The Joe B. Hall Wildcat Lodge

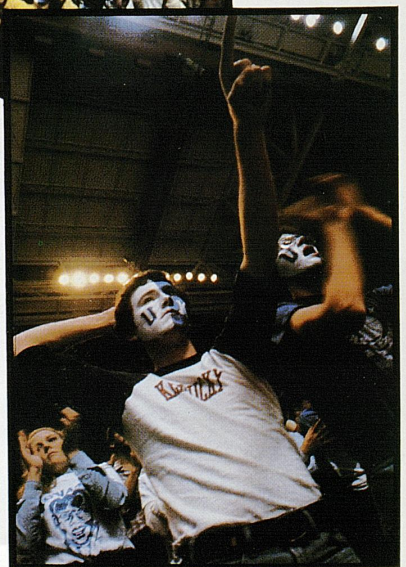

“Home of the Wildcats”

THE WILDCAT LODGE CLUB is much like other social and service organizations on the University of Kentucky campus. Its membership includes the Wildcat basketball team members and other students who live in the Wildcat Lodge. It provides many worthwhile services on the UK campus, fields intramural teams, and sponsors social functions. Among its projects is the annual Wildcat Lodge Haunted House held each Halloween. Wildcat Lodge Club members decorate the lodge and outfit themselves in costumes to fit the occasion and entertain the children of UK faculty and staff members. The waiting lines are always long to see Jim "Dracula" Master, Sam "Frankenstein" Bowie, Bret "The Mummy" Bearup, and others.

The Fans

The Wildcat Outlook

The University of Kentucky Wildcats began preseason practice with 11 returning lettermen, including four starters, and for the second consecutive season, with concern about the physical condition of All-American Sam Bowie.

Only starting forward Chuck Verderber (5.0 ppg., 3.7 rpg.) and reserve guard Bo Lanter (1.5 ppg.) are gone from last season's 22-8 squad that tied for the Southeastern Conference championship, giving UK its 33rd league crown. Heading the list of returnees are 1981-82 starters Dirk Minniefield (6-3, G), Jim Master (6-5, G), Derrick Hord (6-6, F), and Melvin Turpin (6-11, C), along with top reserves Charles Hurt (6-6, F) and Dicky Beal (5-11, G) and red-shirts Bowie (7-1, C-F) and Bret Bearup (6-9, F).

Bowie missed all of last season while recovering from a small, incomplete fracture of his left tibia (shin bone). He made consistent progress through the spring and summer and was even able to participate in drills leading up to UK's trip to the Orient during June and July. But some minor pain and troublesome swelling developed from time to time, and in early August, doctor's detected a slight weakening in a portion of the fracture line that had healed and elected to re-apply a cast and continue electrolysis to the injured area. At press time, there was optimism about Bowie's chances to return at 100 percent this season, but final decisions had not been made.

With Bowie's return, the Wildcats would feature an imposing duo in the front court in Bowie and Turpin. Bowie led the squad in scoring (17.4 ppg.) and rebounding (9.1 rpg.) in 1980-81 and was named to most All-America first teams. Turpin led the 1981-82 Wildcats in rebounding (7.1 rpg.) and ranked third in scoring (13.1 ppg.). Bowie's ability to play both

forward and center may enable Wildcat Coach Joe B. Hall to play the tandem together at times this season.

Hord heads the list of other front court returnees. The senior from Bristol, Tenn., led the Wildcats in scoring last season (16.3 ppg.), was named All-SEC, and was an honorable mention All-American. Hord could see action at both forward and guard this season.

Kentucky has excellent depth in the front court with part-time

starter Hurt, Bearup, Tom Heitz, Troy McKinley, and freshmen Todd May and Kenny Walker. Hurt started eight games last season and ranked fifth on the team in scoring (6.6 ppg.) and third in rebounding (4.5 rpg.). Bearup elected to sit out last season after averaging 2.7 ppg. as a freshman. Heitz (6-9) saw action mainly in reserve of Turpin in 1981-82 and averaged 3.1 ppg. and 1.9 rpg. McKinley (6-6) saw action in 16 games last season and averaged 1.0 ppg. May (6-8) and Walker (6-8)

were players of the year in Kentucky and Georgia, respectively. May enjoyed two excellent games in the Kentucky-Indiana All-Star Series this summer, and Walker played well in the McDonald's Classic in Chicago and was a member of the South team in the National Sports Festival.

Minniefield, who, along with Turpin, was named to the player's all-conference team heads the list of backcourt candidates. He averaged 11.3 ppg. and 6.3 assists per game last season. Starter Master, who averaged 13.4 ppg. as the team's second leading scorer, returns to give the Wildcats outstanding outside shooting.

Other guard candidates are veterans Beal (3.3 ppg.) and Mike Ballenger (0.5 ppg.) and freshman Roger Harden (6-1). Beal enjoyed an excellent trip to the Orient this summer and figures to battle for increased playing time. Ballenger saw action in only 12 games last season. Harden earned "Mr. Basketball" honors in Indiana.

Once again, more than half of the Wildcats' games will be against team's that participated in post-season play in 1981-82. Kentucky shows only two games on its non-conference road schedule, but those games are at Indiana and Notre Dame. Villanova and Illinois, both expected to be national powers, visit Rupp Arena for nationally televised contests. Kansas replaces Notre Dame for UK's annual game at Freedom Hall in Louisville. The SEC is expected to show even better balance from top to bottom this season.

COACH HALL ON THE 1982-83 SEASON OUTLOOK — "We lost only two players and pick up five. Both Chuck Verderber and Bo Lanter were important to us last year, but by picking up three excellent freshmen and having Sam Bowie and Bret Bearup return, we're adding a lot to our squad. We're especially helping ourselves with size, something we lacked last season. I definitely feel we should be a better ball club this year. Another year of maturity,

plus the experience we received on our trip to the Orient this summer, has helped us. I think it could be a very good year for us."

COACH HALL ON SAM BOWIE — "The outcome of Sam Bowie's injury and his progress will definitely play a big role in making the difference between us being a very good team or just a good team. If Sam is back 100 percent, I think this team will be one of the outstanding ones we've had since I've been here at Kentucky."

COACH HALL ON THE 1982-83 SCHEDULE — "Our schedule is again demanding. It begins with the Russian National Team, which will be one of the tallest teams Kentucky has ever faced. We will face a challenge in our final contracted game of the Notre Dame series which will be played in South Bend. Villanova is picked to be one of the top teams in the East

with the bulk of its starting lineup returning. Illinois should be a top 10 ranked team with several outstanding freshmen to go with their veterans. In the UKIT, we have Tulane, a team that competes very strongly in the Metro Conference; Rutgers, a team that features a former Wildcat in Clarence Tillman; and Duquesne, which is rich in basketball tradition. We travel to Indiana for a very important game to us and they have everybody back. We always look forward to our game in Louisville, and Kansas is a good rival to play in Freedom Hall. This year in the SEC we go to a Saturday-Monday schedule for the most part. Playing two games per trip is more demanding, but it's as fair for one team as it is another. We see a lot of strength in our conference. Both Tennessee and Alabama return the bulk of their squads and are championship contenders. Nearly every team in the league will be improved."

