DECEMBER 2004-JANUARY 2005

Kislev-Shevat 5765

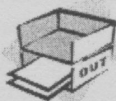

FROM THE RABBI

Ah, its December. Time for the December dilemma. This is the time we look into our backgrounds, our heritages, our souls, and have to make some difficult choices about which path of celebration we will choose. Will it be Wildcat Basketball or NFL Football? Especially now that the Bengals are getting better and the Titans are strong—it is a tough call! Come on, is there anything else important happening this month?

Okay, you thought I was going to talk about Chanukkah and Christmas. But, I guess that we have to really wonder whether this does present any type of dilemma any more. In an effort to make room for us during this season, we have found a way to completely keep up with our Christian neighbors—perhaps even out do them at this holiday season. Not only have we commercialized Chanukkah, but we have done so with menorot that can run thousands of dollars a piece. I really wonder what might happen if we took the gifts out of the holiday—okay out of the holidays. Would there still be cause for celebration and decoration? If there were no special holiday sales, no Santa for pictures, no designer dreidels, and the like...and no presents, how would we mark this time of year in a special way? Ok, the smell of latkes and donuts would flow through Jewish homes. The fruitcake that gets passed from generation to generation would continue to be brought, but not opened from gathering to gathering. Would there be a Christmas tree or a yule log? Would carolers fill the winter air with song? I would love to see how we might find ways to celebrate with each other, in each other's homes and with each other's traditions, if the holiday was only about celebrating our diverse community. This would, of course also mean that we cannot go about celebrating our respective holidays at the expense of each other's dignity, as well. This should not be a season where we oppress each other with our faiths, but one where we learn to celebrate each other. Radical thought, I know.

I would challenge our city to not give gifts this holiday, but we know it would never work—I would not be allowed in my own home if I got presents cancelled. But I do think that I can ask that we look well beyond presents in our celebration of respective holidays. Perhaps we can think of gift giving in a slightly different way. Maybe the gift of kindness and understanding towards each other might be nice. Randomly give those you encounter a kind word, bright smile, even where welcomed, a warm embrace.

SISTERHOOD NEWS

From the President, Marcia Brown

I hope everyone who attended our Bazaar enjoyed themselves and found all kinds of gifts for others and themselves! It was a fun evening and maybe it will become an annual event. The Hope Center was very happy to receive our donations for Homeless Awareness Month. As we were enjoying ourselves, we did not want to forget those who are not so fortunate. There is plenty of time to do some last minute shopping....our gift shop is still stocked with many gift items, dreidels and of course, menorahs and candles! Our fundraiser for Religious school has taken on a different twist.... so watch your mail for your invitation to join in and support our children. Every year Sisterhood has been fortunate to donate \$3500 to our Religious school. We hope you will participate and help us reach our goal this year. Sisterhood means so much to our Temple and all of our members mean so very much to sisterhood. It is never too late to join Sisterhood....there are many more programs and projects coming up....we have only just begun!! Your participation will have an impact on our Temple and enrich your life, as well. I want to wish everyone a very happy Chanukah.

L'Shalom

REPORT ON HADASSAH DONOR

Once again the members and friends of the Lexington Chapter of Hadassah contributed generously to make the Donor Phonathon very successful. To date we have received approximately \$10,000 in pledges with over half of the pledges already paid. In addition, we have 13 Keepers of the Gate who give annually at the \$1,000 level. We thank and appreciate every member and friend of Hadassah who donates to its worthy causes.

We also want to thank the volunteers who met to prepare the pledge letters and to make calls at the Phonathon and after for all their efforts.

If anyone has questions about making a Donor contribution or becoming a Keeper of the Gate, please feel free to contact Lynn Furness, Fundraising VP (859-873-0328) or Carole Wilson, Donor Campaign (859-277-0979)

ADULT EDUCATION

TORAH STUDY

Rabbi Kline conducts Torah Study in the TAI library, Saturdays at 9 AM on alternate weeks. He is joined by a congenial group that brings together members of TAI and others, who, following the ancient tradition of Judaism, love study and matters of the mind. The present study centers on the Book of Deuteronomy. If you enjoy wrestling with problems of life and faith, join this friendly group.

Dec/Jan schedule is 12/11, 12/25, 1/8, and 1/22.

KOLLEL STUDY GROUP

Joe Engelberg leads this study of fundamental ideas of Jewish life and thought. Among these are spirituality, the nature of God, a critique of Biblical and traditional injunctions and laws, Jewish history, principles of the Reform movement, the relation of Judaism to Christianity, Islam, and Buddhism. The purpose of the Kollel group's study is not to assert these principles as eternal truths, nor to refute them, but to discover the wisdom there is in them and to expand upon them. Drop in any time and join in the provocative and friendly discussion.

Dec/Jan schedule is 12/4, 12/18, 1/1, 1/15 & 1/29

Please send your new e-mail address to Sandee at Sandee@lextai.org so you can receive the weekly e-mail news. Many people have been dropped by the service due to incorrect e-mail addresses. We need your help to keep the data base updated.

ADOPT A SCHOOL **ASHLAND ELEMENTARY**

Science Fair Books Needed

Please donate science fair books to Ashland's teachers and students. Exciting ideas for projects and experiments needed! You'll find the collection container in the main Temple hallway.

Help Ashland students develop their science fair projects Fridays from 1:30 - 2:30. For more information call Deb Kratzer at 223 -8601.

Coats Needed

Ashland Elementary requests the donation of adult size coats and jackets for students. Children's coats are provided to the school by the Rotary Club, but some students are in need of larger items. Please be generous as you clean out your closets!

TAI Voices at Ashland Elementary

Books, tapes, and cassette recorders are waiting for you in the Temple office! Stop by, find a quiet spot and record a book for the students at Ashland. We need male readers, female readers, mature voices, (fluent) children's voices. Give Ashland students the pleasure of being "read to" by many voices from our congregation.

Homework Help

The Social Action Committee is investigating the need for supervised homework sessions to be held once each week from 5-7 PM at TAI. Interested? Call Sandee at the Temple office and let her know!

Tutoring With a Side of Mentoring

article submitted by Etta Pollan

When we first adopted Ashland Elementary School, I volunteered to become a tutor. I looked upon this as one of my minuscule contributions to repairing the world. But it has become so much more.

I work mostly with second graders who have not quite caught on to reading. Sometimes the problem is easily fixable — how to slide from one syllable to another or a trick to remember that the word starts from the left. Sometimes there are more complex challenges that take patience and endless repetition. Sometimes my charges make rapid strides, sometimes not. But always these children know that someone is interested in helping them.

When I walk into a classroom and see a pair of shiny eyes light up, when I get a shy smile of accomplishment, when I get an impulsive hug or a high five, my world is bit brighter, too.

FROM THE RABBI (from page 1)

In as much as both Chanukkah and Christmas are both tied to the solstice, and both celebrate light, maybe we should help bring more light into each other's lives. Additionally, and by no means an after thought, the Georgetown Mosque will be opening its new home this season. Maybe, just as we join our Christian neighbors in making this season brighter, we can help celebrate the welcome of the Islamic congregation into their new home. With the painful news that seems to be unyielding around the world, let's become the *rod'fae shalom*, the pursuers of peace. Give the gift of life to our community, and our wider community. Help make this a season in which we can all find cause to celebrate. Oh, and by the way, Go Cats!

KROGER CARDS HELP TAI!

Kroger cards are a great way to help our entire congregation with minimal effort. It's simple! It's easy! It's Tzedakah! Go to Kroger for your groceries, prescriptions, etc. and add to our communal pushke every time you use your card!

This is how it works. Purchase your \$5 Kroger card from the Temple office. You shop at Kroger the way you normally do, and Temple Adath Israel gets 5% back on the total amount all the cardholder's spend. The only difference is that before you pay for your items, you present your card to the cashier for payment, like a credit card. The card can also be used at the U-Scan lanes. You may use your VISA or other credit cards to recharge your Kroger card...**and add up the miles and points at the same time!**

If you know you are going to spend over the amount on the card, just recharge the card before you check out, up to \$100 at the register or up to \$500 at the customer service desk. You can keep using and recharging your card indefinitely. And again TAI benefits every time Kroger sends the monthly check.

Remember, that in order for TAI to receive credit, the card must be purchased initially through TAI. If you lose your card or want to purchase additional cards for family members or friends, please call the Temple office. **KROGER SHOPPERS...GET YOUR CARD THIS MONTH AND START HELPING TEMPLE ADATH ISRAEL!**

5765: A YEAR OF FOCUS ON POVERTY

CHANUKKAH/NER SHEL TZEDAKAH: A Night of Gifts for Those in Need

As a part of this year's special initiative, the candle we light on December 10, the night of our Temple's Chanukkah Pot luck dinner, will be dedicated as a candle for those in need. On this night (or on any night you may choose) we encourage families to give to a charitable organization or donate to a gift collecting group such as the toy collection drive by Lexington's Firefighters or the Angel Tree program at Fayette Mall.

Drop off a new and unwrapped child's toy at Temple during Chanukkah and your donation will be delivered to the firefighters' toy drive.

BOOK DISCUSSION GROUP

On October 27, a group gathered to discuss the book, The Red Tent. We so enjoyed ourselves that we decided to do it again. On January 26 from 7:30 – 9 PM we will meet in the Temple Library to discuss The Ladies Auxiliary by Tova Mirvis. If you want to order the book as part of a discounted group order, contact Toni Reiss by Dec. 7.

Come One, Call All, to the TAI Chanukkah Carnival

December 12, 2004, 12:00 PM at TAI

The social action committee is once again sponsoring a Chanukkah Carnival. Everyone is invited and there will be plenty of games and activities for the kids with fun prizes. In addition, there will be latkes, pizza, baked goods and a garage sale and silent auction for both children and adults. Please mark this event on your calendar and come out for a wonderful time and celebration. If you would be interested in helping with the event or baking goods for the sale, please contact Ray Archer at 219-9854 or email him at rarcher@midway.edu. A portion of the proceeds will go to the TAI religious school's social action fund.

TU B'SHEVAT CELEBRATION

MONDAY, JANUARY 24, 7 – 8:15 PM

Come celebrate Tu B'shevat, the new year of the trees, with a dessert seder. Rabbi Marc Kline will lead our seder and David Gabbard of the Lexington-Fayette County Division of Engineering will tell us about ecological and environmental programs around town. We'll also learn ways to contribute to the well being of our planet in our daily lives. This program is for people of all ages!

TRYB MEMBERSHIP GROWING

Our Temple has much to be proud of in the attitudes and behavior of our teenagers. One example is the growing membership and participation in the high school youth group, TRYB. TRYB members join together for social action projects, educational programs, regional NFTY events, and recreational activities. TRYB's membership reflects the diversity of our congregation and shows how teens with a wide variety of interests can come together. This year's membership includes:

Rachel Rosenberg	Rachel Plavin
Rachel Heller	Leah Martin
Katie Rose Taulbee	Kaitlin Graff
Jared Noffsinger	Janelle Geddes
Jordan Barnhill	Gabi Price
Danny Engel	Celia Sogin
Ariel Gold-McCoy	Allison Schneider
Alan Sea	Miles Heymann
Joshua Kline	Jensyn Kaplan

Alex Harrison

(If we missed your name please let the office know)

It is never too late to join TRYB and participate in their activities. Contact TRYB president Jordan Barnhill or TRYB advisors Mary Engel or Nancy Redmon or Program Coordinator Toni Reiss for more information.

We Need Your Help!!! (And your junkie)

The Social Action Committee is asking for your **donations of garage sale and silent auction items for the Chanukkah Carnival**. Garage sale season has pretty much come to a close, so if you missed out and still have items that you don't need, we'd greatly appreciate you bringing them to the Temple and donating them for the sale. The event is scheduled for December 12th, so the sooner you can bring them in, the better. And don't forget to come enjoy the Carnival. Thank you in advance for your support.

PRESCHOOL

Laura Creamer, Preschool Director

November was a busy month in our preschool classrooms! The 2 ½ and 3 year old classes learned about kindness and Thanksgiving and have had a great time hugging and being extra nice to each other! The 4 year old class did all kinds of fun science experiments, learned about the "wild west" and spent lots of time talking about Thanksgiving and all we have to give thanks for. Our Thanksgiving basket food drive for God's Pantry was a big success and thank you to everyone who contributed! It was a wonderful lesson for our children to give to others who are in need. Our students dressed up as Pilgrims and Native Americans, and came together for a Thanksgiving feast that was enjoyed by all!

Chanukkah will also be a very special time in our classes. We will hear Chanukkah stories, learn some Chanukkah songs, and celebrate by lighting the menorah, playing with dreidels, eating latkes, and making gifts for our families.

You may have noticed a new layer of mulch on our preschool playground. A huge thank you to Tom Kimmerer, Will Kimmerer, Gregory Kimmerer, David Levine, Trevor Creamer, Maya Creamer, and Julia Creamer for spending a Saturday afternoon spreading mulch and drinking hot chocolate (it couldn't be all work!) It looks great!

I would also like to thank the Preschool Committee for all of their time and effort and investment in our preschool! Mimi Kaufman, Rebecca Young, Jacquelin Sugarman, Eve Stern and Eileen Keplinger are a wonderful group of women to work with!

We are planning a big yard sale for our Spring fundraiser, and are starting to collect now! If you have anything that you would be willing to donate, please contact Laura Creamer at the Preschool.

I can't believe it, but registration for the 2005-2006 school year begins January 1, 2005. The enrollment policy is as follows:

January 1-January 19 – Pre-registration for class members and siblings. A sibling is defined as a sister or brother of a child attending TAI Preschool presently or who has graduated from the four year old class. **January 20-January 31** – Pre-registration for Temple members. **February 1** – Pre-registration open to the community.

There are still a few openings in all of our classes for this school year.. For more information about Temple Adath Israel Preschool, call Laura Creamer at 269-1915. Happy Chanukkah and I hope everyone enjoys the Winter Break!

