NEVER IN THE SAME PLACE TWICE

My father was a very nice man and I was his only son
Whenever I did any thing wrong, or him did annoy.
He never kept any thing under couver,
he always got down to bare facts
And then he would take me accross his knee,
and I would get his whacks.

Cho.
But never in the same place twice, same place, same place.
Never in the same place same place twice.
He said my boy those blows hurt me, but not in the same locality
Never in the same place, same place, same place
Never in the same place, same place twice

3 Verce
Of All the ways to kiss a girl, there is one that is nice
so as to speek
Now over in(local Town) when the girls kiss the boys
they kiss sm on the cheek
But over in("""""""""")they hold their hands then go through adance
But here in ----------the girls kiss the boys when ever they get
a chance

Cho
But never in the same place, same place, same place
Never in the same place, same place twice
They stick to you like licquid glue, they hug and slober all over you
But never in the same place, same place, same place,
never in the same, same place twice.

PRUNES & PRUNES. PRUNES.

In me you see a simple man and one apposed to strife
For since my advent, I begin to lead a simple life
Ive lived in simple furnished rooms, and sup on simple fare
I know each joint and beanery, ten miles from anywhere
But every place I hang my hat, fodder seems the same
Ive changed my boarding house so much, my legs are getting lame
Its peanuts coffee, leather hashand waiters that are coons
and when desert time comes, around they bring on prunes, prunes, prunes

Cho
Prunes, prunes, prunes, they never ring a change
"""
Prunes, prunes, prunes, they never have a change
Prunes, prunes, prunes, I think I'll get the mange
Prunes, prunes, prunes, mornings nights and noons
I'm awfully sick full as a tick of prunes prunes prunes,

2 Verce
I met a friend the other day Who setteled up a debt,
He paid me twenty five owed, and you can safely bet.
I huntedup a swell hotel. just like a millionare
And sat me down in, luxery to read the bill of fare.
The waiter dident understand a single word I said.
The bill of fare was all in french, the names would kill you dead
I picked out something any how, And showed it to the loon.
And when he brought it into me, it was prunes, prunes, prunes.

Cho
Prunes, prunes, prunes, I nearly went insane
Prunes, prunes, prunes, I got em once again

While ridding on a railroad train
Never look out of the window pain
For I was in a carrage once
And did it to my regret
It was just like this you see
Some old lady says she to me
Kindly look out of the window and see
If the train is started yet

So I looked out of the window
My hat it blew away
And I reached out to grab it
Like an Idiotic jay
My pant were tight and they busted
And the passangers all behind
Cried Oh what a cuite little shirt you've got on
You'd better pull down the blind

Plant A Watermelon On My Grave

Now folks it is a custom, when a man passes away
to plant him in a graveyard, and begin to sing and play
Then they place a toumbstone, plant flowere on his grave
That is all so very nice, but Ill tell you what I crave.
Chor.
Just plant a watermelon on my grave.
And let the juice oose through
Folks will houver round that clamy cave
Ill never be feeling blue
Ill show the angels what my friends gave me
And theyll be happy too.
So plant a watermelon on my grave and let the juice oose through

I Cant Have No Luck No More

Cats are the worstes animals, that I ever struck
Just aint fit for nothen, but to give a man bad luck
I aint scread of nothen, but black cats that is all
But a cat sure gets my goat, ever time I hear him squall
Now Ide rather go to jail, than to have one cross my trail
Cho.--- Course, I cant naver have no luck no more
Sence a black cat crossed my trail.
I shot that raskel with my forty four
How he did weep and wail
Now a cat aint nothen but a devels spy
Waiten with his eyes open
Just for you to die
I cant never have no luck no more
Sence a black cat crossed my trail.

Punch Lines
Every night that cat comes back

Three Red Shirts

A Man named Worth a friend of mine
Had six red shirts on his clothes line
Now what do you supose this man Worth did
He bought a goat for a little kid
That goat got loose one night at nine
And ate those red shirts off Worths clothes line
This made my friend that man Worth sore
He swore hed have that poor goats goar
He grabed that goat right by the back
And tied him to a rail road track
He bellered out with all his might
Just as the fraight pulled into sight
Say Au-reveur but not good by
For here is a goat too smart to die
He bellered out with might and main
Coughed up the red shirts and flaged the train

Toasts

Up to my lips And up to my lungs
Look out stomach For here she comes

Old mother Hubbard She went to the cupbord
To get her poor dog some Hamburger
When she got there the bannas were all gone
So the poor dog had to eat cheese.

Heres to our wives and sweet hearts.
May they never meet

Comic

Thats a prayer.

Ford For Sale

One ford car with piston rings.
Two hind wheels and one front spring
Has no fenders seats made of plank
Easy on gas but on the crank
Carborater split half way through
Engine missing only hits on two
Leaking oil Radious roud bent
Extry tire aint worth a cent
Gasoline tank leaking gas.
Good wind sheild but has no glass
Tin spokes twisted wheels aint plumb
Three old tires Inter tubes on the bum
Top is gone body nude
Radiator busted should be glued
Hind axel twisted in the differencial Gear
But the horns got a honk both loud and clear
The transmission gears got an awfull squak
But stearing gear is hard to beat
Two spark plugs just bought new,
Dont fire any better than the other two
Front lights burn when the weather is hot
Dont know if the tail light is working or not
Extra wheel aint no good
Bran new fan belt regular ford hood
Three year old four in the spring
Got shok obsorbers but there a darn poor thing
Starts in low stops in high
Has to let ther other cars go by
By rights the engin should be rebored
Then shed be as good as a bran new ford
Shes got the speed if you turn her loos
Burns gas coal oil or tobacco juice
You can buy her right if youve got the tin
Its a hell of a good ford for the shape shes in

I went to a dance with a girl named Nora
We danced and we danced on the flora
I heard a rip and I knew by chance
That Nora had lost her desire to dance

Rocks in the mountains
Fish in the sea
A garbages mans daughter
Made a dump out of me

The porcupine may have his quills
The elephant his trunk
But when it comes to the common scents
My money is on the skunk

This life is just a game of cards
Which ever one must learn
Each shuffles cuts and deals the cards
And then a trump does turn
Some show up a high card
While others make it low
And many turn no cards at all
In fact they can not show

When hearts are up we play for love
And pleasure rules the hour
Each day goes pleasently along
In sunshines rosy bower
When diamonds chance to crown the pack
Thats when men stake their gold
And thousands are lost and won
By gamblers young and old

When clubs are trumps look out for war
On ocean and on land
For bloody deads are often done
When clubs are held in hand
At last up turns the darkened spade
Held by the toiling slave
And a spade will turn up trumps at last
And dig each players grave.

