Resolutions on the Death
Of Brother James R. Howard.

Resolved, That it is with unfeigned sorrow that Lexington Lodge No. 1, F. & A. M., learns of the death of Brother James R. Howard

Born in Cumberland county, Kentucky, September 1, 1838, his long, most honorable, and useful life ended at his home in Lexington June 30, 1925, at 6:30 o'clock p. m.

Our deceased Brother became a member of this Lodge by demit in March 1916, having previously been a member of Warren Lodge No. 53, of Harrodsburg, Ky., now defunct.

Distinguished as a soldier in the Civil War,--in which he served as a Captain in the Union Army,--and for many years eminent in the affairs of the Grand Army of the Republic in Kentucky, both local and State; prominent as a business man in Lexington for about forty years or more, including a term as Postmaster; he was, above all, a devoted and untiring servant of the Lord, God Almighty, maintaining an active interest in church work till the day of his death. A friend has written of him that he was "a life-long member of the Baptist church" and "an active member of the First Baptist church for 47 years," though at the time of his demise he was a deacon in the Calvary Baptist church.

Surely, he has worn his lambskin apron unspotted before the world and has gained admission into that celestial lodge above where he shall rest from his labors and be at peace forever.

Resolved, That this Lodge extends its sympathy to the bereaved wife and sister, with the hope that God, who doeth all things well, may in His own way and time assuage their grief.

Resolved, That a copy of these Resolutions be entered upon our Records and a copy also be sent to the widow of our deceased Brother.

The Worshipful Master,
Wardens, and Brethren,
Lexington Lodge No. 1, F. & A. M.

Dear Brothers and Friends:

I expected to be with you in person tonight, but the illness of my wife prevents. So, I take this means of thanking you for my share of the handsome sugar and cream set you sent us on our Golden Wedding anniversary, and to let you know, so well as I can, how very much we appreciate the kindly wish that accompanied it,—that you hoped we might "live long and continue spreading sunshine in our midst."

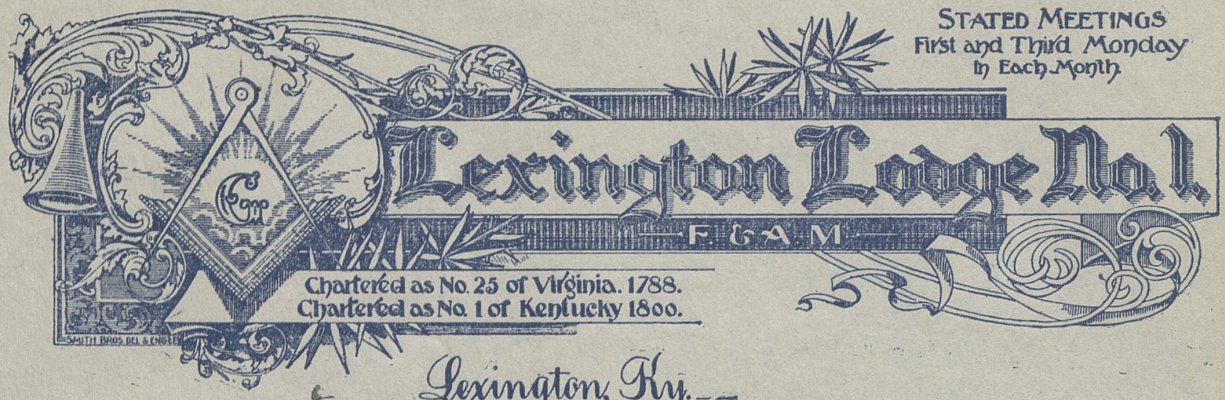

That my beloved and loving wife spreads sunshine is beyond question, but I fear that to include me with her in that respect is rather a kindly wish to please a brother than an exact statement of simple fact. The sunshine of friendship and brotherhood has shone on me constantly and abundantly since I was made a Mason in Lexington No. 1, and I would be happy indeed if I could confidently feel that I have contributed in a worthy measure to your own happiness.

I realize that I am growing old, as the life of man is measured in years, but thanks to Masonry and the good will of my young brothers, who have always allowed me to stand on a level with them socially as well as masonically, my heart is still young and happy, and this expression of your regard for me and mine assures me that so it will continue to be until the spinning of years has, for me, come to an end.

Affectionately,

C. J. Norwood

My wife tells me that she has already thanked you for her "share." Well, what is mine is hers, and, in this instance, what is hers is mine; so we will both enjoy your gift daily—for so it will be used for the remainder of our lives—as if each owned it all.

