The Grand Lodge of Kentucky, F. & A. M.

Office of the Grand Secretary,

Louisville, Ky., November 21, 1881.

To the Worshipful Master, Wardens and Brethren of Subordinate Lodges in Kentucky:

Dear Sir and Brothers:

At the eighty-second annual communication of the Grand Lodge of Kentucky, held in the city of Louisville, on the 18th, 19th and 20th days of October last, the following report and resolutions were adopted:

[See printed proceedings page 65, 66, 68 and 69.]

Your committee to whom was referred that portion of the Grand Master's report referring to the Widows and Orphans' Home and Infirmary, submit the following report, viz:

It is unnecessary for this committee to repeat here any history of the progress of the Home up to the present time, the Grand Master having in an able and condensed way, covered the ground. If however this should not be satisfactory, you have the printed report of the Directory for each year, the last of which is now before or within the reach of each member of this Grand Body.

From these reports it will be seen that every dollar contributed has been accounted for, and the institution conducted with the greatest economy and care.

It will be found, upon examining the report for the past year, that deducting supplies now on hand, the expense of the Home has been about 13,000, and the average beneficiaries about 135—an average of about twenty-seven cents each per day; and had it all been expended in feeding them alone, it would average about nine cents per meal each, but as all food consumed at the Home cost (less old barrels and hogs sold) $4,533—about nine cents per day or three cents per meal for each inmate—you will see how carefully the funds have been managed. But with all this economy in the management, the Board find it impossible to support the Home without assistance from this Grand Body, and,

Whereas. It has come to the knowledge of this committee that the Board of Directors of the Widows and Orphans' Home are compelled, in consequence of the want of means, to refuse many worthy applicants the benefits of that institution, the income for its support arising from the Endowment Fund being inadequate for the support of the number of beneficiaries already at the Home, your committee would recommend the adoption of the following resolutions, viz:

Resolved, That an assessment of fifty cents a year be levied upon the membership of this jurisdiction, from year to year, for the support of the Home, and that the funds arising from said assessments to be used for the support of the beneficiaries of said Home; provided, however, that any surplus arising therefrom shall be added to the Endowment of the Home.

Resolved, Further, that this assessment of fifty cents a year be collected from the members of the subordinate lodges as other dues are collected, and the amount paid over to the Grand Secretary in the same manner and at the same time that the dues of the subordinate lodges are paid; and no

Loose Item(s)

commission or compensation shall be allowed for the collection or payment of said assessment, and the receipt of the Grand Secrerary for said assessment shall be in full for the amount so paid; and all moneys collected on account of said assessment and paid over to the Grand Secretary, shall be paid by him to the Secretary of the Masonic Widows and Orphans' Home and Infirmary, taking his receipt for the same.

But no assessment shall be collected under this resolution until it shall have been approved, as the former assessment of one dollar was approved.

We are assured by the Directory that if this is adopted, they will be enabled to increase the beneficiaries fully fifty per cent. of the number now in the Home

Your committee again respectfully recommend the adoption of these resolutions:

Resolved, That the subordinate lodges are directed to take the vote upon the proposition just submitted to them, on the 27th of December next, or the day of the annual election, and the results shall be compared by Grand Secretary on the first of March, 1882; and that the Grand Secretary shall furnish each lodge with duplicate blanks suitable for taking the vote—one to be sent to Grand Secretary and one to be filed in archives of the lodge.

As required by the last resolution, I herewith hand you duplicate blanks upon which to record the vote of your Lodge—one of which please cause to be filed in the archives of the Lodge, and the other, properly attested, forwarded to me, in enclosed envelope, IMMEDIATELY after the vote has been taken.

Fraternally,

HIRAM BASSETT,
Grand Secretary.