They Go Wild Over Me

I can not seem to please the girls no matter how I try
I give them all the eye ~~I give them all the~~
But they just pass me buy
The other afternoon to kill an hour or two
I thought that Ide take a look at the monkey in the Zoo

They went wild simply wild over me
Yes I made quit a hit twas plain too see
Said one ape with a wink
Over thers the missing link
Altho whats missing must be his brain I think
Then two great bug baboons said to me
Step inside and we will pick you a nice flea,
Then they grabed me through the rail
Where the monkey has his tail
They went wild simple wild over me

Mock Trial

One morning in a court house a boy stood up for trial
His father stood beside him on his face there was a smile
The old man told the jury this is not my only son,
I have three more at home like him Ill bring them one by one
This boy was born on Sunday I,ll tell you He,s a buitt
He,ll steal any thing that isent nailed,and never tell the truth
They boy took out a cigarett The jury nearly droped dead
He struck his father for a match The old man loudly said
Remember Im his father His mother is my wife,
Dont send him up for ten years Just keep him there for life
And when he,s tired of living just keep him there for fun
Theres no one more could plead a thought,than a father for his son
The boy spoke to his honor,and says now judge you see
Just let my father here go home and send the other three
Ther other ones are crooked,they cant lay streight in bed
Theyd steal the whiskers off your face and put hair on your head
The jury man all fainted,when the boy called out for beer
The judge stood upon his head,and the wind blew through his ear
And now theres thirteen funnerals,for the jury men are dead
The judge lived twenty minutes,and before he died he said
By gosh you are a daisy,no matter what youve done,
No matter who your father was,you are your mothers son
And if ever you get married,just raise a boy for fun
And if he,s a sport,dont go to court,just kill the son of a gun,

WHEN I WAS A BOY I WAS A most unlucky kid,
I GOT A LICKEN FOR MOST EVRY THING I DID
THE OTHER BOYS MIGHT GET A GENTLE LITTLE TAP
BUT MOTHER USED TO GO FOR ME WITH A GREAT BIG LEATHER STRAP

THEN ACCROSSED HER KNEA BING BING
SHE WOLLOPED ME BING BING
HOW I USED TO HOLLER MURDER WHEN SHE BING BING BING
IMAWFULL SORE BING BING I WANT NO MORE BING BING
HOLY MOSES GENERAL JACKSON HOW SHE BING BING BING

THE OTHER DAY SHE ~~GAVEME A REGULAR DANDY~~ spanked me and nearly made me dance

Let The Rest Of The World Go By

To a dance I did go, where the gowns were cut low
Held up only by a strap, One girl wore her dress
It was odd Ill confess It was made out of a map

Her back was Burzell Her lap Bunker Hill
And just a little bit below Was Mexico
Her shoulde blades, were Japineese,
On her busam there was Greece, Her lips were Si Amm
Her hips Hindo Stand, And Im not quite certain of her thighs
For just then I saw my wife, And to save a strife
I let the rest of the girl go by.

I got a gall in Boston town. she weighs just about four hundred pounds
I took her to a shoe stor to by her some shoes

"LION AND LAMB" (MALE & FEMALE DUET)

She--You thought that you were going to make a show of me last night
He---I thought I'd get away with it, alright
She--I heard you tell your old pal Jones, the way you had me tamed
He---I thought I had-
S he-You ought to be ashamed-
I heard you say to Jones, come on yourtimid little mouse
He---I only tried to show him how a mam went in his house.

Chorus.

She--You came in like a lion
He---A wild raging lion
She--And when you got inside, you slammed the door
He---I yelled, "Well here I am and I don't give a"
She--Continental
Then you gave an awful roar
He---But a great big cup of mocha
She--Hit you on the co-co
He---Followed by some huckleberry jam
And when, what did you do?
She--I uppercut you on the chin
And whispered, "I'm a better man, than you are Gunga-Din"
He---I came in like a lion, a wild raging lion
She--But when I got through, you went out like a lamb.

2nd Chorus.

She--You came in like a lion
He---A wild raging lion
She--And when you got inside, you slammed the door
He---Say, did you hear me yell, "I'm going to give you--"
She--Sure I did
And when I threw you on the floor
He---And then you took all my money
Ten big dollars, honey
She--After that you shut up like a clam
He---And then, what did you do?
She--I soaked you with a rolling pin
And whispered, you bring twenty-five the next time you come in
He---I came in like a lion, a wild raging lion
She--But when I got through, you went out like a lamb.

If ~~there~~Ever there was a poor miserable devel on earth its me
and I wish I was in my grave
Im married to a woman, And I know shes my wife, But she treats me
abasulty as a slave,
For instance, only yesturday I rose at for occlock, and worked
just like Turk untill ten at night
WhenI toddled into by by, I just got into bed, When my wife came in
And yelled with all her might,
Cho.
How dare you go to bed, with out permission, do you want to sleep
your sence all away,
Thers lots of work around the house for some body to do and You
dont suppose Ide do it do you eh.
Remember Im your wofe and not your servent, weve lost our dog and
burglars I dread,
When your place is in the dog house, as protection to our home
how dare you have the cheek to go to bed

My wife she said Im going to invite some friends to dine
As I want to do thing grand, Im going to buy a duck,
Which you have to cook, and serve at the table, You understand
She bought the duck and I cooked it, and having served it up
I carved for every body that was there, so thinking that I would
like a bit I carved my self, When my wife arouse and said
Well I declare,
How dare you go and help your self to poultry, When you know
I dont allow you even meat,
Where is the peice of bacon rhine, I put for the cat and
sever bits of fat I couldent eat,
Where is the half of egg that mouther left last sunday
And severl crusts that Fido wouldent suck
When you know thers lots of ods and ends that must be eaten
up
How dare you go and help your self to duck,

Mid Night On the Ocean

It was midnight on the ocean. Not a street car was in sight
The sun was shining brightly, and it rained all day that night
Twas a summer night in winter, and the rain went houling squealing
A bare foot boy with shoes on, stood sittin on the sealing
It was evening and the rising sun, was sitting in the north
And the little fishes in the trees, was gaily flying fourth
The rain was pounding down. the moon was shining bright,
And ever thing that you could see, was hidden out of sight
While the organ peeled potatoes, lard was rendered by the choir
While the sexton wrang the dish rag, some one set the church
on fire,
Holy smoke the preacher shouted, in the rain he lost his hair
Now his head resembles heaven, for there is no parting there

