London, W.2.

Dear Mr Dargan

I am sorry that I
have so long delayed the ad-
justment of your cheque & must
ask you to kindly forgive me.

I have been some weeks away
from home. The bank credited
me £41. 2. 8, so I owed you
2/8. Herewith I enclose a M.O.
for 2/2 & have paid 6d for the order.

My daughter in law
wishes me to thank you for
the card & good wishes.

We hope you enjoyed your
stay on the continent & also
in our antiquated little isle,
that you had a good passage
home, & that you will have
a good many happy new
years. We are having a rather
trying winter, but the young

people seem to be enjoying it.

I am, madame,

sincerely yours

Arthur Hayes
