

Minutes of the Meeting of the Board of Trustees of the
University of Kentucky, Tuesday, May 8, 1979.

The Board of Trustees of the University of Kentucky met in regular statutory session at 2:00 o'clock (Eastern Daylight Time) on Tuesday, May 8, 1979, in the Board Room on the 18th Floor of the Patterson Office Tower on the Lexington campus with the following members answering the call of the roll: Mr. William B. Griffin, Dr. David A. Hull, Mr. Thomas B. Kessinger, Mr. Zirl A. Palmer, Mr. Frank Ramsey, Mr. Homer W. Ramsey, Mr. W. B. Terry, Mr. Eugene Tichenor, and Professor Constance Wilson. Absent from the meeting were Mrs. Sally Hermansdorfer, and Dr. John R. Woodyard. The University administration was represented by President Otis A. Singletary; Vice Presidents Lewis W. Cochran, Robert Zumwinkle, Stanley Wall, Raymond R. Hornback, John Smith, Jack Blanton, and Donald B. Clapp; Mr. John Darsie, Legal Counsel; and Dr. Wimberly C. Royster, Dean of the Graduate School and Coordinator of Research. Representatives of the various news media were in attendance.

A. Meeting Opened

Mr. Sturgill, Chairman, called the meeting to order at 2:14 p.m. Following the invocation, pronounced by Professor Constance Wilson, the Secretary called the roll. A quorum being present, the meeting was declared officially open for the conduct of business at 2:16 o'clock.

B. Minutes Approved

On motion duly made, seconded and carried, the reading of the Minutes of the April 3, 1979, meeting of the Board of Trustees was dispensed with and the Minutes of the meeting were approved as published.

C. Meeting Dates Established

On the recommendation of President Singletary the schedule for meetings of the Board of Trustees and Executive Committee for the 1979-80 fiscal year was adopted after the date of the August meeting of the Executive Committee was changed to a meeting of the full Board on August 24.

It was also agreed that the June 1979 meeting of the Executive Committee should be changed from June 19 to June 28. (See Schedule of the Meetings at the end of the Minutes.)

D. President's Report to the Trustees (PR 1)

In the interest of saving time, President Singletary did not review his monthly report since copies of the report were available

to the trustees. Mr. Sturgill accepted the report and ordered it filed.

E. Recommendations of the President (PR 2)

Although most of the items in PR 2 were routine in nature, President Singletary did mention the two Law Alumni Professorships recommended on Page 3 for Professors Paul Oberst and Robert G. Lawson; the names of those individuals requesting post retirement appointments in accordance with Board action on April 3, 1979; and the appointment of Dr. Roger Eichhorn as Acting Dean of the College of Engineering. He then recommended approval of PR 2 as a whole.

On motion by Mr. Homer Ramsey, seconded by Mr. Albert G. Clay and passed, PR 2 was approved. (See PR 2 at the end of the Minutes.)

F. Supplemental Recommendations of the President (PR 3)

President Singletary reminded the members of the Board that the Board of Trustees must appoint the members of the Board of Directors of the University of Kentucky Research Foundation and recommended that approval be given to the reappointment of Mr. Homer Ramsey, Mr. H. S. Beattie, and Dr. Fred Zechman, and the appointment of Mr. John Crockett to complete the term of Mr. Ed Dabney who had resigned from the Board of Directors. The other item in PR 3, was the report on the Gifts and/or Grants for the quarter ending March 31, 1979. With President Singletary so recommending on motion by Mr. Black, seconded by Mr. Griffin and passed, PR 3 was approved. (See PR 3 at the end of the Minutes.)

G. Candidates for Degrees - University System (PR 4)

President Singletary recommended that the names of Nancy Marie Kruer, B. A. in Education, Darrell Keith Reed, B. S. in Agriculture, and John David Turner, B. S. in Agriculture be added to the list of candidates for degrees and that the list with these additions be approved as recommended in PR 4. Without discussion on motion by Professor Adelstein, seconded by Mr. Kessinger and passed, the President was authorized to confer upon each individual recommended on the list provided the degree to which he or she is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate. (See PR 4 at the end of the Minutes.)

H. Candidates for Degrees - Community College System (PR 5)

Without discussion on motion by Professor Wilson, seconded by Governor Chandler and passed, the degrees and certificates recommended in PR 5 were approved. (See PR 5 at the end of the Minutes.)

I. Proposed Amendment to the Governing Regulations (PR 6)

President Singletary recommended that the amendment to the Governing Regulations which had been received and tabled at the April meeting of the Board be removed from the table and approved. On motion by Mr. Clay, seconded by Mr. Farmer and passed, the proposed amendment to Part X,C,2, was adopted. (See PR 6 at the end of the Minutes.)

