Mr. B. Wallace. Sec. Ex. Com. &c.

Your letter dated March 12th was
remailed to me from Lexington on the 10th of May,
having been put in that office on the 9th of May.

It encloses certain resolutions in regard to the settle-
ment of financial matters between the University
and myself - which settlement I have been
urging upon the Ex. Committee and the Special
Committee for many months -

I have only waited so far as I was concerned
the production of the "Report of Professor
Perin" which was required both by the
Board and the Special Committee (Burnes,
Stoll & Sayre) as necessary for the settlement.

I expect to be at home in a few days, and
will again urge a prompt, full and final
settlement of all matters -

Please hand this } Respectfully
to the Ex. Committee. } J. B. Bowman -
