessary steps to more fully organize a "Blood Bank" as proposed in 1947.

A summary of this years work would not be complete without giving recognition to certain committees and individuals who have so willingly given their time and effort to this lodge. The refreshment committee under the direction of

RECOMMENDATIONS OF RETIRING MASTER TO THIS LODGE AND MASTER ELECT:

DECEMBER 27, 1947

#1. That our by-laws be rewritten and brought up to date. Our present by-laws were written and released January 15, 1923. As your Master for 1947, I have found that they are inadequate as to proper and complete instructions to a Master of this lodge.

#2. That the date we have at the Old Masons' Home for our religious services be changed so as not to be before or immediately after July 4th. The date we now have being near this holiday prevents a larger attendance being present for this service.

#3. That our Secretary be instructed to discontinue collecting a $3.00 assessment on a newly affiliated member. I believe this is unconstitutional.

#4. If a Mason petitions our lodge for membership within two years from the time he is made a M.M., we should charge the difference between our initiation fee and what the brother has paid in his lodge.

#5. That the present system of authorization to Brother Long for lecture instructions be continued. I'm sure Brother Long will agree on this recommendation. This would give the lecture a permanent record of our 1st, 2nd, and 3rd Degree Masons. When necessary, the Master can confer with the lecturer as to the progress of these brothers.

#6. That we continue our present schedule of conferring and examining on regular meetings, the M.M. Degrees on called meetings until conditions warrant a change. This system definitely has proven to be successful and we all have a definite understanding as to our work schedule.

#7. A regular examining committee has definitely proven itself and should be continued. By doing so, it will eliminate the possibility of embarrassment to us and the visiting brothers.

#8. That the Master be allowed to assist a worthy brother in distress as he sees fit. The amount not to exceed $25.00 and the money to be furnished by this lodge and not the Master.

#9. Some program should be continued to encourage the E.A. and F.C. Masons who for one reason or another have failed to advance in masonry.

#10. That in 1948, Brother Howard Long be given some recognition for his 25 years of service to Lexington Lodge #1.

#11. That we conduct our Masonic funerals on the evening before the burial. This service either to be at the funeral home or at the deceased brother's home, unless some arrangement can be made to have a good representative group to attend the service at the grave.

Fraternally yours,

Cecil Hardwick.

Subject: Investigation - Mrs. John Dicker

ar Brother Leonard:

Brother Gayle Denney and myself called on Mrs. Dicker on January 8, 1948, d spent sometime with her and her son and we would like to submit the llowing for your information and thought.

The residence in which Mrs. Dicker resides was sold by her 6 years ago the University of Kentucky for the sum of $6,000.00 part of which was paid . cash and the remainder is being paid to her at the rate of $25.00 per nth which she will receive for approximately 3 years; she also holds a con- act with the University stating that for a period of 9 years from date of le she has the right to live in the said residence rent free.

In addition to the above she has at present 3 college students as roomers om whom she receives $30.00 per month as a total, making her income $55.00 r month from the University and rent received. Her son works at the Univer- ty for different individuals running a motion picture projector from which derives at a maximum not over $15.00 per month.

She has been sick for the past 8 or 10 months and under the care of r. Moore and is unable to do any house work or such and has to hire a woman clean up twice a week in order to make the place livable for her renters d told me that she was gradually getting deeper in debt.

She is not willing to be separated from her son but would like to go to he Masonic Home if it be possible that her son, John could also be admitted the home with her or near her. She is perfectly willing to sign over to he home all tangible property which consists of house furnishings estimated alue perhaps $500.00. John also has a paid up life insurance policy in the mount of $900.00 which he is willing to assign to the home and a 1929 model utomobile value perhaps $150.00. We told Mrs. Dicker that we did not know he possibilities of getting she and John both into a home or locate her where hey would be able to see each other daily or weekly but would investigate and et her know at earliest possible date.

As you know John is mentally afflicted but not to any great extent and ould be willing to do any work which he might be assigned. in any home he ight be committed to. We realize that this is an exceptional case and both re under the opinion that it should be taken up with the grand lodge autho- ities to see if anything can be done.

