PRINTED AT THE CHISWICK PRESS FOR
B. F. STEVENS AMERICAN
LIBRARY AND LITERARY AGENT
4 TRAFALGAR SQUARE CHARING
CROSS LONDON ENGLAND

ENGLISH BOOKS AT ENGLISH PRICES AT
TWENTY-FIVE CENTS TO THE SHILLING.
EVERY READER HIS OWN IMPORTER.

THE facilities and economies offered by this agency to book buyers in America include:—

Prompt execution of orders. All books are despatched by early mail or steamer.

New Books are charged at trade prices, which are usually twenty-five per cent off the price of publication. Second-hand books are charged at lowest nett prices.

Commission ten per cent on trade and nett prices.

Book postage to America is only one halfpenny for every two ounces up to four pounds weight.

Small parcels of books may be consigned to agents in New York, Boston, or Philadelphia, who will charge the proportion of freight and expenses on each package, thus effecting a considerable saving. Larger shipments are consigned as the buyer instructs.

The discount off publication price is about equivalent to the cost of freight or postage and commission; hence in making purchases of new books it is safe to estimate that the books would be received at a cost of 25 cents to the shilling (publication price) exclusive of duty, if any.

Priced lists of current publications, with publishers' announcements and literary notices, are printed in the *Publishers' Circular*, issued fortnightly, and in the *Bookseller*, monthly. Special attention is paid to forwarding catalogues of publishers and booksellers, English and Continental.

Superior Library Binding can be done in half levant morocco in a few days, and costs about fifty per cent less than in the United States.

The United States duty of twenty-five per cent is taxed on the nett prices of books printed within twenty years. All older books are duty free.

Public Libraries, Colleges, Academies, and other incorporated institutions are entitled to make all their importations free of duty.

Engravings, Drawings and Paintings, Philosophical Apparatus and Scientific Instruments, and all other wants of libraries receive due attention.

This being a strictly ready-money commission business, it is necessary that orders should be accompanied by funds, and that current accounts should be kept well covered.

Remittances to B. F. Stevens, 4, Trafalgar Square, Charing Cross, London, England, may be made in sterling by Bankers' drafts, or Post Office orders on London; or in greenbacks upon the basis of five dollars gold to the pound sterling, being 25 cents to the shilling. For odd amounts send postage stamps.

NEWSPAPERS AND MAGAZINES
AT ENGLISH PRICES.

NEWSPAPERS and Periodicals at the price of publication and postage are mailed to subscribers in the United States on the days of issue, and so reach subscribers at the earliest possible day and at economical rates.

Subscriptions, payable in advance, may usually commence at any time and be taken for any period. Sample copies will be supplied upon application with remittance.

Illustrated periodicals may be sent by mail, rolled, in cardboard tubes, at the additional cost of the tubes and extra postage.

The postage from London to any part of the United States on newspapers, magazines, and books is one halfpenny (one cent) for every two ounces up to four pounds weight.

LOWEST NET CASH PRICES

MASON & HAMLIN CABINET ORGANS.

OCTOBER, 1881.

The prices printed in our Catalogues and general Price-Lists are those for which our Organs can be sold in most distant markets, after large expenses in transportation and selling. When the Organ is delivered from our own warerooms in Boston, New York, or Chicago, for cash accompanying the order, we make *forty per cent. discount* from these Catalogue prices.

The following table shows in first column the Catalogue Prices, and in the second column the lowest net prices, after deducting forty per cent.

For full descriptions and correct illustrations of appearance, see Quarto ILLUSTRATED CATALOGUE, OCTOBER, 1881, at the pages indicated.
For BABY ORGANS and ORGAN BENCHES, see last part of this Price List.

REPRESENTATIVE JOURNALS AND JOURNALISTS OF AMERICA.

We have issued under the above title a **unique work of art** in the shape of an engraving 22 by 28 inches in size, representing thirteen of the most prominent American journalists in a group, the centre of which is an admirable likeness of the late

THURLOW WEED.

The other gentlemen represented are Messrs.