RELIGIOUS SCHOOL

Jane Gris , Youth Education Director

November was filled with lots of activities in Religious School and we are looking forward to many celebrations in December and January. On November 12th, our fourth grade class did a wonderful job leading services and sharing their thoughts about prayer. In conjunction with the Pre-School, we collected lots of food for Thanksgiving baskets at God's Pantry. In November, our Confirmation class traveled to Washington, D.C. for the Religious Action Coalition L'Taken weekend and learned a great deal about the workings of our government. Finally, we held a wonderful Jewish book fair in November. Many thanks to everyone who volunteered to help set up and work at the fair. Many thanks as well to Rachel Belin who completed another year teaching our 9th grade students about the Holocaust, Roy Meckler who has introduced our 7th graders to other religions, and Cory Erdmann who has guided our 8th graders through many wonderful Jewish movies. In December, our sixth grade class will be leading a Saturday morning service on December 4th and our fifth grade class will assist with services on December 10th. Our 9th graders will begin units on Tikkun Olam with Jonathan Miller and Genealogy with Garry Hoover and Lowell Nigoff. In January, our 8th graders will begin many wonderful art projects with Linda Noffsinger.

Finally, thanks to all of our wonderful Hebrew teachers. Our parents are learning at an incredible speed thanks to the guidance of Stephanie Barrett. Our 8th graders are learning conversational Hebrew with Stephanie. Elissa Brown is introducing our 3rd graders to Hebrew. Corey Kline and Matthew Wynne are working with our 4th and 5th graders and Rabbi Marc is guiding our 6th graders through the prayer book. Hebrew is progressing so well that we are planning to expand our Hebrew curriculum even more for next year. Please join us at our Youth Education meeting in December so that we can begin the process of planning for next year.

PLEASE LET US KNOW!!!

As a result of patient confidentiality, some area hospitals will not release to us the names of Jewish patients when our Temple office calls. Therefore, Rabbi Kline and the Temple are relying on you to let us know when someone is in the hospital. Please call us when you know about someone going into the hospital. Your help in this matter is invaluable.

FEBRUARY 2005

Shevat-Adar I 5765

FROM THE RABBI

As I approach this coming month, I do so with the beginning stages of "Bat Mitzvah Fear." Ilana will ascend the bimah and celebrate her Bat Mitzvah in just two months. I look at her and still see a little girl cuddling in Daddy's lap, yet to really look at her is to see a young lady, ready to start placing her thumb-print on the world. While I am getting nervous about all of the things that Bar/Bat Mitzvah parents get nervous about, I am also afraid. I fear that the world in which she will walk is filled with pain and violence, and worst of all, a strange form of apathy. We see things happening all around us, and the choices of where we choose to participate or not seem just bizarre. We justifiably will help victims of catastrophes all over the world, but not feed the homeless in our own communities, themselves victims of catastrophic albeit more personal circumstances. Of even greater concern, is that our generations seem to rise to the occasion to assist where there is need resultant from some destruction, but we do not show up to assist where there is celebration. And, in truth, the failure to show up in each other's lives for celebration can be just as devastating as not showing up to help heal those who suffer. Imagine having no one with whom to share good news? Imagine winning the race and having no one there to greet you? Imagine the loneliness of having no one to turn to you to share your pain – and no one with whom to share your joy.

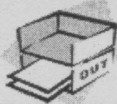

People join Temples to join a family. We offer a lot more than just a religious school. We offer a host of opportunities for people to engage each other. We need to do a better job of showing up for each other. Regardless of the Bar/Bat Mitzvah student and family, it is the Temple's Sabbath worship. A Temple funeral acknowledges the passing of a member of our Temple family and the need of another family member for our time, compassion, and attention. When our teenagers go through Confirmation, they take the first step to becoming our next generation of Temple Officers. When our First Graders receive their Torahs on Simchat Torah (consecration), our entire community becomes responsible for their education. With all of the things that we do have to fear "out there," we should actively be able to count on everyone "in here" to help make our celebrations more joyous and our trials easier to bear. Where do not care what is happening to another family in our congregation, we diminish the value of our membership here. Where we invest ourselves in each other, the dividends for both ourselves and our congregational future become too numerous to count.

FROM THE PRESIDENT'S DESK

When I became President of TAI, I asked you to step out of the box and try something new and out of the ordinary. I feel we have succeeded in doing this with our board meetings, our innovative Hebrew/Religious School, and with the various styles of Shabbat worship services we offer. Now, I need you to take this out of the box thinking one more step forward. In February you are going to be presented with a new membership contribution design, one that incorporates our Jewish values as well as the financial needs of the Temple. You will have opportunities to discuss the new design, and the members of the Board look forward to hearing from you.

L'Shalom,

Starr Gantz, President

SISTERHOOD NEWS

From the President, Marcia Brown

Here we are...it is 2005...we have made resolutions to organize, get in shape, get involved and prioritize our lives. I can't think of a better way than to join in the Sisterhood activities and programs for the coming months!!! Sisterhood has so much to offer, whether you want to become more involved in the Temple community and would like to meet and socialize with the women of TAI, or be involved in the Lexington community. We welcome new and old faces with open arms!! It is never too late to join. Sisterhood would like to give a big THANK YOU to all who participated in our fundraiser. We reached our goal for our annual donation to the religious school of \$3500. Our children are so important...Sisterhood is all about supporting our Temple families. Many bottles of champagne were delivered along with our heartfelt thanks. Also, we wanted to show our appreciation by drawing for Fayette Mall gift cards. The winners of the gift cards were: Jack & Susan Miller, Ira & Anita Mersack, Erin Gold, and Jeff Davidson & Janet Tamaren.

Our program in January was an informative, fun evening with Sandy Linville, owner of SOS Professional Organizer, Inc. We enjoyed a casual dinner and learned the ABC's of getting organized and most important how to stay organized!! Coming up this month, we will host the annual Valentine dinner for the residents of the Florence Crittenton Home. We will provide a dinner, fun activities and friendship for a few hours for some very special young ladies. We will join hands with the women of the Jr. League for this event. It is a great community event...just to see the smiles and joy on the young girls' faces is definitely worth giving a few hours of our time. If you have not been able to participate in any program this year why not start with this worthwhile event!!! We have many programs planned. So please watch the calendar and I look forward to seeing all of the women at TAI!!!!

L'shalom
Marcia

ADULT EDUCATION

TORAH STUDY

Rabbi Kline conducts Torah Study in the TAI library, Saturdays at 9 AM on alternate weeks. He is joined by a congenial group that brings together members of TAI and others, who, following the ancient tradition of Judaism, love study and matters of the mind. If you enjoy wrestling with problems of life and faith, join this friendly group.

February schedule is 2/5 and 2/19.

KOLLEL STUDY GROUP

Joe Engelberg leads this study of fundamental ideas of Jewish life and thought. Among these are spirituality, the nature of God, a critique of Biblical and traditional injunctions and laws, Jewish history, principles of the Reform movement, the relation of Judaism to Christianity, Islam, and Buddhism. The purpose of the Kollel group's study is not to assert these principles as eternal truths, nor to refute them, but to discover the wisdom there is in them and to expand upon them. Drop in any time and join in the provocative and friendly discussion.

February schedule is 2/12 and 2/26

FINDING A JEWISH PATH WHILE THE GROUND SHIFTS BENEATH US

The class takes place on the following dates: 2/13/05, 3/20/05, 4/17/05, and 5/22/05. This is an adult discussion group led by Larry Kant, that studies traditional Jewish sources in novel ways as we seek to reclaim a modern Jewish path. As in previous years, times are on selected Sundays from 10:00 am until 12 noon. This year our theme will be "Difficult Bible Passages."

Please send your new e-mail address to Sandee at Sandee@lextai.org so you can receive the weekly e-mail news. Many people have been dropped by the service due to incorrect e-mail addresses. We need your help to keep the data base updated.

The 2005 One World Film Festival has again this year scheduled a film of "Jewish" content. It will show the film, "Monsieur Ibrahim," on Tuesday evening, Feb. 15, at 7:30 p.m. in the theatre in the Central Public Library (downtown, 140 E. Main St.) The film showing is free of charge, and is open to the public. The Hadassah Organization will sponsor a reception following the showing of the film. The film, rated R, is in French with English subtitles, and stars Omar Sharif as Ibrahim. It takes place in Paris, in the early 1960's, in a working class neighborhood, and is the story of two unlikely characters - a young Jew and an elderly Muslim (Sharif) developing a friendship that will change their lives forever.

For a complete listing of films, contact Annette Mayer, chair of the festival, at 266-6073. As soon as a complete schedule is available, a copy will be posted in the

FROM THE RABBI (from page 1)

Look at the calendar. Plan on being part of the many celebrations that stand on our horizon. You do not have to bring a gift and you do not have to even know the family. Your support is their gift and by being here, you can begin the journey of knowing each other more intimately.

OTHER NEWS

KROGER CARDS HELP TAI

Kroger cards are a great way to help our entire congregation with minimal effort. It's simple! It's easy! It's Tzedakah! Go to Kroger for your groceries, prescriptions, etc. and add to our communal pushke every time you use your card! For the month of December, our net profit was approximately \$780.00

This is how it works. Purchase your \$5 Kroger card from the Temple office. You shop at Kroger the way you normally do, and Temple Adath Israel gets 5% back on the total amount all the cardholder's spend. The only difference is that before you pay for your items, you present your card to the cashier for payment, like a credit card. The card can also be used at the U-Scan lanes. You may use your VISA or other credit cards to recharge your Kroger card...and add up the miles and points at the same time!

If you know you are going to spend over the amount on the card, just recharge the card before you check out, up to \$100 at the register or up to \$500 at the customer service desk. You can keep using and recharging your card indefinitely. And again TAI benefits every time Kroger sends the monthly check.

Remember, that in order for TAI to receive credit, the card must be purchased initially through TAI. If you lose your card or want to purchase additional cards for family members or friends, please call the Temple office. KROGER SHOPPERS...GET YOUR CARD THIS MONTH AND START HELPING TEMPLE ADATH ISRAEL!

RELIGIOUS SCHOOL NEWS

Jane Gris , Youth Education Director

We are off to a wonderful start in 2005. In January, our teachers attended a great conference in Knoxville where Rabbi Seymour Rossel gave workshops on teaching spirituality in the classroom and creative classroom techniques. We are planning another teacher workshop on February 21st where we are going to be focusing on Hebrew education.

We are beginning to plan for next year and the Youth Education Committee has decided to make one time change for 2005-06. All students will begin class at 9:30 and all classes will end at noon. This time change should be more convenient for families with students in different grades. This change will also enable us to incorporate more Hebrew in our classes.

Our Fourth Grade prepared a wonderful service in November in which they shared their observations on prayer. Thanks to Elissa Brown, the Fourth Grade Teacher for all of her hard work in preparing this service. Below are the thoughts of the fourth grade students:

Jordan Cohen—When I hear the word prayer, I think of being at Temple and of thanking God for many things that I am fortunate to have. I think of reading Hebrew and going to services. I think of prayer as the way we speak to God. Prayer is what I do everyday. It is a tradition that will last forever.

Zachary Myers—Prayer means relaxing because you are free. Prayer is religion for different people. Praying is very religious.

Charlie Flomenhoft—When I think about prayer, I think about forgiveness. When I pray, I think about forgiveness because I ask God to forgive me for all of the things that I did wrong that week. I also thank God. I thank God because God has let me be here. When I think about prayer, I think about God knowing that I'm here. I'm glad he thinks about me because then I know he loves me.

William Keplinger—Prayer means to me that God is with us. Prayer also means that people are not fighting and people are helping others. I also want to see people do their best in everything. I think it also means that Jews are united.

(continued on next column)

Ian Bourne—To me, prayer means that God knows I'm here and he is watching over me. Prayer means as I go through my days and through my weeks, months and years, God is looking out for me. He is like my captain, my leader. Prayer means that God is here by my side until I die.

Logan Gardner—Prayer means to me... that God can forgive me for all I have done wrong. It means that I will be blessing God that I am here today. I think of words that I don't understand. I think of lots of Hebrew words. It means I can get a chance to say thank you to God for all he's done for me. It means I get to thank God for creating the environment and world we live in. Prayer means that I have to obey the Ten Commandments. It means I can pray for peace, for joy and for health. It means I can pray the way my ancestors did and bless the way my ancestors did. It means I can pray for a good year, a good week and a good day.

Sam Miller—When I think of praying, I think of thanking God. I get relaxed when I pray. I hope that God will forgive me. When I pray I think of Hebrew. I want to tell God that I am here. I pray for the people in Iraq not to have enemies and to have friends.

Ryan LaZur—When I think of prayer, I think of a lot of things. I think of singing a bunch of jumbled up letters. I think of singing about thankfulness in a different language. I also think of singing about forgiveness in Hebrew as well. Usually I don't like to pray, but then I think of people that don't have anything to be thankful for. So that's what I think of when I think of prayer.

Emma Beck—To me prayer means asking God for forgiveness. When I pray, I thank God for giving me such a good life and family. Prayer also reminds me that I am a Jew. I think of words that I don't understand. I think of the Rabbi reading out of the Torah. I hear the shofar sound and I also think of sitting with my family in the synagogue. Last but not least, I thank God for giving me such good friends.

PRESCHOOL

Laura Creamer, Preschool Director

Happy New Year!! I hope that everyone had a wonderful holiday season and that your new year is going well!! All of the children grew so much both physically and developmentally over the winter break! A lot went on in the classrooms during January. The 2 ½ and 3 year old classes learned more about Winter and had a good time with their Animals unit. They made mittens and snow scenes out of fun materials, and sang, talked and heard stories about cats, dogs, and other animals. The 4 year old class had "pajama day", learned about outer space and discovered animals. Both the 3 and 4 year old classes loved their visit from the Humane Society and the dog they brought! We bundled up and spent as much time as we could outside on the dry, sunny days and had a great time in the Ball Room on those inclement days. The Extended Day children had a wonderful time with a circus snack, making their own pizzas, and just having more time to play together! Don't forget to save all of your "unwants" for our Spring Yard Sale. The exact date will be coming soon!

