Lexington Lodge No 1 The following order to be recorded

"Office of the Grand Master, Maysville Ky 27 January 1862, To the Master Wardens &
"Brethren of Lexington Lodge No 1. By a resolution of the Grand Lodge of Kentucky (see
"printed proceedings Page 28.30) I am required to reprimand your Lodge for inaccuracies in it's
"returns of last year. I know not how better to discharge this unpleasant duty, than to refer
"you to the report of the Comm^t on Returns, which immediately precedes the resolution. It not only
"points out the defects complained of to some extent, but also indicates the manner in which they may
"be avoided in future, It also together with the resolution itself, should inflict, as they doubtless
"will, a more fitting and effectual reprimand, than any strictures of mine could possibly convey.
"you will be careful to observe the recommendations of the Comm^t and require your Secty, to pay strict
"attention, to the instructions of the Grand Secty. You will thus avoid the errors which marred your
"last returns, and save my successor, the pains of sending and yourselves the mortification
"of receiving, any further communications of this nature. The resolution directs that
"I shall require you to spread this reprimand, upon the Record Book of your Lodge.
"You will therefore govern yourselves accordingly.

"I am fraternally yours

The following Preamble and
Resolutions were offered and adopted
Whereas it has been a source of deep pain
and mortification to many members of our
beloved Order that at many of our
members have for several years past clerely

manifested no inclination or desire to turnout in procession to pay the last tribute of respect to the memory of a departed brother – a regulation that has existed in our order from time immemorial – and whereas it is clearly the duty of all master Masons in good standing to unite on all such occasions (unless excused) – Your Committee are clearly of the opinion that something should be done at once to remedy the evil so that the dignity and usefulness of our order may not be impaired

Your committee would therefore beg leave to offer the following Resolutions for the consideration of respective lodges

Resolved – that on the death of a brother Master Mason of good standing in either of our lodges in the City of Lexington and it being at the request of the brother or his relatives that the said brother should be interred with masonic honors the Worshipful Master of the lodge to which the brother belonged shal notify the Masters of the different – of the death of the brother – who will direct their Secretaries to issue a summons to each member to meet at the time and place to attend the funeral of the deceased brother.

Resolved that after the procession has been formed – and taken up the line of march it will be considered highly improper and unmasonic for any brother to leave the procession either going to or returning from place of destination without leave the Worshipful Master or the Marshall

Resolved – that in all Masonic processions in our city the different masonic lodges shall unite, and make it a common cause which will tend greatly to increase and add to the dignity of our procession

On motion it was resolved that a copy of the above preamble and Resolutions be furnished the committees of the different lodges, and request their adoption by the said lodges, and be spread upon the minutes. All of which is respectfully submitted

J D Trapp Sec D. Warren Chm

Report of the Committee on Titles Property

To the W Master Wardens Brethren of Lexington Lodge No 1 — Brethren Your Committee to whomb was refered all Matters under Controversy — respecting the Legal Title to the Property Known as the Masonic Buildings & Ground would respectfully ask leave to submit the following — 1st we have carefully examined the 3 Deeds and procured a Certified Copy of each for the use and benefit of this Lodge which are herewith enclosed and a copy of each attached in the back of this Record Book —

Your Committee have also examined the Charter granted to the Grand Lodge by the Commonwealth of Ky at its session of 1840 & 1841 which is as follows

Preamble to the Act of Incorporation of Grand Lodge 1840 & 1841

An act to incorporate the Grand Lodge of Ky

Whereas, the Grand Lodge of Ky has procured, in the City of Lexington, a lot of ground on which to erect a grand Hall, for the purpose of holding its Meetings, and to accommodate its subordinate Lodges, and other Masonic bodies in said City; and is also desirous to procure and hold such — Halls and their appurtenances, in other parts of the State, &c

