

Minutes of the Meeting of the Board of Trustees of the University of Kentucky, Tuesday, May 3, 1977.

The Board of Trustees of the University of Kentucky met in regular statutory session at 2:00 o'clock (Eastern Daylight Time) on Tuesday, May 3, 1977, in the Board Room on the 18th floor of the Patterson Office Tower on the Lexington campus with the following members answering the call of the roll: Mr. William B. Sturgill, Chairman, Professor Michael Adelstein, Mr. William R. Black, Mr. L. D. Gorman, Mrs. Betty Carol Clark, Mr. Albert G. Clay, Mr. Richard E. Cooper, Mr. John R. Crockett, Mr. George W. Griffin, Mr. Michael McLaughlin, Mrs. Sally Hermansdorfer, Mr. Thomas B. Kessinger, Mr. Zirl A. Palmer, Mr. Frank Ramsey, Mr. Homer Ramsey, Professor Paul G. Sears, Dr. David A. Hull, and Dr. John R. Woodyard. Absent from the meeting was Mr. John R. Gaines. The University administration was represented by President Otis A. Singletary; Vice Presidents Lewis W. Cochran, Robert G. Zumwinkle, M. Stanley Wall, Peter P. Bosomworth, Raymond R. Hornback, John T. Smith, and Jack C. Blanton; Dr. Robert M. Drake, Special Assistant to the President, and Mr. John Darsie, Legal Counsel. Members of the various news media were also in attendance.

A. Meeting Opened

Mr. Sturgill, Chairman, called the meeting to order at 2:05 o'clock. Following the invocation, pronounced by Mr. John R. Crockett, the oath of office was administered to Mr. Albert G. Clay, who was reappointed by Governor Carroll for a four year term ending December 31, 1980.

The Secretary called the roll and reported 18 members present. The Chairman then declared the meeting officially open for the conduct of business at 2:08 o'clock.

B. Minutes Approved

Without discussion, on motion duly made, seconded and carried, the reading of the Minutes of the April 5, 1977 meeting of the Board of Trustees was dispensed with and the Minutes were approved as published.

C. Meeting Dates Established

Mr. Sturgill called attention to the dates suggested for meetings of the Board of Trustees and/or Executive Committee for the 1977-78 fiscal year.

There being no objections, on motion duly made, seconded and carried, the dates were established as presented. (See Schedule at the end of the Minutes.)

D. President's Report to the Trustees (PR 1)

President Singletary reviewed briefly the items in his monthly report to the Trustees and recommended that the report be received and filed. Without objection, it was so ordered.

E. Recommendations of the President (PR 2)

Noting that the recommendations in PR 2 were routine in nature, President Singletary recommended that it be approved as a whole.

Without discussion, on motion by Mr. Clay, seconded by Mr. Homer Ramsey and passed, PR 2, Recommendations of the President, was approved as a whole and ordered made an official part of the Minutes of the meeting. (See PR 2 at the end of the Minutes.)

F. Candidates for Degrees - University System (PR 4)

The May meeting of the Board of Trustees is established by statute for the primary purpose of approving degree candidates and President Singletary recommended that authorization be given to him to confer upon each individual whose name appeared on the list presented the degree to which he or she is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all the requirements for the degree for which application has been made and as approved by the University Senate. On motion duly made, seconded and carried, President Singletary's recommendation was approved. (See PR 4 at the end of the Minutes.)

G. Candidates for Degrees - Community College System (PR 5)

President Singletary said that in addition to the candidates for degrees in the University System, the Board of Trustees must also approve the awarding of the degrees and certificates for the Community College System. He recommended that such approval be given for the awarding of the specified degrees and certificates to the persons whose names were presented as a part of PR 5. On motion by Mr. Cooper, seconded by Mr. Gorman and passed, the candidates for degrees in the Community College System were approved. (See PR 5 at the end of the Minutes.)