Enrollment for the 2004-2005 school year is currently underway. **So, if you have a child who will be 2 1/2, 3 or 4 years old by October 1, 2005, there are openings in the Preschool. Temple members have priority, so contact Laura Creamer for the coming school year at 269-1915 for more information.**

PLEASE LET US KNOW!!!

As a result of patient confidentiality, some area hospitals will not release to us the names of Jewish patients when our Temple office calls. Therefore, Rabbi Kline and the Temple are relying on you to let us know when someone is in the hospital. Please call us when you know about someone going into the hospital. Your help in this matter is invaluable.

Temple Adath Israel Bulletin

MARCH 2005

Adar I-Adar II 5765

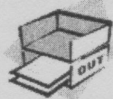

FROM THE RABBI

I thought long and hard about what to write this month. This is the month wherein we celebrate Purim. This is also the month wherein we will see just how close we can come to peace in Israel. The two seem at such opposite ends of the spectrum; a carnival on one hand and a prayerful vigil on the other. And, while we cannot be sure that the Purim story is actually based in history, we know that it has motivated tremendous celebration throughout history. So I tried to imagine the first Purim celebration, the year (generation) after the events of the book of Esther. And in doing so, I found myself realizing that the connection between the "Peace Process" and Purim is not tenuous, at all.

The Book of Esther ends after Mordechai launches a pre-emptive strike against the Persians. This attack struck them with such fear after the death of thousands of their neighbors that they converted to Judaism out of fear of Mordechai. He was responding to an order, signed by the king, calling on all Persians to slaughter the Jews living amongst them. See Chapters 8 and 9 of the book for details. And then the light bulb lit, and I understood the connection. Israel has been living under the fear of an edict by its surrounding Arab neighbors calling for its death. Several times in Israel's short history; she has felt the need to strike first, to keep the amassing artillery mounting at her borders from organizing for the assault into her midst. Certainly there are cases to be made that even a pre-emptive strike is still an act of war. And, there will be those in the world who declare that the brutal pre-emptive strike of Mordechai is akin to the work of IDF in the Region, West Bank and Gaza. But, this would ignore both the King's edict to kill all the Jews on a date certain, and more to the point, the continued threat of destruction and actual terrorism occasioned upon Israel throughout its history. The story of this dance with death is not limited to the Middle East. There are many nations who live and die by this story. The names change and the weaponry and rationality may change, but the wars are all the same. Power, greed, and intolerant egos provide the backdrop for all war. Even where one begins with the pre-emptive strike, it only became necessary because of the need to repel the threat of attack. One's perspective will determine one's view on who started the war, but it is madness to think it justifiable at all.

(continued on page 7)

FROM THE PRESIDENT'S DESK

We join a Temple for many different reasons and needs. For me as a congregant my heart and soul are enriched by our Temple community. The richness of my Jewish life comes from participation in the many ways a Temple becomes a place of worship, a place of study, and a place of community.

At the end of this fiscal year—April 30, we will have depleted our surplus savings. The Budget Committee will be presenting a deficit budget to the Temple Board. For Temple Adath Israel to not only provide for our needs today, but those of tomorrow, we need you to truly assess what the Temple means to you. It is difficult to place a value on this, but that is what we the Temple Board need for you to do. We are asking you to give from your heart and for the future of Temple Adath Israel.

L'Shalom,
Starr Gantz, President

SHABBAT ACROSS AMERICA - MARCH 4 A DISPLAY OF JEWISH REVITALIZATION AND UNITY—DINNER 6:15 PM—SERVICE 7:30 PM

TAI will be one of over 700 synagogues across America that will simultaneously open its doors to practicing and non-practicing Jews alike, so they may join together to rejoice in a Shabbat service and festive meal. Temple members are asked to bring a side dish or salad. The Temple will be providing roasted chicken as the entree. Please RSVP by March 1 and note if you will need a vegetarian entrée.

Please help to publicize this event by inviting people you know to join you. Also, flyers are available in the Temple office and we would appreciate your help in getting them posted on local community bulletin boards.

SISTERHOOD NEWS

From the President, Marcia Brown

On February 13th, Sisterhood hosted, along with the Jr. League, the Florence Crittenton Valentine's dinner for 9 residents. The girls made bracelets and picture albums and then we dined together, girls and members of both groups. I am not sure who had more fun...the girls or the volunteers! How nice to join hands with another women's group for a worthwhile community project. March is always our Mitzvah Crib month. Please donate new baby items that will be donated to a local children's charity. The crib will be located in the Temple foyer. March 11th will be an evening for all Sisterhood members, their friends and families to join together in worship. This is our Sisterhood Shabbat. Please join us in a creative service, celebrating and welcoming Shabbat.

As an organization, Sisterhood supports the Yes Fund. Every time you send a donation for a Uniongram or purchase Yes Fund cards in our gift shop you are helping to support the Jewish Braille Institute of America, World Union for Progressive Judaism, Hebrew Union College and the Union of American Hebrew Congregations. This is such a meaningful and special way to honor, congratulate or share in joy or sorrow with your friends and families. Here are some reasons why buying Uniongrams and cards are so important.

They are pretty! They are less expensive and nicer than the cards in the regular stores. Our Sisterhood profits from the sale of the cards. The people who receive them know you have helped the Youth, Education and Special Projects Fund of WRJ. Every rabbinic student receives scholarship assistance from the money raised through the sale of YES Fund cards and Uniongrams. With the monies raised from the sale of the cards, activities for high school and college-age youth are supported through NFTY. Special Projects of religious education, social and humanitarian concern are supported through the sale of the cards. Our Sisterhood can be listed in the Book of Honors by achieving the highest level of Roll of Honor. You have the personal satisfaction of knowing that you have done a mitzvah - you have supported your own Sisterhood and you have helped others. **THE YES FUND IS THE OLDEST, ONGOING COMMITMENT SHARED BY THE WOMEN OF REFORM JUDAISM.** Please know that every donation does make a difference! Share in that commitment!

L'Shalom, Marcia

KROGER IS EASY AND A FUNDRAISER!!!!

Kroger cards are a great way to help our entire congregation with minimal effort. It's simple! It's easy! It's tzedakah! Go to Kroger for your groceries, prescriptions, etc. and add to our communal pushke every time you use your card! **NOW YOU CAN PURCHASE GAS WITH YOUR KROGER CARD!! WE ALL NEED GAS AND FOOD!**

This is how it works. Purchase your \$5 Kroger card from the Temple office. You shop at Kroger the way you normally do, and Temple Adath Israel gets 4% back on the total amount all the cardholder's spend. The only difference is that before you pay for your items, you present your card to the cashier for payment, like a credit card. The card can also be used at the U-Scan lanes and now at the gas station pumps. You may use your VISA or other credit cards to recharge your Kroger card....and add up the miles and points at the same time! If you know you are going to spend over the amount on the card, just recharge the card before you check out, up to \$100 at the register or up to \$500 at the customer service desk. You can keep using and recharging your card indefinitely. And again TAI benefits every time Kroger sends the monthly check.

Remember, that in order for TAI to receive credit, the card must be purchased initially through TAI. If you lose your card or want to purchase additional cards for family members or friends, please call the Temple office. **KROGER SHOPPERS....GET YOUR CARD THIS MONTH AND START HELPING TEMPLE ADATH ISRAEL!** Last month, Temple netted about \$800.00 from not even 1/3 of our Temple families....just think if we all tried and used our Kroger card this month!!

A special thanks to Etta Pollan for filling in for the secretary one day in February while she was out of the office

ADULT EDUCATION

TORAH STUDY

Rabbi Kline conducts Torah Study in the TAI library, Saturdays at 9 AM on alternate weeks. He is joined by a congenial group that brings together members of TAI and others, who, following the ancient tradition of Judaism, love study and matters of the mind. If you enjoy wrestling with problems of life and faith, join this friendly group.

March schedule is 3/5 and 3/19.

KOLLEL STUDY GROUP

Joe Engelberg leads this study of fundamental ideas of Jewish life and thought. Among these are spirituality, the nature of God, a critique of Biblical and traditional injunctions and laws, Jewish history, principles of the Reform movement, the relation of Judaism to Christianity, Islam, and Buddhism. The purpose of the Kollel group's study is not to assert these principles as eternal truths, nor to refute them, but to discover the wisdom there is in them and to expand upon them. Drop in any time and join in the provocative and friendly discussion.

March schedule is 3/12 and 3/26

FINDING A JEWISH PATH WHILE THE GROUND SHIFTS BENEATH US

The class takes place on the following dates: 3/20/05, 4/17/05, and 5/22/05. This is an adult discussion group led by Larry Kant, that studies traditional Jewish sources in novel ways as we seek to reclaim a modern Jewish path. As in previous years, times are on selected Sundays from 10:00 am until 12 noon. This year our theme will be "Difficult Bible Passages."

Please send your new e-mail address to Sandee at Sandee@lextai.org so you can receive the weekly e-mail news. Many people have been dropped by the service due to incorrect e-mail addresses. We need your help to keep the data base updated.

RABBI KLINE OFFERS WEDNESDAY ADULT ED CLASSES AT 7 PM & 12:15 PM

These classes cover varied topics that relate to Judaism and are of interest to the Lexington community. They are free and open to all. Please come join us for an informative discussion of topics.

TEACHING OPPORTUNITIES IN CHINA

On November 21, 2004, Dr. David Wachtel was made an honorary citizen of Changsha, Hunan, China. He returned for the ceremony that was conducted in the city's civic center. Changsha is a city larger than Chicago and has only given this award 23 times in its history. The other 22 were all business people. Dr. Wachtel has been bringing American volunteers to the Changsha College of Education to teach conversational English to public school English teachers.

If anyone is interested in joining the teaching team, feel free to contact Dr. Wachtel at david.wachtel@kctcs.edu. You need only to be a native English speaker and a college graduate.

GOLDMAN UNION CAMP INSTITUTE FOR THE TIME OF YOUR LIFE

Goldman Union Camp Institute is, once again embarking on what looks to be an outstanding summer experience for our children. Our faculty and staff are in place for the summer and program planning is well underway. GUCI provides our children with a rich, Reform Jewish experience along with swimming, sports, outdoor camping, arts, games, fun and friendship, in a beautiful wooded camp setting. Our campers make friends for life here at camp and enhance their Jewish identity along the way. It is a remarkable experience.

Space is still available for boys and girls for this summer. Please ask for a camp brochure at your Temple office or contact me, Rabbi Ron Klotz at 317-873-3361 or at gucioffice@aol.com for more information. Camp can be a wonderful, life-changing gift for your child or grandchild. I hope to see you at G. U.C.I. this summer.

GUCI NEEDS TWO MORE DOCTORS

GUCI is still searching for two doctors for the final week of the regular camp summer, July 24 to July 31 and July 31 to August 7. A substantial camper tuition discount is given to volunteer doctors. Please consider this adventure and contact GUCI at above phone or email address.

Volunteers to help develop science fair projects are needed Fridays from 1:30-2:30. Schedule is posted in the Temple office.

PRESCHOOL NEWS

Laura Creamer, Director

We sure are looking forward to Spring at the Preschool! Flowers will be planted in our window boxes, the playground will dry out and we can get some fresh air! We made a cardboard "house" to play with in the "Ball Room", so that makes the cold, rainy days more fun! Our 2 ½ and 3 year old classes spent the month of February learning about Tu B'Shevat., Valentine's Day, weather, and lots of other fun stuff! Our 4 year old class explored the rain forest and had a fun Valentine's Day! Those children that stayed for Extended Day enjoyed Valentine's games, messy art day, and our friend the librarian came to read us stories! We had a great time at our Winter Family Dinner with Cambo the Clown! And the food was delicious!

Don't forget our Yard Sale on Friday, March 11th from 8 AM until 2 PM. We will have all kinds of children's clothing, toys, and accessories! We will also be selling lots of "adult" things too!

Temple Adath Israel Preschool registration and enrollment for the 2004-2005 school year is now underway. Our wonderful and nurturing teaching staff will return for another exciting and fun-filled year, and we plan to fill our enrollment to capacity. For more information about our preschool, to schedule a visit, or to enroll your child for the coming year, call Laura Creamer at 269-1915.

RECYCLE YOUR EMPTY ROSH HASHANAH BASKETS

You can benefit the Preschool by bringing your empty Rosh HaShanah baskets to the Temple office. Preschool will use the donated baskets in future projects

FROM THE RABBI (Cont'd)

(from page 1)

The goal of Purim is to bring us to a spiritual place where we can see each other as equals. We hide behind masks not to hide from the world, rather to walk away from the things in life that separate us from each other. There is no rich or poor – or status, behind the masks on Purim, and all gifts given on Purim (the candy and pastries) are all of equal value. In the same sense, in negotiating peace, there can be no winner or loser. There must be some equal compromise made between the parties. And, we, those who make the peace real -- who make the holiday celebratory, are charged with the command to be pro-active in fulfilling our roles. We can no more make a holiday fun by standing on the sidelines waiting for someone else to make the party, than we can stand by and wait for some one else to make peace and build bridges. Purim will be without value, unless each of us engages someone else to build a bridge where only an impassable valley exists. A document of peace can only survive if the people break down the barriers that separate them and find common causes for celebration. There is hope for peace in the world, as we approach this season. May Purim lead us to actively participate in that hope, so that as we celebrate the holiday, we look to the world and find ways to help it end the cycle of war in which we are locked, and turn to celebrate life.

ONE WORLD FILM FESTIVAL PRESENTS

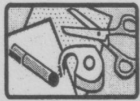

"PAPER CLIPS"

The One World Film Festival series will show the Miramax documentary, "Paperclips," on Wednesday, March 9, at the Kentucky Theatre. There will be several showings of the film, which runs 90 minutes, and all are open to the public, free of charge. The two early in the day showings, 10:00 AM and 1:00 PM, are primarily for school children. However, if this is the only time someone can make a showing, feel free to do so. The other showing is at 7:30 PM.

Whitwell Middle School, in rural Tennessee, is the setting for this documentary about an extraordinary experiment in Holocaust education. Struggling to grasp the concept of six-million Jewish Holocaust victims, the students decide to collect six-million paper clips to better understand the extent of this crime against humanity. They selected paper clips because the Norwegians wore them during the war as a sign of silent protest. The film details how the students met Holocaust survivors from around the world and how the experience transformed them and their community.

