Minutes of the Meeting of the Board of Trustees of the University of Kentucky, Tuesday, May 1, 2001.

The Board of Trustees of the University of Kentucky met at 1:00 p.m. (Lexington time) on Tuesday, May 1, 2001 in the Board Room on the 18th floor of Patterson Office Tower.

A. Meeting Opened

Billy Joe Miles, Chairperson, called the meeting to order at 1:00 p.m., and the invocation was pronounced by Dr. Grady Stumbo.

B. Roll Call

The following members of the Board of Trustees answered the call of the roll: Governor Edward T. Breathitt, Mr. Paul W. Chellgren, Ms. Marianne Smith Edge, Mr. James Glenn III, Dr. Loys L. Mather, Dr. Robert P. Meriwether, Mr. Billy Joe Miles (Chairman), Dr. Daniel R. Reedy, Ms. Marian Sims, Ms. Alice Sparks, Dr. W. Grady Stumbo, Ms. JoEtta Y. Wickliffe, Mr. Billy B. Wilcoxson, Mr. Russell Williams and Ms. Elaine Wilson. Absent from the meeting were Mr. Merwin Grayson, Mr. John "Jack" Guthrie, Dr. Elissa Plattner, Mr. Steven S. Reed, and Mr. C. Frank Shoop. The University administration was represented by President Charles T. Wethington, Jr.; Chancellors James W. Holsinger, and Elisabeth Zinser; Vice Presidents Fitzgerald Bramwell, Joseph T. Burch, Ben W. Carr, George DeBin and Eugene Williams; Dr. Juanita Fleming, Special Assistant for Academic Affairs; and Mr. Richard E. Plymale, General Counsel.

Members of the various news media were also in attendance. A quorum being present, the Chairperson declared the meeting officially open for the conduct of business at 1:03 p.m.

C. Schedule for Meetings of Board of Trustees – 2001-2002

Mr. Miles called attention to the Schedule for Meetings of the Board of Trustees for 2001-2002 that was distributed in the Board packets.

D. Consent Agenda

Mr. Miles stated that there were two items on the consent agenda:

Approval of Minutes
AACR 1 - Establish School of Interior Design

Ms. Wilson moved approval of the Consent Agenda. The motion, seconded by Mr. Chellgren, carried. (See AACR 1 at the end of the Minutes.)

E. Report on Capital Campaign (PR 1A)

Before beginning the report on the Capital Campaign, President Wethington welcomed Dr. Lee Todd as his and the Board's guest to the meeting and invited him back to the meeting in June. He said that he looks forward to working with Dr. Todd during the transition period.

President Wethington noted that as a result of the report he received from the Employee Benefits Committee last week, he decided to remove the Operating Budget from the agenda. The Operating Budget will be considered at the June meeting. He added that the meeting for the media's briefing of the budget had also been postponed until June. The media's briefing would likely be the Monday prior to the June 19th meeting.

Since the Operating Budget was removed from the agenda, President Wethington asked Mr. Terry Mobley to give a presentation on the Capital Campaign at this meeting instead of the June meeting. He reported that the campaign is making good progress, and his goal is to have the campaign total up to \$400 million by the end of June 2001. He asked Mr. Mobley to give his presentation to the Board.

Mr. Mobley expressed his appreciation for the opportunity to present this information to the Board. He noted that the volunteer leadership team, headed by Jim Stuckert, includes Paul Chellgren, Chris Sullivan, Bill Gatton, Myra Tobin, Lucille Little, and W. T. Young. These individuals have done an extraordinary job as volunteers. He added that never before has he seen as united an effort campus-wide with regard to fund raising or any type of university-enhancement program as this campaign has been. There has been a wonderful spirit of cooperation, and the following report will present the results of this cooperation. He said that he has no reason to think it will be any different in the future. He made the following presentation to the Board of Trustees.