H. Budget Revisions for 1976-77 (PR 6)

The revisions in the 1976-77 Budget as recommended in PR 6 being routine in nature, President Singletary recommended approval of PR 6 as presented. On motion by Mr. Black, seconded by Mr. Kessinger and passed, the recommended revisions in the 1976-77 Budget were authorized and approved. (See PR 6 at the end of the Minutes.)

I. Confirmation of Fee Schedules (PR 7)

Reminding the Board members that the Council on Public Higher Education was charged with the duty of determining the amount of entrance and/or registration fees for admission to Kentucky public institutions of higher education, President Singletary asked that the Board confirm the fees established by the Council on Public Higher Education for the University of Kentucky. He added that the fees would become effective with the fall semester 1977.

On motion by Mr. Crockett, seconded by Mr. Griffin and passed, PR 7, Confirmation of Fee Schedules was approved. (See PR 7 at the end of the Minutes.)

J. Designation of Official University Catalogs (PR 9)

President Singletary requested that PR 9 be considered next and it was so ordered by the Chairman. Dr. Singletary explained that authorization for the University catalog which had existed in earlier versions of the University regulations had not been included in the current edition. This means that the University at the present time has no official catalog. He recommended adoption of the two recommendations in PR 9 which would remedy the omission and also provide for an official catalog for the Community College System.

On motion by Mr. Gorman, seconded by Dr. Hull and passed, PR 9, Designation of Official University Catalogs, was approved. (See PR 9 at the end of the Minutes.)

K. Operating Budget for 1977-78 (PR 8)

Opening his presentation by saying that the 1977-78 budget is basically a continuation budget for the institution, President Singletary stated that it provides for fixed cost increases such as social security, the contractual obligations which the institution has with its employees in terms of the University's retirement program, and the cost of utilities. Also provided are funds to cover the maintenance and operations costs of new buildings being constructed and some increases in the funds available for the purchase of supplies and equipment.

In order to alleviate somewhat the impact of the increase in student tuition, additional funding for student aid is provided. The Budget includes an increase in salaries averaging 5% and, in addition, some funding is provided for adjustments in selected classified scales. In this budget it has been possible to provide an amount equal to single Blue Cross/Blue Shield coverage for all regular full time employees who meet the eligibility requirements without reducing the money available for salaries. Funding is also provided to expand some of the University's services to its students and the Commonwealth.

In his concluding remarks, President Singletary said that the funds provided for the University by the state are not adequate to cover the number of faculty positions and levels for salaries of faculty and staff which are necessary if the University is to remain a quality institution and be competitive with its benchmark institutions. Therefore, top priority beyond fixed costs will be given to salaries in the 1978-80 biennial budget request.

Mr. Sturgill, on behalf of the Board, commended Dr. Singletary, Mr. Carter, and his staff for the excellent job which has been done in preparing the budget and asked if there were any questions. Dr. Adelstein backed up Dr. Singletary's remarks relative to the need for salary increases with some figures from the AAUP Salary Study.

Mr. Homer Ramsey moved that the 1977-78 Operating Budget as submitted, including the authorization set forth in the letter of transmittal, be approved and ordered recorded as an integral part of the University's financial system with the necessary fiscal control being exercised for the collection and appropriation of income and for the expenditure of departmental appropriations in accordance with the authorized fiscal policies and procedures and accepted as a basis of maximum expenditures for the year 1977-78. The Board of Trustees or the Executive Committee is empowered to make such changes in the budget as may from time to time be deemed necessary upon recommendation of the President. His motion was seconded by Mr. McLaughlin and passed without dissent. (See PR 8 at the end of the Minutes.)

L. School of Journalism Re-Accredited

President Singletary said it gave him much pleasure to announce that word has just been received that the University of Kentucky, School of Journalism general editorial sequence has now been officially reaccredited. The University has been working hard to bring the program in line with the standards set by the National Accreditation Committee and it is gratifying to know that these efforts have resulted in reaccreditation. With the naming of a Director imminent, the outlook is indeed encouraging for continued development and improvement in the journalism program.

