WILLIAM S. TAYLOR

As a token of our sincere esteem, we, the 1950 Graduating Class of University High School, lovingly dedicate this volume to the late William S. Taylor, who always aroused in us a respect for his unselfish character, high ideals, and loyal devotion to our school. Dean Taylor became Dean of the College of Education of the University of Kentucky in 1923 and until his untimely death in 1949 held a position of distinction in Kentucky and in the nation. It was through his untiring efforts that our present building was financed and built and it is with regret that the twentieth graduating class to leave these halls will not have him with us. His spirit will accompany us as we walk from the William S. Taylor Building.

University High Alma Mater

by
Charles Spalding

Hail to Alma Mater,
Your stainless honor bright,
With laurels we'll
 enshrine thee,
For your glory we will

On to greater victory rise,
To your colors we'll ever