AND I WAS THE NEXT THING ON THE DOCKET
FOR WE BOTH HAD MONEY IN OUR POCKET
AND IF IN ANSWER TO MY QUESTION
WE BOTH LOOKED IN THE ONE DIRECTION
AND THERE BEFOR OUR VERRY EYES
WUZ A BIG BALOON OF ENORMOUS SIZE
AND A MAN IN A BASKET WITH SKIN TIGHT CLOTHES
SEZ CUT THE ROAP AND LET HER GO
SEZ SI TO ME ILL SPOIL HIS RACKET
AND HE GRABED A ROPE THAT WAS HITCHED TO THE BASKET
AND TRIED TO HOLD THE BALOON TO THE GROUND
BUT THE BALOON WAS THE STRONGEST WHICH SI SOON FOUND
AND TO THE HORROW OF ALL LOOKERS ON
UP WENT POOR SI TIED TO THE BALOON
WHEN I SEES SI GOIN I RUN TO HIS ADE
AND A SUDDEN DASH FOR THE ROAP I MADE
FIVE
BUT MY FEET GOT TANGLED IN THE COIL
AND I LIKE SO LEFT NATIVE SOIL
THEN UP IN THE AIR LIKE A ROCKET I SHOT
AND I CALLED TO THE MAN IN THE BALOON TO STOP
BUT HE ONLY SMILED INTO MY FACE
AND ASKED ME HOW I LIKED THE PLACE
NOT MUCH SAYS I YOU SKINNY DUDE
THEN CALL ME DOWN SES HE YOU RUBE
SEZ I TO SI TAKE OUT YOUR KNIFE
AND CUT THE ROPE AND SAVE OUR LIVES
AND SI IN HIS POCKET HIS HAND DID SLIP
TO GET HIS KNIFE BUT LOST HIS GRIP
AND LIT RIGHT SQUARE UPON MY FACE
AND THEN WE BOTH FELL INTO SPACE
LOOK OUT WERE COMMEN I CRIED OUT LOUD
OH WE DONT CARE CAME BACK FROM THE CROWD
SIX
BUT INSTEAD OF LIGHTING IN THE SPOT I MENT
WE CAME SMAKE DOWN ON THE ANIMAL TENT
WHEN WE LIT THE TENT BEGAN TO TEAR
AND TO SAVE MY LIFE I GRABED SIS HAIR
BUT HIS HAIR BROKE OFF AND DOWN I WENT
WITH SI ON TOP INSIDE THE TENT
AND WE LIT SO HARD ON A CANDY SHOP
THAT THE WHOLE DARNED BAND IN THE CIRCUS DID STOP
AND THEN THE FOLKS CAME RUNNING OUT
TO SEE WHAT THE RUMPUSS WAS ALL ABOUT
AND ONE OF THE TROUPERS WANTED TO KNOW
IF WE HAD PAID TO GET IN THE SHOW
WHEN I TOLD HIM WE HAD JUST DROPED IN
TO TRY AND HEAR THE CIRCUS RING
HE UP WITH A CLUB AND HIT ME A CRAUK
WHICH NEARLY BROKE MY PESKY BACK
SEVEN
THIS MADE ME MAD AND UP I ROSE
AND HIT HIM SQUARE UPON THE NASE
HE CRIED HEY RUBE AND TO MY SURPRIZE
HEY RUBES CAME A RUNNIN AS THICK AS FLIES
AND THEY GRABED US BOTH AND TORE OUR CLOTHES
AND THEY SAID THEYD TEACH US TO STEAL IN SHOWS
WE DIDENT STEAL SAYS I TO THE CROWD
WHY NO SAYS SI WE DROPED FROM THE CLOUDS
BUT A CONSTABLE WHO HAD A BADGE ON
AND LIKE A DOGS TAIL HE KEPT A WAGON
TOLD SI AND I TO GET INSIDE
AND WITH HIM TAKE A LITTLE RIDE
WHEN AT THE CALABOOSE HE STOPED
HE SHOWED US IN AND THE DOOR DID LOCK
AND SAYD FOR BEEING TWO BIG JAYS
HE D HAVE TO GIVE US SIXTY DAYS
[illegible] FOR US. WE LL NEVER [illegible]

TWAS A WAY LAST SPRING I BELEIVE IN MAY.WHEN OLD SIGH HUBBARD
TO ME DID SAY
I HEAR A CIRCUS IS COMING TO TOWN.SUPPOSE WE GO AND SEE THE CLOWN
SO WE SOLD OUR BARLEY OATS AND CORN.IN FACT WE ALMOST CLEAND
OUT THE BARN
THEN WENT OUT AND BOUGHT TWO BRAN NEW SUITS
WITH WHITE PLUG HATS AND ~~RED~~RED TOP BOOTS
AND WHEN THAT CIRCUS GOT AROUND.WE TWO WERE THE FUST ONES ON
THE GROUND
SAYS SI TO ME LETS GO GET TIGHT.PULL DOWN THE TENTS AND HAVE
A FIGHT
NOT MUCH SAYS I I.LL RAISE NO FEUD.
FOR YOU SEE I WAS A SKEARD OF OLD HEY RUBE
SO I PROPOSED SOME RED LEMONADE
AND GUBER PEAS FOR WHICH I PAID
2 TWAS A JOLLY GOOD CUSS WHO KEPT THE STORE
SO WE THOUGHT WHEN HE ASKED US TO HAVE SOME MORE
SAYS HE I LIKE YOU BOYS fus str rate
SO DONT STAND BACK ILL STAND THE TREAT
THEN SI AND I JUST PITCHED RIGHT IN
AND THE WAY WE ATE AND DRANK WAS A SIN
BUT WHEN WETURNED TO GO AWAY
WE HEARD THE GOSH DARNED SHARPER SAY
FOUR DOLLARS YOU ~~RUBES~~ QUICK YOU RUBES DONT WAIT
OR FOR THE SIDE SHOW YOULL BE LATE
SO I PAID THE CASH LIKE A DARNED FOOL CUSS
AND OFF TO THE SIDE SHOW WE DID RUSH
WHEN WE GOT IN SIDE WHAT SITES WE SEEN
WUZ ENOUGHT TO TURN OUR WHISKERS GREEN
THERE WAS A TATUED MAN ALL COVERED WITH INK
AND A DOG FACED BOY CALLED THE MISSING LINK
3
BUT THE SIGHT THAT MADE US FAIRLY SHAKE
WAS A GREAT BIG SLEEPY LOOKEN SNAKE night
SI PULLED HIS JACK KNIFE OUT QUICK
AND UP TO THE CAGE HE DID SLIP
HE STABED THAT SNAKE AND JUMPED AWAY
BUT I LAUGHED FOR THE CRITTER WAS STUFFED WITH HEY
NOW A PORROT IN A CAGE CLOSE BY
NEXT COUGHT THE GAZE OF FOOLISH SI
SI DIDENT KNOW THIS BIRD COULD TALK
BUT WHEN IT CALLED HIM A COUNTRY GAWK
HE GOT RIGHT MAD AND JUST FOR SPITE
HE KNOCKED THAT BIRD CLEAN OUT OF SIGHT
BUT A MONKEY WHO WAS IN THE CAGE
AT SIS CONDUCT GOT IN A RAGE
AND TO SHOW HIS LOVE FOR HIS FEATHERED FRIEND
A HELPING HAND HE ALLOWED TO LEND
FOUR
SO HE GRABED POOR SI BY HIS RED GOTE
AND IT MADE THE WHOLE CROWD LAUGH TO SEE
SI TUG AND PULL TO GET AWAY
BUT THAT PESKEY MONKEY HAD COME TO STAY
AND HE PULLED SIS WHISKERS SO ALFIRED HARD
THAT HIS CHIN WAS AS LONG AS THE NECK OF A GOARD
ALL AT ONCE I SEES SI SMILE AND THEN
I KNEW HIS TROUBLES WUZ AT AN END
AND SURE ENOUGH WITH HIS KNIFE SO KEEN
HE CUT HIS WHISKERS CLOSE TO HIS CHIN
WHEN I SEE THAT FACE WITH THE GO TEE OFF
I COUGHED AND LAUGHED AND LAUGHED AND COUGHED
AND TWO GIRLS FAINTED AT THE TERIABLE SIGHT
ANDTHE REST OF THE CROWD ALL TOOK TO FLIGHT
THEN THE SHOW MEN THREW US OUT IN A HURRY
AND THE GOSH DARNED BAND PLAYED ANNY LAURIE

