DR. OTIS A. SINGLETARY
President, University of Kentucky

The University of Kentucky has become one of the major institutions of higher learning in the United States under the leadership of Dr. Otis Singletary, the eighth president of the University.

Dr. Singletary was named president of the University in August, 1969. He had previously served as executive vice-chancellor for academic affairs in the University of Texas System and director of the Job Corps program for the Office of Economic Opportunity.

Dr. Singletary, a native of Gulfport, Miss., holds degrees from Millsaps College and Louisiana State University.

As president of the principal institution of higher learn in the Commonwealth, Dr. Singletary is greatly concerned with the University's role as a land-grant institution, a "people's university" accessible to all who can profit from education.

In the ten years he has been president, the University has grown to where there are now more than 22,000 students on the Lexington campus and more than 17,000 students in UK's 13 community colleges, and the University has become one of the major research institutions in the country.

Recognition of his service to the University was evidenced by the UK Alumni Association, which presented to Dr. Singletary its Alumni Service Award—an honor rarely bestowed upon a non-alumnus of the University.

Dr. Singletary is the author of two books and several monographs.

A Navy veteran of World War II and the Korean Conflict, he is a commander in the U.S. Naval Reserve. He and Mrs. Singletary, the former Gloria Walton, have three children: Bonnie, Scot and Kendall.

The Singletarys live at Maxwell Place, traditional home of UK presidents.

CLIFFORD O. HAGAN
Athletics Director

Expansion of the football training room and addition of a beautiful player's lounge at Shively Sports Center, new carpeting in the stadium football offices, a new basketball office complex in Memorial Coliseum, re-arrangement of the baseball fences and a new surface for the running track are just a few of the recent improvements that signify the continuing progress of UK athletics since Cliff Hagan joined the Wildcat Staff seven years ago.

Recognized nationally as a progressive, business-oriented and promotion-minded administrator, Hagan has seen and overseen vast improvements in all phases of an ever-expanding operation that has encompassed 16 sports since the men's and women's programs were merged in July of last year.

The merger, under Hagan's direction, has been orderly, with office space remodeled and in some cases created to make room for the women's coaching and administrative staff.

The indoctrination of Hagan into the UK athletics administrative structure came in 1972, when he was named assistant to Harry C. Lancaster and given the task of implementing the Blue & White Fund for 57,600-seat Commonwealth Stadium and later for Rupp Arena. The fruits of his labors in this area have provided the additional financial support that has elevated the UK athletics program into a first class operation.

Hagan replaced Lancaster as athletics director in July, 1975; during the ensuing school year, Wildcat teams compiled one of the best records in the school's history, with the basketball Wildcats winning the National Invitational Tournament, the wrestling and rifle teams winning SEC titles and the baseball team winning the SEC Eastern Division.

The wrestling team repeated as conference champion the following year, the basketball team finished with a 26-4 record and the football team won seven of 11 regular season games and defeated North Carolina in the Peach Bowl. It was the best UK football record in 23 years and the Wildcats' first post-season appearance since the 1952 Cotton Bowl. During the past year, the football team finished 10-1 (6-0 in the Southeastern Conference) and the basketball team won the NCAA championship.

With both the football and basketball teams playing to sellout crowds and drawing a big on-the-road following, Hagan has not been content, but has made Wildcat games even more enjoyable by personally designing and selecting the Wildcat Mascot, which has captured the fancy of UK fans everywhere, and by granting permission for publication of "The Cats' Pause," a unique weekly tabloid devoted strictly to UK sports.

Physical improvements during Hagan's regime as athletics director include a 110-yard Astro-Turf football practice field, modern equipment in both the Shively Sports Center and Memorial Coliseum weight rooms, open-type lockers, a new pressbox and new dugouts at the baseball field, and a revamped tennis complex with additional seating and modernized offices. He has also added a strength coach to work with all sports and funds for the popular Parcourse Fitness Trail.

Office in Memorial Coliseum have been modernized and Hagan is looking forward to the day when he can put on the drawing board an Olympic swimming pool and a field house, which he says are "desperately needed for our program and our students."

Hagan also has been an advocate of a strong scholar-athlete program, feeling "a genuine commitment to provide all the academic support and encouragement we can to help our athletes leave our campus with a college education and a degree."

On the personal side, Hagan received one of his highest individual honors last May when he became the first University of Kentucky basketball player to be installed in the Naismith Memorial National Basketball Hall of Fame in Springfield, Mass.

The road to that honor began at Owensboro, Kentucky, where he established a then state high school tournament record of 41 points, which was recently voted the greatest individual performance by anyone in the history of that tournament, in leading the Red Devils to victory over Lafayette in the 1949 championship game.

At UK, he played on teams that won 86 of 91 games and an NCAA championship (1951). The 1954 team, undefeated in 25 games, elected not to participate in the national tournament.

Hagan set a dozen Southeastern Conference records and an NCAA record of 528 rebounds as a junior. He averaged 24 points a game, led the nation in rebounding, and scored a UK record of 51 points against Temple in 1954.

He was a member of Sigma Nu Fraternity, Student Government, Baptist Student Union, Fellowship of Christian Athletes and twice was selected among the top ten students in the College of Education.

After graduating from UK in 1954, Hagan served two years at Andrews Air Force Base, Washington, D.C., as a commissioned officer. He led the base to two World Wide Air Force championships and won All-Service honors both years.

During ten years with the St. Louis Hawks, he ranked high among 11 players on the league scoring charts with 12,433 points in 672 games for an 18.5 mark and was selected to play in five East-West All-Star games and was named to the NBA second All-League team twice. He hit over .790 from the free throw line seven years in a row and held the NBA record for most field goals scored in a single quarter (12).

The Hawks won the Western Division six times during Hagan's playing career there and defeated the Boston Celtics in 1958 for the world championship. Hagan was All-Pro in the NBA in 1957-62, inclusive.

He received his M.S. in education from Washington University in 1958.

In 1965, a Herbert Hoover Boys Club of America was organized in Owensboro and named the Cliff Hagan Boys Club of America.

He then joined the Dallas Chaparrals as player-coach and was selected as the 1958 Texas Professional Coach of the Year. When he left Dallas, he was only 92 points shy of a regular-season career total of 15,000 points.