In conclusion, Mr. Mobley said he would be happy to answer any questions. He said his report was to let the Board know what has been going on and what will continue to go on with the Capital Campaign. There are two more years left to complete the Campaign. If the University reaches \$400 million before President Wethington steps down as President on June 30, 2001, it will have to average \$100 million a year for the next two years to complete the Campaign. When the Campaign began, annual giving was averaging about \$40 million a year. These figures tell you that the private support that comes into the University has more than doubled, and this has been absolutely fantastic.

Mr. Miles thanked Mr. Mobley for the excellent presentation and said, "Terry does an outstanding job."

President Wethington said that the campaign is moving along well and is having the desired impact. He said that the challenge ahead is to continue this effort as it is currently progressing. He is absolutely convinced that it can be successful; however, it will take the kind of concentrated effort that has gotten the Campaign to this stage right on through to the end for the Campaign to be successful.

F. President's Report to the Board of Trustees (PR 1)

President Wethington called attention to the following items in PR 1:

1. The Martin School of Public Policy and Administration was ranked fifth in the public finance and budgeting category in the latest rankings by *U.S. News & World Report*. He thanked Eugenia Toma and Mike Nietzel for their help in this program.
2. Six research areas within the UK College of Medicine are ranked in the top 20 for National Institutes of Health funding at public institutions for fiscal year 2000.
3. UK Anthropology Professor Thomas Dillehay has received a fellowship from the John Simon Guggenheim Memorial Foundation.

4. James R. Boyd, James B. Day, Earnest O. Robbins II, William R. Sims, and James L. Wyatt were inducted into the UK College of Engineering Hall of Distinction.
5. Nick Clooney, Virginia Harris Combs, William R. Grant, Guy Hatfield, and Monica Kaufman were inducted into the Kentucky Journalism Hall of Fame. He added that Jack Guthrie has been instrumental in helping with the Journalism Hall of Fame.
6. The John Jacob Niles Center on American Music, housed in the Lucile Caudill Little Fine Arts Library and Learning Center, was dedicated last Sunday. He encouraged the Board members to visit the Center if they had not already done so.
7. The UK Chapter of Phi Beta Kappa, established here in 1926 by UK's third president, Dr. Frank McVey, celebrated its 75th anniversary in April. The UK Chapter is one of only two chapters in the state of Kentucky.

G. Personnel Actions (PR 2)

President Wethington recommended that approval be given to the appointments, actions and/or other staff changes which require Board action; and that the report relative to appointments and/or changes already approved by the administration be accepted. He added that he has had discussions with President-elect Lee Todd regarding administrative appointments, particularly those who would be reporting directly to the President, and they are in agreement with these appointments. After July 1, President-elect Lee Todd will have the opportunity to develop his own administrative team and administrative structure and present it to the Board. He asked that the same considerations that were awarded him some eleven and a half years ago be given to President-elect Todd beginning July 1 and that the Board support President-elect Todd in fashioning his own administrative structure. He expressed his pleasure in recommending PR 2 for approval by the Board.

Mr. Miles pointed out that this is a transition period. People who are being named with administrative appointments will not be replaced in their previous positions so they can go back to that position if the new president so decides come July 1.

President Wethington added that his staff understands that no one has tenure in an administrative position; they may have tenure and hold an administrative position, but people in administrative positions are not there because they are tenured administrators. He emphasized that President-elect Lee Todd will have the opportunity to change these appointments and those who are in these positions understand that very clearly.

Ms. Wickliffe asked for clarification as to whether these are temporary positions until Dr. Todd comes on board or if these are permanent positions.

President Wethington replied that there are no permanent positions or appointments. These are appointments to these positions at this time. If President-elect Todd chooses to make changes in the future, he clearly has that opportunity to do so.

Ms. Sims moved approval. The motion, seconded by Ms. Wilson, carried. (See PR 2 at the end of the Minutes.)

H. Naming of University Building (PR 3A)

President Wethington stated that PR 3A is a recommendation that the Board of Trustees approve the naming of the Women's Cancer Facility in the Markey Cancer Center the "Marylou Whitney and John Hendrickson Cancer Facility for Women." He noted that their gifts to the Cancer Center total \$2.5 million. President Wethington expressed pleasure in recommending PR 3A for approval. On motion made by Mr. Chellgren, seconded by Ms. Edge and carried, PR 3A was approved. (See PR 3A at the end of the Minutes.)