One World Films has received special support from the Central Kentucky Jewish Federation, Thomas and King, and an anonymous source to make this film showing possible.

RELIGIOUS SCHOOL NEWS

**Jane Gris , Youth
Education Director**

In March we begin to think about the possibility of spring and the fun of Purim. This year, we are conducting a mini-fund raiser related to Purim. Our Purim Penny Contest will be conducted in the following manner. Each class is decorating a milk jug with the face of an ugly Haman. These jugs will be displayed and you can vote for the ugliest Haman by placing pennies in the jug. You can also vote against other Hamans by placing larger coins or bills in opposing jugs. At the end of the contest, we will count the pennies and deduct the larger coins or bills from the penny total. The class with the most pennies, less the total of the larger coins or bills, wins the contest. This is a great way to have fun and help benefit the Religious School.

We are also holding a Parent's Night Out on March 12th. This is open to all TAI families with children from 2 to 10 years old from 5:30 to 9:30 PM. We will have dinner, crafts, and movies for the children and parents can enjoy a night out. The charge will be \$15 per child and \$10 for the second, third, or fourth child. Thanks very much to Elissa Brown and Beth Pitman who have graciously volunteered their time to host this event. In addition, we are recruiting high school students, who need volunteer hours, to assist. Register early and enjoy a night out on the town. Registration form is found in a flyer in this bulletin.

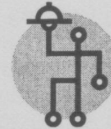

SILENT AUCTION ON MAY 1ST TO BENEFIT THE RELIGIOUS SCHOOL

Start thinking of your many talents. On May 1st the Religious School will hold a silent auction. They are looking for donations of services and items. Examples are: trips, classes, items donated such as UK tickets, Restaurant vouchers, etc., services from the many talented people in our congregation. For instance we have already the following: One hour of one-on-one Talmud study with Rabbi Kline, One session of Hebrew Bar/Bat Mitzvah training from Elissa Brown, and Crochet lessons from Cindy Kline. So you see, all of you have something to offer. Call the Temple office to let us know what you can contribute to the Silent Auction. Watch your weekly email news and future bulletins for more details.

To All Congregants and Readers of the Temple Adath Israel Bulletin.

In order to move our congregation forward and in turn help defray the cost of printing and mailing the bulletin, we are asking you to please consider receiving the bulletin via email. The cost savings to the Temple would be approximately \$1,800 to \$2,000 per year.

This request has two purposes. One, it will give the Temple office your updated or corrected email address to receive the weekly news. Two, this will get the bulletin to you on time as well as cut the cost of the bulletin which will free up more money in the Temple budget for other projects, supplies, repairs, etc.

For those of you who are not Temple members, we hope you will consider receiving the bulletin via email so we can continue to bring you the news you want to read. The bulletin is mailed by bulk mail and for those of you who live in other states it sometimes takes up to a week to receive the bulletin. This makes news at the beginning of the month old news by the time you receive it. Just think how nice it would be to get it on the first of the month every month.

Please consider this request and return the following form to the Temple office at 124 North Ashland Avenue, Lexington, KY 40502 or e-mail your request to be put on the email list to the Temple office to Sandee@lextai.org. Please include your name and email address. If you no longer wish to receive the bulletin please let us know via us mail or email.

Thanking you in advance for your continued support of Temple Adath Israel and we look forward to seeing you on-line.

APRIL 2005

Adar II-Nisan 5765

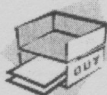

FROM THE RABBI

I love April. I love Passover. The fact that they usually come together is just fine with me. The spring welcomes the Earth's renewal and the holiday witnesses ours. It is quite amazing how the Earth renews with or without our efforts. There is so much that blossoms, whether we do anything or not. Perhaps it is better that way, since there are so many of us who would only do damage if we showed up in the garden. In the same sense that my musical talent is to play the stereo, but green thumb talent is in the way I can pick fresh vegetables at the grocer.

Our renewal takes a lot more work. We have to affirmatively engage in the work of our own recharge or it cannot take place. At the Seder meal, we retell the story of our exodus from Egypt and our freedom from slavery. If we leave our study at the historical level, I think we have missed the boat. Pesach is, at some level a Messianic holiday. In the middle of the Seder, we open the door for Elijah to come and announce that the age of peace is near. Every year that we close the door, and the glass of wine is not diminished, we know that we have to work harder to bring about the day when peace is real. We think of Yom Kippur as the time for Khashbon hanefesh – auditing the soul, and it is, in terms of your personal growth. Pesach is the holiday wherein we think primarily of communal growth. We marched through the waters. We wandered through the wilderness. And, it will be we who save or condemn the world. Toward (continued on page 4)

FROM THE PRESIDENT'S DESK

As we celebrated Shabbat Across America as a community on Friday night, March 4, 2005, it brought back memories to me of the Shabbat dinners I had as a child with my grandparents and very large extended family. While the welcoming of Shabbat unites us as Jews, being part of a Temple community strengthens us. Daniel Swartzman of Chicago's Temple Shalom describes that strength as the following:

You can feel a presence that lightens your heart.

You can stand beneath the chupah and in halting Hebrew pledge your love to one another.

At a magic moment during the High Holy Days, the choir can strum the chords of your soul.

You can see your child or grandchild point to ancient words on old parchment and chant them to an ancient tune.

You can find yourself crying at a Friday night service as a new child receives a Hebrew name.

You can feel the warm hand of the Rabbi reach across a hospital bed and assure you that everything will be alright.

You can stand at a graveside and hear the Rabbi explain the meaning of your loved one's life to your friends and family.

SISTERHOOD NEWS

From the President, Marcia Brown

March was the month for our Mitzvah Crib and it was located in the Temple foyer, thanks to Regina Meade. A big thank you to all who graciously donated items. The charities chosen this year were the Nest and Center for Women & Children. The items will be distributed to families who are in need and meet certain requirements set by community social workers and caseworkers. This is just one of the many worthwhile community service projects Sisterhood takes pride in doing. Another effort Sisterhood is so proud of is our Gift Shop...please come.. browse and shop for your Passover items and special dishes.

Mark April 24, 2005 on your calendars! The Congregational Seder is one of the most widely attended events sponsored by the Sisterhood. Rose Rita Wurmser, Leona Stern, Connie Grobstein and Mary Engel can do this dinner for 200 people in their sleep! We always look forward to the delicious dinner and being together as a community! Please join other families from our community and come together to celebrate this special holiday. Also, please volunteer your cooking expertise or time to help set up or clean up. This always is a wonderful evening, because it is such a group effort. Also, on April 29, 2005 Sisterhood will conduct a special service and celebrate Shabbat. It is always a beautiful and creative service and I hope you will join us in worship. Since this night is during Passover, Sisterhood members will delight you with delicious desserts...go figure and during Passover!!!

We still have some programs in the works....please join us! Sometimes our programs and projects go on with just a few participants, but just think of the effect when we all give our time and energy to better our Temple, our community and ourselves! That is what Temple Adath Israel Sisterhood is all about!!!! Hope to see you all in April.

L'shalom
Marcia

SCRIP IS A FUNDRAISER!!!! **NOW SLONE'S HAS A GIFT CARD JUST LIKE** **KROGER!**

Grocery gift cards are a great way to help our entire congregation with minimal effort. It's simple! It's easy! It's tzedakah! Go to Kroger or Slone's for your groceries, prescriptions, etc. and add to our general fund every time you use your card! **NOW YOU CAN PURCHASE GAS WITH YOUR KROGER CARD!! WE ALL NEED GAS AND FOOD! If you are a Slone's shopper, purchase your card now!! It works just like a Kroger card...reload and reuse!!!**

This is how it works. Purchase your \$5 Kroger card or \$10 Slone's card from the Temple office. You shop at Kroger or Slone's the way you normally do, and Temple Adath Israel gets **4% from Kroger and 5% from Slone's** proceeds in a monthly check. The only difference is that before you pay for your items, you present your card to the cashier for payment, like a credit card. The card can also be used at the U-Scan lanes and now at the Kroger gas station pumps. You may use your VISA or other credit cards to recharge your card....**and add up the miles and points at the same time!**

If you know you are going to spend over the amount on the card, just recharge the card before you check out, up to \$100 at the register or up to \$500 at the customer service desk. You can keep using and recharging your card indefinitely. And again TAI benefits every time Kroger and Slone's sends the monthly check.

Remember, that in order for TAI to receive credit, the card must be purchased initially through TAI. If you lose your card or want to purchase additional cards for family members or friends, please call the Temple office.

MEMBERS....GET YOUR CARD THIS MONTH AND START HELPING TEMPLE ADATH ISRAEL! Last month Temple netted about \$800.00 from not even 1/3 of our Temple families....just think if we all tried and used our gift card this month!!

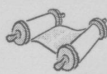

FROM THE RABBI (from page 1)

that goal, we have to audit ourselves each year and make sure that we are participating in the world's healing. And, our participation must be measured as to whether or not it is the most involved position in which we are capable of participating. Where we fall short we are obligated to deepening our commitment to each other so that next year, we can have a greater sense of freedom and hence, a greater hope that the cup of Elijah will be drained by the prophet.

May we all come to know the exhilaration of peace and freedom. May we know the blessing of a responsive and engaging community. "Next year in Jerusalem" are words that conclude our Seder, seeking fulfillment of our vision of peace for the world. Jerusalem is more than a walled city in the Middle East, it is the dream of "shalem - of wholeness." As we would conclude our Seder this year, may our words become more prophetic than hopeful. May they be real and not just the distant dream. Have a happy and healthy holiday.

ADULT EDUCATION

TORAH STUDY

Rabbi Kline conducts Torah Study in the TAI library, Saturdays at 9 AM on alternate weeks. He is joined by a congenial group that brings together members of TAI and others, who, following the ancient tradition of Judaism, love study and matters of the mind. If you enjoy wrestling with problems of life and faith, join this friendly group.

April schedule is 4/2, 4/16, and 4/30.

KOLLEL STUDY GROUP

Joe Engelberg leads this study of fundamental ideas of Jewish life and thought. Among these are spirituality, the nature of God, a critique of Biblical and traditional injunctions and laws, Jewish history, principles of the Reform movement, the relation of Judaism to Christianity, Islam, and Buddhism. The purpose of the Kollel group's study is not to assert these principles as eternal truths, nor to refute them, but to discover the wisdom there is in them and to expand upon them. Drop in any time and join in the provocative and friendly discussion.

April schedule is 4/9 and 4/23

FINDING A JEWISH PATH WHILE THE GROUND SHIFTS BENEATH US

The class takes place on the following dates: 4/17/05, and 5/22/05. This is an adult discussion group led by Larry Kant, that studies traditional Jewish sources in novel ways as we seek to reclaim a modern Jewish path. As in previous years, times are on selected Sundays from 10:00 am until 12 noon. This year our theme will be "Difficult Bible Passages."

Please send your new e-mail address to Sandee at Sandee@lextai.org so you can receive the weekly e-mail news. Many people have been dropped by the service due to incorrect e-mail addresses. We need your help to keep the data base updated.

RABBI KLINE OFFERS WEDNESDAY ADULT ED CLASSES AT 7 PM & 12:15 PM

These classes cover varied topics that relate to Judaism and are of interest to the Lexington community. They are free and open to all. Please come join us for an informative discussion of topics.

Book Discussion Group Open to all

The TAI book discussion group will meet this month on April 27, 7:30 – 9 pm. The book for discussion is Wallace Stegner's Crossing to Safety. RSVP to the Temple office by April 25 so that we can set up enough chairs. Next month we will meet on May 25 to discuss The Adventures of Clay and Cavalier by Michael Chaban.

APRIL 24 - A Mitzvah Day for TAI

Mark your calendars and get out your gardening clothes! We are participating in REFOREST THE BLUEGRASS. Though this program is typically held on a Saturday, the LFCUG has arranged for us to participate on a Sunday. All ages are invited to help in the planting and replenishing of our local environment. This is a rain or shine event so dress for the weather. No tools or gardening skills are needed to participate. Meet at Temple at 10 AM.

5765: A YEAR OF FOCUS ON POVERTY

Whether you are doing a general Spring cleaning or cleaning out your house of chametz, this is a great time to bring some food (or your chametz) to the TAI God's Pantry barrel.

CRAFT AND KIBBITZ

We continue to look for people to join us for the Handcrafters group. The times may change in order for more people to participate.

Contact Connie Grobstein if you would like to join this great group of people.

TUESDAY BRIDGE CLUB

The Tuesday Bridge Group meets in the Temple Library beginning at 11 AM. Bring your lunch and play until 2 PM. You don't have to be an expert to join. This group is going strong, so if you like to play bridge, here's your chance to join and socialize with fellow Temple members.

If you wish to join in, please check with other players or the Temple office each week to see if the group is playing.

GOLDMAN UNION CAMP INSTITUTE FOR THE TIME OF YOUR LIFE

Every two years, the Commission on Social Action (CSA) of Reform Judaism awards the Irving J. Fain award to congregations whose work in social justice is exemplary. This year 17 Fain Awards will be presented to 20 congregations and, for the first time, a Union camp and a state-wide coalition of congregations, at the 2005 Consultation on Conscience. In addition, ten congregations received Honorable Mentions. The award winning programs covered topics such as medical care, state level advocacy, feeding the hungry, and mentoring elementary school children. They serve as inspiration and role models for our Movement.

Rabbi Ron Klotz and GUCI are receiving this award because of the wonderful Tikkun Olam project created last summer by two long-time staff members, Jacob Pactor and Alan Goodis. Mazal Tov to all the camp's staff and campers who made this project so meaningful.

LOOKING FOR FORMER GUCI-ites

We are excited to announce the establishment of a new GUCI Alumni Association. The association is open to all former campers, staff members, faculty members, GUCI in Israel campers, Joint Camp Authority members, etc. Registering is easy and free. Please go to: [Http://guci.urjcampaumni.org](http://guci.urjcampaumni.org) to register on-line. Please join the GUCI family, and pass this info along to all the GUCI-ites you know. I'll be looking for your name on our roster, and you will be hearing about GUCI Alumni Association events in the near future.