Whereas on the 17th of January 1873 this Lodge on the motion of Bro E D Buckner adopted a resolution donating Three Thousand Dollars to the Masonic Widows & Orphans Home, on condition that the said Masonic Widows & Orphans Home & the Grand Lodge of Kentucky relinquish all claims which they had heretofore set up to the property, conveyed to this Lodge by William Murray in 1795

And Whereas this Lodge endeavored to procure the passage of an act of the General Assembly of this Commonwealth, permitting the sale of this property and a reinvestment of the fund arising therefrom in other property to be held on the same uses & trusts & subject to the same conditions & limitations as are declared in the deed of William Murray with reference to the property therein conveyed —

And Whereas the said Masonic Widows & Orphans Home, has not relinquished & does not relinquish —

her claims on said property, but has by the influence & exertions made by members of her directory prevented the passage of said act- and has prevented the granting by said General Assembly of a simple act- of incorporation to this Lodge -

Now therefore in view of this refusal aforesaid of the Masonic Widows & Orphans Home to relinquish her claims to said property and in view of the fact that said Home is now asserting a claim to ownership thereof, and in view of the gross injustice of said Home in preventing this Lodge from obtaining an act- of incorporation from the General Assembly of Kentucky -

Lexington Lodge No. 1.

At a called meeting of Lexington Lodge No. 1, A. F. A. M., held on the afternoon of August 31st, the undersigned were appointed a committee to draft suitable resolutions in regard to the death of Past Master John G. Yellman.

The following resolutions were reported and adopted:

WHEREAS, It has pleased Almighty God to remove from our Order, by death, our beloved brother and Past Master, John G. Yellman; and, whereas, this Lodge desires to place upon its record some expression of its sorrow, be it therefore

Resolved, That in the death of John G. Yellman our Order has sustained a great loss, our city a good and worthy citizen, and his family a kind father, a loving and faithful husband and a wise counsellor; that Masonry was truly exemplified in him, freely giving of that substance which an Allwise Providence had blessed him with; honest and upright in all of his earthly transactions, and devoted to the tenets and sacred mysteries of the Order he so truly and worthily served.

Resolved, That these resolutions be spread upon the minutes of this meeting; that they be published in the city papers and a copy of them sent to the bereaved family of our deceased brother, and that as a token of respect to his memory we wear the usual badge of mourning for thirty days.

+ Bro S D Buckner Chairman of the Board of Trustees presented the following synopsis of the controversy with the Grand Lodge & M W & G Home -

* The controversy between Lexington Lodge and the Grand Lodge and the Widows & Orphans Home is hereby settled. The Widows and Orphans Home & Grand Lodge are to confer with special warranty the "old Grand Lodge" situated on Walnut St in Lexington, to Lexington Lodge No 1, and in consideration thereof the Lexington Lodge is to guarantee the said Widows & Orphans Home $2750.00 out of the proceeds of sale of said property. A sale is to be made at as early a time as the eligible purchaser can be found & the $2750.00 of said is to be paid out of the first money collected from the sale. The Board holds certain notes claimed to be obligatory on Lex Lodge No 1 for $400.00 the validity of which is denied by said Lodge

* This property was sold in 1888 for $10,000 of which $2750 went to the Widows & Orphans Home as per the terms of the Compromise & the balance was paid to No 1. by separate notes - each a given amount. The last paid in 1894

J W C 12 2/5/33

Now it is a part of this compromise that said notes or debentures shall be valid and enforcable the Home will only ask payment of one half of them and will remit the balance. Warm 28th 1877 -

The action in the Supreme Circuit Court is to be retained on the docket for the purpose of having the bill closed up & putting the costs not on to be chargable to either the Grand Lodge or the Home.

Resolutions of Palmyra Lodge, No. 463. A. [illegible] death of W. Bro. Wm. Gardner, Honorary Member.

WHEREAS, It has pleased almighty God in his wise providence to remove from our midst (by death) our much beloved brother William B. Gardner, after a long masonic life. He having been made a mason in Lexington, Lodge No. 1 of Kentucky, in the year A. D. 1825, being over fifty-one years a workman of our beloved craft; also being one of our charter members, and by the provisions of our by-laws the last one of our Honorary members: Therefore,

Resolved, That our Lodge has lost another of its bright and shining lights, as well as a true and faithful member, one much esteemed by the brethern, neighbors and friends.

Resolved, That we deeply sympathize with his bereaved family and friends, and extend to them our heart-felt condolence.

Resolved, That in respect to the memory of our W. Brother that our charter and hall be draped in mourning for sixty days, and the brethern wear the usual badge of mourning.

SALOON KEEPING!

IMPORTANT.∴.DECISION.∴.OF.∴.THE.∴.GRAND.∴.MASTER.