In 1974, he was named to the Hall of Fame Magazine's All-America second-team for the 1951-1973 period, to the Orlando (Fla.) Sentinel Star's All-Time Southeastern Conference first team, and the All-Time top collegiate player in the State of Kentucky by Inside Kentucky Sports Magazine. In 1975, he was named to the Kentucky Athletic Hall of Fame, was inducted into the UK Alumni Association Hall of Distinguished Alumni and was a recipient of the University of Kentucky Centennial "K" Medallion tendered by the UKAA for past athletic accomplishments, during UK's Centennial Year observance.

He is married to the former Martha Milton of Owensboro. They have four children: Lisa, Laurie, Amy, and Kip.

GALS' COACH FIRST UK MENTOR

Prof. A. M. Miller, who became Kentucky's first football coach in 1892, was chosen because he had learned about the game from sideline observations while a student at Princeton. His only previous coaching experience was at a girls' school in Pennsylvania. He coached four games and yielded to Jackie Thompson for the remaining three games.

FRAN CURCI, HEAD FOOTBALL COACH
(Six years at UK: 36-29-2; 11 years overall: 70-48-2)

Entering his seventh season as head coach at the University of Kentucky, Fran Curci has posted a 36-29-2 record, best for a Wildcat coach since Bear Bryant guided the "Big Blue" forces to a 60-23-5 record during the 1946-53 era.

Included in Curci's UK record are a Peach Bowl championship (1976) and a 10-1 record in 1977, best for a Wildcat team since Bryant's 1950 team finished 10-1 and won the Sugar Bowl.

Although the 1978 Wildcat squad, which was minus consensus All-American DE Art Still and four other All-SEC players, finished 4-6-1, Curci still produced three All-SEC players (LB Jim Kovach, NG Richard Jaffe, OG Dan Fowler) and two Academic All-Americans (Kovach and C Mark Keene).

Commonwealth Stadium, the 58,000-seat stadium that is home of the Wildcats, was filled for the six home encounters, as were practically all of the five other stadiums where the Wildcats played on the road.

Curci's record at UK now includes a conference co-championship in 1976 and an undefeated (6-0) conference slate in 1977, when the Wildcats were not eligible for the championship. Kentucky's only other SEC championship was in 1950, when the Wildcats were 5-1 in the conference.

During his tenure at UK, Curci has been named SEC "Coach of the Year" by both wire services—UPI in 1973 and AP in 1977—and has finished high in the national balloting (1977).

He has produced four All-Americans and three Academic All-Americans at UK, which did not have an All-American of any type during the nine years before he

came to Lexington. He also has produced 10 All-SEC players named 15 times to the honor squads.

Curci came to UK from the University of Miami, FL, where he was head coach two years. He started his career as freshman coach there in 1962 after earning All-American honors as a quarterback for the Hurricanes in 1959 and playing QB for the old Dallas Texans in the AFL.

Curci went to Tampa as head coach in 1968, putting together a 7-3 season that included victories over Mississippi State and Tulane and earned him the Florida Sports Writers Association's "Coach of the Year" award, a recognition repeated in 1970.

His 1969 team finished 8-2, while his 10-1 record in 1970 included a 31-14 triumph over Miami and brought the Tampans the nation's No. 1 College Division ranking. Curci was runner-up for College Division "Coach of the Year" honors.

He coached the Hurricanes in 1971 and 1972.

A native of Pittsburgh, PA, Curci played his high school football in Miami, where he lettered three years as a quarterback at Archbishop Curley High and was All-City, All-Conference, Catholic All-State and his team's Most Valuable Player.

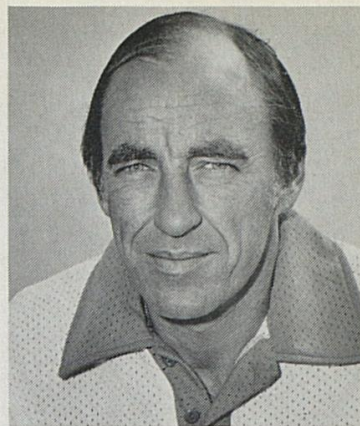

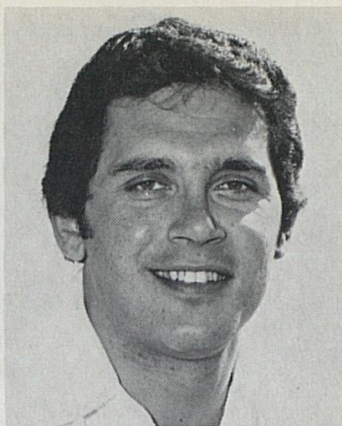

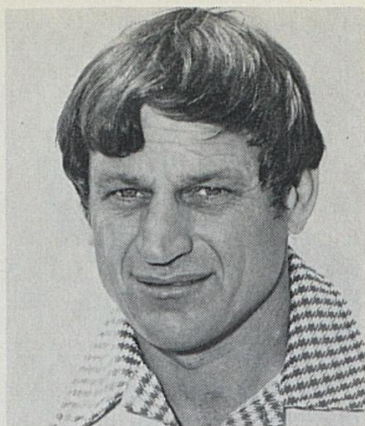

At Miami, where he was known as the "Mite-y Magician," he parlayed intelligence and desire to become All-American as a senior in 1959 after receiving All-America honorable mention in 1957.

He set Hurricane seasonal and career marks for total offense, most passes thrown, most passes completed and most yards completed and most yards gained passing. He was co-holder of the record for most passes thrown.

He rolled up 2,767 yards rushing and passing during his varsity career, breaking a total offense record that had stood for more than two decades. He captained the Hurricanes his senior year and climaxed his career by engineering a stunning upset of Michigan State.

After graduation in 1960 with a degree in marketing, he played one year for the Texans and then served as a lieutenant in the Army, coaching and playing football for the Fort Eustis team, which won the National Service championship in the Missile Bowl.

Curci has been selected seven times to coach in all-star games. He assisted Bear Bryant with the South team in Tampa's first annual American Bowl game five years ago, then served as South head coach the next year. He helped Charlie McClendon of LSU and Alex Agase of Northwestern direct the East in the Coaches All-American game and has also appeared at the North-South Game, Japan Bowl, East-West Game and Hula Bowl.

