Dear Brother Jesse:

At our last meeting a situation was mentioned and the Master directed that I refer this matter to you and the committee that worked the Bragg application for the Old Masons Home.

The situation is this:

You and your committee evidently met with the Bragg people and reported back to Lodge or to the Master on one of the meeting nights that I was forced out of town. The problem is that there was nothing in the minutes which reflected your report and now it appears that Mrs. Bragg has made some comments which cast a reflection on the Lodge. I am not sure but I think she has called Marvin Whitton on the phone, and she spoke to Orah Hamilton when he stopped by to see Mr. Bragg. It could be that she called Tom Horine instead of Marvin. Mrs. Bragg is very talkative and she may have talked to others.

What is suggested is, that the committee again approach the Braggs, and if they are withdrawing their request for getting into the home, we need to get their signature on a withdrawal. If the committee made the determination that the application effort was worthless, we need to work up a written report on your findings. In short, what we want in the Lodge is some thing to settle Mrs. Bragg down if she starts talking again.

Wilbern Neeley and Tom Horine were on the committee with you. Wilbern knows about it, but Tom has not been contacted by the Lodge. If you need any help, Yell!

Fraternally,

Harvey

December 7, 1970

To the Worshipful Master,
Wardens and Brethern of
Lexington Lodge #1 F & A M

I shall not be a candidate for elective office for the year 1971. This decision was not made lightly. It was made upon advice of my physicians. It was made sorrowfully, almost tearfully. Please do not ask me to reconsider as I have reconsidered it many times.

Although I retain the appearance of one in excellent health, this is far from true. Within the past year I have had to stop working altogether and I am considered 100% disabled.

I am well aware of the tremendous honor it is to be master of this lodge. It is an honor given to few men and throughout the remaining days of my life I shall regret that I shall never sit at the past masters table. I shall continue to serve the lodge in any manner in which I am able.

Dear Brother Marvin:

I am enclosing herewith copies of correspondence between MW Maurice Walsh, Grand Master of North Carolina, and Brother Joseph E. Faust, a member of Lexington Lodge No. 1, which I believe is self-explanatory.

I talked with MW Brother Walsh several times about this matter and he was quite concerned. The final result, as I understand it, was that Brother Faust appeared before the Jurisprudence Committee of the Grand Lodge of North Carolina and upon his refusal to comply with the request of the Committee the Grand Master informed Faust that he was barred from all further Masonic rights and privileges and could not attend any Lodge in North Carolina. The Grand Master also told me that he was picking up Faust dues cards for his Blue Lodge and his other Masonic bodies and was sending them to me for such disposition as I saw fit. So far, however, I have not received them.

I called Brother Wilbern Neeley about this matter and told him that I would talk with you in Louisville and give you the information as to Faust Masonic record, which I did. I feel that this matter should be looked into further and that appropriate action should be taken. I also suggest that you get in touch with Brother Charlie McGaughey about this as it involves the York Rite Bodies and he should take action too.

Let me know what you decide to do and if I hear further from the Grand Master of North Carolina I will advise you.

Kindest personal regards to you and to your lovely Mammie,

Sincerely and fraternally,

George R. Effinger

Dear Brother Beck:

Neither I nor the many Master Masons with whom I have discussed it, can fully conceive of the abominable and ridiculous action of you and those to whom you refer when you say, "This is a custom at the plant where we work. When I was initiated, in my possession was (sic) eight pennys (sic) which were given to me by Master Masons, which, of course, were in the dressing room at the time of my initiation. There are a number of Brothers at the plant that will verify that this is the tradition."

When I consider that at the time the Education Committee of your lodge was impressing upon the candidate the sacredness, the profundity and the awe-inspiring dignity of those Ancient Degrees which have come down over the millennia to you and me, in the meantime, you and your associates at your plant were making a mockery of our Gentle Craft where millions have found true brotherhood and pure religion. How could you go or send anyone into the Venetum Venetorum, or Holy of Holies, and be so irreverent, so sacrilegious and so despicable as to ridicule Freemasonry. Neither Pope Clement the fifth, nor any other enemy of Masonry, could do it more harm than you and the group of Masonically ignorant brethren to whom you allude.

As an analogy, when your minister serves you communion, do you or any of your group humorously remark you don't want him weakened grape juice and subsequently pull a bottle off the hip and take a snort? Do you, when the wafer is passed, turn it down and loudly tell the minister you prefer hot biscuits? Do you and your brethren at the sacred ceremony of Christening playfully splash water on the minister or hand him a rubber towell with suitable remarks when he Christens your child or your grandchild? Ridiculous? Indeed it is, but the ridiculosity is not exceeded one bit by what you and your group have been doing to the precious, ancient and so-dear-to-so-many-millions of us, character building and truth revealing degrees of Freemasonry.