M. Interim Financial Report (FCR 1)

Mr. Clay, Chairman of the Finance Committee, said that the Finance Committee had met on the morning of May 3 and discussed the recommendations to be made to the Board of Trustees.

He then moved that the financial report for the nine month period ending March 31, 1977 be accepted. His motion was seconded by Mr. Palmer and passed without dissent. (See FCR 1 at the end of the Minutes.)

N. Professional Liability Insurance (FCR 2)

Because the former carrier has retired from underwriting, Mr. Clay explained that it is necessary to purchase a new policy for professional liability insurance and moved that the Board of Trustees, acting pursuant to the provisions of KRS 16 4.220, authorize the Vice President for Business Affairs to purchase a policy of Professional Liability Insurance covering Officers, Board Members, Faculty, and Staff, and to provide the necessary funding to co-insure the first \$5,000 of expense of each claim made against an individual because of a "wrongful act" as defined in the policy of insurance to be issued. Mr. Clay's motion was seconded by Mr. Black and passed without dissent. (See FCR 2 at the end of the Minutes.)

O. Installation of Antenna Atop Kirwan Tower (FCR 3)

The Finance Committee has determined that the installation of an antenna atop Kirwan Tower will be a benefit not only to the University, but to the Commonwealth of Kentucky and its people, and Mr. Clay placed in the form of a motion the recommendation that the Vice President for Business Affairs be authorized to enter into an agreement with the Executive Department for Finance and Administration Bureau of Facilities Management for the installation of an antenna atop Kirwan Tower to be used in a Kentucky Emergency Warning System and to connect to this antenna by underground conduit the Kentucky Educational Television Production Center, University of Kentucky Medical Center Television Studio, and the University of Kentucky T.V. Studio. Mr. Clay's motion was seconded by Mr. Crockett, and passed without objection. (See FCR 3 at the end of the Minutes.)

P. Transfer of Pralltown Lots (FCR 4)

Since the Pralltown area is outside the approved land use plan for campus expansion of the University, the Finance Committee feels that it is desirable that these lots be declared surplus and disposed of.

Mr. Clay then moved that the University declare 23 lots in the Prall-town area as surplus to its needs and that the Vice President for Business Affairs be given the authority to transfer these lots to Commonwealth of Kentucky for disposition. His motion was seconded by Mr. Kessinger and passed without dissent. (See FCR 4 at the end of the Minutes.)

U. Authorization of Incineration of Paid Bonds and Coupons (FCR 5)

Mr. Clay remarked that one of the "pleasant" recommendations from the Finance Committee was authorization for the incineration of paid bonds and coupons. He then moved that authorization be given to Mr. Shelby Tussey, Controller Division, and Mr. Thomas McDonald, Internal Audit Division, to check the list of paid and cancelled bonds and coupons returned from paying agents from July 1, 1976 through January 1, 1977, to destroy these documents by burning in the incinerator of the Medical Center and to certify the correctness of the list as to its incineration. His motion was seconded by Mr. Palmer and passed without objection. (See FCR 5 at the end of the Minutes.)

R. Contract with Ashland Tennis Center (FCR 6)

In order to permit the courts at the Ashland Tennis Center to be covered so that the center may be used as a year-round facility, it is necessary that the original agreement relative to the tennis courts be amended. Mr. Clay then moved that the Board of Trustees authorize and direct the Vice President for Business Affairs and Treasurer to execute the proposed amended agreement permitting additional improvements to the Ashland Tennis Center located at the Ashland Community College and providing for the purchase of the facilities by the University in the event it elects to terminate the agreement. His motion was seconded by Mrs. Hermansdorfer and passed without dissent. (See FCR 6 at the end of the Minutes.)

