TO ASCERTAIN THE LENGTH OF THE DAY AND NIGHT.

At any time of the year add 12 hours to the time of the sun's setting, and from the sum subtract the time of rising for the length of the day. Subtract the time of setting from 12 hours, and to the remainder add the time of rising next morning for the length of the night. These rules are equally true for apparent time.

MONDAY, JANUARY 1, 1877.

Another New Year dawns upon us.
May. I, Allen, Edward and myself sat up to
watch & to welcome its advent - a
few moments before twelve one bell in Co
lington as if to take time by the fore
lock commended its peal - & within five or
seven minutes the grand choral peal
of the bells in St. Paul's & Longton with
rumbalby discharges of fire arms an
nounced that 1876 had passed away &
1877 was upon us. We congratulated
each other with a "Happy New Year" & retired.
The morning is cloudy. The prospect of
snow - altho the ground is now covered
to the amount of six inches - & all the
ways are beds of ice - we had frozen - &
a good frost. It is quite the
year fly? I pray God for strength to look
forward - not back ward. Mr. Winton
quite unusual & in a precarious condi
tion. Mr. Elliott Pendleton sent his ca
riage for me to go to Dept. Had three
muleys of three different breeds - Both
Mayville, 13 and 14 Central. Both the
Pendletons, Earl & Mrs. Barker & Mrs. - Mr
Elliott Pendleton brought me home. 9 o'clock
Pendleton went to work & soon found my
Sister. I called & saw her. Pendletons stand
until 3 o'clock. Arranging with me 10 o'clock
compensation to Mr. Earl - I could not see Mr
Mr. Earl & Mr. Dwyer called. Mr. Grant told
me what he had heard from Bala & Woodmont
I thought as to my father in Electoral College.
Edward & John Dwyer went to Mr. Hughes
and twenty five minutes - then to Mr. Earl -
then to Mrs. Winton. Mr. Sparrow & Mrs. Keith
saw Miss Brock. Came home. Dinner. Judith
receiving at Mr. Ball's. Jeff Phelps came in -
I called on Mr. Ball's to see Mrs. Winton who
is still here. I called Edward May & Allen played
2 p.m. - I read letters from Mrs. Ayall - Mr. W. W. Winton
Mr. Ball - Poor Goughly slept all day long - Othello bright
with back at 10 - Prayer. & retired.

TUESDAY, JANUARY 2, 1877.

I arose after 8. - ~~Came down~~ ^{prayer}
+ breakfast. Still very cold - terrible
snow storm in the East - nothing like it
since 1867. as to depth of snow - Political
complexion was unfavorable to
Field - Sofa given up by Sayer H.
to Hays. Florida virtually gone &
Louis - all the cabinet for Field - mixed
by a Committee. I shall find myself
latterly & unusual. I have not
walked as I ought after so much
medicine. Mrs Wenden explained all
& at Thacker told John that she might
go off at any moment. "One by one
the leaves fall" - !

WEDNESDAY, JANUARY 3, 1877.

I got up at 7-7 - Very cold - of the
snow - Everything frozen up. Came down
at 8 o'clock. Prayers & breakfast.
An intensely cold morning - My
disposition still continuing - I wrote
a very long letter to Rev W W
Williams - I enclosed him a check
on Wm Low down \$50 for new rent.
I wrote also to Harry and \$50. Tell them
I thought one of the four had better come
out on 30 Jan - An intensely cold
day - No new developments in
Wash - Mr Russell told Tom that
he saw Back in ~~Washington~~ ^{London} - &
the Committee was called to let me
down lightly. At two o'clock went
over in the carriage with Schell to
see - Dr. to Dr. Barlow - he was
out - Stopped at Dr. & bought some quail.
Went to Muller & R. and by - Mary
joined us - She bought a lovely dark fl
eyebrow Doller. I thought two chairs at 40¢
and a Cabinet at \$200 - Am to pay
nothing for the chair made & returned.
Went to Schultz - I asked for my bill
not ready - Saw table cloth at 80¢
We drove to New Pat. Very slippery &
the horses not rough shoes - Saw Mrs
Winton - she was sitting up - Very much
changed but better than I expected - all her
organs congested. Mind wandering. Saller w
not come over with us - We came home
I am - I ate simply a quail - Schell deadfully
disturbed about his mother - I'm sorry today - And
all - Molly flying - I wrote to Mr G. - cordially
with her & tell her Baldwin had from the rich
fortune - Saller came from New Pat & I
that his supper saved for him - Prayers & retired
at 11-10 -

THURSDAY, JANUARY 4, 1877.

I arose at half past 7 - Dressed
cloudy & snowy - Prayers &
breakfast - John & Edward off.
Paper filled with embroyles with
young Jordan Bennett & his off
in in Miss May - Bennett's bad behavior
& fight with young May. The form
vintler in Washington an Electoral
Court have not agreed. Two legals
lives in Lou^a. Judth went to her
grand mother. Many who sat up all
night with her reported her worse
It was May. Died at 7 o'clock this
morning of pneumonia. Judth re-
turned saying her grand mother was dy-
ing & almost all went over but
myself - Received a letter from
Mr. Adolphus B. Reed. asking about the
enigma & answered it. Received a postcard
from Mrs. Gundry saying she would go to her
husband - I wrote to him. Paid Mr.
Schultz to Mr. Holler \$60.25. I telegraphed
Mrs. Chellabam at Columbus Georgia as
to her mother condition. Geo. H. Pendleton
called & had a long talk over politics &
some special compensation. Grant came in
George Perkins came on to enquire about another
bundle of paper paper. Tom & Salter returned
Mrs. Winton Law but not John. Schultz
left. Mr. Fackler accepted compensation of the
Parrish out 4000. I promised to buy
check over to morrow. Told Parrish - sent him
Mr. Fackler letter. St. Bartholomew called - had
a long medical examination of me. Under my
kidney - cause of my sickness. Took a bottle of
urine. I to see him to morrow. Thinks Mrs. Winton
can only last a day or two. I will negotiate & Mrs.
John Chilton calls after tea & set on tea. Salter
staid all night with Mrs. Parrish. John & John went over - Mrs.
W. W. W. R. on check for 9th for Mrs. Parrish. Parrish
returned at 12:11

FRIDAY, JANUARY 5, 1877.