COMMONWEALTH STADIUM

Commonwealth Stadium, the University of Kentucky's football facility, is located on an 86-acre tract on the Kentucky Experimental Station Farm grounds south of the main campus and east of Nicholasville Road. Completed in 1973, the concrete and steel cantilevered structure replaced Stoll Field, where Wildcat football teams had played since their beginning.

Constructed by Huber, Hunt & Nichols, Inc., the facility has a capacity of 50,000 sideline seats, with end zone bleachers swelling the total to 58,000. The lower stands are so constructed that the seating can be increased to 68,000 later when needed.

Bids for the stadium were opened in mid-July 1972, and construction began a short while later.

The pressbox, located between the two levels on the south side of the playing field, is serviced by two elevators and contains a main working area, radio booths, food service areas, private booths and a camera deck extending along the entire front of the box.

Thirty-four concession areas and 30 restrooms are located conveniently throughout the facility. Four first aid stations with emergency health equipment also are provided. There are four major pedestrian ramps at each corner of the stadium and 40 ramp exits to seats.

The area immediately surrounding the stadium contains 6,000 parking spaces, with half of those paved and the other half in grass with gravel driveways. Another 8,500 parking spaces are located within a mile, all north, of the stadium.

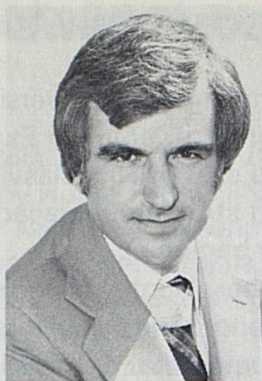

Five exits, all leading to four-lane highways, serve the facility.

The playing surface was sodded in Kentucky bluegrass in July 1973, and this was replaced with Bermuda in 1974. A fairly new scoreboard was moved from Stoll Field and installed with a similar scoreboard at the new stadium.

The new stadium does away with the seeming duplication of titles—Stoll Field and McLean Stadium—that caused much confusion among the general public and sports-writing fraternity.

By action of the University Board of Trustees, the general area encompassing the old Wildcat playing field, located first on what is now an intramural field, was dedicated Oct. 14, 1916, as Stoll Field in honor of the late Judge Richard C. Stoll, prominent alumnus, trustee and benefactor of the University. Soon after the first sections of the concrete stadium on Euclid Avenue were completed Sept. 4, 1924, the new field site and stadium were likewise officially known as Stoll Field.

The first attraction to be held on the new Stoll Field was a football game with the University of Louisville Oct. 4, 1924. A gridiron clash between Kentucky and the then-powerful Centre College team was the first game played in the fully-completed stadium Nov. 1, 1924.

1979 OUTLOOK: Facing the toughest start in its 91st year of football, Miami has 37 lettermen, including 13 starters, returning from last year's team, which won its last seven games to finish with an 8-2-1 record for first-year coach Tom Reed. The biggest challenge for Reed is to come up with a replacement for Larry Fortner at quarterback. Leading candidates include junior Chuck Hauck and John McIntosh and sophomores Don Treadwell and Mark Kelly. Returning are the top two running backs from last season—Mark Hunter, who led in team rushing with 1,046 yards, scored 11 TDs and averaged 25.7 yards on 11 kickoff returns, and Greg Jones, who gained 718 yards and scored four TDs on runs of 50 yards or more.

SERIES HISTORY: The Kentucky-Miami series began in 1894 with a 28-6 UK victory in Lexington, but the teams have met each other only nine times. Kentucky followed that initial victory with wins in 1899, 1902, 1903 and 1911. Miami got its first victory the following year in Lexington and then tied the Wildcats when the series was resumed five years later. Miami won the 1920 game, 14-0, at Oxford. The teams did not meet again for 54 year, when Miami won, 14-10, at Lexington in 1974 to cut the Wildcat series lead to 5-3-1.

LAST MEETING: Oct. 15, 1974 (Lexington) UK 10, UM 14—The Wildcats won the battle of the statistics, gaining 340 ground yards on a Redskin team that had given up only 93 yards rushing per game up to that time, but the Miami defense made the crucial big plays in a thriller at Commonwealth Stadium. The first big Redskin break came after the second-half kickoff, when the Wildcats were leading, 10-0, and trying to mount an offensive drive. Quarterback Mike Fanuzzi fumbled near midfield and Brad Miller recovered for Miami at his 49. Nine plays, Miami had its first touchdown, a six-yard pass from Sherman Smith to Ricky Taylor. A 48-yard coffin-corner punt by Jeff Rowlands preceded Miller's next big play. With possession on their own two, the Wildcats gained only three yards in three plays and went into punt formation. Brad Cousino, Miami's outstanding middle guard, blocked John Tatterson's punt in the end zone and Miller fell on the ball for the winning score.

Newcomers to Watch—Cam Cameron, QB; Al Christy, TB; Randy Lawson, DT; John Mineo, TB; Mark Smythe, DT; Rob Harkrader, TB.

SERIES HISTORY: The Wildcats won in Lexington, 28-22, in 1974 to end a five-game Indiana winning streak in a series that began with a tie game in Lexington in 1893. The neighboring rivals played only seven games during the next 34 years, with UK winning in 1904, IU in 1905, UK in 1918 and IU in 1919, 1926 and 1927. The series was resumed in 1967. Indiana leads, 9-3-1.

LAST MEETING: Sept. 28, 1974 (Lexington) UK 28, IU 22—Sonny Collins, who bruised a knee two days before the game and was treated twice with acupuncture—on Friday and on the morning of the game, blasted the Hoosiers for 160 yards, but had to share the offensive spotlight with Mike Fanuzzi, who ran for two touchdowns and passed for two TDs. Although they rolled up 446 yards total offense, the Wildcats had to hang on at the end to win as the Hoosiers got off the deck after being down, 28-7, starting the final quarter. IU was driving for what could have been the winning points when UK held on its own 27 with one minute, 50 seconds to play.