Section 2nd Be it further enacted, That said Grand Lodge

thus incorporated, may purchase, or receive, by gift or otherwise, the lot of ground in the city of Lexington on which a Grand Hall is now being erected, and hold the same in fee simple, to be used only for Masonic and benevolent purposes. See Page 155 Chapter 164 of Preamble & section 2 - - Your Committee alsoe refer you to the Proceedings of the Grand Lodge at its 46 Grand Communication of August 27 to the 29 in the year 1838 see Bob Morris Book Page 339 Article 4 - and is in the words following (To wit)

Proceedings of Grand Lodge 1838

The Committee shall, previously to = making any Contract procure from the subordinate Lodges in Lexington, and the R. A. Chapter in said city, a relenquishment in full of all claims they may hold against this Grand Lodge, for loans or advances heretofore made to it, to aid in the erection or completion of the late Grand Hall = and in the event of a failure therein, to suspend any further action until the next anual convocation. In the event of such relinquishment being made, said Lodges and Chapter shall be assured in a suitable manner, in the use of proper apartments in said Grand Hall in perpetuity, so as that such use shall not interfere with the enjoyment of said Hall by this Grand Lodge.

Your Committee alsoe refers you to Brots H Wingate D Carroll and Jos H Davies who had been appointed a committee at a previous meeting of the Grand Lodge to investigate the titles to all Property held or claimed by the said Grand Lodge & whose Report was presented and concured in at its = session of 1846 on the 3rd day of September see Page 40 and is in the following words (To wit)

Proceedings of Grand Lodge 1846

The Grand Masonic Hall has already cost some = thing over $24.000. and all we have to show for this large expenditure of money is a lease in perpetuity, and right of occupancy in the great hall, basement story and lot; and this, by the terms of the Deed, is to revert to = Lexington Lodge No 1, whenever this Grand Lodge ceases to hold its Anual Communications in the city of Lexington

Building Cost $24.000

By Whom Building was Occupied

The Grand Lodge held its first session in this Hall in 1841; since which time, all the repairs and improvements that have been made have been done at the expense of this body. Brother Richardson has occupied the basement story, rent free; being only required to take care of the property, which your Committee feel gratified in saying has been done with fidelity and Care. one wing of the building is occupied by Lexington Lodge No 1 and Lexington R A Chapter No 1; the other is occupied

by Daviess and Nelson Lodge No 22, and Webb Encampment No 1; and the Grand Chapter of Kentucky holds its Annual Communications in this Hall; making in all five Public bodies that occupy the same buildings, four of which in respect to time, as compared with the Grand Lodge may be set down as 12 is to 1. But supposing the use and occupancy of the Property to be equal among all the bodies named, it seems to your Committee that all necessary repairs ought to be made by the bodies Jointly, the Grand Lodge paying one sixth of the whole amount thereof.

Therefore your Committee having thus Carefully examined the Deeds aforesaid and the Charter togather with the proceedings of the Grand Lodge as refered to above are satisfyed that this Lodge; Nor the Grand Lodge of Kentucky Cannot, nor has the Power in Law to Convey or transfer the Property for any other than Masonic or benevolent Purposes-

Whereupon it was moved and seconded to receive the Report and discharge the Committee which was Concured in.

Whereas the terms of contract between Lexington Lodge No 1. and the Grand Lodge of Kentucky having, we think, been violated by the latter named body, regarding the sale, use and occupancy of these Grounds and Buildings; and

Whereas, The Grand Lodge of Kentucky obtained a Charter from the Commonwealth of Kentucky in year 1840'41 incorporating that Most W Grand Lodge of Ky the preamble of which, setting forth the reasons for incorporation, reads as follows:

Whereas, The Grand Lodge of Kentucky has procured in the city of Lexington, a lot of Ground on which to erect a Grand Hall, for the purpose of holding its meetings, and to accommodate its subordinate Lodges and other Masonic bodies in said City (an act of incorporation)