I. Candidates for Degrees (PR 5A)

President Wethington said that PR 5A is a recommendation that the President be authorized to confer upon each individual whose name appears on the attached list the degree to which he or she is entitled upon certification by the University Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate. President Wethington recommended that approval be given to PR 5A.

Mr. Miles asked how many degrees there were. President Wethington replied that there are 2,683 on the list; however, there were others that the Board approved for August and December 2000, totaling in excess of 5,000.

Mr. Williams moved approval. Ms. Edge seconded the motion, and it carried. (See PR 5A at the end of the Minutes.)

J. Acceptance of Interim Financial Report for the University of Kentucky for the Nine Months Ended March 31, 2001 (FCR 1)

Mr. Chellgren, Chairperson of the Finance Committee, reported that the Finance Committee had a brief meeting that morning. He stated that FCR 1 is the Acceptance of the Interim Financial Report for the University of Kentucky for the Nine Months Ended March 31, 2001. He noted that expenditures are currently about 72% of budget, and revenues are about 79% of budget. There were no extraordinary items that needed to be brought before the Committee or the Board. He added that the university's most recent bond rating was an Aa3, which is a very high bond rating and reflects the financial stability and condition of the University.

He reported that the endowment balances as of the end of the March financial statement, which actually reflects the end of February balances, was some \$433 million. Given the turbulence of the equity markets this spring, those are jumping around. In March they would have gone down, and in April they would have gone up. Mr. Chellgren moved adoption of FCR 1. The motion, seconded by Ms. Wilson, passed. (See FCR 1 at the end of the Minutes.)

President Wethington asked to interrupt Mr. Chellgren's report to recognize Dean Walker and members of her faculty and staff who were in the audience. He asked them to stand and be recognized for their hard work for the School of Interior Design, following which they received a round of applause.

K. Report of Leases (FCR 2)

Mr. Chellgren stated that FCR 2 is the normal report of leases. All five leases were renewals; four at existing rates and one had a modest increase. Mr. Chellgren moved adoption of FCR 2. Ms. Edge seconded the motion, and it carried. (See FCR 2 at the end of the Minutes.)

L. Approval of Leases (FCR 3)

Mr. Chellgren stated that FCR 3 is the report of leases above \$30,000 that requires Finance Committee and Board approval. There are four leases to be renewed at the existing rates. Mr. Chellgren moved adoption of FCR 3. The motion, seconded by Ms. Sparks, passed. (See FCR 3 at the end of the Minutes.)

M. Consent Agenda (FCR 4-15)

Mr. Chellgren stated that the following items would be voted upon as a consent agenda:

- FCR 4 – a gift of \$100,000 from the University of Kentucky Athletic Association for the existing quasi-endowment fund entitled the “Charles T. Wethington, Jr. Graduate and Professional Fellowship Fund”;

- FCR 12 – a gift of \$12,000 and a pledge of \$48,000 from Paul W. Chellgren of Villa Hills, Kentucky to create and endow the Kathryn Louise Chellgren Endowed

Professorship for Research in Family Studies in the College of Human Environmental Sciences;

FCR 13 – a pledge of \$50,000 from Robert S. Lipman of Nashville, Tennessee, to create and endow the Research Fund in Psychology in the College of Arts and Sciences' Department of Psychology;

Mr. Chellgren moved approval of FCR 4 through 15. The motion was seconded by Ms. Wilson and carried. (See FCR 4-15 at the end of the Minutes.)

Mr. Miles thanked Mr. Chellgren for the gift from his family.