1979 OUTLOOK: Defense is the big question mark as Coach Lee Corso seeks to make up for the loss of eight starters, including veteran linebackers Joe Norman and Doug Sybert; three of four defensive backs; three defensive ends who shared the two positions, and tackle At Leake. Corso said the squad will be young and green, but will be a quicker group. Offensively, seven starters are back, most of them in the skill positions. And two 1977 starters counted on for big things last fall—Tony D’Orazio, probably the best combination of blocker-runner-receiver on the squad, who underwent knee surgery, and tight end Dave Harangody, who suffered a broken leg in a pre-season auto accident. Corso predicts the Hoosiers will move the ball well, while the kicking game is sound, which adds up to some headaches for the opposition.

SERIES HISTORY: The Wildcats trail the Terps, 1-3-2, in a series that began with a 6-6 tie in 1931 at College Park. Nearly a quarter-century later (1954), the Terps of Jim Tatum, rated as defending national champions, defeated the Cats, 20-0, on Stoll Field to spoil Blanton Collier's debut as UK coach. The Wildcats evened the series by defeating Maryland, 14-0, in 1956 as Billy Mitchell returned a punt 78 yards for a touchdown and Delmar Hughes threw a 21-yard scoring pass to Doug Shively. Nineteen years later, John Pierce, one for 10 in field goal kicking, booted one 45 yards with eight seconds left and the Wildcats trailing, 10-7, for the second tie game in the series. The following year, UK scored first and last at College Park, but Maryland put 14 points on the board in the second quarter, seven in the third and

three in the last to win, 24-14. Last year's 20-3 victory by Maryland at College Park gave the Terps their 3-1-2 edge in the series.

LAST MEETING: Sept. 30, 1978 (College Park) UK 3, UM 20—The Nationally ranked Terrapins completed dominated the game, but UK managed to hang in for three quarters, trailing just 7-3 entering the final period. The Terps then proceeded to put the game away, scoring on two field goals and a touchdown to halt UK's unbeaten streak at 11 games. The terps so dominated the game that they rang up 394 yards total offense, including a 153-yard effort by Steve Atkins, who also caught a pass for 19 yards. The Wildcat offense totaled only 147 yards for the day. Maryland got on the board with a 16-yard touchdown run by Atkins in the second quarter. The Wildcats got their big break just before the end of the first half, when Maryland's Steve Trimble fumbled a UK punt on his own 10 and Chuck Smith recovered for UK; however, the Wildcats had to settle for a 24-yard FG by Tommy Griggs. Ed Loncar kicked FGs of 49 and 31 yards and Maryland completed the scoring with a three-yard wingback pass from Don Dotter to Tom Burgess, all in the final quarter.

1979 OUTLOOK: Coming off a 9-2 regular season and a loss to Texas in the Sun Bowl, the Terps once again appear as pre-season favorites for Top Twenty listing. Leading the Claiborne forces are All-American candidates Lloyd Burruss (DB) and Eric Sievers (TE), along with All-Conference hopefuls Jan Carinci (WB), George Scott (TB), Kervin Wyatt (OG), Larry Stewart (OT) and Merlin Van Horn (DT). Burruss is Maryland's "big play" man on defense, finishing with 71 tackles in the secondary last fall. He also caused three fumbles, intercepted three passes, blocked two kicks, returned a punt for a TD and blocked a field goal that set up the Terps' win vs. Syracuse. Sievers is a strong blocker with excellent quickness for a TE. He caught 21 passes last fall for 258 yards and a TD. He is also a candidate for the placekicking chores. The Terps seem deep at all positions.

SERIES HISTORY: Relations between the Wildcats and the Mountaineers date back to Nov. 4, 1905. In that first game at Morgantown, the visiting Wildcats absorbed a 45-0 licking that stands as the biggest advantage either team has enjoyed. The series was interrupted after that contest for 34 years, not resuming until West Virginia visited Lexington for a return engagement in 1939 and absorbed a 13-6 revenge licking. The two teams met annually after that (with the exception of 1943 when UK did not field a team) until the series was broken off again following a game at Morgantown in 1947. Kentucky holds the edge in the series, 11-6-1. Kentucky's 20-point decision in 1965 was the biggest UK victory in the series since 1944 and the

third largest win margin by either team—exceeded only by WVU's 45-0 win in 1905 and UK's 40-9 score in 1944.

LAST MEETING: Sept. 24, 1977, (Lexington), UK 28 WVU 13—West Virginia, 2-0 and ranked 17th nationally, marched for a score on its second possession as Dan Kendra hit a key 32-yard pass to Cedric Thomas down to the UK 22. Three plays later, TB Dave Riley took a swing pass and broke a tackle at the two for a TD. With three seconds left in the initial period, Dallas Owens took a Kendra pass out of SE Rich Duggan's arms at the WVU 38. UK scored nine plays later on a plunge by Derrick Ramsey. The UK defense forced WVU to punt. On second and three from midfield, Ramsey hit Felix Wilson on a fly pattern that went 50 yards for a TD. A nine-yard WVU punt midway of the third quarter put UK on its own 43 and the Wildcats marched to a 21-7 lead. Another UK score was set up by Mike Siganos, who returned a short WVU punt 43 yards to the WVU eight. Randy Brooks scored two plays later from the five. The Mountaineers scored a TD on their next series as Kendra passed them 65 yards in four plays. A run for points failed.

1979 OUTLOOK: The Mountaineers expect to return a stronger backfield, headed by top QBs Dutch Hoffman and Oliver Luck, good depth at receiver (Cedric Thomas and Darrell "Coast-to-Coast" Miller) and tight end (Rich Duggan and 6-foot-6, 230 lb. junior Ricky Davis). The perimeter defense is stable with a strong secondary and experience at DE. The major concern is a need to solidify the defensive front, where graduation claimed some key players. Six home games on the 1979 schedule and another good recruiting year are helping to bolster enthusiasm for the season at WVU, which hopes to bounce back from what many observers called the toughest schedule in the school's football history in 1978.

SERIES HISTORY: Just a few years ago Kentucky was one of the "little games" LSU won while building momentum for Ole Miss, Alabama and Tulane. The Wildcats changed that philosophy in 1974, 1976, and 1977, when they managed their first triumph at Tiger Stadium since 1949. That 1949 Kentucky lineup included an end named Charlie McClendon. The Wildcats came close to winning in 1973, following a 12-game losing streak, when LSU escaped with the help of a disputed fourth-down measurement that kept alive a late drive. The Wildcats lost by only three points in 1975, although the game was played on LSU's home turf. UK won back-to-back victories in 1976-77. LSU got back on the winning track with a 21-0 victory last year in Lexington.