Normal behavior should have taught you otherwise, but if it hasn't, then I quote below 79-69 of the North Carolina Code:

Dear Worshipful Grand Master:

Let me introduce myself I am Joseph E. Faust. I was raised in Utica Michigan Lodge #75 and now a member in good standing in Lexington Kentucky Lodge #1 (F.E.A.M.#1, R.A.M.#1, R.E.S.M.#1 and Webb Commandry #1) and hold a card of super Excellent Master.

I willrefer to your letter of March 26, 1971 to Brother John Beck in Durham. In regards to what happened in Eno Lodge that you refer to, neither you or I was present, but I did do some investigating on my own. I do agree a mistake was made and a reprimand was just and due. Sir did you take time to recieve al the facts? The conductor may have been new and he did not preform his duties thoroughly so this incident would not have happened.

For your information and those you discussed it with, I wish to convey this giving of the pennies. I was given numerous pennies, one by a Baptist minister, 2 from deacons and several from members of my church. These all given with the implication "you may need this some day" and sic this is not Levity, a Joke or Jesting. It is given as a friend and hopefully to a Brother. The conductor has the responsibility of divesting the candidate of all metals. I would not trade my memories nor my gift of pennies for your Exalted position.

Sir, I am a man, a Mason, and a Christian and in that order.

I am a man who has no fear of any mortal being that walks the face of this earth.

I am a Mason, not because of degrees, dues card or position, but by my Belief of my obligations.

I am a Christian because I believe that Christ died on the cross for my many sins.

In your letter you referred to my abominable and ridiculous actions. Sir, your mistakes in this letter are much greater than any Mason I know.

1. Your reference to Pope Clement the Fifth and enemies of Free Masonry and the harm they did, your letter has certainly surpassed and damaged more than any of these as you are supposed to be a Mason.
2. You referred to Masonically ignorant brethren. I challenge you to either prove it or apologize to me by letter. My knowledge of Masonry is in my heart, where is yours?, in your head or books.
3. Your reference of analogy, where you refer to the Lord's Supper, and his death, burial, and resurrection. I charge you sir not to use your version, at least have respect for our Most High Grand Master, and use the word of the Holy Bible on which you placed your hand and took your Obligation.
4. Your reference to your demandof names from Brother John Beck, you have placed a Brother Master Mason in an embarrassing position.
5. Your demands to have this letter read in the lodge to humilate

him.

In closing, Sir, if you are a man, a Mason or a Christian, you will write a letter to Brother John's lodge to be read in the next communication. Making an humble apology to him, the Master and the brethren for your unexcusable letter.

I expect a letter of apology from you in your charges against me.

What is your pleasure?

Fraternally yours,

Joseph E. Faust

Dear M. W. Sir:

Our Grand Master, M. W. George Effinger has forwarded to me copies of your letter to Mr. John H. Beck and Mr. Joseph E. Faust's letter to you regarding the Masonic conduct of Faust, a member of Lexington Lodge No. 1, Lexington, Kentucky and now residing in North Carolina.

Lexington, No 1, being my lodge, Grand Master Effinger has asked me to assist the Master of Lexington Lodge No.1, Brother Wilbern Neely with this situation.

We realize that sojourning brethern are subject to the laws of the Grand Lodge of the Jurisdiction in which they reside. We are embarrassed that one of our members would be a part of what evidently happened in Eno Lodge No. 210, at Durham, N. C.

In order to pursue this matter to an amicable conclusion, may we have a transcript of the proceedings that occurred when Brother Faust appeared before the Committee on Jurisprudence of the Grand Lodge of North Carolina, togather with your reccomendation to our Lodge for final dispositation.

M. W. Brother Effinger informed me that you were picking up the dues cards of Brother Faust and would send them to him but he has not received them yet.

I will admit that the letter that Joseph Faust wrote to you is about the most arrogant communication that I have ever seen composed and for it, I offer to you on behalf of our Lexington Lodge No.1, our M. W. Grand Master, our Grand Lodge of Kentucky and Kentucky Masonry in general, our most sincere apology for the conduct of one of our members. It is true that we all take the same obligation but like a vaccination for some diseases, it sometimes does not "TAKE".

