To the Master, Wardens and Bretheren
Lexington Lodge No. 1, F&AM
Lexington, Kentucky 40501

Gentlemen:

We have examined the balance sheet of Lexington Lodge No. 1, F&AM, as of December 31, 1981 and the related statements of income and members' equity and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet as of December 31, 1981 and the related statements of income and members' equity and changes in financial position for the year then ended present fairly the financial position of Lexington Lodge No. 1, F&AM, at December 31, 1981 and the results of its operations and changes in financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the prior year.

Dear Brother Potter:

It is with the utmost regret that I herewith submit my resignation as Senior Deacon. The press of my personal business combined with the present and anticipated workload associated with my duties as Secretary of the Masonic Temple Association, does not leave me with sufficient time to properly discharge the duties of the office involved. As you are aware, it appears as though the efforts of yourself and your predecessors is bringing the desired results, and I have every reason to believe that we will be acquiring a new building site, and perhaps formulating plans for a new building, by the end of this year. There will undoubtedly be a great deal of work associated with this effort, however, probably more than many of the members anticipate, and I feel that my talents and my efforts would be of more value to the lodge in this area. I have enjoyed working with my brother officers as well as the other members of the lodge and appreciate all of the assistance and encouragement that I have received. You may rest assured that I will continue to attend the meetings and participate in the work and activites of the lodge.

Sincerely,

Chet Care

Brother Beatty was born in Beattyville, Kentucky on October 11, 1892, the son of Captain James and Josephine C. Beatty. The town of Beattyville, which is the County Seat of Lee County, derived its name from this family, it having been named for his grandfather, Samuel Beatty. On January 20, 1951, Brother Beatty married Genevieve Spurrier of Louisville, Kentucky.

Brother Beatty received his early education in grade and high school in Beattyville and attended Centre College, Danville, Kentucky, where he was a member of the class of 1915. Later he entered the Law School of Washington and Lee University at Lexington, Virginia where he graduated cum laude in June 1920 with the degree of Bachelor of Laws. While in College he was a member of the Phi Delta Theta Fraternity at Washington and Lee University. He was admitted to the Bar in Kentucky the same year. On being admitted to practice law he formed the partnership with his brother, Virgil S. Beatty under the firm name of Beatty and Beatty.

Brother Beatty was an active member of the St. Thomas Episcopal Church at Beattyville and had at different times served as a member of the Vestry.

Brother Beatty's civic activities included: He served on the Beattyville City Council. While a member of the Beattyville Board of Education he proposed the building of the Beattyville Grade School and chiefly through his efforts the plans materialized. This building is now occupied by the Lee County Board of Education. He was a charter member of the Beattyville Kiwanis Club and the only one of that group holding membership in the club at the time of his death. He received the outstanding citizens award issued by the Club in 1963. He served several times as President and later became Lieutenant Governor in the Kentucky-Tennessee District of Kiwanis. He was presented a distinguished service plaque by the Club on the occasion of its Fiftieth Anniversary.

He served many years as Chairman and Secretary of the Lee County Chapter of the American Red Cross.

He served as Chairman of the Lee County sale of War Bonds.

He served for over thirty-five years as Lee County Chairman of the Kentucky Society for Crippled Children and Adults.

He served as Director of the former Lee County Commercial Bank.

He held a Kentucky Colonel Commission.

He served three terms as President of Natural Bridge State Park Association and continued to serve as a member of the Board of Directors.

Brother Beatty's political activities were comprised of: Before attending law school he served as office deputy in the County Clerk's office.

He served as Circuit Judge, Twenty-third Judicial District, 1946-1951 and again 1958-1963.

His father, James M. Beatty, was the first County Attorney of Lee County, assuming office when the County was organized in 1870, serving two terms of four years each. Later Harlin T. Beatty occupied the office for several terms.

Brother Beatty was the third member of his family to serve as County Attorney of Lee County, having served four years, 1974-1977.

County Judge Executive in Lee County Fiscal Court declared January 2, 1978, Emile B. Beatty Appreciation Day, marking his retirement as County Attorney.

Brother Beatty was devoted to the welfare of the members of our two Homes. As an indication of his great interest, on the same day and immediately following his installation as Grand Master, his very first official visit was to the children of our Masonic Home. Only a few days later he officially visited the members of the Old Masons' Home and addressed the entire group assembled in the Chapel. As an Official of the Grand Lodge, he was faithful in attending the meetings of the Board of Directors of which he was an ex-officio member of each Home, and his advice and counsel was most beneficial to them.

