April 18-1901.

The Scientific faculty assembled in Prof. Wernicke's room at 3.30 P.M. Pres. Patterson, Professors White, Miller, Kastle Wernicke and Mathews being present. Standing of students was canvassed. Mr. Parker reported as being more regular since his illness, Mr. Kelly (E. O. G.) reported as doing poor work in Botany, and Mr. J. B. Richardson poor work in everything.

Upon motion of Pres. Patterson it was ordered that a committee of three be appointed to consider the causes and remedies for the relatively decreasing matriculation in the scientific courses. The committee named consisted of Profs. White, Miller, and Kastle.

Minutes of last meeting were read and approved.
