PREFACE

The publication herewith presented, an index to the probate cases filed in Bowie County, Texas, is No. 19 of the Texas series of counties. The publication is intended to meet the requirements of day-to-day usage by the officials of the county, attorneys, businessmen, and other citizens who have occasion to consult probate case records for the proper conduct of their affairs. The publication may be used by historians and genealogists to obtain references to unpublished source material.

In Bowie County the probate case papers are arranged alphabetically by first letter of surname of principal party, and chronologically thereunder.

Since the transfer of territory from one county to another has affected the venue in probate cases and has therefore determined the county in which the probate case should have been filed, a map and table of territorial changes are included herein. Notations concerning present location and availability of records pertinent to Bowie County follow:

Nacogdoches County, Nacogdoches, records extant.

Red River County, Clarksville, records extant.

EXPLANATION OF THE MAP AREAS

All the areas given were in the municipality of Nacogdoches⁽¹⁾ until the creation of the municipality of Red River on 11/11/1835.⁽²⁾ All areas remained in the municipality and county of Red River until the creation of Bowie County in 1840 except area C for which see section C below.

(A)	in Bowie County	from 12/17/1840 (3) to	date
(B)	in Bowie County	from 12/17/1840 (3) to	1/28/1841
	" Paschal County	" 1/28/1841 (4) "	1842
	" Bowie County	" 1842 (5) "	4/25/1846
	" Cass County	" 4/25/1846 (6) "	date

- (1) It is assumed that the municipality of Nacogdoches had jurisdiction over the territory called the Department of Nacogdoches which was defined on January 31, 1831. (See Gammel, I, 281).
- (2) Gammel I, 532. In this act, the municipality of Red River was not given any specific boundaries. It is probable, however, that they were the same as those given in the 1837 act to "Define the boundaries of Red River County" (see Gammel, I, 1431).
- (3) Gammel, II, 561.
- (4) Gammel, II, 520.
- (5) Paschal County was a "judicial" county and acts attempting to create such counties were held unconstitutional by the Texas Supreme Court in 1842. (See Dallam's Texas Reports, Stockton v. Montgomery, p. 473). Therefore the area remained in the original county.
- (6) Gammel, II, 1441.
- (7) Ibid., VI, 122.
- (8) Latimer County was created by declaration of the Constitutional Convention of 1868-69. The assumption is that the county was never organized because: 1) The Constitutional Convention of 1875 did not see fit to reorganize it; and 2) In the same year the Legislature created Morris County, out of Titus, over part of the same territory Latimer would have occupied. Therefore area C must have reverted to Cass.