FAITHFUL UNTO DEATH.

PALM LEAVES to strew o'er our dead,
Trump notes to grace his last way.
Gems to bedeck the fair head,
Crowned for death's glory to-day;
Weep not midst triumphs like these,
Give him with joy to the tomb;
Wages of promise are his,
Soon shall he rise from its gloom.

Green live the deeds of our friend;
Sweet is his virtue's perfume;
Prayers from his soul did ascend,
Pure as the dewy-washed bloom;
Open his heart as the day,
Prompt to yield Heaven its due;
Strong to give virtue the sway,
Heart-warm his pity, and true.

As a tribute of love and respect for the memory of our departed brother, it is ordered that this memorial be read in each lodge of this Grand Jurisdiction at the next stated communication after its receipt and that it be made a part of the records of the lodge.

Given under my hand and seal of the Grand Lodge this day and year first above written.

MY BROTHERS,

IT IS INDEED A PRIVILEDGE AND AN HONOR TO BE SITTING IN THE EAST IN LEXINGTON LODGE #1; AND TO SERVE YOU, THE CRAFT, AS MASTER FOR THE YEAR 1983. SO VERY FEW HAVE BEEN ALLOWED TO SIT HERE IN OUR 195 YR. HISTORY, AND I HUMBLY THANK YOU FOR CHOOSING ME TO JOIN THEIR NUMBER.

I WILL TAKE THIS TIME TO THANK A NUMBER OF PEOPLE FOR THEIR HELP AND TRUST. FIRST, I WOULD THANK MY WIFE, KATHLEEN, WHO HAS BEEN SO THOUGHTFUL AND UNSELFISH. FOR 6 YEARS SHE HAS HAD TO PLAN THINGS AROUND THE 1ST AND 3RD MONDAYS OF EACH MONTH. AND WHEN I HAVE FACED ADVERSITY AND HAD MY DOUBTS, SHE HAS ALWAYS STOOD BESIDE ME AND GIVEN WISE COUNSEL.

I WOULD LIKE TO THANK PAST MASTER JOSEPH HOLLERAN, WHO HAD THE TRUST IN ME TO PUT ME IN THE CHAIRS. I SINCERELY HOPE TO SERVE IN A MANNER IN WHICH HE WILL FEEL THAT THAT TRUST HAS NOT BEEN BETRAYED.

I WANT TO THANK OUR PAST SECRETARY, JAMES H. BAXTER. HIS CAREFUL ATTENTION TO DETAIL AND EFFICIENCY HAS INSPIRED ME THUS FAR. I NOW LOOK TO A BRIGHT FUTURE IN THE YEAR TO COME WITH OUR NEW SECRETARY, FRANK ROSE, AND I AM SURE THAT HE WILL SERVE ME AND THE LODGE WELL.

I THANK THE MEMORY OF MY FATHER, CECIL B. SPARKS. THE LODGE MEANT EVERYTHING TO DADDY. HE SET AN EXAMPLE THAT FOSTERED A THIRST FOR KNOWLEDGE, AND I AM GLAD THAT I ASKED TO BE A PART OF HIS FRATERNITY.

I WANT TO THANK MY INSTALLING OFFICERS, PAST GRAND MASTER CARROLL M. CURTIS AND BROTHER JAMES LOVELL. YOU HAVE BEEN GOOD FRIENDS OF MY FAMILY

FOR MANY YEARS AND I THANK YOU FOR BEING HERE TONIGHT AND DOING THIS WORK FOR ME.

I WANT TO THANK THE NEWEST PAST MASTER, JAMES M. POTTER. YOUR ADVICE AND TRUST IN ME HAS BUILT A NEW LEVEL OF CONFIDENCE IN ME, AND FOR THIS I AM GRATEFUL.

I WANT TO THANK THE LINE THAT WILL SERVE THIS YEAR. I'VE NEVER ASKED FOR HELP THAT I DIDN'T RECEIVE IT, AND I LOOK FORWARD TO THIS YEAR WITH YOU.

MY BROTHERS, I ALSO WANT US TO REMEMBER HIM, WHO SITS ON HIGH, THE GRAND ARCHITECT OF THE UNIVERSE. IT IS ONLY HIS WILL THAT ALLOWS ANY OF US TO HAVE LIFE, HAPPINESS. AND THE WILL TO DO BETTER.