PRESCHOOL NEWS **Laura Creamer, Director**

Spring has finally arrived and the students have been enjoying the opportunity to play outside on our playground! We have started to plant flowers both inside and out, and it is wonderful to see things bloom! The 2 ½ and 3 year old classes have been busy learning about plants, helping others, and Spring! The 3 year olds spent a morning at the Arboretum enjoying the outside and having a snack! The 4 year olds spent March exploring Australia, Japan, China, Ireland, and Mexico! They had a wonderful time at their Mexican fiesta! The Extended Day children also explored different countries and had a Dr. Seuss Day! We had a fun time learning about and celebrating Purim through stories, singing, art projects, making noise and merriment with groggers, and of course, eating Hamentashen!

Our Yard Sale was a big success! Thanks to everyone who donated, baked, bought, and helped with the event!

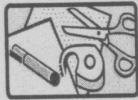

Enrollment for the 2005-2006 school year is currently underway and spaces continue to fill up. For more information, registration forms, and to schedule a visit, please call the preschool office at 269-1915.

RELIGIOUS SCHOOL NEWS

**Jane Gris , Youth
Education Director**

The Third Grade has been studying Israel and have the following impressions about what they have learned:

Abby – I learned that children in Israel have different schedules than we do. They have shorter days at school.

Ben – I learned that Tel Aviv is called the City That Never Sleeps. It is on the coast.

Jack & Nicholas– Israel is one of the smallest countries in the world. It is between Jordan, Syria, and Lebanon.

Nathan – I learned what the 10 commandments are. Number 6 is thou shall not kill.

Mara – Lots of people emigrate to Israel. Signs are written in three different languages – English, Arabic, and Hebrew.

Jenny – In Israel the kids speak Hebrew.

The Fifth Graders have written about their school activities.

This year, in Sunday school, we have learned many things. One thing we have learned is about the prophets. Three people came to our classroom and pretended to be prophets. It was cool. Another thing we learned is about community. We help the community by making sandwiches for the Hope Center. We also studied Torah. These are the many things we have learned this year in Sunday School.

The Fifth graders enjoyed eating Israeli food in our Hebrew class. We had baklava which had a pleasingly sweet taste. We also enjoyed studying the map of Israel. We learned that in Hebrew Jerusalem is Yerushalayim.

SILENT AUCTION ON MAY 1ST TO BENEFIT THE RELIGIOUS SCHOOL

Start thinking of your many talents. On May 1st the Religious School will hold a silent auction. They are looking for donations of services and items. Examples are: trips, classes, items donated such as UK tickets, Restaurant vouchers, etc., services from the many talented people in our congregation. For instance we have already the following: One hour of one-on-one Talmud study with Rabbi Kline, One session of Hebrew Bar/Bat Mitzvah training from Elissa Brown, and Crochet lessons from Cindy Kline. So you see all of you have something to offer. Call the Temple office to let us know what you can contribute to the Silent Auction. Watch your weekly email news and future bulletins for more details.

FROM THE PRESIDENT'S DESK (from page 1)

You can struggle over a Torah portion as you become an adult Bar or Bat Mitzvah

You can take pride that what others started, you are helping to prosper.

Yes you can be Jewish without belonging to a Temple, but the richness of a full Jewish life comes from the participation in the many ways a Temple becomes Bet Tiffilah—a place of worship, Bet Midrash—a place of study, and Bet Kneset—a place of community.

The Temple's annual year will soon come to a close. I would like to thank outgoing Board Members, Roger Fleischman, Brian Hershinow, Julie McKee, Linda Noffsinger, and Leona Stern, for their time and energy they committed to the Temple, and to Ben Kaufman for chairing the Endowment Fund.

PLEASE LET US KNOW!!!

As a result of patient confidentiality, some area hospitals will not release to us the names of Jewish patients when our Temple office calls. Therefore, Rabbi Kline and the Temple are relying on you to let us know when someone is in the hospital. Please call us when you know about someone going into the hospital. Your help in this matter is invaluable.

ITEMS NEEDED FOR THE SEDER PLATE

A. Charoset - Composed of chopped nuts and apples, cinnamon and wine, charoset represents the mortar used by the Jews in making bricks while they were slaves in Egypt.

B. Zeroa - The roasted shankbone or roasted wing of a fowl represents the sacrifice of the Paschal lamb.

C. Beitza - The roasted hard-cooked egg symbolizes the festival offering brought to the Temple.

D. Moror - The bitter herbs are represented by horseradish that has been freshly grated from the horseradish root. They symbolize the bitterness of slavery for the Jews in Egypt.

E. Karpas - You may use parsley or celery to represent Spring, which brings rebirth and redemption. It is dipped in salt water before it is eaten to remind us of the tears and sweat of the Jewish people in slavery.

F. Chazereth - On most Seder plates, there is another form of bitter herbs. It may be the root of the horseradish (ungrated) or watercress.

Wine Glasses - The glasses are filled with the traditional, Kosher for Passover wine.

Decanter of Wine - There should be enough wine to pour four cups for each individual. These represent the four divine promises of redemption found in Exodus 6:6-7. You will also need enough wine for serving during the meal.

Cup of Elijah - Fill a beautiful cup with wine and put it in a prominent place on the table to welcome Elijah, the prophet who heralds freedom and redemption.

Charoset - Although charoset goes on the Seder plate, extra charoset is served for making the Hillel sandwich and to eat during the meal. Rabbi Hillel, a great Jewish teacher who lived between 90 BCE and 70 CE may have invented this sandwich of charoset and moror (between two pieces of matzah) to represent the bitterness of slavery and the sweetness of freedom.

Candlesticks - The blessing over the candles is recited before the Seder begins.

Pillows - Pillows to lean on are traditionally placed on chairs, especially in the chair of the leader of the Seder, as a symbol of freedom from slavery.

SETTING THE SEDER TABLE

Seder Plate - The most important item on the table is the Seder plate, containing the symbolic foods. Seder plates are usually beautifully decorated, often with scenes from the Passover story or with Hebrew inscriptions.

Three Matzahs - The ceremonial matzahs are placed, one on top of the other, in a special matzah cover or in a napkin. According to a common interpretation, the matzahs represent the three divisions of the Jewish people; Kohen - priest; Levi - assistants in the Temple; Israelites - people of Israel.

Additional Matzah - Additional matzah is placed on a serving plate, for eating during the main meal.

Haggadahs - The Haggadah is the book that is read cover to cover during the evening. It includes the story, prayers, songs, rituals, and commentary that make up the Seder. Make sure you have one at each place.

Dish of Salt Water - Part of the Seder ritual is to dip the Karpas (parsley) into salt water, which represents the tears of the Jewish people while in slavery.

Among the foods that must contain the "Kosher I'Pesach" label and be certified for Passover use by rabbinical authority are:

Matzah, matzah flour, Passover noodles
Candles, cakes, cookies, jams and jellies
Cheeses, milk, and butter
Canned and processed foods, such as fruits, sauces, and soups
Salad oils, shortenings, vinegar
Beverages, wine and liquors
Vegetable gelatin
Relishes
Dried fruits
Horseradish

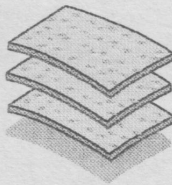

The following foods require no Kosher I'Pesach label if they are in unopened packages or containers or in a natural state:

Coffee, tea, and sugar (but not confectioners' sugar, because it contains cornstarch)
Salt, pepper, and spices (some herbs should be fresh)
All fruits and nuts
All vegetables except legumes such as peas, corn, and beans

Fruits and vegetables normally permitted for Passover use are permitted in their frozen state, provided they have not been cooked or processed in any way.

Chametz - foods with leavening - may not be eaten during Passover.

*All grains (wheat, rye, oats, barley, rice, kasha, spelt) or any of their derivatives
Leavened bread, cakes, biscuits, crackers, and cereals, and any store bought baked goods not labeled Kosher l'Pesach
Any product with flavoring made from grain alcohol, such as vanilla extract, brandy, beer, or liquor
Legumes such as corn, beans, soy beans, lentils, lima beans, and any product made from them*

THE SEARCH FOR CHAMETZ

All chametz must be removed from the house or separated by putting into a room, closet, or cupboard that is locked. Since during the year, chametz may work its way into every corner of the house and even into the household dust, a thorough housecleaning is considered part of the Passover preparations.

To further insure that no chametz will be found in the house during Passover, a final, ritual search (Bedikat Chametz) made after dark on the night before Passover. To add interest to the ceremony, especially for children, bread may be wrapped in a napkin and hidden around the house for family members to find. The family goes from room to room, using only a candle to light the way. Traditionally, a feather is used to brush the bits of bread into the wooden spoon.

The chametz is then tied up in a cloth along with the feather, the candle, and the spoon, and burned the next morning. There are blessings to accompany both the search for the disposal of chametz.

THE MATZAH OF UNITY

(To be recited during the Seder at Yachatz when breaking the middle Matzah)

We are about to take the middle matzah and divide it in half. As we break this matzah and set it aside, we link ourselves symbolically with all Jews who have lived in the former Soviet Union. We will not conclude our Seder until the missing piece of matzah is found and brought again to our table. This action reminds us of the indestructible unity which binds all Jews together as a world family.

In Jewish tradition, matzah is "the bread of affliction," used on the road to redemption. As we celebrate Pesach, our festival of freedom, we know that the theme of the Exodus resonates in all that is happening around us. Jews of the Soviet Union resisted decades of suppression. Struggling to live as Jews, many sought valiantly to leave for Israel, the homeland of the Jewish people. Many suffered harassment; some endured prison and some lost their lives.

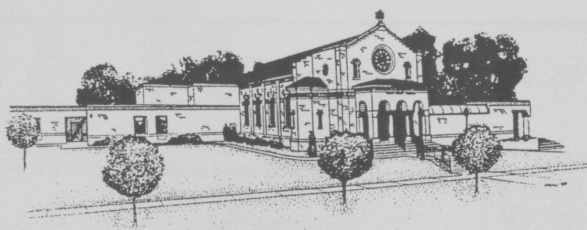

At last, most Jews can leave the place that represented a prison for so long. For now, the door to freedom remains open. We walk with them in their Exodus. Through Operation Exodus, we commit ourselves to help them in their quest for a new and better future for themselves and their children.

We also remember the several million Jews who still remain behind. We pledge our vigilance, our support, and our solidarity with them, as they endeavor to sustain their community and courageously resist anti-Semitism.

As Jews from the former Soviet Union and other countries settle in Israel by the hundreds of thousands, we know that their reunification with the Jewish people requires our caring and loving concern. May we be worthy of that challenge.

We pray that all Jews may find freedom this year in a world without war and with Israel at peace. Am Yisrael Hu Am Echad. May the Jewish people always be united!

FROM THE RABBI

The sages teach us that Torah is to be read at many different levels. In fact, the Talmud teaches that anyone claiming to possess a literal translation of the Torah is blaspheming, since there is no "one way" to read Torah. And yet, we see all around us, religious people purporting to know exactly what God intended at "This chapter and that verse." I find it almost humorous (almost being the key word) to hear the quotation of a text from scripture followed by a monolithic command, as though it were coming from the mouth of God. Not only does this approach demean the value of Torah as an evolutionary teaching document, but it demeans God's voice, as well. And, when I tell people this, they look at me as if I have three heads. While there are times I wish there were three of me (I get scheduled in ways that there needs to be), I assure these people that one of me is all this world can stand.

But, I thought about this ongoing revelation as I sat down to write this month's article, because I have to confront this notion of diverse approaches to scripture as I prepare for my LTS course next semester. The seminary has asked me to teach diverse cultural worship. I find that even while each religion claims to have specific ownership of the text, the truth is that we point to the same pieces of scripture to justify much of our ritual practice. In many cases, the one text gives rise to many different rituals, demonstrating that there is no "one way" to read scripture. In our own Jewish world, we will spend this month preparing for Confirmation. I have taught our students that there is no "One way" to be Jewish, and as they have written the texts that will comprise our service, I can tell that they have taken my words to heart. It was Rabbi Solomon

FROM THE PRESIDENT'S DESK

Our Temple year will begin again May 1, 2005. I would like you to reflect on your covenant of membership to the Temple, to do what you possibly can when you are asked whether it be a simple task like sitting on the Bimah or a more challenging one like being an active committee member. Act upon your commitment to the Temple community as an investment in the perpetuation of Reform Judaism in Lexington. And finally care about the Temple community as we engage each other in discussion on the many issues we are facing.

Mazal Tov and welcome to our newly elected Board members: Samye Miller, Ben Baker, Julie McKee, Debra Kratzer, and Austin Cantor.

L'Shalom,

Starr Gantz, President

Dear Friends,

Rabbi Stanley Miles of Temple Sholom in Louisville and I were trying to think of ways to both building a relationship between our communities, and at the same time, give that relationship a spiritual dimension. What better place to accomplish both, than in Israel. As we walk through the ancient sites of our history, the busy streets of modernity, and meet with people involved in the religious and political news of the day, we will see that ours is a heritage that transcends time. Israel is alive with opportunity for education, for wonder, for spiritual growth. At the same time, Israel needs our love and support. Join us on the trip of a lifetime, come fall in love with Eretz Yisrael, build a bridge with Temple Sholom, and learn a whole lot about who we are and from where we come.

SISTERHOOD NEWS

From the President, Marcia Brown

April was a busy month...a Seder, cooking and more cooking, stringing beads, baking and more baking and a service. "Let all who are hungry, come and eat"....I believe we take that to heart with our TAI Congregational Seder. I want to extend a very big THANK YOU to our Seder committee, Rose Rita Wurmser, Leona Stern, Mary Engel and Connie Grobstein. These women are very dedicated and provide our Temple with a wonderful meal so that we can all come together as a community and celebrate Passover each year. Also, thank you to all those who support, cook, set up and clean up for the evening. I honestly think it just gets better every year!

