Mrs. J. Allison Hodges,
Chairman, Southern Zone,
Committee on Billboards.

We have tried to be true to the national slogan: "Favor the Firms which Favor the Scenery."

In Kentucky this policy is not being urged in a spirit of boycott, but in a spirit of fair play toward the firms which have cooperated with us so splendidly in our campaign to abolish commercial advertising on our highways. Two hundred and fifty-eight firms have signed an agreement to forsake billboard advertising. We have had earnest cooperation from The Kentucky Federation of Woman's Clubs, and it's very able Chairman, Mrs. H. V. McChesney of Frankfort.

Organizations are asked to take three steps in our campaign against roadside advertising:

- 1st--To favor the products not advertised on the landscape,
- 2nd--To publish this action in the local press,
- 3rd--To send a statement of this action to the firms using billboards in their Community.

The public is just awakening to the fact that our wonderful scenic beauty is one of Kentucky's greatest assets, to be conserved not only for aesthetic pleasure but for financial profit as well.

The Lexington Garden Club met with Mrs. C.W. Moore on Friday, February 20th, in the Red Room of the Lafayette Hotel. There were 25 members present.

Mrs. Young, the President, presided.

Before the meeting Mrs. Estill distributed the year books and was much complimented on their format.

The secretary read the minutes of the last meeting and they were approved.

The treasurer reported that having sent a check for \$100.00 to the Arboretum of the University of Kentucky, she had \$97.00 in the treasury.

Mrs. Young asked the auditors, Mrs. Thomas and Mrs. Herndon, to count the ballots of the questionnaire, with the following result:

For the reconstruction of the gardens at Ashland.....	31 Yes	8 No
For the Kentucky Botanical gardens.....	32 Yes	8 No

The President then asked Mrs. Tandy Hughes to talk to the Club about Lilies. Mrs. Hughes gave a most interesting and informing lecture, quoting recognized authorities, and distributing a list of the best "fool proof" varieties to insure lily bloom all the year. She divided lilies into stem-rooting and bulb-rooting varieties, and gave advice as to their habits and culture.

Mrs. Lafferty suggested that such a lecture be put on file for future use and offered to have Mrs. Hughes' paper mimeographed for the Club.

Mrs. Young then returned to the business of the meeting. She called upon Mrs. Lawwill to read the revised constitution and by-laws.

The question of attendance required at meetings and of a third class of membership was discussed, and it was moved by Mrs. Lewis, seconded by Miss Vanmeter: "That the by-laws and constitution be accepted as read". The motion carried.

Mrs. Young told the Club that it was indebted to Mrs. Lafferty for mimeographing the questionnaire sent out to the membership. She then told of the progress made in gaining information and cooperation in the matter of the proposed pilgrimage.

The Kentucky Progress Commission will furnish an unlimited supply of booklets concerning the tour. The Automobile Club has been asked to mark roads. The Board of Commerce will pledge assistance. Mr. Shouse will give office and desk space at the Lafayette Hotel.

She specially stated that no member of the Garden Club will be asked to drive or lend cars, and that a system of student guides will be worked out to supplement the guide books and road marks if desired.

Mrs. Young told of a visit to Kenwick School, which has a garden club, and would be grateful for plants, seeds or supplies for a garden. "Their youth and enthusiasm should be encouraged", she said.

Mrs. Van Deren then displayed a rare and beautiful lily, the Clibra, a lovely red specimen with 22 blooms. She said it had first been brought to her notice at the Louisville Flower Show two years ago.

Mrs. Young called attention to the Cincinnati Flower Show at Music Hall, March 7--15th. She read a letter from the Fayette Rose and Garden Club, urging the Garden Club to join a federation of garden clubs for the state.

Mrs. Lawwill and Mrs. Lafferty spoke in favor of such an affiliation, but no action was taken.

Mrs. Young reported that Mr. Purdie will not be available for a lecture this year, but Mrs. Perkins is anxious to come, also a Mrs. Oake. Mrs. Lawwill moved that the question be left to the program committee.