Rupp Arena — Home of the Wildcats

Rupp Arena affords the University of Kentucky its third basketball home in 52 years, and with its 23,000-seat capacity, brings a distinction as the nation's largest basketball facility.

An awesome structure in sight and scope, the arena is divided in two seating areas — the lower level features 10,000 fully cushioned, theater seats in block coloring of blue, red, orange and purple, offering a spectacular splash of color — and an upper level of 13,000 seats on epoxy-coated metal bleachers. The latter can be visually isolated to provide a more natural setting for small shows.

Built by the City of Lexington, the Arena is named in honor of Kentucky's legendary former coach, Adolph Rupp, and is the major portion of \$53 million Lexington Center complex which includes a convention-exhibition hall, a 50-store tri-level enclosed shopping mall, a luxury Hyatt Regency Hotel, and a block away, the historic 1,200 seat Lexington Opera House, which was recently renovated.

The arena is fully air-conditioned, equipped with a specially designed, high quality sound system appropriately named "Big Bertha," and complete lighting for events and color television coverage. Special attention has been paid to such facilities as dressing rooms, service entrances and storage areas.

The Wildcats will command an exclusive dressing room 365 days a year, while other facilities include six team size and eight smaller units.

The portable basketball court, which lies on a concrete sub-flooring 118' beneath the ceiling, is 60' x 120' and is made of a light shade of northern maple trimmed in Kentucky blue. The floor was specially designed to convert from the 94' length required for college and professional basketball to the 84' length for high school by simply removing two panels.

Four 35' x 4' custom-made scoreboards are placed so spectators can see at least three of the boards from any seat in the arena.

The solid state, electronic scoreboards can be used for basketball, rodeos, wrestling, boxing, and track and field. For track and field events, they can record times to 1/100th of a second. Lighted information on the boards is color balanced for television.

Four portable goals are on hand, with the two extras for practice and emergency backup during game situations.

Access to the Arena is by High Street, and from Main-Vine, through the Mall area and up to the High Street entrance by escalators. One main concourse contains all public facilities — concessions, telephones, water fountains, rest rooms, first aid rooms and security command post.

The concourse is color-coded with the arena being divided into four quadrants for easy seat location. The colors are red, blue, amethyst and green. The concourse is at mid-level, dividing the lower seating area from the upper level bleacher seating.

DR. OTIS A. SINGLETARY

President, University of Kentucky

Dr. Otis A. Singletary, the eighth president of the University of Kentucky, assumed that office in August 1969. He had previously served as chancellor of the University of North Carolina at Greensboro, executive vice chancellor for academic affairs in the University of Texas System and director of the Job Corps for the Office of Economic Opportunity.

Dr. Singletary, a native of Gulfport, Miss., holds degrees from Millsaps College and Louisiana State University.

As president of the principal institution of higher learning in the Commonwealth, Dr. Singletary is greatly concerned with the University's role as a land-grant institution, a "people's university" accessible to all who can profit from education.

In the 12 years he has been president, the University has grown to where there are now more than 23,400 students on the Lexington campus and about 22,000 students in UK's 13 community colleges, and the University has become one of the

major research institutions in the country.

Great strides toward academic excellence have been made during Dr. Singletary's presidency at UK. Two professional schools — dentistry and pharmacy — have been ranked among the best in the nation. Departments such as political science, history and mathematics have gained national attention. The UK Library now ranks among the best in the Southeast, and a large portion of the world-wide research related to tobacco and health is now done at UK.

Under Dr. Singletary's guidance, strong efforts have been made to meet the needs of minority groups including the establishment of an office of vice president for minority affairs.

Recognition of his service to the University was evidenced by the UK Alumni Association which presented to Dr. Singletary its Alumni Service Award — an honor rarely bestowed upon a non-alumnus of the University.

Dr. Singletary has been actively involved in a number of professional

organizations and has served as president of the Southern Association of Land-Grant Colleges and State Universities, vice president of the American Council on Education and vice chairman of the Southern Regional Education Board.

Among his many awards and honors, he most recently received the Department of Army's Outstanding Service Medal.

He entered higher education in 1954 as a member of the history faculty at the University of Texas and twice was awarded the University Student Association's Teaching Excellence Award.

Dr. Singletary is the author of two books and several monographs. He is a member of Phi Beta Kappa Senate.

A Navy veteran of World War II and the Korean Conflict, he is a commander in the U.S. Naval Reserve. He and Mrs. Singletary, the former Gloria Walton, have three children: Bonnie, Scot and Kendall.

Athletics At Kentucky

Kentucky's athletic program, a well-balanced and ambitious activity featuring intercollegiate competition in 20 different sports, is organized under the Department of Athletics and a corporation known as the University of Kentucky Athletics Association.

The program is conducted without overemphasis or sacrifice of educational objectives and in strict compliance with the rules of the University, the Southeastern Conference and the National Collegiate Athletics Association.

A board of directors, headed by the President of the University in the capacity of chairman, maintains overall policy supervision of the athletic program.

In addition to the UK President, board officers include the Vice-President for Student Affairs as vice-chairman and Dr. W. L. Matthews in the capacity of secretary. Seventeen other members, drawn from the University faculty and the general public, also serve on the board as appointees of the president as do two student representatives.

Supervising the steady growth and balanced development of the athletic program is Director of Athletics Cliff Hagan.

The Association's Board of Directors is composed of the following:

CLIFFORD O. HAGAN

Athletics Director

Continued growth in practically all phases of UK athletics has been a hallmark of Cliff Hagan's seven-year reign as Wildcat athletics director, with fine attendance at football and basketball games, increased attendance at Lady Kat basketball and men's baseball, and a steady upgrading of facilities.

Recent physical improvements include a new baseball grandstand behind home plate, a new athletic learning center for the academic advisory staff, new locker rooms in the football dressing rooms and construction of a new equipment shed for track.

On the institutional side of the ledger, the University was host to both the men's and women's Southeastern Conference basketball tournaments earlier this year and will host the NCAA Midwest Regionals in 1984 and the NCAA Championship Finals in 1985.

Hagan, who has seen and overseen vast improvements in all phases of the UK athletics program since returning to his alma mater as assistant athletics director in 1972, has under his command a total of 20 sports ranging from football and men's basketball in Level I, to women's basketball in Level II, and 17 sports in Level III.

A few of the recent improvements that signify the continuing progress of UK athletics under Hagan include:

- Expansion of the football training room and addition of a beautiful players' lounge at Shively Sports Center.
- New carpeting in the stadium football offices.
- New food service equipment in the press box at Commonwealth Stadium.
- New basketball offices in Memorial Coliseum for both the men and women.
- Re-arrangement of the baseball fences and a complete revamping of the track facilities at Shively Sports Center.

