

**Minutes of the Meeting of the Board of Trustees of the University of Kentucky, Tuesday, May 6, 1975.**

The Board of Trustees of the University of Kentucky met in regular statutory session on Tuesday, May 6, 1975 at 2:00 o'clock Eastern Daylight Time, in the Board Room on the 18th floor of the Patterson Office Tower on the University's Lexington campus with the following members answering the call of the roll: Mr. William B. Sturgill, Chairman, Professor Michael Adelstein, Mr. William R. Black, Mrs. Robert O. Clark, Mr. Albert G. Clay, Mr. Richard E. Cooper, Mr. John R. Crockett, Mr. George W. Griffin, Mrs. David Hermansdorfer, Mr. Thomas B. Kessinger, Mr. David Mucci, Mr. Zirl A. Palmer, Mr. Frank Ramsey, Jr., Mr. Homer W. Ramsey, Professor Paul G. Sears, Mr. James A. Sutherland and Dr. John R. Woodyard. Absent from the meeting were Mr. Stanley Burlew and Mr. John R. Gaines. The University Administration was represented by President Otis A. Singletary; Vice Presidents Robert Zumwinkle, Stanley Wall, Peter P. Bosomworth, and Raymond R. Hornback; Dr. Donald B. Clapp, Executive Assistant to the President; and Mr. John Darsie, Legal Counsel. The various news media also had representatives present.

**A. Meeting Opened**

Mr. Sturgill, Chairman, called the meeting to order at 2:14 p.m. The invocation was pronounced by Mr. James A. Sutherland. Following the roll call, the secretary reported 17 members present and 2 absent. A quorum being present, the Chairman declared the meeting officially open for the conduct of business at 2:16 p.m.

**B. Minutes Approved**

Mr. Sturgill asked if there were any additions or corrections to the Minutes of the April 8, 1975 meeting. There being none, on motion duly made, seconded and carried, the reading of the Minutes was dispensed with and the Minutes were approved as published.

**C. Assistant Secretary Elected**

Mr. Homer Ramsey, Chairman of the Nominating Committee, placed in nomination for Assistant Secretary of the Board of Trustees the name of Mrs. Robert O. Clark and moved that the nominations be closed. His motion was seconded and passed and Mrs. Clark was named Assistant Secretary of the Board of Trustees.

**D. Meeting Dates For 1975-76 Established**

Mr. Sturgill called attention to the dates proposed for meetings of the Board of Trustees and its Executive Committee for the fiscal year 1975-76. Without objection, the proposed dates were established. (See schedule at the end of the Minutes.)

**E. President's Report to the Trustees (PR 1)**

After reviewing certain of the items in his monthly report to the Trustees, President Singletary recommended that the report be accepted and filed. Without objection, it was so ordered.

**F. Report on Loss of Accreditation for Journalism Department**

President Singletary said that he would like to give a brief report on the situation relative to the loss of accreditation of the journalism program at the University. He and many others at the University are very concerned about it and have every reason to be. Loss of accreditation of a program is something you do not want to occur since it indicates a lessening in the quality of that program. The University, therefore, intends to take whatever steps are necessary to get the program in a posture to seek and get reaccreditation. As the first step, President Singletary has appointed a committee, headed by Dr. Cochran, to examine the report and see what needs to be done inside the University. As phase II, he plans to create a blue ribbon committee made up of people outside the University - representatives of the working press and perhaps the dean of another journalism school in good standing. This committee will be invited to come to the campus to observe things, to react to what the University is planning, and to then recommend things that should be done.

President Singletary outlined certain areas that he felt needed attention: (1) Organization and leadership which is tied up with the reorganization of the College of Arts & Sciences; (2) Curricular problems; (3) Student - Teacher ratio; (4) Selection process at the freshman level; and (5) Resolution of the problem involving the philosophy of what a professional journalism program ought to be as opposed to what a first rate school of communications ought to be.

