Rev. Mr. Mayo.

It has been well said by an illustrious
foreign writer of our day

I can understand how the Gospel sh^d be
attacked because it contains this
folly of the Resurrection; but that men
sh^d pretend to accept the Gospel, while they
take away this miracle - which is the
key stone of the arch of Christianity - or which
comes to the same thing - that they sh^d
hold it as a part of no importance - this
shows all comprehension

TO ASCERTAIN THE LENGTH OF THE DAY AND NIGHT.

At any time of the year add 12 hours to the time of the sun's setting, and from the sum subtract the time of rising for the length of the day. Subtract the time of setting from 12 hours, and to the remainder add the time of rising next morning for the length of the night. These rules are equally true for apparent time.

messing me just up in his ac-
quaintance & the point on his right to
appear in the prosecution of Percival

argument was that in the Jones case
He could not be condemned without -
Paul required an affidavit from
Percival - which was filed - Judge
Messers said that neither Judge
Hart nor myself were attorneys
The judge considered a personal in-
terest to be a pecuniary interest.
He then read the instructions.
He gave all asked for by Paul &
all those asked for by Messers.
Then commenced my argument to
the jury - I spoke one hour &
fifty minutes. Against I went to Duran
Paul Hart & Messers all ladies.
Calvert followed in a logical & strong
speech of one hour & 10 minutes.
Closed in a strong speech of 45 minutes.

remained - The jury said for Paul &
then said & twenty minutes brought in
a verdict of "not guilty" - Great applause
which the Paul checked in my feeling to be
brought in Percival little & little Paul

He made of error and sought to do his duty in that state of life in which it had pleased God to call him. But Achan was a weak man when he asked King of Israel ally him he does not deeply trust in God simple child like reliance on Jehovah's promises and even disobedience to him the prophet sent to warn him & put him in prison - God sends sickness as a sign & the sign.

- 1 As long as he trusted in God he was safe
- 2 But when we think an thing is an weakest point
- 3 When we are conscious of weakness & lean on God we are safe,
- 33 Particularly in sin - one crime leads to another

months in a weekly paper.
I went to church with a sister Mrs.
Robinson. Quite a good congregation
Mr. Bugby read the service & preached
the text 116 Chapter 51 Luke 19 to 31
verses. There was a certain Rich. man
which was clothed & purple & fine linen
& fared sumptuously every day. And there
was a certain beggar named Lazarus
which was laid at his gate full of sores
and desiring to be fed from the crumbs which
fell from the rich man's table; moreover
the dogs came & licked his sores. And it
came to pass, that the beggar died & was
carried away into Abraham's bosom: the
rich man also died & was buried, and he
hell he lifted up his eyes being in torment, & saw
Abraham afar off & Lazarus in his bosom & said.
I was not pleased with the sermon. It failed wholly
to present the lesson of the text. The preacher failed to
comfort the poor & comforted with the life of the Rich.

Palmer Sunday

SUNDAY, APRIL 14, 1878.

I slept late & got up ~~2:15~~ 8:00. I went to bed 10:30 - Prayers & breakfast I read South Planchon. Lovely morning - little cloud. I walked into ~~the garden~~. With my diary I went to church. - B. Linn & Dr. Gray a good congregation - Mr. Bughy preached & read the service. His text was 26 Chapter of St. Matthew 36 & 39 verses inclusive. Then cometh Jesus with them into a place called Gethsemane & saith unto his disciples Sit ye here, while I go & pray yonder. And he took with him Peter & the two sons of Zebedee. He began to be sorrowful & very heavy. Then saith he unto them, My soul is exceedingly sorrowful even unto death: tarry ye here & watch with me. And he went a little farther & fell on his face, & prayed saying O my father, if it be possible let this cup pass from me: nevertheless not as I will, but as thou wilt.

The sermon long but not stirring - Mr. Bughy does not study enough at all dwells on unimportant subjects. He dwelt on the man suffering of Gethsemane instead of merely Christ as a mediator for him & expounding to them that a communion in our own crucifying the Lord again! We had dinner at 2 o'clock & up at 3. Edw. & Alice went to Clifton. I with a not much was walking. I took a nap in chair. I got up at 4 feeling irritable - Went with Silsbee to church. Few people. SUNDAY, AUGUST 4, 1878.

