Claiborne On A Roll: Jerry Gets New 5-Year Pact And Heads To Hall Of Fame Bowl

Fresh from two consecutive winning seasons which produced bowl invitations, Kentucky's Jerry Claiborne received an early Christmas gift last week as he was awarded a new five-year contract as head boss of the up-and-coming football Wildcats.

In a special session, the University of Kentucky Athletics Association's board of directors unanimously approved of President Otis Singletary's complimentary remarks and suggestion that now is the time to reward Claiborne.

"This was something we could do now and let the coach know the board is aware of the job being done," said Singletary. "This is a vote of confidence and a display of appreciation for a job well done."

Claiborne returned home to Kentucky in December of 1981 to rebuild a program which had suffered four consecutive losing campaigns. At the time of his new contract last week, Claiborne had two years remaining of his original five-year pact.

The new contract runs from January 1, 1985, to January 1, 1990. Officials said the new contract did not include a pay raise, but Singletary said his salary will be reviewed in the spring.

A masterful rebuild, Claiborne turned disasters into bowl participants at both Virginia Tech and Maryland

before coming to Kentucky. Many have labeled UK as a "graveyard of coaches," but Claiborne has always insisted that a winning program could be established at Kentucky with hard work, dedication and unified support throughout the Commonwealth.

In three short years, he has done something no other Wildcat coach (including the legendary Paul "Bear" Bryant) ever did and that is to take two of his first three teams to post season bowls.

After the uneventful 0-10-1 start in 1982, Claiborne's second season produced a 6-4-1 mark and a berth in the Hall of Fame Bowl where the Cats came within a play of upsetting West Virginia in a 20-16 loss.

This past season, the Wildcats stormed out to a 5-0 mark, stumbled in back-to-back losses to LSU and Georgia, then bounced back to win three of their last four including a heart-stopping 17-12 win over Tennessee, just moments before accepting a second straight Hall of Fame Bowl invitation.

Down the stretch, the Cats' lone loss was a 25-17 loss to Florida although a potential tying touchdown score was nullified by a penalty in the game's final minutes.

Of the new contract, Claiborne told a press conference Friday, "It's a good

feeling. I don't think they would extend it if they were unhappy with the job we've done."

+ + +

During his pre-Hall of Fame Bowl press conference, Claiborne said the Cats probably won't be able to expect much from Jeff Smith and Tom Wilkins, a pair of veteran Wildcats who were hobbled much of the season with injuries.

Claiborne said both were working out with the team, but neither was anywhere near the condition or performance level they were before they suffered serious injuries.

+ + +

On the subject of red-shirts, Claiborne said he never red-shirts anyone, but insisted players red-shirt themselves.

"We wanted to red-shirt (Joey) Worley, but Rider got hurt and we had no choice, but as a rule we don't red-shirt anyone if he is good enough to earn a letter," said Claiborne, "this year, there were just a lot of kids who were not good enough to play at certain positions."

In no way was Claiborne saying his freshmen weren't good, however. He was just saying that his veterans were so good and experienced that it would have been very tough for freshmen to come in and beat the veterans out. In that manner, it wouldn't be very wise to waste a year's eligibility for just a few plays.

Although the numbers (95 team limit) game is beginning to catch up, most great teams today are built around a successful red-shirt program. It'll be interesting to see how things go next fall.

+ + +

Unlike a year ago, the faces of University officials are smiling when you mention the Hall of Fame Bowl.

Last year's following was a disappointing 5,000 or so fans and some believe that figure was inflated.

UK athletics director Cliff Hagan and his staff went all out this year to generate more support. Of course, a season-ending win over Tennessee cannot be overlooked.

As of last Friday, UK had sold over 11,500 tickets for the bowl game and officials in Birmingham said they sold another 4,000 to UK fans through the Bowl office.

Meanwhile, Wisconsin reported brisk sales of about 8,000, giving the City of Birmingham almost 25,000 out-of-state visitors.

+ + +

Tickets still remain for the Hall of Fame Bowl in Birmingham, but the biggest problem for UK and Wisconsin fans have been motel accommodations. Unlike last year when hotel rooms

Learning The Art Of "Bowling"

Pardon me folks, but this bowl stuff takes a little getting used to. And if our good hosts in Birmingham will just bear with us, they'll discover Big Blue fans know how to party with the best of them.

Kentucky fans have been experts at tailgating on Saturday afternoons during the fall, but this December stuff, well, we're learning.

Of course everyone remembers how Kentuckians turned out in record numbers for the Peach Bowl of 1976, but that one was the first bowl UK played in since I was eight years old. Now, mind you I'm no spring chicken either.

So when the Cats were invited to the Hall of Fame Bowl last year with a 6-4-1 mark, some were skeptical. The numbers proved it. And then there were some Big Blue fans saving their money for a trip to Seattle for the Final Four with the Twin Towers.

The Twin Towers have since departed. The roundball Cats are no threat to the Final Four this season and even if they should pull off a miracle, the stage would be at nearby Rupp Arena.

So there's a big switch. The UK faithful have sucked it up and are beginning to live-and-die gridiron sport. I understand a few Big Blue fans have been reaching-out-and-touching-someone (ala Ma Bell commercial) in places like Alabama and Georgia, hoping to learn how to act at these bowl events.

The way I hear it is that they've been told not to pay any attention to anyone from the state of Alabama, particularly Ray Perkins or Pat Dye because Perkins thinks bowls are a

morning breakfast with cereal while Dye truly believes fans should diet daily without the use of sugar.

Nevertheless, any normal person knows a Hall of Fame is the pinnacle of success, at least that's what folks in Kentucky believe. After all, why would anyone want to accept anything less than the best, two years in a row?

+ + +

As thousands of Big Blue fans hit the highways this week for the trip to Birmingham, one cannot help from peaking into the future of University of Kentucky athletics.

It is at the crossroads and the word cannot be overemphasized.

UK is truly on the brink of achieving greatness or taking the other path.

While football is flexing its muscles and on the verge of challenging the powers of the Southeastern Conference in the near future, the basketball Wildcats are in a minor rebuilding stage, but it should be in sound shape by tournament time.

Unlike most universities around the country, Kentucky is in excellent financial shape. The UK program is in no immediate danger of going broke. If

If the University continues what appears to be a near spirit and renewed enthusiasm in promoting Kentucky athletics.

For instance:

† Minutes after UK's 17-12 upset over Tennessee, UK athletics director Cliff Hagan told TCP "we're really going to go all-out for the Hall of Fame and show them what we can do." UK did just that with a much-improved

public relations campaign of encouraging fans to make the trip to Birmingham. It wasn't the greatest promotion in the world, but it was certainly a great improvement over ones of the past. More than anything else, it showed a positive attitude toward promoting.

† Over the past three years, UK sports information director Russell Rice has instituted a weekly press conference with coaches Jerry Claiborne and Joe B. Hall, complete with luncheon buffet with the media. UK is telling the media, "yes, we want to make your job a little easier."

† Just three months ago, Rice's office began a special sports hotline for writers and broadcasters to provide up-to-the-minute reports on various UK sports, including interviews for media people who can't get to Lexington every day.

† Both major sports have been making their players available for local radio talk shows on a regular basis. Football players appear regularly on a Lexington station each Monday evening and basketball is doing the same thing. No holes barred. The atmosphere is completely open.

† Even though Louisville (which had a reputation of being completely available to the media) has consistently barred reporters from player interviews at least three days before its annual game with UK, the Wildcats' staff has permitted reporters to conduct interviews all the way up to the day of the game.

† The latest innovation for the media is at basketball games where Hagan has upgraded the traditional hot dog

and coke for a broader menu. Even the coaching staff's wives got into the act by sending a huge spread of Christmas snacks to the media during the UKIT last weekend.

Such thoughts may seem insignificant to many people, but it's those kinds of deeds which go a long way in how the media (rightly or wrongly) judges a school and its program.

Another case in point is the Hall of Fame Bowl where the people in Birmingham do absolutely nothing in the line of reserving rooms for out-of-town media. Again, UK came to the rescue for several Kentucky media people.

Sure, Kentucky is beginning to put its best foot forward. More importantly for Kentucky is to continue its grand hospitality. UK might be surprised how well it is received.

+ + +

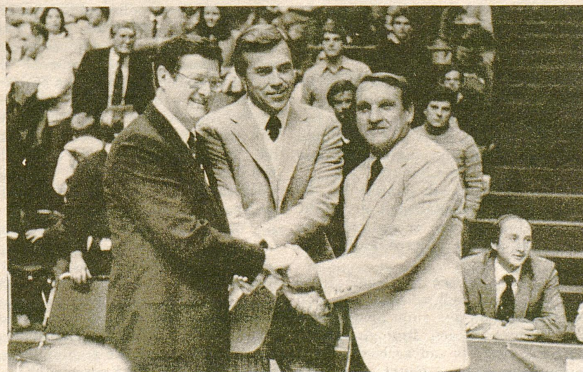

Monday night, Coach Joe B. Hall and his Wildcats will be trying to even their mark at 4-4 when the Cats take on highly regarded Kansas at Louisville's Freedom Hall.

This game should be a real barometer for the Big Blue as they head toward the Southeastern Conference race. A win here is a must if the Cats have any chance of challenging for the upper three spots in the SEC affair.

Traditionally, UK plays well in Louisville and despite the seven-point loss, the effort put forth in the UL game was one of the best of the

[Continued On Page 38]

Hoop Cats Join Hall Of Famers In, "On, On U Of K"

Joe B. Hall And Jerry

If you don't think there's harmony between the football and basketball programs at Kentucky, then you're obviously not aware of a genuine ole-fashioned pep rally involving the two sports' athletes last week.

Coach Joe B. Hall's basketball Wildcats paid a surprise and sudden visit to their football buddies at the Seaton Center as Jerry Claiborne's footballers went inside (to avoid the heavy rains) to prepare for the Wisconsin Badgers in the upcoming Hall of Fame Bowl on December 29.

The entire basketball team made the trip across campus to show its support and appreciation for the football team.

Claiborne summoned the players to a group huddle to hear senior Bret Bearup and sophomore co-captain Winston Bennett tell them how much the basketball players enjoyed watching the football Cats play this year.

The inspiration and admiration were mutual.

Oliver White, captain of the football squad's offensive team, replied to the basketball players, "we know you've had a rough start, but we're with you all the way. We wish you the best of luck in the tournament and throughout the season."

Then, the jolting climax as both clubs broke out in a dazzling rendition of "On, On, U of K," the Wildcat fight song.

A veteran observer said the surprise and private pep rally was the first such one he can recall at the University of Kentucky.

UK Upsets Vols To Go 8

Coach Jerry Claiborne's 1984 Kentucky Wildcats will be best remembered for their outstanding finish, a finish which was truly memorable.

While getting off to a quick 5-0 start, the Cats next two contests were against nationally ranked LSU and Georgia, both at Commonwealth Stadium. The result: two losses by a combined total of 73-17. But Kentucky won three of its last four games thus earning a spot opposite Wisconsin in the Hall of Fame Bowl.

Here is a rundown of the 1984 Kentucky Wildcats' season -- the road to Birmingham.

September 7 -- Kent State at Kentucky (Commonwealth Stadium) -- The Wildcats opened their season against Mid American Conference representative Kent State. After a scoreless first quarter UK ran over the visitors from Ohio as the Wildcats triumphed 42-0.

Kentucky scored three second-quarter touchdowns in route to a 21-0 lead at halftime.

With Kentucky starting from its nine yard line, sophomore quarterback Bill Ransdell directed a 13-play scoring drive ending when George Adams banged in from the one. Junior barefooted-kicker Jim Rider's extra point made the score 7-0.

After Jeff Smith's fumble recovery at the KSU 28 tight end Matt Lucas hauled in a Ransdell pass. The sophomore from Columbus, Ohio, caught the pass inside the 10 and then proceeded to fumble, but Wildcat receiver Eric Pitts recovered the loose ball on the UK one.

Ransdell again handed the pigskin to Adams for the score. After Rider's PAT UK now led 14-0.

Kentucky's final score of the half was set up by last year's Kentucky prep sensation Mark Higgs. From the UK 32, the 5-foot-8 185 pound back dashed for 17 yards for a Wildcat first down at the 15. Five plays later, Ransdell threw a four-yard TD strike to offensive captain Oliver White.

UK continued to dominate throughout the second half. Highlighting second half action was Higgs' fourth quarter gallop.

From the KSU 46 Higgs veered to the right sidelines and outraced the Golden Flash defenders for UK's final score.

It was an outstanding debut for the freshman from Owensboro. Higgs finished with 74 yards on six carries.

Adams led the team in rushing with 106 yards on 21 attempts. Ransdell completed 14 for 19 (77.7 percent) for 199 yards and one touchdown.

Defensively Larry Smith had a fine afternoon with nine tackles (five first-hitters and four assisted). Brian Williams also put in an excellent performance with eight tackles including two quarterback sacks.

September 15 -- Kentucky at Indiana (Memorial Stadium) -- Kentucky upped their slate to 2-0 as they won 48-14.

Paul Calhoun's deceiving play added "insult to injury" to the Hoosiers' cause this particular day.

With the score 31-8 in the third quarter Kentucky lined up to punt the ball from the IU 47. However Calhoun snagged a high snap and decided to run with the ball. Calhoun went the

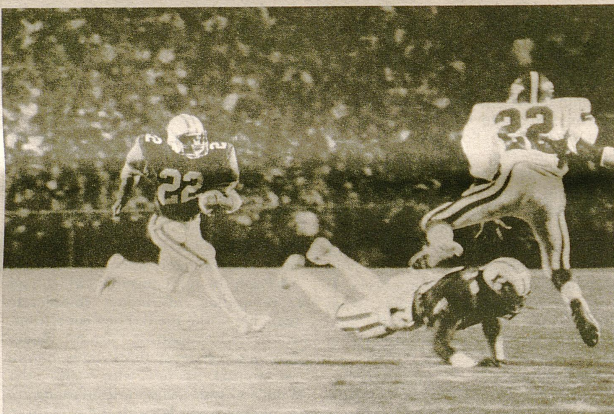

distance as his touchdown increased the lead to 38-8.

"Paul's play was a big, big play," said Coach Claiborne after the game. "Indiana had some momentum going. I saw exactly what Paul saw -- nobody there. He did the right thing. He just took off. He made a wise decision."

Rider's 29-yard field goal on the opening drive gave UK a quick 3-0 advantage. While holding IU on downs the Cats took over on the Indiana 45. Kentucky moved the ball inside the 10 before sophomore tailback Mark Logan rambled in from six yards for the score.

With the count now 17-0 in UK's favor, Ransdell teamed up with senior receiver Joker Phillips for a 38-yard scoring play. Rider's point after boosted the Cats' lead to 24-0. The game for all intense purposes was over before the halftime mark.

Kentucky's running trio of Adams (145 yards), Logan (104), and Higgs (82) combined for 331 yards rushing. Logan scored two rushing touchdowns while Adams and Higgs each had one.

Higgs Spots An Opening

The UK defensive corp held the Hoosier rushing attack to only 84 yards.

Next stop New Orleans.

September 22 -- Kentucky at Tulane -- The Wildcats and the Green Waves were locked in a tough four-quarter struggle before a disappointing crowd of 16,505.

Twice in the first half when Kentucky would score a touchdown Tulane would come right back to know the score.

Late in the second quarter Green Wave kicker Tony Wood booted a 30-yard field goal to give Tulane its first lead, 17-14. However Kentucky tied the score when Tulane's gamble failed as it tried to add to its three-point cushion. Williams hit on Marc Zeno caused the receiver to fumble the ball which was recovered by Gordon Jackson on the UT 43 with 20 seconds remaining. Two plays later Jim Ryder kicked a 46-yarder to tie the score at 17 with no time left in the first half.

Tulane held a 26-24 lead early in the fourth quarter when the Cats mounted their winning drive. Starting from their 20 Kentucky marched the

distance in nine plays capped off by Adams' two-yard rushing touchdown.

Kentucky's defense then held the Green Wave offense in tact during the last few minutes for their third victory without a defeat.

Calhoun's second interception in Tulane territory of the final quarter stopped Tulane's final opportunity. Earlier Calhoun intercepted a Ken Karcher pass in the end zone, a pass which was deflected by defensive back Gordon Jackson.

October 6 -- Rutgers at Kentucky (Commonwealth Stadium) -- A crisp fall UK Homecoming night awaited the Scarlet Knights and the Wildcats. In their first meeting ever Kentucky outlasted Rutgers 27-14 before 58,010, the largest crowd ever to witness a college football game in the Bluegrass state.

It was more or less a feel out situation in the first half as the eastern visitors held a one-point lead at intermission.

But behind a strong defensive effort along with the distance running of

Adams tied for the Wickliffe B. Moore MVP award. Adams tallied 114 yards on 28 carries and had one touchdown reception.

Kentucky was presently the only unbeaten and untied team in the conference with a 4-0 record.

October 13 -- Kentucky at Mississippi State (Scott Field) -- The 20th-ranked Kentucky Wildcats (USA/CNN poll) headed into Starkville for their first conference game of the year. UK needed another one of those trick plays from Calhoun to beat the Bulldogs 17-13.

Mississippi State held the upper hand (13-10) during the fourth quarter. Calhoun's fake punt in the last stanza allowed the Wildcats to keep possession of the ball. The punter's effort allowed Adams to put UK ahead with a one-yard TD run.

The defense held on to preserve Kentucky's fifth win without a defeat. UK had two big, big offensive plays. Adams' 55-yard gallop in the first quarter set up a field goal try by freshman Joe Worley. His 31-yard attempt was good as the Wildcats took an early 3-0 lead.

Quarterback Don Smith's 56-yard TD pass to wide receiver Louis Clark gave the Bulldogs a 10-3 lead in the third quarter. However Ransdell outdid Smith's completion by one yard. The sophomore connected with Cisco Bryant for a third-quarter 57-yard touchdown strike that tied up the contest.

Freshman Jerry Reese, filling in for the injured Jeff Smith, played a key role for the UK defense. Reese had six first-hitters and five assisted tackles, and he also caused a fumble.

Calhoun had an all-around exceptional game at Starkville. Besides his fake punt the senior intercepted two of Smith's passes. He punted eight times for 400 yards, which averages out to 50 yards a boot.