The indoctrination of Hagan into the UK athletics administrative structure came in 1972, when he was named assistant to Harry C. Lancaster and given the task of implementing the Blue & White Fund for 57,600-seat Commonwealth Stadium and later for Rupp Arena. The fruits of his labors in this area have provided the additional financial support that has elevated the UK athletics program into a first class operation.

Hagan replaced Lancaster as athletics director in July, 1975; during the ensuing school year, Wildcat teams compiled one of the best records in the school's history, with the basketball Wildcats winning the National Invitational Tournament, the wrestling and rifle teams winning SEC titles and the baseball team winning the SEC Eastern Division.

The wrestling team repeated as conference champion the following year, the basketball team finished with a 26-4 record and the football team won seven of 11 regular season games and defeated North Carolina in the Peach Bowl. It was the best UK football record in 23 years and the Wildcats' first post-season appearance since the 1952 Cotton Bowl. The next year, the football team finished 10-1 (6-0 in the Southeastern Conference) and the basketball team won the NCAA championship.

With both the football and basketball teams playing to sellout crowds and drawing a big on-the-road following, Hagan has not been content, but has made Wildcat games even more enjoyable by personally designing and selecting the Wildcat Mascot, which has captured the fancy of UK fans everywhere, and by granting permission for publication of "The Cats' Pause," a unique weekly tabloid devoted strictly to UK sports.

Physical improvements during Hagan's regime as athletics director include a 110-yard Astro-Turf football practice field, modern equipment in both the Shively Sports Center and Memorial Coliseum weight rooms, open-type lockers, a new pressbox and new dugouts at the baseball field, and a revamped tennis complex with additional seating and modernized offices. He has also added a strength coach to work with all sports and funds for the popular Parcourse Fitness Trail.

Offices in Memorial Coliseum have been modernized and Hagan is looking forward to the day when he can put on the drawing board an Olympic swimming pool, a fieldhouse, and plans for the expansion of Commonwealth Stadium.

Hagan also has been an advocate of a strong scholar-athlete program, feeling "a genuine commitment to provide all the academic support and encouragement we can to help our athletes leave our campus with a college education and a degree."

On the personal side, Hagan received one of his highest individual honors in 1978 when he became the first University of Kentucky basketball player to be installed in the Naismith Memorial National Basketball Hall of Fame in Springfield, Mass.

The road to that honor began at Owensboro, Kentucky, where he established a then state high school tournament record of 41 points, which was recently voted the greatest individual performance by anyone in the history of that tournament, in leading the Red Devils to victory over Lafayette in the 1949 championship game.

At UK, he played on teams that won 86 of 91 games and an NCAA championship (1951). The 1954 team, undefeated in 25 games, elected not

to participate in the national tournament.

Hagan set a dozen Southeastern Conference records and an NCAA record of 528 rebounds as a junior. He averaged 24 points a game, led the nation in rebounding, and scored a UK record of 51 points against Temple in 1954.

He was a member of Sigma Nu Fraternity, Student Government, Baptist Student Union, Fellowship of Christian Athletes and twice was selected among the top ten students in the College of Education.

After graduating from UK in 1954, Hagan served two years at Andrews Air Force Base, Washington, D.C., as a commissioned officer. He led the base to two World Wide Air Force championships and won All-Service honors both years.

During ten years with the St. Louis Hawks, he ranked high among 11 players on the league scoring charts with 12,433 points in 672 games for an 18.5 mark and was selected to play in five East-West All-Star games and was named to the NBA second All-League team twice. He hit over .790 from the free throw line seven years in a row and held the NBA record for most field goals scored in a single quarter (12).

The Hawks won the Western Division six times during Hagan's playing career there and defeated the Boston Celtics in 1958 for the world championship. Hagan was All-Pro in the NBA in 1957-62, inclusive.

He received his M.S. in education from Washington University in 1958.

In 1965, a Herbert Hoover Boys Club of America was organized in Owensboro and named the Cliff Hagan Boys Club of America.

He then joined the Dallas Chaparrals as player-coach and was selected as the 1958 Texas Professional Coach of the Year. When he left Dallas, he was only 92 points shy of a regular-season career total of 15,000 points.

In 1974, he was named to the Hall of Fame Magazine's All-America second-team for the 1951-1973 period, to the Orlando (Fla.) Sentinel Star's All-Time Southeastern Conference first team, and the All-Time top collegiate player in the State of Kentucky by Inside Kentucky Sports Magazine. In 1975, he was named to the Kentucky Athletic Hall of Fame, was inducted into the UK Alumni Association Hall of Distinguished Alumni and was a recipient of the University of Kentucky Centennial "K" Medallion tendered by the UKAA for past athletic accomplishments, during UK's Centennial Year observance.

He is married to the former Martha Milton of Owensboro. They have four children: Mrs. Barry "Lisa" Thaxton of Lexington, Mrs. Jim "Laurie" Hill of West Liberty, and Amy and Kip, both of Lexington.

JOE B. HALL University of Kentucky Basketball Coach

Joe B. Hall begins his 11th season as head coach of the Kentucky Wildcats with one of the finest career records in college basketball.

While leading the Wildcats to a 22-8 record last year, Hall upped his 10-year UK record to 227-74, an average of 22.7 wins per season, to keep ahead of the pace set by his former coach, Adolph Rupp, who averaged 21.5 victories a season over a 41-season span to become the winningest collegiate basketball coach of all time.

One of the finest compliments Hall has received during his coaching career came from Rupp, who died in 1977.

"A good coach," Rupp said, "is a person who can take good material and win with it. Joe has done that."

Judging from Hall's coaching honors, Rupp was as usual, right on target with his evaluation.

Hall has won such honors as Kellogg's 1978 National "Coach of the Year," three Southeastern Conference "Coach of the Year" awards (1973, '75 and '78) in seven years, and nomination for Kodak's 1975, '76 and '78 (finalist) "Coach of the Year" awards.

In 1978 when Kentucky won its fifth NCAA title, Hall was also presented the Rupp Cup (presented to the SEC Coach of the Year by the Birmingham Tipoff Club) and Hall's most coveted personal award, the Dr. James Naismith "Peachbasket" award, which previously had been awarded to UCLA's John Wooden, Oklahoma State's Hank Iba, Kentucky's Adolph Rupp and the Boston Celtics' Red Auerbach.

The 1978 champions, which had a 30-2 record, became the sixth Wildcat team to win 30 or more games, joining such illustrious company as the 1947 NIT runner-up (34-3), the 1948 Olympic Champions (36-3), the 1949 NCAA champions (32-2), the 1951 NCAA champions (32-2), and the 1966 NCAA runner-up (32-2).

Player honors during Hall's UK reign include five All-Americans (Kevin Grevey, Jack Givens, Rick Robey, Kyle Macy and Sam Bowie) selected a total of 10 times, and seven All-Southeastern Conference honorees (Jim Andrews, Kevin Grevey, Jack Givens, Rick Robey, Kyle Macy, Sam Bowie and Derrick Hord) selected a total of 15 times. In addition, Robey and Macy earned Gold Medals in the Pan-American Games, and Bowie earned a medal for being a member of the 1980 Olympic Basketball Team that did not participate in Moscow.