Thank you to Judy Wurmser Cable and her friend Rae, who helped us host a bead party for young and older! What fun we had and some of us actually created a beautiful piece of jewelry. We were joined by our little sisters, who were quite creative!

Sisterhood Shabbat was an inspiring, spiritual service and a wonderful opportunity for our "Sisters" to worship and connect with one another. I hope all who participated and joined with us in worship on that Shabbat left with a warm feeling. We also, hope everyone enjoyed the Oneg...there really are delicious desserts for Pesach!

Our Roses from Israel project was very successful. Thank you to everyone who ordered and graced your table with roses or gave them as a gift.....watch for this to be an annual event!

L'Shalom
Marcia

SCRIP IS A FUNDRAISER!!!! NOW SLONE'S HAS A GIFT CARD...JUST LIKE KROGER!

Participation is picking up!

Grocery gift cards are a great way to help our entire congregation with minimal effort. It's simple! It's easy! It's tzedakah! Go to Kroger or Slone's for your groceries, prescriptions, etc. and add to our general fund every time you use your card! **NOW YOU CAN PURCHASE GAS WITH YOUR KROGER CARD!! WE ALL NEED GAS AND FOOD! If you are a Slone's shopper, purchase your card now!! It works just like a Kroger card....reload and reuse!!!**

This is how it works. Purchase your \$5 Kroger card or \$10 Slone's card from the Temple office. You shop at Kroger or Slone's the way you normally do, and Temple Adath Israel gets **4% from Kroger and 5% from Slone's** proceeds in a monthly check. The only difference is that before you pay for your items, you present your card to the cashier for payment, like a credit card. The card can also be used at the U-Scan lanes and now at the Kroger gas station pumps. You may use your VISA or other credit cards to recharge your card....**and add up the miles and points at the same time!**

If you know you are going to spend over the amount on the card, just recharge the card before you check out, up to \$100 at the register or up to \$500 at the customer service desk. You can keep using and recharging your card indefinitely. And again TAI benefits every time Kroger and Slone's sends the monthly check.

Remember, that in order for TAI to receive credit, the card must be purchased initially through TAI. If you lose your card or want to purchase additional cards for family members or friends, please call the Temple office.

MEMBERS....GET YOUR CARD THIS MONTH AND START HELPING TEMPLE ADATH ISRAEL! We seem to be averaging about \$800.00 a month and this is just from 1/3 of our Temple families....just think if we all tried and used our gift card this month!!

FROM THE RABBI (from page 1)

Freehof who wrote that if there were six million Jews gathered in one place, there would be six million Judaisms present. In the book "Finding God," two colleagues report on almost 20 different Jewish concepts as to what God is and how God works in the world. Moses Mendelssohn wrote that the only dogma of Judaism is that there is no dogma, and several hundred years before him, Maimonides wrote that one cannot tell what God is, and runs the risk of blaspheming in saying that which God is not.

So, of what value is Torah to each of us? If it can say only one thing, it soon becomes obsolete. If it can say anything, what then are the rules of engagement that provide an insight into meaning? If Torah is just a scroll the Rabbi reads, then Jews have broken with the chain of transmission that has kept our hearts focused for thousands of years, and turned our most sacred source into an ornament to display on holidays and Shabbat. Study can be handled in a great many ways. It can be both formal and informal; steady and sporadic. Think about what you might like to learn and let us study together. It is almost summer. With fewer demands on our time, let us see where gathering might be possible. May your plans for the upcoming summer be joyful and fruitful.

ADULT EDUCATION

TORAH STUDY

Rabbi Kline conducts Torah Study in the TAI library, Saturdays at 9 AM on alternate weeks. He is joined by a congenial group that brings together members of TAI and others, who, following the ancient tradition of Judaism, love study and matters of the mind. If you enjoy wrestling with problems of life and faith, join this friendly group.

May schedule is 5/7 and 5/21

KOLLEL STUDY GROUP

Joe Engelberg leads this study of fundamental ideas of Jewish life and thought. Among these are spirituality, the nature of God, a critique of Biblical and traditional injunctions and laws, Jewish history, principles of the Reform movement, the relation of Judaism to Christianity, Islam, and Buddhism. The purpose of the Kollel group's study is not to assert these principles as eternal truths, nor to refute them, but to discover the wisdom there is in them and to expand upon them. Drop in any time and join in the provocative and friendly discussion.

May schedule is 5/14 and 5/28

FINDING A JEWISH PATH WHILE THE GROUND SHIFTS BENEATH US

SILENT AUCTION ON MAY 1ST TO BENEFIT THE RELIGIOUS SCHOOL

Start thinking of your many talents. On May 1st the Religious School will hold a silent auction. They are looking for donations of services and items. Examples are: trips, classes, items donated such as UK tickets, Restaurant vouchers, etc., services from the many talented people in our congregation. For instance we have already the following: One hour of one-on-one Talmud study with Rabbi Kline, One session of Hebrew Bar/Bat Mitzvah training from Elissa Brown, and Crochet lessons from Cindy Kline. So you see all of you have something to offer. Call the Temple office to let us know what you can contribute to the Silent Auction. Watch your weekly email news and future bulletins for more details.

1st Grade Class

These are some of the things the first graders have learned and have been doing that they would like you to know about.

Jacob Young – Jerusalem has many roads. There is only one wall left from the Temple.

Kevin LaZur – We made the Wailing Wall or Western Wall from blocks.

Sam Flomenhoft – The ark in the Temple points towards Jerusalem.

Josh Rosenblum – We made prayers to put in the Wall. When Josh Kline goes to Jerusalem this summer, he is going to take our prayers and put them in the Wall.

Max Kaufman – We made pictures of things trees give us for Tu B'Shevat.

Sam Waltman – We learned Hebrew songs – the counting song and the train song.

PLEASE LET US KNOW!!!

As a result of patient confidentiality, some area hospitals will not release to us the names of Jewish patients when our Temple office calls. Therefore, Rabbi Kline and the Temple are relying on you to let us know when someone is in the hospital. Please call us when you know about someone going into the hospital. Your help in this matter is invaluable.

THRESHOLDS: EXPRESSIONS OF ART AND SPIRITUAL LIFE

An Interfaith, Intercultural Grand Opening and Progressive Dinner
Thursday, January 20, 2005

Thresholds: Expressions of Art and Spiritual Life is a visual journey into the spiritual and religious inclinations of the artists from five Southeastern states. Thresholds, organized jointly by the Kentucky Arts Council, the Florida Division of Cultural Affairs, the North Carolina Arts Council, the South Carolina Arts Council and the Tennessee Arts Commission. Thresholds examines the tendency in growing number of artists to draw on their religious backgrounds or spiritual inclinations as a subject matter for art. Questions of the meaning of religious faith and its place in public life are critical now in the international arena where extremist versions fuel war and civil conflict, and within the United States where questions of the proper relationship of Church and State are constantly being revisited. Workshops and seminars will be conducted throughout the month of January at various locations, refer to www.thresholds-lexington.com for more information.

Attendees may choose from three different Progressive Dinner Routes, each with a different set of beautiful and historic places. The majority of the exhibit is held at the Morlan Gallery on the campus of Transylvania University, with the remaining works located at off site venues. Each Dinner Route also ends at Morlan Gallery.

Progressive Dinner Routes - appetizer, entree, dessert

5:30 Route - Mission House, First Presbyterian Church, St. Paul Catholic Church

6:00 Route - Muslim Community at the Carnegie Center, Christ Church Cathedral, Mecca

6:30 Route - History Museum, Temple Adath Israel, 2nd Street Christian Church

Tickets: \$15, students and seniors \$10

Ticket price includes your choice of one Route, along with a three course meal.

To Purchase Tickets: Tickets are limited. They are available at the Lexington Arts and Cultural Council Box Office, located at 141 E. Main St. in the Downtown Arts Center. Call 859-225-0370 or email tlowman@lexarts.org.

Temple Adath Israel Bulletin

JUNE-JULY 2005

Iyar-Tammuz 5765

FROM THE RABBI

Shavuot is a time to celebrate the harvest of late Spring, marking the coming of Summer. Shavuot is the holiday when we celebrate receiving the Torah, for according to tradition, at this point in time thousands of years ago, Moses stood atop Sinai and received the ethical teachings from God. For us, it is also the time we celebrate Confirmation. As a people, we received the teachings of Torah thousands of years ago. We responded, "Na-aseh v'nishmah -- we will do as we hear." As our children reach the age where they begin to make life defining choices, we bring them before the congregation and empower them with our blessings and in turn, they confirm their journey into Jewish adulthood. In effect, we relive the moment when Israel said, "Na-aseh v'nishmah." We commit to continue to hear each other and to continue in the growth of our heritage and our tradition. In effect, as we celebrate the holiday, we each stand at Sinai making a commitment to teach the world a system of ethics that brings it healing and strength.

There are times, though, that we get so caught up in our own journey that we forget that other people have their own journeys. We pass judgments that seem easily defensible, which are utterly untenable in someone else's eyes. There is a story from the Talmud (Shabbat 33b): Rabbi Shimon was a great sage who lived during the Roman conquest of Jerusalem 2,000 years ago. He was one of Rabbi Akiva's five students who -- despite terrible persecutions -- ensured that the Torah would not be forgotten. When the Romans outlawed the study of Torah, Rabbi Shimon spoke out against them. The Romans thus pronounced a death sentence against Rabbi Shimon, who was forced to go into hiding. Rabbi Shimon and his son Elazar fled to a cave in the northern region of Israel. (continued on page 3)

FROM THE PRESIDENT'S DESK

Our relationship with Reform Judaism and each other within the Temple can be described in three words: Transforming-Changing-Evolving.

The sacred relationships we develop within the context of our Temple are keys to creating a caring community, to maintaining membership, and to insuring a meaningful future. They transform us as we face the challenges of being a Reform Jew and sustaining our Temple.

The power of these relationships whether they are formed in moments of great joy or sorrow, transcends the building, a program, and even the Rabbi as the glue that maintains our affiliation and commitment to the Temple.

We are committed to encouraging, building, and strengthening these relationships.

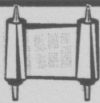

We all need connections, we seek community, we crave relationships and we will seek them out. "Spiritual growth" as David Ariel, in his book *Spiritual Judaism* writes, "is not just personal. It involves the search for the connection with others."

The transformation and evolution of our relationships with each other requires (continued on page 4)

FROM THE RABBI (from page 1)

They had no means of subsistence, but a miracle occurred and a carob tree sprouted in the cave, along with a stream of water. Rabbi Shimon and his son remained in the cave for 12 years, involved in nothing but the study of Torah. One day, Elijah the prophet came to the cave and announced that the Caesar had died, and the decree against Rabbi Shimon was lifted. Rabbi Shimon and his son ventured out of the cave. They saw some farmers working in the field. Rabbi Shimon was shocked that his fellow Jews were not continuously occupied in Torah study. "How could anyone forsake eternal life by indulging in mundane, worldly pursuits?" he said. Rabbi Shimon then cast his gaze upon the farmers -- and they were immediately vaporized, due to the power of Rabbi Shimon's spiritual stature.

At that point, a voice from heaven proclaimed: "My world is not to be destroyed! Return to your cave!" Rabbi Shimon and his son returned to the cave.

Without compassion and without temperance, even the most righteous of us still destroy the world. Torah is of little value, if it does not lead us to take up the cause of the stranger, the widow, and the orphan, or in normal terms -- the most vulnerable amongst us. When used as a weapon, it is more effective than the worst of terrorists. When used as a guide, it is the finest of educators. In all walks of life, and in all religious denominations, we walk a tightrope of wanting to be sure that we do not stray from our core teachings which give us life. At the same time, we run the risk of so closely and narrowly reading the text that, out of context, we make it command us to do the harshest of things, destroying the beauty and celebration of our world. The Rabbis exhort us, "Uv'charta b'chayim -- therefore, choose life." As we choose to stand atop Sinai, looking to the holiday, we have chosen life."

SISTERHOOD NEWS

From the President, Marcia Brown

Summertime is here and as the saying goes.... the living is easy!! The time has come to close our books for the fiscal year, but of course, Sisterhood will never stop, although, we may take a rest! We will take a few months to regroup and plan, while we take a well deserved break from the routine of school, Sunday school and other activities. However, Sisterhood is always present at Temple Adath Israel! Temple Adath Israel Sisterhood can stand proud for all of our accomplishments this year. We ended this year with honors from WRJ, which are definitely worth applauding and smiling about....we received the Roll of Chai level of distinction on the Youth, Education and Special Projects (YES) Fund Honor Roll. Rabbinic students, Reform youth and many special projects will benefit because our Sisterhood chose to make a significant financial commitment to the YES Fund. Thank you to everyone who participated in this program through the purchase of Uniongrams, notecards and also, making donations to the YES Fund. A personal message on a Uniongram has a deeper meaning! Together we are raising funds to prepare our youth for Jewish life tomorrow! I would like to close with a heartfelt THANK YOU to the Board and all the Sisterhood members for a wonderful and rewarding year! Let's do it again next year.... I hope to see many new faces, old friends and new next year...because we are the women who want to make a commitment to Temple Adath Israel, our community and ourselves. Make the commitment....make the connection! Temple Adath Israel Sisterhood is all about commitment and connection! Have a wonderful, relaxing summer! Please join us for our closing dinner..... watch your mail for an invitation.

SCRIP IS A FUNDRAISER!!!! NOW SLONE'S HAS A GIFT CARD...JUST LIKE KROGER!

Participation is picking up!

Grocery gift cards are a great way to help our entire congregation with minimal effort. It's simple! It's easy! It's tzedakah! Go to Kroger or Slone's for your groceries, prescriptions, etc. and add to our general fund every time you use your card! **NOW YOU CAN PURCHASE GAS WITH YOUR KROGER CARD!! WE ALL NEED GAS AND FOOD! If you are a Slone's shopper, purchase your card now!! It works just like a Kroger card...reload and reuse!!!**

This is how it works. Purchase your \$5 Kroger card or \$10 Slone's card from the Temple office. You shop at Kroger or Slone's the way you normally do, and Temple Adath Israel gets **4% from Kroger and 5% from Slone's** proceeds in a monthly check. The only difference is that before you pay for your items, you present your card to the cashier for payment, like a credit card. The card can also be used at the U-Scan lanes and now at the Kroger gas station pumps. You may use your VISA or other credit cards to recharge your card....**and add up the miles and points at the same time!**

If you know you are going to spend over the amount on the card, just recharge the card before you check out, up to \$100 at the register or up to \$500 at the customer service desk. You can keep using and recharging your card indefinitely. And again TAI benefits every time Kroger and Slone's sends the monthly check.