I arose at 7 1/2 another very cold morning

not changed. Mr Kemp who had staid all
night with Mrs. Winston came over & said
much worse - but her mind to a great de-

McIntosh & little Maggie Jordan. I saw
also John O'Connell who was waiting to have
the two face canceled. Dr. Bartholomew told me then

THURSDAY, MARCH 1, 1877. W

I got up late - my cold & my
lumbago - my spirits low - I got
excited over the Presidential
intrigues - I got my breakfast -
attended to letters & papers. Went
up to Senate - found them doing
nothing. The Senate waited for
some action on the Otis case in Court
the Electoral vote - The Executive
in the Otis case - & the Judiciary cases
waited - & waited. The Senate
waited for one hour - waited
completely - they - The Judiciary
in the Otis case - the President of Senate
refusing to receive a hand was a
sensible return from Vermont. Speaker
Dawson got the bill introduced - appeared
from his desk - Mr. Bates from
New York introduced one of the
Bills & said he would be heard - nothing
like the success of my expectations
or prospects. After several hours it
was done with success. Not one thing
done in the Senate from 10 to 11 &
nothing - nearly all of the Otis case
passed out of Vermont - I came down
& got my dinner & went back about
midnight. The Senate just as
I left them - Efforts being made to get
adjournment made to Virginia - I declined.
I have never been into the Court since
last - I shall not go in again. All
they want is a certified copy to Wisconsin
where they want it - they came in - Senate
could not get it - The Election in
Illinois a person appeared to get some result
no sign of it - left 11 - found some people
Barnes - on his way - said a good many
things - & said he would see me - I sent Dan
to see him - Work he does not earn yet - a great deal
about good - but only up to Virginia. That's all.

They could stay in at 4 o'clock this morning

FRIDAY, MARCH 2, 1877.

little that I went to sleep - Just

dressed him. He was just going to the
Cabinet meeting. I then went to attorney
General's office & took papers with me
Saw attorney General & passed the papers
of Stuart & Mayhew. Taft said he would
be about the Cabinet tomorrow morning
in the Capitol - I then introduced Charles
to General Banks - we had quite a chat
after the extraction party - General Banks
stated the fact that he has no right to try
the party detained for any crime except that
for which he is extradited. He refused
to be dead of another. I think our family
has no right to try party except for
crime for which he is extradited.
The Senate engaged in Civil Bill.
I introduced a bill to a good many of
the members. He went over to the
House - I took part in the discussion
on down in the Civil Bill. Took a
nap from 5 to 8 - Had a lunch with wife
shepherd asked me to call on President Elect
in Vice President's room. He wants he is to be
King of the Treasury. Inquiry put a permanent Committee
Wednesday Decided. Democratic Caucus. To take
action on the whether any body should attend was
just. Unanimous & endorsed of the report Colwell
to House but no resolution or Caucus action. Bayard
offered resolution complimentary to him - speaking of the
Society. I think the Senate majority. Whyte. Martin
very lively - we remained here until eleven o'clock
and did not sleep. Several who were Wallage and
came with me - several who were myself went back
offspring till - kept up while after
five of us were down back - when what Wallage
himself very hard - & cold much. Feb 12

Stayed by the river

I got up about 9. I went to breakfast with Mary - She went to church to hear B. of Dudley preach. I went to St. Georges & got there some time before the service began - I was disappointed in not seeing Mr. Williams. Mr. R. H. Macken read the service & Dr. H. D. Dym preached - He was too weak to stand up. & therefore sat down immediately in front of the audience. It is in all probability the last sermon I will ever hear him preach. He is kept from 5 chapters of Jeremiah - Psalm of 31 verse - "and what will ye do in the end thereof?" An earnest effective gospel sermon. As I came out I met one of the vestry who told me that W. W. Williams had gone up to preach at Cedar Hill - Mr. Williams is not very warm hearted & what John Newton & Bishop Doody has given - a good deal of health in it - He is however an earnest & effective preacher - That no one can deny him. I walked back to the hotel - asked a friend & thought I would be quiet. Mr. Stanley called - said he believed he would go up to Windsor & ask Bishop Doody to dine with him. He asked me to walk with him but I backed out. He is full of Russia - but would have me find Carl of St. John which I shall hope he may get. He left me. I ran around in my room. I saw Mary - Bishop Doody preached she said a fine sermon - Mary told me she enjoyed the service & the church. I delighted with it. Mary surprised at a quarter to 7. I walked up to Mr. Stanley - they were glad to see me. A gentleman who had lived in a lumber yard in Paris was down with me - simple good natured. We sat with 10 - Bishop Doody left me with his hands.

check authenticated. Reported OK.

Eells said Mr. Callahan did not hesitate
to say that he believed that John Sher-
man was dying all morning (the book)

told him that he had declined the
English Mission which had been offered him.