As you know Mr. & Mrs. Dicker came to this country from England and she as not got any relatives in this country whatsoever except her son and she s very much set in the thought that she shall never be far from him until

do them part.

If there is any further information you should desire, please call on me
id not make any attempt to fill out forms for committment to the
c Home.

Yours truly,

Clyde K. Nave

Meets First and Third Mondays
Originally Chartered November 17, 1788

Worshipful Master and Brothers of Lexington Lodge No. 1.

It is with deep regret but with careful consideration that I make the statement below.

Due to the assignment of two new subjects to me at high school, which will necessitate the preparation of four subjects for each days work it will be impossible for me to carry on as Secretary of Lexington Lodge No. 1 and do the work efficiently as it has been done in the past. Therefore, it is my request that Lexington Lodge No. 1 accept this as my resignation effective this date, February 2, 1948.

I appreciate the confidence placed in me by the Brothers, but I feel my first duty is to my students and that requires hours other than school hours under the new schedule.

Fraternally yours,

James H. Sims

Elwood Farra, Treasurer, then discussed the present confusion in regard to dues of new members and presented the following resolution:

"REsolved, that the initiation fee shall also include the payment of one year's dues. The year to which these dues shall apply shall be determined by the date the initiate receives his E. A. degree. If the initiate receives the E. A. degree prior to July 31st in any year, he shall receive his dues card for the balance of the same year. If the initiate receives the E. A. degree after July 31st in any year, he shall receive his dues card for the balance of the same year and for the succeeding year."

This motion was seconded by W. E. Landers. In discussion thereon it was brought out that the date mentioned was selected because that is the date of the annual report to Grand Lodge. All members on the rolls as of July 31st must bereported and paid for. The resolution would have the effect of this lodge absorbing out of the initiation fee, one year's Grand Lodge dues only. Following discussion, by motion duly made, seconded and carried the resolution was tabled until April 5, 1948.

Paintsville Lodge No. 381, Paintsville, Ky. also requested investigation of Henry Kosier, who has applied to them for reinstatement. Request referred to Secretary W. W. Thorp, because address given is in his neighborhood.

On master's call for report on Sick and Distressed no report was forthcoming.

In respect to the Good of The Order, Brother C. K. Nave discussed and deplored the situation in which a brother is rejected after having passed part of the degrees. Brother Nave suggested that a letter be sent to each member stating that the officers as well as a majority of the members think it deplorable that a candidate be allowed to take his E. A., and perhaps his F. C. degree, and then not allowed to proceed. Brother Nave further suggested that details shown in each petition be posted on a bulletin board for the information and guidance of members in order that members be present to reject candidates at the first election. It is felt that a canditate should be stopped by Masonic trial instead of by election, after he had started his masonry, and Brother Nave suggested that a committee of qualified members be appointed to draft a resolution to be presented at the next Grand Lodge meeting in this regard.

Master stated that a letter of instructions to committee was now being sent with each petition.

Brother Cecil Hardwick discussed the matter of establishing a Masonic blood bank and committee was appointed with Cecil Hardwick, chairman, Herbert D. Estes and additional members as chairman might select.

Master announced that E.A. degree will be conferred on April 5th, with Leer Buckley as master for first section and Marvin Whitton for second section. Also that members will go to Old Mason's Home for F. C. degree on March 29th, members to meet at temple at 5:15, and proceed in private cars, after report by Brother House as to cost of special bus.

Brother House also presented delayed sick report stating that Lee Myers was confined to hospital at Hardinsburg.

March 15, 1948, continued

Leo Medley presented letter from Charles S. Johnson, general manager, Masonic Home Journal, regarding purchase of a tractor for the Old Mason's Home, stating that the Home needed such a tractor, and that such would be an excellent act by this lodge. Committee composed of Leo Medley, chairman, Billy Karraker, and Cecil Hardwick appointed to study the matter and report later.

