

OFFICE OF

ATTORNEY AT LAW,

Litchfield, Ky. Dec 11 1873

D. W. Sandeford,

Dear Bro,

Litchfield Congregation, numbering 60 and Antioch Congregation numbering 200, both in Grayson County have sent their petition to the Legislature. There are three or four other congregations in our County that will respond. The brotherhood through out the County condemn Bowman in the very strongest terms.

R. W. Brandon is our Representative; he is a member of the Christian Church and a worthy and reliable man. Write him and say to him that I requested you so to do, and he will be ready to serve you to the best of his ability. I have also written him and sent the petitions.

Your Bro.

J. S. Wortham

I enclose you the letter
letter so you see Braman &
get as if it was your
humble servant. I have
written to 25 persons to
day - I suggested to an
elder to whom I wrote at
Williamstown Grant County
that we would be obliged if
he would get O. P. Hagan
to go to Mountfort. Don't
you know him - Suppose you
write to him - John Wiley
promised me he would
go down this week.

Yours in haste
D W Standford