N. Intercollegiate Athletics Quasi-Endowment Withdrawal (FCR 16)

Mr. Chellgren stated that FCR 16 is a recommendation for a transfer of \$1,500,000 from the Intercollegiate Athletics Quasi-Endowment for the purpose of providing funding for the Commonwealth Stadium Field Lighting Replacement project. He noted that the lights at Commonwealth Stadium are thirty years old and need replacing. He explained that this is temporary funding to get the work done and that there will be funds raised separately to repay the endowment. The first pledge of \$250,000 has already been committed. Mr. Chellgren moved approval. The motion, seconded by Ms. Sparks, passed. (See FCR 16 at the end of the Minutes.)

O. Kentucky Economic Development Corporation Pledge (FCR 17)

Mr. Chellgren stated that FCR 17 is a pledge of \$375,000 from the Kentucky Economic Development Corporation for the William T. Young Library Endowment to support the library collection for the benefit of research and graduate programs of the University. He noted that the Kentucky Economic Development Corporation, which has been in business for nearly 20 years, has decided to close and is distributing its cash balances with the majority of it coming into the Library Endowment. On motion made by Mr. Chellgren and seconded by Ms. Wilson, FCR 17 passed. (See FCR 17 at the end of the Minutes.)

P. Resolution of the Board of Trustees of the University of Kentucky Accepting the Successful Bid for the Purchase of Approximately \$18,695,000 Principal Amount of University of Kentucky Consolidated Educational Buildings Refunding Revenue Bonds, Series N (Second Series), Dated May 1, 2001 (FCR 18)

Mr. Chellgren stated that FCR 18 is a resolution accepting the successful bid of Morgan Keegan & Co., Inc. with reference to the sale of \$18,695,000 of University of Kentucky Consolidated Educational Buildings Refunding Revenue Bonds, Series N (Second Series), dated May 1, 2001, at a net interest cost of 4.496%. He noted that the University has been refinancing its bond indebtedness, and this is the most recent in that series. He added that the benefits of this refinancing will accrue 62% to the state of Kentucky and 38% to the University of Kentucky.

There is a cumulative refinancing savings of nearly \$835,000 and approximately \$73,000-78,000 annually in debt savings. Since 1993, the University has refinanced \$255 million of its bond indebtedness in 11 bond series; a net value savings of \$11 million with 64% of the benefits going directly to the state of Kentucky and 36% to the University of Kentucky. Mr. Chellgren moved adoption of FCR 18. The motion, seconded by Mr. Williams, carried. (See FCR 18 at the end of the Minutes.)

Q. Other Business

Ms. Sparks commented on the Academic Affairs Committee meeting and thanked Dean Walker and the others who helped bring about the School of Interior Design.

She reported that during the meeting Chancellor Zinser handed out the Annual Progress Report of the University of Kentucky Inclusive Learning Community, which included a notation that one of the trustees was honored and inducted into the Kentucky Civil Rights Hall of Fame, Governor Breathitt. The notation stated, "This event not only thanks those amazing nominees for their sacrifices but also educates today's generation as well as future generations on what these people had to accomplish in order to secure basic rights for all Kentuckians." She congratulated Governor Breathitt on his accomplishments and said she could think of no more meaningful award to receive. Governor Breathitt received a round of applause from the members of the Board.

Ms. Sparks added that there was a sculpture created which displays the names of the honorees and asked if President Wethington could find out its location. President Wethington stated that he would find out that information.

Dr. Mather commented that it had been a good month for Governor Breathitt because last week he was inducted into the University of Kentucky Greek Hall of Fame.

Mr. Williams announced that on May 11th the University of Kentucky will have its Annual Staff Appreciation Day in Memorial Coliseum from 10:30 a.m. to 1:30 p.m. He invited the Board members to attend and enjoy the food and music with the staff of the University.

Ms. Sims asked the Board members for their copies of PR 5A (Candidates for Degrees) if they were not interested in keeping them. She announced that Jimmy Glenn and his sister will receive their undergraduate degrees and his parents will receive their doctorate degrees on Sunday. She complimented them on their accomplishments. Mr. Glenn received a round of applause from the members of the Board.

R. Meeting Adjourned

There being no further business to come before the Board, the Chairperson adjourned the meeting at 1:50 p.m.