S. Conveyance to Commonwealth of Kentucky of a Collection of Antique Horse-Drawn Carriages (FCR 7)

Mr. Clay moved that the recommendations in FCR 7, relative to the conveyance to the Commonwealth of Kentucky of the Collection of antique horse-drawn carriages acquired as a gift from Mrs. Pansy M. Grant for permanent display and use in the new state horse park be approved. His motion was seconded by Mr. Frank Ramsey and passed without objection. (See FCR 7 at the end of the Minutes.)

T. Medical Center Committee Report

Mr. William R. Black, Chairman of the Medical Center Committee, introduced the members of his committee who are Mr. Frank Ramsey, Dr.

David A. Hull, Mr. Zirl Palmer, Dr. John R. Woodyard, Mr. John R. Gaines, and Mrs. Sally Hermansdorfer. He said that the committee had met on the morning of May 3 to discuss some proposed steps which might be taken to determine appropriate actions in response to concerns about the College of Medicine which have been the subject of discussion in the news media recently. The Committee had prepared a report which he read:

Report of the Medical Center Committee to the Board of Trustees

Re: Proposed Steps for Determining Appropriate Actions in Response to Concerns about the College of Medicine

Earlier today, members of the Medical Center Committee of the Board reviewed with President Singletary, Vice President Bosomworth, and Dean Clawson a status report on the College of Medicine which had previously been released for the purpose of providing information and a broader perspective. We support the University administration in its recommendation that, in follow-up to the status report, certain steps are seen to be indicated. These steps will be helpful in evaluating and determining actions which will, insofar as possible and appropriate, resolve the outstanding issues. These and other issues are of significance to this and many other major medical centers. They are not new; in fact, they have been considered in varying degrees in the past by the College of Medicine and University administration. They have, however, been more sharply focused in the recent past.

The steps proposed by University administration and supported by the College of Medicine are the following:

Quality of Academic Program

1. Re-review and evaluate faculty views of the program quality with reference to basic didactic teaching and clinical education;
2. Evaluate student input of quality of teaching program;
3. Examine other indicators;
4. Identify factors, currently known or focused by this review, that may now or in the future impinge on quality;
5. Develop recommendations for change, where indicated.

Professional Practice Income Plan

1. Re-evaluate and re-state the goals of the practice plan;
2. Identify with some specificity the alternatives to the present plan including those evaluated by the current consultant, which might be helpful in achieving these goals;

3. Visit with benchmark institutions to evaluate the impact and consequences of their plans with a small team that would include faculty;
4. Evaluate the institutional financial consequences imposed by implementing these alternatives and identify realistic resource options which may be required to meet justified needs;
5. Work with appropriate faculty representatives to refine and further develop a plan based on realistic assumptions regarding state, federal, and practice income resources;
6. Recommend appropriate changes in the plan and its governance.

Organizational Structure for Hospital Governance

1. Evaluate the present Hospital governance structure and determine if change would improve hospital patient care and teaching performance;
2. Examine factors external to the University which might call for changes in governance; i.e., reimbursement and Hospital accreditation;
3. Develop a group of alternatives for governance, if indicated, and review with appropriate faculty, staff, and administrative officials;
4. Make a recommendation for change, if indicated.

Level of State Financial Support

1. Obtain and analyze data on state support provided for comparable quality medical education institutions in other states;
2. Visit these centers and make direct budget comparisons, including evaluation of direct and indirect cost factors in medical college operation and gather additional data including grant and contract support, utilizing a small team including faculty;
3. Make comparative analysis of the level of state support in other states with that existing in Kentucky for the College of Medicine;
4. Develop findings for use in support and justification of budget requests now in preparation for the coming biennium.

We expect to continue close communication with University administration while the various matters are reviewed and proposals are subsequently presented to the Board.

Following Mr. Black's report of the Medical Center Committee, Dr. Adelstein moved acceptance of the report. His motion was seconded by Dr. Woodyard and passed.