With kindest personal regards, I am,

Fraternally Thine,

Marvin S. Whitton

Honorable Marvin S. Whitton
Past Grand Master

Dear Most Worshipful Sir:

I offer my most sincere apologies for the delay in reporting the episode involving Joseph E. Faust, a member of your Lexington Lodge No. 1. I have no excuse unless I can be excused because of the close proximity of our meeting with Faust to the Annual Communication of our Grand Lodge.

I am glad to enclose a copy of the proceedings of the meeting on April 18, 1971 at which time Faust was questioned by the Grand Master and a group of Brethren invited by the Grand Master to hear Faust's explanation of the reasons for his letter to the Grand Master.

The Grand Master touched briefly on this case in his report to the Grand Lodge on April 20th, as follows:

> "There was one flagrant case that could not be so ended. A sojourner who was raised in Michigan and later transferred to a Kentucky lodge and who, though sojourning in North Carolina for six years, had never put in attendance at a North Carolina lodge, nevertheless seems to have been the leader of a group that caused a ridiculous episode in Eno Lodge No. 210. The man was the most misguided, the most arrogant dues card-carrying Mason we have ever met. Before a group of distinguished Masons I had invited to join me in hearing this man's explanations, he displayed a total lack of Masonic knowledge and behaviorism, or even that of just plain common sense."

Again, my sincere apologies to you and Most Worshipful Brother Effinger in this delay in getting this information to you. Faust's dues cards are enclosed herewith.

Sincerely and fraternally yours,

Charles A. Harris
Grand Secretary

Most Worshipful Brother Maurice E. Walsh, Grand Master of Masons in North Carolina, explained that the purpose of this meeting was to hear an explanation from one Joseph E. Faust, member of Lexington Lodge No. 1, of Lexington, Kentucky, of his reasons for writing a discourteous, undignified, and contemptuous letter to the Grand Master under date of March 30, 1971.

Present at this meeting in addition to the Grand Master and Brother Faust were: The Honorable Emery B. Denny, P.M., Judge Advocate of the Grand Lodge of North Carolina and former Chief Justice of the North Carolina Supreme Court; The Honorable William T. Hatch, P.M., Chairman of the Lodge Service Commission and former Judge of the North Carolina Superior Court; M:. W:. W. Edward Burrier, P.G.M.; and M:. W:. Charles A. Harris, P.G.M., Grand Secretary.

The Grand Master asked the Grand Secretary to read the copy of a letter he had written to Brother John Beck, a member of Eno Lodge No. 210, of Durham, which letter Beck showed to Faust and which apparently elicited the letter from Faust to the Grand Master. The Grand Secretary then read the aforementioned letter from Faust to the Grand Master.

Faust stated that it had been a custom among the employees of his company to present a penny to another employee who was a newly elected candidate for the degrees in Masonry. The presentation of a penny to a candidate for the First Degree by John Beck who, incidentally, was not the person who suggested what he should do with it that led to such a ridiculous episode in Eno Lodge No. 210, was stoutly defended by Faust during the meeting.

Each of those present questioned Faust at length on the meaning of his letter and his remarks therein, and each received the same arrogant answer. Faust was then excused from the meeting temporarily, during which time those present discussed the situation thoroughly, and were of the unanimous opinion that the Grand Master should lift Faust's dues cards, declare him totally without standing as a Mason in North Carolina, and that his dues cards should be returned with proper explanation to the Grand Master of Kentucky.

Faust was then invited back into the room where he was advised of the finding of the Grand Master and the others of the group, following which the meeting was adjourned.

Brother Walsh then placed a long distance call to Most Worshipful Brother George R. Effinger, Grand Master of Masons in Kentucky, and advised him of the action taken.

M., Grand Secretary of The Grand Lodge of Ancient, Free and Accepted Masons of North Carolina, Lexington Lodge No. 1, F. & A. M. has been apprised of conduct of Brother Joseph E. Faust, Jr. which is deemed to be UN-MASONIC ---determined by the following excerpt from the report of M. W. Grand Master, Maurice E. Walsh to the Grand Lodge of North Carolina on April 20, 1971---" There was one flagrant case that could not be so ended. A sojourner who was raised in Michigan and later transferred to a Kentucky lodge and who, though sojourning in North Carolina for six years, had never put in attendance at a North Carolina lodge, neverthe-less seems to have been the leader of a group that caused a ridiculous episode in Eno Lodge No. 210. And from the following report of The Grand Secretary of the Grand Lodge of North Carolina, of the proceedings of the Committee assembled to hear Brother Faust's explanation for his conduct. This meeting was held in the Grand Lodge Office Building, Raleigh, N. C., Sunday, April 18, 1971.