Waiver of Jurisdiction
Robert A. Davenport

Committee on investigation of request of Saint Johns Lodge No. 125, Salvisa, Ky. for waiver of Jurisdiction as to Robert A. Davenport, 284 Louden Ave., reported that this person was a regular resident of Lexington, regularly employed here, and that reason for request was the fact that fees of that lodge were only $20.00 as compared with our $75.00. Upon motion duly made, seconded, and carried it was ordered that the request be denied.

Secretary presented and gave first reading to resolution for amendment of the By-laws as follows:

> BE IT RESOLVED that the By-Laws (Sec. 20) regarding dues be amended by the addition of the following: "provided that an entered apprentice initiated on or before July 31st in any year shall be considered in good standing without payment of dues until December 31st of the same year, and if initiated on or after August 1st in any year shall be considered to be in good standing without payment of dues until December 31st of the succeeding year"

Brother Harry Couch discussed financial condition of lodge, moved that the lodge purchase U. S. Govt. bonds with maturity value of $4,000, cost 74, which motion was duly seconded and carried.

Secretary presented the following bills which were approved and ordered Paid:

Transylvania Printing Co.	47.60
Hurst Printing Co.	78.50

Fellowcraft team notified that team would put on the work for Devotion Lodge #160, next Monday and that they would practice next Thursday.

Leer Buckley announced district meeting on May 26th and requested the assistance of this lodge in making the meeting a success.

Harry Couch commented on the M.M. degree work as recently witnessed at Humboldt Lodge No. 476, Columbus, Ohio, where they have a membership of 2652, and annually stage this degree in full form, using music in many parts, making full use of an unusually large hall equipped with stage.

At 9:00 P. M. lodge called from labor to refreshments; opened in due form on E. A. Degree, after which 12 entered apprentice masons were introduced and examined by Herbert Estes in open lodge, except that by motion duly made seconded and carried examination after exchange of grips was dispensed with since Brother Estes could vouch for the examinees. The brothers examined were:

At 9:20 P.M. Lodge called from refreshments to labor, opened on M. M. degree, ballots spread, and the 11 brothers members of this lodge, previously examined were elected to receive the Fellowcraft degree.

Master then called for visiting Masons to introduce themselves and about six responded. One visitor commented most favorably on the action of this lodge in making the above mentioned donation to the Masonic Home.

Harry Couch announced that he was a member of a committee in Grand Lodge to propose a uniform lecture in to submitted to the next convention and asked the assistance of the brothers in putting over the committee's program. This called for some considerable discussion, and the master called for comments of visiting masons from other jurisdictions. It developed that Indiana and Arkansas have such uniform lectures but West Virginia does not. Arkansas circulates the lecture by the use of training schools and the certification of lecturers to sister lodges without the use of a monitor.

Master announced that the purpose of the meeting was for this lodge to act as host to the meeting of the 25th District as called by Leer Buckley, deputy grand master.

Lodge at ease 3;35 P.M. - to order 3.40 P.M. whereupon deputy grand masters, Robert Price Thomas of District 14 and Henry J. Hosea of Dist. 28 were introduced by Leer Buckley and greeted with grand masonic honors.

Leer Buckley then called the roll of the lodges in this district and the following responded:

A. A. Bablitz - #160, Lexington
L. H. Durrell - past secretary #61, Nicholasville
Robert Land - P. M. #61, Nicholasville

Lodge at ease 3;45 P.M. - to order 3:50 P.M. whereupon Leer Buckley assisted by Robert P. Thomas and Henry J. Hosea introduced Grand Master Rube McKnight, who greeted the lodge from the east.

Leer Buckley then announced that the meeting has no planned program, but proposed a round table discussion of lodge problems and asked for lodge reports. #1 though the secretary reported present membership of 934, an increase of 30 during 1948, with 14 petitions and initiations pending. Harry Couch reported on #1's recent attempt to amend by-laws in regard to dues for Entered Apprentice after which the craft engaged in a lively discussion pro and con as to whether or not dues should be required to newly-made brothers. Reports from various lodges indicate that the practice in this regard is not uniform; it was pointed out that the question was moot because Grand Lodge requires dues from all degrees; the final result being that each lodge must solve its own problem in this regard.