Mrs. Lawwill recommended a lecture at the Woman's Club on the 28th, as a source of interest. A Mr. McKenna will be the speaker.

The Board of the Lexington Garden Club met in the Colonial Room of the Lafayette Hotel on Wednesday, March 12th, at ten o'clock. 15 members were present.

Mrs. Young told of cooperation she had received in planning the pilgrimage. She said that the Progress Commission's magazine was too bulky to send by mail and their smaller booklet not off the press, and stated that we may have to have small booklets printed giving information, routings and road maps.

Mrs. Bullock moved "That the Board ask the Garden Club to lend them the \$500.00 in the savings account to use in this emergency." Motion was seconded by Mrs. John Lewis, and carried.

Mrs. Young reported that there was \$54.00 in entrance fees at Mrs. Miner's lecture, and so no deficit.

Mrs. Young called attention to the meeting of the Garden Club of America May 18--22, at Glen-coe, Long Island. The President and her delegate and four other delegates are entitled to go. Mrs. Clarke indicated a willingness to go and Miss Hume stated that Mrs. Lawwill expects to go.

Mrs. Clarke stated that she had about completed the necessary information in regard to the trip to Charleston, and stated that she would regret going further into the matter unless it was definitely decided that sufficient persons were interested to make it worth the while of the Bus Company and the Garden Club. She said that the dates offered as most desirable were from the 5th to the 15th of April, that the cost would be between \$50.00 and \$60.00, and would last for five days, but that she would be prepared with all necessary information at the meeting of the Club on Friday.

Mrs. Estill reported that she had gotten complimentary reports on Mrs. Oaks as a speaker, and also Mrs. Jacobs of South Carrollton who writes that she will be glad to come to the club in June for \$35.00.

Miss Robinson emphasized the need for haste in getting out advertisement of the pilgrimage.

Mrs. Young told what her plans were along that line, advertising in the nationally known garden periodicals being prohibitive.

The meeting then adjourned on motion.

Respectfully Submitted,

The Treasurer's report of \$79.07 was approved.

One correction of the minutes of the Board meeting was made.

It was decided not to name the delegates to the Garden Club of America meeting.

Mrs. Young gave details of the meeting at Glencoe, Long Island. Registration fee of \$25.00 must be paid by April 6th, and no substitutes can be made after May 4th. Mrs. Young has the invitations and they will be sent as soon as the delegates are decided upon.

Mrs. Carrick of the Ways and Means Committee reported that her committee met March 3rd and made a tentative list of the places to be visited during the Pilgrimage. She said that they had met with splendid response, and gave a list of places already heard from, other places to be listed as heard from. Her report was approved.

Mrs. Young read a letter from Mr. Look saying that he would cooperate. Transylvania, too, responded saying that the Library of rare books and prints would be on display during the pilgrimage. The body of Raffleske on the Transylvania grounds will be of special interest to gardeners.

Motor corps and guide work has been offered to the Junior League - money made to go to them.

Mrs. Lafferty spoke of an attempt made at one time to own the Mary Todd Lincoln home.

Mrs. Young read the tentative committees for the pilgrimage.

Mrs. Bullock moved that we borrow \$562.64 from the savings account of the Garden Club, seconded by Mrs. Lewis. This was not voted on and Mrs. Bullock withdrew her motion.

Mrs. Lafferty moved that the Club express its wish to the finance committee that the \$562.64 be loaned for the pilgrimage, seconded by Mrs. Healy.

Mrs. Lafferty moved that a committee be appointed to sponser in 1932 tree planting to celebrate the centennial birthday of George Washington.

Mrs. Healy read the Club history from Sept. 7th, 1929 to Sept. 20th, 1930. Mrs. Healy was thanked for her efforts and the history applauded. One correction was made - the club garden books are at the Y.W.C.A.

Mrs. Graddy spoke in favor of the Federation of Kentucky Garden Clubs, and called to our minds the splendid work the Cincinnati Garden Clubs have done together as a federation in their Flower Show.

The meeting then adjourned.