The injury problems through the first five games were adding up for Claiborne and his crew. Brothers Jeff (knee injury) and Larry Smith (knee injury), Butch Wilburn (knee sprain), and Rider (groin pull), although it wasn't for sure at the time, the four would miss the rest of the regular season.

October 20 -- LSU at Kentucky (Commonwealth Stadium) -- The latest Associated Press polls had LSU ranked 12th while the Wildcats were 19th. Before an almost packed house and an ABC regional telecast audience the Tigers trounced the Wildcats 36-10.

Kentucky's turnover statistic entering the contest (seven fumbles lost and two interceptions) was pretty impressive. In the LSU contest alone the Wildcats committed nine misques (four fumbles and five interceptions) which wasn't so impressive.

"We just self-destructed," said Claiborne.

With all the mistakes Kentucky still had a chance. The Tigers from Baton Rouge kept UK in the game with five turnovers of their own in the first half. When the two teams left the field for the halftime break the stadium scoreboard read LSU 09, Kentucky 03.

In the second half LSU played like a Top Twenty team while the Cats were still making turnovers.

-3 Second Straight Bowl

Dalton Hilliard's 14-yard touchdown run early in the third quarter put the Bengal Tigers further ahead. Juan Betanzos' PAT pushed the lead to 15-3 with 7:59 left in the quarter.

A couple of Wildcat turnovers led to two LSU touchdowns 2:03 later.

Ricky Chatman's interception contributed to their third touchdown. Two plays later Hilliard scored from the one to widen the lead 22-3.

Tailback Logan then fumbled on Kentucky's next play from the line of scrimmage as LSU recovered on the Wildcat 14.

It took only one play for the SEC leaders to score. Hilliard dashed 14 yards untouched to paydirt for six points. Betanzos point-after kick put the game out of reach for Claiborne's Cats, 29-3.

Adams scored from the one late in the contest for UK's only touchdown. It was Adams' 10th rushing touchdown of the season.

For the game Adams was held to 76 yards in 23 carries.

October 27 -- Georgia at Kentucky (Commonwealth Stadium) -- No. 12 (AP) Georgia handed the Wildcats their second straight home-loss by winning 37-7. The Bulldogs played a near perfect football game. Their only misdeed was a meaningless fumble late in the fourth quarter.

"We just got an old country fashion lickin'," said Claiborne in his postgame interview. "Georgia is still the same old Georgia. Their backs ran hard, their linemen fired out well, and their defense swarmed us."

"Every time we got a couple of first downs together we'd either get a penalty or they would come up with a big play and this is why they're where they are."

All-SEC scoring leader Kevin Butler, who was not supposed to play because of a recent leg injury, booted the Dogs in the lead with a 34-yard field goal with 3:29 left in the first quarter.

Kentucky, though was giving the Bulldogs all they could handle until... until fate did in the home team.

On first and 10 from the Wildcat 16 freshman signal caller David Dukes lost control of the pigskin on a play-action call to the right side. Tight end Scott Williams picked up the ball and ran headed toward the left corner for the score. That play probably took the air out of the Kentucky attack.

"That hurt our defense," noted Calhoun. "We had them stopped there and (they'd) probably have to settle for a field goal. Instead they get the touchdown, (which) really drained our defense. I didn't think we were hurt too bad at that point. We were still fighting hard and going for the victory. We just couldn't get anything going."

Calhoun's observation of the Georgia game was correct -- they just couldn't get anything going.

UK was outscored in the second half 27-7 as the Cats' record fell to 5-2. Offensively Kentucky was simply stymied. Georgia held UK's offense to only 182 yards, including only 10 yards on the ground.

November 3 -- North Texas State at Kentucky (Commonwealth Stadium) -- The Wildcats were playing their third straight home game in as many weeks.

Division I-AA team NTSU was the opponent and came in as a big underdog.

Kentucky defeated the Mean Green 31-7 assuring it a winning season for the '84 campaign. The Wildcats scored 31 unanswered points as they blitzed the Eagles 31-7. The win gave Claiborne his 150th coaching victory.

Playing before an estimated crowd of 54,328 the Eagles reached paydirt first with an impressive opening 77-yard drive.

On their second play from scrimmage NTSU quarterback Scott Toman avoided a Wildcat rush and connected with Matt Barber in UK territory for 41 yards. Seven plays later running back Monty Moon scored from five yards out to give the visitors the early lead.

On the ensuing kickoff Adams followed his teammates' blocking for

on fourth down and one at the UK 33. Kentucky then scored 17 second-half points to put the game out of reach while improving its bowl chances.

Under rainy and cold playing conditions Adams had an excellent afternoon. He rushed for 144 yards and one touchdown. Ransdell threw for 196 yards (14-24) and three touchdowns. His 63-yard TD pass to Logan in the fourth quarter ended UK's scoring for the day.

November 10 -- Vanderbilt at Kentucky (Commonwealth Stadium) -- UK's 27-18 victory probably assured it a second straight postseason bowl appearance. To win, Claiborne's team had to overcome a steady rain, strong winds -- and the splendid throwing arm of Vandy quarterback Kurt Page.

Page overcame an early 7-0 Kentucky lead with two long pass plays

Chris Derry caught a Ransdell pass one-handed and scored 18 yards out to help move UK to a 14-13 halftime lead.

That set matters up for Higgs, the mercurial freshman from Owensboro. On the first scrimmage play of the second half, Higgs bounced off a tackler after advancing 10 yards, then turned on the jets and veered past Lexington native Kermit Sykes to score on an electrifying 84-yard run to boost UK to a 21-13 lead.

Higgs gained 138 yards in 20 carries. That was more work than Higgs had been used to previously. "We had planned to use him more at fullback to throw the ball to him, but he was having some problems with the passing game," Claiborne said of Higgs. "So we put him in there to run the football."

That idea reeked of genius against Vandy.

Two second-half field goals by Worley and an inspired UK defense preserved the win.

Left guard David Thompson stopped Vandy's Everett Crawford for a loss on a third-and-one play in the final quarter, and Dumbauld forced Page to throw an errant pass on a fourth-down play later. Then, in the final minute of play, UK stopped Vandy cold on the UK two-yard line to thwart the final threat of George MacIntyre's team.

November 17 -- Florida at Kentucky (Commonwealth Stadium) -- This game will long be remembered by UK fans both for the good and bad news that resulted from it.

The good news: The contest arguably produced UK's gutsiest defensive showing in many years. Such was especially true in the first half, when Kentucky bent often but refused to break, limiting fifth-ranked Florida to four field goals.

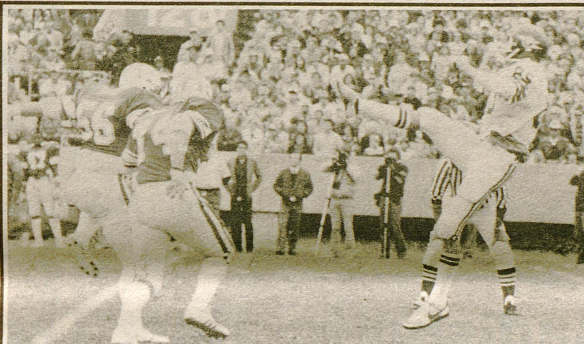

The bad news: The fact that a determined second-half rally by the Wildcats fell short when, with two minutes to play and Kentucky trailing 25-17, an apparent touchdown pass from Ransdell to Phillips was nullified by official Ronnie Baynes. Baynes ruled that split end Eric Pitts had not set himself on the line of scrimmage, thereby producing an illegal offensive formation. That score, plus a possible two-point conversion play, would have tied the game.

Claiborne said his team had used the same formation early in the third quarter, when Ransdell and Phillips hooked up on a seven-yard scoring pass that helped pull Kentucky to within 12-10.

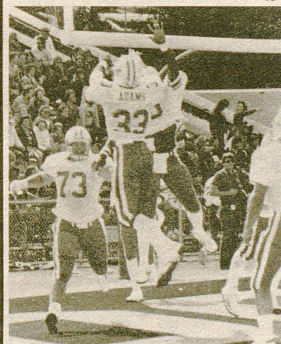

Referring to the voided scoring play, Claiborne said, "Pitts thought he was on the line of scrimmage. You've got to be way off (the line) to call something like that at the end of the game. We had an unbalanced line. It was the same play we scored on before. We were legal the first time, and we weren't the second time."

The win was significant for Florida in that it apparently earned the Gators their first-ever Southeastern Conference football title. But because of various infractions of NCAA rules, the SEC barred Florida from representing the league in the Sugar Bowl Jan. 1. Whether or not Florida will get to keep the league title has yet to be determined.

[Continued On Page 38]

It Was A Long Day For NTSU

Adams After TD

Coach Carried Away

40 yards to the Wildcat 47. A few plays later Adams took the ball on a left tackle play and scampered 24 yards to the NTSU 15. Two plays later it was the Lexington Lafayette product who scored from the five. Joe Worley's boot made the score: Kentucky 7, NTSU 7 with 9:00 remaining in the first quarter.

Ransdell's eight-yard TD pass to Phillips gave the Cats the lead for good. Earlier, Phillips caught a 23-yard pass, which put the ball at the Eagles' eight, to set up the go-ahead score as the horn sounded in the first quarter.

Junior defensive tackle Jon Dumbauld made two sensational plays in the second quarter. Twice Dumbauld held Moon to no gain. The second time was

that resulted in scores. A 43-yard scoring strike from Page to Joe Kelly tied the score late in the first quarter. Then, with the wind at Page's back in the second quarter, he uncorked a pass from the Vandy 25 to Chuck Scott, who caught the ball on the 50. Scott then neatly eluded and outran UK's Cam Jacobs for a 75-yard scoring play that, coupled with a missed extra point, lifted Vandy to a 13-7 lead.

"When you get into man-to-man (defense) and give Page long enough to throw the ball, they've got some receivers that can beat you," Claiborne said. "With the exception of those two big plays, our defense played pretty darn good."

So did the UK offense. After Adams and Higgs moved UK close, fullback

Cincy's McMillin

Hughes Scores 17 In Leading UC Past JMU

Myron Hughes poured home 17 points and hauled down 12 rebounds as the upbeat Cincinnati Bearcats ran their record to 6-1 on the season and won a berth in the championship game of the Kentucky Invitational Tourney.

Off to an excellent start under second year coach Tony Yates, the Bearcats fought off a stiff challenge from James Madison throughout the first twenty minutes and actually trailed by two (28-26) at intermission.

Pressure from Cincinnati's guards proved decisive in rattling James Madison as the Queen City crew outscored the visitors from Virginia 37-28 in the final twenty minutes of action.

A team which won only three of 28 games a year ago, Cincy is off to one of its best starts in years. Center Brian Helm added nine points and as many rebounds in a winning effort. John Newman was high for James Madison with 16 points.

James Madison vs. East Tennessee

Dukes Capture

Consolation With

56-46 Victory

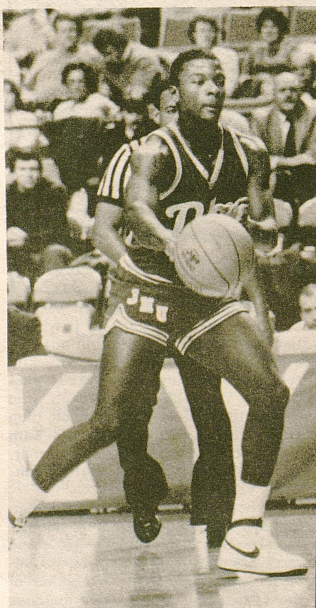

James Madison University pounded the boards inside and punched the ball to its big people to help provide a 56-46 victory over East Tennessee State University in the consolation game of the annual Kentucky Invitational Tournament.

JMU got double figure scoring from John Newman and Darrell Jackson along with a 33-20 rebounding advantage to offset 33-point scoring from ETSU guards.

It was really a late second half splurge which sent the Cinderella ETSU home with a pair of losses. JMU led only 22-20 at the half, but opened up a ten-point lead late in the game.

ETSU's outstanding guards prevented and early runaway. James Tandy and Wes Stallings scored 17 and 16 points respectively for the losers as the Bucs watched their record dip to 2-5.

James Madison bounced back from a tough loss to Cincinnati and improved its season mark to 4-3 on the year.

"Big Apple" Davender Likes Lexington Lifestyle

Kentucky basketball players often can be overwhelmed by the attention they receive from fans.

Freshman Ed Davender, though, doesn't mind that type attention. He says, "I'd rather have people talk to me and ask for an autograph instead of coming up to rob me. That's the thing you have to look forward to in New York. Somebody is always trying to rob you or mess with you.

Larry Vaught

Cats' Pause Columnist

"I'm enjoying being able to walk around without worrying about what might happen. In New York it is easy to hang out with the wrong crowd. You can be walking down the street and suddenly somebody will do something to have the police after you. People may not believe all that but the situation is just that bad in New York."

The 6-3 freshman guard faces a different type pressure with the Wildcats. He must learn to hold his own against the best players in the nation.

But he has the credentials to do just that. He averaged 38 points per game last season while earning All-American honors. However, his defense is also superb. He was considered one of the best high school defensive guards in the country last year.

"At my school if you didn't play defense, you didn't play," says Davender. "My coach said if you couldn't play defense you couldn't play for him or any college. He always stressed defense to his players."

That's why Davender prefers making a key defensive play over making an important shot. Not many players have that attitude but the talented Davender understands the importance of solid defense.

"I'm a person that is always going to play hard," says the UK freshman. "I want to do whatever it takes to help us win. I don't mind getting bruises or cutting my elbows going after loose balls."

"I'm just trying to toughen up and play as hard as I can. I don't want to give up no matter what happens this year. I know the freshman year can be rough."

Davender thought of leaving the team, especially after a disagreement with Coach Joe Hall at practice one day. "Those things just happen," says Davender. "I just tried to learn from what happened and keep giving 100 percent to win."

Hall admits he has never recruited a player exactly like Davender. "He's a great offensive player but he also takes great pride in his defense," says Hall. "That's a rare combination in a young player and it certainly has helped him here already. He has an awful lot of potential."

"Not all freshmen can fit in offensively but they can contribute defensively. Davender is ahead of our other freshmen in that respect."

The New York native loves the Bluegrass. He says, "The people, players and coaches here are all great. I knew when I first visited here that this was the place I had to be. In New York people are always on the go. Here I can be laid back and still have some fun."

Knowing Kentucky graduated guards Dicky Beal and Jim Master also helped influence Davender's decision to become a Wildcat. He says, "The fact that I had a chance for some playing time here did cross my mind when I signed. But I wasn't looking to start. I just wanted a team where I could contribute."

"I don't care if I play point guard or second guard. A guard is a guard to me. I just want to do what is best for the team."

"But trying to learn how to run a major college club has been difficult. It's not something you can just come in and do right away. Every team we've played has guards as good and as quick as me. It takes a lot more ability than what I expected just to win at this level."

Accepting Kentucky's disciplined style has been a problem at times for the New York native even though he tries to play under control at all times.

"I averaged 20 shots per game in high school but I also got 15 rebounds," says Davender. "I'm a pretty disciplined player really. I like to get out and run but I can play under control when the fast break isn't there."

Davender tried to play basketball 24 hours a day when he was growing up in the city. He briefly played softball as a youngster but soon decided basketball was his only love.

"I played where we didn't have any nets on the goals and there would be big cracks in the ground or potholes," recalls Davender. "But you won't find any better competition in the country than what you find on the New York playgrounds. I've played against pro and college stars in those games. I know players who are playground legends."

Davender's mother and grandmother, though, always made sure he emphasized academics as much as athletics. He smiles and says, "They told me to go to school and then made sure I went. They really kept me in line when I

was growing up. But in New York you need that. I had a lot of friends that got locked up by the police."

"But my mother and grandmother told me to spend my time going to class and playing basketball. That didn't give me time to get in trouble."

OWENSBORO APOLLO junior Rex Chapman is already drawing rave reviews from college coaches.

Both Larry Brown of Kansas and Jim Valvano of North Carolina State have seen the 6-4 Chapman play. He is averaging over 27 points per game and is certain to be recruited by many schools next year.

Those who have seen Chapman play have no doubts that he will be a big-time performer in college.

Another junior starting to draw plenty of attention is 6-7 Reggie Hanson of Pulaski County. He moves well inside and is expected to be even bigger and stronger next season.

Hanson is not as well known as Chapman but if he keeps playing at his present pace he will have many college coaches making trips to Somerset next season.

Kentucky plans to see both Hanson and Chapman in the near future.

KENTUCKY WILL face the player many experts consider to be the best freshman in the country Monday when the Cats face Kansas in Louisville.

Danny Manning, a 6-11, 195-pound freshman, was considered one of the top three high school prospects in the country last year by everyone.

He starts for the Jayhawks and is scoring in double figures while averaging over eight rebounds per game.

WISCONSIN IS favored to beat Kentucky in the Hall of Fame Bowl but the experts have been wrong before. However, the Cats will probably need to play a near perfect game to down the Badgers.

Wisconsin upset Ohio State, tied Iowa, beat Purdue and downed Michigan State in its last four games. All four opponents received bowl bids.

Of course, UK was no slouch in November while beating North Texas State, Vanderbilt and Tennessee.

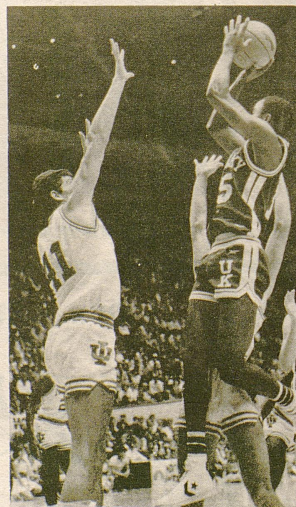

This game appears to be one of the better matchups among the 18 bowl games.

The game should be close but the edge seems to be with Wisconsin. Make the final score Wisconsin 17, Kentucky 14.

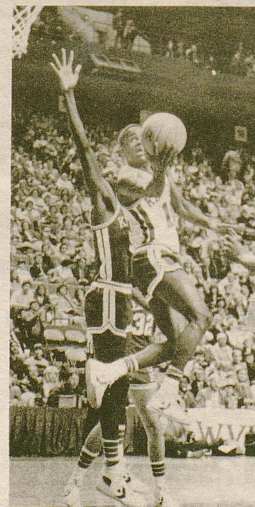

KENNY WALKER was simply spectacular in UK's loss to Louisville. His 32-point, 15-rebound performance is one Kentucky fans will remember for years to come.