#61 reported an increase of about 25 in membership, with 7 pending petitions; a present membership of 171, from 76 a few years ago; that lodge had sent 5 children to the home; and Harry Couch called craft attention to the practice of this lodge of having a collection box on the altar at each meeting, by which method the lodge was able to give extras to its children at Xmas without taking up a collection.

Other lodges reported present memberships as follows:
#702 - 76 members
#315 - 63 members

Leer Buckley then called on D.G.M. R. P. Thomas, who called craft attention to the need of a Masonic Hospital in Kentucky

citing Federal reports as to need, mentioning experience of Masonic Hospital Association of Illinois; and mentioning that this matter would come up for consideration at the next Grand Lodge meeting.

Leer Buckley raised question of a uniform lecture in M. M. degree. This was discussed at some length by Harry Couch as to the work of his committee in the Grand Lodge. Grand Master McKnight explained his current rulings in this regard and in connection with the action taken by Grand Lodge at last year's meeting. During this discussion Past Grand Master E. B. Beatty of Beattyville was admitted, introduced, and greeted with masonic honors. In conclusion it was pointed out that the entire matter was one which must be finally decided by Grand Lodge.

Grand Master Rube McKnight then gave the craft a most interesting, instructive, and educational message in regard to their obligations as Masons.

Leer Buckley then turned the meeting back to Master L. N. Leonard, who called on P.G.M. Beatty for comments. Brother Beatty gave a history of the lecture resolution as passed at last Grand Lodge meeting, stating that he would be one of those which who would be attempting the clarify the present confused situation at the next meeting.

Cecil Hardwick then invited visiting mason to be present at our called meeting May 31st.

Lodge closed in form at 6:40 P.M.

July 17, 1948

To the Worshipful Master and Brethern of
Lexington Lodge No. 1, F. and A. M.

In accordance with duties assigned to the auditing committee, we have completed an audit of the Secretary's books for the period from January 1, 1947 to December 31, 1947, and submit herewith as a part of this report the following Exhibits and Schedules:

Exhibit A - Comparative Income Statement for the years 1947 & 1946
Exhibit B - Comparative Balance Sheet for December 1947 and December 1946
Schedule I- Investments, List of

The lodge membership as shown on the report to the Grand Lodge of Kentucky on July 31, 1947 was reconciled with the report of July 31, 1946 by summarizing changes recorded in the lodge minutes. Revenues from dues were verified and found to be in accord with the membership determined. Revenues from fees were consistent with the minute book records of members initiated, passed, and raised.

Expenses appeared to be in order and, according to the lodge minutes, all had been duly approved by vote in open lodge.

The assets of the lodge are conservatively stated on the books and verification of the physical existence of the principal items were made. The cash balance per books was reconciled with the statement furnished by the bank, United States Government bonds were inspected, and certificates of capital stock of the Masonic Temple Association were examined.

The records, in general, have been excellently maintained but the following suggestions appear to be in order with respect to policies that have been in effect for a relatively long period of time:

(1) It seems desirable that a definite policy be established, preferably by amendment to the by-laws, with respect to dues charged to members transferring to this lodge from a sister lodge. At present, the amount of dues charged in such cases is apparently left to the discretion of the Secretary and no written laws are provided to guide him in his decision. Generally, it has been the practice to collect $3.00, the amount of the Grand Lodge assessment, from these members who are admitted prior to July 31, if they have already paid dues to the lodge from which they demitted. If they have not already paid their current years dues then a full years dues are collected. No current year dues are collected from such members admitted during the period from July 31 to December 31.

(2) By precedent of long standing, annual dues of the following officers are remitted: Secretary, Treasurer, Chaplain, Tyler, and Lecturer. It would seem desirable that such dues free memberships be provided for in the by-laws or that each year the allowance of the dues be approved in open lodge.

The committee wishes to offer its further assistance in connection with any accounting matters which may arise.