Whereas, the Grand Lodge of Kentucky, in violation, we think, of its pledged Masonic faith, to hold its meetings in this City, and in this house, and on these grounds, has, for many years past, left the Hall and Lot of ground, and moved elsewhere without the consent of this Lodge (Lexington No 1) and now holds its meetings in Louisville; these facts led many of us to believe that the property was obtained, deeds given, and promises made, by the Grand Lodge, that have not been complied with; therefore under all the circumstances, Lexington Lodge No 1 offers the following resolution, Viz:

Resolved,

That a committee consisting of the W M, and two Brethren he may appoint to act with him as delegate, be appointed from Lexington Lodge No 1, to invite Daviess Lodge No 22 and other sister Lodges in Lexington, and Fayette county, and elsewhere, to send not more than three delegates to meet with the same number from this No 1 Lodge, On Thursday evening September 17th in Lodge room in the Court house in this City, for the purpose of conferring together upon questions exceedingly important to this Lodge, to Daviess Lodge No 22 Lexington R A Chapter No 1, and Ky Commandery No 2 and for the welfare of the masonic fraternity in Eastern Kentucky.

Delegates Tipton Chipley & Chew

Brethren J. M. Tipton & W. S Chipley were appointed to act with the W M from this No 1 Lodge

Bro Broughton moved to lay the foregoing Preambles and Resolution on the table which motion being put to the Lodge was declared lost—

To the W Master Wardens & Brethren of Lex Lodge No 34 F & Masons — your committee to whom the accounts of Secty and Treas was submitted for settlement would most respectfully report that we have discharged the duty assigned us and ask leave to submit the following report as the result of their investigation — The Secretary has received on Degrees and dues from the 28th of Dec 1868 to this the 5th of January 1870 $470.62½ and has paid to W D Ware Treas as per receits the full amt received by him of $470.62

The Treasurer had on hand on the 28th day of December 1868 as per last annual settlement the sum of $344.72½ cts and he has received since from the Secty as per receits $470.62 cts making the Total receits with the amount on hand $795.39 cts and has paid out as per vouchers enclosed 433.50 cts leaving a balance in the Treasurers hands of $361.89 and there is the amt of dues unpaid $143.66 which leaves in cash & unpaid dues $505.55

We call special attention to the very large amount paid out by order of the Lodge during the past year of $433.50 cts and would recommend a more careful and rigid examination of all applications for charity and recommend that the Secty comply fully with the Bye Laws in the collection of the delinquent list now so unusually large — and in conclusion desire to say that the Secty and Treasurer both deserve the high commendation of this Lodge for the faithful and very satisfactory manner they have each discharged their duty as officers of this Lodge all of which is most respectfully submitted

The following are the Documents refered To on the preceding Page & ordered To be recorded

In Grand Lodge of Ky October 17th A D 1870 A L 5870 — on motion of Past Grand Master Swigert The following Resolution was adopted

Resolved that Lex Lodge No 1 be cited to appear before this Grand Lodge on the 3rd day of the present communication at 10 o'clock A M to show cause why the Charter of said Lodge shall not be arrested for neglecting and failing to Surrender to or make some Satisfactory arrangement with the Directors of the Masonic Widows & Orphans home for the Grand Lodge Property in Lexington heretofore donated by this Grand Lodge to that Institution

I John M S M Corkle Grand Secty of the Grand Lodge of Ky do hereby certify that the foregoing is a true Copy of a Resolution adopted by the Grand Lodge of Ky on the Day above Stated Witness my hand & the Seal of the Grand Lodge of Kentucky the date above written

J M S M Corkle
Grand Secretary

Louisville Ky oct 19th 1870

To the Most worshipful Grand Master & Brethren of the Grand Lodge of Ky

The representative of Lex Lodge No 1 in answer to the Citation of this Honorable body begs leave to Submit the following