"Most Worshipful Brother Maurice E. Walsh, Grand Master of Masons in North Carolina, explained that the purpose of this meeting was to hear an explanation from one Joseph E. Present at this meeting in addition to the Grand Master and Brother Faust were: The Hon. Emery B. Denny, P.M., Judge Advocate of the Grand Lodge of North Carolina and former Chief Justice of the North Carolina Supreme Court; The Hon. William T. Hatch, P. M. , Chairman of the Lodge Service Commission and former Judge of the North Carolina Superior Court;

Faust was then invited back into the room where he was advised of the findings of the Grand Master and the others of the group, following which the meeting was adjourned.

Brother Walsh then placed a long distance call to Most Worshipful Brother George R. Effinger, Grand Master of Masons in Kentucky, and advised him of the action taken.(The 1971 dues card packet of Brother Faust is in the file of the Secretary of Lexington Lodge No. 1)

and,

WHERE-AS: Lexington Lodge No. 1 concurs in the action taken by the Grand Lodge of Ancient, Free and Accepted Masons of North Carolina; and,

WHERE-AS: Suspension in this case is not practical, because suspension must be for a <u>definite period</u> of time, at the conclusion of which, a member returns to good standing(Const. 151 & 171; Reg. 407; Code 100) with out action by the lodge, but there is no definite assurance that Brother Faust will seek and successfully appeal this case.

Rejected

M. of Ancient Free and Accepted Masons of North Carolina, for a period of (12) twelve months from the date of adoption of this resolution. (This resolution forms a part of these minutes)

Good of the Order

Brother Whitfield Tandy gave the Treasurers Report for the 7 months period ending July 31, 1971.

RESOLUTION

To the Master, Wardens and Brethren of Lexington Lodge No. 1, F. & A. M. Lexington, Kentucky.

WHERE-AS: Brother Joseph E. Faust, Jr., a member of Lexington Lodge No. 1, F. & A. M. Lexington, Kentucky, has been a resident of North Carolina for the past six years and therefore under the jurisdiction of the Grand Lodge of A. F. & A. M. of North Carolina, and

WHERE-AS: Every Mason a member of a Kentucky Lodge, subordinate to the Grand Lodge of Kentucky F. & A. M. is governed by the By-laws, Rules and Regulations of every Grand Lodge jurisdiction in which he resides or travels through, provided however, if such Grand Jurisdiction is recognized and in Fraternal Relations with the Grand Lodge of Kentucky F. & A. M. and

WHERE-AS: The Grand Lodge of A. F. & A. M. of North Carolina is recognized by the Grand Lodge of Kentucky F. & A. M. and

WHERE-AS: Through communication from MW Maurice E. Walsh, Past Grand Master and RW Charles A. Harris, P. G. M. and Grand Secretary of North Carolina, Lexington Lodge No. 1, F. & A. M. has been informed the UNMASONIC conduct was the finding of a meeting held in the Grand Lodge Office Building, Sunday, April 18, 1971, by the Grand Master, Grand Secretary, and three other Master Masons.

The reason for this meeting was to hear an explanation from Joseph E. Faust, Jr. of his reason for writing a discourteous, undignified and contemptous letter to Grand Master Walsh and also the incident of giving the EA Candidate a penny before Initiation.

After the hearing, Brother Faust was informed he was suspended from all Masonic Rights in North Carolina, and

WHERE-AS: Brother Faust had no knowledge of the incident with the penny, as the guilty person was one Brother Carson Whitley, who at the time was Master of Apex Lodge of North Carolina. John Beck, a member of Eno Lodge where the Candidate was Initiated, gave the penny to the Candidate. Both Brother Beck and Brother Whitley were reprimanded by the Grand Master of North Carolina.

Therefore be it

RESOLVED: That Joseph E. Faust, Jr., a member of Lexington Lodge No. 1, F. & A. M. Lexington, Kentucky, for the action of writing a discourteous, undignified and contemptous letter to MW Maurice E. Lexington Lodge No. 1, F. & A. M. holds title to Burial Lots in the Lexington Cemetery, Lexington, Kentucky as follows:

Section 11 - Lot 44, deeded to Lexington Lodge No. 1, by the heirs of Frank Hays.

Two (2) spaces remaining

Section T - Lot 34, deeded to Lexington Lodge No. 1 by Miss Susan P. Grigsby.

Six (6) spaces remaining.

8

CEMETERY LOTS CONTINUED:

Section B - Lots 1 & 2, owned jointly by Lexington Lodge No. 1, and Devotion Lodge No. 160.