Respectfully yours,

E. D. Adams

Guy F. Coffin

E. D. Jacobs

Dear Doctor Leonard

The notice of Past Master's night crept upon me until I read about it in the Herald-Leader today. I want to make an acknowledgement of it as I would like the best in the world to be present but condition won't permit it.

Please remember me cordially to all present and say I will be with them in spirit. My right arm is so paralyzed that it is the hardest thing I can now do is to write but I would like to be there when the lodge is called to order.

I remember attending the 100th celebration of the death of President Washington in 1899. The Grand Master Hon A. Ramsey of Owingsville, P.G.M. Thomas A. Todd of Shelbyville and J. Soule Smith and the P.G.M. living in Paducah and myself and Sig Sayler of Dention Lodge. It was a great turn out. I have a printed record of the trip to Washington in my papers here.

Have seen a lot of interesting Masonic sights in my time. Was in Boston when the General Grand Encampment met there in 1895 but I had not gotten my K.T. then. Please remember me to all who are present tonight

with best regards

Sincerely
John G Cramer

SECRETARY PRESENTED THE BILL OF THE SHRINE FOOTBALL GAME PROGRAM ADVERTISING FOR ONE-HALF PAGE AD, $35.00 AND HE WAS ORDERED TO CONTACT CHARLES WACHTMAN OR GAYLE DENNY FOR FURTHER INFORMATION BEFORE THIS BILL WAS APPROVED.

CECIL HARDWICK THEN BROUGHT UP THE MATTER OF ASSESSMENT OF DUES FOR THE FRACTION OF THE YEAR FOR NEW MEMBERS, MENTIONING THAT SOME OF THEM HAD OBJECTED TO THE FACT THAT THEY HAD RECEIVED DUES BILLS WITHIN A VERY SHORT TIME AFTER THEY HAD BEEN EITHER INITIATED OR PASSED TO HIGHER DEGREES. THE SECRETARY THEN PRESENTED A PROPOSED AMENDMENT TO THE EXISTING BY-LAWS TO CORRECT THIS ~~PETITION~~ CONDITION BUT THIS PROPOSED AMENDMENT FAILED TO BE SECONDED, AND THEREFORE WAS NOT SUBMITTED TO THE CRAFT, THE ENTIRE MATTER BEING LEFT AS IS.

CECIL HARDWICK THEN DESCRIBED THE PROPOSED ORGANIZATION OF A "HI-12" CLUB, DESCRIBING THE PURPOSES OF THIS CLUB AS A LUNCHEON CLUB COMPOSED OF MASONS, AND INVITED THE CRAFT TO SEND TO HIM THEIR NAMES AND ADDRESSES IF THEY WERE INTERESTED IN SUCH A CLUB, FURTHER ACTION TO BE TAKEN AFTER THE INTEREST OF THE CRAFT WAS DETERMINED.

THE CRAFT THEN ASSEMBLED AT THE ALTER AND PRESIDED OVER BY J. W. MATTINGLY REPEATED THE MASTER MASONS' OBLIGATION.

THE MASTER THEN CALLED ON BROTHER ADOLPHUS GILLIAM TO MAKE A TALK UPON MASONRY AS HE CONSIDERED IT. BROTHER GILLIAM FIRST ASKED FOR A SHOW OF HANDS OF THOSE MASONS WHO HAD BEEN RAISED THIS YEAR AND SIX RESPONDED. BROTHER GILLIAM THEN MADE A VERY IMPRESSIVE TALK UPON THE SIGNIFICANCE OF MASONRY IN THEIR DAILY LIFE, EMPHASIZING THE FACT THAT MASONRY HAS LIVED DOWN THROUGH THE AGES BECAUSE OF THE SPIRIT BEHIND IT. HE COMPARED THIS BY WAY OF CONTRAST WITH THE VARIOUS TREATIES EXECUTED BY WINSTON CHURCHILL WITH VARIOUS COUNTRIES PRIOR TO THE RECENT EUROPEAN CONFLICT, WHICH TREATIES BECAUSE OF THE LACK OF SPIRIT BEHIND THEM DID NOT SURVIVE; WHEREAS OUR AMERICAN CONSTITUTION BECAUSE OF THE SPIRIT BEHIND IT HAS SURVIVED DOWN THROUGH THE YEARS. BROTHER GILLIAM EMPHASIZED THAT ONE OF THE GUIDING LIGHTS OF THIS SPIRIT IS THE ABILITY OF A MASON TO WORK FOR THE GOOD OF ALL, THEY HAVING LEARNED TO LIVE TOGETHER AND REALLY ENJOY THE SURROUNDINGS WHICH NATURE HAS PROVIDED. THE CRAFT PRESENT WERE HIGHLY IMPRESSED WITH THE MESSAGE OF BROTHER GILLIAM.