But his game came as no surprise to his teammates. They have been watching Walker display that same talent for two years.

"He does those things all the time in practice," says senior Bret Bearup. "When Walker is on, he can be awesome. He can do almost anything he wants on the basketball floor. What he did against Louisville didn't surprise me at all."

Davender Twisting

Miami Poll Underrates Claiborne

Recently the Miami Herald conducted a poll to evaluate the Division I college football coaches (coaches in their first two seasons as a head coach were not given ratings). The ratings were derived from 46 columnists and reporters, former collegiate coaches Ara Parseghian and Dan Devine, recruiting analysts Max Emfinger and Joe Terranova, Sports Illustrated writer John Underwood, and ABC-TV's controversial Beano Cook. Coaches were rated under the following categories: sideline coaching, recruiting, winning, off the field discipline, and intangibles. Intangible meaning hiring of good assistants, delegating authority to the coaching staff, representing the university well, and quality of teams they play. Ratings were based on a 100-point scale, with a 17 in any category considered excellent and a 11 or below rating is failing.

Todd Hallum

Cats' Pause Columnist

Washington's Don James came out as the top rated coach followed by Vince Dooley (Georgia), Joe Paterno (Penn State), George Welsh (Virginia), and Tom Osborne (Nebraska). The number six through 10 ranked coaches included Howard Schnellenberger (Louisville), Bobby Bowden (Florida State), Pat Dye (Auburn), Lavelle Edwards (BYU), and Fred Akers (Texas).

One college coach who at least belongs in the Top 20 of the ratings is Kentucky's Jerry Claiborne. How could the polls' panel, whose man job is to astutely follow college football, leave out a man who has turned college programs completely around at Virginia Tech, Maryland, and Kentucky. Claiborne was placed 35th by the poll among the 66 coaches that were ranked.

It's hard to believe that such coaches as Jim Wacker (18), Mike White (22), Dick Crum (27), Jackie Sherrill (30), Jack Elway (31), and George McIntyre (33), be placed ahead of the 56-year-old Claiborne.

Jerry Claiborne No. 35?

TCU's Jim Wacker has done a remarkable job in guiding the 8-3 Horned Frogs to a Bluebonnet bowl appearance but will TCU pile up consistent 8-3 and 7-4 records like Claiborne has at his previous programs. Mike White has made the Illini of Illinois a legitimate Big 10 contender the past couple of years but White's program cheated to acquire that respectability and now the school is currently under NCAA probation. Jerry Claiborne on the other hand, has never had a football program placed under probation and to my knowledge, has his teams been investigated by the NCAA. Dick Crum did produce winning teams at Miami Ohio and currently North Carolina, but the Tar Heels experienced their worst record in years this season. College football's million dollar coach Jackie Sherrill experienced success at Pittsburgh but he hasn't exactly set the woods on fire at Texas A&M. Also, Sherrill had the luxury of coaching a list of NFL products including Dan Marino, Hugh Green, Ricky Jackson, and Russ Grimm, plus a few other high round draft picks. The only highly recognized NFL player Claiborne ever coached was All-Pro defensive tackle Randy White of the Dallas Cowboys.

It should be noted that the only other school that offered White a scholarship was Division I-AA Delaware. Finally, Jack Elway of Stanford, and Vanderbilt's George McIntyre have done adequate jobs at their high academic standard schools. Elway performed a remarkable task in rebuilding San Jose State and surprised everybody in the Pac 10 by winning five games in his first year at Stanford. McIntyre has made the Commodores competitive in the SEC wars but still possesses a 22-45 career record at Vanderbilt. The main point here is that both coaches are not even close to Claiborne when it comes to winning percentages and amassing victories on the Division I level.

Obviously the poll orchestrated by the Miami paper is very debatable. It's very difficult to say one particular coach is better than another. For example, has Terry Donohue done a better job at UCLA than Don Nehlen of West Virginia. The poll is definitely not justified ranking Jerry Claiborne in the middle of the pack of Division I-A coaches. Claiborne has always obeyed the sometimes ridiculous NCAA rules and never had the talent of the Nebraskas, Oklahomas, and Penn States. His squads have accumulated winning records on a consistent basis through his stays at Virginia Tech, Maryland, and now Kentucky. By not ranking Jerry Claiborne among the Top 20 coaches in the nation, the poll has not given the Kentucky head mentor the credit he rightly deserves for his overall coaching ability that has led to rebuilding losing programs.

Correction - Last week it was reported Kentucky would wear their all blue uniforms in the Hall of Fame Bowl. But as of Thursday (Dec. 20) UK has not decided on which uniform the team will wear for the bowl.

Hall Of Fame Pre-Game Notes

Eight University of Wisconsin football teams have won eight or more games during a season in the history of the sport at Madison....The current Badgers have a 7-3-1 record and a win in the Hall of Fame Bowl against Kentucky on Saturday, December 29th would move them into select company.

Wisconsin teams of 1897 (9-1), 1898 (9-1), 1899 (9-2) and 1901 (9-0) all won nine games, while the teams of 1900 (8-1), 1905 (8-2), 1942 (8-1-1) and 1962 (8-2) all posted eight wins in a season.

Wisconsin's 1984 football team is ranked 17th in the latest UPI poll, and 19th in the latest USA TODAY poll of the nation's top college teams....The Badgers finished 3rd in 1942, 8th in 1951, 9th in 1954, 7th in 1958, 6th in 1959, and 2nd in 1962 in the final wire service polls.

WISCONSIN PRACTICE PLANS: Coach Dave McClain will hold practice sessions on Friday, December 7th and Friday, December 14th, followed by sessions on December 19th, 20th and 21st. A double session will be held on Saturday, December 22nd.

The Badgers will depart for the Hall of Fame Bowl in Birmingham from Madison on Christmas Day, with arrival in Birmingham in time for an afternoon practice.

In Birmingham, Wisconsin will practice on December 26th, 27th and 28th. Game time for the Hall of Fame encounter against Kentucky will be 7:00 p.m. CST.

The 8th Annual Hall of Fame Bowl between Wisconsin and Kentucky will be telecast by WTBS of Atlanta, and it will be broadcast by the Mutual Radio Network, by the Kentucky Radio Network, by WIBA and WMLT-FM in Madison, by WTWJ in Milwaukee, and by the Wisconsin Network (WPHR), Wisconsin Rapids. (WVAD-Madison is the Mutual Network outlet.)

Quotes From Wisconsin Head Coach Dave McClain

"I think we've progressed greatly in bowl competition....because in my opinion, the Hall of Fame Bowl is one of the really coming bowls in the country. It's got a terrific date, playing it on December 29th, and it's starting to show it's a heck of a bowl just in the number of fans that they're getting. There's a possibility that it will be a sellout (76,000). It's a great town, and football is a very popular sport there.

"We're happy to be playing a team of the caliber of Kentucky, and I think it's a great way to showcase how far our program has come. The players are very excited to go to Birmingham because they know the people there really go out of their way to make the bowl a success. They work well with the players and the staffs, and we know we're going to have a very enjoyable experience."

After Defeat, Coach "Calls Off The Press"

Congratulations are offered to three Kentucky high school coaches who posted victory milestones earlier this month -- **Tommy Starns of Lexington Catholic, Bob Hall of Burgin and Donnie Harville of Lexington Lafayette.**

Starns recorded his 350th prep win Dec. 11 when Catholic defeated Lincoln County 81-61. Hall's 400th win came Dec. 14 when Burgin nipped Millersburg Military Institute 52-50. Harville, meanwhile, earned Win No. 100 Dec. 18 when Lafayette beat Clark County 56-46. May each man remain happy and healthy enough to win many more games. . . .

The Dumas Report

Scouting The Kentucky Prep Scene

With J. C. Dumas

Cats' Pause Columnist

Dec. 17 was a checkered day, of sorts, for the Apollo basketball team.

That afternoon, it was announced that Apollo had accepted a bid to play in next month's prestigious **Louisville Invitational Tournament**. Apollo thus will make its first LIT appearance since it won the tournament in 1978 en route to an unbeaten regular season. That team, led by **Steve Barker and Jeff Jones**, remained unbeaten until the State Tournament, when it lost to eventual champion **Shelby County** in the opening round.

The night of the 17th proved depressing for Apollo. Despite a 21-point performance from its talented guard, **Rex Chapman**, Apollo was surprised by **Doss 68-59** in the fourth annual **King of The Bluegrass Tournament** in Louisville. Senior forward **Maurice Jones** did in Apollo by scoring 29 points.

Chapman shot poorly in the game, hitting only nine of 22 shots from the field. Afterward, Apollo coach **John Whitmer** claimed Chapman suffered from what he termed a "nervous stomach," and refused to let reporters interview Chapman after the game. Referring to reporters and college recruiters, Whitmer said, "He (Chapman) needs to get away from that. He needs to get back to his basic play."

It sounds as if Whitmer could stand to relax, too. Recruiters are out basically to benefit themselves and their respective college programs. Reporters are only trying to inform the public. They surely take up much less of Whitmer's time than recruiters do -- so it's doubtful they deserve similar treatment for requesting a few minutes of Chapman's time after a game. . . .

Apollo's LIT bid also will force its rematch with city rival **Owensboro** to be rescheduled. The two teams were to meet Jan. 15 at the **Owensboro Sportscenter**. That date coincides, however, with the day all LIT first-round games are played in Louisville.

Apollo and Owensboro play all their home games at the Sportscenter. Owensboro athletic director **Jack Hicks** said rescheduling the game won't be easy. "The Sportscenter stays fairly busy, so finding a new date will be hard to do," Hicks said. "Unless, of course, Apollo loses in the first round. Then we might be able to play them later that week, like that Friday (the 18th)."

Fans in Owensboro are awaiting that rematch eagerly, and with good reason: In the teams' first meeting Dec. 4, Apollo outlasted Owensboro 65-61 in three overtimes. Chapman went crazy in that game, scoring 41 of Apollo's points. . . .

More on rescheduling: The highly-awaited matchup between **Seneca and Eastern**, originally slated for Dec. 7, was postponed because of snow. It's been reset for Feb. 2 at Eastern. The game will feature three mega-stars -- **Tony Kimbro and Keith Williams of Seneca**, and 7-foot-1 junior **Felton Spencer of Eastern**.

Forecasting that game won't be easy. But maybe **Kimbro and Spencer** could help fans pick a winner by getting up that morning, going outside and looking for their shadows. (If that confuses you, check the date of the game again.) . . .

Paris' 66-61 win Dec. 13 over last year's State Tournament runner-up, **Bourbon County**, generally was regarded as a major surprise -- to everyone but Paris coach **Mark Crain**, that is.

"It didn't shock us," Crain said. "Their reputation this year was based on what they did last year. This year, we're every bit as good as they are. A lot of people said that if we played them close, we should be satisfied. I didn't buy that. We've always got a shot to win against anybody."

Paris' cause against Bourbon County was helped by the play of forward **Terrance Brooks**, who scored 31 points and grabbed 11 rebounds. The Paris defense, meanwhile, held Bourbon County's standout forward, **Tracey Thomas**, to 11 points.

Brooks had the primary responsibility of shadowing Thomas. "Even when we went zone, Terrance was supposed to watch Thomas," Crain said. "Terrance did a super job. He's become a complete player." In the game, Brooks hit nine of 17 shots from the field and 13 of 14 free-throw attempts. . . .

Knox Central's 105-64 rout of **Jackson County** Dec. 11 was due not so much to outstanding shooting as superior boardwork. Knox Central outrebounded the losers 50-24. "We've outrebounded everyone we've played so far," Knox Central coach **Bill Swafford** said. "That's been a pleasant surprise."

Knox Central hoped for continued success in last week's **Druther's Classic** tournament held at the **Barbourville** school. The double-elimination tourney featured seven 13th Region teams -- **Clay County, Corbin, Cumberland, Jackson County, Knox Central, Middlesboro and Pineville** -- plus a Louisville school, **Shawnee**. Swafford said he hoped to attract a major out-of-town school to the classic each year. He's already approached **Louisville Western** and **Fairview** about coming next year, and said he also might invite an out-of-state school. . . .

Pardon me while I blush: In the December 15 issue, it was reported by some dumb columnist that uses initials that **Muhlenberg Central** lost to **Hopkinsville** in a Dec. 7 game at **Powderly, Ky.** Au contraire, roundball breath: The game was never played. It was postponed because of snow and icy conditions.

How do these things happen, you ask? Since Percy can't get me out of this one (as he always does for **Leonard Posttoasties**), I'll do it myself: Because of production deadlines, this column is written before weekend games. If such a game is referred to, a paragraph is written that allows editors the right to insert the score and change the paragraph accordingly when the score appears in the daily papers.

By now, you're probably a step ahead of me: Since the game was "snowed out," the score never appeared. And yours truly failed to confirm that the game was played. I assure you that I didn't goof because I had a heavy date (sadly, people who know me don't need to be told that.).

What do they pay these columnists, anyway? . . .

A second **Kentucky-Tennessee All-Star football** game has been scheduled for July 20 in **Nashville, Tenn.** Tennessee won the inaugural event 3-0 last June 30 at **Commonwealth Stadium** in **Lexington**. . . .

Finally, the hope is offered that all readers of **The Cats' Pause** had a merry Christmas. The family of **Kathleen Beumel**, the former Apollo track and cross-country star who was paralyzed last July during cheerleading practice at the **University of Hawaii**, currently is experiencing a type of holiday spirit few families ever get to enjoy.

That's because Kathleen, who continues to show significant improvement, got to spend Christmas in Owensboro with her family. She arrived in Owensboro Sunday (the 23rd), and will stay until sometime in early January, when she'll return to Honolulu to resume her studies at Hawaii.

With a beginning like that, the Beumels undoubtedly will have a happy 1985.

Here's hoping all of you follow suit.

Dave McClain:

"At The End Of The Season We Were A Darn Good Team"

By Nick Nicholas

Wisconsin Coach Dave McClain mentioned that he did not feel his Badgers would give up after a disappointing midseason loss to Minnesota. "As a coach you never feel that," said McClain in a phone interview last Thursday. "We were really down. They thought they were out of the Big Ten race. But you have to bounce back rapidly and you have to forget those things."

Minnesota upset host Wisconsin, along with a sellout homecoming crowd of 78,770, 17-14 on October 13th. Gopher field goal specialist Chip Lohmiller 26-yard boot with 6:26 remaining was the killer blow that beat the Badgers.

The loss dropped Wisconsin to 3-3, and with Ohio State, Iowa, Purdue, and Michigan State still on the Badgers' schedule things didn't look promising. But Coach McClain's philosophy worked. After beating Indiana (20-16) the Badgers beat the Buckeyes (16-14), tied Iowa (10-10), destroyed the Boilermakers (30-13), and won over the Spartans (20-10).

"At the end of the season we were a darn good football team," McClain said. "We were three plays away from the Rose Bowl." The three plays McClain was talking about were against Michigan and Minnesota. In their third game of the season, Wisconsin twice fumbled the ball inside the Wolverine's 10. The Badgers, while out-playing the home team, were defeated by Michigan 20-14.

Against Minnesota, quarterback Ricky Foggie surprised the Wisconsin defense with a 43-yard TD run to tie the score 14-14 late in the third quarter.

Though with the win at Michigan State the Badgers accepted a bowl bid to face Kentucky in the Hall of Fame Bowl in Birmingham. Wisconsin enters the game tied for the nation's third longest current win streak. The Badgers are behind Brigham Young, Florida, and tied with Maryland at four wins.

Since the Badgers do not have any indoor facilities they have to practice outside in the crisp Wisconsin air. As of Thursday the Badgers had one practice since their season finale against Michigan State. With the

temperature hovering in the last couple of weeks around the 20 degree mark it is understandable why the Badgers haven't been practicing.

"That part worries the devil out of me," noted McClain. "I think that's a big advantage for Kentucky. We really can't hit each other (contact in practices). Our kids can't do that."

"What kind of weather are you having down there?" asked the coach. That's why Wisconsin is leaving for Birmingham Christmas Day in order to get ready for the Wildcats.

Said McClain, "We have to do it."

As for Kentucky, the Wisconsin coach feels he's going to be in for a tough encounter December 29. "I think they're an excellent football team. I'm very impressed with their running backs and their special teams."

What about tailback George Adams?

"He does all the things well. It's going to be tough to slow him up. He's a good football player. But you can't concentrate on just one player. It's like when we faced Keith Byers (Ohio State). We didn't just concentrate on him, but the whole team."

McClain mentioned UK is comparable to the likes of Purdue and Ohio State.

"They do a good job running the pass and have a good sound defense,"

he said. But facing the wide-tackle-six is something new for Wisconsin as they didn't play against it this season. "It possesses some problems and creates some problems," McClain said.

Overall, the coach feels that it's going to be an exciting contest.

"We hope to get over 8,000 Wisconsin fans (ticket sales). I hear Kentucky has a lot of fans going down. We're certainly looking forward to it. It's going to be a good football game."

"I think Wisconsin playing Kentucky is going to make for a darn good football game."

Toon Is Wisconsin's Complete Player

By NICK NICHOLAS
TCP Staff Writer

Receiver Al Toon is what coaches call your "complete player." He's big, quick, and is an intelligent player.

Toon is also a star on the Wisconsin track team. The 1983, '84 track All-American was selected to the Olympic qualifying trial last June. However, he had to withdraw from the competition as he pulled a hamstring during the trials.

Even though he played with an injury throughout the entire 1984 football season, the 6-5, 195-pound split end was a very important player for the Badgers according to head coach Dave McClain.

"He's done a good job this year," said McClain about his senior receiver despite the injury.

"He's more closer to 100 percent going into the bowl game than he was at any time during this season."

The 1984 Playboy All-American selection has had an outstanding football career at Wisconsin. He holds the Badger school record for career receptions (127), receiving yardage (2,055), and touchdown receptions (19). The split end from Newport News, Va., was also selected first team All-Big Ten (1984) by both the AP and UPI, chosen Wisconsin's MVP for the last two seasons, and is going to play in the Hula Bowl in January.