All By Myself=====(=Song) Parody)

Once I was happy ,but what did I do

I am tired of living I wish I was dead
Some day I am going to take my life
But first I,ll murder my wife,,
Cause she leaves me

All by myself every evening
She goes away for the night
She stays away for a week ,she desent care
She gives me the air ,Gee that isent fair,,
My poor heart craves for some loving
I ,m just like a clock on the shelf
I,d love to have a home and five or six little kiddies
But how can I do that all by myself

Peggie O, Neal

TRAMP

I came into your city boys twas just the other night
Dont think because Im a railroad bum that Im not all right
My pocket book is empty and my heart is full of pain
Ten thousand miles away from home beating a railroad train

Standing under some watter tank smokeing a snipe cigar
Looking for a hand out or some empty car
And dreaming of those good old days and hopeing theyll come again
Ten thousand miles away from home beating a railrode train

Standing on some platform Looking for a freight both cold and tired
And without a bite to eat
And dreaming of those good old days and wishing theyd come again
Ten thousand miles away from home beating a railroad train

I steped off the train in Denved got stuck on a Denver girl
You bet your life she was all right she wore those Denver curls
She wore her hair in fashon trailed after the fashion plate
But now I hear a freight train boys and Im to ride her through

I steped up to the conductor and I gave him a gay old talk
Its eather ticket or money sir thatll cary you to NewYork
But Ive neather ticket or money sir please pity me cause Im poor
Get out of here bum you sonof a gun and he locked the box car door

IN THE SHADE OF THE OLD APPLE TREE

The little fishes they were gaily singing
The little frogs were croaking at their tunes
When I stroled into a pretty little village
And their I met a pretty maiden fair
Ithought she was just a dream of sunshine
But she had a face just like the harvest moon
For there within my arms I gently pressed her
But when I felt her shape I turned away

Chorus
She had a shape like an old apple tree
And the pads on her hips you could see
And her voice that I heard It shure was a bird
She was as old as the old apple tree
You could hear the dull rattle when she sneezed
And see the warts on her knees
What I told her was true Ill not be waiting for you
In the shade of the old apple tree

As I stroled by her dainty little cottage
Her father was waiting there for me
Across his lap there lay a great big shotgun
And a little bulldog sat upon his knee
The little dog was buisy scratching fleas
And the old man looked just like a chunk of cheese
But when I started to run they greatly pressed me
And I made for the old apple tree

Chorus
In the shade of the old apple tree
A bulldog sat waiting for me
He watched for a a chance to grab at my pants
As I clung to that tree Despertly
When I slid down the tree gracefully
That dog made a firce lunge for me
And the dloths that I wore were a shade nothing more
Just a shade of the old apple tree

THE UNDRETAKEN MAN

Cinderalla Jackson from a town in Minnesota
She had four different fellow friends
Who used to come and court her
One was a barber man, the other was a baker
The third a railroad porter, the fourth an undertaker
The barber he was sharp and keen
The baker he had doe, the porter was a sport
The undertaker was dead slow, the four met tuesday evening
And it was a love contest,
She had to choose the one she loved best,
Each one thought he'd get the chance to wed,
Untill the dainty Cinderalla said,

Cho.
I dont mind talking and I dont mind walking,
With the barber man thats true
I likes to grin and I likes to chin,
With the railroad porter too.
I pets the barber when he comes round,
And I calls him precious lamb
But there aint nothin doing at all,
With the under taker man.

And threw him in the lake to soak
Now hes sorry that he spoke

Three Hebrews were ~~dis~~ discussing, as to how and where theyd die
And they were undesided as to just where they would ~~di~~elie
Levinsky chose Jersalem, New York for Rubenstine
But when it cameto Cohn, He said heres the place for mine

Where the dear old Shanons flowing, is the place that i,ll repose
In an Irish cemetairy, with a Shamrock on my nose,
For the devil will be trying to find me I supose
Bur he,ll never think of looking where the river Shanon flows,

Dirty days hath September April June and Novemb
All the rest are mud and slop
From October on there is no stop
Of all the months through out the year
Febuary alone is just a dear
It has twenty eight days But if it had thirty
Theyd be just as wet and twice as dirty,

Omm Ha Ha

Now dont go away until you hear, My story tho it may sound querr
Of a family known both near and far, by the name of Umphaha
Mr Umphaha he said one day, that he would like to take a sleigh
And ride upon the frozen snow, Mrs Umphaha said she would go
And take the family all of course, including too the family horse
The horse was a mule, and Im sure you,
Could see his ribs where his ribs stuck through
They hitched him up to an old time bob, and then you ought to
of seen the mob
There was Patric and Mary Umphaha Grace and Cary Umphaha
Mike and Eddie Umphaha, George and Freddy Umphaha,
Rose and Julia Umphaha, Joe and Minnie Umphaha
Hank and Lizzie Umphaha, and big fat Timmie Umphaha
They way they packed and gouged them in,
It made that family mule look thin,
As luck would have it as some times will,
They startsed from ~~top of~~ the top of a hill
The hill was slipery and down they flew
How fast they went they never knew
They went so fast that the mule turned pale
For he flew with his ears and steered with his tail,
Twas a mile to the bottom, and the bottom was mud
And they all struck bottom with a sickning thud,
Mr Umphaha was dazed, Mrs Umphaha was crazed
Minnie Umphaha was froze, ~~Timmie Umphaha w~~ and big fat Timmie
bumped his nose
The mule was burried in the ground,
You never see a dead mule laying around
Fourteen doctors came at once, And when they found they broke no bones
They all shook hands and went streigt home,

River Shannon.