THERE BEING NO FURTHER BUSINESS, THE LODGE WAS ADJOURNED IN DUE FORM AT 10:10 P.M.

REPORT OF SECRETARY

DECEMBER 27, 1948

AS ANOTHER MASONIC YEAR COMES TO A CLOSE, I MAKE THE FOLLOWING REPORT:

MEETINGS: - THE CRAFT HELD 34 MEETINGS; 10 CALLED, 4 FOR FUNERALS, 6 FOR WORK, AND 24 STATED MEETINGS. 66 WERE INITIATED, 73 PASSED, 61 RAISED INCLUDING WORK FOR SISTER LODGES AND THEIR WORK PERFORMED FOR US. THE MEMBERSHIP INCREASED FROM 908 TO 971 AS FOLLOWS:

	ENTERED APPRENTICE		FELLOW CRAFT		MASTER MASON		TOTAL
12/27/47		65		8		835	908

	78	78	59	59	18	18	29 29
12/27/48		50		19		902	971

SOME PROGRESS WAS MADE IN MOVING THOSE ENTERED APPRENTICES AND FELLOWCRAFTS WHO HAD BEEN SLOW IN THE PAST. AT THE PRESENT TIME THE 50 ENTERED APPRENTICE MAY BE CLASSIFIED BY DATE OF INITIATION AS FOLLOWS:

1932 - 1	1946 - 10
1943 - 4	1947 - 14
1944 - 3	1948 - 15
1945 - 3	TOTAL 50

THE FELLOWCRAFT ARE DIVIDED AS FOLLOWS:

1942 - 1	1948 - 14
1946 - 2	TOTAL 19
1947 - 2	

DURING THE YEAR NOTICES OF SLOW-MOVING BROTHERS WERE SENT TO THEIR SPONSORS. THIS GOT SOME MINOR RESULTS AND SEVERAL ARE TO RECEIVE DEGREES AT SISTER LODGES. IN MY OPINION, BETTER PROGRESS WILL BE MADE IN THE FUTURE AS CONDITIONS RETURN TO NORMAL AFTER THE CHAOS CREATED BY WAR.

YOUR SECRETARY WAS APPOINTED FEBRUARY 2, 1948 FOLLOWING THE RESIGNATION OF J. H. SIMS. SEVERAL RECORD CHANGES HAVE BEEN MADE AS FOLLOWS:

1. INDIVIDUAL RECORDS OF EACH MEMBER HAVE BEEN CONSOLIDATED SO THAT THE MASONIC RECORD, DUES RECORD, SPECIAL HONORS AND ALL OTHER PERTINENT INFORMATION REGARDING EACH MEMBER IS ON A SINGLE SHEET.
2. INVESTIGATING COMMITTEES NOW WORK SIMULTANEOUSLY, THE ORIGINAL PETITIONS BEING RETAINED IN PERMANENT FILES TO AVOID THE LOSS OF PETITIONS IN HANDLING.
3. A VOUCHER CONTROL HAS BEEN PLACED ON DISBURSEMENTS.
4. A DUES CONTROL HAS BEEN SET UP THROUGH THE NUMBERED DUES CARDS MAKING THE COPYING OF A SPECIAL DUES LEDGER ANNUALLY UNNECESSARY.
5. ALL RECORDS ARE LOOSE LEAF, STANDARDIZED AS TO SIZE IN ORDER THAT THEY MAY BE EASILY, CHEAPLY AND PERMANENTLY BOUND FOR EASY FUTURE REFERENCE.