Lexington, Ky.—

Worshipful Master:

I move you that a committee be appointed to arrange a reception in honor of the Grand Master of the state Rev. J. Allison Holland.

REPORT OF THE COMMITTEE ON THE EDUCATION OF ANDREW CHRISTIAN

****

In April 1924 Lexington Lodge No. 1 agreed to assist in the education of Andrew Christian, son of Brother J. T. Christian deceased. Mrs. Christian and her two boys now live in Pittsburgh.

The following resolutions relating to this matter were presented by a committee composed of Brothers C. J. Norwood, D. V. Terrell and W. E. Freeman.

1. Resolved, That a Committee be appointed by the Master to take charge of the education of Andrew Christian.

2. Resolved, That, for a period of two years, this Lodge appropriate twenty dollars a month, (that is, two hundred and forty dollars per annum, payable monthly), to meet the expenses of his education, and that said contribution begin with January 1st, 1924.

3. Resolved, That, before the expiration of the two years the matter of continuing his education shall be presented to the Lodge for further consideration.

These resolutions were passed and money appropriated has been paid to Mrs. Christian. During the two years the committee has keep in close touch with her. The following correspondence should be interesting to the lodge.

(Read several letters from Mrs. Christian and correspondence with John Grabe.)

This correspondence reveals the fact that Mrs. Christian is in bad health; that her older son has had a long and expensive illness, still being unable to work, and that the younger son in whose education we have been assisting is doing well in school, our money, therefore, being fruitful in accomplishing the purpose for which it has been given. We, therefore, offer the following resolutions:

1. That the committee appointed to supervise the education of Andrew Christian be continued.

2. That the sum of three hundred and sixty dollars ($360.00) (payable in twelve (12) monthly installments of thirty dollars ($30.00) be appropriated to assist Mrs. Christian in the education of her son during the year of 1926.

3. That before the expiration of the year the matter of continuing this assistance be presented to the lodge for further consideration

REPORT OF COMMITTEE ON THE

MRS. J. T. CHRISTIAN APPROPRIATION

This committee was appointed to ascertain the condition of the lodge's finances and to determine whether we could afford to make an allowance of thirty dollars ($30.00) a month for the assistance of Mrs. J. T. Christian, widow of Brother J. T. Christian, in the education of her son Andrew Christian.

Your committee finds that at the present time there is about one thousand one hundred dollars ($1,100.00) in our treasury and it seems certain that there will be a balance on hand at the end of the year. This balance will probably be something less than at the beginning of the year, but with the entrance fees and dues coming in from time to time during the year of 1926 it is our opinion that there will be sufficient funds to make an appropriation for this purpose. However, we believe that the amount for the coming year should not exceed that which has been furnished Mrs. Christian during the past, so we recommend that the appropriation, if any, be twenty dollars ($20.00) a month rather than thirty dollars ($30.00) a month.

TO THE MASTER WARDEN & BRETHERN:

Complying with resolution passed by your lodge Dec. 28th as follows: "RESOLVED- That the Master of Lexington Lodge #1, or at his request, the members of Lexington Lodge #1, to request the President of the Masonic Temple Association for a report on the financial standing between Lexington Lodge #1 and the Masonic Temple Association." and confirming verbal report made January 4th., 1926; the following is the exact status of the financial standing between Lexington Lodge #1 and the Masonic Temple Association, Inc.

The Masonic Temple Association, Inc. owes Lexington Lodge #1 $ 6,000.00. This indebtedness is evidenced by promissory negotiable notes secured by mortgages on the property. Said mortgages are duly recorded in the office of the Clerk of the Fayette County Court. One note is recorded covering an indebtedness of $ 3,000.00. As to the other $3,000.00, we have had the Masonic Home Trustees send power of attorney to us and proper transfer has been made to the Trustees of Lexington Lodge #1 in the Clerk's office.

The Masonic Temple Board estimates the Temple and contents to be worth about $ 75,000.00. Our capital stock is only $ 15,000.00. Lexington Lodge #1 owns eight of the fifteen shares so, therefore, Lexington Lodge holdings in the Temple Association are worth now approximately $40,000.00.

All the stock of the Masonic Temple Association is and can only be held by the Masonic bodies of Lexington. The total indebtedness now outstanding against the Association is $10,000; $ 6,000.00 held by Lexington Lodge #1 and $ 4,000.00 by Webb Commandery #2. We have no outside obligations. Our entire indebtedness being held by our stock holders.

Fraternally yours,

MASONIC TEMPLE ASSOCIATION.