In concluding his remarks, President Singletary said that all was not as bad as might be assumed from the preceding report on the journalism

program. Just recently the undergraduate program in Social Professions has been accredited for the first time and the visiting committee to the College of Engineering gave a superb report to him during its exit visit.

**G. Report on SMU Presidency**

Because of recent stories carried by the news media, President Singletary said he would like to inform the Board of Trustees of his exact status with regard to the presidency of Southern Methodist University. Several months ago officials of SMU came to Lexington to explore with him his interest in being considered for the presidency at SMU. At that time he was invited to come to Dallas to visit the institution. On a recent visit to Texas for another purpose, President Singletary said he had returned home by way of Dallas for an exploratory visit to the campus and had met informally with a few persons there. He was invited back for an in-depth visit and has agreed to go later in May. He concluded his remarks by saying that no judgment has been made as to whether he would accept the position if offered to him.

**H. Recommendations of the President (PR 2)**

Mr. Sturgill noted that the recommendations in PR 2 had been in the hands of the Board members for the past ten days and asked if there were any questions any member would like to raise. There being none, on motion by Professor Sears, seconded by Mr. Homer Ramsey, PR 2 was approved as a whole and ordered made an official part of the Minutes of the meeting. (See PR 2 at the end of the Minutes.)

**I. Appointment of the Acting Vice President for Business Affairs and Treasurer (PR 3-I)**

President Singletary said that he would like to recommend that the two parts of PR 3, Supplemental Recommendations of the President, be acted upon individually.

The first recommendation in PR 3 concerned the appointment of Dr. Donald B. Clapp as Acting Vice President for Business Affairs and Treasurer of the University to serve until a permanent replacement could be named to replace Lawrence E. Forgy, Jr. President Singletary emphasized that the appointment of Dr. Clapp was a temporary one, that he was

not a candidate for the position, and he had agreed to serve only as an accommodation to President Singletary. Dr. Clapp is assuming this acting role in addition to his present duties as Executive Assistant to the President.

Mr. Black moved that Dr. Donald B. Clapp be named Acting Vice President for Business Affairs and Treasurer, such appointment to become effective at the time of Mr. Forgy's departure from the campus. His motion was seconded by Mrs. Clark and, without discussion, passed without dissent. (See PR 3-I at the end of the Minutes.)

J. Appointment to the Board of Directors of the University of Kentucky Research Foundation (PR 3-II)

The second part of PR 3 concerned appointments to the Board of Directors of the University of Kentucky Research Foundation and President Singletary recommended that Mr. Edward S. Dabney, Mr. William B. Sturgill, and Dr. Roger Eichhorn be appointed for three-year terms ending in 1978. Mr. Sutherland so moved. His motion was seconded by Mr. Palmer and passed. (See PR 3-II at the end of the Minutes.)

K. Dr. Drake Recognized

President Singletary said that before proceeding to the next item on the agenda, he would like to recognize the presence of Dr. Robert M. Drake, who has just returned to campus to become Special Assistant to the President. Dr. Drake will provide administrative liaison with the Tobacco and Health Research Program, Mining and Minerals Research Program, and the Computing Center. President Singletary added that this position requires a person with scientific know-how and the ability to handle external contacts with governmental and industrial agencies. Dr. Drake possesses these qualities and President Singletary said he was delighted that Dr. Drake had agreed to accept the position. Mr. Sturgill recognized Dr. Drake and welcomed him on behalf of the Board of Trustees.

L. Candidates for Degrees - University System (PR 4)

President Singletary recommended approval of the recommendation in PR 4 relative to the degree candidates in the University System. Without discussion, on motion by Mr. Cooper, seconded by Mr. Mucci and carried, the President was authorized to confer upon each individual whose name was

presented on the list distributed to the Board the degree to which he is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which he has made application and as approved by the University Senate. (See PR 4 at the end of the Minutes.)

M. Candidates for Degrees - Community College System (PR 5)

President Singletary recommended approval of PR 5, Candidates for Degrees - Community College System. Mr. Palmer so moved. His motion was seconded by Dr. Woodyard and, with all present voting aye, it was so ordered. (See PR 5 at the end of the Minutes.)