IN HIS WORK, YOUR SECRETARY WROTE OVER 800 LETTERS IN ADDITION TO MAILING THREE MEETING NOTICES TO THE ENTIRE MEMBERSHIP, DUES NOTICES TO THE ENTIRE MEMBERSHIP, SPECIAL NOTICES TO ALL ENTERED APPRENTICES AND FELLOWCRAFTS.

SEVERAL MEETINGS WERE OUTSTANDING: ON OCTOBER 23RD THE OFFICERS, THE DEGREE TEAM AND SEVERAL MEMBERS WENT TO LEESBURG, OHIO, WHERE THE MASTER'S DEGREE WAS CONFERRED ON THEIR CANDIDATE. ON DECEMBER 11TH THE LEESBURG OFFICERS, TEAM AND MEMBERS CAME TO LEXINGTON AND RAISED ONE OF OUR CANDIDATES. THIS EXCHANGE WAS MOST ENTERTAINING BECAUSE OF THE RITUALISTIC DIFFERENCES IN THE TWO GRAND LODGE JURISDICTIONS.

REPORT OF SECRETARY - CONT.

ON NOVEMBER 15TH WE COMBINED PAST MASTERS' NIGHT WITH RECOGNITION OF 25 AND 50 YEAR MASONS. THE ATTENDANCE AT THIS MEETING WAS PROBABLY THE LARGEST TURN OUT IN THE 160 YEARS OF MASONIC LABORS OF THIS LODGE.

FINANCIALLY, THE LODGE IS IN GOOD CONDITION. BESIDES THE REGULAR OPERATION, THE CRAFT INVESTED $2,960.00 IN GOVERNMENT BONDS, CONTRIBUTED OVER $1,700.00 TO VARIOUS CHARITABLE CAUSES IN ADDITION TO THE GRAND LODGE ASSESSMENT OF $3,330.00 OF WHICH $1,880.00 GOES TO THE TWO HOMES. 1949 DUES ARE BEING PAID WITH EACH MAIL. ABOUT 42 MEMBERS OWE 1948 DUES OF WHOM 2 MEMBERS OWING 1947 DUES ALSO WERE GRANTED ADDITIONAL TIME.

TO MAINTAIN THIS HEALTHY FINANCIAL CONDITION, I RECOMMEND THE ADOPTION OF A BUDGET; THAT BEFORE VOTING UPON ANY EXPENDITURE, THE CRAFT BE INFORMED OF EXISTING FINANCIAL CONDITION IN ORDER THAT EXPENDITURES MAY NOT EXCEED INCOMES. IN THE YEARS 1933 TO 1943 THERE WAS DECLINE IN MEMBERSHIP FROM 822 TO 515 WITH A CORRESPONDING DECLINE IN INCOME. THE ECONOMIC CONDITIONS OF THAT PERIOD MAY RETURN AND WE SHOULD BE PREPARED FOR THEM IF THEY COME.

RESPECTFULLY SUBMITTED,

W. W. Thorp

RECOMMENDATIONS OF RETIRING MASTER TO HIS LODGE AND MASTER ELECT:

1. It is suggested that the Master consider the recommendations that were made by P. M. Cecil Hardwick.

2. It is suggested that the Master appoint a finance committee consisting of five members of whom the Master, Secretary and Treasurer will be ex-officio members. The function of this committee to prepare an operating budget and pass upon motions made from this floor any expenditure in excess of fifty dollars. Such a committe to report back to the body before such an expenditure be allowed or declined. This should be considered in the new by-laws.

3. The present practice by certain members of solisitation petitions to the other masonic bodies from E. A. and F. C. masons should be absolutely forbidden.

4. Consideration should be given to an expenditure for insulating the lodge room in order to make it more comfortable in both wummer and winter. It is believed that a sufficient number of the craft would gladly furnish the labor for the instalation of this material.

5. The representatives of the Masonic Temple Association of this lodge should take the necessary steps to adequately equip the kitchen with the necessary dishes and cutlery and anything else that is required.