Two young ladies once were riding
on a street car confiding
They were two young school teachers
Their conversation ran this way.
How many children have you?
Why I have thirty thank you
How many said the other-
Why I have thirty two-
Then a dear Old Irish lady
From across the isle arose
said she you had plenty of children.
Faith and goodness only knows.
Sure I'm mighty glad to meet you
With a hug and kiss I'll greet you
For I know your husbands came from
where the "River Shannon flows".

THE PUMPKIN PIES THAT MOTHER USED TO MAKE

In my home in Massachusetts far away in berkshire hills
It was there I spent my boy=hood happy days
Now I closeb my eyes and fancy I can see the old place still
Oh how oft these thoughts of childhood meet my gaze

1 Early every morn I used to do the chores and chop the wood
For the old brick oven where Ma,uesd to bake
And when home from school I came,for me awaited something good
Twas the pumpkin pies that mother used to make

2 In dreary winter evenings my Mother would prepair
In the kitchen by the fire side we,d par=take
Nice sweet milk from Mooly cow and that morcel we,d enjoy
Eating pumpkin pies that Mother used to make

3 Dear Mother then with willing hand she,d set us children down
Then we,d fill in until we would groan and ache
We would chew and gormandize until it stuck out of our eyes
Those nice pumpkin pies that Mother used to make

4 Sometimes we,d find a hair pin or a bang perhaps a switch
But the best of cooks at times make a mistake
We found glue and hunks of brass and broken panes of window glass
In the pumpkin pies that Mother used to make

5 We found breast pins and finger rings and lots of other things
We found horse shoe nails and teeth from our hay rake
We found pebble stones that size and darning needles hooks and eyes
In the pumpkin pies that Mother used to make

6 You may think I ,m a guyer I found peices of barb=wier
I found dice with duces up and then we,d shake
Once while looking for a plum I found my sisters chewing gum
In the pumpkin pies that Mother used to make

7 We,d eat until we,d bust and then we,d chaw and chew the crust
And the pains all night would keep us kids awake
One fine day I struck a screw and I bit it near in two
Eating pumpkin pies that Mother use to make (Scissors)

8 I found button hooks and tweezers ,once Aunt Beckey lost her Sciss
She blamed me and swore ,that she my back would break (shears)
But her eyes soon filled with tears when she found her missing
In the pumpkin pies that Mother used to make (change)

9 We found many things quite strange but we could never find loose
But of all the things we found this takes the cake
Poor father came near dying swallowed sisters crimping iron
Eating pumpkin pies that Mother used to make

10 On an elevated train to=day I nearly went insane
For I saw an advertizement ;t made me shake
Twas a picture of a pie upon my word I hope to die
It read pumpkin pies that Mother used to make

11 All the family now are gone yes they have died off one by one
But while they lived there lives they were at stake
I,m the only one survives them that can tell the awful tale
Of the pumpkin pies that Mother used to make

DE LEADER OF DE COMPANY B.

Miss Liza Jackson loves a coon Who belongs to the company B,
He longed to be a soldier in the army
He said a general Jackson he was bound to to some day be
Said he a shot or two would never harm me
Miss Liza she was powerful mad Said she mister coon you make me sad
If a great big noo doo ball hits you

On golly you shoud see them march
Wif uniforms as stiff as starch
And neber out ob step you see
You'll hear dem shoutin When dey see de dandy coons
Hip Hip Hurran For de leader og de company B.

2nd verse
Said she my coon you'd change your tune
If you had to go to war Youd'd wish you'd neber gone to be a soldier
Half scared to deaf You'd lose your breaf,And till your till your feet got sore
Just member crazy negger What I told yer
She scolded him from morn till night And pulled his nose with all her might
Said she if de canon balls aint lead
It'll bust em all to pieces when dey hit yo head
But every day when de band did play
Miss Liza she would cut a swell She would shout so loud she would scare de crowd When she heard de captain yell

Chous
Right face forward march
When on parade On golly you should see dem march
Wif uniforms as stiff as starch
And never out of step you see
You'll hear dem shoutin When dey see de dandy coons

I Cant Change It

I know a lot of lazy men and meet them when I may
They've never got a penny Always stoney broak they say
With me its it's just the other way For Im a man of biz
I've always got a dollar in my pocket here it is
Chor,
But I cant change it I cant change it The reason why I'll let you know
It's one I made my self and so,I cant change it
no mater how I try,But I hope to cheat a blind man in the sweat by and by,

I never was a proud young man That any one can see
The fashions I don't care about,For clothes dont trouble me
I'll Never be a mashor,for I'm satisfied to know
I've got a shirt upon my back I can say that altho
Cho,
But I cant change it I cant change it
It fits me like a bloomen sack,I've got but one shirt to my back
I cant change it No mater how I try
So when it's being washed I lie in bed untill its dry

I got an invitation to A wedding down our way
So went into a shop to get A new hat yesturday
I soon got what I wanted and the premises I quit
Now sence I tryed it on my nut I find it doesent fit
Cho,
But I cant change it I cant change it
For when the shop man turned his back I sneaked the hat off the rack
I cnat change it and never mean to try
For I'de be in the penitentuary in the sweet by and by

When I want homethis after noon,The nurse was at the door
She said you've got another one That makes you just a score
It's such a prety little girl I know you'll wish her joy
I wished it to old Nick For what I wanted was a boy
Cho,
But I cant change it I cant change it
I've asked a lot who ought to know I asked the nurse and she says no
She cant change it And she'dont intend to try
But she hopes I'll have a dozen in the sweet by and by

I thought I'de get married like a lot of foolish men
I found the girl bought the ring Got married there and then
But when the job was over I was taken down a peg
One eye her hair and teeth were false,And shed a wooden leg
But I cant change it I cant change it
It was a great surprise to me Half a woman and half a tree
I cant change her And I dont intent to try
But I'll split her up for kindling wood in the sweet by and by,

The Funy Little Man

There was a little man and its not verry common
This little mans mothere of course was a woman
And if its the truth as I have been told
He once was an infant but age made him old

Chor,
Lol de fol did al ido turl li a

2nd Verse
He had an arm on each side to use as he pleased
He never worked hard when he lived at his ease
And a leg on each side to make him complete
And what was more strange at the end was his feet