U. Mr. McLaughlin Recognized

Mr. Sturgill recognized Mr. Michael McLaughlin, who was attending his last meeting, and thanked him for the contributions he had made during his term as student member of the Board. Mr. McLaughlin expressed his appreciation for the opportunity to have served and indicated that he had found it an enjoyable and rewarding experience. He then introduced his successor as President of Student Government, Mr. James Newberry, who will become a student member of the Board of Trustees in September.

V. Meeting Adjourned

Before calling for a motion for adjournment, Mr. Sturgill expressed the gratification of the Board that Dr. Singletary had withdrawn his name from consideration for appointment by President Jimmy Carter as Chairman of the National Endowment for the Humanities. President Singletary responded that the appointment had held some real attraction for him, but he felt that this was not the time to leave the University. He added that his decision might have been otherwise had he not felt he had the full support of the Board of Trustees, and he thanked the Board for this support.

After determining that there was no further business to come before the meeting, on motion made, seconded and carried, the Chairman declared the meeting adjourned at 3:00 p.m.

Respectfully submitted,

Paul G. Sears, Secretary
Board of Trustees

(Schedule of Meeting Dates, PR's 2, 4, 5, 6, 7, 8, and 9, and FCR's 1, 2, 3, 4, 5, 6, and 7 which follow are official parts of the Minutes of the meeting.)

Members, Board of Trustees:

RECOMMENDATIONS OF THE PRESIDENT

I. Appointments to the Ephraim McDowell Community Cancer Network

Recommendation: that Mr. Brownell Combs II, Warren H. Proudfoot, M.D., and William B. Cook, M.D. be appointed as non-faculty members of the Board of Directors of the Ephraim McDowell Community Cancer Network, Inc. for three-year terms, beginning May 1, 1977 and ending April 30, 1980.

Background: According to the Bylaws of the Network, its Board of Directors shall consist of no fewer than 18, nor more than 24 members appointed by the President and approved by the Board of Trustees of the University of Kentucky. These nominations are made by the Board of Directors to fill the three remaining vacancies on the Board.

II. Appointments and/or Other Staff Changes

Recommendations: (1) that approval be given to the appointments and/or other changes which require Board action; and (2) that the report relative to appointments and/or changes already approved by the administration be accepted.

Background: The following recommended appointments and/or other staff changes require approval by the Board of Trustees in accordance with Part VIII-B of the Governing Regulations of the University. These recommendations are transmitted to the Board by the appropriate vice president through the President and have his concurrence.

Under the Governing Regulations the authority to make certain appointments and/or other staff changes is delegated to the President or other administrators who are required to report their actions to the Board. This report follows the recommendations requiring Board approval.

Members, Board of Trustees:

CANDIDATES FOR DEGREES - UNIVERSITY SYSTEM

Recommendation: that the President be authorized to confer upon each individual whose name appears on the list the degree to which he or she is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate.

Background: Since the Commencement Exercises are held immediately following completion of examinations, it is not possible for the Office of the Dean of Admissions and Registrar to certify satisfactory completion of requirements prior to Commencement Exercises, for those candidates who completed their requirements in May. The candidates who completed their requirements in August 1976 and December 1976 were approved by the Board of Trustees at earlier meetings.

			163,900

3. Comments - An increase in student fee income will support the expenditure increase for Henderson Community College. Additional federal appropriations will fund the proposed additional Vocational Education expenditure. The proposed increase for the Art Museum will be supported by an additional grant from the Kentucky Arts Commission. An increase in professional fees collected will fund expenditures at Ashland Community College's dental hygiene clinic. The expenditure increase for the Opera Workshop will be funded by additional ticket revenue. Vending commissions will support the increase in the Community College System's student aid.

Members, Board of Trustees:

CONFIRMATION OF FEE SCHEDULES

Recommendation: that the Board of Trustees confirm the fee schedule for semester/annual sessions at the University of Kentucky as established by the Council on Public Higher Education on March 30, 1977, and establish corresponding part-time and Summer School charges under the guideline of the Council on Public Higher Education.