The Board of the Lexington Garden Club met at the Lafayette Hotel on Wednesday, April 1st, at ten o'clock.

In the absence of Mrs. Young, Mrs. Clark presided and spoke of the sympathy and interest of the Board in Mrs. Young's sorrow. The secretary was instructed to write a letter of condolence to Mrs. Young and her family.

Mrs. Clark stated that the Y.W.C.A. has requested that books belonging to the Club be removed as they feel responsible for them, and evidently some of them have disappeared.

Mrs. Norton of Transylvania has offered to allow us to use a few shelves there in the Library. Mrs. Bullock moved that Miss Van Meter be appointed to take charge of the matter, and also to gather together all missing volumes. The motion carried.

Mrs. Clark stated that the trip to Charleston has been abandoned.

The question of appointing associate members to fill vacancies open to the Club for the annual meeting at Glencoe, Long Island, was discussed, and Mrs. Lawwill moved that places be filled if possible by active or associate members.

Miss Hathaway reported that the Annual Field Day at the University has been suspended due to the proximity of the date of the pilgrimage, and that notices will be sent to that effect to the usual Garden departments and Garden Clubs of the State, making the statement that persons will be in charge of the Botanical Gardens every morning and afternoon of that week to show people about and answer questions.

The Garden Club meeting will be on the date set in the year book at Mrs. McVey's. A short program and a view of the Botanical Gardens will con-

stitute the program.

The report was accepted.

The secretary then read a letter from Mrs. Lafferty, herewith enclosed, stating that as the president had found the title of her sketches unsuitable she felt she must retire as chairman of the publicity committee. Miss Payne suggested offering some compromise. Mrs. Stoll spoke in favor of Mrs. Lafferty's presenting her views to the Club in person.

After much discussion Mrs. Lawwill moved that we accept her resignation, and Mrs. Alexander amended to add that we are most appreciative of the work she has done for the club and expressing our gratitude for it.

Mrs. Bullock moved (seconded by Miss Payne) that the President go right on with the work as it has been planned.

Mrs. Estill said that advertising was being solicited for the guide books, approved by the Board of Commerce, and to be selected advertising only from people that will profit by it.

The question of charge for admission was put, but it was decided to leave it to the committee. The sense of the meeting seemed to be for a fee not over \$1.00 for house and garden.

Mrs. Clark asked for sympathetic help and co-operation from every member of the Garden Club.

The meeting then adjourned on motion.

She reported that the Garden Club had sent flowers to Dr. Young's funeral; that Mrs. Thomas Marks will take Miss Daisy Hume's place as chairman of the hostess committee, and urged the use of the year books to ascertain the date of meetings. She asked that all who have names to suggest of those who might be interested in the pilgrimage send them in so that literature may be mailed at once.

She suggested that a list of gardens that are looking particularly well at a certain time be reported to Mrs. Estill and published in the papers so that members may visit them.

Mrs. Clark then introduced to the Club Mrs. Charles Middleton of Louisville, a member of the Glenview Garden Club. She spoke delightfully on Roses, giving a short history of the interest that has been taken in them from the time of the Empress Josephine, when there were 250 known varieties, to the present day when there are more than 16,000. She told of her experience with her roses, and took us from the making of the beds to the final preparation of her roses for the Winter, inspiring every one with her zeal and enthusiasm. Mrs. Middleton gave the following list of books on rose culture that may be useful for future reference:

Miss Robinson suggested sending booklets to the people owning breeding establishments here..

Mrs. Walter Hillenmeyer was given charge of tickets for the small town gardens, of which 125 have been printed as more can be procured very quickly.

It was suggested that a register be kept at all the places.

Mrs. Marks reported that she had been unable to fill all places as hostesses as there were not enough Garden Club members available.

Miss Payne suggested that it be put as accepting Mrs. Robb's offer.

