MODERN DANCE RECITAL

Presentation of Intramural Awards

UNIVERSITY HIGH SCHOOL
May 26, 1942

Prologue

We are pioneers of Modern Dance in the University School. Our purposes are threefold:

1. To summarize the class work of the school year.
2. To introduce the Modern Dance on the High School level.
3. To light the spark of interest and appreciation of Modern Dance.

- - - - -

An exuberant leap---a joyous turn---a calm gliding smoothness exacting perfect control from each muscle---the natural overflow and normal release of pent-up emotions linked arm in arm with the pure joy of rhythmic movement---all bring happiness to the participating dancer, and appreciation to the observing spectator.

Lee Overstreet