Remember, that in order for TAI to receive credit, the card must be purchased initially through TAI. If you lose your card or want to purchase additional cards for family members or friends, please call the Temple office.

MEMBERS....GET YOUR CARD THIS MONTH AND START HELPING TEMPLE ADATH ISRAEL! We seem to be averaging about \$800.00 a month and this is just from 1/3 of our Temple families....just think if we all tried and used our gift card this month!!

FROM THE PRESIDENT'S DESK (continued from page 1)

both time and effort. We can and should be a community that is open and communicates with one another our desires. As it is written in our prayerbook, "May we in our common need and striving gain strength from one another as we share our joys, lighten each other's burdens, and pray for the welfare of our community." Together, we can move forward and encompass our vision for our future, a Temple that is a vital, caring, and warm community.

Some two thousand years ago Hillel taught, "do not separate yourself from the community." We ask that you join in, develop new relationships, participate as the Temple Transforms-Changes-Evolves.

TORAH STUDY

Rabbi Kline conducts Torah Study in the TAI library, Saturdays at 9 AM on alternate weeks. He is joined by a congenial group that brings together members of TAI and others, who, following the ancient tradition of Judaism, love study and matters of the mind. If you enjoy wrestling with problems of life and faith, join this friendly group.

June/July schedule is 6/11, 6/25, 7/9, and 7/23

Among these are spirituality, the nature of God, a critique of Biblical and traditional injunctions and laws, Jewish history, principles of the Reform movement, the relation of Judaism to Christianity, Islam, and Buddhism. The purpose of the Kollel group's study is not to assert these principles as eternal truths, nor to refute them, but to discover the wisdom there is in them and to expand upon them. Drop in any time and join in the provocative and friendly discussion.

June/July schedule is 6/4, 6/18, 7/2, 7/16, & 7/30

SOCIAL ACTION NEWS

ADOPT A SCHOOL ASHLAND ELEMENTARY

Volunteers Honored

The Ashland School volunteers were honored at the school on March 24th at an outdoor gathering. The weather cooperated with a balmy breeze, and the refreshment tables were loaded with goodies. The school administrators were on hand to exchange ideas about the children we were helping. We were entertained by the Lafayette High School jazz band, under the direction of John Richardson, that had us swaying in our seats. There was also a performance by the Lafayette High School step team, an amazing combination of coordination and rhythm.

Many of us were pleased to meet the families of the children we were tutoring, and receive their thanks and hugs. In the two years we have been involved with these great kids and teachers, we have formed mutually rewarding relationships. I can only encourage more Temple members to join in.

BOOKS & BAGELS COMING IN SEPTEMBER

TAI's Social Action Committee will hold its annual "Books and Bagels" fundraising event on September 18th this year. If you are doing your spring cleaning and want to get rid of some books in good condition, please bring them to the stage in the social hall to store over the summer. By September, we'll have a great book collection to be sold off at very reasonable prices. As always, all proceeds will support our important social action programs, including our Ashland Elementary School partnership, providing meals to the Hope Center, and our collaboration with the religious school. For more information, please contact Ray Archer (219-9854) or Nancy Schoenberg (323-8175).

A SPECIAL THANKS TO ART DUNAHUE

On Sunday, May 9th, Art Dunahue shared memories and photographs of his tour in Iraq with the United States Army. For those fortunate enough to be present, Art provided an inside view of the country, its people, and our soldiers that we are not otherwise afforded. The families of Temple Adath Israel are fortunate to have a man of such character, courage, and compassion among us.

The following are the remarks with which Al Kaplan introduced and honored his friend.

VETERANS DAY

I want to ask all of the veterans with us here today to stand and be recognized.

Some veterans are easy to recognize. They wear uniforms, medals, and ribbons. Most veterans, however, live among us quietly.

They are America's sons and daughters

Let's consider for a moment the question, "Who is a veteran?"

A veteran is an elderly gentleman sitting on a park bench, who helped liberate a Nazi concentration camp during World War II.

A veteran is the service station mechanic, who showed extraordinary courage in Korea.

A veteran is the nurse taking care of newborns in a hospital nursery, who once bandaged burned and bloodied soldiers in Vietnam.

A veteran is a police officer driving a patrol car through our neighborhoods, who spent time in Saudi Arabia making sure the tanks didn't run out of fuel.

A veteran is mom or dad, who just got called back to active duty, and has left for the Middle East.

A veteran is one who served in the Army, Navy, Coast Guard, Air Force or Marines.

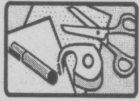

Many of our war heroes bear visible signs of their bravery — a missing arm or leg, a jagged scar. Others carry inner signs — a pin holding a bone together or a piece of shrapnel still imbedded in their leg.

Most American families have a personal experience with the military. They or members of their families served.

We owe all American veterans a profound debt of gratitude. The very freedoms we enjoy today — bought and paid for—with their devotion to duty and their sacrifices.

We praise you, we honor you, and we thank you. Ordinary people, called upon to do some extra-ordinary things...these people served to defend our way of life. SSGT. Art Dunahue has recently returned from the Gulf after service over a year. This is Art's second tour. Father, husband, friend, and my hero. Please help me welcome Art Dunahue.

Thanks to all of our wonderful teachers this year who give their time and effort to make our Religious School a special place. A special thanks to Beth Pitman, who has taught third grade for several years, and who is taking a brief leave of absence to become a mom this summer. We appreciate all that she has done for our school and look forward to her return. Finally, thanks to Eileen Keplinger who initiated the idea of our very successful Pasta after Passover spaghetti dinner. The food was great and it was wonderful to have so many people join together to have a fun dinner. We plan to continue these dinners next year.

PRESCHOOL NEWS Laura Creamer, Director

Well, our school year is over and we are gearing up for next year! May was a great month in the preschool! The 2 and 3 year olds had fun making their Mothers' Day presents and giving them to the Moms! We had a 2 year old "orientation" for next year's class to come and mingle with the current 2 year olds. They had fun! The 4 year olds had such a good time when the moms came to play and eat at Muffins with Mom! All of the classes spent time finishing their end of the year books and getting ready for the End of the Year Program which was wonderful!!! It is always fun to see our little "stars" up on the stage! And we sadly said goodbye to our graduating 4 year old class!

There are still openings in all of our classes, so if you or someone you know is interested in the Preschool, please call Laura Creamer at 269-1915. I hope that everyone has a fun and relaxing summer!!

PLEASE LET US KNOW!!!

As a result of patient confidentiality, some area hospitals will not release to us the names of Jewish patients when our Temple office calls. Therefore, Rabbi Kline and the Temple are relying on you to let us know when someone is in the hospital. Please call us when you know about someone going into the hospital. Your help in this matter is invaluable.

Temple Adath Israel Bulletin

AUGUST 2005

Tammuz-Av 5765

FROM THE RABBI

We are in the midst of the summer. Amidst the fun in the sun, we know the south faces the on going threat of Hurricanes and tropical storms. At the same time and somehow metaphoric, in our own lives we experience the same highs and lows. We see this in the summer vacation freedom verses the growing boredom/restlessness and desire to get back to school with which our youth wrestle. In our spiritual worlds, we experience our own ebb and flow of calm and storm. The good news is that we learn a lot as we move on from experience to experience. We learn that some things in our life work and some do not. We have moments of exhilaration and moments of despair. The challenge that we face is in choosing how to celebrate the successes and learn from the difficult moments. As a community, we know this much: the more we get involved with each other, the greater the chances of success. When we disengage from each other, we open the door for our needs to not be met. Pirke Avot teaches us that if we do not stand for ourselves, no one else will. This is true both individually and collectively. In a way, this means that taking care of this community requires us to look at our membership role as being greater than simply having our names on a roster. We have a miraculous resource pool from which to draw; from which to build congregational programming and activity that is unparalleled in our collective memories.

As such, we need each person to pick out at least some small niche in which they can make a difference. For some it will be educational, while for others the contribution will be financial, spiritual, with volunteer labor, or a whole host of other opportunities. As we approach the High Holy Day season and re-gather from vacation, let us have an ingathering of our spiritual resources and bring new life to the process of growing the spirit of our congregation.

FROM THE PRESIDENT'S DESK

This year the Membership Contribution Committee asked you to try something different - to reflect on the Jewish values of giving and to give from the heart.

The response has been great! With approximately 65% of the membership returning their forms, the average increase has been 7.4%. We truly appreciate your support of the Temple.

L'Shalom,

Starr Gantz, President

YOM KIPPUR MEMORIAL BOOK

It is a tradition of long standing to honor the memory of departed ones and friends with special acts of kindness and Tzedakah during the High Holy Days. One opportunity for an act of remembrance is offered through the Memorial Book, which is passed out to the congregation just prior to the Yizkor service on Yom Kippur afternoon.

Names on the Temple's memorial tablets, as well as the names of those who died in the past year, are automatically listed in the booklet.

A \$25 per family donation is required. Memorial Book funds are used throughout the year for special Temple purposes including supporting the High Holy Days choir, printing new family services for Shabbat and Holy Days and more.

All listings under a personal heading (i.e. "Remembered by...") will appear only by request. Detach the form below and send it to the Temple office along with your contribution made payable to Temple Adath Israel Memorial Fund. **Requests must be received no later than Wednesday, October 5, 2005.**

Enclosed is my check for \$25 for the Yom Kippur Memorial Book listing of the following names.

NAMES: _____

Remembered by _____

TEMPLE ADATH ISRAEL BOTTLED WATER

The Temple now has its own label for bottled water. The water H2Oy has been blessed by the Rabbi and you can get your bottle(s) at the Temple. The cost is \$1 per bottle or 6 bottles for \$5 or \$18 per case (24 bottles to a case).

All proceeds benefit the Temple. This is a wonderful refreshing way to support the Temple.

Get your bottled water today! Stock up your fridge, your boat, your summer home and your RV.

HIGH HOLY DAYS GUEST SEATING

The High Holy Days begin in early October this year. Begin thinking about guest tickets that you may need for family and friends that may be visiting you for the holidays. Call the Temple office to put in your request for guest seats. Be sure to specify if you want seating for Rosh HaShana, Yom Kippur or both.

Also, if you plan to be out of town, call the Temple office so we can request seating for you in the city you will be visiting.

SISTERHOOD NEWS

From the President, Marcia Brown

Very short and sweet....We took some time this summer...we brainstormed and planned....we are about to pick up where we left off....and I promise, you can look forward to lots of different programs, projects and ways to be involved with Temple Adath Israel Sisterhood. New friends, old friends, new members, old members...please join Sisterhood and be a part of a vibrant, creative and awesome group of women!!! We need and welcome your ideas and participation!!! ...So watch the mail and calendar for our kick off program. Enjoy the rest of your summer!

L'shalom,
Marcia

SISTERHOOD WRJ CALENDARS

The beautiful WRJ pocket calendars have arrived. We only have 10 left. The cost is \$15.50. Call the Temple office today to reserve your copy. You will be very pleased with the beauty and the convenience of the calendar. Call Sandee at the Temple office at 269-2979 to arrange for your copy.

Please send your new e-mail address to Sandee at Sandee@lxtai.org so you can receive the weekly e-mail news. Many people have been dropped by the service due to incorrect e-mail addresses. We need your help to keep the data base updated.

SCRIP IS A FUNDRAISER!!!! NOW SLONE'S HAS A GIFT CARD..JUST LIKE KROGER!

Participation is picking up!

Grocery gift cards are a great way to help our entire congregation with minimal effort. It's simple! It's easy! It's tzedakah! Go to Kroger or Slone's for your groceries, prescriptions, etc. and add to our general fund every time you use your card! **NOW YOU CAN PURCHASE GAS WITH YOUR KROGER CARD!! WE ALL NEED GAS AND FOOD! If you are a Slone's shopper, purchase your card now!! It works just like a Kroger card...reload and reuse!!!**

This is how it works. Purchase your \$5 Kroger card or \$10 Slone's card from the Temple office. You shop at Kroger or Slone's the way you normally do, and Temple Adath Israel gets **4% from Kroger and 5% from Slone's** proceeds in a monthly check. The only difference is that before you pay for your items, you present your card to the cashier for payment, like a credit card. The card can also be used at the U-Scan lanes and now at the Kroger gas station pumps. You may use your VISA or other credit cards to recharge your card....and add up the miles and points at the same time!

If you know you are going to spend over the amount on the card, just recharge the card before you check out, up to \$100 at the register or up to \$500 at the customer service desk. You can keep using and recharging your card indefinitely. And again TAI benefits every time Kroger and Slone's sends the monthly check.

Remember, that in order for TAI to receive credit, the card must be purchased initially through TAI. If you lose your card or want to purchase additional cards for family members or friends, please call the Temple office.

MEMBERS....GET YOUR CARD THIS MONTH AND START HELPING TEMPLE ADATH ISRAEL! We seem to be averaging about \$800.00 a month and this is just from 1/3 of our Temple families....just think if we all tried and used our gift card this month!!

Please note that Temple Adath Israel has discontinued participation in the Meijer program.

HADASSAH'S ANNUAL DONOR CAMPAIGN STARTS EARLY THIS YEAR

In 2004-2005, the Lexington Chapter of Hadassah had another exceptional year with its Donor fundraising as it exceeded all its quotas from the National office. We hope to continue and to extend our success during the 2005-2006 Donor campaign under the leadership of Co-Chairs, Lynn Furness and Carole Wilson. We expect to reach all new and continuing members and friends of Hadassah with the mailing in August or during the Phonathon in September. The campaign is earlier this year due to the lateness of the High Holidays. When you receive the mailing or the telephone call, please give as generously as you can to help Hadassah further its medical, educational and social programs both in Israel and the U.S. Thank you in advance for supporting Hadassah and its important work.