When I awoke this morning I
got up & looked on the blue wide
expanse of the broad Atlantic. My
heart involuntarily lifted itself to God for
his protection of us on the broad
deep. I felt my littleness & my great
dependence on him. We drank
I took a bottle of Congee water. We
all had a nice breakfast of
Spots & Cantelepie. Very warm
except on Deck. We all went on
the Deck & saw the Ocean in
all its sublimity. The girls were
not as much pleased as I suffered
with the sea. Mr Lee, Chamberlain &
several other gentlemen stuck to
the Deck. as did the ladies. The
Captain is not well. We have
not Haskell & not Wulfin with us.
I was introduced to some persons of the Navy
He is going to the Springs in New York
which he tells me are very charming.
We had a fair dinner, which
most of the passengers seemed to enjoy.
The sea has been as calm as possible.
The Wyandott is a nice vessel. &
we have enjoyed it. We felt ourselves
in a home for after dinner which
alarmed the Captain & interrupted us.
We were glad in thirty or forty minutes
to get out. But later we were in and
out. We speculated away ourselves
when we would reach New York. The second
day did not calm very long. We passed
to my branch very far out & not close to
the shore as former. We came in sight of
Long Neck about dark & reached New York
about 11 p.m. Mr Haskell and I look to have
a baggy sleep. I shall myself look
at 12 & then to New York Hall. The other party

SUNDAY, AUGUST 18, 1878.

We got up late a beautiful day. We had our breakfast - I received a note from Mr Geo St Pendleton saying that Mr Pendleton intended to have Justice Harlan, Matthews, Moody, Mr Samuel Hendricks & a few others to dine with him at 7 & hoped Mr Jordan & James would join. My car driver told me it was very likely I should go but I declined for myself & accepted for Jordan. I drove Jordan in Phoenix to Trinity to hear Mr Gray preach. Debella Lizzie & May went in carriage & came after us. We got seats. Mr Gray preached an admirable sermon. It is text was 13 chapter St John - 16th verse. Ye have not chosen me but I have chosen you & ordained you that ye should go & bring forth fruit, & that your fruit should remain: that whatsoever ye shall ask the Father in my name he may give it you! - An admirable sermon. We drove back. We had a dinner at 2. Debella & myself drove out to the 2nd 13th street & through the country district we returned about 6. But Jordan refused to eat out for Mr Pendletons. We all remained at home - Mr Geo St Pendleton came in & sat until after 10. a long letter from the Bishop

I laid down again - I got up
at half past 2 - Bishop Dwyer
himself walked over to see Agnes
again at the house - We
had a charming visit - I asked
him the Indians of the place - the
probable Bishop of Louisiana - He
thinks it will not be Bishop Adams
or Bishop Elliott. I told him that Mr.
Belmont said it would be Dr. Benedict
or Bishop Elliott. We went to see
Rev. Mr. Peller - his daughter & wife
& a very kind of Miss Peller. Sallie
wrote quite a pleasant visit - a warm
spiritual description between herself &
myself about resolutions in last year's
conference - I took the ground that those
who could not fulfill those resolutions
ought to go to Rome. Quite warm & kind
I said when ever offered I should support them
I was glad not to tell I was going
can't talk I feel better - I am - I am
in better - after dinner I felt refreshed - very
pleasant - I am and will - but I am - I am

Mr. Bughy read the service and the Bishop preached on text 2 chapter 1. Luke 15 vers. "Let us now go even unto Bethan. & see those things which is come to pass" - We came home. The Bishop went home with Mr. Benton. to take lunch. Mary & Sibella went up to see Mrs. Bygones. Miss Mary Alice & Mary Presby.

MONDAY, DECEMBER 30, 1878.

He paid me a long visit - of
game then several times. He
is very - all - all of - all
and then is - I wrote a letter
to Joe W. Guilian in reply to
his letter Mr. Bayly called &
the consequence of the conversation
last night I decided to borrow \$200.
I suggested to him to take a note
from me to Mr. Jones & Mr. Skane
which he did - He soon returned
& brought the bill of Exchange & check
I was glad to oblige Mr. Bayly
which seemed to gratify him
etc.

D. Palmer sermon on 9th Thiel
Presbyterian Church on 23rd June
1878 at night from text Come &
see.

He commenced saying we look
a great deal off the film & interest
of Bible from the want of the
imagination. It was a wonder
ful faculty the reputation the
scenes & events & re-enacted them
with new interest. It was a
dangerous fault to be in the
lead but when in the individual
of just it was a powerful fault
elimination.

mainly in his description of the
struggle of the nation and last
June 18 when the belief of life
defended on it
In description of D'Arbigny
in his narration of the struggle
in the struggle for the truth
as in the description of the Baptist
as he had two of his disciples. Beloved
the lamp of God - and the two disciples
ask Jesus Abba when I called them
the God can do it. The two disciples
were Andrew & Peter. The next
day he said to Philip - Jesus said
what time follow me Philip said
wherever - & Philip said with him
we have found him of whom Moses
said & with and with him said can
any good come out of Nazareth? &
Philip said from now