I HAVE SELECTED A THEME FOR THE COMING YEAR THAT I PRAY THE LODGE CAN LIVE UP TO. THAT THEME IS:

"Lexington Lodge #1: A Lodge on the Move."

I WANT US FIRST TO WORK FOR AN INCREASE IN MEMBERSHIP. THAT INCREASE CAN ONLY COME ABOUT IF WE SET AN EXAMPLE THAT OTHERS WILL WANT TO EMULATE.

SECONDLY, I WANT TO SEE US IN ANOTHER LODGE HALL ON THE SOUTH SIDE OF TOWN, WHICH IS THE EXPRESSED WILL OF THE CRAFT IN A RECENT QUESTIONAIRE. I LOOK FORWARD TO WORKING WITH THE MASONIC TEMPLE ASSOCIATION, AND OUR OWN LEXINGTON LODGE #1 BUILDING COMMITTEE TO ACHIEVE THIS END.

I WOULD ALSO LIKE TO SEE US MOVE TOWARD BETTER ATTENDANCE AT OUR STATED COMMUNICATIONS. I HAVE SOME PLANS FOR THIS INCLUDING A CALL PROGRAM, AND PERHAPS A COUPLE OF POT-LUCK SUPPERS TO INCLUDE OUR FAMILIES.

MY BROTHERS, I AM LOOKING FORWARD TO A BRIGHT FUTURE IN MASONRY, AND I ONLY ASK THAT YOU SHARE MY DREAM TO SEE

"Lexington Lodge #1: A Lodge on the Move."

To the Master, Wardens and Bretheren
Lexington Lodge No. 1, F&AM
Lexington, Kentucky 40501

Gentlemen:

I have examined the balance sheet of Lexington Lodge No. 1, F&AM, as of December 31, 1982 and the related statements of income and members' equity and changes in financial position for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the accompanying balance sheet as of December 31, 1982 and the related statements of income and members' equity and changes in financial position for the year then ended present fairly the financial position of Lexington Lodge No. 1, F&AM, at December 31, 1982 and the results of its operations and changes in financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the prior year.

Meetings First and Third Monday of each month

March 22nd, 1983

TO: The Worshipful Master, Wardens, and Brethern of Lexington Lodge #1

Due to personal feelings concerning certain instances and issues I no longer feel that I can remain impartial on mathers concerning Lexington Lodge #1.

Since I feel that an officer of the lodge should act on matters based solely on the will of the craft instead of personal feelings, I no longer feel that I am qualified to assume a leadership role. Therefore, it is for the good of the order that I am resigning my postion effective March 22nd, 1983.

I have enjoyed serving the craft of Lexington Lodge, and hope to be of service to the lodge in the future

Fraternally Yours,

Charles R. Foster

W.M. Gary Sparks addresses Brother Ralaph Carter before the Lodge Body

Brother Carter, I have received complaints from members of the Craft concerning specific statements you have made to them, namely that "What is wrong with Lexington Lodge #1 is there are too many Catholics in line". A statement such as that defames the reputation of this Lodge and casts dispersions upon the character and the integriety of its officers, both past and present.

Having never questioned the relegious affiliation of any member of this of this Fraternity, I was shocked to hear such an UnMasonic statement had been made by one I've called a brother. Even more I am distressed to hear of such coming from an Officer of this Lodge.

Brother Carter, I am going to read to your four areas of the Book of Constitutions of the Grand Lodge of Kentucky,

These are sections 1 and 87 and regulations 204 and 210.

And now

In pursuance of these regulations, there will be no discussion of relegious affiliation within this lodge; and, Brother Carter, you and this Lodge, will be better served if these unmasonic statements concerning the Lodge and its officers cease.

You are dismissed, Brother Carter.

To W. M. Wardens and
Brethren of Lexington Lodge NO 1 F+AM

Master Sparks, in pursuance to your humiliating and insinuating speech made to me, in front of the entire lodge body, on June 6, 1983, I have prepared this statement and expect to be accorded the same courtesy of silence during the reading of this speech.