Entering the 1982-83 season, Hall's 16-year career coaching record stands at 303-130 (excluding a 17-2 record on a 1974 Australian tour, a 7-0 record on a 1978 Japan tour, an 8-0 record on a 1982 tour of the Orient, and seven pre-season exhibition wins against foreign and domestic teams) and teams in a conference that fast is becoming recognized as among the toughest in the nation. Broken down, it shows a 57-50 five-year mark at Regis, a 19-6 record at Central Missouri, and a 227-74 record at UK.

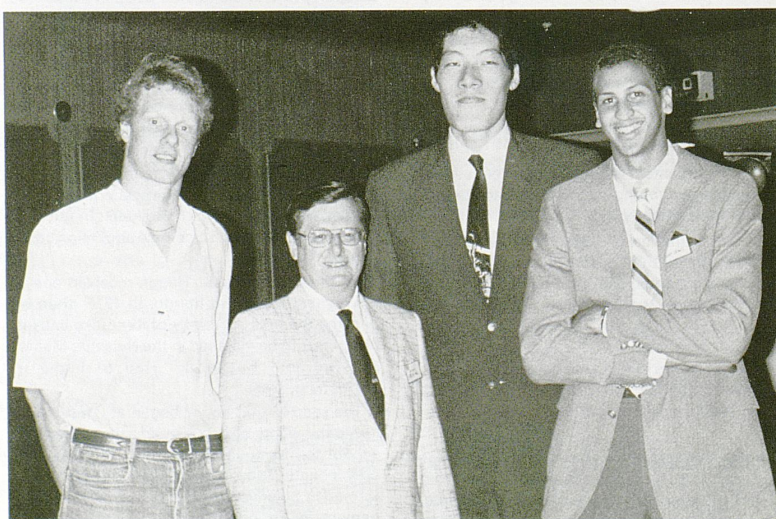

Hall began his tour as UK head coach in rather auspicious fashion, becoming in 1973 the first rookie coach in the SEC to be designated Coach of the Year by his fellow coaches and by *Coach and Athlete Magazine*.

Gathering such honors has been one of Hall's trademarks during a coaching career that began at Shepherdsville (Ky.) High School in 1956 and continued through Regis College and Central Missouri State College before he returned to UK July 1, 1965, as an assistant to his former coach, Adolph Rupp.

During Hall's two years at Shepherdsville, the Rams won a Mid-Kentucky conference title and he was named "Coach of the Year" in 1958. He then served one year as freshman coach and five years as head basketball coach at Regis College in Denver, Colo., where he was also athletic director and earned special recognition as coach of the champion independent team in the area.

His next move was to Central Missouri, where he coached the Mules (19-6) to their first MIAA Conference championship since 1951 and their first Christmas Tournament title in history. He was named MIAA "Coach of the Year" (1964-65).

A three-letter winner and team captain in both sports in high school at Cynthiana, Ky., he played freshman basketball and one year of varsity basketball in the Fabulous Five era at the University before transferring to the University of the South at Seawane, Tenn., where he set a school single game scoring record and was

team captain. Coach Lon Varnell, upon retirement, rated Hall as No. 1 of the three best players he ever coached.

After touring Europe with the Globetrotters in 1951, Hall returned to U.K. in 1955 to complete requirements for his B.A. and later (1964) received his M.A. at Colorado State University.

Returning to U.K. again in 1965 an assistant coach and head recruiter, he was instrumental in adopting a running-conditioning program which obviously paid huge dividends as the Wildcats capitalized on speed and endurance to offset a lack of size and advance to the championship game of the NCAA Finals. Hall then successfully recruited six prep All-Americans, including all-time U.K. scoring leader Dan Issel, to form the nucleus of a varsity team that won three straight conference championships and was followed by a team that won three more consecutive SEC titles.

Hall became No. 1 varsity assistant and head freshman Coach to Rupp after Harry C. Lancaster was named permanent athletic director Feb. 1, 1969. His record with the freshmen

was 60-15, including an undefeated (22-0) season (1971-72) which resulted in the Kittens being crowned National Freshman Champions by the Basketball News.

International Flavor

Hall's basketball renown has attracted world-wide attention in international circles and has catapulted him into a much sought-after clinician and guest speaker. This summer, during the Wildcats' tour of the Orient, he conducted clinics in the Republic of China and in Hong Kong.

In the summer of 1981, Hall conducted clinics in Ireland. In 1980, Hall conducted a clinic in Santiago, Chile, as a guest of the Chilean Basketball Federation. More than 400 coaches from throughout South America attended the clinic.

Hall considers one of his major coaching honors came when he was named guest lecturer for the World Basketball Coaches Congress in the Canary Islands, July 1977, before some 400 coaches from the international set.

In 1978, Hall coached the United States All-Stars, a group of collegians that included five of his own players, to the first World Invitational Tournament championship with wins over Cuba, Yugoslavia and Russia. Later that summer, he conducted a series of clinics in England, Belgium, Holland, Yugoslavia, Greece and Israel.

Hall was a busy man in off-season 1979 as well, coaching the victorious East team in the East-West College All-Star game at Salt Lake City, and the Southeastern All-Stars in the Shoney Classic at Charlotte, N.C., and conducting clinics in Warsaw, Copenhagen and London.

He was a member of the 1975 Olympic Basketball Committee, and in 1972 served under Hank Iba in the Olympic Trials at the Air Force Academy. He is currently on the ABAUSA player selection committee for all international competition.

He is married to the former Katharine Dennis of Harrison County, Ky. They have three children — Mrs. Mike (Kathy) Summers, Mrs. Rick (Judy) Derrickson and Steve of Lexington.

ATHLETIC DEPARTMENT ADDS NEW

In keeping with the continued emphasis that athletics director Cliff Hagan has placed on the academic life of its student-athletes, the University of Kentucky Department of Athletics this fall opened its new Academic Learning Center in Memorial Coliseum.

The Center contains a large study area, a casual reading lounge, an individualized reading aids center, graduate assistant offices, a career center and several tutoring rooms.

Bob Bradley, assistant to the athletics director for academic affairs, said the Center provides many services to the student-athlete, foremost of which is a diversified reading program that covers everything from a complete diagnosis of reading development for students to courses in critical reading, reading study skills and speed reading.

"Athletics has acquired the assistance of a professor in UK's graduate reading program to coordinate what should be the best reading clinic available to athletes, comparable to any in the nation," Bradley said.

He said Hagan has always taken a special interest in his department and has gone the "extra mile" to ensure that UK athletes graduate. "There is no doubt in my mind that Mr. Hagan has the student-athlete's best interest at heart," he said. "The new Academic Learning Center is a prime example of his concern."

In addition to Hagan, Wildcat Basketball Coach Joe B. Hall is totally committed to academic success for his athletes.