J. Appointment of the Dean of the College of Social Professions (PR 7)

When Dr. Ronda Connaway requested that she be relieved of her duties as Dean of the College of Social Professions, a search committee was appointed under the chairmanship of Professor Constance Wilson to seek a replacement for her. The committee recommended that Dr. Saiyid Zafar Hasan, a professor of Social Work in the College since 1971, be appointed Dean of the College. President Singletary concurred in the recommendation of the Search Committee and recommended approval of Dr. Hasan's appointment by the Board of Trustees. On motion by Mr. Gorman, seconded by Mr. Frank Ramsey, and passed, Dr. Saiyid Zafar Hasan was appointed Dean of the College of Social Professions, effective July 1, 1979.

Dr. Hasan, who was present at the meeting, was introduced by President Singletary and Mr. Sturgill extended congratulations on his appointment on behalf of the Board of Trustees. (See PR 7 at the end of the Minutes.)

K. Naming of University Building at Henderson Community College (PR 8)

President Singletary said that the Committee for Naming University Buildings had recommended to him that the new learning/resource building at the Henderson Community College be named the Joseph M. Hartfield Library/Learning Resource Center. He concurred in the committee's recommendation and so recommended to the Board of Trustees. Governor Chandler spoke of Mr. Hartfield's contribution not only to the community college but to the state and the nation and moved approval of the naming of the building for him. His motion was seconded by Mr. Frank Ramsey and passed without dissent. (See PR 8 at the end of the Minutes.)

L. Graduate Center in Public Administration (PR 9)

President Singletary recommended that the Board of Trustees authorize the establishment of the Graduate Center in Public Administration and that the Center be named the James W. Martin Graduate Center in Public Administration. Governor Chandler reviewed some of the many contributions which Professor Martin had made not only to the University but to the Commonwealth and moved approval of President Singletary's recommendation. His motion was seconded by Mr. Black and passed with all present voting aye.

President Singletary added his own tribute to Professor Martin whose presence at the meeting was acknowledged with a round of applause. (See PR 9 at the end of the Minutes.)

M. Renovation Projects (PR 10)

Acting on the recommendation of President Singletary, Mr. Homer Ramsey moved that the Board of Trustees approve for submission to the Council on Higher Education two capital construction renovation projects: 1) roof and tower repairs for Memorial Hall and 2) miscellaneous roof repairs at the Medical Center. His motion was seconded by Mr. Terry and passed without dissent. (See PR 10 at the end of the Minutes.)

N. Supplemental Retirement Benefits - Ms. Gertrude Allen (PR 11)

President Singletary noted that the action in PR 11 would remedy an error made at the time that the Paducah Community College was included in the Community College System. President Singletary then recommended that the Vice President for Business Affairs and Treasurer be authorized to execute a contract with Ms. Gertrude Allen, a retiring faculty member at the Paducah Community College, providing that the University would pay supplemental retirement benefits of \$46 per month to her effective from July 1, 1976, during her life. Mr. Black so moved, his motion was seconded and passed without dissent. (See PR 11 at the end of the Minutes.)

O. Budget Revisions for 1978-79 (PR 12)

Without discussion, on motion by Mrs. Clark, seconded by Mr. Kessinger and passed, the revisions in the 1978-79 Budget as recommended in PR 12 were authorized and approved. (See PR 12 at the end of the Minutes.)

P. Internal Budget for 1979-80 (PR 13)

Noting that the members of the Board had received copies of the proposed Operating Budget for 1979-80 prior to the meeting, President Singletary said that the \$240,000,000 Operating Budget recommended for 1979-80 represented an increase of 7.3% over the 1978-79 budget of \$224,000,000. Through a series of charts, President Singletary showed how 14.5 million dollars of new money was allocated for continuation of current programs and 3.9 million dollars for current program expansion. He added that the funds in this budget come from all sources - not just from state appropriation.

President Singletary continued that University salaries, both academic and staff, were well below the bench mark institutions and the local labor market in spite of the fact that some progress was made during the current year in narrowing the gap. If the University is to remain at all competitive, it will be imperative that salary increases be the institution's first priority for the 1980-82 biennium. In closing, he noted that many long hours had gone into the preparation of the budget document and commended the Budget Director and his staff for their excellent work.