LAST MEETING: Oct, 21, 1978, (Lexington) UK 0, LSU 21—Six turnovers doomed Kentucky as the Tiger's Mike Conway kicked four field goals—of 33, 32, 26 and 43 yards. The Wildcats held LSU almost 39 minutes without a touchdown until quarterback David Woodley hit Charles Alexander on a 44-yard touchdown pass in the third quarter. The Tigers scored first when defensive end John Adams tackled Wildcat punter Kevin Kelly in the end zone for a safety in the first quarter. Kelly was recovering a bad snap. LSU led at halftime 11-0. The Tigers gained 336 yards total offense compared to Kentucky's 182 yards. Alexander caught 11 passes for 94 yards and carried 23 times for 64 yards.

1979 OUTLOOK: In his last season at LSU, Coach McClendon will have 37 lettermen on hand, having lost 21, including the most prolific running back in Bengal history, Charles Alexander. Danny Soileau is back at full speed after missing most of last year and sophomore Jude Hernandez has a year's experience, which will allow Hokie Gajan to be stationed at his more natural tailback spot and senior LeRoid Jones will give LSU versatility and speed at that spot. Both QBs from 1978—David Woodley and Steve Ensminger—are back, with competition from sophomores Bob Lane and Robbie Mahfouz. The most perplexing problem is the interior offensive line, where not one starter returns. The picture looks brighter on defense, with only three starters gone. An unknown factor is a replacement for placekicker Mike Conway.

SERIES HISTORY: The Wildcat-Rebel series, which started in 1944, has been spiced by a strange sequence of upsets and near-upsets, but it was 1958 before the Rebels could claim a distinctive edge in the battle. The Wildcats got the series off to an auspicious start by winning the first game, but Mississippi took the decision in three out of the next four meetings. The fireworks really started in 1949 as Kentucky claimed a 47-0 upset in Oxford. The 1954 meeting in Memphis was a penalty-marred spectacle resulting in several conference records for violations. In 1955, UK added new fire to the series history by defeating the defending SEC champs for their only loss en route to a second straight title and a Cotton Bowl win. Ole Miss won the next eight games but Kentucky mastered monumental upsets of the Rebels in 1964,

'65 and '69. A 20-17 Ole Miss victory in 1970 and a Rebel victory the following year give Ole Miss a 19-8-1 edge, which UK cut to 19-9-1 last season.

LAST MEETING: Oct. 14, 1978 (Oxford) UK 24, UM17—Ole Miss completely dominated the first half before a record Hemingway Stadium crowd of 38,290 fans at homecoming in Oxford, and took a 10-0 lead into intermission. The Wildcats had scored only three points in their previous two games and seemed headed for another long afternoon with only five first downs and 83 yards total offense in the opening half. Ole Miss got on the scoreboard early in the first quarter after a pass-interference penalty set up a five-yard TD run by Rebel quarterback John Fourcade. Hoppy Langley added a 27-yard field goal in that quarter. Wildcat coach Fran Curci pulled a second half surprise, opening with a backfield that consisted of freshman quarterback Larry McCrimmon and fellow substitutes Shawn Donigan, Robert Hawkins and Henry Parks. They sparked the Wildcats to a 16-point third quarter, with the first score coming on a 26-yard pass from McCrimmon to Felix Wilson. Tommy Griggs kicked a 19-yard field goal and Larry Carter returned a punt 73 yards for a touchdown. Kentucky then went ahead, 24-10, on a 14-yard pass from McCrimmon to Jim Campbell, but Ole Miss came back with a drive to the UK one, where Roy Coleman plunged over for the final score of the game.

1979 OUTLOOK: Coach Steve Sloan, in his second year at Ole Miss, has 45 lettermen, 18 of them starters, back from the 1978 team. In the six lost are DT Charlie Cage, 1978 All-SEC, and SE Curtis Weathers, 1977 2nd All-SEC. The offense is operated by John Fourcade, who as a freshman last year directed the victory over Mississippi State. Leon Perry, SEC No. 7 rusher of '78, and Reg Woullard are the RBs, with "Fast" Freddie Williams now at flanker. Ken Toler is at SE and Billy Wise at TE. Transfer Mark Moore joins Terrence Walker, Chris Cottam, Mickey Thames and center Mike Russell up front. Defense has LBs Brian Moreland and Eddy Householder back with all four DBs—Jon Fabris, Jerry Spore, Brad White and Phil Freightman. Veteran linemen are NG James Jordan and DE John Peel. Jim Miller, who led the nation in '77, is the punter, and Hoppy Langley, 18x19 on PATs, the placekicker. The Rebels are stronger than in '78 simply by numbers and experience.

SERIES HISTORY—The Wildcats broke a seven-year drought by beating the Bulldogs in 1974 and then lost three in a row before coming back with a convincing 33-0 win at Athens in 1977. The two schools have met almost annually since 1939, with Georgia leading 22-7-2. During the 22 years (1938-60) that Wally Butts coached the Bulldogs, Georgia won nine of 14 games; however, Butts' four SEC champions managed an average win margin of only 11 points over UK. Georgia won last year to increase its series lead to 23-7-2.

LAST MEETING: Oct. 22, 1978 (Lexington) UK 16, Georgia 17—A 29-yard field goal by Rex Robinson with three seconds left in the game highlighted Georgia's late comeback. Kentucky had led the entire game until Robinson booted the final field goal. The Wildcats led 16-0 in the third quarter in their bid to upset 16th ranked Georgia. Quarterback Larry McCrimmon connected with Felix Wilson on a 12-yard touchdown pass and Tommy Griggs kicked a 33-yard field goal as Kentucky took a 10-0 lead in the first quarter. Freddie Williams ran for a one-yard touchdown, but the extra point kick by Griggs was no good, as UK went ahead 16-0 in the third quarter. Georgia didn't give up, as Willie McClendon ran for a four-yard touchdown in the third quarter and Jeff Pyburn threw a six-yard touchdown pass to Ulysses Norris in the fourth quarter. The Bulldogs winning drive started on their own 25 with 4:03 remaining in the game.