Background: Under KRS 164.020, the Council on Public Higher Education is charged with the duty of determining the amount of entrance and/or registration fees for admission to Kentucky public institutions of higher education. Acting under this authority, the Council at its meeting on March 30, 1977 adopted a fee schedule, to be effective Fall, 1977, a copy of which is attached. The Council directed that each institution derive its charges for part-time and Summer School students from the semester rate using institutional definitions of what constitutes a full-time load for each level or program area. The complete fee schedule recommended for adoption follows this guideline.

*Charges for part-time students and summer sessions are not shown since those charges are not established, but are derived by dividing the number of hours which constitute a full-time load (according to the institutional definition) into the full-time rate above and multiplying that amount times the number of hours enrolled for less than a full-time load. Since the institutional definition of a full-time student may vary both by levels, sessions, and programs, it is more appropriate to leave these computations to each institution. Usual definition for typical undergraduate programs is 12 hours.

**This schedule constitutes the total universal mandatory student educational charges that each institution is permitted to levy.

OPERATING BUDGET FOR 1977-78

Recommendation: that the 1977-78 Operating Budget as submitted, including the authorization set forth in the letter of transmittal be approved and ordered recorded as an integral part of the University's financial system with the necessary fiscal control being exercised for the collection and appropriation of income and for the expenditure of departmental appropriations in accordance with authorized fiscal policies and procedures and accepted as a basis of maximum expenditures for the year 1977-78. The Board of Trustees or the Executive Committee is empowered to make such changes in the budget as may from time to time be deemed necessary upon recommendation of the President.

Background: the 1977-78 Operating Budget of the University of Kentucky is presented for approval by the Board of Trustees. Copies of the budget document have been made available to members of the Board.

Note: The Operating Budget is not reproduced as a part of the Minutes but is included in the official files of the meeting.

DESIGNATION OF OFFICIAL UNIVERSITY CATALOG

Recommendation:

1. That the Board declare that admission requirements, course offerings, and degree requirements pertaining to the University System shall be as stated in the official Catalog, supervised and published by the Dean of Admissions and Registrar.

2. That the Board declare that admission requirements, course offerings, and degree requirements pertaining to the Community College System shall be as stated in the official Catalog, supervised and published by the Vice President of the Community College System.

Background:

During a recent survey by the Office of the Dean of Admissions and Registrar of the current status of the University Catalog, it was brought to light that the authorization for the University Catalog which had existed in earlier versions of the University Regulations has not been included in the current edition of those Regulations. This means that technically, at least, the University at the present time has no official Catalog. This is a matter that needs to be remedied in order to provide a secure and legal basis for the publication of the University's official academic regulations for its students and staff. In addition, the emphasis placed by courts in recent years on the status of college catalogs as contractual documents makes it even more important that the status and institutional control over the Catalog be clearly set forth.

The provisions made in earlier versions of University Regulations for the Catalog, written before the establishment of the Community College System, authorized the Dean of Admissions and Registrar to publish the University's General Catalog. The regulation recommended above recognizes the need for the two Systems making up the University of Kentucky to publish separate official Catalogs.

PROFESSIONAL LIABILITY INSURANCE

Recommendation: that the Board of Trustees, acting pursuant to the provisions of KRS 164.220, authorize the Vice President, Business Affairs, to purchase a policy of professional liability insurance covering Officers, Board Members, Faculty and Staff, and to provide the necessary funding to co-insure the first \$5,000 of expense of each claim made against an individual because of a "wrongful act."

Background: the Board approved a similar insurance plan by its action on January 29, 1974. The former carrier retired from underwriting and the present plan is available to provide \$3,000,000 of aggregate liability coverage subject to a \$5,000 self retention each loss. The cost for 3 years is \$19,800. The purchase has been approved by the Commissioner of Insurance.