Mr. Clay moved that the 1979-80 Operating Budget as submitted, including the authorization set forth in the letter of transmittal, be approved and ordered recorded as an integral part of the University's financial system with the necessary fiscal control being exercised for the collection and appropriation of income and for the expenditure of departmental appropriations in accordance with authorized fiscal policies and procedures and accepted as a basis of maximum expenditures for the year 1979-80. The Board of Trustees or the Executive Committee is empowered to make such changes in the budget as may from time to time be deemed necessary upon recommendation of the President. His motion was seconded by Mr. Frank Ramsey and passed without dissent. (See PR 3 at the end of the Minutes.)

Q. Enrollment Data

Dr. Peter Fitzgerald, Director of the Office of Policy and Operations Analysis, presented an analysis of trends in higher education enrollments projected at the national, regional, state and institutional levels. Through the use of charts and graphs, Dr. Fitzgerald identified trends in the past two years by type of institution and by sex, showed the basic demographic data and enrollment distribution by institution, and presented a profile of enrollments for the main campus and the Community College System.

Dr. Singletary thanked Dr. Fitzgerald for his presentation and explained that the projections were used as the basis for long-term planning.

R. Report on English Department Situation

President Singletary said he had thoroughly investigated the so called "book banning" incident which had received considerable attention from the news media and wished to report his findings to the Board of Trustees.

As in all such situations, nothing is as simple as it sounds, but it all evolves around three issues: 1) censorship, 2) departmental procedure, and 3) question of role and competence of Teaching Assistants at the University of Kentucky. The investigation revealed that there were no grounds for support of the censorship issue and the Teaching Assistants were not, and have never been, free to select reading materials for their courses. These are in fact selected by regular faculty members serving on a Freshman English Committee. This procedure was followed in preparing the book approval list for the 1979 fall semester. Therefore, the whole problem hinged on the remarks made by Dr. Bryant in an interview with a Kernel reporter which seem to reflect on the competence and maturity of the Teaching Assistants. Dr. Bryant has publicly apologized to them and President Singletary said that he wished to add his own apologies for any anguish which Dr. Bryant's comments may have caused. He continued that the role of Teaching Assistants in any institution was a difficult one since they are neither students nor faculty. They do, however, make a very valuable contribution to the institution and, with perhaps a few exceptions, they do an adequate to excellent job in their instruction. In closing he said he hoped that it was very clear from his remarks that the role of the Teaching Assistant has not been undermined in this institution.

S. Interim Financial Report (FCR 1)

Mr. Clay, Chairman of the Finance Committee, reported the committee had met on the morning of May 8, 1979, to review the agenda items. He then moved that the Interim Financial Report for the period ending February 28, 1979 be accepted. His motion was seconded by Mr. Gorman and passed. (See FCR 1 at the end of the Minutes.)

T. Assignment of the Defaulted NDSL Notes (FCR 2)

The Finance Committee had considered the desirability of assigning defaulted National Direct/Defense Student Loans to the United States and, in view of the Department of Health Education and Welfare regulation prohibiting further allocation of NDSL monies to institutions with a delinquency rate exceeding 10%, had determined that the assignment of 792 such notes in default for more than two years should be executed provided it did not violate the Constitution or laws of the Commonwealth. Mr. Clay moved that the recommendation in FCR 2 be approved. His motion was seconded by Mrs. Clark and passed without dissent. (See FCR 2 at the end of the Minutes.)

U. Report of Investments

Mr. Griffin, Chairman of the Investment Committee, recommended that the Report on Changes in Investments of the University and its affiliated corporations for the quarter ended March 31, 1979 be accepted. His motion was seconded by Mr. Homer Ramsey and passed without dissent. (See ICR 1 at the end of the Minutes.)

V. Certificate Presented to Mr. Tichenor

Mr. Sturgill recognized Mr. Eugene Tichenor, who was attending his last meeting as a Student Trustee, and presented him a certificate of appreciation for his contributions while a member of the Board of Trustees. Mr. Tichenor responded with thanks to the members of the Board who had made it an enjoyable, worthwhile and rewarding experience for him. He then introduced Mark Metcalf, the new Student Trustee, who will be sworn in at the next meeting of the Board of Trustees.

W. Meeting Adjourned

There being no further business to come before the meeting, on motion duly made, seconded and carried, the meeting adjourned at 3:47 p.m.

Respectfully submitted,

Betty Pace Clark, Secretary
Board of Trustees

(Schedule of Meeting Dates; PR's 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, and 13; FCR's 1 and 2; and ICR 1 which follow are official parts of the Minutes of the Meeting.)

Members, Board of Trustees:

CANDIDATES FOR DEGREES - UNIVERSITY SYSTEM

Recommendation: that the President be authorized to confer upon each individual whose name appears on the list the degree to which he or she is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate.