Respectfully submitted,

Daniel R. Reedy
Secretary
Board of Trustees

(PR 2, 3A, 5A; AACR 1; FCR 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, and 18 which follow are official parts of the Minutes of the meeting.)

Office of the President
May 1, 2001

1. Martin School Program Ranked Fifth by *U.S. News & World Report*

The University of Kentucky enjoys several prominent new placements in the latest rankings by *U.S. News & World Report's* "Best Graduate Schools 2002." The Martin School of Public Policy and Administration ranks fifth in the public finance and budgeting category, just behind Harvard and ahead of Carnegie-Mellon. The Martin School ranks 18th overall among public institutions. The UK College of Medicine's Rural Medicine program is tied for 24th. Graduate programs in English and Clinical Psychology are ranked for the first time, bringing the number of national rankings held by UK to 49.

2. Colleges of Medicine and Pharmacy Ranked in Top 20 for NIH Funding

Six research areas within the UK College of Medicine are ranked in the top 20 for National Institutes of Health funding at public institutions for fiscal year 2000: Physiology is ranked second; Aging is ranked third in its category; Anatomy and Neurobiology is ranked tenth; Molecular and Biomedical Pharmacology, 11th; Microbiology and Immunology, 18th; and Public Health/Preventive Medicine, 20th. The UK College of Medicine is ranked 26th overall among public medical schools for NIH funding. Since the NIH is the primary agency for funding biomedical research, the amount of NIH support for basic research is an indicator for the national research standing of universities and biomedical research institutions.

3. UK Anthropologist Wins Prestigious Guggenheim Fellowship

University of Kentucky Anthropology Professor Thomas Dillehay, whose discovery of the earliest human habitation of North America rewrote history books, has received a fellowship from the John Simon Guggenheim Memorial Foundation. Dillehay won the award to pursue the topic "History and the Identity Politics of the Chilean Mapuche." The foundation's average grant this year was \$36,000.

4. Five UK Students Awarded NSF Graduate Research Fellowships

Five UK students have received prestigious Graduate Research Fellowships from the National Science Foundation. The fellowship offers recognition and three years of support for advanced study to approximately 900 outstanding students in the mathematical, physical, biological, engineering, and behavioral and social sciences. In addition to the fellowship stipend of \$18,000 for a 12-month period, the NSF provides the fellowship institution, on behalf of each fellow, a cost-of-education allowance of \$10,500 per year. Nicholas Coleman, Jason Strange and Christine Trinkle will attend UK to study biosystems and agricultural engineering, geography, and mechanical engineering, respectively; Christine Borowski will attend Harvard and Christopher Bradley will attend the University of California at Berkeley next fall.

5. Chancellor Presents 2001 Outstanding Teaching, Staff Awards

Lexington campus Chancellor Elisabeth Zinser presented the 2001 Outstanding Teacher Awards to four professors and three teaching assistants. Winning the \$5,000 stipend for tenured professors were Joanna Bradagliacco, Sociology and Robert Ireland, History. Winning the \$3,500 stipend for non-tenured faculty were Allison Connelly, Law, and Gretchen Starr-LeBeau, History. Receiving the \$1,000 stipend for teaching assistants were Ann Ciasullo, English, Tim Thompson, Sociology, and Mike Phelan, Sociology. Meanwhile, the chancellor presented the \$600 awards for outstanding staff to Kay Cotton, Research and Education Center; Steven L. Ellis, Physics and Astronomy; Ann Norris, Agronomy; Ramona "June" Johnson, Horticulture and Landscape Architecture; Terry Tipton, Maintenance and Operations; and Sharlene Wang, Extended Campus Programs in Paducah.

6. Kentucky School of Public Health to Lead Partnership with Romanians

The Kentucky School of Public Health at the University of Kentucky College of Medicine will lead a consortium of Kentucky health care institutions in a partnership with Romanian institutions to address local, national and regional health care issues. This new program will develop educational programs in health care management and health communications. The American International Health Alliance Inc. and the U.S. Agency for International Development will support the new partnership.

