The

PURPLE
AND
WHITE

The Theme of THE PURPLE AND WHITE for this year is - Glorious Times - This theme is very well chosen as it provides an excellent opportunity to have the various sections of the book in direct relationship to the theme in both copy and visualization.

The editorial format is that of the narrative arrangement. Its distinguishing characteristics are that it presents a chronological story rather than a departmentalized style.

So As the pendulum of Time vibrates about the activities of University School, we have recorded the unforgettable moments which terminate in these,

DEDICATION

For her unselfish devotion to our interests, for her kindness and understanding, for her labors untold, for moments of humor that brighten the most tedious days of school, for her efforts to make us responsible citizens of the world about which she taught us so much, for her patience and perseverance, for her fairness to each and everyone of us, for the way she respects people's rights and beliefs, for the many times that she saw us through moments of hardships yet during our moments of triumph stood unrecognized in the background, for a faith in our school to which she has so richly contributed an undying love for its tradition and a support unequalled, for these many unselfish deeds we, the senior class of 1953, gratefully dedicate this issue of The Purple and White to our senior class sponsor and our beloved history teacher,

FIRST CONVOCATION HAPPY OCCASION

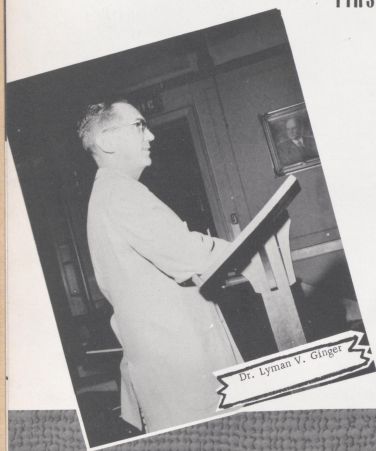

Dr. Lyman V. Ginger, Director of University School in speaking at the first convocation of the school year said:

"It seems to be wise for all of us to do some original planning before we start on a trip. For the next several months you will be on an educational journey and some of the success of that journey will be due to how well you plan, at this time, and how well you carry out your plan.

As a rule, there are certain principles that any pupil can follow to a good advantage. One is to recognize the fact that school is a rather serious business most of the time, and that there is a reason for being in school. In some cases there may be several reasons, but at least there is always one. That could be considered to be preparation for living through the development of proper habits while in school. There seems to be no substitute for school as a means of gaining skills of every kind.

To learn to meet responsibilities could be the most important learning experience for the year. It is because of the importance of the development of a sense of responsibility that extra-curricular activities are planned so carefully for every student in the school."

Dr. Ginger in welcoming the new students reminded the student body of these two facts: "For persons in and out of school there is no substitute for good citizenship... A successful person completes the job he starts. And the more successful person completes it promptly and efficiently."

AND THE WILLIAM S. TAYLOR EDUCATION BUILDING

HOUSE OF UNIVERSITY SCHOOL

1927 marked the opening of Model High School, its first site was the second floor of France Hall on the University of Kentucky campus. It was organized to provide actual teaching experience for the University students. At the time the school was founded Dr. John Thomas Carson was the head of the department of education as there was no College of Education.

In 1930 the school was moved from France Hall to its present location, and at that time the name of the school was changed to University School.

The names of the men who have served as administrators of the school with their respective titles are: Fred C. Waltham, 1928-1930, Superintendent of Model High School; Ernest Richard Wood, 1930-1931, Principal of Model High School; Harold Porter Fling, 1931-1934, Principal of Model High School; Moss E. Ligon, 1934-1936, Principal of Model High School; Albert B. Crawford, 1936-1937, Acting Principal during leave of absence granted Moss E. Ligon; Sherman Capron, 1937-1938, Director; J. D. Williams, 1938-1940, Director; Ellis P. Harfield, 1940-1942, Director (Acting for James Sweeney); James Adams, 1942, Acting Director for one semester; Dr. Lyman V. Ginger, 1943, Principal for one semester; Acting Director second semester of 1943-1944, 1944-1945, and in 1945 Dr. Ginger became Director of University School, the position which he now occupies. Dr. Ginger was honored by being elected President of the Kentucky Education Association in 1952. His excellent work in behalf of education merited his re-election to this position in April 1953.