N. Associate Degree Program in Radiologic Technology at Madisonville Community College (PR 6)

At President Singletary's request, Dr. Wall explained the need to provide technical courses in Radiologic Technology at Madisonville Community College and recommended approval by the Board of Trustees so that the proposal might be transmitted to the Council on Public Higher Education for approval by that body prior to activation of the program. Mr. Frank Ramsey moved approval of the recommendation in PR 6. His motion was seconded by Mr. Crockett and passed without dissent. (See PR 6 at the end of the Minutes.)

O. 1974-75 Budget Revisions (PR 7)

Noting that the recommended revisions in the 1974-75 budget were routine in nature, President Singletary recommended approval. On motion by Mr. Clay, seconded by Mr. Homer Ramsey and passed, the budget revisions recommended in PR 7 were authorized and approved. (See PR 7 at the end of the Minutes.)

P. Operating Budget for 1975-76 (PR 8)

President Singletary in presenting the proposed Operating Budget for 1975-76 said that the document did not represent unanimous decisions since some compromises had to be made. He said that the budget had been months in preparation and congratulated the Budget Director and his staff on the fine job they have done in putting it together.

Continuing that if the members of the Board wanted to get a really good picture of the University's operation, they should read the section of the budget on Program Data. He then called attention to the summary section of the budget, noting that at \$170,460,500 this budget represented the largest in the history of the institution. He pointed out that the state appropriation of \$80,903,300, while a large sum of money, is actually only 47.5% of the total budget.

The budget has been particularly difficult to construct because of inflation which has had a severe impact on the University but, in spite of this, no increase in tuition fees is proposed. There was no way to avoid an increase in room and board rates since these are related to a self-supporting auxiliary enterprise and rising costs of food, labor, and utilities make it impossible not to raise these rates.

The number one priority in the preparation of the budget for 1975-76 was salary increases. Built into the appropriation was a 5.5% increase but institutional adjustments were made which brought the increase to 8.5% which represents recurring money. In order to get this 3% of additional monies, reserves were taken away from the vice presidents and deans, faculty lines for unfilled positions were abolished and, in the classified area, positions eliminated as they became vacant and cleaning schedules were changed. Moves have also been made to cut back on use of utilities.

Concluding his remarks, President Singletary reiterated that the basic thrust of the 1975-76 budget is to do the most possible for full-time, permanent staff members. He regretted that Graduate-Teaching Assistants were not included among those receiving the salary increases but he indicated that Graduate-Teaching Assistants badly needed consideration and said that this group would receive priority attention in the biennial budget request. He then recommended that the Board of Trustees adopt the Operating Budget for 1975-76 as recommended in PR 8.

Dr. Adelstein said that the University faculty appreciated what President Singletary and the administration had done in providing the salary increases for next year. He said that it was gratifying to know that the University felt people should be well kept rather than buildings and grounds. He concluded by saying that there is always speculation in Singletary stock on campus and it is now selling at a new high with many buyers around.

Mr. Homer Ramsey moved that the 1975-76 Operating Budget as submitted, including the authorization set forth in the letter of transmittal, be approved and ordered recorded as an integral part of the University's financial system with the necessary fiscal control being exercised for the

collection and appropriation of income and for the expenditure of departmental appropriations in accordance with authorized fiscal policies and procedures and accepted as a basis of maximum expenditures for the year 1975-76. The Board of Trustees or the Executive Committee is empowered to make such changes in the budget as may from time to time be deemed necessary upon recommendation of the President. His motion was seconded by Mr. Kessinger and passed without dissent.

President Singletary introduced Mr. Edward Carter, Dr. James Chapman and Miss Karen Tuttle and thanked them for the excellent job they had done in preparing the budget. Mr. Sturgill expressed on behalf of the Board of Trustees its thanks to them as well as to President Singletary and the administrative staff of the University for a well prepared budget. (See PR 8 at the end of the Minutes.)