"The atmosphere of the Kentucky program lends to academic

NEW ACADEMIC LEARNING CENTER

success," Hall said. "Our athletic program is an outgrowth of our curriculum. Our athletes are here not only to participate in sports, but most importantly to be full time students and to earn their degree.

"We encourage them in every way possible, and through every method available, we try to see to it that they are conscientious and that they obtain the most they can from their academic opportunities."

Concerning the new facility for the academic staff, Hall is very pleased.

"We have had an excellent advising and tutoring program for several years," he said, "and we're very happy that they have

such an outstanding facility to use now. Our athletes now have the best system and the best surroundings to assist them with their studies."

ON THE COURT SUCCESS, ONCE IN A LIFETIME EXPERIENCES HIGHLIGHT WILDCAT TRIP TO THE ORIENT

On June 25, 1982, the University of Kentucky Wildcat basketball team, the UK Athletics Association official party, and a tour group of program friends and supporters left Lexington's Blue Grass Field for an unforgettable trip that took them halfway around the world.

The major stops on the trip were Hawaii, Japan, Taiwan, and Hong Kong. During the excursion, the Wildcats played eight games and won them all. Off the court, the members of the group enjoyed once in a lifetime experiences.

The first stop on the tour was Honolulu. After the traditional lei greeting, the group checked into the Hilton Hawaiian Village on Waikiki Beach. During the two days there, trips were taken to Pearl Harbor, Punchbowl National Cemetery, a buffet dinner show, and to a luau.

Eight hours, plus the international dateline, after departing Hawaii on June 27, the Wildcats and friends arrived in Japan. Because of the international dateline, it was June 28 in Japan.

While in Japan for the next 15 days, the Wildcat basketball team and official party visited the Japan cities of Tokyo, Nagoya, Kariya, Kyoto, Osaka, Sapporo, Akita, and Maebashi. The tour group, meanwhile, took a different route for part of the trip. They visited Tokyo, Nagoya, Kariya, Kyoto, Nara, Toba, Hakone, Kamakura, and Maebashi.

Wildcat Athletics Director Cliff Hagan, wife Martha, and the Wildcat cheerleaders had arrived a week earlier than everyone else in Japan. They made numerous promotional appearances prior to the team's arrival and then joined the official party. Among the stops were several television appearances and a performance at a Japan professional baseball game.

When not playing or practicing basketball, the Wildcats visited numerous shrines, temples, and other sites. They enjoyed several authentic Japanese meals, complete with mats on the floor and chopsticks.

In Sapporo, which is on the northern Japan island of Hokkaido, they visited several of the Winter Olympic sites.

Numerous receptions, including a welcome and a sayonara party sponsored by the Japanese Amateur Basketball Association, were held in nearly every city. Everywhere the Wild-

cat players and cheerleaders were celebrities.

On July 12, the group left for Taipei, Taiwan. There the group was met by, and a reception held by, the UK club of the Republic of China. Numerous UK graduates were on hand. Sightseeing stops included the Grand Hotel (one of the world's 10 finest), the Chiang Kai-shek Memorial, and the National Palace Museum.

On July 13, the group moved on to Hong Kong. There, different groups toured various sightseeing points. Also, several had dinner on the world's largest floating restaurant and some visited the Peoples Republic of China. Shopping occupied a great amount of everyone's time in Hong Kong.

On July 17, a tired but happy group made the long return trip home, most with large shopping bags and everyone with pleasant memories.

COACH HALL ON THE TRIP TO THE ORIENT — "Our trip to the Orient was a very worthwhile venture both from an academic standpoint and an athletic standpoint. We won all our games and played with a good team effort and gained valuable experience against strong competition. Our players, both through the trip and through the class they took in preparation, learned a great deal about other cultures. We are always impressed with the hospitality we are shown during these trips. We are greatly appreciative of the efforts of the Japanese and Chinese people."

Melvin Turpin blocked this shot of 7-7 Chibi Okayama during a nationally televised game against Japan. Note the camera mounted behind the backboard.

Outlook

Butler Coach Joe Sexson has his top 13 players returning from last season, including 11 who started at least once. Heading the list of returnees is 6-5 senior All-America candidate Lynn Mitchem who averaged 19.8 points and 7.6 rebounds per game last season. Other top returnees are guards Tony Warren, Danny Jarrett, and Skip Jones and front court candidates Greg Jones (6-5), Joe Richardson (6-7), Tim McRoberts (6-5), Tom Butler (6-4), and Tim Haseley (6-8). Lack of size figures to again pose a problem for Butler, but experience should be the team's strong suit.

Outlook

With All-America guard John Paxson pointing the way for five top-rated freshmen, Coach Phelps plans marked improvement on the 10-17 record of last year. Starting guard Mike Mitchell ranks as the only letterman lost — while Paxson joins center Tim Andree and forwards Bill Varner and Barry Spencer as returning regulars. That quartet, combined with four other lettermen plus the five freshmen, should guarantee Phelps the depth that was missing a year ago. The Irish schedule includes 19 home games and features visits by Kentucky, UCLA and Indiana all within a seven-day period in early December. Phelps says the Irish will be better simply because their numbers have increased.

Outlook

The "Main Line" Wildcats return four starters and more than 85 percent of last year's scoring punch that lifted them to the Big East Conference regular season championship; in addition, Coach Massimino has added five highly regarded freshmen. The Wildcat attack will be built around starting seniors John Pinone and Stewart Granger. Pinone, a bullish 6-8, 230 lbs., has paced Villanova's scoring attack the past three seasons and led the club in rebounding (17.2 ppg, 6.6 rpg). Granger, a talented 6-3 guard, has led the Big East in assists for the past two seasons (11.6 ppg). Harold Pressley, a 6-7 Parade All-America prep star, is expected to fill the shoes of graduated star Aaron Howard.

Outlook

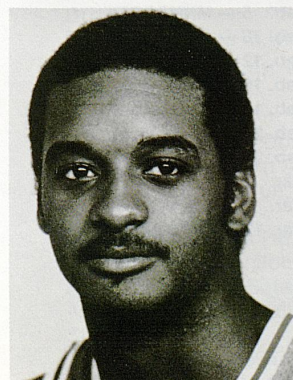

New Detroit Head Coach Don Sicko and his staff face a major rebuilding job as five players who started at one time or the other last season have departed. Chief among those who completed their eligibility last season were Joe Kopicki (18.6 ppg., 10.5 rpg.) and Jerry Davis (13.6 ppg., 5 rpg.). Heading the list of returnees are five lettermen with "regular" playing time experience. They are guards Roy Sims, Albert Blakey, and Mark Moore and forwards Clarence McNatt and Doug Chappell. A good group of newcomers should expect immediate playing time. The Titan newcomers are Louis Rainge (6-8, F), Kevin McAdoo (6-0, G), Ken Kozlowski (6-4, G), and Willis Carter (6-8, F).