Chor,
Lol de fol did al ido turl li a

If this little man had a river to cross
If he couldent get over he would stay where he was
Altho he had never got off from dry ground
So great was his luck that he never got dround

Cho,
Lol de fol did al ido turl li a

Another strange thing I have got to tell
When he was sich sure he never felt well
He gave a deep sigh and gaped his mouth wide
And some how or other the poor devil he died

Cho,
Lol de fol did al ido turl li a

The reason he died and the cause of his death
Because his poor soul had the want of more breath
And now they have layed him in the cold clay to moulder
If he had lived a day longer he would have been a day older

Cho,
Lol de fol did al ido turl li a

Always In The Way

I have a dear old father
Tho' him I always pray
He has a pair of whiskers
They're always in the way
When seated around the table
We form a merry group
'Till dear old Fathers whiskers
They get mixed up in the soup

Cho- They're always in the way
Too and fro they sway
Mother chews them in her sleep
She thinks she's eating shredded wheat
They're always in the way
Our cow chews them for hay
They hide the dirt on Father's shirt
And he says they're in the way.

IF I WERE THE MAYOR OF THIS TOWN

Now songs are all the rage on the streets and on t he stage
A few new facts to you I will propound
Of things that ought to be and of things I know you'd see
If I were the mayor of this town
I'd make the people jolly. I'd run t he cars by trolly
I wouldn't allow a good man to be down
Then the alderman must swear to stop girls from bleaching their hair
If I were the mayor of this town

Cho,
If I wre only, only, only, the mayor of this town
My name would be renowned, be known for miles around
Oh how I'd love to tell to you the greatand good things I would do
If I were only, only, only, the mayor of this town

2nd Verse
Now New York is the place where the girls know how to lace
To look at then you'd think they'd fall apart
They dress up every night and go out to see the sights
And try their best to win a young mans heart
In olden times you know if a girl would want a beau
She'd ask her mother if one cou ld be found
I would have them do it now, but it might kick up a row
If I were the mayor of this town

3rd Verse
If there should be a fight in the middle of the night
A policeman on the spot then should be found
I'd try to do what's right saloons might open all night
If I wrer the mayor of this town
I'de give the working man the bigest kind of chance
In stead of red I'd paint the city brown
I'd make married men stay home and leave other wives alone
If I were the mayor of this town

4th Verse
Now I'd stop Anny Moore from playing just next door
I'd make her go away back and sit down
The bird of melody lane I'd put in the hall of fame
If I were the mayor of this town
Now poor old Dolly Grey would be always in the way
And home sweet home should go with Nancy Brown
The Honeysuckle and the bee I would give to Jenny Lee
If I were the mayor of this town

5th Verse
Now you would plainly see what I'd do with John D
And Mr Morgan, Men of greatrenoun
I'd put them in a cage along with Russell Sage
If I were the mayor of this town
I'd put trusts all in jail, and wou ld not except bail
And have an honest jury try them too
To Sing Sing have them sent, from their acts they would repent
If I were the mayor of this town

6th Verse
I'd make old wall street hum;I,d put brokers on the bum
You bet I'd stop their little cheating game
I wouldent use a dirk;but I'd make them go to work
If I were the mayor of this town
This undigested biz of Morgans I would quiz
You'd bet your life I'd quickly call him down
Ther'd be nothing dooing there,for I'd clean it outfor fair
If I were the Mayor of this town

7th Verse
You'r getting tired I see of both this song and me
I'll only sing a verse and chorus too
The man who wrote this song He has certainly gone wrong
Or he wouldent tell you all what he would do
So I bid you all good day and start upon my way
Or the manager will shurly call me down
I'd sing a hundred more Unlike those sang before
If I were the Moyor of this town

8th Verse
When election day rools around There'll be trouble I'll be bound
For the politicians don't know where'the'r at
For the Democratic band Murphy rules with iron hand
While the other gang are led by Mr Platt
Politicians hold their breath Their decisions it means death
For each one,Platt and Murphy seek the crown
But their power would be gone,so would all their game of con
If I were the Mayor of this town

9th Verse
Ther'd be changes yess be gob,Dev'ry'd have to tote the hod
Mister Platt would have to go back to his native land
Mister Murphy with his rocks would be shoveling on the docks
Van Wyck wouldent dare to show his face
The grafters on Brawdway would be getting lesser pay
No one would fear a politicians frown
You could vote just as you please,and not be afraid to sneeze
If I were the Mayor of this town

10th Verse
The street cars and the L there would be a change to tell
It woulden't cost a nickle for a ride
You woulden't have to stand,ther'd be seats on every hand
I,d make e,m be the citys greatest pride
No matter where you'd turn,ther'd be trolly cars to burn
Yess,sir,or eight a minute,up and down
And no matter where you went,it would cost you but a cent
If I were the Mayor of this town

11th Verse
How the politician,d flirt with the subway and its dirt
There's always something doingg now and then
The whole blamed thing's a graft,if we only knew the half
Then some of them would be up in the pen
And Dev'ry with his pump,Oh;I'd have him on the ju mp
I would not give a cuss for all his frown
I'd just ask him with a smile,where did you get you'r pile
If I were the Mayor of this town

There's poor system in our schools,for it seems t hey're run by fools
Who never give the children any show
Throughout this grand old town the children are turned down
Because there isen't any place to go
If I wrere only Mayor,there'd be trouble in the air
The board of Education I'd call down;
There'd be schools in every street,every child would have a seat
If I were the Mayor of this town

MACHANICAL DOLL

The life of a doll is very hard
And some folks may not know
From the time we are stuffed in the factory
And put on the shelf for a show
And some one buys and takes us home
Our hearts to fill with joy
But the game I always liked the best
Is to be loved by some dear boy
While I'm nothing but a big wax doll
Aint supposed to have no fealings at all
Stuffed with saw dust worked with a string
No matter what they do to me I mustent say a thing
They can spank me and through me about
And because I'm a doll I mustent shout
They can shake me brake me and often let me fall
Cause I'm nothing but a big wax doll

I Ain't afraid of nuthin dat's alive

Henery Green said to William Brown-Come and go with me to town
Listen son we's both in luck-You and me is going to make a buck
To night at twelve in the old grave yard-The work is easy it aint hard
But William Brown said "cease dat talk-If dats the gb then I must balk

1st chorus
I ain't afraid to fight Jack Dempsey-I love a vicious snake
I'm crazy bout a cyclone In a boat out on a lake
I love to tease a tiger-I'de kiss a big baboon
I love to hug and fondle crazy folks-I'm speaking bout a loun
Shoot dice with a pirate-And den I'de like to be
Swimmen with some hungry sharks-I clames dats god for me
I'm wild about a fire-I like to be shot at with lead
But I'm one man don't mess round folks Especially when dey dead