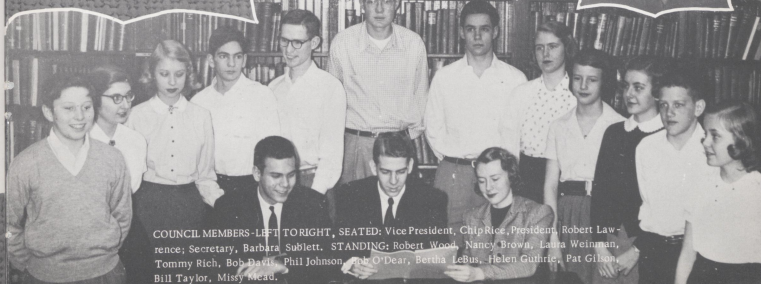

POLICY FORMERS SET PATTERN FOR YEAR

The University School Council is affiliated with the National and Kentucky Associations of Student Councils.

The Student Council was instrumental in getting the curtains for the auditorium this year, helped the seniors in acquiring their Senior Privileges and regulated the policy on the food problem in the cafeteria. The Council was responsible for helping to form a Student Council at Athens High School. During the year operating expenses were made by selling candy.

LEADERS IN DEMOCRATIC GOVERNMENT

The purpose of Student Government is to promote a democratic form of government in the High School and to enforce the policies set up by Student Council. With this in mind, the two members from each high school grade, two alternate members from the grades, and the officers discussed and settled disciplinary problems which were reported to them. This year the method of reporting was changed so that the reporter's name was not disclosed to the court but only to the faculty advisor, Miss Anderson. Continued and better support of this organization has led to a prosperous year.

THE PURPLE AND WHITE RECORDS FOR ALL TIME

The yearbook staff is chosen by the Senior class. The job of the staff is to raise money by selling advertisements and subscriptions to publish The PURPLE AND WHITE. This annual is to tell the story of the year. Time is the theme for the 1953 book. On the staff's own initiative rests the responsibility and thoroughness of the yearbook.

"I proudly present the staff of the 1953 PURPLE AND WHITE."

The U-Hi Lights is the school's newspaper. Its circulation to all students is free while revenue comes from advertising and the activity fund. The number of issues is limited according to the money raised. The U-Hi Lights is a member of the Kentucky High School Press Association and the staff attended the convention in March.

The main part of the staff is elected; the remainder is appointed. Any student can work on the paper as a reporter. How the students enjoyed the five issues this year!