1979 OUTLOOK: With the return of 15 starters, including the one-two punch of QBs Jeff Pyburn and 1978 freshman Buck Belue, Coach Dooley has the Bulldogs back in the top flight of the SEC. However, the nine missing starters include such stalwarts as Willie McClendon, 1978 MVP of the SEC, and two other All-SEC players, OG Mack Guest and LB Ricky McBride. Pooling their running talents in an attempt to replace McClendon are Matt Simon, Jimmy Womack and Ronnie Stewart. Super receiver Lindsay Scott has Carmen Prince and Amp Arnold as aides. Super blocker, center Ray Donaldson, has All-SEC Matt Braswell and '78 starter Nat Hudson flanking him. On defense, senior LB Danny Roberts and ends Robert Goodwin and Gordon Terry are tough competitors. Swift Scott Woerner leads an able secondary. PK Rex Robinson, who beat UK in the closing seconds last season, is All-SEC and punter Mike Garrett averages 39.1 ypk. Defense is big, and will determine whether the 'Dogs gain the notch.

1979 OUTLOOK: An improved defense will hold the key to Bowling Green's 1979 football fortunes as Coach Denny Stolz begins his third year as Falcon coach. Stolz's first two Bowling Green teams were known for their explosive offense and this year's edition should be no different with nine starters returning to the MAC's top offensive club, which averaged 394.5 pg and finished nationally ranked in two offensive categories. Led by speedy QB Mike Wright, a first-team All-MAC player and honorable mention AA, the Falcons were 20th in total offense and 16th in passing offense. Stolz will miss the school's all-time leading pass receiver, Jeff

Groth, who finished ninth nationally last year (56 catches for 874 yds.), but junior Dan Shetler (28 catches for 433 yards) is a capable replacement at flanker. The offensive line, missing only center Joe Studer, should be better. Linebacker Mike Callesen has been the leading tackler the last two years (140 tackles in '78) and should be one of the leaders again this fall, anchoring a defense that will have experience in some positions and youth in others. The kicking game, both punting and placekicking, is suspect.

UK Radio Network Ranks Among Tops In The Nation

With 120 outlets for Wildcat football broadcasts, the UK Radio Network continues to grow and rank among the top such networks in the nation.

Owner of the UK broadcast rights is the Lexington-based firm of Jim Host and Associates, headed by W. James Host, a UK graduate and baseball letterman. The firm, which also owns the broadcast rights to UK basketball and the NCAA basketball championships, is entering its sixth year of broadcasting UK sports.

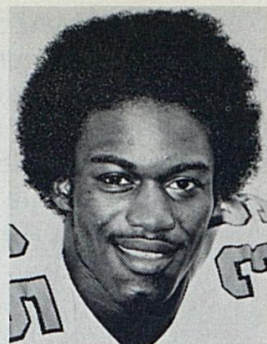

Synonymous with the Wildcats is sportscaster Cawood Ledford, former sports director of WHAS-Radio-TV, Louisville, who struck out "on his own" a few months ago. Ledford is entering his 14th year with the network and 27th year of covering UK sports.

Assisting Ledford is Ralph Hacker, president and general manager of WVLK Radio in Lexington, who begins his eighth year as color commentator for the network. This year's broadcasts again will include sideline comments by Rick Shaw, who will use a special CB radio hookup that will allow him to broadcast from anywhere on the playing field.

The UK Radio Network had 44 stations picking up its football broadcasts when the Host firm took over.

SERIES HISTORY: The Wildcats and Commodores first met on the gridiron in 1896, and the series is one of the South's oldest from the standpoint of first meeting and number of games. The record stands solidly in Vandy's favor with the Commodores registering 12 shutouts in the first 20 years and UK failing to get into the win column until 1939. Since that time the Wildcats have won 18, the Commodores 11. Kentucky's biggest win margin in the past 38 years is 34 points in 1965. The Commodores downed the Wildcats by 36 points in 1969. Kentucky has won the past three years, and had won four straight before falling to Vandy, 13-3, in 1975.

LAST MEETING: Nov. 11, 1978 (Lexington) UK 53, Vandy 2—Junior quarterback Mike Shutt was named the homecoming game's MVP as he completed two of five passes, including a 30-yard touchdown to Chris Hill. Shutt ran for a 12-yard TD and totaled 37 yards on the ground with four carries. Fullback Rod Stewart ran for touchdowns of two and three yards and had seven carries for 26 yards. Freshman quarterback Larry McCrimmon, who only played in the first half, connected with Felix Wilson on a 49-yard TD pass. Henry Parks gained 52 yards on 11 carries, including a one-yard TD. Joe Young completed a 27-yard TD pass to Bill Tolston. Hill ran for 34 yards on nine attempts, including a three-yard TD, and caught three passes for 95 yards. Vanderbilt's only score occurred when Wildcat punter Kevin Kelly retrieved a bad snap in the end zone and was tackled for a safety. Young, a sophomore walk-on, directed the offense most of the second half with other reserves, completing four of seven passes for 81 yards in his first varsity game.

1979 OUTLOOK: New head coach George MacIntyre will have All-America candidate Frank Mordica, QB Van Heflin and receiver Preston Brown to head up the skill positions, but the big question marks are the offensive and defensive lines, which will be manned mostly by young people. Sophomores Ken Hammond and Tim Moore and junior Loie Hudgins figure heavily in Commodore plans. Mordica established SEC and Vanderbilt single game rushing records with 321 yards vs. Air Force last year . . . also scored school record five TDs in game. MacIntyre also hopes to get the ball more frequently into the hands of Brown, who has run the 100 in 9.3 seconds. Defensive returnees include S Ronnie Myrick, who was second leading tackler (68); T Phil Swindoll, third with 59; T Rod Gurley, fourth (50) and LB John Pointer, fifth (48). Punter Cody Whitt (37.2) and placekicker Mike Woodard (5-8 FG, 19-20 pt.) also return.

STOLL FIELD 'COW PASTURE' BIRTHPLACE OF DIXIE FOOTBALL

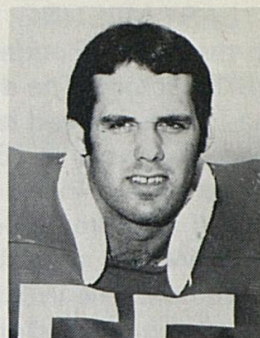

University of Kentucky's campus boasts the distinction of serving as the birthplace of Dixie football. Ironically, however, the forerunners of the present day Wildcats were not involved in the early grid contest.