I have been a member of this lodge for seventeen (17) years and never during this period of masonic activity have I been singled out and subjected to such humiliation and personal harassment. Why, out of 1,213 members was I chosen to be a scapegoat for what amounts to freedom of speech guaranteed under the Constitution of the United States which is a basic tenet of the Constitution of this lodge and which involves only statements of personal opinion. Moreover, I have never made such a statement in the hallowed halls of this lodge, nor would I ever defame the lodge with such remarks. The remarks were made in a very factual manner and would have been the same regarding any group - not in reference to any religious group - though you chose to interpret this on a personal and religious basis.

You have reprimanded me by accusing me of unmasonic conduct, I ask you- what is masonic, moral, or humanitarian about humiliating an individual in front of his fellow man? Would it not be more masonic, moral and humane to confront the individual in private if you have something to discuss? If any man has anything to say to me, I expect it to be done in private and certainly NEVER in a public form and I absolutely will never tolerate such behavior from any man, woman or child in the future.

A section of the Fellowcraft Degree should remind you of your obligation to ever walk justly and uprightly in your several stations of life before God and man and squaring your actions by the square of virture. Can you, then, consider yourself to be the same while humiliating a brother in front

of others?

Master Sparks, I do not expect a public apology from you in regards to this matter; however, I do expect assurance from you that any fellow brothers will never be subjected to such conduct from you or any other officer of this lodge.

To clarify some facts - the remark was made to one fellow brother and not several - and was made in regards, not of a religious nature, but of meaning that any group - Catholic, Baptist, IBMers, utility workers, etc. - which dominates leadership in any organization is not good. You; however, for some reason unbeknownest to me, have chosen to take this as being a personal matter regarding religion - instead of the manner in which it was intended - nor did you ever make the effort to approach me and/or discuss the meaning of such a remark.

Again, I wish to reiternate that never in my masonic history or ever in my lifetime - have I felt the brunt of a personal vendetta in such an unjust and immature manner. As I have stated previously in this letter, I do not expect, nor would I accept an apology from you, but I do expect you to very seriously consider your actions and to never subject any other member of this lodge to such a degrading and inhumane reprimand. Since the last meeting, I have had several calls from my fellow brothers who have stated that they certainly do not appreciate this act any more, than I, myself did.

Master Sparks, I have stated my position in this matter and unless you wish to make this an issue for the entire lodge body to discuss, I personally will consider this incidence to be closed - unless I witness the same conduct bestowed upon a fellow brother - for which I will not sit quietly by and allow to happen to any whom I consider a brother.

J. C. McClanahan, Grand Secretary

Masonic Home, Kentucky 40041

Dear Brother McClanahan:

At a stated meeting, on the 15th day of August 1983, at 7:30 P.M., in the Lodge Hall at Lexington Kentucky; the members of Lexington Lodge #1 present voted on and passed a motion to be made at the meeting of the Grand Lodge, for the purpose of modifying the Constitutions of the Grand Lodge of Kentucky.

In furtherance of these said wishes I hereby make the following motion, to wit:

"That Section 107 and Regulations 173 and 296 be stricken from the Constitutions of the Grand Lodge of Kentucky."

It is the opinion of the Craft that this Section and these Regulations, by virtue of their vagueness and lack of enforceability, should not be a part of the guidelines of the subordinate Lodges.

The question of membership in our fraternity for retailers and stockholders in the liquor industry should be answered in the ballot box, as it is for all others, and not in the Book of Constitutions for the Grand Lodge of Kentucky.

Respectfully, Submitted

At a stated meeting, on the 15th day of August 1983, at 7:30 P.M., in the Lodge Hall at Lexington Kentucky; the members of Lexington Lodge # 1 present voted on and passed a motion to be made at the meeting of the Grand Lodge, for the purpose of modifying the Constitutions of the Grand Lodge of Kentucky.

In furtherance of these said wishes I hereby make the following motion, to wit:

"That Section 88 of the Book of Constitutions of the Grand Lodge of Kentucky be amended to provide that all Dues and Assessments collected to satisfy good standing in the Grand Lodge shall be collected only by the originating Lodge."

It is the opinion of the Craft that the collection of a second Grand Lodge "Dues and Assessments" on a Dual Member is unnecessary and unjust, and financially prohibits the practice of dual membership.

It is also the opinion of the Craft that adoption of this motion will promote more dual membership and will be good for Masonry in Kentucky.

Dear Brother McClanahan:

It is my opinion that the present practice of Balloting on the Recommendation of the Jurisprudence Committee is confusing to many members of the Grand Jurisdiction and is a procedure that warrants change.