Outlook

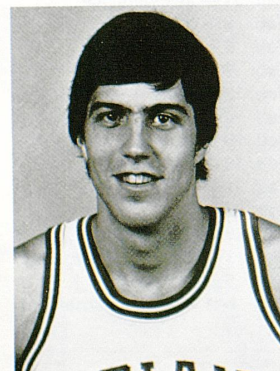

The Illini's top three scorers graduated, but Coach Henson has gathered one of the top recruiting classes in the nation to go with a seasoned bench and an all-star player — junior Derek Harper, a premier point guard who led the Big Ten in assists and steals last season after being named to the first-team of the freshman All-America squad. Battling for starting spots on the front line will be senior Bryan Leonard, who started every game last season, and sophomores George Montgomery, Anthony Welch and Jay Daniels. Henson thinks his Illini will be a much better rebounding team and a real good defensive squad by the end of the year. His goal is to get by the early part of the schedule and gain some experience.

Outlook

There will be little need for introductions when the IU Hoosiers begin practice this season. Coach Bobby Knight returns every member of last season's team that finished 19-10, second in the Big Ten, and earned a berth in the NCAA tournament. Heading the list of returnees is 6-8 forward Ted Kitchel, who ranked second in scoring in the Big Ten last season with an average of 19.6 points per game. Also back are Randy Wittman (11.9 ppg.), Jim Thomas (9.2 ppg.), Steve Bouchie (6.4 ppg.), Uwe Blab (7.5), and John Flowers (4.7). Outlook

Bolstered by seven returning lettermen, one of the best recruiting classes in the country, and a transfer who becomes eligible for the first time in 1982, the Jayhawks appear ready to atone for last year's 13-14 record. Leading returning scorer is center Kelly Knight, who averaged 12.3 points and 5.6 rebounds and led the team in field goal percentage (59.8). The Jayhawks will get a big boost with the addition of guard Carl Henry, a transfer from Oklahoma City University. At forward, senior Jeff Dishman was one of only three players to start in all 27 games last season. At guard, sophomore Tad Boyle started in 21 games and played in all 27 games last season.

Other key returnees include senior center Roger Stieg, sophomore Eric Laird, sophomore George Buckner, junior Ken Coghlan, junior Brad Pierce and sophomore Michael Partridge. Hunt is beginning his head coaching career on the collegiate level after serving as assistant to Gene Bartow 12 years, including stops at Memphis State, Illinois, UCLA and Alabama-Birmingham.

Outlook

With two players undergoing surgery during the off-season, question marks surround the 1982-83 basketball season at LSU. In an April accident, junior forward Leonard Mitchell suffered a serious injury to his right arm, which required a delicate three-hour surgery. Also, sophomore forward-center Steffone Johnson is recovering from surgery, having undergone a hernia operation in May. Otherwise, the Tigers have a solid nucleus with eight of 11 lettermen returning, led by senior forward Howard Carter.

Outlook

The Tide lost three seniors off a squad that went 24-7 last year, but there are 10 returning lettermen, including three starters. Leading the returnees is Ennis Whatley, one of the top guards in the country. The Tide's fourth-leading scorer a year ago, Bobby Lee Hurt should be able to step in and fill the shoes of departed All-SEC performer Eddie Phillips. With two fine recruits joining the program, the Tide should be considered a top contender for the conference crown.

Outlook

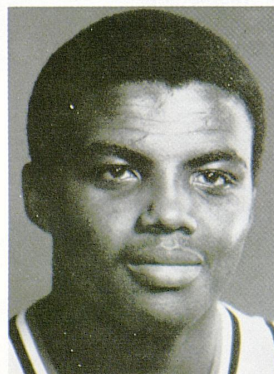

Coach Bob Boyd enters his second year at Mississippi State with hopes of improving on the Bulldogs' ninth-place SEC finish of a year ago. Giving cause for optimism on the State campus is the return of senior sharpshooter Jeff Malone. With injury riddled Terry Lewis starting at a forward position, the 'Dogs were 7-7; without him in the lineup, they were 1-12. He will be moved back to guard with Butch Pierre, the SEC's fifth-leading assist man (104) and Mackey Whyte.

KENTUCKY IN THE SEC

Perhaps the greatest supremacy enjoyed by any team in any sport is reflected by Kentucky's basketball success in the Southeastern Conference since 1933. Against SEC teams in regular season, tournaments and playoffs, UK has annexed a record of 598 victories and lost only 131 — a winning average of 82 percent. The 'Cats have won 33 league championships and hold over 60 team and individual records from regular season and tournament play. Only Tennessee, Vanderbilt, Alabama, LSU and Florida can boast of beating the Wildcats two in a row in the same season and only Mississippi State, Vanderbilt, Alabama and Tennessee are added to the exclusive club when the basis is widened to consecutive wins over two or more seasons. Kentucky's record against SEC teams since 1933, including non-conference games, is shown below.

	UK Won	Lost
Alabama	66	18
Auburn	47	19

FOUR-STAR PRODUCTION

In case you ever doubted that folks in Kentucky worship basketball players, listen to this. Four seniors — Rick Robey, Jack Givens, James Lee and Mike Phillips — from Kentucky's 1978 NCAA championship team drew more than 100,000 emotional fans in 31 towns during a barnstorming tour of the state that ended last week. In Harlan an 85-year-old woman kissed each of the players, and in Carter County 13-year-old LaDonna Griffith broke down and cried when she had Robey autograph her basketball — for the second time.

Using fill-ins for the fifth man, the seniors competed against an AAU team managed by Scotty Baesler, a Lexington lawyer and former Kentucky player who had the foresight to begin scheduling the tour even before the Wildcats won the NCAA title. "Each of the UK players will make about \$10,000," says Baesler, who also set up pregame receptions, which fans gladly paid extra to attend.

*W. B. Wendt on Jan. 9, 1906 verified that State College opened the 1906 season against Kentucky U. in the YMCA. Athletic committees of the two schools had cancelled all games after a fight at a football game in November, 1905. Wendt and the Kentucky U. manager agreed to play at the YMCA and list the State College foe as YMCA instead of Kentucky U. State College won but Mr. Wendt didn't remember the score, which he hadn't listed.

University of Kentucky Radio

The Kentucky Network, which was awarded UK broadcast rights in June, 1980, for the next three years, began broadcasting on April 3, 1978, as the first and only full-time network in the state to provide a comprehensive statewide news, sports, weather, and farm programming on a 7-day-a-week, 12-month-a-year basis.

With ownership of the broadcast rights, D. J. Everett, a 1969 UK graduate, will coordinate the sports network.

Synonymous with the Wildcats is sportscaster Cawood Ledford. Ledford is entering his 17th year with the UK network and his 30th year covering UK sports.

Assisting Ledford is Ralph Hacker, president and general manager of radio station WVLK in Lexington, who begins his ninth year as color commentator.