GRAND LODGE OF KENTUCKY, F. & A. M.
LEXINGTON, KY., June 1, A. D. 1888, A. L. 5888.

To the Free and Accepted Masons of Kentucky:

Many questions having been presented to me, growing out of the action of Grand Lodge upon what is known as the "Saloon Keepers' Resolution," I am constrained to promulgate the following

DECISION:

Under the Constitution of this Grand Lodge, Art. I, Sec. 1, "It is the only true and legitimate source of Masonic authority subordinate lodges congregate under, by virtue of its dispensations and charters, and in it resides the power to enact laws and regulations for the government of the Craft; also to alter and repeal such laws and regulations, *preserving the ancient landmarks.*"

In accordance with the "American doctrine," as instanced in the case of Hiram Lodge No. 1, of Connecticut, a Grand Lodge can even abolish or change an "ancient landmark," and every lodge within its jurisdiction must obey its edict, but this must be done in a constitutional manner.

In Kentucky the duty of every Mason is to obey the "Constitution, laws and edicts" of the Grand Lodge—the Constitution being first-named and having pre-eminence.

Masonry is universal in its application, and, from its inception, has been free to all qualified men except atheists, idiots or lunatics and irreligious libertines. A law or edict to the contrary would change an "unwritten landmark," which, under its Constitution, the Grand Lodge of Kentucky is bound to preserve, and which every Freemason in Kentucky is likewise bound, under his solemn promise to support that Constitution, to assist in preserving.

Each lodge has an inalienable right to reject any candidate, with or without cause, whose admission would be disagreeable to any one of its members; but to prohibit men of any trade, calling, profession or political belief from becoming, or continuing to be, Masons, would violate a fundamental principle of the order, and, whether done by Grand Lodge or subordinate, would controvert our Constitution.

In 1886 Grand Lodge passed the following resolution (pages 66 and 68, proceedings):

"WHEREAS, The use of intoxicating liquors as a beverage is the greatest detriment to the growth and prosperity of the Masonic Fraternity: therefore,

"*Resolved*, That the business of saloon-keeping or selling as a beverage intoxicating liquors by the drink be deemed a Masonic offense and punishable as other offenses against Masonry."

This resolution, if operative, would expel from the order every saloon-

In accordance with the "American doctrine," as instanced in the case of Hiram Lodge No. 1, of Connecticut, a Grand Lodge can even abolish or change an "ancient landmark," and every lodge within its jurisdiction must obey its edict, but this must be done in a constitutional manner.

In Kentucky the duty of every Mason is to obey the "Constitution, laws and edicts" of the Grand Lodge—the Constitution being first-named and having pre-eminence.

Masonry is universal in its application, and, from its inception, has been free to all qualified men except atheists, idiots or lunatics and irreligious libertines. A law or edict to the contrary would change an "unwritten landmark," which, under its Constitution, the Grand Lodge of Kentucky is bound to preserve, and which every Freemason in Kentucky is likewise bound, under his solemn promise to support that Constitution, to assist in preserving.

"WHEREAS, The use of intoxicating liquors as a beverage is the greatest detriment to the growth and prosperity of the Masonic Fraternity: therefore,

Loose Item(s)

keeper who had honestly acquired its privileges, leaving him bound for life by all its obligations—"once a Mason always a Mason."

It would curtail the rights of subordinate lodges to select their own material, and compel them to expel men whom they might consider worthy and useful brothers.

It adjudges a class of brethren, already in good standing in their lodges, to be criminals, without the form of a trial.

It is provided (Art. XVI, Sec. 1) that "No clause of this Constitution shall be altered or done away, or any new one adopted, until the proposed alteration, amendment, *nullification*, etc., shall have been handed in and read to the Grand Lodge, regularly seconded, and remain one whole vacation for the consideration of subordinate lodges."

Article VI, Section 1, Item 7, also provides for "*A Committee on Jurisprudence*, to whom shall be referred all propositions to amend the Constitution and By-Laws of the Grand Lodge; they shall, at the same meeting at which said propositions are offered, report whether in their opinion the same ought to be submitted for the future consideration of the Grand Lodge. If so reported, then the said proposition shall lie over, as hereinafter provided in Article XVI."