Q. Hearing Committee Recommendation No. 1 (Hansen Request)

Mr. Black, Chairman of the Board of Trustees Hearing Committee, reported that the committee had met on Monday afternoon, May 5, 1975, to hear testimony regarding the non-renewal of the appointment of Mr. Gunnar Hansen, a faculty member at the Jefferson Community College. He then read the committee's recommendation relative to this case and moved acceptance of the recommendation. His motion was seconded by Mr. Griffin and passed. (See Hearing Committee Recommendation No. 1 at the end of the Minutes.)

R. Hearing Committee Recommendation No. 2 (Petition for Increased Wages and an End to Position Cut-Backs.)

Mr. Black said the Hearing Committee had met at 9:00 on the morning of May 6, 1975 for the purpose of considering a petition asking for increased wages and an end to position cut-backs at the University. He read the committee's recommendation and moved its acceptance. His motion was seconded by Mr. Palmer and the aye votes carried. (See Hearing Committee Recommendation No. 2 at the end of the Minutes.)

S. Interim Financial Report (FCR 1)

Mr. Clay, Chairman of the Finance Committee, reported that the committee had met at 11:00 a.m. on the morning of May 6, 1975 and considered the three items on the agenda. The Interim Financial Report for

the period ending March 31, 1975 indicated that the University was "on target" in receipts and disbursements and Mr. Clay moved its acceptance. His motion was seconded by Mr. Cooper with all present voting aye. (See FCR 1 at the end of the Minutes.)

**T. Room and Board Rates for 1975-76 (FCR 2)**

Mr. Clay said that the Finance Committee had studied the recommended increases in room and board rates as set forth in FCR 2 and felt that these increases were justified by the increases in labor, food and utility costs. He pointed out that FCR 2 was made up of six parts covering various plans and moved adoption of all six items. His motion was seconded by Mr. Frank Ramsey. Before the motion was acted upon, Mr. Mucci said that the increases had been discussed by Student Government and the Council of Student Hall Presidents and it was felt that these are the best alternatives and the smallest increases that could be made. The vote was called for and Mr. Clay's motion for approval of the six items in FCR 2 was approved. (See FCR 2 at the end of the Minutes.)

**U. Deed of Easement at Maysville Community College (FCR 3)**

Mr. Clay moved that the Vice President for Business Affairs and Treasurer be authorized to negotiate and execute a Deed of Easement to East Kentucky Power Cooperative, Inc. to enable the construction, location and maintenance of transmission and distribution lines, and necessary appurtenances, across property of Maysville Community College. His motion was duly seconded and passed. (See FCR 3 at the end of the Minutes.)

**V. The Resolution Expressing Confidence in President Singletary**

At Mr. Sturgill's request, Mr. Clay read a consensus resolution expressing appreciation for Dr. Singletary's accomplishments during his six years as President of the University, confidence in his leadership, and the hope that he would remain as President.

At the conclusion of the reading of the resolution, a copy of which is included at the end of the Minutes, Mr. Clay moved its adoption. His motion was seconded by Mr. Homer Ramsey. Mr. Sturgill called for a vote by name. Those voting in favor of the adoption of the resolution were: Mr. Frank Ramsey, Mr. Homer W. Ramsey, Mr. William R. Black, Mrs. David Hermansdorfer, Mrs. Robert O. Clark, Mr. Albert G. Clay,

Mr. Richard E. Cooper, Mr. John R. Crockett, Mr. George W. Griffin, Mr. Thomas B. Kessinger, Professor Michael Adelstein, Mr. Zirl A. Palmer, Professor Paul G. Sears, Mr. William B. Sturgill, Mr. James A. Sutherland, Mr. David Mucci and Dr. John R. Woodyard; those opposed: none.

President Singletary accepted the resolution with his thanks. (See resolution at the end of the Minutes.)

