THE MASTER KEY IS TOO MODEST A TITLE FOR SUCH A STUPENDOUS REVELATION

**S**OME men and women seem to attract success, power, wealth, health and attainment with very little conscious effort; others conquer with great difficulty, still others fail altogether to reach their ambitions, desires and ideals. Why is this so?

"The Master Key" will tell you why. No one can read it and not be a changed man or woman. None but who will emerge from its magic pages with a firmer grasp of the future—a surer understanding of what he can do.

"The Master Key" is a key with which many are converting loss into gain, fear into courage, despair into joy, hope into fruition.

A MASTER-KEY will be sent to you, without cost or obligation of any kind, if you address