Whitelaw Reid,	-	-	<i>N. Y. Tribune.</i>
Jas. Gordon Bennett,	-	-	<i>N. Y. Herald.</i>
Chas. A. Dana,	-	-	<i>N. Y. Sun.</i>
Oswald Ottendorfer,	-	-	<i>N. Y. Staats-Zeitung.</i>
R. M. Pulsifer, }	-	-	<i>Boston Herald.</i>
E. B. Haskell, }	-	-	
Geo. W. Childs,	-	-	<i>Philadelphia Ledger.</i>
Henry Watterson,	-	-	<i>Louisville Courier-Journal.</i>
Murat Halsted,	-	-	<i>Cincinnati Commercial.</i>
Joseph Medill,	-	-	<i>Chicago Tribune.</i>
Victor F. Lawson,	-	-	<i>Chicago Daily News.</i>
Joseph R. Hawley,	-	-	<i>Hartford Courant.</i>

All these heads are engraved in photographic style, and are lifelike portraits. The most unique and novel feature of this plate is that the portrait of each of these gentlemen has for its background a microscopic but legible miniature of the newspaper with which he is identified.

This engraving, which has never been surpassed in popular and permanent interest, has received the endorsement and commendation of the press from Maine to California.

It is sent by mail, post-paid, and in a pasteboard tube, at following prices:

Dear Sir

The order you sent me on R. S. Bullock Esq Mas for \$696⁵⁰ I now return you as by receiving it I should be virtually giving a receipt for the amount due by Hgl & Mch, College for rent for 1881.

Enclose you statement of the amount due including interest to date say \$794³⁵ If the allowance for stable was ~~for~~ made in 1881 then the ac will be entitled to credit in that year rent if not allowed until 1882 it should come out of this year rent.

I know nothing of Houlshanz but presume it is correct. I paid him since 9/81 \$27⁸⁰ + Apr 7/82 \$2²⁵. The interest is properly due on the unpaid rent

HOW TO SAVE MONEY.

THE Daily TRANSCRIPT Job Printing Office has just received, and put in operation, a fine New First-class
CAMPBELL CYLINDER PRINTING PRESS,

Which is capable of doing the Best Kind of Book, Catalogue, and General Job Printing. The press is geared to run at any one of six speeds, from 700 to 2,500 per hour, and I can therefore do printing in better style and at cheaper rates than the same can be done anywhere in Kentucky. I can also compete to the advantage of the public with Cincinnati or Louisville prices.

I have also put in a fine assortment of new type and printing material, and will guarantee satisfaction in both quality of work and prices.

Whenever you have Printing of any kind to do—from a Label or Card, to a Book, Catalogue or Poster of any size, you will save money by coming to the Transcript office, corner Church and Upper streets.

Respectfully,

D. E. CALDWELL.

Jan'y 8th 1883

Dear Mr Patterson

I enclose a postal order for
\$3. for six months' interest on the \$100. I
owe you, as I find it impossible to send
the money yet. I sincerely hope you may
not be inconvenienced by my failure to
pay it just now. The reasons of which
are additional expenses necessarily incurred
by an increase in the cost of boarding
for the past few months, and several
other necessary outlays exceeding my
expectations. Please express to Mrs.

Patterson our sincere sympathies in this additional affliction which has recently come to her through her nephew.

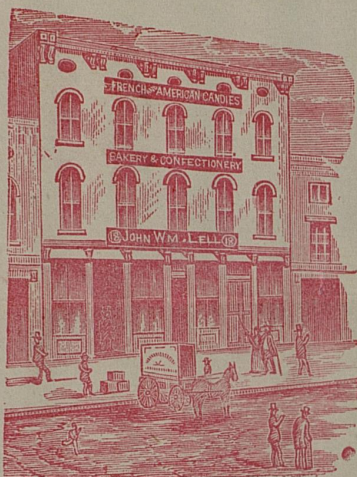

We read an account of it in the Courier-Journal during the past week and I know how the news must have overwhelmed her.

Mrs Clay is in excellent health, having had but one attack of neuralgia since her return from Kentucky. She has more color in her cheeks than has been there for six years. Miriam is in perfect health - going to school and has developed a great ambition to progress rapidly in her studies. With Mrs

Clay: and my best wishes for health and peace in the new Year I am

Yours very truly

The voucher of \$900.⁰⁰/₁₀₀ is the balance due,
hence the voucher is for other work done
for cash prices. We trust however that this
explanation may be sufficient to entitle us
beyond a question to our notes and our desire is
simply to be placed on the same footing as other
contractors who have claims against the College.
We do not think any gentleman in the
Committee will refuse to exchange the notes
for vouchers, unless he should prefer to keep
them back and return ~~our~~ bond. Either will be
satisfactory to us.

Very Respectly,