The spirit as well as the letter of this law is plain. The intention is, that general rules for government of the Craft shall not be rashly enacted, to be as rashly changed or repealed at the next session of Grand Lodge. The Grand Lodge has the same right to decide that voting for a particular candidate or party is a Masonic offense as it has to attach criminality to any trade, calling or profession recognized as legitimate by the laws of the land. If it should do this at a single, hurried session harm would result.

The resolution mentioned herein was referred to the Committee on Jurisprudence, and reported back "without any recommendation thereon." It was at once voted on and adopted, without the year's delay required by law.

In view of these facts, my obligation to support the Constitution of this Grand Lodge compels me to declare the said resolution unconstitutional and void.

I do not decide its effect had it been passed according to the forms required by the Constitution.

Fraternally,

J. SOULE SMITH,

Grand Master of Masons.

Grand Secretary.

GRAND LODGE OF KENTUCKY,

F. & A. M.

LEXINGTON, KY., July 31, 1888.

To the Free and Accepted Masons of Kentucky:

It becomes my painful duty to announce to you the death of our venerable and learned brother,

P. G. M. ROB MORRIS,

Which occurred at his home in Lagrange, on the 31st day of July, 1888, after an illness of short duration, following years of ill health.

The fame of our eminent brother was not confined to our continent—he was a citizen of two hemispheres; for his learning and zeal made him known to Masons everywhere as a chieftain among the clans, a master builder among the workmen. His mark is upon the most beautiful stones of our Masonic edifice, and his designs remain upon our trestle board, for he both conceived and executed.

It is my order that this announcement be read in ever Lodge at its next regular meeting, that proper respect may be shown to the memory of our deceased brother until the Grand Lodge of Kentucky can, in ample form, testify ... iation of his many excellecies.

J. SOULE SMITH,
Grand Master.

To the Free and Accepted Masons of Kentucky:

"The prerogatives exercised by the Grand Master must *conform to and not violate* the provisions of the Constitution. It is not in the power of the M.·. W.·. THE GRAND MASTER directs me to "Require that it (the following letter) be read at the May meeting, before taking the vote on the proposition." H. B. GRANT, Gr. Sec.

GRAND LODGE OF KENTUCKY, F. & A. M.

OFFICE OF THE GRAND MASTER.

OAK GROVE, KY., March 24, 1892.

To the Masters, Wardens and Brethren of the Subordinate Lodges of Kentucky, Free and Accepted Masons:

In accordance with a resolution, adopted by the Grand Lodge of Kentucky at its last annual communication, each subordinate lodge within its jurisdiction will be called upon to vote at a regular meeting in the month of May, 1892, upon the proposition to increase the annual assessment for the benefit of the Masonic Widows and Orphans' Home from fifty cents to one dollar. The resolution requires that the vote on this proposition shall be recorded in the minutes of the respective lodges, *pro* and *con*, reported to the Grand Secretary and published in the Masonic Home Journal. An amendment to the resolution provides that in case the proposition carries each affiliated Mason in Kentucky shall receive the Home Journal without cost.

The Masonic Widows and Orphans' Home of Kentucky is the pride of every Mason in this jurisdiction, as it is the admiration of every visitor from other States and countries. It is a pioneer in the crystallization of Masonic benevolence, and has served as a pattern in the establishment of Homes in other jurisdictions.

There is not to-day in all Christendom a more beautiful charity.

THE GRAND MASTER directs me to "Require that it (the following letter) be read at the May meeting, before taking the vote on the proposition." H. B. GRANT, Gr. Sec.

Loose Item(s)

It is not a boon from wealth to want, but a Home in the tenderest and sweetest acceptation of that word. It has dried the tears of orphanage and hushed the wail of widowhood. Within its walls is heard no cry of hunger, no plaint of friendlessness.

It has done more to shed lustre upon Kentucky Masons, and to win golden opinions from all sorts of people for Masonry at large, than any other institution ever founded. It is not a place where sloth is encouraged. Its beneficiaries are taught that labor is a divine vocation. It has given an impulse to practical, enlightened, organized Masonic benevolence that has been felt arouud the world.