University of Kentucky Television

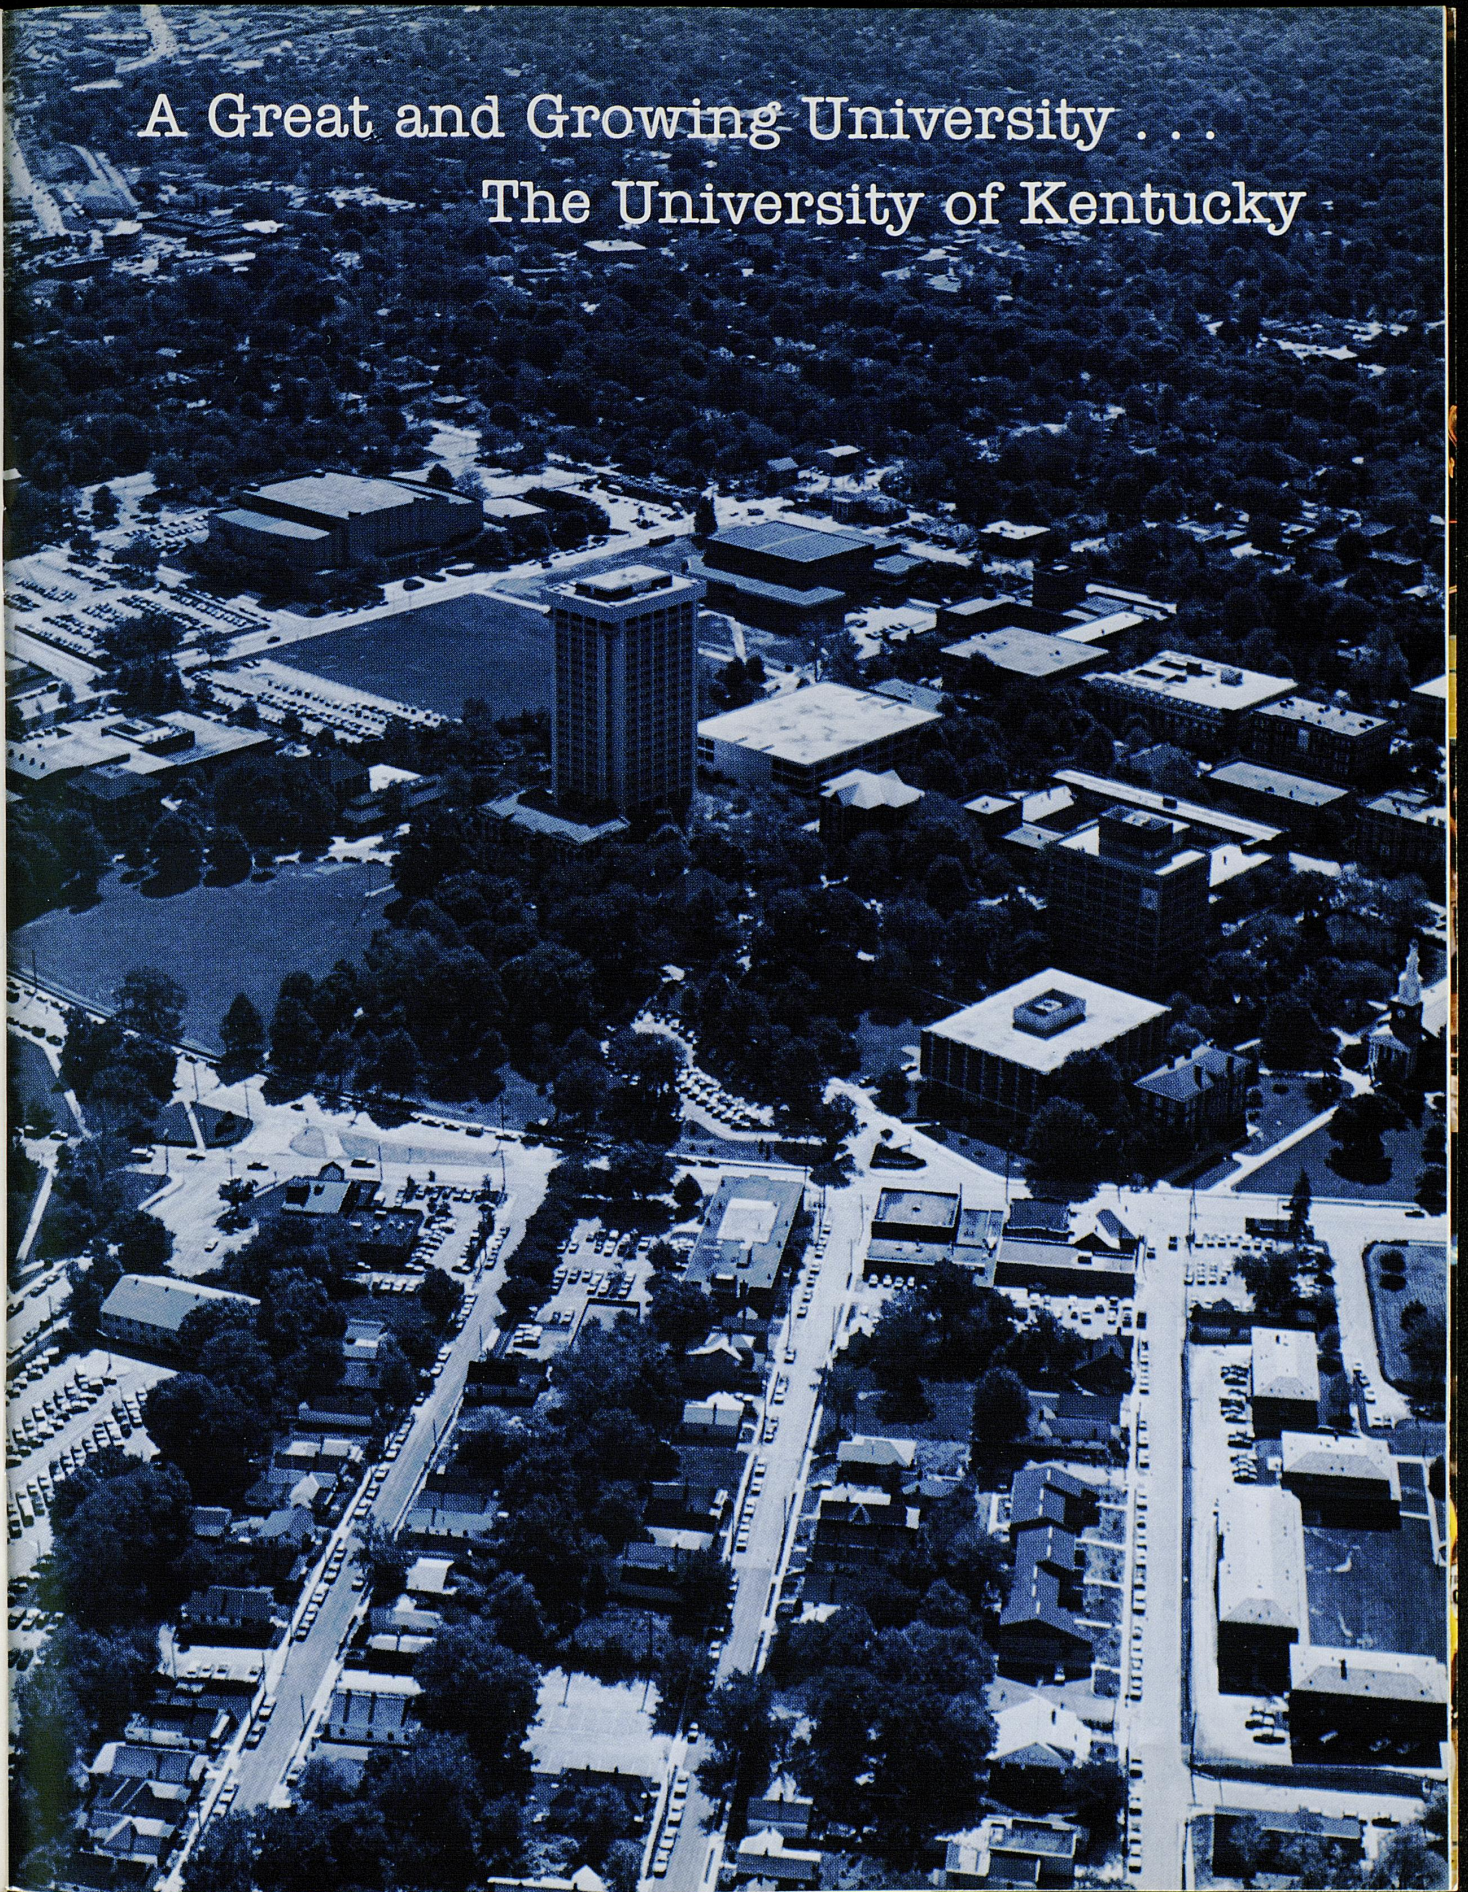

The UK television Network enters its 12th year with WAVE-TV of Louisville as the coordinator.

Handling play-by-play and color for the telecasts are Bob Domine, sports director of WAVE-TV in Louisville, and Rob Bromley, sports director of WKYT-TV in Lexington, with color commentary by former Wildcat great Jack Givens.

A Great and Growing University . . .
The University of Kentucky

Truly one of the leading land grant institutions in the nation, the University of Kentucky has a national and international reputation in such diverse fields as medicine, business, engineering, law and agriculture.

Situated in the heart of the beautiful Bluegrass region of Kentucky, the main campus at Lexington has approximately 23,000 students enrolled.

Another 22,000 students are enrolled in the 13 community colleges operated by UK across the state.

The main campus, near downtown Lexington, comprises about 716 acres of land on which there are more than 200 buildings and other structures, walks, malls, gardens, playing fields, recreation space and parking.

UK has a graduate school and 17 academic colleges . . . Arts and Sciences, Agriculture, Engineering, Business and Economics, Education, Home Economics, Library and Information Science, Social Work, Architecture, Communications, Fine Arts, Law, Medicine, Nursing, Dentistry, Allied Health Professions and Pharmacy.

UK is noted for its research efforts, especially in the fields of energy, tobacco and cancer.

UK's Institute for Mining and Minerals Research is a national leader in energy-related research.

The UK College of Agriculture has been responsible over the years for the development of 80 percent of the burley tobacco varieties grown anywhere in the world, and its research on tobacco diseases has saved farmers millions of dollars.

Kentucky also is a world leader in the thoroughbred horse industry. In fact, vaccines developed at UK for horses are being used all over the world.

UK has an outstanding faculty with some of the top teachers and researchers in the nation.

In the arts, close to 100,000 people attend the many art, music and theater productions at UK. UK's new Center for the Arts contains a 400-seat recital hall, a 1,500-seat concert hall and the 20,000 square-foot UK Art Museum.

UK's Albert B. Chandler Medical Center has a wide range of programs in education and research. The five colleges of the Medical Center — Medicine, Nursing, Dentistry, Pharmacy and Allied Health — have more than 2,000 students pursuing bachelor, masters and doctoral degrees in health-related fields.

Of major significance in the area of medical research is the Sanders-Brown Research Center on Aging, one of the first facilities of its kind in the nation.