Toon realizes there is a good chance of having a professional career in football. So, track will probably have to take a back seat to Toon's football talents.

"Track right now is a very minimal interest," said Toon in a phone interview with the TCP last Thursday. "The opportunity to play football is very, very good."

But right now Toon is concentrating on playing the University of Kentucky Wildcats in the Hall of Fame Bowl on December 29.

When asked if he thought the matchup would be exciting, Toon responded, "It should be. It's my last college game and I'm looking forward to it. I haven't heard too much on them, but from what I have heard is that they (UK) have good running backs."

"I'm not going to put my foot in my mouth and say that we are the best in the Big 10. But we did beat Ohio State and Purdue. I think we are among the top teams in the Big 10. That leaves a positive attitude going into the game the 29th."

[Continued On Page 15]

Kentucky vs. Cincinnati

The 1984 UKIT Champions

Kentucky Depth Too Much For Bearcats

Kentucky entered the UKIT with a record of 1-4, it left the tourney on an encouraging 3-4 slate.

Behind MVP Kenny Walker's 18 points UK defeated the University of Cincinnati 66-55 at Rupp Arena Saturday night.

Walker also grabbed down a team-high nine rebounds to go along with his four blocked shots.

Overall, it was an emotional contest between the two teams. Before the game even started, the 23,102 partisan Wildcat crowd jeered the Bearcats of coach Tony Yates when they came on the floor for pregame drills. Last season UC used the slowdown tactics during a 24-11 loss to the Cats at Riverfront Coliseum.

The Wildcat crowd was not about to forget last year's contest, neither was the UK team.

The emotion was to heat up.

Only 29 seconds into the contest Coach Joe B. Hall demanded a technical foul, and got one. Hall was irate with the physical play on Roger Harden who drove for a lay-up, crashed to the floor and no foul was called. Hall stormed down the sidelines, well outside of the coaches' box. In fact, had he take a couple more steps, he would have been back in the coach's box, but it would have been Cincinnati's, not his.

"The first play of the game they clobbered us," said Hall after the game.

In the second half, UC coach Tony Yates was not to be left out of the drama as he also was struck with a technical.

For the game, Cincinnati committed 25 fouls compared to Kentucky's 23.

Kentucky ended up shooting 41 points from the field (25-61) while UC shot a horrendous 29 percent (16-55). The visitors outrebounded the Cats 25-23 and also shot more free throws 28-23.

Second Half Spurt Keys UK Win

Kentucky took its first lead, 37-36, when sophomore James Blackmon (coming off the bench) hit a wide open 15-foot jump shot. From that point on, the lead was UK's for keeps.

The Wildcats eventually opened up an 18-point advantage as Bret Bearup faked to his right and hit a turnaround four-footer for a 61-43 lead with 6:35 left.

Hall used the last couple of minutes to get some playing time for his reserves. But the strategy almost backfired when Tony Wilson scored on a fast break to cut the lead to 64-55 with 1:02 remaining. Hall, though, left his reserves in as they held on for the win.

Madison And Blackmon Spark The Cats

Blackmon and Richard Madison's second half performances took the scoring load off of No. 34's back.

Blackmon, who was suspended for the ETSU game because of missing a recent practice, pumped in 12 points, all in the second half. When he first entered the game the contest during the first period (2:43) he received a loud ovation from the UK crowd.

The 6-2 guard also finished the contest with two assists and two steals. On UK's first offensive series in the second half, Blackmon knotted the game at 29-29 with a 20-footer that feathered through the twine. With Kentucky hanging on to a shaky two-point lead it was Blackmon again from long range. From deep on the right baseline, he drilled a 16-footer to widen the UK lead to four.

Madison also played an inspiring reserve role. The freshman playing like a veteran scored 12 points and pulled down eight rebounds to aid the Wildcats' cause.

In the second stanza alone, he contributed eight points and five rebounds in over 17 minutes of action. But Madison's contributions were also needed in the first 20 minutes.

With Kentucky trailing by as many as seven points (28-21), Madison was inserted late in the half and was a key factor in UK drawing within two at halftime. His two of three shooting from the field along with his board work helped rally the Cats.

Hughes Leads UC In First Half Action

UC threatened to upset the Cats in their own invitational, at least it appeared that way through the first half.

Myron Hughes came on like "Catbusters" at the 13:20 mark in the first half. During a span of 5:21, the 6-7 junior tallied 12 straight Bearcat points, in which UC increased its lead from 8-6 to 20-13.

However, Hughes' scoring spree really didn't take place until after he was whistled for his third foul with 12:18 remaining in the first period.

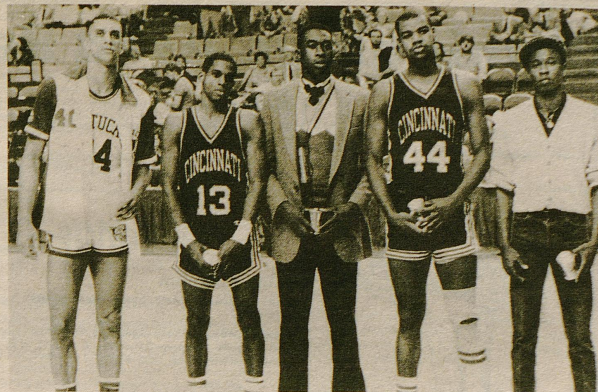

Hughes scored 16 points while pulling down a game-high 10 boards.

The reason for Hughes' sudden spurt was that his teammates were getting picks on Walker. However, UK solved that problem by switching sophomore Winston Bennett on the Cincy scorer. For the rest of the half, Hughes was held to two free throws.

Teammate Derrick McMillin tied Hughs for UC scoring honors with 16 points, including 10 of 11 from the charity line.

No TCP Next Week

Due to the holidays and Hall of Fame Bowl being played on Saturday night, TCP will not publish an edition next week.

TCP will publish an expanded edition the following week to include all the highlights of the Hall of Fame Bowl plus coverage of the basketball

games with Auburn and North Carolina State.

To complete the full schedule of 35 issues, an extra edition will be published after spring football practice in April.

See you in Birmingham this week!

Looking Forward To Hall Of Fame

[Continued From Page 13]

Something, however he may not have been looking forward to is practicing Christmas Day in Birmingham.

"Christmas Day is a special day. It's a shame you have to. But once you get on a football field then it's a different feeling. Christmas Day only lasts one day. You have to do certain things if you want to establish certain things," said Toon.

Toon noted that there has been some talk about the suspension of the three UK defensive players (Brian Williams, Tony Mayes and Russell Hairston). There have been rumors that Wisconsin may gear its offense toward their replacements.

"There is that possibility," Toon said. "There has been talk about it. That gives us a little bit of an advantage, and if there is an opportunity of taking advantage of it, the coaches will probably use it (to Wisconsin's benefit)."

If that's the case, then Toon and his buddies could have a field day in the Wildcat secondary. He's the type player that can change the outcome of a contest all by himself.

"I think he's a great player," said McClain, "not only a great player but a great person."

Birmingham Area Restaurant Guide

Birmingham, America's MAGIC CITY, would like to introduce you to many of its fine eating establishments operating in the area.

For each of the over 100 Chamber member restaurants listed in the Guide, a brief description of their specialty is provided, along with days and hours of operation, pricing and dress codes.

We invite you to use this Guide as a tool to plan a busy, fun-filled weekend, plan a special occasion, or decide what to pick up on the way home.

Visitors to the area will find this information particularly helpful when trying to satisfy their taste buds.

This information is current as of June, 1983 and while every attempt has been made to make this Guide as complete and accurate as possible, please feel free to call the Chamber for any additional information.

The following listing of eating establishments are all members of the Birmingham Area Chamber of Commerce with a proven track record: good food, good service and a good time!!

Major credit cards are coded MCA (major cards accepted), which in this Guide includes Master Card, Visa and American Express. If additional cards are accepted, they will be listed by name. NCA (no cards accepted) will be shown if this applies.

PRICE CODES PER AVERAGE MEAL INCLUDE:

\$-under \$5
 \$\$-\$5-\$12
 \$\$\$-\$12 and up

An establishment may show all codes depicting different average meal costs for breakfast, lunch and dinner.

Dress requirements are coded (C) for casual, (C&T) for coat and tie and (O) for optional.

Wisconsin - Kentucky Team Notes

The University of Wisconsin Badgers posted the school's best seasonal record (7-3-1) since 1962 when the UW went 9-2. It was the fourth consecutive winning overall and Big Ten seasons for Wisconsin. The Cardinal and White have won seven games in each of the last four seasons under Head Coach Dave McClain.

Kentucky, meanwhile, finished 8-3-0 in 1984 under third-year Head Coach Jerry Claiborne. The Wildcats, who finished at 6-5-1 in 1983, put together their first back-to-back winning seasons since 1976-77. Their 1983 and 1984 appearances in the Hall of Fame Bowl are Kentucky's first back-to-back bowl games since a four-year span from 1949-52.

Wisconsin's top rusher was senior tailback **Marck Harrison**, who finished the 1984 campaign with 796 net yards on 165 carries for a 4.8 average with three touchdowns. Sophomore tailback **Larry Emery**, the Badgers leading rusher through the first seven games before being lost for the season with a knee injury, had 675 yards on 109 carries for a 6.2 mean with five TD's. Kentucky was led in rushing by senior running back **George Adams**, who became the third player in Kentucky history to gain 1,000 yards when he amassed 1,085 yards on 253 carries for a 4.2 average with 13 touchdowns.

At Quarterback, Badger sophomore **Mike Howard** hit on 163 of 285 attempts for a .572 percentage with 10 touchdowns and just 11 interceptions. His Kentucky counterpart, **Bill Ransdell**, had 148 completions in 266 attempts for a .556 percentage with 11 touchdowns and 11 interceptions.

The Badgers' top receivers through the 1984 regular season have been senior **Al Toon**, who had 50 catches for 702 yards and five TD's, and senior tight end **Bret Pearson**, who finished with 30 receptions for 360 yards. For the Wildcats, running back **George Adams** was the top pass catcher, hauling in 33 for 330 yards and one touchdown.

Defensively, Wisconsin was led by senior linebacker **Jim Melka**, who had 113 tackles, the third straight season he has led the team in that category. Sophomore linebackers **Tim Jordan** and **Rick Graf** had 12 and 11 tackles for loss respectively to rank among Big Ten leaders, while defensive back **Ken Stills** and linebacker **Craig Raddatz** topped the UW with five interceptions apiece. Defensive back **Richard Johnson**, named to the Football Writer's All-America team, was credited with six blocked kicks.

RUSHING: Larry Emery, 3rd, 96.4 Yds/Game

Blackmon Did Himself A Favor By Returning

Kentucky's sophomore guard James Blackmon did himself a favor returning to school and the basketball team last week.

Perhaps Blackmon "grew up a little" and came to realize that he has time (and opportunity) at UK to prove that he can be a good player he believes he is on a big time college basketball team.

But frankly I am among those who wonder if Blackmon's style play and demeanor will ever lead to "outstanding status" or maybe even compatibility with Joe B. Hall's system.

He's got some convincing to do.

Blackmon's situation is typical of so many young basketball stars who arrived from high school with blue chip and "can't miss" labels. It is difficult to wait for playing time and put behind them the *solo style* so familiar to high school basketball.

Bob Watkins

Cats' Pause Columnist

But Blackmon, Ed Davender and other young player who have doubts about where they fit in, simply have to listen and learn, have patience and gumption enough to learn from those who have gone before and made mistakes. The list of defectors from UK's program under Hall is interesting. Interesting that not one of them reached any plateau of success after leaving UK. The *went home roster* includes: Tim Stephens, Chuck Aleksinas, Dwight Anderson, Clarence Tillman, Todd May and Mike Ballenger.

At least two of those — Anderson and Aleksinas — admitted later that leaving UK was a mistake.

UK's Derrick Hord

In Bert Nelli's recently published book *The Winning Tradition — A History of Kentucky Wildcat Basketball* former UK player Derrick Hord jabs pretty hard at the Louisville and Lexington media. And frankly his views are disappointing, out of character for Hord, but reflective of many established sports programs — blame your troubles on the media because the fans love it.

"The Louisville papers like to jump on Coach Hall," Hord tells Nelli. "but the Lexington papers jump on everybody. *Piranha Press*, that's what I call them. They build you up to break you down."

Hord added, "Not all the reporters though, just a couple."

Recruiting

Kentucky has three basketball scholarships to offer come next spring and there are still a few top notch prospects who are considering UK. According to one national prep talent scout here is an update.

- Danny Ferry is considering North Carolina, Duke and Virginia, but has indicated he will make an official visit to UK.

- John Edwards, a 6-9 forward from New Orleans, is considering UCLA, UK, Louisville and LSU.

- Tony Kimbro, 6-8 forward from Louisville Seneca is considering U of L, UK and UNLV.

- Kenny Payne, 6-7 swingman from Laurel, Miss. said last week he will choose from among UK, Louisville, Georgia, Mississippi State and Ole Miss.

- Michael Cutright, a 6-4 forward from Zwole, La., is narrowed his schools to LSU, UK, Arkansas and SW La.

- Tommy Lewis, a 6-7 swingman from Los Angeles, will pick from Arizona State, UCLA, Louisville and UK.

Best 'houl'

Which college basketball programs had "the best of it" in November signings? According to one prep talent scout the top five were: North Carolina, Iowa, North Carolina State, Villanova and UCLA.

Writes Van Coleman for Basketball Times: "If Tar Heels sign Danny Ferry in April (they're favored) this would be a hall of fame class with three of America's consensus top 10."

Carolina's three November signees were: 6-5 Kevin Madden, 6-3 Jeff Lebo, 6-11 Marty Hensley and 6-6 Steve Bucknall.

- Iowa signed two of America's top five — 6-5 swingman Roy Marble of Flint, Mich. and 6-1 point guard B.J. Armstrong of Birmingham, Mich. Coach George Raveling also got 6-8 Ed Horton of Springfield, Ill., said to be second only Ferry among big men, and 6-7 Kevin Gamble, a JUCO star.

- NC State landed five including four in-state forward prospects — 6-9 power forward Charls Shackleford, 6-8 Chuck Brown, 6-8 Eric Duncan and 6-6 Kenny Poston. And, the best of the lot may be 6-7 Walker Lambiotte of Woodstock, Va.

- Villanova signed three top 65 players — 6-6 off guard Doug West, 5-9 point man Kenny Wilson, two 6-10ers — Marty Eggleston and Bryan Tucker, and 6-6 Gary Massey. Those five are expected to take coach Rollie Massamino back to the top of the Big East, predicts Coleman.

- UCLA landed 6-1 prize Jerome 'Pooh' Richardson, one of three best guards in the country to go with the "best guard in the west," 6-3 Rod Palmer. And UCLA is said to be "in the lead" for the country's best swingman, 6-7 Tommy Lewis.

Coleman lists *Best of the Rest* Purdue, Missouri, Syracuse, Virginia and Michigan. *The Next Ten* includes Louisville, Notre Dame, Tennessee, Maryland, Georgia and Virginia Tech.

Assistant coach survey

In its December edition *Tipoff Magazine*—a publication devoted to college basketball—offers a survey by columnist Dave Jones rating the best assistant coaches in America. Primary criteria? Right. His recruiting skills.

High on the survey list are Kentucky's Leonard Hamilton and Louisville's Wade Houston.

"If the coaches and commentators that we talked to are representative," Jones writes, "it seems like a pool of all of the nation's coaches would look something like this:"

1. Ken Burmeister, Arizona;
2. Tom Abatemarco North Carolina State.
3. Jim Crews Indiana.

A rival Big 10 coach said of Crews: "He is a class guy who recruits clean and gets kids with character who will play hard for his head coach." Others say Crews is "an excellent judge of talent."

Next was Hamilton of Kentucky.

"Everybody seems to like Leonard Hamilton," Jones says, "noting that he represents Kentucky very well. The question, of course, is, how hard is it to recruit to Kentucky? One head coach said, 'Leonard is a nice guy, but your sister could recruit for Kentucky.'"

But, Jones adds, several coaches noted that Hamilton had been successful at a lower level as well, (i.e. Austin Peay) before moving to Kentucky. "And that he knows very well what has to be done to be a successful recruiter at any level."

Back to Jones' report... "The rest of the great ones, according to the coaches we interviewed plus some notable quotes, include" Louisville's Wade Houston.

"He definitely belongs in the top ten, according to several coaches," Jones writes.

Comment: Houston and U of L have "finished second" on some good players, but his list of signees would be hard to match it seems to me. Just a few — Darrell Griffith, Rodney and Scooter McCray, Derek Smith, Milt Wagner, Billy Thompson and Kevin Walls.

Favorite things

- Wishing I were in Jerry Claiborne's shoes. The UK athletics board met last Friday and gave Claiborne a new five year contract...with an increase somewhere in excess of the 2.2 percent cost of living mark you and I are accustomed to.

- Wondering... if every time Billy Packer uses the word great in a basketball telecast, \$5 would be taken out of his paycheck, would he have anything left for car fare to the airport?

- Wondering... how much Al McGuire paid to have his teeth capped?

- Wondering... if the Japanese fellow in the Sylvania/Sony television commercial said what I think he said at the end.

- A good chuckle when 30+ sports writers and broadcasters from around the state tried to predict the outcome of last week's Louisville-Kentucky game and a kid from Elizabethtown upstaged us all. Adam Jenkins, an 11-year-old sixth grader at Hardin Central Junior High not only picked the point spread, but the correct score, 71-64.

- "I just knew Louisville was gonna win," Adam said. "But it was just alucky guess."

Comment: And a little child shall lead them.

- Watching my 10-year-old daughter Weslea while she watches a University of Kentucky basketball game on television. This kid knows the game too. Just one problem though. When UK falls behind or loses, Weslea says, "The officials! They stole it from us."

- Listening and laughing when fans accuse me of being a UK fan. Or is it U of L fan. Both? Neither?

Comment: Sports reporters aren't *fans*, are they, Cawood? Van?

- Jeff Hall's reaction to the Louisville Cardinals having to be out of town for Christmas...in Hawaii. "Yeah, it's tough," he winked. "But gee, I guess we have to go. Somebody's got to do it."