7. Five Are Inducted into Engineering Hall of Distinction

In an example of the wide ranging effects University of Kentucky engineering graduates have on society, inductees into this year's UK College of Engineering Hall of Distinction include a former Disney World designer, the highest-ranking civil engineer in the U.S. Air Force and experts in jet propulsion, nuclear bombs and oil exploration. This year's honorees are James R. Boyd, senior vice president and group operating officer, Ashland Inc.; James B. Day, vice president, Belcan Corporation and former director of propulsion at Wright-Patterson Air Force Base; Earnest O. Robbins II, major general and The Civil Engineer, United States Air Force; William R. Sims, founder and principal owner, Windemere Teams Inc., and retired senior vice president, Walt Disney Imagineering; and James L. Wyatt, founder and retired president, Ambassador Industries Inc. and former vice president for development, Max Factor Company.

8. Kentucky Journalism Hall of Fame Inducts Five

In conjunction with the 24th annual Joe Creason Lecture, five journalists were inducted into the Kentucky Journalism Hall of Fame in mid-April. The 2001 inductees are Maysville native Nick Clooney, now a syndicated radio show host and columnist for the Cincinnati Post and Kentucky Post; the late Virginia Harris Combs, a Lee County native and longtime columnist for the Mountain Eagle in Whitesburg; Winchester native William R. Grant, the first person to receive a master's degree in mass communications at UK and now a producer or editor for Public Broadcasting Service programs such as "Stephen Hawking's Universe," "The American President," "Nova" and "Frontline;" Guy Hatfield, who distinguished himself as Kentucky's youngest publisher in 1973 and is publisher of the Citizen Voice & Times in Irvine, the Clay City Times and the Flemingsburg Gazette; and Louisville native Monica Kaufman, news anchor for three evening newscasts for WSB-TV in Atlanta since 1975.

9. Three UK Doctoral Students Receive Woodrow Wilson Dissertation Grants

Three University of Kentucky doctoral candidates have received 2001 Dissertation Grants from the Woodrow Wilson National Fellowship Foundation. They are among 31 students from across the nation who received grants to study women's studies and women's and children's health. Only UK and the University of North Carolina at Chapel Hill had three winners each. UK's winners are Deborah S. Armstrong, Nursing; Ann M. Ciasullo, English; and Margo P. Kleinfeld, Geography. The students will receive a \$2,000 award for expenses related to their dissertation research and writing.

10. UK Dedicates the John Jacob Niles Center on American Music

University of Kentucky officials dedicated the John Jacob Niles Center on American Music at the Lucile Caudill Little Fine Arts Library and Learning Center. The center houses one of the nation's largest university or college collections of folk music, including concert programs and promotional material, journals, notebooks of original manuscripts, instruments and published music from Niles dating to the 1920s. The center also contains other extensive country and folk music collections from such persons as Helen and Glenn Wilcox and Charles F. Faber.

11. Study Shows Promising Results for New Pacemaker for Heart Failure

A new generation pacemaker can help improve the pumping capability of a failing heart, according to results of a new study led by William T. Abraham, co-director of the Linda and Jack Gill Heart Institute. The Gill Heart Institute is one of 30 U.S. medical centers to offer the new In Sync III system. Abraham presented results of the study at a meeting of the American College of Cardiology. The device was tested on participants with severe heart failure, and two-thirds of them improved significantly.

12. UK Researchers Explore Novel Applications of the Leaf Surface of Plants

A UK research team led by George Wagner, Agronomy, has demonstrated the feasibility of modifying natural chemicals secreted on the leaf surface of plants. This development, a first in the field of plant biotechnology, has potential applications in the development of crop plants with improved insect and disease resistance, and in the production of new materials via "molecular farming" -- altering the genetic make-up of plants to produce commercial products. The findings were published in the April issue of *Nature Biotechnology*. The research team, including Susheng Gan and Erming Wang, resides at UK's Tobacco and Health Research Institute.