UK graduates almost 6,000 students each year from the main campus and the community colleges. The UK Alumni Association, therefore, continues to grow in number of clubs (65) and paid members (22,000). Besides the 34 clubs in Kentucky, there are 31 organized alumni groups outside the state from Los Angeles to New York.

The University has had only eight presidents since its founding in 1865. Dr. Otis Singletary, now in his 14th year as UK president, is a history scholar and nationally-recognized university administrator.

Social, Cultural and Recreational

Opportunities for UK students are not limited to the academic world. Involvement in the social and cultural aspects of University life also is important.

Recognizing this, the University provides the widest range of opportunities for personal and social development. If a student likes music, for instance, the Concert and Lecture Series brings outstanding soloists and symphonies to campus. There are chamber music concerts and hard rock concerts, impromptu bluegrass groups and flute recitals. If one likes to participate, opportunities abound — there are several choral groups, a marching band, the symphony orchestra, the symphonic band — or there is always the guitar with a few friends under the trees. Whichever one chooses, at UK it's available — and there's someone to share it.

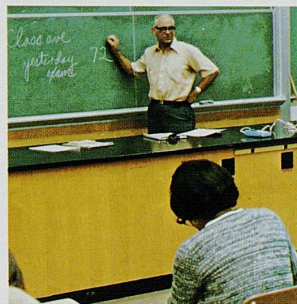

There are 22 national fraternities and 16 national sororities on campus. "Rush," or member recruitment, takes place before classes begin, and informally throughout the year.

In addition to supporting the various Wildcat teams, men and women students take part as individuals or in groups in competitive sports and in intramural programs. The Seaton Center houses facilities for basketball, volleyball, badminton, jogging, conditioning, gymnastics, handball, racquetball, squash, wrestling and table tennis. An Olympic-size swimming pool, tennis courts, and several sports fields are available to students.

A similar variety of opportunities in drama, student government, athletics, service organizations, and recreation, is available.

The city of Lexington also offers UK students much in the way of entertainment. Lexington has a Philharmonic Orchestra, Chamber Music Society, the Lexington Singers, a Council of the Arts, and a local Ballet Company. Movie theaters, international restaurants, coffeehouses, top-ranked acts of all types at fabulous Rupp Arena in the Lexington Center, historical landmarks, parks, and shopping centers, thoroughbred and harness racing, fine fishing in lakes, ponds and streams . . . all in easy distance of the UK campus.

Tailgating at football games, lining up for tickets to see nationally famous Wildcat teams in Rupp Arena, participating in the "Little Kentucky Derby," attending concerts at the downtown arena or in 11,500-seat Memorial Coliseum on the UK campus, visiting the internationally famous Kentucky Horse Park . . . all just a few of the many attractions of Lexington and the University of Kentucky.