INSTALLATION OF ANTENNA ATOP KIRWAN TOWER

Recommendation: that the Vice President for Business Affairs be authorized to enter into an agreement with the Executive Department for Finance and Administration Bureau of Facilities Management for the installation of an antenna atop Kirwan Tower to be used in the Kentucky Emergency Warning System and to connect to this antenna by underground conduit the Kentucky Educational Television Production Center, University of Kentucky Medical Center Television Studio and University of Kentucky TV Studio.

Background: University of Kentucky officials have been contacted by representatives of the Executive Department of Finance and Administration to install an antenna atop Kirwan Tower for the purpose of installing this antenna and running underground conduit connecting the Kentucky Educational Television Production Center, the University of Kentucky Medical Center Television and University of Kentucky TV Studios to this tower.

After analyzing the proposal by the Department of Finance, it has been determined by University officials that this installation will benefit the Commonwealth of Kentucky and its people and the University of Kentucky's TV programs including the Medical Center and University of Kentucky Studios, and the programs of Kentucky Educational Television Production Center.

TRANSFER OF PROPERTY

Recommendation: that the University of Kentucky declare 23 lots in the Pralltown area as surplus to its needs and that the Vice President for Business Affairs be given the authority to transfer these lots to the Commonwealth of Kentucky for disposition.

Background: The Pralltown area is outside the approved land use plan for campus expansion of the University of Kentucky. Administrative officials have met with members of the Pralltown community, City officials, the Secretary of the Executive Department for Finance and Administration and the Kentucky Housing Corporation concerning the best use of land presently owned by the University of Kentucky in Pralltown. An agreement was reached that the University will transfer the tracts it owns in Pralltown to the Commonwealth of Kentucky with no immediate reimbursement at the time of the transfer. The Commonwealth will assign the land to the Kentucky Housing Corporation which would have the tracts appraised and offer them for sale at the appraised price to prospective buyers. The Housing Corporation will sell the tracts to persons who will make improvements in the best interest of Pralltown and in accordance with the city-approved development plan for the area, and will attempt to assist prospective buyers with loans which it deems appropriate. The Housing Authority will reimburse the University of Kentucky for the cost of the lots it sells at the appraised price. The parcels of land which are being recommended to be declared surplus and disposed of are as follows:

CONTRACT - ASHLAND TENNIS CENTER

Recommendation: that the Board of Trustees authorize and direct the Vice President for Business Affairs and Treasurer to execute the attached Amended Agreement permitting additional improvements to the Ashland Tennis Center located at the Ashland Community College and providing for the purchase of the facilities by the University in the event it elects to terminate the Agreement.

Background: On August 8, 1972, this Board authorized the execution of an agreement between the University, the City of Ashland, the Board of Education of the Ashland Independent School District, the Public School Corporation of the Ashland Independent School District and the Second National Bank of Ashland whereby the said Public School Corporation was permitted to lease a portion of the Ashland Community College Campus to the city of Ashland on a year-to-year basis so that a tennis center could be constructed on an unused portion of the campus at no cost to the University.

Several tennis courts have been constructed on the property pursuant to that agreement, principally with contributions of nearly \$400,000.00 from the Stuart Blazer Foundation.

The purpose of this proposed amendment to the 1972 agreement is to permit these tennis courts to be covered so that the Tennis Center can be used as a year-round facility.

The City of Ashland proposes to borrow funds to construct the additional facilities from banks. Since the city will continue to operate pursuant to a year-to-year lease, the Amended Agreement provides that, in the event the University elects to terminate the lease, it must purchase the tennis facilities at a price which is the greater of (a) the depreciated value of the facilities, or (b) the outstanding debt; in no event may the purchase price exceed the sum of \$800,000.00

The University has no present plan to terminate the agreement or purchase the tennis facilities.