- Kentucky coach Joe B. Hall's comment after his team was beaten by U of L. "Louisville played a fine game. We could have played better and still lost to them tonight."

- Listening to and laughing at Jock Sutherland when he criticizes the University of Kentucky basketball program.

- One of the funniest things I heard last week. A fan on a call-in radio show said, "the fans at Rupp Arena are among the most polite in college basketball."

- The caller was followed by another man who said, "the crowd at Rupp Arena is the most rude in college basketball."

Footnote: Incidentally, the Freedom Hall crowd at the Louisville-Kentucky game didn't do its image any good when UK's Winston Bennett fouled out. A surprisingly large number of U of L fans booed and heckled Bennett as he strode to the bench. A player who goes as hard as Bennett does deserved better.

- Boyish enthusiasm. It was refreshing, the awed expression on the face of Southern Methodist Coach Dave Bliss after his club beat Kentucky in Rupp Arena Dec. 1. "I know Kentucky's in a rebuilding year," he said. "But I'd take one of their rebuilding years."

Missing...

Whatever happened to Thad Jaracz ('68) of Rupp's Runts, Billy Bibb ('54), Ned Jennings ('61)?

Footnote: It has been a personal delight recently to see letters to *The Cats Pause* from ex-UK football star Earl Swindle and another of my favorite UK players, basketballer Johnny Brewer ('57).

The *Whatever happened to* 's offered to stir some of you memories and recollections and to acknowledge some contributors to UK's rich athletic traditions.

Whatever happened to Ray Mills ('57)?

Parting shot

A remark made by Duke coach Mike Krzyzewski after his Blue Devils beat Northwestern Wednesday night.

"We're not an all-airport team, where we walk through an airport and people are amazed by how big we are."

But Duke is unbeaten and ranked second in America.

And so it goes ■

Kentucky vs. East Tennessee

Looking For Turn Around

When East Tennessee State University took the floor against the University of Kentucky, each school was looking for better days ahead. Kentucky was on the long end of a four-game losing streak and desperately needing a win for confidence as the Cats prepared for Christmas break. On the other hand, ETSU was probably more grateful with their 2-3 record, especially after escaping with only minor injuries following a crash landing of their charter plane a week earlier in Jasper, Alabama. Still, the Bucs wanted to get on the winning track and put the near-tragedy behind them.

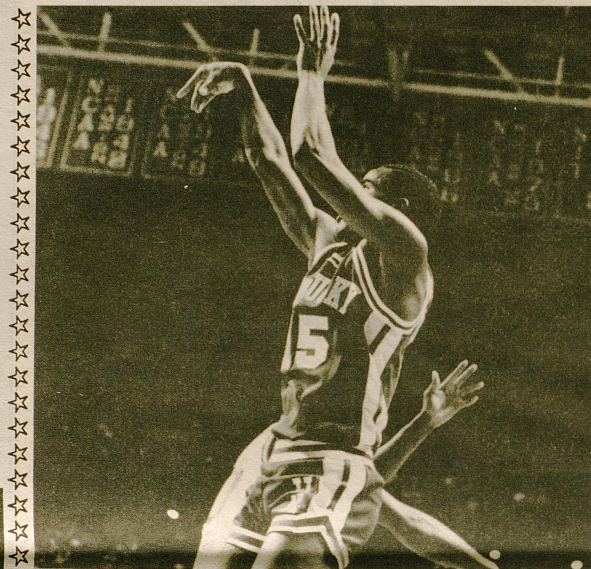

Bucs Hang Tough Early

Throughout the first twenty minutes of play, it appeared the Bucs might just hang on and sent the Wildcats reeling to their fifth straight loss. That is until freshman Ed Davender got hot.

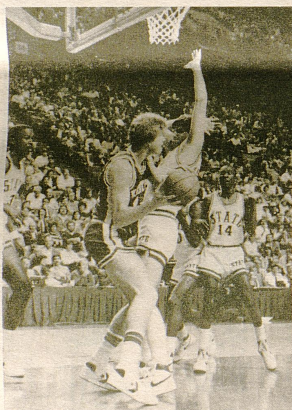

Five minutes into the game, Davender drove the paint and came away with a three-point play to give UK an 11-8 lead for the first time of the contest.

That was only the beginning for the red-hot kid from Brooklyn. He continued to fill it up, hitting 6 of 9 the first half from the field and enjoyed 16 points by intermission as UK eased out to a 35-30 advantage.

Almost equalling Davender's feat for the Bucs was All-UKIT selection Wes Stallings who scored 12 points in the first half on torrid six of eight shooting from long range.

Cats Dominate Second Half

Having enjoyed a 17-11 advantage in the first half on the boards, Kentucky flexed its muscles in the second period, moved out to a quick 12-point (42-30) lead and preserved a safe margin the rest of the way.

At the outset of the second half, Kentucky got quick points from four of its starters (Harden, Bennett, Davender and Walker) with a 12-footer from Walker giving the Cats that 42-30 advantage.

Walker, who was chosen the UKIT Most Valuable Player, was the key man for the Cats on the boards with nine while freshman Richard Madison came off the bench to haul down seven missed shots himself.

ETSU Happy With Return To Action

Despite the loss, ETSU coach Barry Dowd was obviously pleased with the effort put forth by his Bucs. "We found out tonight that we can win and if we can continue to play with that much courage and intensity, we'll be okay. Here we were in Rupp Arena before 21,000 fans and they didn't bother them. That is more people than the towns of some of our players."

"To go through what (plane crash) we did and to bounce back with a game like this shows courage," added Dowd. "I am proud of them. A lot of teams would have just folded up - and no one would have blamed them."

Dowd paid tribute to Davender as the difference for UK. "Davender is a terrific shooter," said Dowd. "That is what Kentucky had to do, hit from the outside to win. We wanted to keep the inside shut down."

Hall agreed.

"Ed did a good job both offensively and defensively for us tonight," said Hall. "His defense really came through in the second half and his offense was strong the whole game."

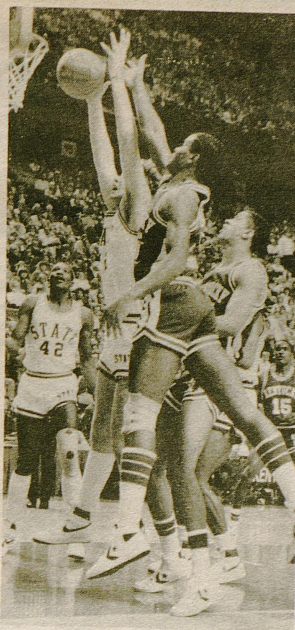

But Hall added, "The thing that bothered me the most about this game was that we didn't play with the intensity or unity that we have been showing, particularly in the Louisville and SMU games. But give East Tennessee credit for a sensational effort, especially after what they've been through. I think their play made Coach Dowd really proud."

Davender, Stallings Top Scorers

Davender won game scoring honors with 27 points on 9 of 15 from the field and nine of ten from the free throw line while Walker and Bret Bearup contributed 12 and 11 points in that order. Stallings was tops for ETSU with 22 points on 10 of 15 from the field and two free throws while Tandy and Mark Watkins added 14 and 10 points respectively. ETSU enjoyed a better shooting night, but the Cats had a 31-23 edge in the rebounding department.

From The Locker Room

Paul Andrews

Winston Bennett

[About playing off the bench] I feel real comfortable coming off the bench, more than I do starting. I just felt like once the other guards get in there, and get the game going, then I can just sit over there and watch, and watch what they're doing. That way I can come in there and play loose-I think that's what I did tonight.

[About snapping four-game losing streak] I think that was a big boost for us because we really needed this win. We did lose some I thought we should have won, but we do have a tough schedule. We needed one game to get our confidence back and I think this could have been the game.

Kenny Walker

[About this Kentucky team getting back on the winning track] We just have to brush up on the fundamentals right now and evaluate some of the mistakes that we've been making. In this victory, we made a lot of mistakes. We didn't play at the intensity level like we did in the Louisville game. I guess that's because we did play so well in that game and we did have a letdown. But it's good to get a win. The main thing is to keep plugging away and just try to get a little unity on this team.

[About the play of Davender] I knew in high school that Ed was a great scorer. He's been kind of confused offensively, I think. But tonight he came out and hit his first two or three shots and I think that really opened up a lot for him. He got his confidence up and did a great job. He had one heck of a game.

[About winning the ball game] It feels mighty good to get a win under our belt. It feels good to be home and to be able to play in front of our home crowd. I think that really gave us enough lift because we came in here kind of flat. We were playing a team like East Tennessee State who came out of a plane crash, and we were very thankful for them coming up here to play us. We just didn't give a good effort tonight. They came out and really stuck it to us. So we were happy to get a win.

[About Davender's play] Ed did a great job. You could really tell that he's maturing as a guard. He's really learning the plays and he is running the offense. If he sees a defensive man break down in the offense, then he's gotten to the point where he takes the ball to the hole, or makes a penetrating move and pitch off. That's going to help him on down the road.

Ed Davender

[About his performances prior to the ETSU game] I think that in all the games we've played against some tough teams and I was coming in too tight. I had a long talk with Coach Hall and he just told me to come out and just play my game.

[About starting the game] About five minutes before the game, I was told. When we were playing SMU, I knew that I was starting two or three days before that. And I think that stayed on my mind that I was starting. I think that hurt me a little bit. Tonight, I didn't know about (starting) until five minutes before the game and I just came out and played.

[How he was told about starting] He (Hall) just wrote it on the board and I just looked and said, "Oh, Lord."

Warren Central's Ware Is Polishing Up Skills

Give any Hollywood producer the script, and he'd surely adorn his best "Love ya, baby" artificial smile and say, "Sure, sweetie -- we'll bounce it off the big boys and get back to you. This could be the one, big guy."

Such scripts usually are "the ones," all right -- the ones eventually laid to rest in the big, round file found close to the ground.

A screenplay relating The Charles Ware Story may not sell. But its validity can't be questioned. Especially in Bowling Green, where the Warren Central star -- who's in only his second season of organized basketball -- has overwhelmed observers who are aware of his limited experience.

In other words, people are seeing out of Ware what nobody expected to see -- a "diamond in the rough" who's fast becoming a polished offensive gem.

In his first seven games of this, his second season, Ware averaged 27.2 points a contest. Warren Central benefited handsomely from Ware's efforts, winning six of those seven games.

Included among Ware's showings were the following eye-popping totals: 36 points on Dec. 7 in a 71-67 win over defending state champion Logan County; 31 points on Dec. 11 in a 68-56 victory over Russellville; and 32 points on Dec. 15 in an 82-77 conquest of Grayson County in the championship game of the Edmonson County Invitational Tournament.

Warren Central coach Curtis Turley said he continues to be amazed at Ware's rapid rate of improvement.

"I know it sounds unbelievable, and if I wrote it as a story, nobody would believe it," Turley said. "He'd never played before last year. Then once he played last year, we could tell he could play offense, but he'd pass up shots. And he had no idea of how to play a role in an offensive scheme.

"But he learned in a hurry. He's come so far so fast that I'm sure he'll be quite a find for some college someday."

Ware, a 6-foot-2 senior forward, came a long way just to get to Warren Central. He moved to Bowling Green with his family from St. Louis, Mo. in the summer of 1983. Turley recalled the story of how he happened upon Ware, and said he regards it as a classic.

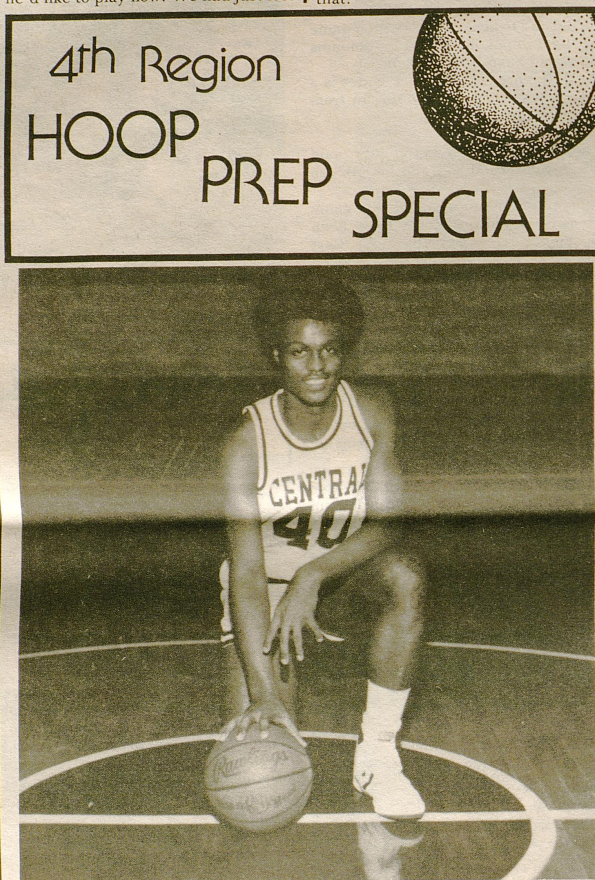

"It sounds like something you'd make up, but it's true," Turley said. "It happened during a P.E. (physical education) class. I walked in one day, and a bunch of the kids were playing around. Then I look over, and here's this kid jumping and dunking like crazy. I'd never seen him before. Some

college kids from Western (Kentucky) come over sometimes to play. I figured he must have been from the university.

"So I go over and talk to him, and he says that he attends Warren Central and that he had just moved in from St. Louis. I ask him if he'd like to play for us, and he said he'd never played for an organized team before, but that he'd like to play now. We had just lost

resulted from his lack of organized basketball training.

"Charles had absolutely no idea of how to run a play, where he was supposed to be on any play. He was just completely green," Turley said. "Then, once he started learning the offense better, he wouldn't take shots. He was thinking too much about where he should be. We had to cure him of that."

Warren Central's Charles Ware

an All-Stater (Craig Eversoll), so I knew this kid could help us."

The help from Ware arrived, albeit slowly at first. He finished last season with a 16.8 scoring average, but finished strongly after appearing hesitant to shoot early in the season.

Turley said Ware's backwardness

resulted from his lack of organized basketball training. "Charles had absolutely no idea of how to run a play, where he was supposed to be on any play. He was just completely green," Turley said. "Then, once he started learning the offense better, he wouldn't take shots. He was thinking too much about where he should be. We had to cure him of that."

Turley said. "From that point on, he was a lot more aggressive on offense."

The products of Ware's offensive aggressiveness have expanded beyond Turley's expectations this season. "We knew Charles had improved in most aspects of his game," Turley said. "But we never imagined 27 points a game."

Ware had honed his skills over the summer at a basketball camp at Kentucky Wesleyan College. He also accompanied his Warren Central teammates on a summer tour that saw the team play five games in Ireland against area "club" teams. Warren Central won all five games, though many of the club players were in their mid-20's. "Lots of the (Irish) players were older, but they were way behind American teams in terms of expertise and fundamentals," Turley said. "But Charles and all the kids gained a lot of good experience there."

The positive experiences have continued for Ware this season, though he's been confronted with a variety of defenses designed to confound him.

Against Logan County, led by All-State candidate John Tisdale, Ware hit 17 of 26 shots from the field, or 65.3 percent. "They tried a 'box-and-one' (in which one player played Ware man-to-man), but he kept getting their players in foul trouble," Turley said. "Then they tried several (other) zones, and a man-to-man, but nothing seemed to work. He can shoot off any defense."

The story was similar against Russellville. The losers opened in a "triangle-and-two" zone designed to negate the scoring of Ware and guard Jerry Sneller. That didn't work, either. Ware hit 13 of 19 shots (68.4 percent), while Sneller added 14 points. Ware then hit 13 of 16 shots in the meeting with Grayson County in the Edmonson County tournament.

Ware's overall improvement already has helped Warren Central fans consider last year's 11-14 record as irrelevant. Turley said he hopes that, led by Ware, his team can return to the State Tournament next March at Rupp Arena in Lexington -- a vacation spot the team visited in 1982 and '83.

"The region's balanced this year, but Charles already has become quite a leader," Turley said. "All the kids look up to him. That's odd for someone who's only played two years. There's no telling what kind of good things are waiting for us."

Turley certainly will settle for the type of "good things" of which state championships -- and, perhaps, movies -- are made.

Claiborne Named Region Two Coach Of The Year

The members of the American Football Coaches Association (AFCA) have picked Jerry Claiborne of Kentucky as the 1984 Kodak University Division I-A Coach of the Year for Region 2.

Claiborne was one of five I-A regional coaches of the year named by his colleagues. The others are Joe Morrison, South Carolina; Leon Burnett, Purdue; Jim Wacker, Texas Christian and LaVell Edwards, Brigham Young.

The five form the pool of leading candidates for the national Kodak Coach of the Year in this classification to be picked by AFCA members and announced on January 10, 1985 in Nashville, TN.

Claiborne was cited for an outstanding job in leading the unrated Wildcats to an 8-3-0 record and to their second consecutive appearance in the Hall of Fame Bowl.

After his first UK team (1982) finished 0-10-1, he coached the

Wildcats to a 6-4-1 record for the biggest turnaround of the 1983 season and the second biggest turnaround in NCAA football history.

The Wildcats lost to West Virginia, 20-16, in the Hall of Fame Bowl at Birmingham and will return there to meet Wisconsin December 29.

In addition to the five University Division I-A regional coaches of the year, the AFCA today also named five regional coaches of the year in University Division I-AA, College

Division I (including NCAA Division II and NAIA Division I) and College Division II (including NCAA Division III and NAIA Division II).

Eastman Kodak Company has sponsored the AFCA Coach of the Year award since 1960. The company supports this activity because of the close relationship between coaching, photography and videography, key elements in most college coaching programs.

Phil's Will Stronger Than Disease

Phil Argento, the ex-University of Kentucky basketball player who is attempting to resume a normal life after battling a serious illness for much of 1983, says he's tired of people trying to make his condition sound worse than it is.

"It really bothers me that there have been newspaper articles which have blown this thing totally out of proportion," said Argento in a telephone interview from his home in Avon Lake, Ohio, a suburb of Cleveland. "One paper in Kentucky really distorted the facts real bad. It's disappointing."

Mel Holbrook

Cats' Pause Columnist

Argento, who played for the Wildcats from 1966-69, was stricken in May of 1983 with polymyositis, a disease in the muscular dystrophy family. The sickness, which leaves the body muscles inflamed and saps body strength, left Argento unable to walk for much of 1983.