EFFICIENT OFFICE STAFF ASSISTS ADMINISTRATION

Mrs. Dorothy Martin

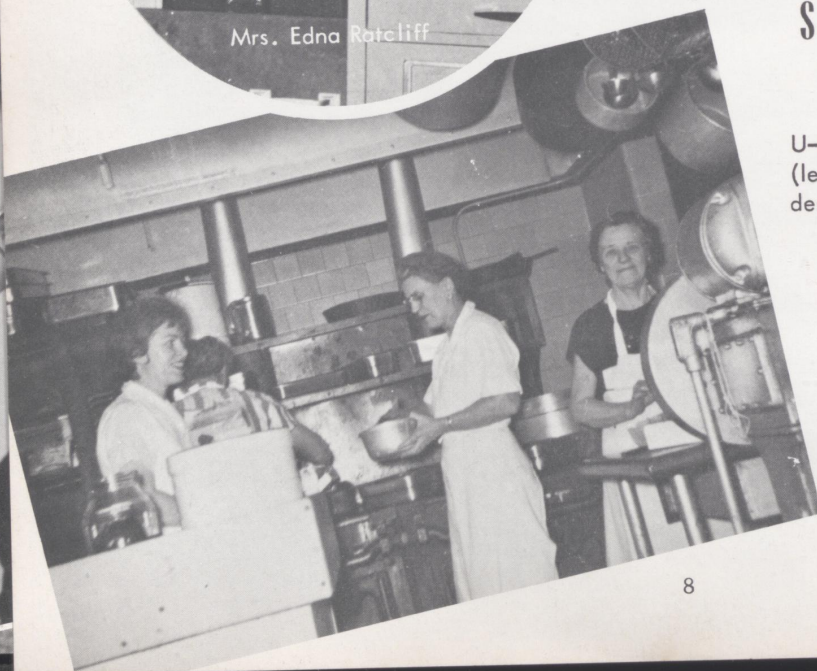

Mrs. Edna Ratcliff

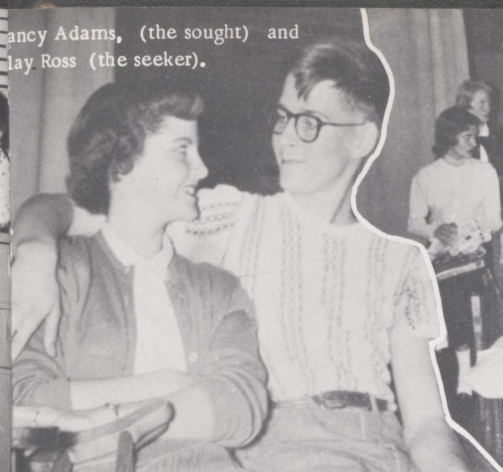

"Do you have time to do this?" "This has to be in by----" "I just have to go-----" These were familiar words around the office and hunting ground of Dr. Ginger's able assistants Mrs. Dorothy Martin, and Mrs. Edna Ratcliff. These two people have made a habit of doing the work of ten people daily. They have both been at U-Hi for a year and a half and in that time have become known all over the campus for their efficiency and perpetual good nature. Truly without these two, there would have been confusion from morning until night.