2nd verse
Henery Green said to William Brown-Talk like dat it makes me frown
Come on son I know's you brave-All you do is just stand by the grave
When folks is put in the cold cold ground
They talk no more or hang around
But Willam Brown said dats not clear My feet tells me dere's danger here

2nd chorus
I ain't afraid to fight a wild cat-I love a dog dats mad
I'm crazy about a bandit-I mean just the kmd dat's bad
I love to play with razors-I'de jump from a baloon
I love to sleep with bears and stinging bees
Yess morning night and noon
I love to clean a window-on buildings that are ~~hagh~~ tall
I love to take a flying leap right over Niagrafalls
I'm wild about alligators-I like to pet 'em on the head
But I'm one man don't mess round folks-Especially when dey dead

3rd chorus
I ain't afraid to ride a zebra-I crave a zepplin fight
I'm tickled when it thunders-In a lightning storm I'm right
I love to call on dentists-I'de sleep with a pole cat
I love to play a drum with dinamite
Now what do you think of dat
I love to handle vitrol And den I like to be

Just why you kissed my wife

When Summer Comes Again.

Therewas once a maiden of tender grace,
Laughing blue eyes and a winsome face.
Also a youth brimming with truth
Got married one day in spring,
Through the sweet scented summer they knew no fear,
But the mills had all closed and the winter drear,
Then when the lad was dreary and sad,
This ## the song she would sing:
Chorus
Sweet heart fond heart from your side Ill never part,
Well be togather love in sunshine or in rain,
Dont be repining tomorrow the sun may be shineing,
We will be happy love when summer comes again.
Verse
Oh the cold cherless winter soon passed away,
Spring came with flowers to deck the May,
Maiden and lad grew to be glad,
And sang like the birds in spring.
The dark shadows of sorrow never came again,
To there sweet little cottage just down the lane,
Where at the door when his work was o.er
Shed kiss him and then she would sing:
Chorus

You Gave Me Your Love

An old fashioned couple were seated
Alone by a quaint fireside,
Their thoughts wandered back to the wedding
As the happy young groom and his bride,
But now they are aged and wrinkled,
Theyer as fond of each other as ever,
His arm steals round her waist as he sings
Chorus
You gave me your love and took my name,
For forty years of married life,
our hearts remained the same,
Weve struggled hard togather.
Throughthis great wourld of strife_
Throughsunshine and rain
Youve remained the same
Ilove you my darling wife
Verse
The years rolled along tillone evening,
As the sun sank in the west
The old man lost his wife and companion,
The one whom on earth he loved best.
In the old country church yard they laid he,
Each morning freash flowers hed bring,
Theres one vacant chair by the fireside,
But the old man continues to sing,
Chorus

The Girl I left Behind,

Theres a cottage up in Harlem Where I went to see a dame
Who thought she had a martgage on my name
And she got all my moneyBut of comrse sheVs not to blame
For I had asked this girl to be my wife,
And when I told her father of my love so dear
He licked me and he kicked me till he nearly drove me blind
As he raised the parlor window and he threw me in the street
I thought about the girl I left behind,

Cho
My gold watch and chain Ill never see again
Shes done me for every thing fine
Now its drove me to drink and I cant sleep a wink
For this girl I left behind
that
One evening in a consert hall I thought Id raise a fight
I told a girl I dident like her face
For I'de been drinking whiskey and I thought the world was mine
But I soon found how different was the case
The copper grabed me gently and he took me to the dowr
And he said Old boy we'll try to use you ~~gently~~-Elegent and fine
As he hit me with his night stick and closed up both my eyes
So I couldent see the girl I left behind

Cho,
My money's all gone my clothes are all in pown
Iv'e lost every thing Even my mind,
Iv'e lost my job on account of that slob
Of a girl I left behind,
that

MR. LISTER MET HIS SISTER, ON THE STREET ONE DAY AND KISSED HER,
KISSED HER TILL HE RAISED A BLISTER ON HER CHEEK OF ROSY HUE.
WHEN MRS. LISTER SAW THE BLISTER ON THE CHEEK OF LISTER'S SISTER,
SHE WENT STRAIGHT TO DOCTOR FISTER, TELL ME WHAT TO DO.

WHEN DOCTOR FISTER SAW THE BLISTER ON THE CHEEK OF LISTER'S SISTER,
HE SAID" GEE! BUT THATS A TWISTER, BUT I'LL SAVE HER LIFE TODAY".
SO THE FOXY DOCTOR FISTER, KISSED THE CHEEK OF LISTER'S SISTER,
KISSED HER TILL HE RAISED A BLISTER, THEN HE WENT AWAY.

He Had But Fifty Cents, (Song) to Al from Jack Murrel

I took my girl to a ball one night it was a social hop
We danced untill the lights went out and the music it did stop
Then to a restaurant we went the best one on the street
She said she wasent hungry ,but this is what she eat
(Chor)
A dozen raw a plate of slaw a chicken and a roast
apple sas asparagrass and soft shell crabs on toast
A big box stew and crakers too her apatite was emense
When she called for more pie I thought I,d die
For I had but fifty cents,,,

Of course I wasent hungry I dident care to eat expecting every
minute to be trougghed out in the street
She looked at me and laughed and sighed she was so very frank
She said she wasent thirsty ,but this is what she drank

(Chor)
Some ginger ale a big cock tail whiskey on top
Some rhine wine and claret fine and fourteen kinds of pop
Champaine clear a glass of beer She dident have any sence when
When she called for more I fell on the floor
For I had but fifty cents .....

Of course I wasent thirsty I turned so very pale
Expecting every minute to be landed right in jail
When the waiter came to me with the bill I thought I,d have some fun
I handed him the fifty cents and this is what he done
(Chor)
He tore my cloths broke my nose punched me in the jaw
blacked my eye and kicked my thigh and with me swept the floor
He grabbed me where the pants was loose and through me over the
fence
Take my advise dont try it twice when you get but fifty cents,,,,

Sitting By The Kitchen Door

Sitting by the kitchen door,
When the sun has set,
Can be seen to lovers fair,
Where they have oft met
Teasing squeezing Oh such fun,
Merry joyous pair,
Sitting by the old kitchen door,
In the quaint old parlor,
Sits old daddy dear,
Dreaming of the happy days of yore,
When he courted Mother dear,
Many years ago,
Sitting by the same kitchen door.
Chorus
Sitting by the kitchen door
With her dearest beau
Is a little maiden fair,
Singing sweet and low,
Swiftly glide the hours away,
With one you adore;
Kisses taste much sweeter there,
By the kitchen door.
Vesre
Oh what pretty things are said,
Sitting arm in arm,
Planning when they will wed,
On the dear old farm,
Speaking of there future bright,
Happy days in store,
Sitting by the dear old kitchen door,
Days work now is over,
Whistles they have blown;
Come the merry lads,
From mill and store,
When stars are twinkling bright,
They can be found ,
Sitting by the dear old kitvnen door.
Chorus

