P.S. Maybe you had best treat this as confidential for a few days, after you have taken charge of the office you may return the telegram to me.

If you havent yet written
Post Master General Purleson and
Hon J D Post a few lines thanking
them for the compliment paid you
by giving you the appointment
do so at your earliest convenience,
A few well chosen words some
times works wonders—

Please send me Post's Telegram
which I mailed you—I want to file
it.

When will you take charge of the
office?

How was your appointment
received generally?—What do your oppo-
nents think of it?

Yours

Frank G Davis

P.S. Almost forgot to say I wished
you great success

My Dear Sir

When on my arrival home I made a critical examination of the Nomination papers you handed me I discovered that Mr Geo B Carey had failed to fill out and sign the declaration on the back of the sheet and I am therefore enclosing it to be completed.

Kindly give it your prompt attention and return it to me so it will get to me some time Monday soon. All he has to do is to sign his name in ink or with an indelible pencil at the place I have marked sign here.

Thanking you kindly for the courtesy I remain

Yours Most Truly
J. G. Davis

Your favor of 6th inst at
hand - Sorry I missed seeing
you when you were over
was at home that evening and
not engaged and could have
had a good long talk with you.
However you will come again
some time when we can talk
it out, I don't think much more
can be done just now than has been
done respecting the Post office.
Messrs Post, Goette and Pomeroy
are all in Ohio and Congress being
adjourned no Post office or for
that matter any other business
will be transacted until it recon-
venes again. I want to try and see
all three of the above gentlemen
before they go back and have a

talk with them

You and Harry did good work and I appreciate it very much as I am obliged to have reliable and competent aids to accomplish some purposes.

Sincerely wishing you substantial success I remain
Yours Most Truly

P.S. Just let me know when you expect to come over and I will try and arrange my affairs so I can see you - The Store closes Tuesday, Thursday or Friday Evening.