SPEECH CLASS PRESENTS ORIGINAL PLAY

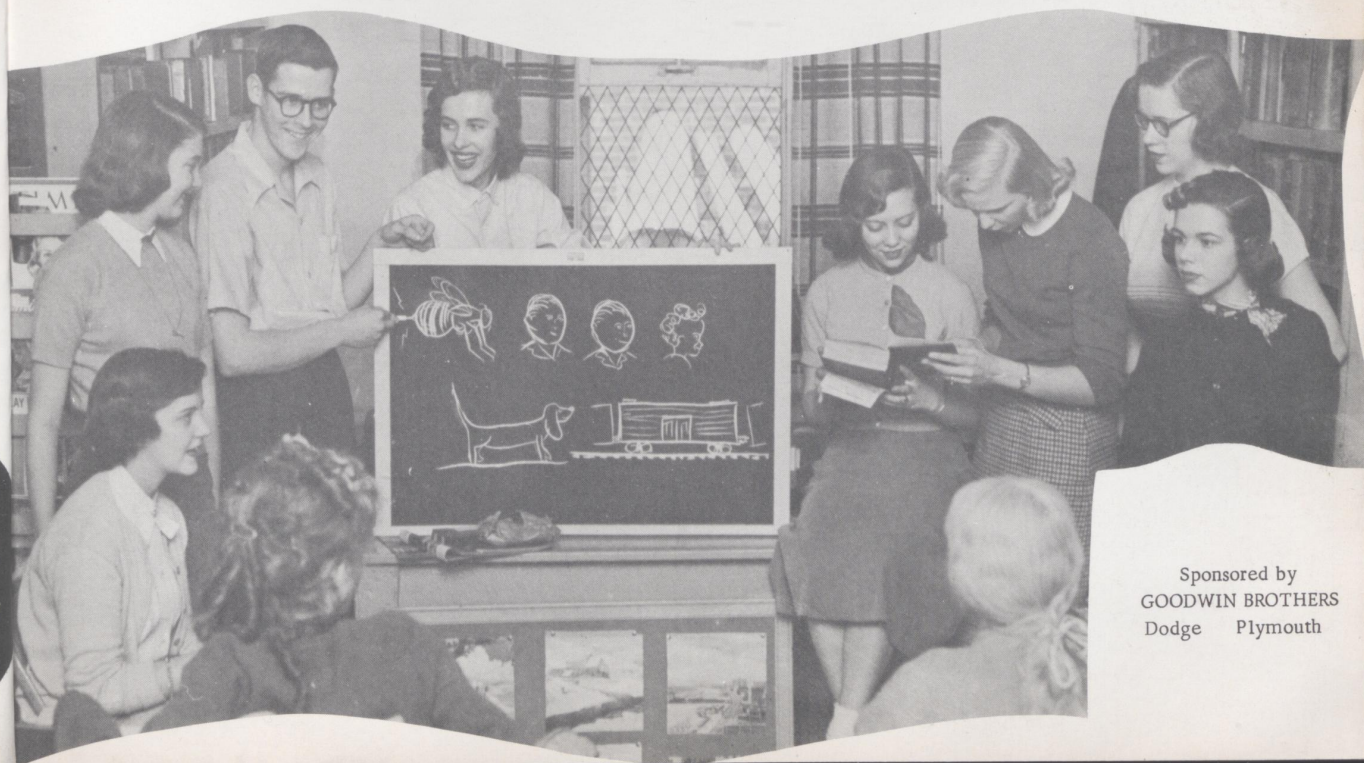

"Scandal! Boy Found in Girls' Dorm!"

"Curfewsnion", a original play, was given by the speech class, under the direction of Mrs. Elizabeth Taylor. The class of eleven girls and one boy, presented a situation in which a boy is smuggled in and out of the girls dorm under the eagle eye of the school principal. There's nothing funnier than a boy dressed as a girl, and this took the cake as a top roar.

ENTERTAINS UNFORTUNATES

This year's speech class was also active in community aid. Here they are entertaining unfortunates at Eastern State Hospital; Nancy Adams, Francis Harting, Clay Ross, Barbara Richardson, Shirley Cundiff, Peggy Cowgill, Shirley Johnstone and Ann Powell.

WINTERTIME A time of long nights. A time of gray days. In stillness and peace you walk on the soft fallen snow. Snowballs! Snowmen! You cheer lustily for the school's basketeers and your breath forms clouds of cheer in the brisk night. Holly wreaths, gay Christmas trees, and tingling bells highlight the Holy Season. Your school's music programs sounds carols and hymns heard long ago. Parties and dances end with New Year's Day. The new year brings time for hard study and preparation for the first semester exams.

This is wintertime!

The Purple had a successful, promising year. Losing only seven out of twenty-one games, with only two heavy scores against them, U-Hi placed third in Nicholasville tournament. Inez hit U-Hi hard with a crushing defeat. Lafayette did not completely run over the Purples for the State Champs. Had to fight to win by nine points in District tournament. The sparkling comeback of this year was the Anderson to U-Hi game. Behind most of the game by a substantial score U-Hi woke up in the first quarter and lost only by two points. Georgetown pulled a heartbreaker. U-Hi was ahead by eight points with two minutes to go. Refusing to admit defeat Georgetown came on top as the bell rang with a 54-53 victory. U-Hi lost to Stanford in an overtime. All in all the Purples had a good season. Although they were tempted to give up in final moments, Inez was the only team that routed them entirely.