The reasons that the Trustees of Lex Lodge No 1 refused to pay to the Masonic Widows & Orphans Home the Sum of Seven Thousand Dollars is that they believe that the title to

the Property vests in La Lodge No 1 & That what ever interest the Grand Lodge may have had in the Property was forfeited by the Grand Lodge ceasing to occupy the building for the purposes for which it was built — I have endeavored to get the Papers upon which we base our Claim but from the shortness of the time I have been unable to get them to present them to this Honorable Grand Lodge

We deny that we have ever refused to settle this matter on the contrary we are anxious for a speedy & definite Settlement

We also deny that we have ever thrown any obstacles in the way of any Sale of any right or title which the Masonic Widows & Orphans Home may have or the Grand Lodge may have had — It does not require the action of Lexington Lodge No 1 if She wants to sell her rights if She has any

owing to the shortness of the time & absence of a showing of all the facts I will ask that this worshipful Grand Lodge grant further time & that the matter may be laid over until the next meeting of the Grand Lodge when Lexington Lodge No 1 can present the case more fully to the Grand Lodge of Ky

Report of Trustes for 1870

Brethren your Trustes ask leave to submit the follo
wing report. We had hopes by this time to have
extinguished the debt of $102.50/100 remaining against
them at our last annual meeting and would have
done so & had the Property free from debt but the
recent storm that passed over our city tore off a
part of the roof which we had put on immediately
which leaves a balance due the Trustes as the follow
ing Statement of receipts & disbursements show

To Bal due Chairman as per Statement above	$102.50
To amt paid for roofing & repairs during year	75.15
To amt paid for Insurance on $10,000	75.00
	$252.65
Recieved in rents during the year	207.00
Balance due the Committee	$ 45.65

We would further state that we have carefully &
as we think prudently avoided every expenditure
of money with the hope of making the rents cover
the Insurance & all necessary repairs on the
Building to prevent Damage to same all of
which is most respectfully Submitted

Petition of Bright

The petition of I W Bright for the degrees was received accompanied with $20 and referred to a Committee of Bro Sawtell W H H McCardy & Curtis Bro Lipton Adams & Deaton entered also Br I I M Cardy — The Committee to investigate the charges preferred against Br W H H McCardy by Good Samaritan Lodge made their report as follows which was concurred in & ordered to be recorded

To the Worshipful Master Wardens & Brethren of Lex Lodge No 1

Brethren your Committee to whom was referred the charges against Br W H H McCardy for unmasonic conduct in obtaining a demit for Br I W Cannon while acting as Secty Pro Tem in Good Samaritan Lodge No 174 on the 2nd day of March 1871 clandestinely or illegally would respectfully represent that they have carefully considered the question & charges as made against our Brother by that Lodge & having examined a number of witnesses who were present at the granting of the Demit among whom was the then acting Master Bro I F Zimmerman whose written Statement Marked A is herewith made a part of this report we are sorry to say that we feel confident Good Samaritan Lodge has previously erred in the action they have taken by preferring the charges and has not observed the Golden rule to do unto others as we would have them do

Two of the Committee in the case of Br McCardy

Two of the Committee in the case of Bro McCauley viz Bro Fellow & Bro Barfield signed the report but Bro Hoover Stands Shoulder Arms Refuse to sign the report in the Book

unto us as there is no shown of evidence whatever of an intentional wrong on the part of Bro M Cauley as the acting Secty of said Lodge or in his making out the Demit - The Demit having been applied for in writing by Bro Cannon in open Lodge through the Secty pro Tem & granted. Therefore your committee would recommend that as the charges are not sustained by the evidence and on the contrary the Sec pro Tem Bro M Cauley acted properly & is guilty of no act unmasonicky That said charges be dismissed against Bro M Cauley & that there was no cause for such charge whatever -

The Lodge of M M was called from labor to refreshment a number of visiting Brethren entered - A Lodge of F C was opened Bro J Mills being desirous of being raised to the degree of a M M was examined in open Lodge as to his proficiency in the 2nd degree -