The Craft in Kentucky has learned with unfeigned regret that the income of our beloved Home is not large enough to enable it to reach that degree of usefulness of which it is capable. While it has done and is doing a great and noble work, it is not able to respond to all the calls that are made upon it. While it has over two hundred inmates, it has room for as many more, but it has not the means to feed, clothe, and educate them. Its devoted Board of Directors who, unselfishly, and without compensation other than that afforded by the consciousness of good deeds, have given their time and labor to this work, very properly declines to go into debt, and thereby risk the destruction of the great charity built up at such cost and sacrifice, and consecrated by so many prayers and tears. Its expenditures even now are in excess of its *fixed* income, the deficiency being made good by donations and the proceeds of the annual June celebrations. The amount of these is always incapable of being calculated in advance, a circumstance which is exceedingly embarrassing to the managment. The desire to strengthen the hands of the Directors, and to put it in their power fully to respond to the demands made upon them, has prompted brethren in all parts of the State to inaugurate a movement to increase the revenues of the Home. To make the annual assessment one dollar instead of fifty cents will add some $7,500 per annum to its income on the

Loose Item(s)

basis of the present membership. This will permit a great increase in the number of inmates, and will to that extent relieve the subordinate lodges of the burden of caring for them in other ways. It will extend the usefulness of this institution in a wonderful degree and place it at once upon a sound and solid foundation. It will enable the Directors of the Home to place therein a new set of boilers, pipes and fixtures, now become an absolute necessity. It will enable them to construct an additional fire escape for the better protection of the lives of the inmates. Should a fire occur at the Home and loss of life result from lack of means of escape, it would be a blot upon our Masonic escutcheon which coming time could not efface.

For the reasons given above and many more that time will not permit me to give, I cordially commend the increase of assessment to the favorable consideration of the Masons of Kentucky. It appears the surest, most direct, and cheapest method of making this noble institution the peer of any similar charity on the earth. For an additional contribution of fifty cents, each affiliated Mason will have his share in the glorious work of putting the Home upon an enduring basis. He will have the consciousness of duty well done. He will have the assurance that—though poverty and death should come to him, his widow and orphan children are not left homeless or friendless.

In addition to this he will receive the full value of his contribution in a material sense, in the fact that the Masonic Home Journal will be sent to him free of cost. He will thereby be brought in direct communication with the Home, and kept abreast of the currents of Masonic thought and action the world over.

Brethren, this magnificent Home is ours. It is a crown of honor to Freemasonry. Many of those who planned and planted it have gone to the celestial Home; the heads of many others are whitening for the grave. Upon a new generation rests the responsibility of sustaining, of cherishing, aye, of extending the great fabric which their

Loose Item(s)

fathers reared and loved. I can not believe that any Mason will fail to give this subject the most thoughtful and kindly consideration and vote upon it with a full sense of his responsibility.

I implore you, brethren, that you give this pittance to the Home. In the eyes of God it will be availing as was the mite of the widow. It will be bread cast upon the waters that may be seen and gathered after many days. Give it, not grudgingly, but tenderly, lovingly, mercifully.

"The quality of mercy is not strained,
It droppeth as the gentle rain from heaven
Upon the place beneath; it is twice blessed;
It blesseth him that gives and him that takes:
'Tis mightiest in the mightiest; it becomes
The throned monarch better than his crown;
It is an attribute to God himself."

Sincerely and fraternally,

Death of an Old Citizen.

Benj. Keiser, probably the oldest citizen of Lexington, died at his home on South Broadway, Tuesday, Jan. 22d, in the ninety-first year of his age. Mr. Keiser was a man of remarkable memory, and retained full possession of his intellect up to the time of his death. For years he has been regarded as the best authority on all questions arising in the history of the city for seventy years past. His funeral took place Thursday morning at 11 o'clock.

Resolutions of Respect.

At a regular meeting of Lexington Lodge No. 1 F. and A. M., held at their Lodge room in the Masonic building on Walnut Street, in Lexington, Ky., on the night of Friday, February 1st, 1884, the following resolutions were adopted:

WHEREAS, Brother Benjamin Keiser, a loved and venerated member of this Lodge, has been called from the scene of his earthly labors to a seat in that all-glorious, perfect, and celestial Lodge, where the Grand Architect of the universe presides; now therefore be it