U-HIGH SWIMMERS SET RECORDS

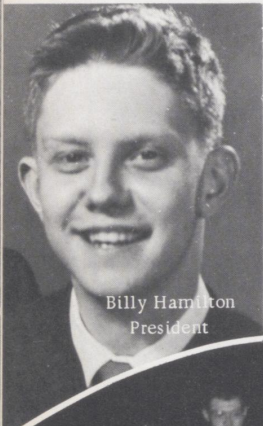

PEP WAS THE BY-WORD

The University High School Pep Club began the year with the election of officers. Elected to these positions were Bill Hamilton, President; Larry Crump, Vice-President; Drue Cox, Secretary; and Cissy Richardson, Treasurer. These officers felt a need for an active Pep Club and to stimulate interest and activity they inaugurated a point system for new members. Incorporated in this was a system for the interested old members. Committees were needed and chairmen were appointed. These were Jane Cole, tag sales; Nancy Boggs, candy sales; Barbara King, signs; and Louise Watkins, attendance.

The club suffered a setback when Larry Crump left school for U.K. and resigned as Vice-President. Another election was called for and Mary Ward was elected as his successor. She proved herself extremely valuable.

Two of the highlights of the Pep Club year were the Homecoming Celebration, the first at U-Hi; and the annual Pep Club Banquet held in honor of school teams. At the Homecoming Celebration the old graduates were honored with a party and seventeen new members were taken into the club. The Club closed out the year by the awarding of the Service Awards to the old and new members.

BETA CLUB HAS ACTIVE YEAR OF SERVICE

5 Services! Activity! In these two words are told the story of Beta Club this year. At game times you could see the members making and selling popcorn, and pouring and selling cokes. Fall saw the Beta Club Convention where U-Hi nominated Drue Cox for President of the 'Kentucky-Indiana Betas', and though they put up a strong fight it was not successful. Basketball schedule cards were printed and given to students by the club. February gave birth to the idea of installing a chapter in Winchester. This accomplished, U-Hi Beta Club became a National Banner Club. "The Beta Weekly" lasted for eight weeks. It was a publication of reminders, news, and ideas. A new Beta sign and symbol was made and framed. Without the aid of Miss Peck the Betas' projects would not have been a success. Beta Club members are LEFT TO RIGHT, FIRST ROW: John Hardwick, President; Pat Gilson, Vice-President; Frances Harting, Treasurer; Coburn Blackerby, Secretary; and Mae Martin Bryant. IN THE NEWS

Under the Y.W.C.A., the Y-Teens of U-Hi continue to serve people wherever needed and to further the word of God. A Leap Year dance was given at the first of the year in order to fill the depleted treasury. Christmas baskets, caroling at Old Ladies Home, helping at Manchester Street Library, and giving parties for the young boys at Greendale have played a big part in the Y-Teen program. Besides these U-Hi joined all Lexington Y-Teens in officers' clinic, Red Feather Day, cancer collections, Christmas radio program, The Hanging of the Greens, Y-Teen style show, Y-Teen banquet, and selling potato chips to send officers to a work camp. Miss Roser, sponsor, added to the success of these projects. It has been a busy, helpful year -huh, Y-Teens?

Time to go home. Y-Teens and dates leave from left to right, up the steps. Bob Davis, Jean LeMasters, Peggy Cowgill, Robert Lawrence, Pat Gilson, Jane Cole, Bill Sims and John Hardwick.

BAND AND PARENTS PRESENT PROGRAM FROM OUTER SPACE

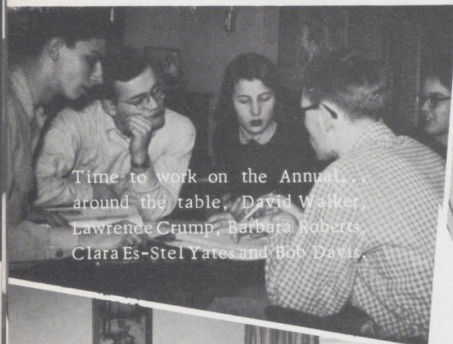

A most unusual Band was entertained by a most unusual group of Band parents with a most unusual party in the recreation room. The entertainment (being far from usual) was a weird group of musicians from "outer space", they said, and brought in by the parents for this occasion. The selection performed was a Martian's version of the "William Tell Overture."