The President then thanked the members who had so splendidly helped to make the pilgrimage a success, not only from a financial point of view, but in a much bigger way in displaying the beauty of Kentucky to the outside world. She said that Louisville had written that in future they would like to participate, and that she had received a letter from the Progress Commission commending the work. She suggested that the booklets left from the pilgrimage be turned over to Mr. Wilder of the Board of Commerce as he had signified that he could use them. Mrs. Bailey moved that they be turned over to him.

The President expressed appreciation of the work so graciously undertaken by the Fayette Rose and Garden Club in assisting as hostesses during the pilgrimage.

Gardens open to Garden Club members for inspection at this time included Mrs. Haggin, Mrs. John L. Dodge, Dr. Stemmler, and Mr. Withers.

The President appointed the following committee to serve at the Veteran's Hospital:

Mrs. Bedford Brown, Chairman.
Mrs. Kendall McDowell
Mrs. John Stoll
Mrs. Spence Carrick
Mrs. Howard Estill
Mrs. Walter Hillenmeyer

Mrs. Young asked Miss Clay to read a letter from Mrs. Frederick Wallis, regretting that so few had seen her garden and enclosing a contribution of \$5.00.

Miss Payne stated that she had gotten no reply from Miss Rhodes as to her title of lecture or the cost to the club.

The President asked the pleasure of the Club in regard to affiliating with the proposed State Federation of Garden Clubs.

Mrs. Clark spoke, quoting Mrs. Lockwood and urging our cooperation as the Garden Club of America desires that the Clubs take such action.

Miss Clay then moved that we join the State Federation of Garden Clubs. The motion passed.

She then read a letter of resignation from Mrs. John Scott which was accepted with sincere regret. Mrs. Brooker read a letter from Mrs. McKenna, writing for Mrs. Lockwood, asking for information and photographs of old gardens made before 1840, and asked instruction as to her reply. Mrs. Young appointed her chairman of a committee to

comply as fully as possible, and stated that she would confer with her in regard to her committee later.

All who have failed to get their Bulletins regularly were asked to report it.

The question of printing the Constitution and By-Laws was discussed and the chairman asked permission to define Honorary membership which had been overlooked. This was granted, and she was instructed to see to printing and distribution. (Moved by Miss Clay).

Date of the next meeting, July 10th, with Mrs. Marius Johnston.

Mrs. Clark urged that the Club do some specific thing for the Botanic Gardens in the way of gathering plant material for it, with the money we give them from the pilgrimage. It was moved that the Botanic Gardens Committee meet with Mr. Lindburg and find out some definite thing needed for the Botanical Gardens and report back to the Club.

Mrs. Clark brought up the question of division of the money made by the pilgrimage, and she moved that \$400.00 be given to the Kentucky Botanical Gardens, \$400.00 be kept for as long as the Garden Club sees fit, to be used in the restoration of the gardens at Ashland, and the remainder of \$135.00 be kept in the treasury for general Club expenses. The motion carried.

Mrs. Brooker, Mrs. Hughes and Mrs. Thomas spoke of the splendid work the Botanic Gardens are doing in acquainting the Youth of the State of Kentucky with the Fauna and Flora of the country, and the service to the intelligent gardener that may be had by recourse to it.

Mrs. Thomas then spoke on the Garden Club of America meeting, giving a general outline of this very interesting and delightful meeting, with special reference to Mrs. Pratt's garden which won the gold medal of the Garden Club of America.

Mrs. Clark spoke of the President's Council? meeting at the Piping Rock Country Club. She said that very little business came before the meeting this year; that nearly all the clubs were represented, only one absent from the far West. The high lights that she brought back to us were that the Garden Club of America is not a social thing, but for work with improvement. Most clubs do more study and write more papers on Garden subjects than we do.

Attendance and interest were emphasized, and strict rules are adhered to. \$10.00 dues seems to prevail, though some are as high as \$50.00. Ours are very low.

Interest in the Lathrop School was urged, and cooperation with the State Federation of Garden Clubs.

Mrs. Graddy then spoke of the Landscaping of various places, giving charming descriptions and in many instances showing pictures that made her talk a real treat.

Mrs. Clark proposed the name of Mrs. John Scott for Honorary membership, and it was accepted.