The first intercollegiate football game ever played in the South, and probably the first to take place west of the Alleghenies, came about April 9, 1880, on old Stoll Field. The gridiron was the site of the early tilt which saw Kentucky University (now known as Transylvania College) take the measure of Centre College, 13 to 0. The match, which was said to resemble a combination of soccer and rugby, followed by only six years the introduction of the game of football to the United States.

University of Kentucky (then called A & M College of Kentucky) did not play its first game until a year later on the same field, which once served as the private pasture for University President James Patterson's bovine herd.

SERIES HISTORY: The Wildcats held a 12-4 advantage through 1956, with Florida managing only a pair of victories prior to 1952. An unusual moment occurred in 1955 when Delmar Hughes, Wildcat QB sidelined earlier in the game with a broken nose, came off the bench and kicked a 20-yard FG to give UK a 10-7 decision. A year later, Lou Michaels kicked a rain-soaked ball 34 yards with two seconds remaining in the first half to put the Wildcats ahead to stay. Since 1956, the Gators have defeated the 'Cats 10 out of 13 games. The 1974 Wildcats defeated the Sugar Bowl-bound Gators, 41-24, in a game that included a school record 52-yard FG by John Pierce. Two years later, the Wildcats upset 15th ranked Florida, 28-9, and shut off (154 total yds.) a team that was averaging better than 400 yards total offense and leading the SEC in scoring. Kentucky won again in 1977 and then lost last season as Florida cut the series margin to 15-14-0, UK.

LAST MEETING: Nov. 18, 1978 (Lexington) UK 16, UF 18—With 42 seconds left in the game, Florida's Berj Yepremian kicked a 38-yard field goal to give Florida an 18-16 victory. The drive had started on the Florida 11 with 4:40 left, after Kentucky had moved ahead by a point on a one-yard plunge by Rod Stewart. The field goal was Yepremian's 16th of the season, a Southeastern Conference record. He had never missed inside the 40 as a collegian. Florida took a 9-0 lead, but the Wildcats rallied to score 10 points with less than three minutes to go in the second quarter. Felix Wilson score UK's first touchdown on an 80-yard pass play from Larry McCrimmon. The Wildcats took a 10-9 lead on a 42-yard field goal by Tommy Griggs. Yepremian kicked field goals of 33 yards and 37 yards and then kicked the game-winning points after Rod Stewart put UK ahead, 16-15, (run for extra points failed).

1979 OUTLOOK: After his first spring practice as Gator head coach, Charley Pell listed four most significantly improved areas—offensive line, defensive secondary, inside running game and defensive front seven. However, he still felt unsettled about the quarterback situation after injuries eliminated veterans John Brantley and Tim Groves, both of whom should be ready this fall to challenge Larry Ochab, James McClellan and Tyrone Young. Individuals who should rate as pre-season candidates for all-star recognition include linebackers Scot Brantley and David Little, defensive linemen David Galloway and Dock Luckie, defensive backs Chuck Hatch and Juan Collins, offensive linemen Harold Galloway, Bill Bennek and Joe Wickline and wide receiver Cris Collinsworth. The Gator kicking game should be sound with veteran punter Bill Conover and sophomore placekicker Brian Clark, plus incoming freshman Donnie Van Wie. The return game could be exciting with the versatile Collinsworth, who ranked among the nation's leaders in kickoff returns last year, and sophomore speedster Curt Garrett.

THE CATS' PAUSE

University of Kentucky sports rank at the top of the collegiate athletics and this tremendous interest has enabled UK to achieve another first in the communications field. It is the first major college to have a weekly sports magazine devoted entirely to Wildcat coverage.

The Cats' Pause, a sports magazine, which publishes 40 issues annually, issued its first edition on September 10, 1976, and became an overnight success.

Already, a dozen or so major colleges have followed The Cats' Pause lead and are either publishing or in the planning stages with similar publications.

Owned privately by the Wildcat News Company, and established with the permission and blessings of UK Athletic Director Cliff Hagan, the publication is not connected with either UK or the University of Kentucky Athletics Association, but it does enjoy an excellent relationship with the University and athletics officials.

Publisher of the publication is 35-year-old Oscar L. Combs of Lexington, Combs, a Perry County native, previously owned two weekly newspapers in Eastern Kentucky and is a past vice-president of the Kentucky Press Association.

During his ten years of weekly newspaper experience, Combs was selected "Sports Columnist of The Year" four time by the Kentucky Press Association. Other honors included "Editorial Writer of the Year" in 1970 and "Feature Writer of the Year" in 1971. He became the youngest newspaper publisher in the state when he purchased the Tri-City News in Cumberland at the age of 25.

After acquiring The East Kentucky Voice in Hazard in 1972, Combs decided to leave the weekly newspaper business during 1975 and sold both newspapers to enter the sports publishing field.

Now entering its fourth year, TCP offers readers complete game-by-game coverage with box scores, coach's comments, action photos, sports quizzes, special player profiles and a weekly column on the Southeastern Conference among other features. The publication goes to press every Tuesday morning from September through May and monthly during the summer. Subscriptions are available by mail and the magazine is on most newsstands in Kentucky.

SERIES HISTORY: The Vols hold a 44-21-9 edge in a series that is among the oldest football rivalries in the nation, dating back to a 56-0 Wildcat victory Oct. 21, 1893, in Knoxville. Except for three war years (1917-18, 1943) the schools have met annually on the gridiron. The Wildcats pretty well held their own in the early games but the tide began to turn after the 1925 season, when the best the Wildcats could do was tie UT twice in the next nine games. After UK won, 27-0, in 1935, Tennessee put together 12 straight victories, fought UK to a 0-0 tie and then won three more and tied one before the Wildcats won, 24-21, in 1953, and followed that with victories in 1954 and 1955. Kentucky also won three in a row in 1957-58-59 and tied UT in 1960, but the Vols won 13 of the next 15 before UK won in 1976 and 1977.

