

Sept. 26<sup>th</sup> 1900.

The Scientific assembled for the first meeting of the collegiate year in the room of Prof. J. G. White at 4 P.M. the following members being present, Profs. White, Pence, Kasite, Wernicke, McKenzie, and Mathews.

Prof. White reported a total enrollment to date of fifty students.

Upon motion of Prof. Kasite seconded by Prof. Wernicke it was ordered that

M. E. Johnston

Mr. Marius E. Johnston be recommended to the general faculty as a candidate for the degree of M. S. with Chemistry as major subject and German and French as minors.

George Roberts

Upon motion also of Prof. Kasite it was ordered that Mr. George Roberts should be recommended to general faculty as a candidate for degree of M. S. with Chemistry as major subject and German and French as minors.

Some question arose as to the eligibility of Mr. Roberts for the degree of M. S. since his first degree in this college was that of B. Ped. Upon motion it was ordered that this subject be referred to the committee of the faculty appointed for such cases.

Upon motion it was ordered that the following persons be recommended to the general faculty for the degrees of B. S.

Candidates  
for B. S. de-  
gree.

Mrs. A. R. Marshall, H. P. Bassett,  
W. S. Webb, O. M. Shedd, John W. Gilbert,  
Misses J. M. Offutt, Ella Williams, Nannie E.  
Butler, & Allen P. Lary.

Adjourned.

C. W. Mathews. Secy.

Approved Nov. 28-1900