Background: Since the Commencement Exercises are held immediately following completion of examinations, it is not possible for the Office of the Dean of Admissions and Registrar to certify satisfactory completion of requirements prior to Commencement Exercises, for those candidates who completed their requirements in May. The candidates who completed their requirements in August 1978 and December 1978 were approved by the Board of Trustees at earlier meetings.

The following three names should be included in the list of candidates for the degrees indicated:

Nancy Marie Kruer	B.A. in Education
Darrell Keith Reed	B.S. in Agriculture
John David Turner	B.S. in Agriculture

Action taken: Approved XX Disapproved Other

Date: May 8 , 1979

PROPOSED AMENDMENT TO THE GOVERNING REGULATIONS

Recommendation: that the following proposed amendment to the Governing Regulations of the University of Kentucky which was received and tabled at the April 3, 1979 meeting of the Board of Trustees be removed from the table and approved.

(Note: Proposed additions are underlined.)

Amendment - Change the second paragraph of Part X,C,2 (page 36) to read:

Full-time faculty members employed on an academic year basis shall be on assignment from August 16 through May 15 and are expected to be normally available for participation in appropriate academic activities during this period. To insure opportunities for vacations, faculty members employed on this basis shall be limited to a maximum of two and one-half months employment in activities funded by the University or its affiliated corporations during the summer period (May 16 through August 15).

Background: This amendment is supported by both faculty and administration. Its approval will undergird implementation of desired University practice which will provide more flexibility and greater incentive relative to faculty members engaging in extramurally-funded research and service activities during summer periods.

APPOINTMENT OF A DEAN OF THE COLLEGE OF SOCIAL PROFESSIONS

Recommendation: that Dr. Saiyid Zafar Hasan be appointed Dean of the College of Social Professions, effective July 1, 1979, for a term of five years.

Background: Earlier in the year Dean Ronda Connaway of the College of Social Professions announced that she wished to change to a position of full-time research and instruction in the College of Social Professions. Following that announcement a Search Committee was appointed, in accordance with the Governing and Administrative Regulations, to identify and recommend qualified persons for this vacancy. The Committee has recommended Dr. Hasan, and he has agreed to this assignment.

Dr. Hasan has been a Professor of Social Work in the College of Social Professions since January, 1971. He holds the degrees of Doctor of Social Welfare, Master of Science of Social Work, from the New York School of Social Work of Columbia University. He also holds the degrees B.A., B.A. Honours, M.A., LL.B., and a Diploma in Social Services from Lucknow University in India. He has published extensively in the literature of his field and has had considerable involvement with social service agencies. By education and experience he is quite well qualified for the position of Dean of the College of Social Professions.

Members, Board of Trustees:

NAMING OF UNIVERSITY BUILDING

Recommendation: that the Board of Trustees approve the name of Joseph M. Hartfield Library/Learning Resource Center for the new library/learning resource center building at Henderson Community College.

Background: The recommendation that the library/learning resource center at Henderson Community College be named the Joseph M. Hartfield Library/Learning Resource Center has the formal approval of the Henderson Community College faculty, the Henderson Community College Advisory Board and the College Foundation, Inc., a local foundation for supporting the college. In addition, in accordance with University policy relative to naming buildings, Vice President Wall forwarded the recommendation, with his approval, to President Singletary who, in turn, forwarded it to the Committee for Naming University Buildings. This committee has approved the name and so recommends to the Board of Trustees.

Mr. Hartfield, a native of Henderson, began his career as a court report for the Henderson Courts. He attained national prominence in the legal profession as a member of the New York law firm of White and Case. Known in Henderson as "Colonel", Mr. Hartfield was always generous to Henderson projects and, following his death in 1965, it was revealed that his bequests included \$20,000 to the Henderson Community College. Because of his long time loyalty and support and his generosity to the college, it is appropriate and fitting that the new building should be named in his honor.

GRADUATE CENTER IN PUBLIC ADMINISTRATION

Recommendation: that the Board of Trustees authorize the establishment of a Graduate Center in Public Administration. Additionally, it is recommended that the Center be named the James W. Martin Graduate Center in Public Administration.

Background: If established, the Graduate Center in Public Administration would be the second center for graduate study established in the Graduate School. The primary function of the Center will be to provide an administrative structure for the offering of the Master of Public Administration program. This function will be fulfilled by utilizing faculty from various departments who will hold joint appointments in the Center and faculty with primary appointments in the Center. Due to the interdisciplinary nature of administration in the public sector, the Center will draw faculty from the College of Business and Economics, College of Social Professions, College of Medicine, Department of Higher Education, and Department of Political Science.