I therefore offer the following motion, to wit:

"That Section 207 of the Book of Constitutions of the Grand Lodge of Kentucky be amended to read as follows:" (To be added as a second paragraph) "Balloting upon any alteration, amendment, or repeal shall be made only upon a strict reading of said alteration, amendment, or repeal, and not upon a recommendation of the Jurisprudence Committee, as was the practice in years past."

To The Master, Wardens and Brethern
Lexington Lodge #1 F&AM.
Lexington, Ky.

Dear brothers,

Today, August 30, 1983, I received a phone call from Brother Marion O. Reed, the Editor of The Masonic Home Journal. Brother Reed informed me that the submitted, proposed changes to our by-laws, which were supposed to have been printed in the September issue, were accidently omitted. He had just discovered that fact, and called me immediately. It seems that the correspondence from me had lodged in the bottom of his brief case and he simply overlooked it.

Brother Reed promised that these proposed changes will be in the October issue and asked our forgiveness.

Brother Reed has been generous with Lexington Lodge in the past and nobody holds any ill feelings toward him for a simple--and readily admitted--error of omission.

My Brothers,

The infinite wisdom of those who laid the groundwork for this Honorable Fraternity decreed that the gavel must pass to another each year in December. That time has come again, this evening, and gladly I bow to their edict. But I must first give credit to those who made this past year so successful.

First I would like to thank our Secretary for 1983, Frank M. Rose. His dedication to his office is and has been a testament to his love for this Fraternity, and should serve many of us well as an example of a good Man and Mason.

I want to express my sincere and heartfelt thanks to those fine officers who have worked hard and long for this Lodge. I never asked that these true Brothers did not provide. Surely no Master, and no Lodge could ask for more.

I want to thank P.M. Richard Russell, who directed the Degree team and lectured two degrees.

I want to thank that same degree team that worked to make the third Degree more meaningful.

To the Funeral Committee goes my highest praise. You have worked your "Labor of Love" this year in the finest tradition that you, yourselves, have set over the years. This lodge, and this master are eternally grateful.

My Brothers, we were busy this year with our usual activities plus additional work. A memorable highlight of 1983 was the program we held to honor our 40 year members. We were proud to present the new pin to these Brothers and the success of the program was testimony to the good work of P.M. Jim Baxter and Brother Secretary Rose.

We had two Pot luck dinners this year, that were an unqualified success. I hope we've started a tradition, that will see us together with our families more often.

We obviously have not moved out of this building yet but I can assure you that the Masonic Temple Association is dedicated to it.

My Brothers, I leave you now, but not before I draw your attention to Him who sitteth Supreme. We meet in His name, and I only ask that we not forget that. May God bless us and all men everywhere.

Fraternally Thine
Gary Sparks

A YEAR OF CONFRONTATION

Edward Brian Aylward

27 December 1983

"Man is inherently an inquisitive and social being. He does not like to be alone, but rather seeks the companionship of his fellow man (2)." We are united tonight by our attraction to a fraternal organization which advocates, and should serve to promote, friendship, morality and harmony among human associations. Our ancient institution is founded upon the brotherhood of man-brethren, we are freemasonry. Each of us are masons of our own free will and accord.

Our fellow craft degree has been considered to be of primary educational importance in its explanations of orders of architecture, function of the human senses and the nature of the liberal arts and sciences. Although the content may seem elementary to those with even a secondary education, it should be remembered that before our coordinated system of public instruction, this subject matter was both new and interesting to the average man. Our educational role has not stopped. A lodge must now strive to fulfill a brother's desire for detailed and comprehensive information regarding the order. Herein lies the challenging instructional task of any group of lodge officers.

Typically, masons are industrious. We are responsible members of our community: busy with domestic; social; vocational and civic obligations. Our individual brethren do not have the time to make an exhaustive study or search for masonic knowledge. It falls upon the officers of a lodge with greater or at least equal weight as with Grand Lodge officers to provide the means to satisfy and to stimulate a brother's quest for masonic light.

The frailties of our human form will not permit us to look directly at the sun of our solar system; even from this great distance away. How much more difficult then to provide masonic light, that of the Great Artificer of the Universe, alongside which our undistinguished stellar source of light is but a pale and pitiful spark? We must stimulate our brethren with the beauties contained within the Great Light which even now rests upon our sacred altar.