Resolved, That while we rejoice with him that he has at last received the wages due him for his faithful labors, we can but contemplate with sorrow the loss which we have sustained. Generations of faithful craftsmen have come upon the scene of action to find him at his labor in the quarries; they have wrought beside him and passed into everlasting rest, leaving him still at labor. From the youngest entered apprentice in the northeast corner, to him who occupies the Oriental chair, we have all been cheered by his kind encouragement and made wiser by his counsels. With his death another link is broken that bound us to the time when the simple truths of Masonic teaching were best exemplified by the perfect workmanship presented by the craft. Friend, brother, overseer of the work, he has been called away, and a bright light has been extinguished on the altar of our brotherhood. With his loved ones we lament a loss grievous alike to them and us. With them we lay hold upon the evergreen and ever-living sprig of faith in the Lion of the tribe of Judah. With them we cherish a lively hope that we shall all be reunited to him in a state of existence where man can never, never, never die.

Resolved, That our Lodge be draped in mourning and the members wear the usual badge of sorrow for thirty days, and that the Secretary be directed to furnish a copy of these resolutions to the family of our deceased brother.

Resolutions on the Death of Dr. Dudley.

At the regular meeting of Lexington Lodge No. 1, F. and A. M., held July 4, 1884, the following members were appointed to draft suitable resolutions in regard to the death of Past Master, B. W. Dudley. The following resolutions were reported and adopted:

WHEREAS, It has pleased Almighty God, our Supreme Master, to remove from our Order by death, our beloved brother and Past Master, B. W. Dudley, and whereas this Lodge desires to place upon its records some expression of its sorrow, be it therefore,

Resolved, That in the death of B. W. Dudley our Order has sustained a great loss, our city a good and worthy citizen, the medical profession an eminent member, and his family a kind father, a loving and faithful husband and a wise councellor, that Masonry was truly exemplified in him freely giving of that substance which an Allwise Providence had blessed him with; honest and upright in all of his earthly transactions and devoted to the tenets and sacred mysteries of the Order he so truly and worthily served.

Resolved, That these resolutions be spread upon the minutes of this meeting; that they be published in the city papers and a copy of them sent to the bereaved family of our deceased brother, and that as a token of respect to his memory we drape the Lodge room in mourning and we wear the usual badge of mourning for thirty days.

Resolutions of Respect.

At a meeting of Lexington Lodge No. 1, Free and Accepted Masons, held yesterday, the following was adopted:

Whereas, the Supreme Rule of the Universe has seen fit to remove from our midst our esteemed friend and distinguished brother Garrett Davis Buckner, now be it

Resolved, That in the death of this zealous and faithful brother, Masonry at large and especially Lexington Lodge No. 1, suffers a severe and almost irreparable loss. Though our brother was not yet past the prime of life, he had been long a worker in the quarries of the mystic craft and produced many most finished specimens of his work. He had nobly won the most distinguished honors in our order, and had nobly worn them. Now that his tongue is silent and his hand is still, we will not cease to remember him, while our hearts are ever faithful to the great truths which our Order teaches. Though he be dead, yet shall we see the Acacia bloom at the head of his grave.

Resolved, That we tender, to his stricken widow and his orphaned children our deepest sympathy in their distress, and give them assurance that among his brothers around this sacred altar, they shall never look in vain for friends.

Resolved, That these resolutions be spread upon the minutes of the Lodge and a copy of them be furnished to the family of our deceased brother and to the papers of the city for publication.

Resolutions of Sympathy.

At a meeting of Lexington Lodge No. 1 F. and A. M. held at Masonic Hall on Friday evening, December 17th, 1886 the following resolutions were adopted:

In the death of Charles W. Kimbrough this lodge has lost a most worthy brother—one who had endeared himself to us by his uniform, polite, and courteous intercourse, and commanded our confidence and esteem by his honorable and manly conduct in every relation of life.

We extend to his bereaved family our sincere sympathy, and trust that this expression of our sorrow may tend to mitigate the crushing blow that has fallen upon them.

That these resolutions be spread upon the records of the lodge, printed in the daily papers, and a copy transmitted to his family.

Resolutions of Respect.