The proposal for the name, James W. Martin Graduate Center in Public Administration, is being made for the purpose of honoring Professor Emeritus Martin who has brought honor to the University through his work in the area of public administration. It is quite customary for centers or schools of public administration to carry the name of a particular individual who has been influential in the public administration sector. Professor Martin fits this model.

The proposal for this center has been approved by the appropriate faculty bodies and the University Senate.

The primary responsibility of the Graduate Center in Public Administration will be the administration of the Master of Public Administration program. The Center for Public Affairs is closely associated with the Master of Public Administration program and has provided assistance and support for the program in various ways. Consequently, it is being transferred from the College of Business and Economics to the recommended newly formed James W. Martin Graduate Center in Public Administration.

RENOVATION PROJECTS

Recommendation: that the Board of Trustees approve for submission to the Council on Higher Education two capital construction renovation projects:
1) roof and tower repairs for Memorial Hall and 2) miscellaneous roof repairs at the Medical Center.

Background: Memorial Hall was built in 1928, and the roof on it is its original slate roof. During the past few years the roof has required constant attention and it is felt that a permanent solution to this maintenance problem is necessary. The proposed project calls for replacing the slate roof with an entirely new roof of slate-like appearance. In addition, there will be repairs to the wooden bell tower and system of gutters. Anticipated cost of the project is \$150,000.

The project of miscellaneous repairs at the Medical Center includes new roofs for portions of the Medical Science Building, Dental Science Building, Ambulant Wing, Outpatient Clinic Building and tunnel. In addition, repairs will be made to flashing, gravel guards, etc. Anticipated cost of the project is \$105,000.

Funds for these projects are available in the University Plant Fund.

SUPPLEMENTAL RETIREMENT BENEFITS - MS. GERTRUDE ALLEN

Recommendation: that the Vice President for Business Affairs and Treasurer be authorized to execute a contract with Ms. Gertrude Allen, a retired faculty member at the Paducah Community College providing that the University will pay supplemental retirement benefits of \$46.00 per month to her, effective from July 1, 1976, during her life.

Background: Upon inclusion of the Paducah Junior College in the University of Kentucky Community College System on July 1, 1968, commitments were made to the faculty who continued their employment with the University that their retirement benefits would not be adversely affected by conversion from the Kentucky Teacher Retirement System to the University retirement system. Pursuant to this agreement, seven former faculty members were provided with supplemental University annuities by action of the Board of Trustees on March 21, 1972. The names submitted to the Trustees at that time were compiled by a faculty committee at Paducah Junior College. The committee inadvertently omitted the name of Ms. Gertrude Allen from the list submitted. The present action is designed to permit Ms. Allen to receive benefits comparable to those received by the other faculty members at Paducah Junior College who were similarly situated.

ASSIGNMENT OF DEFAULTED NDSL NOTES

Recommendation:

1. That the Vice-President for Business Affairs and Treasurer be authorized to assign (by execution of OE Form 553) not more than 792 National Direct/Defense Student Loan Notes in default for more than two years with an outstanding principal balance not exceeding \$509,285.00 to the United States without recompense.

2. That the aforementioned authorization be made contingent upon receipt of an opinion from the Attorney General of the Commonwealth advising that the said assignment would not violate the Constitution or laws of the State of Kentucky.

Background:

The National Direct/Defense Student Loan program has been in operation at the University since 1958. Under the program the Federal Government provides 90% of the funds to be loaned to students; the University provides the remaining 10%. In 1977 14.7% of the loans made were declared delinquent; in 1978 the delinquency rate was 13%.

The Department of Health, Education and Welfare is proposing regulations which will prohibit further allocations of NDSL monies to institutions with a delinquency rate exceeding 10% unless the institution is able to demonstrate that it has reduced delinquencies by 25% in the current year. However, notes assigned without recompense prior to July 1, 1979 will not be included in determining the institution's delinquency rate; thus assignment of the notes included in Recommendation No. 1 above will reduce the University's rate to less than the 10% mandated percentage for the 1978-1979 fiscal year.

The notes to be assigned have been in default for more than two years. In addition, they have been subjected to a collection process involving (1) repeated billings by the University, (2) University attempts to locate debtors whose location

has become unknown, (3) repeated billings by Wachovia Services, Inc., a nationwide billing service for NDSL notes, (4) at least two notices from the University that the account will be referred to a collection agency, (5) referral to and pursuit by Financial Collection Agency, a national collection firm and (6) a report from Financial Collection Agency to the effect that collection efforts have been unsuccessful.

Since substantial doubt exists as to the authority of the University to assign its portion of the uncollected balances (approximately \$50,928.50, representing 10% of the loans) to the United States, the Treasurer will not execute the assignment unless and until an opinion of the Attorney General can be secured approving the transaction.