W. Meeting Adjourned

Having determined that there was no further business to come before the meeting, on motion duly made, seconded and carried, the Chairman declared the meeting adjourned at 3:45 p.m.

Respectfully submitted,

Paul G. Sears, Secretary  
Board of Trustees

(Meeting dates; PRs 2, 3, 4, 5, 6, 7, & 8; Hearing Committee Recommendations Nos. 1 & 2; FCRs 1, 2, & 3; and the Resolution of Appreciation for President Singletary which follow are official parts of the Minutes of the meeting.)

CANDIDATES FOR DEGREES - UNIVERSITY SYSTEM

Recommendation: that the President be authorized to confer upon each individual whose name appears on the list the degree to which he is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which he has made application and as approved by the University Senate.

Background: Since Commencement Exercises are held immediately following completion of examinations, it is not possible for the Office of the Dean of Admissions and Registrar to certify satisfactory completion of requirements prior to Commencement Exercises, for those candidates who completed their requirements in May. The candidates who completed their requirements in August 1974, and December 1974, were approved by the Board of Trustees at earlier meetings.

ASSOCIATE DEGREE PROGRAM IN RADIOLOGIC TECHNOLOGY  
AT MADISONVILLE COMMUNITY COLLEGE

Recommendation: that approval be given for the submission of a proposal to the Council on Public Higher Education for the activation of an associate degree program in Radiologic Technology at Madisonville Community College.

Background: The Madisonville Community College and the Madisonville State Vocational-Technical School, with extensive faculty and community involvement, have cooperatively developed a plan to initiate this program beginning with the fall semester 1975. This proposal when implemented will make available the next step on a "Career Ladder" for students finishing technical courses in Radiologic Technology presently offered at Madisonville State Vocational-Technical School.

The technical portion of this curriculum will be provided by the existing budget of the Madisonville State Vocational-Technical School; general education courses will be provided from the present budget of Madisonville Community College. No additional funds are required to implement this proposal.

The Community College System now offers this Radiologic Technology degree only at the Lexington Technical Institute. Since the Madisonville program is a new program for this college requiring certification of its graduates, approval of the Council on Public Higher Education is required. Approval of the University of Kentucky Board of Trustees is required for submission to the Council.

Hearing Committee Recommendation No. 1

The Hearing Committee met on May 5, 1975, to hear testimony regarding the non-renewal of the appointment of Mr. Gunnar Hansen, a faculty member at the Jefferson Community College. The following members were present:

Mr. William Black - Chairman  
Mrs. Sally Hermansdorfer  
Mrs. Betty Carol Clark  
Mr. Homer Ramsey  
Dr. Michael Adelstein

Mr. Stanley Burlew was absent.

Based upon the testimony presented by Mr. Hansen, the Committee concluded that the procedures provided in the Governing and Administrative Regulations of the University were followed in reaching the decision not to renew Mr. Hansen's contract and that the non-renewal was not actuated by factors which were violative of his academic freedom. Therefore, the Committee recommends that the Board of Trustees take no further action in this case.

Although the Committee is of the opinion that Mr. Hansen's rights were not prejudiced by the procedures employed, the Committee believes that an effort should be made to further clarify the meaning of those regulations which provide for a thorough discussion when a faculty member's contract is not renewed. The Committee is also of the opinion that an effort should be made to more thoroughly define the "concerned persons" with whom such discussions should take place.

The Committee also believes that consideration should be given to devising a mechanism whereby a faculty member whose case is being considered by the Committee on Promotion and Tenure can indicate to the Committee that he feels that one or more of the recommendations submitted are affected by personal bias.

ROOM AND BOARD RATES, 1975-76

I. Adjustment of Room and Board Rates--Undergraduate Residence Halls--Regular Semester

Recommendation: that the semester room and board rates be adjusted to \$600.00 for the choice of any two meals plan (seven days per week) and \$700.00 for the three meal plan (seven days, 20 meals per week). That the breakfast and dinner meal plan be eliminated and that two new plans be offered: (1) a choice of any two meals, five days per week (Monday through Friday) for \$560.00 per semester, and (2) three meals per day, five days per week (Monday through Friday) for \$670.00 per semester.