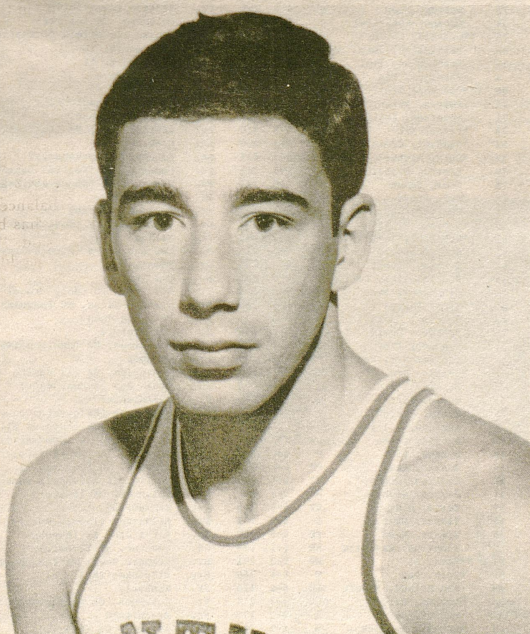

But medication has left him feeling much better and the disease is in remission. Argento is getting around on his own now, has gone back to work and has even resumed one of his favorite sports, swimming.

"I feel fine," said Argento, now 37. "My condition has improved steadily. I'm still taking medication to control the situation. But I'm much better than months ago."

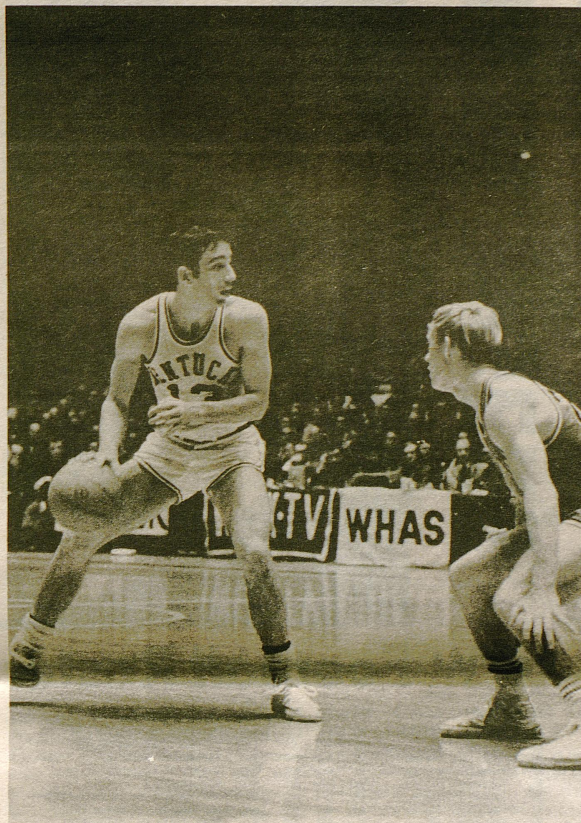

The former All-Ohio player set numerous records at West High School before continuing his career at Lexington. In one prep game he scored as many points as did the opposition, 66. In his freshman season at Kentucky he averaged 30 points per game and broke his own UK record for most points in a game four times. In one freshman contest he scored 50 points. After a dismal sophomore year, he came back to average 13 points his junior season and 10 in the senior campaign.

Argento, 6-2 and 175 pounds, played guard and was a three-year starter for Coach Adolph Rupp. He was the team's best free-throw shooter his senior year and was voted most outstanding senior. He also received a scholastic award for academic excellence.

"I could rattle off so many records that he's set we could talk forever," said Argento's high school coach, Frank Topola. "He's one dedicated boy. That's what has helped him with this trouble he's had."

Phil Argento

Argento Playing For Kentucky In 1966-69

Upon graduation from Kentucky, Argento was drafted by the Los Angeles Lakers of the National Basketball Association. But Argento, who had just gotten married and had a lucrative business in the Bluegrass, didn't even try out. Later on, he played AAU ball and was offered a tryout with the now-defunct Cincinnati Royals. But, once again, he elected not to take an NBA team up on its offer.

"I don't know why he didn't try out," said Topola. "He's a family man, I guess, and he didn't want to spend that much time away from his family traveling."

Argento and his family moved to Avon Lake, where he took up coaching and teaching. He was doing just fine until the disease hit.

"I just started having trouble walking and found it difficult to walk each time I tried," Argento explained. "It hit me in a matter of a few days. This type of disease just eats away at your muscles. All those muscles just disappear."

On the advice of his doctor, Argento had himself admitted to a hospital for two weeks, where he received prednisone, taking the medication every day.

"The medication started to reduce the inflammation," Argento said. "But when I left the hospital at the end of June (1983) my shoes felt like they weighed about 10 pounds. But it was then that the disease really started to spread throughout my body — to my back, my arms and my neck. I couldn't even get dressed."

Argento was admitted to the Cleveland Clinic, which specializes in muscular dystrophy diseases, in late June for rehabilitative physical therapy. At first it seemed the medication wasn't helping, but then he slowly began getting better.

Word got around that Argento was in trouble. The K-Men's Association, a fraternal organization at UK, began taking donations to help his medical expenses. Argento and his wife Marti have four children. Up to now at least \$7,000 has been donated. Many stories have been done to further publicize his need.

"I read stories his illness was terminal, like Lou Gehrig's disease, but it's not," said Topola. "He's definitely getting better. He's back working now, selling condominiums. He's doing real well, not at all like what's been written or said about him."

Last November Argento, whose body immunization defenses were broken down by the medication, developed blood clots and also caught pneumonia. But it cleared up rather quickly and he has been making slow progress ever since.

"One article in a paper here said the disease was incurable," Argento said. "I don't believe it. There's nothing that isn't curable. I'm not all that well, but I'm doing better. It's not all that desperate."

Kentucky Sports Scan

Compiled By Nick Nicholas
Staff Writer

This week the Sports Scan pays tribute to three All-SEC performers. During the fall semester seniors Lori Erpenbeck (Volleyball), Kim Martinsen (Volleyball), and Bernadette Madigan (Cross Country) were All-SEC performers in their respective sports.

Lori Erpenbeck

Erpenbeck, a 6-foot-2 hitter from Edgewood, Ky., had an outstanding senior season for the Lady Kats' Volleyball team. With All-Americans Marsha Bond and Carolyn Kirby having finished their tenure at UK in '83, somebody had to take charge. As a co-captain Erpenbeck, provided the leadership and guidance for this year's 21-8 squad.

When it came time for a needed point Erpenbeck seemed to always come through in the clutch.

"It was a thrill to be there," said Erpenbeck about playing the leadership role. "I had that role in high school and I took that role back my

senior year in college."

Besides being named All-SEC, Erpenbeck, along with teammates Martinsen, Lisa Dausman, and Irene Smyth, was named to the All-SEC Tournament team.

"Lori was so many things to our team this year," said first-year Coach Kathy DeBoer. "We could always count on Lori when we needed her. She always worked hard in practice."

DeBoer mentioned that it took a lot of stamina for Erpenbeck to be one of the leaders for her young team. Further more, Erpenbeck showed her willingness to "go all out" as she played injured throughout the season.

During one time or another this season she played with a sprained thumb, a broken finger, or an injured knee. "That never kept her out of a match," stated DeBoer.

Erpenbeck is also a fan of Coach DeBoer.

Being around DeBoer's inspiration and coaching philosophies has ignited Erpenbeck's interest into the possibility of college coaching.

While her playing eligibility at UK has come to an end, Erpenbeck mentioned that she would like to be a student assistant for Coach DeBoer next year.

"I've still got another year (academics)," Erpenbeck said. "She's the coach that was meant for me. She shows sportsmanship and leadership qualities, and she can relate more to the players as individuals."

"I would like to bring that up (about assistant coaching). I feel like I could work with her very well."

Kim Martinsen

Every team needs a Kim Martinsen on their side. You see, Martinsen is the type of player that can emotionally "fire up" a team with her hustle.

Just listening to her you can tell that she plays the sport of volleyball with a lot of determination.

"You have to learn to win, it just doesn't come naturally," stated Martinsen. "You have to fight for it. Volleyball is such an emotional sport."

Along with Erpenbeck, Martinsen was the team's other veteran player from the outstanding '83 team. But the 5-9 hitter also had the experience of "California volleyball." Being from the state where volleyball courts are as popular as the basketball surface in Kentucky, Martinsen probably learned a thing or two during her days on the west coast.

A product of Harbor City, CA., she played two years of junior college volleyball before transferring to Kentucky. Martinsen led El Camino Junior College to the California state title her freshman year and the semifinals during her sophomore campaign.

Like Erpenbeck, her experience and leadership set the stage for this year's successful season.

"I thought that our team was so much better than we were expected to

be," noted the Lady Kats' other co-captain. "A lot of the players took the challenge professionally."

"Being a senior, I knew we were ready and felt we had the talent."

Martinsen's consistent hustling instincts were a key ingredient for this year's squad. "She's one of the most intense and emotional players I have ever worked with," commented DeBoer. "She was the sparkplug for the others."

"Kim loves playing the game and loves competing. She played her greatest matches against the toughest teams."

Martinsen would also like a future in coaching the game she has learned to love. And a matter of fact, she has the opportunity to be an assistant this summer for a California volleyball team.

But if a position opened up at UK Martinsen would definitely give it some consideration.

Said Martinsen, "I would like to consult (assist) with the coaches. 'I'm more intense on the bench than on the court.' If I were given the opportunity . . . it all depends on the school (Kentucky)."

Bernadette Madigan

Bernadette Madigan is a very devoted runner. Whether it be track or cross country competition, the three-time college All-American (track twice and cross country) loves to run. There's not a day that the runner from Windsor, England, doesn't practice what she preaches. The UK star practices daily to keep in condition. She may, however love running too much.

"If anything Bernie is into her running too much," noted UK's track and cross country coach Don Weber. "When things aren't going real well . . . that often makes it more of a problem to overcome than need be."

"She likes running, period."

While she puts 110 percent into her running routine, Madigan agrees to some extent with Coach Weber's philosophy.

"I'm probably my own worst enemy," said Madigan. "Training too hard sometimes subtracts from my performances, but that's not always the case. I always want to work hard all the time."

Madigan's devotion and hard work have paid off for the cross-country track competitor.

The All-American runner captured the national AIAW (now the NCAA) two-mile Indoor Championship in Cedar Falls, Iowa, during the 1982 track season. Madigan ran the course in a time of 9:58.2.

During this year's cross country schedule Madigan was outstanding. She won first place honors in both the Western Kentucky Invitational and the Cincinnati Invitational. Madigan also had good showings in the Indiana Invitational (second) and the Saluki Invitational (second).

In the SEC meet in Baton Rouge, Madigan finished fifth out of 54 lady runners, thus earning for the second time in three seasons All-SEC cross country honors.

Her finish in district competition at Furman University was not up to Madigan's standards. She finished 16th over the 5,000-meter course and did not qualify for the NCAA finals at University Park, PA.

"I was really disappointed," Madigan said. "The race wasn't really that bad, but it was just really a hard district. I was disappointed that I didn't qualify for the nationals."

After this year's track season is over . . . you guessed it, Madigan will continue to run, and run, and run.

"I would probably like to stay in Kentucky and run road races," indicated Madigan. "I would really like to work toward the 1988 Olympics (marathon)."

Help America's Young Men get the Point about Selective Service Registration

Young men born on or after January 1, 1960 are required to register with Selective Service within a month of their 18th birthday.

The registration process takes less than five minutes at the post office. A young man fills out a simple form asking only for his name, date of birth, address, telephone number and Social Security number.

Registration helps keep our country prepared with a pool of names to draw from in case of a national emergency... without interfering with people's lives. When you think about it... that's not a lot to ask.

It's Quick. It's Easy.
And it's the Law.

Printed as a public service.

LSU Dominates All-Conference Team In '84

Southeastern Conference Sugar Bowl representative LSU, with five selections, headlines the first ever Coaches All-SEC team, a 26-member squad selected by the ten head coaches.

Split end Eric Martin, offensive tackle Lance Smith and running back Dalton Hilliard were named to the offensive squad, while defensive members include backfield performers Liffort Hobley and Jeffery Dale. All five Tigers are senior competitors.

Vanderbilt, with four members, including All-American punter Ricky Anderson followed the Tigers in most players picked. Wide receiver Chuck Scott, tight end Jim Popp, and quarterback Kurt Page were Commodores chosen.

Rounding out the offensive squad are the Tennessee tandem of running back Johnnie Jones and guard Bill Mayo, the Florida offensive line combo of tackle Lomas Brown and center Phil Bromley, Auburn offensive guard Jeff Lott, Miss. State tight end Corwyn Aldredge and Georgia place kicker Kevin Butler. Aldredge and Popp tied in the voting for the tight end position.

The defensive line consists of Alabama tackle Jon Hand, Auburn tackle Ben Thomas and Florida guard Tim Newton. Defensive ends chosen include Ole Miss' Freddie Joe Nunn and Florida's Alonzo Johnson. Auburn's Gregg Carr teams with Alabama's Cornelius Bennett and Georgia's Knox Culpepper at linebacker. Joining Dale and Hobley in the secondary are Georgia's Jeff Sanchez and Kentucky's Paul Calhoun. Bennett and Culpepper tied in the balloting at the inside linebacker slot.

Ole Miss' Nunn and Georgia's Sanchez were the top vote-getters, receiving nine votes each. The complete list of All-SEC coaches players are on the back of this page.

All-Americans

Ten Southeastern Conference football players have officially earned first team All-American honors for the 1984 season. The players selected first team All-America, with the squads they made, are as follows:

Cornelius Bennett, Alabama, Sophomore Linebacker -- (Sporting News, Football News)

Gregg Carr, Auburn, Senior linebacker -- (AP, UPI, Kodak, Football News, Camp)

Lomas Brown, Florida, Senior Offensive Tackle -- (AP, Kodak, Football Writers, Camp, Sporting News)

Alonzo Johnson, Florida, Junior Outside Linebacker -- (Sporting News)

Kevin Butler, Georgia, Senior Place Kicker -- (UPI, Football Writers, Football News, Kodak, Camp)

Jeff Sanchez, Georgia, Senior Safety -- (UPI, Kodak, Football News)

Lance Smith, LSU, Senior Offensive Tackle -- (UPI, Kodak, Football News)

Freddie Joe Nunn, Ole Miss, Senior Defensive End -- (UPI, Football News)

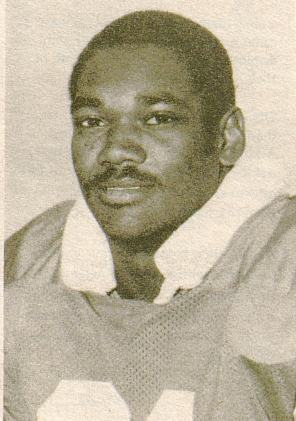

Bill Mayo, Tennessee, Senior Offensive Guard -- (UPI, Football News, Camp)

Ricky Anderson, Vanderbilt, Senior Punter -- (AP, UPI, Kodak, Football Writers, Football News, Camp)

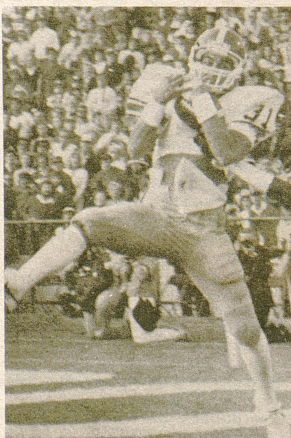

Attendance Figures

The unofficial average attendance figures for the Southeastern Conference for 1984 are as follows:

Alabama - 67,348 (Down 936); Auburn - 75,037 (Up 17); Florida - 72,038 (Down 809); Georgia - 82,055 (Down 73); Kentucky - 55,423 (Up 1,180); LSU - 77,957 (Up 1,467); Ole Miss - 38,705 (Down 2,560); Miss State - 38,383 (Up 1,414); Tennessee 93,515 (Up 8,587); Vanderbilt- 40,688 (Down 356).

Redding Is Ready For Hall Of Fame

According to Kentucky administrative assistant Dick Redding going "bowling" with Jerry Claiborne is always exciting. Redding has been with Claiborne at Virginia Tech, Maryland, and is now presently with the head coach at Kentucky.

In all, Claiborne guided Virginia Tech to two bowls, Maryland to seven, and UK two (obviously everyone in the Bluegrass State knows the Cats will play Wisconsin in this year's Hall of Fame Bowl, don't they?).

"It's always fun to go to a bowl game," said Redding, "everybody has a good time. The practices are very spirited. It's a new surrounding and a new challenge."

Nick Nicholas

Cats' Pause Columnist

New is right. The players and coaches get to visit new places and possibly experience a few interesting moments. Coach Redding remembered a few of those . . . uh bowl experiences.

Virginia Tech in 1968 appeared in its second Liberty Bowl within the last three years. The Gobblers opponent that year was Mississippi led by quarterback Archie Manning.

Before the contest, a Memphis newspaper exploited one of Claiborne's diabolical plays -- better known to UK fans as the "Wildcat special."

"We had used it successfully during the year," said Redding. "In the morning paper the day of the game they had the play diagrammed and we had planned to run it."

"They (the newspaper) got it off the films. The Ole Miss coaches probably diagrammed it for them. But it was on the film so it was no secret."

Remember the play? This is where there's no huddle and the signal caller pretends to be tying his shoe. Everyone lines up (in a huddle formation) on one particular side with the exception of one player. But before the defense can react the QB pitches out to the lone offensive player.

So what did Coach Claiborne do in this instance?

"Coach Claiborne told the team in a meeting that we were going to run it anyway," noted Redding, "and we did and scored a touchdown."