THIS AMENDED AGREEMENT made and entered into as of April _____, 1977, by and between the CITY OF ASHLAND, KENTUCKY (herein referred to as the "City"), the BOARD OF EDUCATION OF THE ASHLAND INDEPENDENT SCHOOL DISTRICT (herein referred to as the "Board of Education"), the BOARD OF TRUSTEES OF THE UNIVERSITY OF KENTUCKY (herein referred to as the "University"), the PUBLIC SCHOOL CORPORATION OF THE ASHLAND INDEPENDENT SCHOOL DISTRICT (herein referred to as the "Public School Corporation"), and THE SECOND NATIONAL BANK OF ASHLAND, in its capacity as TRUSTEE for the holders of the First Mortgage Bonds of the Public School Corporation of Ashland Independent School District dated December 1, 1967 (herein referred to as the "Trustee").

WITNESSES:

RECITALS: The Ashland Tennis Center at Oakview Road and Thirteenth Street in Ashland was established by a cooperative agreement between the parties as of August 8, 1972, and the property has been improved with contributions of near \$400,000 received from the Stuart Blazer Foundation through the Greater Ashland Foundation.

It has now become necessary that some or all of the courts be covered so that there can be a year-round operation of the Center and that other repairs or improvements be made, and the purpose of this Amended Agreement is to make that possible.

AMENDED AGREEMENTS: NOW, THEREFORE, the parties hereto agree as follows:

1. The agreement between the parties made and entered

into as of August 8, 1972, in paragraph G, page 5, is amended to read as follows:

"G. The corporation will, as a part of the aforesaid Agreement of Lease with the City, retain the ability to terminate the said lease: in the event the said real property is needed for other substantial educational purposes of the Ashland Community College; in the event the operation of the Tennis Center Facility constitutes a substantial interference with the operation of the Ashland Community College which is not corrected after reasonable notice to the City; in the event there is any default under this Agreement by the City which is not corrected by it upon reasonable notice; or in the event the said real property and the Tennis Center Facility located thereon are needed for the exclusive use of the Ashland Community College as a tennis facility. In the event there is a termination of said lease, it shall be by reasonable notice in writing to all parties with adequate provisions for the payment to the City of the higher of (a) the then value of the improvements and facilities (presently existing or hereafter added) not including the land, or (b) the payment of all debts involving said Ashland Tennis Center including any bonds, notes, or other obligations (whether or not secured) incurred in connection with the initial construction (of the presently existing and planned improvements) of said Ashland Tennis Center; provided the total of all thereof under either alternative shall not exceed \$ 800,000.

2. The original Agreement between the parties dated August 8, 1972 shall remain in full force and effect except as so amended.

IN WITNESS WHEREOF, the parties hereto have caused this Amended Agreement to be executed by their duly authorized officers as of the date and year first above written.

CONVEYANCE TO COMMONWEALTH OF KENTUCKY

Recommendation: that the Vice President for Business Affairs be authorized to convey to the Commonwealth of Kentucky the collection of antique horse-drawn carriages (Attachment A), acquired as a gift from Mrs. Pansy M. Grant, for permanent display and use in the new State Horse Park on Iron Works Pike.

That the Vice President for Business Affairs be authorized to place on loan to the American Saddle Horse Museum the statue of "Roxie Highland," certain trophies, photographs, and other items (Attachment B) for display and use in the new Saddle Horse Museum in Louisville.

Background: The 28 antique horse-drawn carriages were donated to the University of Kentucky by Mrs. Pansy M. Grant in 1959 and have been displayed in the Saddle Horse Museum since 1962. The Commonwealth of Kentucky is in final construction of a new State Horse Park on Iron Works Pike in Fayette County. A condition applicable to this donation would be proper notice in the display area that the collection has been provided by the University of Kentucky as a gift received from Mrs. Pansy M. Grant. Further, the collection would revert to the University in the event the State no longer desires it for display purposes.

The Saddle Horse Museum, located on Spindletop Farm since 1962, is moving its location to Louisville later this year. The Saddle Horse Board has requested the equestrian statue, and trophies, photographs, etc. pertaining to "Roxie Highland" for use in the new museum. The statue is now located on Spindletop Farm and the other items have been on display in the Saddle Horse Museum at Spindletop.