Four (4) spaces remaining.

The above cemetery Lots cannot be sold and thus are not listed with a cash value. The Audit Committe includes this information in their report and recommends that this information be carried in future Audits in order that current officers will be apprised of this property in event of urgent need by an indigent member.

RECOMMENDATIONS

The Audit Committe makes the following recommendations:

1. That the five (5) U. S. Bonds be cashed and re-invested in Second National Bank Certificates of Deposit, which will earn 5.75% interest compounded daily. (The bonds are drawing only 5.50% . Their value as of July 1, 1971 is $1,124.40 each or a total of $5,622.00).

2. When a member over pays his dues, credit the member the amount of overpayment on his next years dues, rather than issue a refund. (These over-payments are usually made by members who are often in arrears and this would decrease their next payment and save some correspondence and postage).

3. That the In-coming Master each year, with either the elective officers or a Budget Committe prepare an annual budget and make a concentrated effort to operate the Lodge by it. (although the Lodge Net Worth increased $4,308.51, 2,046.44 of this amount was from interest income and only $2,262.07 from Lodge operation).

4. That the Finance Committe be re-activated and ALL invoices be approved before payment is made. (Article XI, Section 4 of the By-Laws provides that all expenditures over $50.00 be approved by the Finance Committe.)

5. That an invoice, or voucher and or a supporting document be filed with the Secretary for each expenditure made prior to issuing check for payment. (this will give more information than can be wirtten on the check only).

The GRAND LODGE of KENTUCKY
FREE AND ACCEPTED MASONS

GEORGE R. EFFINGER
GRAND MASTER
1970-1971
333 CARDINAL LANE

PADUCAH, KENTUCKY 42002

11 September 1971

Mr. Wilbern R. Neeley, Master
Lexington Lodge No. 1, F. & A.M.
220 Hillsboro Avenue
Lexington, Kentucky 40505

Dear Brother Neeley:

I am in receipt of a copy of the "Resolution" relating to the Masonic status of one of your members, Joseph E. Faust, Jr., which was adopted by your lodge on August 2, 1971.

After a careful review of this entire situation I find that the action taken by your lodge is improper.

As is stated in the Resolution, Brother Faust, altho a member of Lexington Lodge No. 1, is, and has been for the past six years, a resident of North Carolina and therefore under their Masonic jurisdiction. While in their jurisdiction he violated their laws and, after a proper hearing as provided for by the laws of the Grand Lodge of North Carolina, was expelled from all the privileges of Masonry in North Carolina and totally without standing in their jurisdiction.

A situation of this nature is covered by Section 166 of our Grand Lodge Constitution. Having been tried and expelled by a sister jurisdiction with which Kentucky has masonic relations, we are obliged to accept and honor the actions of our sister jurisdiction.

It is not within the province of your lodge to change or mitigate the punishment administered by the Grand Lodge of North Carolina. Rather, we are bound by their actions, the same as we would expect them to accept and comply with our decision should the situation be reversed.

The only way this brother can again become a member in good standing of the fraternity is to satisfy the Grand Lodge of North Carolina. Until he has done this he cannot be accepted as a mason in this, or any other jurisdiction and is not entitled to any Masonic rights, privileges or courtesies of any nature, either in a Blue Lodge or any other affiliated bodies.

Your lodge does not have the authority to suspend Mr. Faust for a period of one year, or for any other period, since he is already expelled by virtue of the action of the Grand Lodge of North Carolina. Thus, your "Resolution" passed August 2, 1971 is improper and therefore null and void.

From the information furnished me by the Grand Master of the Grand Lodge of North Carolina and other Grand Lodge officers of North Carolina it would appear that not only did Mr. Faust act in a most unmasonic manner, but compounded his actions by his arrogant actions and attitude before a group of eminent Masons including not only the Grand Master of North Carolina but also the Judge Advocate of the Grand Lodge of North Carolina, a former Chief Justice of the Supreme Court of North Carolina, and a number of other Past Grand Masters of North Carolina.

If Mr. Faust wishes to regain his masonic standing I would suggest that he contact the Grand Lodge of North Carolina and determine from it just what he will have to do to regain his membership for it is only by this means that he can again become a member of the fraternity.

Please see that this letter is read at the next stated meeting of Lexington Lodge No. 1 and that it is made a part of the minutes of that meeting in order that there may be no misunderstanding at some later date as to the status of Mr. Faust.

Should you have any further questions concerning this most unfortunate event I shall be pleased to hear from you.

Sincerely and fraternally,

George R. Effinger