After translating their speech, we arrived with a list of the names of the participants. They were (left to right) Druecox, Phyffe player (flute); Perryadams, Hautbois player (Oboe); Billhamilton, Soprano Basset Horn player (Clarinet); Mizvirginiacox, Percussion (Evan on Mars!); Fredhinds, Trombone player (borrowed from John Sprague); Janeadams and Herbertcreech playing Peck Horns (French Horn); and Jameskennedy playing the Hecklephone (Bassoon); and in the center the director in chief Missjackiecenters. After the performance, the players left in a burst of "Stars and Strips Forever" and were never seen again.

A dinner was then served in the cafeteria.

SPRINGTIME

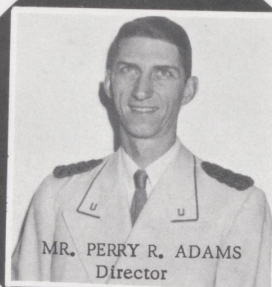

A time of freshness. A time of newness with the old. The ageing locust gives birth to new blossoms. The dry winter grass turns green. The gray, dark sky grows blue with sunshine or black with whispering rain. The everlasting school building now rings with restlessness, newness. Spring sports are ever new and gay. Plans for commencement are made. A different yet traditional Senior play means tryouts, rehearsals and fun. The school year begins to close. The season of life, light has opened.

It is springtime!

STRIKE UP THE BAND

The U-Hi Band had a busy and profitable year under the direction of Mr. Perry Adams. Concerts, band trips, parades, and playing for basketball games all had their place in the Band schedule. This year the Band won a First Division rating at the regional and state music festivals, and also had many excellent ensembles and soloists.

The Band newly inaugurated the policy of having student conductors. Bill Hamilton and Bob Davis were the students selected for this position.

Central Christian Church SCENE OF BACCALAUREATE

In this changing world there are worthy values of eternal quality which will not change, Doctor Leslie R. Smith stated in his sermon and baccalaureate services for U-Hi's Seniors at Central Christian Church May 24. They are "loveliness, "respect and love for others" and "abiding hope." He went further to say that this might be the last time the Senior Class would be all together ever again but their experiences together can never be changed. The class of 1953 seemed impressed and truly delighted to have heard, as a group, this splendid message.

LARGE AUDIENCE PLEASED WITH BAND AND VOCAL FESTIVAL

Mrs. Ruth Stallings

Every year the U-Hi Band and Glee Club has given a combined vocal and instrumental concert at the school auditorium.

This year May 25th, the Band, under the direction of Mr. Adams gave the first part of the concert and the Glee Club the second part.

The Band played a program of light music consisting of well-known marches, overtures, and popular music.

After a short intermission during which refreshments were served by the P.T.A. and the Faculty, the Glee Club presented its part of the concert under the direction of Mrs. Ruth Stallings. Its program was varied with religious songs, semi-classics, and light music. Student soloists were: Peggy Cowgill, mezzo-soprano; Robert Davis, tenor; and Rosemary Blackford, soprano. Robert Davis was also selected student conductor and conducted one number of the program.

DR. GINGER CALLING.....

I would like to take this opportunity to thank both staff members and students for their excellent co-operation during the year. It will always be true that everything is not perfect, and everything has not been perfect this year. But by and large the year has been highly successful. The athletic teams have achieved far beyond the average. The music program has been superior both in vocal and instrumental work. Speech contestants did an excellent job in the speech contests. The Senior Play, the Senior Dance, Junior Prom and Sophomore Dance all added to the highlights of a successful year. The Pep Club and the Beta Club rendered excellent service in many ways and especially in the promotion of social activities and social events. The Y-Teens had an excellent year and one that could be considered both constructive and successful. All of the other organizations made a contribution to the success of the school year.

My congratulations to the Seniors of 1953 and best wishes to them for a successful future. They are always invited to return to University School and participate in the activities and to assist in the promotion of the traditions of the school.