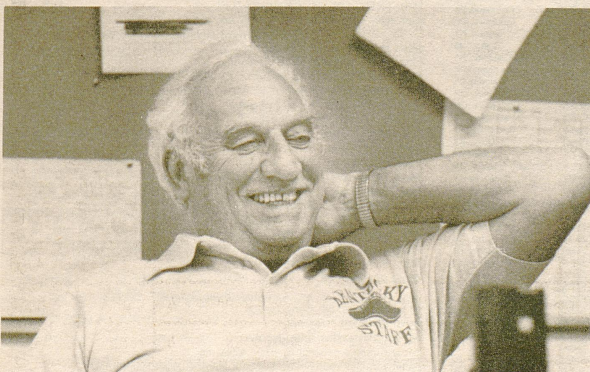

On that touchdown UM went ahead of Ole Miss 17-0, but the Rebels came back to win the contest.

In going to a postseason event there are a lot of things happening before the big contest. Dinner, banquets, a pep rally or two, and various other things surrounding the actual game itself. Also many of the bowl sites are very popular with the team representatives.

Said Redding, "they have a lot of things for the players. In the Gator Bowl you can go down to Marine Land and they (the Gator Bowl) have a lot of festivities and dinners. If you go to the Citrus Bowl then there is Disney World, Sea World, and Cypress Gardens. There's a lot down at the Citrus Bowl for entertainment."

Before Maryland's meeting with Florida in the Gator Bowl one of Claiborne's players almost bit off more than he could handle on a particular site-seeing tour.

"Tim Wilson (fullback) wanted to get down there and ride one of those alligators," recalled the assistant. "When he got close to it Coach Claiborne said, 'you better not get that close.'"

"It's Always Fun To Go To A Bowl Game," Said Redding

"He didn't want to lose him," Redding chuckled.

Redding also got in on the fun last year in Birmingham.

During the banquet for both West Virginia and Kentucky, a certain assistant coach was asked to sing a song called "Butter Beans." Remember this one coach?

"Oh, well the kids had heard a little bit of it and they knew that I sang it," stated Redding. They wanted me to sing it to the party when both teams were in there. So I went down there and sang it."

What about this year?

"No, they've heard it once already."

Though things have not always been on the happy side, at least not after some of Claiborne's past bowl games.

Against Georgia in the Peach Bowl, Maryland had the Dogs by the tail late in the contest. With about a minute left and Maryland leading 16-10, a Terpin miscue spoiled Claiborne's plans. In punting formation the Maryland center snapped the ball over punter's head thus turning the ball over at the Terpin seven yard line. Georgia went on to score and win the contest 17-16.

"All we had to do was punt," said Redding.

In the 1977 Cotton Bowl undefeated Maryland was forced to play catch-up to the Houston Cougars.

"There was a heck of a football game," Redding said. "We got behind 21-0 in the first quarter. They had so much speed. We finally adjusted to their speed and darn near won the football game."

Maryland was defeated 30-21 in the New Year's Day event.

Even with an undefeated slate going into the Cotton Bowl Coach Claiborne has always been the underdog in his 10 postseason games.

"I don't think we have ever been the favorite going into a bowl," indicated Redding.

In 1975 the Terps shutout favored Florida 18-0 in the Gator Bowl Classic while in 1977 they upset Minnesota 17-7 in the first-ever Hall of Fame Bowl in Birmingham.

This year is no different as Kentucky is about a four-point underdog to Big 10 member Wisconsin. "They're (the players) are anxious to get down there," insisted Redding. Of course, it's a award and also a chance to beat a team that is ranked ahead of us in some areas. It's a chance to beat a Big 10 team. Wisconsin is a lot bigger than we are, but I think we'll be alright."

But the important question coach, what about a Birmingham encore of Butter Beans?

"They've heard it once, that's enough," said Redding. (Unless they get Oscar (Combs -- Cats' Pause publisher and editor) up there."

Claiborne Is Headed For His 11th Bowl

KENTUCKY'S BOWL RECORD

(The Wildcats defeated Villanova, 24-14, in the first and only Great Lakes Bowl in 1947, but that was a box office disaster attended by only 15,000 fans in the mud at Cleveland Stadium. Following are the major bowl appearance of the 'Cats).

SANTA CLARA NIPS 'CATS IN 1950 ORANGE BOWL

After the two teams felt each other out, Kentucky got its first break when John Netoskie recovered a Santa Clara fumble on the UK 48. The Wildcats hurried 51 yards to a touchdown on 14 plays, including two passes for 13 yards. Wilbur (Shorty) Jamerson climaxed the attack with a two-yard smash through right guard. Bobby Brooks kicked the extra point and UK was ahead, 7-0.

Bill Leskovar and Babe Parilli, who completed six out of 11 for 128 yards, almost clicked on a perfect play near the end of the half. Leskovar turned the pass into a 45-yard gain before being knocked out of bounds at the Santa Clara three. Leskovar and Don Phelps failed in their attempts to smash over before time ran out. The ball was resting within inches of paydirt when the intermission came. Wildcat coach Paul "Bear" Bryant later said he should have sent in a pass play. "If it failed," he said, "the clock was killed then we could have tried a field goal."

Santa Clara scored twice in the third quarter, getting a big break when a Phelps' punt traveled only nine yards after a poor snap and gave the Broncos possession on their 46. The drive, sparked by a 25-yard pass from John Pasco to Larry Williams, moved the Broncos to the UK 12. An exchange of fumbles then set the stage for the tying TD, with Pasco scoring on a one-yard sneak. A pass interference call gave the Broncos possession on the UK 49 four later that quarter and Hall Haynes wriggled over.

Kentucky came back with a 52-yard Parilli to Emery Clark touchdown pass, but Brooks missed that extra point try that would have tied the count. The Broncos started their next scoring drive on the UK 39 after an exchange of punts. The drive was climaxed by a 16-yard run by Vogel. Vargas converted to give Santa Clara a 21-13 victory.

Santa Clara	0	0	14	7

'CATS END SOONER STREAK WITH 1951 SUGAR BOWL VICTORY

The 1950 Wildcats, climaxed the most successful season (11-1) in UK history, shattered national champion Oklahoma's 31-game win streak, 13-7, with hard-to-solve defenses and by taking advantage of a Sooner mistake to score in the first quarter and pass for another touchdown in the second quarter of the colorful 1951 Sugar Bowl Classic. Then the stout UK defense made an inspired goal-line stand in the third quarter, containing the Oklahoma offense before being scored on in the fourth frame.

It was a brilliantly designed defense, which used three tackles much of the time, causing the hard-passed Sooners to fumble at key points and making OU quarterback Claude Arnold hasten his playmaking. Inflicting the most damage on the Sooners was Walt Yowarsky, a brawny tackle who hadn't played five minutes on defense all season. Actually operating at left end and next to All-American Bob Gain, Yowarsky repeatedly sliced into the Sooner backfield to break up passes and to make Arnold hurry his hand-offs and laterals. In that lineup, end Ben Zaranika dropped back several yards and played as a linebacker.

Yowarsky recovered a fumble that set up UK's first touchdown, threw the ball carrier for a five-yard loss on third down when Oklahoma attempted to go over from UK's two-yard-line early in the third quarter, and recovered a Sooner fumble on a punt late in the game.

After Yowarsky recovered OU's first-quarter fumble on the UK 22, Parilli on the next play hit Jamerson, who made a leaping catch over Jack Lockett in the end zone. Again moving by air, UK struck again in the second quarter, marching 81 yards with Jamerson scoring from the one. Bob Gain's extra point try was wide. The Wildcat defense, No. 2 in the nation, got its big test when the Sooners drove 68 yards on the ground to the UK two, where Yowarsky made his big tackle. The aroused Sooners went 80 yards in the last minutes of the last quarter, with Billy Vessels taking a lateral from Arnold on the UK 17 and passing to Frankie Anderson for a touchdown. Time ran out with UK ahead, 13-7.

Scoring Summary				
KENTUCKY	7	6	0	13
Oklahoma	0	0	0	7

FINE UK DEFENSE STOPS TCU IN COTTON BOWL

Babe Parilli and Emery Clark combined in scoring touchdowns for UK in each of the first two quarters as the Wildcats defeated Texas Christian, 20-7, before 75,349 fans in the 1952 Cotton Bowl at Dallas. Climaxing a 53-yard drive in the final minutes of the first quarter, Parilli threw a five-yard pass to Clark in the end zone. Then in the early stages of the second quarter, Parilli again flipped to Clark in the end zone. This aerial was good for 13 yards, part of a 57-yard attack, but Harry Jones' extra-point attempt was low.

Four times in the first half, UK's defense performed heroically in the clutch. The Horned Frogs, behind their "spread" attack, drove to the 4, 24, 5 and 2-yard lines of UK before being repulsed by a UK defense led by guard Ray Correll.

The Frogs came to life late in third quarter when tailback Gil Bartosh relieved Ray McKnow. In four plays, TCU scored, with Bobby Jack Floyd sweeping down the sidelines 43 yards for a TD. The kick was good.

Kentucky got its final score with 3:33 to go when Ed Hamilton smashed off left tackle from the three. The Kentuckians might have added another TD in the fading seconds, but time ran out with the ball on the TCU 5.

Scoring Summary				
KENTUCKY	7	6	0	20
Texas Christian	0	0	7	7

STEWART, MARTIN OUTSTANDING AS 'CATS WIN PEACH BOWL

Tailback Rod Stewart scored three touchdowns and linebacker Mike Martin played an outstanding defensive game as Kentucky defeated North Carolina, 21-0, before the first capacity crowd (54,132) to attend a Peach Bowl game in Atlanta-Fulton County Stadium. Kentucky's crushing defense accounted for five UNC turnovers, including a fumble by Matt Kupec on the Carolina 21 after a play by Bud Dielhi and a recovery by James Ramsey. It took UK seven plays to break a scoreless deadlock when Stewart bolted over from the one.

North Carolina had only one real scoring threat, and that was set up by a fumbled UK punt by Mike Siganos, which UNC recovered on the UK 25 with the score 7-0 midway of the third quarter. But two running plays netted only six yards and two

passes fell incomplete to end the threat. The Tar Heels managed to get into UK territory only twice in the first half, never crossing the 50 again.

Kentucky gained 334 total yards to Carolina's 108, the last figure being the lowest in Peach Bowl history. UK also held a 19.5 edge in first downs, giving up only three for the first 50 minutes; UNC's total was another record. Stewart outran the entire Carolina backfield, 104-84, and his three touchdowns tied a bowl record. In all fairness to the Tar Heels, they were without the services of their All-American tailback Mike Voight, who suffered an ankle injury two days before the game and did not see action.

Scoring Summary

Rally Falls Short As 'Cats Lose in Hall of Fame Bowl

With the Wildcats fourth and 10 on their own 37 and less than 1½ minutes to play, Bill Randsell's pass just eluded the outstretched fingers of Eddie Simmons, who was far downfield and with an open field ahead, and UK lost, 20-16, to West Virginia in the 1983 Hall of Fame Bowl at Birmingham. Randsell had entered the game with 9:12 to play after West Virginia had scored on a 23-yard field goal attempt by Paul Woodside to lead, 20-1. The freshman from Elizabethtown, KY, marched the Wildcats on an 11-play scoring drive, hitting Joe Phillips with a 13-yard TD pass. The kick by John Hutcherson was good. The Mountaineers had scored first on a 39-yard field goal by Woodside late in the first quarter. Kentucky went ahead, 10-3, in the second quarter on a 26-yard halfback pass from Tony Mayes to quarterback Randy Jenkins and a 32-yard field goal by Hutcherson. West Virginia fooled the Wildcats with an on-side kick, which Woodside recovered on the UK 48, to start the second half. The Mountaineers drove to the 16, where Jeff Hostetler hit Rich Hollins for the tying score. Near the end of the third quarter, the Mountaineers started a drive on their 19 and marched to the UK 39, where Hostetler broke an option play to the left and carried to the UK 2. He then faked an option and passed to Bob Bennett for a 17-10 lead. (During his short stint, Randsell completed 9 of 17 for 117 yards and a TD.)

Wildcat Superlatives for 1984

Individual Offense	
Longest run (Single Game):	84 yds., Mark Higgs vs. Vanderbilt
Longest pass completion:	61 yds., Bill Randsell vs. North Texas
Longest pass reception:	61 yds., Mark Logan vs. North Texas
Longest punt return:	28 yds., Brian Williams vs. Indiana
Most punts returned (yds.):	5, Williams vs. Rutgers
Most yds. punts returned:	28, Williams vs. Indiana
Most kickoffs returned:	6, Adams vs. Florida
Most yds. kickoff returns:	Logan, 120 vs. Georgia
Longest Kickoff return:	44, Logan vs. Tulane
Longest interception return:	36, Paul Calhoun vs. Tulane
Longest punt:	62 yds., Calhoun vs. MSU/NTS
Longest field goal:	50 yds., Joe Worley vs. Vanderbilt
Most rushing carries:	31, Adams vs. Tulane
Most yds. rushing:	155, Adams vs. Indiana
Most TD passes:	3, Randsell vs. N. Texas State
Most passes:	38, Randsell vs. Tulane
Most passes completed:	20, Randsell vs. MSU
Most yds. passing:	209, Randsell vs. Tulane
Most total yds.:	Adams, 196 vs. N. Texas State (144 rushing, 52 receiving)
Most TD passes caught:	2, Joe Phillips vs. Florida
Most yds. pass receptions:	76, Burbage vs. Florida
Most passes caught:	6, Chris Derry (66 yds.) Adams (62) vs. Vanderbilt
Most TDs rushing:	3, Adams vs. N. Texas State
Most field goals:	2, Jim Rider vs. Indiana; Joe Worley vs. Vanderbilt
Most carries:	253, Adams
Most yds. rushing:	1,085, Adams
Most passes thrown/completed:	Randsell, 266-148
Most yds. passing:	1,748, Randsell
Most total offense:	1,688, Randsell
Most All-Purpose yds. (rush):	1,689, Adams
Most passes caught:	33, Adams
Most yds. receiving:	330, Adams
Most TD catches:	5, Phillips
Most TDs rushing:	13, Adams
Most punts:	84, Adams
Most punt returns:	11, Williams
Most yds. punts returned:	63, Williams
Most kickoff returns:	15, Adams
Most yds. kickoffs returned:	289, Logan
Team Offense (Single Game)	
First downs rushing:	24 vs. Indiana
First downs passing:	12 vs. LSU
First downs penalty:	3 vs. TU, MSU
Rushing attempts:	70 vs. Indiana
Rushing yards:	389 vs. Indiana
Net yards passing:	241 vs. Rutgers
Passes attempted:	38 vs. Florida
Passes completed:	20 vs. FL, VA
Most TD passes:	3 vs. N. Texas State
Had intercepted:	5 vs. LSU
Total plays:	91 vs. Indiana
Total net yards:	538 vs. Indiana
Most punts/yards:	11-466 vs. Georgia
Most punts returned/yds.:	5 vs. LSU, Florida (23 yds.)
Most kickoff returns/yds.:	8-139 vs. Florida
Most penalties/yds.:	13-77 vs. LSU
Individual Defense (Season)	
Most first hits:	88, Cam Jacobs
Most assists:	57, Jacobs
Most total tackles:	145, Jacobs
Most fumbles caused:	5, Brian Williams
Most fumbles recovered:	3, Frank Hare, Russell Hairston
Most interceptions:	7, Paul Calhoun (36 yds.)
Most interceptions forced:	2, Gordon Jackson
Most quarterback sacks:	5, Jerry Reese

Claiborne "Kept The Faith"

Win or lose against Wisconsin, this year's Kentucky Wildcat football team has had an outstanding campaign.

While finishing tied with Tennessee for fifth place in the Southeastern Conference, the Cats did things not too many people expected.

They won all four of their road games: (Indiana, Tulane, Mississippi State and arch-rival Tennessee). Beating Tennessee 17-12 in Knoxville may have been the biggest win for Coach Jerry Claiborne during his head coaching tenure at UK.

The emotional win has to be a momentum builder leading up to UK's game with the Wisconsin Badgers in the eighth annual Hall of Fame Bowl. But there was a time that Kentucky was at an emotional low during the 1984 season.

After winning their five five contests, the Cats lost big to LSU (36-10) and Georgia (37-7), both at Commonwealth Stadium. Claiborne, meanwhile, still had faith in his ballclub.

"I never lost confidence in our football team," said Claiborne in a recent interview. "We played two great teams. Georgia probably peaked in our game. We didn't help ourselves with all the mistakes."

In those two games, Kentucky committed 11 miscues (LSU 9, Georgia 2). UK turned things around in their last four ballgames. After beating North Texas State and Vanderbilt, the Wildcats took '84 SEC champ Florida to the wire before losing 25-17. UK then upped its record to 8-3 with the win against Tennessee.

"I guess we were the underdog in five of the last six games," noted Claiborne. "I was real pleased."

When speaking of Wisconsin, Claiborne sees a little bit of Gator resemblance in the Big 10 representative.

"They are very much alike," mentioned Claiborne. "They're high and strong. Offensively, they're very similar to Florida. Wisconsin is a real fine football team. They've beaten or tied four bowl teams in their last five

games. (Al) Toon and (Thad) McFadden are excellent receivers and they are big receivers."

Toon is 6-5, 195 pounds while McFadden is 6-2, 190 pounds.

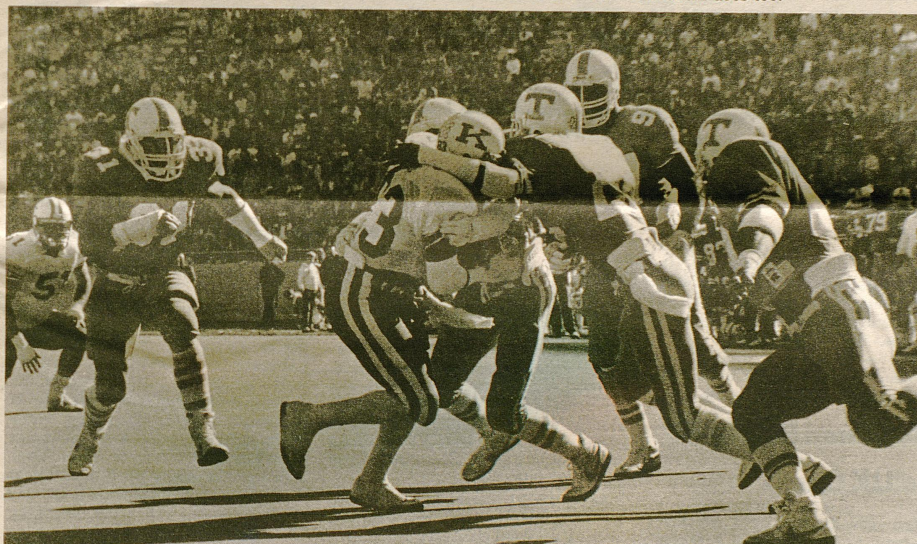

"They are a well-balanced football team," Claiborne said.