LAST MEETING: Nov. 25, 1978 (Knoxville) UK 14, UT 29—Junior kicker Alan Duncan had a field day, kicking five three-pointers against the Wildcats to tie a Southeastern Conference record. He put the Vols ahead 3-0 midway in the first quarter with a 48-yard kick that cleared the crossbar by at least 10 yards. Kentucky was on its own 22 when halfback Freddie Williams rifled a perfect pass to Bill Tolston, who was some 45 yards downfield and in the clear. Tolston dropped the ball. Following that series, the Vols marched 61 yards with Frank Foxx scoring from the one. Kentucky started its own drive and scored on a 13-yard TD pass from Larry McCrimmon to Chris Hill. Duncan hit a 40-yard field goal in the third quarter for a 13-7 UT lead, and then hit another minutes later. Kentucky cut it to 16-14 with a 72-yard march that ended with Randy Brooks scoring from the one. Duncan made it five-for-five at 4:57 with a 36-yarder that put UK down, 22-14, Tennessee added a TD on a 21-yard run by Jimmy Streater.

1979 OUTLOOK: The return of nine starters from a defensive unit that became increasingly stubborn as the season progressed is counted on to put Tennessee on the winning track in Johnny Majors' third year as head coach of his alma mater. Although development of sophomores and freshmen played a significant role in the improved defense as the season rolled along, Majors singled out an old hand, cornerback Roland James, as the catalyst that turned the defense into a respectable unit. James intercepted seven passes, despite playing five games with a broken hand. The defensive line returns intact except for Dennis Wolfe at right end. Six starters return on offense, with Jimmy Streater moving into his senior season as a highly regarded QB. Hubert Simpson, a powerful junior, heads a running corps that includes prize sophomores James Berry and Terry Daniels. Place kicker Alan Duncan is more than adequate with 13 conversions on 17 FG tries, including an SEC record-tying performance of five against UK.

MEMORIAL

Kentucky's athletic complex off Cooper Drive was named "The Bernie A. Shively Sports Center" in April, 1969, in memory of the distinguished Wildcat director of athletics who died of a heart attack at his home December 10, 1967.

Shively joined the Kentucky staff in 1927 as football line coach, following a brilliant athletic career at Illinois. An All-American as a blocking guard for Red Grange, he also was Big Ten heavyweight wrestling champion and a track stand-out. He was named to the Helms Hall of Fame in 1972.

In 1933, he was appointed head of the UK Physical Education Department, and five years later became director of athletics. He continued coaching until 1946, handling football, track and baseball at various times. Among other honors, he was inducted into the Kentucky Hall of Fame.

F—Forfeit imposed by SEC & NCAA

Footnote A — Although numerical scoring had not yet been introduced in Rugby football, either here or in Great Britain, when Kentucky and Transylvania (then known as Kentucky University) played their series in 1881, persons in charge of the games obviously had arrived at some sort of agreement assigning values to the various scoring plays. Records never existed and men who played in the games are now deceased. All we can do is accept the scores printed in the newspapers and surmise that a touchdown perhaps counted 1/4 point and that a goal or an end-kick (a punt into the modern end zone) counted 1. That seems logical, since in the ratio scoring of that day, a touchdown was worth one-quarter of a goal. The end-kick, a British heritage, undoubtedly was introduced because all realized that green players would score few goals, if any.

Footnote B — The football rules took no official position on the score of a forfeited game until 1908 when it was pegged at 1-0 to make it different from any other score possible in the game. By common consent, forfeited games prior to that were entered into the records as victories by 6-0 for the offended team—

everywhere, that is, except in the Southern Intercollegiate Athletic Association, predecessor of the Southern Conference and the Southeastern Conference. In the S.I.A.A. the 6-0 practice was followed unless the offended team had a greater number of points. In that case, the offended team won by the greater score to nothing. Thus, Kentucky's forfeiture to Central University in 1900 is 6-0, since Kentucky led by 11-0 at the time. Kentucky led Cumberland by 12-11 in 1905 when the Tennesseans forfeited. The Blue and White, under S.I.A.A. rules, gets credit for a 12-0 victory.

1979 FOOTBALL OUTLOOK

The emphasis at the University of Kentucky football camp this year will be on youth as Fran Curci seeks to replace 16 ends and linemen, two linebackers, three running backs, a safety and a punter who have departed via the graduation route.

A crop of red-shirted freshmen will offer some relief, but those youngsters won't fill all the holes, which means Curci might have to depend on some freshmen signed to grants-in-aid this year.

On offense, the chief losses were centers Mark Keene and Dave Hopewell, tackles Larry Petkovsek, Dan Fowler, Richard Jardine and Ted Peurach, tight end Greg Nord, wide receivers Chris Hill and Bill Tolston, and running backs Rod Stewart, Henry Parks, Randy Brooks, Freddie Williams and Robert Hawkins.

Returnees include wide receiver Felix Wilson, who led the team and was second in the conference in receiving with 43 catches for 727 yards; TEs Scott Petersen and QBs Jim Campbell, Mike Shutt and Shawn Donigan.

Guard Tom Kearns, an Associated Press second team All-SEC choice, and tackle Leon Shadowen are returning starters in the offensive line.

"Conceivably we could have a more exciting offense and be able to do things that we couldn't do at all last year," Curci said.

Defensive starters who will be missing are All-SEC linebacker Jim Kovach and LB Kelly Kirchbaum, tackles Bob Winkel and James Ramey, ends Bud Diehl, Craig Roberts and David Stephens, cornerback Venus Meaux, and safety Rick Hayden.

Tim Gooch will return at tackle, along with reserve LB Lester Boyd. Except for Hayden and Meaux, the secondary will remain intact, including starters Larry Carter and Ritchie Boyd, and reserves John Bow, Chris Jacobs and Greg Motley.

All-conference noseguard Richard Jaffe will return to anchor the defensive line. His back-up, Chuck Jones, who probably will be moved to linebacker, is described by Curci as "too good not to start . . . quite small, but quick."

The placekicking of freshman Tommy Griggs (6 of 9 FG attempts) was "more than adequate," Curci felt. However, he said the Wildcats would like to have a kicker who can "knock kickoffs into the end zone to eliminate them running it out."

Curci said it was difficult to avoid dipping into a pool of players he redshirted last season. "Several times we had to bite the bullet and not use somebody," he said. "Chris Jones (running back from Danville, Ky.) is the perfect example. I'd have loved to have used him in several games."