6. Petitions should be so worded as to include the dues for the first year 12 months from the date the brother is iniated as an E. A. Mason. In other words with the $75.00 iniation fee the above is included.

7. Consideration should be given to the Blook Bank. For some reason the names have been misplaced and the committee that was to make a report never have been able to

Rec'd JUL 18 1949

Lexington, Kentucky
July 18, 1949

To the Worshipful Master, Officers and
Brethren of Lexington Lodge No. 1, F & A M

We, the duly appointed auditing committee, have completed an examination of the books of the Lodge Secretary for the period from January 1, 1948 to December 31, 1948. The following Exhibits and Schedules are submitted herewith:

Exhibit A - Comparative Income Statement - Years 1948 and 1947
Exhibit B - Comparative Balance Sheet - December 31, 1948 and December 31, 1947
Schedule 1 - Investments

Revenues from dues were reconciled with the lodge membership, consideration being given to total membership at the beginning of the year and all changes duing the year. Revenues recorded for fees were checked and found in agreement with Minute Book record of members initiated, passed, and raised.

Changes in membership as shown by the Lodge Minutes, were summarized for the period from July 31, 1947 to July 31, 1948 in order to determine the accuracy of the Grand Lodge Report made as of the latter date. No discrepancies in the report were noted.

The records of expenses were examined and all appeared to be in order. According to the Lodge Minute Book, all expenditures have been properly approved by vote in open lodge.

The principal assets of the lodge, Government Bonds and Masonic Temple Association Stock, were verified by examination and cash in bank per books was reconciled with the amount shown by a statement received from the bank. The values of the Lodge Assets are conservatively stated on the books.

In order to expedite future audits, it is suggested that they be made as of July 31, instead of December 31 of each year. The July 31 date coincides with the date of the Grand Lodge Report and, as a result, is a natural "cut-off" point. Balances owed by members for dues are at a very low point in July, thus causing much less work in verifying Receivables then than at December 31 of each year at which date many prepaid dues have been recorded. While it is true that audits from July to July will cover the regimes of two sets of officers, it appears that any objections in that connection can be readily overcome.

The Secretary is to be commended for the interest he has exhibited in maintaining good Lodge records.

Any further assistance desired on accounting matters will be freely extended.

Respectfully submitted,

J. D. Preston

L. B. Gullett

E. D. Adams

Lexington, Kentucky
December 19, 1949

TO: The Worshipful Master, Officers
and Brethren
Lexington Lodge No. 1, F. & A. M.

In accordance with duties assigned to the Auditing Committee, we have examined the records of the Lodge Secretary for the period from January 1, 1949 to July 31, 1949 and submit herewith the following Exhibits and Schedules:

Exhibit A - Statement of Income for seven months ended July 31, 1949
Exhibit B - Statement of Assets and Net Worth at July 31, 1949
Schedule 1- Investments

The total of unpaid dues per members' ledger records amounted to $21.00 more than the audit control established at July 31. The difference is being investigated.

The lodge membership as reflected on the report to the Grand Lodge of Kentucky at July 31, 1949 was reconciled with the membership at the date of the previous Grand Lodge report by summarizing changes as recorded in the Lodge minutes. Revenues from dues were determined from the membership figures so verified. Revenues from fees were computed from minute book records of members initiated, passed, and raised.

All expenditures have been properly approved by vote in open lodge, according to the Minutes. Expenses are properly supported by copies of vendors' invoices.

The values at which Lodge assets are stated on the books are conservative. Verification of the principal items consisted of actual inspection of Government Bonds and Masonic Temple Association Stock and reconciliation of cash balance per books with the bank balance at July 31.

The records, in general, have been maintained in accordance with the high standards to which this Lodge is accustomed and, with the possible exception of the Control for dues receivable, are adequate for all purposes. A dues control now being established by the Secretary appears to meet all requirements.

The committee wishes to offer its services in connection with any future accounting problems.

Respectfully submitted,

Otto G. Nilles

E. D. Adams