13. Phi Beta Kappa Marks its 75th Anniversary at UK

The University of Kentucky chapter of Phi Beta Kappa celebrated its 75th anniversary at special ceremonies in mid-April. Phi Beta Kappa, the nation's oldest and most prestigious honorary society for liberal arts students, alumni and faculty, was established here in 1926 by UK's third president, Dr. Frank McVey, himself a Phi Beta Kappa member.

14. Students Experience Weightlessness Aboard NASA Flight

Six UK mechanical engineering students, dubbed "Weightless Wildcats," performed complicated research during a reduced-gravity flight at NASA's Johnson Space Center in Houston. The students measured the controlled deployment of scale-model spacecraft using inflation pressures, accelerations and two-dimensional video. UK has participated in NASA's Reduced Gravity Program for the past five years. This year's participants included senior Mike Curry; juniors Courtney Byers, Dustin Elliott, Justin Kearns, Bobby Jones and Jennie Campbell; and sophomore Janelle Merritt.

Members, Board of Trustees:

NAMING OF UNIVERSITY BUILDING

Recommendation: that the Board of Trustees approve the naming of the Women's Cancer Facility in the Markey Cancer Center the "Marylou Whitney and John Hendrickson Cancer Facility for Women."

Background: The very generous \$2.5M gift from Marylou Whitney and John Hendrickson for the new Women's Cancer Facility represents the largest donation the McDowell Cancer Foundation has ever received. This donation represents a major portion of the \$9.2M required for the construction of the Women's Cancer Facility in the Markey Cancer Center.

Therefore, in recognition of the major contribution of Marylou Whitney and John Hendrickson to the McDowell Cancer Foundation for the construction of the new Women's Cancer Facility, the Committee on Naming University Buildings has made its recommendation to the Chancellor of the Albert B. Chandler Medical Center who recommends to the President and the Board of Trustees that the building be named the "Marylou Whitney and John Hendrickson Cancer Facility for Women."

CANDIDATES FOR DEGREES
UNIVERSITY SYSTEM

Recommendation: that the President be authorized to confer upon each individual whose name appears on the attached list the degree to which he or she is entitled upon certification by the University Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate.

Background: Since the Commencement exercises are held immediately following completion of examinations, it is not possible for the University Registrar to certify satisfactory completion of requirements prior to Commencement exercises for those candidates who complete their requirements in May. The candidates who completed their requirements in August 2000 and December 2000 were approved by the Board of Trustees at earlier meetings.

Members, Board of Trustees:

ESTABLISH SCHOOL OF INTERIOR DESIGN

Recommendation: that the Board of Trustees approve the proposal to separate Interior Design from the Department of Interior Design, Merchandising and Textiles, and to establish a separate School of Interior Design within the College of Human Environmental Sciences.

Background: The Interior Design program, which offers a Bachelor of Arts in Interior Design, has been a discipline in the Department of Interior Design, Merchandising and Textiles in the College of Human Environmental Sciences. It has matured during the past twenty years, and in light of future goals and directions that are now needed to reach the next level of maturation, a new structure termed the School of Interior Design is needed. This program was the first of its kind in the State of Kentucky to receive accreditation by the Foundation of Interior Design Education and Research (FIDER) and is the only program in the state to have maintained continuous accreditation since 1981. Today it is one of two accredited programs in Kentucky. Historically, the program has had a stable enrollment, but recent numbers reflect an upward trend to a current high of 147 students. It has maintained consistent success in graduate job placement by addressing the need within the State of Kentucky for professionally educated interior designers and for graduate placement with jobs related to the interior design industry. Interior Design has national and regional attention through its symposium, *Design on the Edge*, and is poised to become nationally prominent. Interior Design is a profession in which professional standards are being developed and states are moving toward certification. As a professional discipline, Interior Design may be expected to continue to develop its own unique identity. Establishing a School of Interior Design, with a school director, will enhance the visibility and reputation of the school within the profession and within other universities. Fund-raising is expected to accelerate with school status.

The proposed establishment of the School of Interior Design is supported by the faculty, the Dean of the College of Human Environmental Sciences, and the Chancellor of the Lexington Campus. It has been approved by the University Senate.
