TABLE 11 C 3 10,000 to 14,999 15,000 to 19,999 20,000 to 24,999

A complete list of values in-
cluded in this table is given in the
introductory matter on page 10 of the
1950 Census of the United States.
This table shows the number of
persons in each of the following
categories, by race and sex, for
each of the census tracts in the
county.

Number of families in the tract	Total population	Totally free of 10,000 to 14,999				Totally free of 15,000 to 19,999				Totally free of 20,000 to 24,999			
		No. of families	No. of persons	Male	Female	No. of families	No. of persons	Male	Female	No. of families	No. of persons	Male	Female
1. Total population	246	2	36	97	67	30	9	4	1	180	10	35	44
2. Total population under 18 years of age	131		8	58	40	15	7	2	1	110	11	68	27
3. Total population 18 years and over	115		1	1	1					6	2	3	1
4. Total population under 18 years of age by race and sex													
5. Total population 18 years and over by race and sex													
6. Total population under 18 years of age by race and sex													
7. Total population 18 years and over by race and sex													
8. Total population under 18 years of age by race and sex													
9. Total population 18 years and over by race and sex													
10. Total population under 18 years of age by race and sex													
11. Total population 18 years and over by race and sex													
12. Total population under 18 years of age by race and sex													
13. Total population 18 years and over by race and sex													
14. Total population under 18 years of age by race and sex													
15. Total population 18 years and over by race and sex													
16. Total population under 18 years of age by race and sex													
17. Total population 18 years and over by race and sex													
18. Total population under 18 years of age by race and sex													
19. Total population 18 years and over by race and sex													
20. Total population under 18 years of age by race and sex													
21. Total population 18 years and over by race and sex													
22. Total population under 18 years of age by race and sex													
23. Total population 18 years and over by race and sex													
24. Total population under 18 years of age by race and sex													
25. Total population 18 years and over by race and sex													
26. Total population under 18 years of age by race and sex													
27. Total population 18 years and over by race and sex													
28. Total population under 18 years of age by race and sex													
29. Total population 18 years and over by race and sex													
30. Total population under 18 years of age by race and sex													
31. Total population 18 years and over by race and sex													
32. Total population under 18 years of age by race and sex													
33. Total population 18 years and over by race and sex													
34. Total population under 18 years of age by race and sex													
35. Total population 18 years and over by race and sex													
36. Total population under 18 years of age by race and sex													
37. Total population 18 years and over by race and sex													
38. Total population under 18 years of age by race and sex													
39. Total population 18 years and over by race and sex													
40. Total population under 18 years of age by race and sex													
41. Total population 18 years and over by race and sex													
42. Total population under 18 years of age by race and sex													
43. Total population 18 years and over by race and sex													
44. Total population under 18 years of age by race and sex													
45. Total population 18 years and over by race and sex													
46. Total population under 18 years of age by race and sex													
47. Total population 18 years and over by race and sex													
48. Total population under 18 years of age by race and sex													
49. Total population 18 years and over by race and sex													
50. Total population under 18 years of age by race and sex													
51. Total population 18 years and over by race and sex													
52. Total population under 18 years of age by race and sex													
53. Total population 18 years and over by race and sex													
54. Total population under 18 years of age by race and sex													
55. Total population 18 years and over by race and sex													
56. Total population under 18 years of age by race and sex													
57. Total population 18 years and over by race and sex													
58. Total population under 18 years of age by race and sex													
59. Total population 18 years and over by race and sex													
60. Total population under 18 years of age by race and sex													
61. Total population 18 years and over by race and sex													
62. Total population under 18 years of age by race and sex													
63. Total population 18 years and over by race and sex													
64. Total population under 18 years of age by race and sex													
65. Total population 18 years and over by race and sex													
66. Total population under 18 years of age by race and sex													
67. Total population 18 years and over by race and sex													
68. Total population under 18 years of age by race and sex													
69. Total population 18 years and over by race and sex													
70. Total population under 18 years of age by race and sex													
71. Total population 18 years and over by race and sex													
72. Total population under 18 years of age by race and sex													
73. Total population 18 years and over by race and sex													
74. Total population under 18 years of age by race and sex													
75. Total population 18 years and over by race and sex													
76. Total population under 18 years of age by race and sex													
77. Total population 18 years and over by race and sex													
78. Total population under 18 years of age by race and sex													
79. Total population 18 years and over by race and sex													
80. Total population under 18 years of age by race and sex													
81. Total population 18 years and over by race and sex													
82. Total population under 18 years of age by race and sex													
83. Total population 18 years and over by race and sex													
84. Total population under 18 years of age by race and sex													
85. Total population 18 years and over by race and sex													
86. Total population under 18 years of age by race and sex													
87. Total population 18 years and over by race and sex													
88. Total population under 18 years of age by race and sex