There are applicable lessons within the Great Light for all situations. In David's charge to Solomon during David's final days he said: "Be thou strong and shew thyself a man; and keep the charge of the Lord thy God, to walk in His ways; to keep His statutes and His commandments and His judgements; and His testimonies as it is written in the Law of Moses." As each lodge symbollically represents Solomon's temple, so each master is tied to Solomon King of Israel. David reasoned unto Solomon that by following these charges he might "prosper in all that thou doest and whithersoever thou turnest thyself (I Kings 2:2-3)."

The temple which our ancient brethren did labor 7 years to build stands not today, but for one small section of wall. This temple, which upon completion resembled more divine architecture than the work of human hands, has not survived the test of time. Know ye also that Solomon, in all his wisdom, had his heart turned from the Lord and built also false temples for his strange wives which burnt incense and sacrificed unto false gods. It was the Lord God who stirred up an adversary unto Solomon. How much weaker are the spiritual edifices which each of us constructs this day?

When we become embroiled in the issues of our past and struggle in the worldly political throes of our temple association, we are not unlike our ancient and honorable brethren; yet, we have their mistakes to learn from. Their path led to destruction. Whenever discord arises within these tyled doors my brothers, we must struggle to understand that the trouble with "them" is the trouble with us.

The profane often question the secrecy of masonry. My brothers music is a secret to the deaf mute; mathematics a secret from the ignorant; philosophy a secret from the unscholarly mind; and freemasonry from the uninitiated. It gives me pause however when I see that freemasonry is still a secret from some who call themselves masons. Freemasonry opens its doors to all men, regardless of religious conviction. The essential requirements are an avowed belief in God and in immortality of the soul. The belief that our spirit does

not die is the "secret" of a master mason. Each of us strives to prepare our soul for "that spiritual building, that house not made with hands, eternal in the heavens." Freemasonry is non-sectarian; all theological discussion is prohibited in its lodges and its membership includes men of many different religious denominations. Freemasonry is neither a church nor a substitute for church.

Brethren, sociological studies show that, once again, people are seeking social intercourse by joining organizations. We must realize however, that freemasonry competes with odd fellows (although we have our share!), rotarians, lions, elks, moose, civic and professional associations, telvision and sporting events to name only a few. I firmly believe that the lessons and work of freemasonry, the beauty which comes from our symbollically and allegorically presented degree work should be our primary emphasis. My fellow officers, this means that your commitment to Lexington Lodge #1 F. and A. M. during 1984 will be far greater than required in recent years. My goal is a Lexington Lodge #1 which is known as a friendly place to meet and observe the beautiful lessons of freemasonry well presented.

A brother possessing full measure of the wisdom of Solomon recently explained to me his discovery of the definition of a cowan. A cowan is a mason who works without mortar. What edifice can stand without mortar? More especially one whose mortar is the cement of brotherly love and affection. Brethren, I would paraphrase a story from Charles Dickens, an author whose classic stories often hint that he was indeed a freemason: "Our dear mother (lodge), Heaven rest her soul. She was living when these long tasks began, and bade us, when she should be no more, ply them in all discretion and cheerfulness during our leisure hours (remember brethren the lesson of our 24 inch gauge). If in harmless mirth... we passed these hours together, they would prove the happiest and most peaceful of our lives, and that if, in later years, we went forth into the world and mingled with its cares and trials; if, allured by its temptations and dazzled by its glitter, we ever forgot that love and duty which should bind us in holy ties, the children of one loved parent; a glance at the old work of our common youth would awaken good thoughts of by-gone days and soften our hearts to affection and love (1)." A fine description of our masonic rituals.

Brethren, together we have witnessed a string of masters who have applied themes or titles to their coming year in the east. I have selected the theme "a year of confrontation." The time is long overdue to confront the divisive issues of our past and to move forward to confront the combined challenges of growth and the spreading of our mortar in a society of many distractions. The confrontations which I envision may be amicable or not, as shall be dictated at the time. Understand however, that we are obligated <u>equally</u> to one another and must be prepared to openly confront issues on the floor of this lodge. We shall confine our zeal to issues not personalities; merit not motive; consequence not glory; and fact rather than feeling.