One Leg Is Longer Than It Realy Ought To Be

A friend of mine once got a fall which broke his leg and arm
The doctor set them right away which lessoned our arlarm
And as his arm grew strong again our hearts were light and gay
But when he tried to walk around we all began to say
Cho,
Why one of his legs is longer than it realy ought to be
We all began to pity him and gave our sympathy
But John said I dont care because theres many more than me
Who has a leg thats longer than it realy ought to be

Some time a dashing dude a lovely damsel met
He told the girl he loved her so her charms he'd n'er forget
She learned that he was wealthy and I know the girl was poor
But now the girl is wealthy and the man is broke I'm shure
Cho
And one of his legs is longer than it realy ought to be
I guess she must of pulled it till it loosened at the knee
He used to be a model for a splendid form had he
But now one leg is longer than it realy ought to be

While riding on a railroad train a masher chanced to see
Two girls whom he invited in the dining car to tea
They ate up every thing they saw ,for more began to shout
The masher paid the bill and from the car came limping out
Cho
For one of his legs was longer than it realy ought to be
Just thinkior settling on a train a dinner bill for three
Just try the same your self some day and then you'll quickly see
That one leg will be longer than it realy ought to be,

Thats All

For a tropical song your indulgence I seek,
Thats all'thats all
If you're patient I'll try and get through in a week
Thats all thats all,
Iv'e taken great trouble this song to rehearse
But I do not improve I'm afraid I get worse,
So if you dont like it I'll sing you one verse
Thats all thats all

For acting when young I'd a terrible rage
Thats all thats all
And determind to go on the regular stage,
Thats all thats all
With my talent I thought I would make the folks stare
I was shure the first night all the world would be there
And I opened the door to a rush of cold air
Thats all thats all,

I went to the club with three dollars in cash
Thats all thats all
And at faro I went with a regular dash
Thats all thats all
I won over three thousand in seven streight bets
And I'd made up my mind now I'd pay my ~~bets~~debts
When I I left I'd my night key and two cigarettes
That's all thats all

I fell madly in love with a girl on the stage
That's all thats all
Her role wase't prominent Merly a page
Thats all thats all
I wrote her an interview seeking to gain
She told me outside the stage door to remain
I did so for nearly four hours in the rain
Thats all thats all

At poker I once tried my luck but failed
Thats all theats all
The flush that I bet on was only bob tailed
Thats all thats all
Next deal I'd a corker made shure I had won
Some one else scooped the pot it was preeily done
I held four aces but he held a gun
Thats all thats all,

On a brighe and Pleasent morning in the spring time
When the birds are sweetly singing in the shade
There is nothing half so ~~pleasent~~ to the senses

See tha bright and smiling faces of the end men
Alwas ready with their gags and dizzy breaks
Walking side by side the song and dance man
Perfect music in their rear the band it makes

Announcing the attraction strong and great
Of the greatest show on earth and new creation
This is postitivly the last and only date

Hear the slide trombone the cornet and the bass
Hear tha leader playing one of Levy's solos
Triple toungeing till he$s scarlet in the face

Shadows on the wall

I left my old home when a boy to seek a fortune fair
For fortune seemed a merry dame with sunny golden hair,
But how she smiled when'er I fell and kissed the thistle dew
But soon I found her kisses rare and only for the few
How she led me ore the road rough with rocks and mire
How different from the scenes I had before the kitchen fire
When the fire logs were cracking loud and I built castles tall
But found them less than shaddows that were cast againthe wall

Cho,
Seated in the rocking chair before the kitchen fire
Watching how tiny sparks chase each other higher
How the old place took me back to childhoods days and all
The burning logs like long ago cast shadows on the wall

Fortune dashed away its cup and left me not a drop,
Twas then I wandered down the hill with out a place to stop
I found that friend ship heart and hand had turned to icy cold
Just as they found me but myself with out the yellow gold
I learned the bitter lesson that goes with every life
The wild mad race for wealth and power the toll of bitter strife
Man will keep a ever grasping till the last great call
Then he'll find them less than shaddows that are cast against
the wall ,

Once I tried she nearly died when your forty fivem I cried
Sir said she I have seen eighteen summers in my time
I fell dead only said How long were you blind,

Her Age it Was Red

Come list the story Im not going to tell
About a young couple who love they in fell
And the trouble began when she said she was boss
But tis along lane that geathers no moss
Now some time to come I remember it well
When alone in a poor house a maden did dwell
With her father and mother she lived all serene
And her age it was red and her hair was nineteen

Now close by this maden her lover did dwell
He was boweyed and cross leged and humped back as well
By the light of you star come fly with me
For you are the eye of my apple says he
Then says this young lady now dont be unwise
Or pappa will scratch out his nails with your eyes
If you love me dont bring me to shame and disgrace
And she nelt down and burried her hands in her face

Now the young man got angry and knocked down this maid
And hastly opened the knife of his blade
And made a big slash at the young girl so fair
Then he draged her all round by the head of the hair
When just at this moment the old man appears
And he gazed on the scene with his eyes in his tears
He knelt down beside her her cold corps he kissed
Then he flew at his throat with his murders fists

The old man then told this young lover to bolt
And drew a horse pistol he'd raised from a colt
And stabed him three times with his heart to the hilt
And he painted the blood with the town he had spilt
Now the young man fell down and reposed in his gore
He soon passed away and his troubles were O'er
The old man got hung and the very first crack
The knot in the rope broke the kneck of his back,

Way down in Georga

This Cat never Caught a Mouse
She sits on the fence and yells with glee
Sounds like an army out on a Spree
Now instead of one Cat we have three
Way down in Georga

We have lady firmen in our town - Yes -
up the ladder they go round by round
When the fire bell rings they climb into their clothes
grab buckets and up the ladder goes
and all the men come out to see the firmen (Fred)

We have lady doctors in our town - Way down in Yes -
When you sick they do you up brown
You call a doctor when you're near dead
She comes and on your stomach lays her dear little head
Now who in the hell can die in a case like that -----

A city girl went to milk a cow -----
She took a bucket but she didn't know how -----
She says why for goodness sake
Milk from this cow I can not take
Because this cows name was Jake -----

A young girl into a depot came ----
She bought a ticket for a town in Iowa ---
Then out of this depot this girl ran
While a mean old man with a gun in his hand
Shot her right in the depot right in the lunch stand