While UK defensive players Brian Williams, Tony Mayes, and Russell Hairston will miss the bowl game because of violating team rules, Claiborne says there will be no special changes in the defensive scheme.

"You don't change anything if it has worked well, especially if you've used it for 11 games," said the coach. "Things have been going good. I have been very pleased with our preparation."

As far as fan preparation, both schools are expected to bring lots of support to Birmingham - which is not surprising to Claiborne.

"No, I'm not surprised," Claiborne said of the renewed UK fan support. "That's what fans are supposed to do. We have some great fans and I'm sure Wisconsin does too."

Wisconsin Knows It Must Stop Adams

COLLEGE FOOTBALL HALL OF FAME BOWL A Big Success Story For Birmingham

The College Football Hall of Fame Bowl originated in the mind of Cecil Stubbs, a true Optimist who dreamed of developing a "Collegiate Super Bowl" in Birmingham.

Stubbs started working on the bowl in 1967 with fellow Optimists. He was joined by Fred Sington; together, they developed a plan that was offered to and rejected by the NCAA.

The undaunted Optimists presented an altered plan each year, but were not successful until they were joined by the National Football Foundation and Hall of Fame of New York City in 1973 and in 1977, when the presentation included an elaborate film produced by Birmingham's Chamber of Commerce.

The reward of 10 years of persistent civic service by a few was a post-season classic that in seven years, with enthusiastic aid of the citizens of Greater Birmingham and steady counsel of the National Foundation, plus media recognition at both levels, has advanced to the top half of the 18 NCAA-approved bowls.

From the sixth annual game in 1982, the Air Force Academy and Vanderbilt University shared \$909,072.74, the eighth largest amount paid by any bowl, and in ticket sales the sellout of 75,408 placed fourth. Only the Sugar, Gator and Rose bowls sold more.

From the 1977 sale of 43,996 tickets, \$15,000 was given the National Foundation for its scholarship program with outstanding student-athletes; the program received \$50,000 from last season's ticket sales.

In 1977, the Mizlou Television Network delivered the game live to an estimated 2,000,000 households. Last year, SuperStation WTBS, with affiliates and cables, had participation of 5.25 million households.

If the eighth annual Hall of Fame Bowl game is a sellout at Legion Field Dec. 29, the Hall of Fame Bowl will pay Kentucky and Wisconsin universities in the neighborhood of \$600,000, a total of approximately one-quarter million dollars.

Hall Of Fame Bowl Summary Sheet

College Football Hall of Fame Bowl I:

Thursday, December 22, 1977

Maryland 17—Minnesota 7

Paid Attendance—43,996

Each Team received—\$175,808

National Football Foundation & Hall of Fame received—\$15,000

College Football Hall of Fame Bowl II:

Wednesday, December 20, 1978

Texas A&M 28—Iowa State 12

Paid Attendance—37,739

Each Team received—\$154,156

National Football Foundation & Hall of Fame received—\$15,500

College Football Hall of Fame Bowl III:

Saturday, December 29, 1979

Missouri 24—South Carolina 14

Paid Attendance—65,041 (record third year attendance)

Each Team received—\$264,698

National Football Foundation & Hall of Fame received—\$27,500

College Football Hall of Fame Bowl IV:

Saturday, December 27, 1980

Arkansas 34—Tulane 15

Paid Attendance—40,079

Each Team received—\$225,850

National Football Foundation & Hall of Fame received—\$25,000

College Football Hall of Fame Bowl V:

Thursday, December 31, 1981

Mississippi State 10—Kansas 0

Paid Attendance—53,918

Each Team received—\$400,000

National Football Foundation & Hall of Fame received—\$25,000

College Football Hall of Fame Bowl VI:

Friday, December 31, 1982

Air Force 36—Vanderbilt 28

Paid Attendance—75,408

Each Team received—\$454,536.37

National Football Foundation & Hall of Fame received—\$50,000

College Football Hall of Fame Bowl VII:

Saturday, December 22, 1983

West Virginia 20—Kentucky 16

Paid Attendance—55,000

Each Team received—\$450,000

National Football Foundation & Hall of Fame received—\$50,000

UK Finishes 8-3 By Winning Three Of Last Four

[Continued From Page 5]

Kentucky had pulled within 25-17 thanks to a fake punt by Calhoun. On the play, he completed a 17-yard pass to Cornell Burbage that moved UK to the Florida 28-yard line. Following a 20-yard pass from Ransdell to Burbage, Phillips scored again on an eight-yard pass to cut the Florida lead to eight in the fourth quarter.

Earlier in the second half, with UK trailing 12-10, Brian Williams and Hare stopped Florida's John Williams on consecutive third-and-fourth-down plays to give UK the ball deep in Florida territory. But a Ransdell pass soon thereafter was intercepted by Florida's Jarvis Williams, and Florida scored three plays later on a pass from Kerwin Bell to Frank Neal to push the Gators to a 19-10 advantage.

Regardless, Claiborne bespoke the proud thoughts of many UK fans in praising the team's performance.

"I thought we played about as well as we can play today," Claiborne said. "I can't be prouder of a group of kids than I am of this group. The effort was there. I'm proud of them."

November 24 -- Kentucky at Tennessee (Neyland Stadium) -- The 80th meeting of the fierce border rivals started and ended in bizarre fashion. UT's Charles Wilson fumbled to UK

on the first play from scrimmage. Then, with three seconds to play, and Tennessee in possession on the Kentucky 13-yard line, UT quarterback Tony Robinson drew a desperation pass out of bounds to try and stop the clock. But the clock stopped itself, running out and denying UT another play.

Between those odd occurrences, Kentucky put together enough conventional offense -- and inspired defense -- to allow Adams to join the 1,000-yard rushing club, and earn UK both a 17-12 victory and an invitation to meet Wisconsin Dec. 29 in the Hall of Fame Bowl in Birmingham, Ala.

Adams also scored both of Kentucky's touchdowns as UK finished the regular season with an 8-3 record, its best since 1977 when UK finished 10-1 but was ineligible to play in a bowl game.

Adams' first score resulted from Tennessee's game-opening turnover, which was recovered by Hare after a hit by Thompson. Ransdell passes to Derry and Pitts set up the score. The 16-yard reception by Pitts moved the ball to the UT two-yard line, and Adams dove into the end zone on the ensuing play to give Kentucky a 7-0 lead.

Both defenses took command until halftime, the only scored coming on field goals of 37 and 36 yards by Tennessee's redoubtable kicker, Fuad Reveiz. Redoubtable, that is, until the 26-second mark of the half, when he missed from 57 yards out (though not by much) to end his personal streak of 18 straight field goals, a Southeastern Conference record.

Kentucky then scored off the second half's opening kickoff. Passes from Ransdell to Phillips and Bryant helped advance the ball to the UT 26-yard line. Later, Adams took the ball the final eight yards, the second run taking him into the end zone from a yard out to move UK to a 14-6 lead.

Claiborne intimated that his club would miss Adams sorely next season. "George has been our leader," Claiborne said. "The players have great respect for him. They want to give it to the big man. I'm happy he got over the 1,000-yard mark. He deserves it. He's one great gentleman."

But Tennessee wasn't done. Johnnie Jones set up UT's only touchdown with five runs early in the fourth quarter, the longest going for 17 yards. Shortly thereafter, Robinson threw an 11-yard scoring pass to Eric Swanson to pull UT within 14-12.

UT coach Johnny Majors then gambled, telling his team to go for a two-point conversion and a tie. But UK thwarted the plan when Robinson was tackled by Hare on a rollout.

Kentucky then got a break late in the fourth quarter when Tennessee's Reggie McKenzie was called for roughing Calhoun. That gave Kentucky a first down on the UT 47-yard line. Seven plays later, Worley kicked what proved to be a big insurance field goal. His 34-yard kick produced the final margin with 2:09 to play.

Tennessee's gallant "two-minute drill" fell just short. Robinson converted a big fourth-down play on the drive when, faced with a fourth-and-11 situation, he hit Tim McGee on a 17-yard pass play. Seven plays later, Robinson found McGee again on the UK 13. But Robinson was tripped, and couldn't get out of bounds to stop the clock. Since UT was out of timeouts, Robinson hurried the play and tried unsuccessfully to give Tennessee another chance to win the game.

"When he (Robinson) threw it out of bounds and I saw :00 on the clock -- (my reaction) was one of great elation," Claiborne said. "It was a tremendous effort by our players. It's a whole lot more fun to accept the bowl bid when you win the last game."

Claiborne Heads To HOF

[Continued From Page 2]

were plentiful, the "no vacancy" sign has been prominent this year.

A multitude of festivities has been lined up for bowl fans and a complete schedule is published elsewhere in this issue. The Kentucky team will be headquartered at the Hyatt in Birmingham.

+ + +

Bowl teams are permitted ten practice sessions between their final regular season game and the bowl game itself as permitted by NCAA regulations.

For Kentucky and Wisconsin, it's been as much a challenge to work in practice sessions as it has been to prepare for each other.

Both have been caught in poor weather conditions.

Rain forced UK inside last Friday and Claiborne said the indoor Seaton Center isn't very practical for 130 football players. At Wisconsin, coach Dave McClain doesn't have any kind of an indoor facility.

As for working indoors, Claiborne added, "you can't work on the passing game, either your own passing or pass defense, and the kicking game."

Even the outside artificial turf has been made unfit for practice with standing water, "but you can't worry about things you can't control, you get old too fast, anyway," shrugged Claiborne.

Still, the atmosphere had been very upbeat.

"The attitude's been good," the UK boss said, "up until Wednesday, we had good practices. I think the players were tired from studying and from practicing the same things. It's mental fatigue."

Meanwhile, back in Wisconsin, McClain is thankful, even with the poor weather because it could be worst than what it was last week when the temperatures hovered around twenty degrees.

"We've been very lucky," said McClain via telephone last week, "last year at this time it was 25 below zero."

Blackmon Returns To UK Camp

Kentucky guard James Blackmon returned to the Wildcat basketball squad after a one day's absence and a trip back home to Marion, Indiana.

Blackmon, a prep All-American, apparently took his final exams on Monday and then went home sometime Tuesday. Blackmon's roommate, Winston Bennett, told a radio talk show that when he returned to the dorm after classes on Tuesday that Blackmon and his personal belongings were gone.

He returned to Lexington early Wednesday and practiced that afternoon. As is customary with team rules, Blackmon did not play against East Tennessee State for having missed the practice.

Blackmon had become frustrated in recent games. Because so much had been expected of him coming out of high school, some of his friends had been constantly badgering him with questions.

After scoreless performances against Indiana and Louisville, Blackmon became even more frustrated and unhappy with his playing role at UK according to sources close to the scene.

Oscar L. Combs

[Continued From Page 3]

season. The one big difference this time will be the 19,000 or so fans will be of the Wildcat variety instead of the opponents'.

Kentucky did what it had to do over the weekend by winning its own UKIT. It defeated East Tennessee State and Cincinnati and perhaps built up some confidence which has been lacking in recent games. A win over Kansas could put the Cats on the way to a good comeback this season.

Some tickets remain for the Kansas game at presstime and they are on sale at the Freedom Hall ticket office.

Likewise, tickets are on sale at the Rupp Arena ticket office for home games with Auburn, North Carolina State and Vanderbilt. Students did not pick up their allotment for those games because they are on semester break.

+ + +

NOTES AND QUOTES . . .

Kentucky football coach Jerry Claiborne got a big ovation from the UKIT crowd Friday night when he was introduced as Division I Regional Coach of the Year as voted by his peers . . . For the first time in a long, long time, the Wildcats wore road uniforms for a home contest (other than the NCAA tourney) at Rupp Arena. In fact, it may have been a first according to local officials. The Reason why the Cats wore road uniforms was because East Tennessee State lost their away uniforms in the fiery crash of their chartered airplane two weeks ago . . . Kentucky was glad to oblige by wearing the blue. Kentucky was also thankful the Wildcats were playing only in Louisville the week

before when they used a bus for transportation. The airplane which crash-landed with ETSU's players and coaches aboard was the same aircraft and crew which flew Kentucky to West Lafayette for the Purdue game three weeks earlier . . . The crowd at the opening round of the UKIT was one of the smallest ever. One Rupp Arena official said the actual head-count was less than 15,000 for the night. Over 3,000 unsold tickets were turned over to the Arena box office for sale the day of the game. Television is being blamed by many basketball experts as part of the reason for sudden attendance problems around the country . . . Brad Davis, the new assistant sports information director in charge of basketball at UK, is a big hit with media people with his expanded news information and availability to provide that little extra which makes the job easier for writers . . . UK assistant coach Jim Hatfield last week received a Christmas card from one Gunther Behnke. No, there was no mention of Behnke returning to the USA . . . The Kentucky coaching staff got some good looks last week at top-notch prepsters at the King of the Bluegrass Tournament in Louisville and the Hillbrook Classic in Lexington. Wooing the scouts in Louisville were a couple Kentucky juniors, Felton Spencer of Louisville Eastern and Rex Chapman of Owensboro Apollo. Both were brilliant and the two should be among the nation's best seniors next year. We'll have some special coverage of those two events in our next issue. Happy New Year everyone!

Back Thru The Wildcat Years

TEN YEARS AGO

*Kevin Grevey pumped in 29 points as UK shocked Kansas 100-63 in Freedom Hall. The Cats shot 55.4 percent from the field. Jimmy Dan Connor added 16 points, while Larry Johnson scored 13 and Mike Phillips 11.

UK's defense forced Kansas into 24 errors and 33.8 percent shooting.

*Kentucky moved into the No. 9 spot in both the AP and UPI polls. North Carolina State heads both polls, with Indiana second, UCLA third and Louisville fourth.

*Kentucky used a matching zone trap defense to turn a 34-24 deficit into a 41-36 lead in a little over three minutes, as the Cats defeated Notre

Dame 113-90.

Sophomore substitute guard Larry Johnson received the Bernie A. Shively Memorial Plaque as the game's Most Valuable Player, even though Adrian Dantley bagged 39 points and 17 rebounds for the Irish.

Johnson hit seven of nine field goal attempts for 16 points, to go along with a trio of rebounds and assists. He also keyed UK's defensive effort. Kevin Grevey led UK with 28 points and Bob Guyette had 18, as six UK players scored 14 or more points. A Freedom Hall crowd of 16,487 attended the game.

the Wildcats narrowly defeated Notre Dame 102-101 in Freedom Hall, as all five UK starters played the entire 40 minutes.

Mike Pratt led UK with 42 points, but Notre Dame's Austin Carr took scoring honors with 43. Pratt was named the game's Most Valuable Player.

*UK continues to hold down the No. 1 position in both the AP and UPI polls with a 7-0 record but UCLA at 6-0, has closed the gap on the Cats.

*UK went on a 17-5 splurge to down deliberate Miami 80-58. Dan Issel hit 14 of 20 shots from the field to score 33 points and also grabbed 11 rebounds. Mike Pratt and Larry Steele added 15 and 10 points respectively.

UKAA Establishes Endowment Fund In Memory Of Matthews

The University of Kentucky Athletics Association's board of directors has established a William L. Matthews, Jr. endowment fund which will provide an

annual graduate fellowship honoring the longtime UK education.

Matthews, who was a member of the UKAA for years and represented the University on NCAA committees, was

FIFTEEN YEARS AGO

*In their tightest squeeze of the year,

6. When the Wildcats won the 1950 Orange Bowl, who was Kentucky's opponent?

- a) Baylor
- b) Santa Clara
- c) TCU
- d) Oklahoma

7. In last year's Hall of Fame Bowl, which UK receiver caught the only touchdown pass for the Wildcats?

- a) Joe Phillips
- b) Eric Pitts
- c) Oliver White
- d) Cisco Bryant

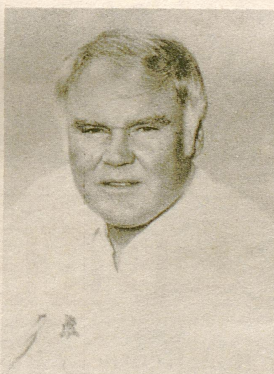

8. How many turnovers did Kentucky have in the Hall of Fame Bowl last year?

- a) one
- b) two
- c) three
- d) four

9. What UK defensive back in last year's Hall of Fame Bowl came up with the only interception for the Wildcats?

- a) Gordon Jackson
- b) Paul Calhoun
- c) Kerry Baird
- d) Russell Hairston

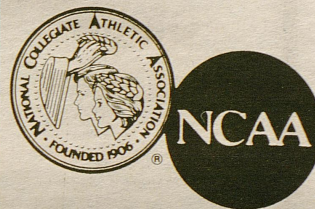

10. True or False? Kentucky defeated TCU in the 1952 Cotton Bowl.

Jerry Eisaman

ANSWERS

- 1. Yes
- 2. West Virginia
- 3. Vito Parilli
- 4. Peach Bowl
- 5. False
- 6. Santa Clara
- 7. Joe Phillips
- 8. two
- 9. Russell Hairston
- 10. True 20-7

cited for his outstanding contributions to the University by President Otis Singletary.

The endowment fund in the amount of \$100,000 was approved by the UKAA at a special meeting last Friday. Earnings from the endowment fund will be awarded to an outstanding graduating student at UK.

Matthews was a member of the NCAA infractions committee which oversees NCAA member institutions' athletics programs.

Students Will Keep 3,000 Empty Seats

After voting earlier to place some 3,000 stadium seats for public sale to UK home football games, the UKAA did an about-face last Friday and said it would leave those seats for UK students.

Student attendance has fallen off in recent years, sometimes not taking more than a third of the 15,000 or so tickets allotted for them.

When the UK ticket committee voted to place some of the stadium seats up for public sale and the UKAA endorsed the idea, students protested and said they would conduct campaigns to increase student attendance next season.

The UKAA then agreed to relent and only a portion of endzone tickets will be made available to the public from the student section next year.