I approach 1984 willing and able to take the leadership role in this lodge. Perhaps it could be instructive to consider leadership and how it comes about. A leader must be of good will toward associates, ethical in personal relationships, charitable toward those in need and honest in approaching problems. A leader, of necessity, is moderate, <u>but</u> fearless in the face of adversity. Diplomacy, fairness and toleration mark leadership. Ego control and a recognition of human limitations are essential. A leader cannot materially err while relying on Divine guidance for strength and wisdom. Masonry traditionally teaches friendship, morality, brotherly love, relief, truth, restraint, fortitude, prudence, justice and reverence. It naturally follows that the craft can instill these qulities of leadership on those who will accept and <u>practice</u> its fundamental principles. The direction of the oriental chair can come equally from the practice of freemasonry by the assembled brethren and the Light which rests upon our sacred altar.

Let us conduct our business remembering that at each closing we meet upon the level, pledged to act upon the plumb and part upon the square. Our ancient brethren served their masters with freedom, fervency and zeal. Let us disagree zealously while keeping in mind the greater good of the order and loving one another.

His will be done, His peace rest with each of us. Brethren let us go forward and confront the future of Lexington Lodge #1 Free and Accepted Masons.

1. Dickens, Charles. 1983. Nicholas Nickleby. Bantam Books, New York, NY.

2. Lewinski, R. J. 1961. What is Freemasonry? The Masonic Service Association, Silver Spring, MD.

My brothers, upon reaching this position, it would be easy to dwell upon the individual aspect of its attainment. But that would be a mistake, for this is not a singular achievement, but rather a group effort. The limits of time will not allow me to mention all who have guided me in this journey through the chairs. However, I would be remiss if I did not mention a few.

First, Brother Thomas A. Davis -- Brother Tom initially signed my petition to receive the three degrees of masonry, and got me started along the way.

Next, Brother Richard Russell, P.M. -- Brother Richard appointed me to my first chair and has always been available for help and guidance. I hope to prove worthy of his confidence.

Next Brother Raymond L. O'Neal P.M. - Brother Ray's support has been unwavering through the good time as well as the difficult.

And, finally, Brother James H. Baxter, P.M. -- I am certain that few realize the vast amount of time and effort that Brother Jim devotes to this Lodge and to its line officers. His efforts and knowledge have guided myself and many others. Without the help of these brothers and many more just like them, I would not be in this chair tonight. Truly, this process is Masonry at work at its best.

Those of us who attended our recent Past Masters' Dinner were honored to hear our Grand Master speak on the problem of declining membership in our Grand Lodge as well as the

interrelationship of this problem with our Lodge. My apologies to the Grand Master for paraphrasing him, but it seems that Masonic membership in our state is down and Lexington Lodge No. 1 has the dubious distinction of leading in this decline.

The reasons for this decline are numerous and well known. Membership in fraternal organizations in general is down across the land. The demands on time of our prospective new members are numerous. Family, church, business, leisure-time activities, T.V. all take their toll.

We here at Lexington Lodge No. 1 are faced with these problems as well as a membership with an advanced average age, in addition to a Lodge building and location that seem to stiffle growth.

That states the obvious. The soltion is much less obvious. If, indeed, there is a solution, it is not a short-term, but rather a long-term one. There is no Quick Fix! We cannot change society and our style of life overnight. Only time, new members, and the mortality tables will change our membership's average age. It appears to be impracticable to move the location of our Lodge until the properties sell. That mandate was given to the Masonic Temple Association by the various bodies sometime ago. The only solution that I see is the same one that has been available to Masons for centuries. We must be better Masons. The light of Masonry was designed to be spread by example, not by advertisement -- by word of mouth -- not by T.V.

This is a slow process, but it is a sure one. The science of

Masonry and its methods have indured for centuries, and if adhered to will indure for many more. I challenge you Brothers to live your lives by the Masonic principles. Wear your Masonry and its emblems proudly. Be quick to answer questions and encourage those showing interest. In short, keep the faith. If you do these things and continue to do them, Masonry will prosper in the Bluegrass and all over the state. After all, it is not the quantity of Masons that matters, but rather the quality of Masonry.

I can assure you that your officers will not be complacent this year. We will be visiting Lodges more. We are working on the plans for some special activities already. I will be announcing the details of these very soon.We are dedicated to

working to improve all degree work. I have talked with many of you about our new Degree Team and am very encouraged and excited about its prospects.

My Brothers, I am sure that with your help, 1985 will be a banner year for Lexington Lodge No. 1.

Let's pull together and work for the improvement of our Lodge. In so doing, Masonry will be fun and rewarding for all.