At a meeting of Lexington Lodge No. 1, Free and Accepted Masons, held yesterday, the following was adopted:

Whereas, the Supreme Rule of the Universe has seen fit to remove from our midst our esteemed friend and distinguished brother Garrett Davis Buckner, now be it

Resolved, That in the death of this zealous and faithful brother, Masonry at large and especially Lexington Lodge No. 1, suffers a severe and almost irreparable loss. Though our brother was not yet past the prime of life, he had been long a worker in the quarries of the mystic craft and produced many most finished specimens of his work. He had nobly won the most distinguished honors in our order, and had nobly worn them. Now that his tongue is silent and his hand is still, we will not cease to remember him, while our hearts are ever faithful to the great truths which our Order teaches. Though he be dead, yet shall we see the Acacia bloom at the head of his grave.

Resolved, That we tender, to his stricken widow and his orphaned children our deepest sympathy in their distress, and give them assurance that among his brothers around this sacred altar, they shall never look in vain for friends.

Resolved, That these resolutions be spread upon the minutes of the Lodge and a copy of them be furnished to the family of our deceased brother and to the papers of the city for publication.

A GREAT MASONIC EVENT.

The Annual Election in the Lexington Lodges Followed by a Public Installation and Delightful Banquet.

The two Masonic Lodges of Lexington held their election last night, the attendance being good. It was necessary for them both to meet in the same room in Odd Fellows Temple and by arrangement Devotion Lodge No. 160 met first and elected the following officers:

Henry Loevenhart, W. M.; J. T. Uppington, Senior Warden; Julius Marks, Junior Warden; David Zimmerman, Secretary; J. M. Beasley, Treasurer; T. A. Hornsey, Senior Deacon; H. A. White, Junior Deacon; John W. Myers Tyler.

Lexington Lodge No. 1 was then opened and the following officers were elected:

J. T. Slade, W. M.; J. M. Daff, Senior Warden; S. R. Zinn, Junior Warden; J. W. Lancaster, Sec.; H. H. Barnes, Treas.; J. P. Moore, Senior Deacon; A. I. Totten, Junior Deacon; F. A. Harrison, Tyler. The Lodges were formed by the presence of Grand Master of Kentucky, Messrs. J. Soule Smith; Grand Senior Warden, Charles W. Fisk, and Past Grand Master, W. Larue Thomas. The Grand Master requested Past Grand Master Thomas to officially install the newly-elected officers, which he did, appointing for the occasion Charles W. Fisk, Grand Marshall, and D. E. Caldwell, Asst. The Lodges had met in the small room in the rear, but when Bethesda Encampment, I. O. O. F., had concluded its session in the large room its officers invited the two bodies into that room where the public inrtallation took place, being witnessed by a number of Odd Fellows.

After the installation about forty Masons repaired to Jno. W. Lell's where a magnificent banquet was spread by that prince of caterers Mr. Lell. The menu was elaborate. and was discussed with lively interest. There came the impromptu toasts, Grand Master Smith presiding, as Toast Master. The toasts were to Past Grand Master Thomas; Grand Junior Warden, Fisk. The newly installed Masters Messrs. Loevenhart and Slade, the retiring Masters Davidson and Caldwell, and their Grand Master Smith was called. After these toasts were aimed at a score or more and the evening was spent most delightfully. Mixed with the merriment was a great deal of good advice as to the needs of Masonry in Lexington, and all most heartily pledged themselves to do all in their power to promote the growth of the Order in Lexington. Near the hour of midnight Grand Master Smith proposed the toast to the memory of Masons who have passed over the river to rest in the shade of the tree of eternal life, alluding in touching terms to that prince among men the late Dr. Buckner. The toast was drank standing and in silence; and then with, the Masonic benediction the brethren seperated. It was pronounced by all one of the most delightful and profitable events that has ever occurred in Lexington.

Dear Sir Bro

Enclosed please find check for

$63 in payment of expenses incurred by your Lodge in forwarding remains of Bro Hamner (Member of Ohr Lodge Nr 131) to his friends at Frederick Md

Please accept the thanks of this Lodge for the care and attention given to our deceased bro and the promptness in forwarding remains to his home for burial

I am directed by the W M Bro Gephart to say that he was informed that Bro Hamner as agent for the Union News Co at Lexington Ky had as deposit with the Co the sum of $80 as a guarantee bond.

That his accounts were checked up previous to his death which showed a shortage of twelve Dollars leaving a balance to his credit $68 will you kindly see if the $63 we pay can be collected from the News Co and advise us of result We ask only square business transactions and if Bro Hamners effects will pay his funeral expenses We consider it no more than just that we should not be taxed therewith