Background: The present room and board rate (\$560.00 for the choice of any two meals seven days per week and \$623.00 for three meals per day (20 meals per week)) is insufficient to meet the higher operating costs and financial demands of the Housing and Dining System. The proposed adjustment results primarily from increased labor, food and utility costs. The two new five day meal plans are recommended due to many requests from students who are away from campus during the weekend. These rates cover debt service, all operating costs, and funds for replacement of furniture and equipment.

II. Adjustment of Room Rates--Undergraduate Residence Halls--Summer School

Recommendation: that the Summer School rates be adjusted to \$160.00 for double occupancy and \$200.00 for single occupancy effective the 1975 summer session.

Background: The present rate is \$145.00 for double occupancy and \$185.00 for single occupancy. The summer rate is based on the same weekly rate as the regular semester with the single rate being 125% of the double occupancy rate. The calculation is based on a 16 week regular semester and an eight week summer session.

### III. Adjustment of Room Rates--Professional Building

Recommendation: that the semester single occupancy room rate for students residing in the professional building be adjusted to \$639.00 and that the double occupancy rates be adjusted to \$319.50 effective the fall semester 1975.

Background: The increase in the present room rate (\$587.00 for single occupancy and \$293.50 for double occupancy) is the same as the new rate that will be charged for undergraduate room only.

### IV. Adjustment of Apartment Rates for Married Student Housing

Recommendation: that the monthly rental rate be adjusted to \$105.00 for efficiency apartments, \$120.00 for one-bedroom apartments, and \$130.00 for two-bedroom apartments effective September 1, 1975.

Background: The present monthly rates (\$95.00 for an efficiency apartment, \$110.00 for a one-bedroom apartment, and \$120.00 for a two-bedroom apartment) were established in 1973. The proposed adjustment results primarily from increased labor and utility costs. The rental rates include basic furnishings and utilities.

### V. Adjustment of Room Rates-Graduate Apartments

Recommendation: that the semester rate for graduate efficiency apartments be adjusted to \$322.00 for double occupancy and that the graduate one-bedroom rate be adjusted to \$367.00 per semester for double occupancy.

Background: The present semester rates are \$292.00 for an efficiency apartment and \$337.00 for a one-bedroom apartment. The rate for graduate apartments is the same annual amount charged for married apartments with an adjustment for custodial supplies which are provided for graduate students but not for married students.

### VI. Adjustment of Conference and Guest Housing Rates

Recommendation: that the room rates for conference groups and guest rooms be adjusted as follows, effective summer 1975:

Double Room

\$28 per week for periods 5-8 weeks  
\$35 per week for periods 14-28 days  
\$ 7 per day for periods 13 days or less

Guest Rooms in Residence Halls  
Guest Apartments  
Guest in Student Room  
High School Students

Single Room

\$35 per week for periods 5-8 weeks  
\$42 per week for periods 14-28 days  
\$ 9 per day for periods 13 days or less

\$ 5 per person  
\$10 per person  
\$ 2 per person  
\$ 4 per person

Background: The present rates which were established in 1970 are as follows:

Double Room

\$20 per week for periods of 5-8 weeks  
\$25 per week for periods of 14-28 days  
\$ 5 per day for periods of 13 days or less

Guest Rooms in Residence Halls  
Guest Apartments  
  
Guest in Student Room  
High School Students

Single Room

\$25 per week for periods 5-8 weeks  
\$30 per week for periods 14-28 days  
\$ 7 per day for periods 13 days or less

\$ 3 per person  
\$ 7 per person single,  
\$10 double  
\$ 1 per person  
\$ 2 per person

The above rates include linen service consisting of sheets, pillow, blanket, pillow case and towels.

Due to the increase in labor, utilities, and other operating costs, the present rates are insufficient to cover expenses.