ADULT EDUCATION

TORAH STUDY

Rabbi Kline conducts Torah Study in the TAI library, Saturdays at 9 AM on alternate weeks. He is joined by a congenial group that brings together members of TAI and others, who, following the ancient tradition of Judaism, love study and matters of the mind. If you enjoy wrestling with problems of life and faith, join this friendly group.

August schedule is 8/6 and 8/20

Book Discussion Group Open to all

The August book for discussion is by journalist Mark Halperin, *Ellis Island and Other Stories*. We'll meet in the Temple library on Wednesday, August 24th at 7:30 PM. Everyone is welcome.

KOLLEL STUDY GROUP

Joe Engelberg leads this study of fundamental ideas of Jewish life and thought. Among these are spirituality, the nature of God, a critique of Biblical and traditional injunctions and laws, Jewish history, principles of the Reform movement, the relation of Judaism to Christianity, Islam, and Buddhism. The purpose of the Kollel group's study is not to assert these principles as eternal truths, nor to refute them, but to discover the wisdom there is in them and to expand upon them. Drop in any time and join in the provocative and friendly discussion.

August schedule is 8/13 and 8/27

ISRAELI FOLK MUSIC & DANCING SUNDAYS AT TAI 4:30-5:30 PM

Folk Music Enthusiasts Learn Israeli Folk Dances & Songs for adults and teens 13 years and older
Instructor: Aviva Bowling
Fee: \$7.50/lesson (\$30 a month)

A NOTE FROM THE MEMBERSHIP COMMITTEE

Go ahead and mark down the THIRD SUNDAY of each month because you won't want to miss the dinners that the membership committee will be hosting. You are not required to bring a dish as these are not pot luck, nor are they fund raisers but an opportunity to share a meal with other members for a minimal fee which is basically the cost of providing the food. These meals will be creative nutritious, and best of all you won't have to prepare them and you won't have to clean up. We hope to have a monthly theme for instance July was a traditional BBQ. The menu included kosher hot dogs, burger, (beef & veggie) potato salad, cole slaw, dessert, and drinks for all at the low cost of \$5 per person (age 13 and older) children eat free. The August dinner may be Italian night, or Greek, who knows...anything is possible but will be decided by the committee and announced each month. This is a great opportunity for us to come together as a Temple family, to greet new members and nurture relationships. We ask only that you let us know if you plan to attend and you can do this by email or phone call to the Temple office. We ask that you notify us by the Thursday before each meal so we can plan adequate amounts of food.

Of course the Membership Committee is looking for a few good men/women to help with welcoming our prospective and new members and plan events for all members. If you are interested in joining this committee you may contact Ben Baker (ben@injectedperformance.com) or Pat Shraberg (patshra@aol.com), or let Sandee know of your interest and one of us will contact you. We hope to share a meal with you in August and we'll leave the lights on.

The Tuesday Bridge Group meets in the Temple Library beginning at 11 AM. Bring your lunch and play until 2 PM. You don't have to be an expert to join. This group is going strong, so if you like to play bridge, here's your chance to join and socialize with fellow Temple members.

If you wish to join in, please check with other players or the Temple office each week to see if the group is playing.

BOOKS & BAGELS COMING IN SEPTEMBER

TAL's Social Action Committee will hold its annual "Books and Bagels" fundraising event on September 18th this year. If you are doing your spring cleaning and want to get rid of some books in good condition, please bring them to the stage in the social hall to store over the summer. By September, we'll have a great book collection to be sold off at very reasonable prices. As always, all proceeds will support our important social action programs, including our Ashland Elementary School partnership, providing meals to the Hope Center, and our collaboration with the religious school. For more information, please contact Ray Archer (219-9854) or Nancy Schoenberg (323-8175).

RECYCLE AND THE TEMPLE EARNS CASH

Please do not throw away your old printer cartridges!!

Temple Adath Israel will become a part of the recycling program for printer cartridges.

We will be collecting your old inkjet and laser cartridges. There will be a drop off box in the Temple office as well as in the main hallway at the Temple. Save them up and bring them to Temple to deposit in the collection box. The Temple will receive a percentage for all cartridges that will be picked up by *Printagain Inkjets*, a local company. A great new way to earn money for the Temple. There is no cost to the Temple and it helps the environment. Most cartridges are accepted. If you are not sure if your cartridge is accepted, call the Temple office to get a list of cartridges that can be recycled.

RELIGIOUS SCHOOL NEWS

Jane Gris , Youth Education Director

Summer is a wonderful time to relax, go swimming, and plan for Religious School. On July 13th, our teachers met for our Third Annual Teacher Summer Potluck dinner. This event has been a great opportunity to meet and plan for the upcoming year. At the end of July, I will be traveling to the URJ Camp Warwick in Warwick, New York to participate in a URJ Retreat on "Reaching and Teaching Students with Special Needs." The conference is focusing on students with learning disabilities, gifted students, and behavior management techniques for all students.

This coming year we will be utilizing the URJ's CHAI Curriculum for 3rd, 4th, 5th, and 6th grades. The Union has been developing this curriculum over the past three years and we are very pleased with the results. The CHAI Curriculum is based on the premise that study, worship, and deeds of loving-kindness provide the framework with which Jews build their relationship with God, with one another, and with the world. Accordingly, the curriculum is divided into segments that deal with Torah – study, Avodah – prayer, and G'milut Chasadim – deeds of loving-kindness. The curriculum is also based on the premise that students learn best when learning is active. The lessons include role playing, construction, and art as well as readings and questions. We plan to supplement the curriculum with Bible stories, holiday events, and segments from the A.R.E. Curriculum that were successful.

As we plan for September, it is extremely important for us to receive your registration forms immediately. Our teachers review these forms very carefully to properly prepare for your children. If you are interested in our Adult Hebrew class, please register so that we can order books for this class. We will have two levels – beginner and intermediate. It is a great class and a wonderful way to learn Hebrew with your student. Enjoy the rest of the summer.

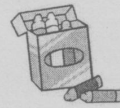

FIRST DAY OF RELIGIOUS SCHOOL IS SEPTEMBER 11 AT 9:30 AM

WE WILL BEGIN WITH AN ASSEMBLY FOR PARENTS AND STUDENTS AT 9:30 AM.

AT 9:45 AM, WE REQUEST THAT ALL PARENTS VISIT THEIR CHILD'S CLASSROOM.

THE BROTHERHOOD WILL HOLD THEIR ANNUAL PICNIC AT 11:45 AM FOR ALL STUDENTS AND TEMPLE CONGREGANTS.

BE SURE TO ATTEND THIS ANNUAL EVENT AS WE BEGIN ANOTHER YEAR OF LEARNING.

PRESCHOOL NEWS Laura Creamer, Director

I hope that everyone has had a wonderful summer and we at TAI Preschool are looking forward to the 2005-2006 school year!!! We are so excited to have all of our teachers back with 2005-2006 school year!!! Elissa Brown will continue as the Lead Teacher in the 2 and 3 year old rooms and Tammy Bradley will continue to lead the 4 year old class.

Rosh Hashanah is still another month away, but it is never too early to start making a list of people to whom you would like to send a Rosh Hashanah basket! The baskets will once again be wonderful and we personally deliver them to your local friends and family!

There are many fun and exciting things planned for this year, and though our 2 year old class is full, there are still spaces available in our other classes. If you or someone you know is interested in the Preschool, please call Laura Creamer at 269-1915. Enjoy the rest of your summer!!

ALL HIGH SCHOOL STUDENTS ARE INVITED TO ATTEND A "MAKE YOUR OWN SUNDAE" PARTY HOSTED BY TRYB!

Join us on September 11, the day of the Temple Religious school Brotherhood Picnic. Come to the Youth Lounge at noon and design your own ice cream dessert. TRYB elections will be held at this time so be sure to pay your \$25 membership so that you can vote. If you want to run for the TRYB Board, contact Toni Reiss for a "letter of Intent" form to submit prior to the election.

SAVE THE DATE! AUGUST 28, noon.

I have arranged for a docent led tour of the exhibit of sculptures by French artist Auguste Rodin that is at the UK Art Museum. After our tour of the exhibit, we will go for lunch (any suggestions for where?). There is an opportunity for a parallel tour for students that includes an activity center with a biographical film, sketching station, and a sculpture that can be touched. If you would like to bring an elementary or middle school age student for this tour, let me know. The fees for the exhibit are: general admission: \$8, Seniors: \$5, group of 10 or more, \$6 (seniors would still pay the \$5 rate but be included in the group number). RSVP to the Temple office by August 22.

PLEASE LET US KNOW!!!

As a result of patient confidentiality, some area hospitals will not release to us the names of Jewish patients when our Temple office calls. Therefore, Rabbi Kline and the Temple are relying on you to let us know when someone is in the hospital. Please call us when you know about someone going into the hospital. Your help in this matter is invaluable.

Temple Adath Israel Bulletin

SEPTEMBER 2005

Av-Elul 5765

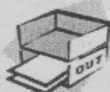

FROM THE RABBI

The kids are back in school. The Holy Days are approaching. The pools will soon be closing. We are left to wonder where the summer went. We make such great plans to accomplish all sorts of things, and when it is over, we realize that if we got any significant part of our list accomplished, it was productive.

We have been productive at TAI. We have been planning a year full of new events, educational, spiritual, and fun. Some of the physical plant is rearranged and renewed. Spring cleaning took all summer, but we have even reclaimed some of the storage space lost to years of "putting it somewhere." Membership cook outs allowing us to get to know each other lead the list of a new focus of programs generated for the soul purpose of building bridges within our TAI family. A new sound system will help everyone hear, from any seat in the sanctuary. Fans are being strategically placed to supplement the air conditioning and keep the air flowing through the congregation. I even got to finish getting through my office (stuff unpacked I had just "put somewhere" two years ago.) And, as a congregation, more lines of communication are opening between leadership and laity, such that we are better taking advantage of opportunities that provide us with information about the wants and needs of our congregation. Oh yes, and I cannot forget H2Oy, our new fundraiser, and fun project. Right on the label we learn that our very own bottled water was created by the holiest of standards.

Pirke Avot teaches us to keep our house open wide and welcoming to people from all walks of life. The first step in accomplishing this task must be to open our hearts to engaging each other. I will have plenty of time to share my thoughts during the holy days to come, but for now, let me invite you to come see all that is happening.

FROM THE PRESIDENT'S DESK

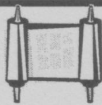

I'm sitting here writing this on a very hot Sunday in August wondering how the summer could have gone by so quickly. By the time you read this our children will be back in school, and Temple activities will once again be gearing up. That doesn't mean we were on vacation the entire summer. The new sound system has been installed in the sanctuary and the ark has been removed and is being rebuilt to hold all 3 Torahs. Did you get the chance to attend a Sunday night dinner at the Temple this summer? More are planned throughout the year. Thank you Ben and Pat for your work on these. And to quench your thirst during these 90 degree days, stop by the Temple and pick up some H2OY.

L'Shalom,
Starr Gantz, President

YOM KIPPUR MEMORIAL BOOK

It is a tradition of long standing to honor the memory of departed ones and friends with special acts of kindness and Tzedakah during the High Holy Days. One opportunity for an act of remembrance is offered through the Memorial Book, which is passed out to the congregation just prior to the Yizkor service on Yom Kippur afternoon.

Names on the Temple's memorial tablets, as well as the names of those who died in the past year, are automatically listed in the booklet.

A \$25 per family donation is required. Memorial Book funds are used throughout the year for special Temple purposes including supporting the High Holy Days choir, printing new family services for Shabbat and Holy Days and more.

All listings under a personal heading (i.e. "Remembered by...") will appear only by request. Detach the form below and send it to the Temple office along with your contribution made payable to Temple Adath Israel Memorial Fund. **Requests must be received no later than Wednesday, October 5, 2005.**

Enclosed is my check for \$25 for the Yom Kippur Memorial Book listing of the following names.

NAMES: _____

Remembered by _____

TEMPLE ADATH ISRAEL BOTTLED WATER

The Temple now has its own label for bottled water. The water H2Oy has been blessed by the Rabbi and you can get your bottle(s) at the Temple. The cost is \$1 per bottle or 6 bottles for \$5 or \$18 per case (24 bottles to a case).

All proceeds benefit the Temple. This is a wonderful refreshing way to support the Temple.

Get your bottled water today! Stock up your fridge, your boat, your summer home and your RV.

HIGH HOLY DAYS GUEST SEATING

The High Holy Days begin in early October this year. Begin thinking about guest tickets that you may need for family and friends that may be visiting you for the holidays. Call the Temple office to put in your request for guest seats. Be sure to specify if you want seating for Rosh HaShanah, Yom Kippur or both.

Also, if you plan to be out of town, call the Temple office so we can request seating for you in the city you will be visiting.

SISTERHOOD NEWS

From the President, Marcia Brown

Back to school, back to religious school, back to the carpools and lunches...but please save some time for yourself and Sisterhood...I want to encourage all the women of Temple Adath Israel to join Sisterhood this year. The women of Temple Adath Israel Sisterhood are such an integral part of our Temple congregation, our local community and most of all to each other. Our Temple depends on our support, in more ways than we realize. Our religious school children benefit greatly from our annual fundraiser; we sponsor Break the Fast, the Congregational Seder, the Mitzvah Crib, among many other worthwhile projects and events. We encourage any time, support, ideas or just your presence at our programs. We have great programs and projects planned...all we need is your participation!! We welcome back our old members and extend our open arms to welcome a new community of women. Watch for an invitation to our September program...an evening to schmooze, learn what Sisterhood can do for you and what we are all about...meet new friends and reconnect with the old! Hope to see you then!!

L'Shalom,
Marcia

SISTERHOOD WRJ CALENDARS

The beautiful WRJ pocket calendars have arrived. We only have 10 left. The cost is \$15.50. Call the Temple office today to reserve your copy. You will be very pleased with the beauty and the convenience of the calendar. Call Sandee at the Temple office at 269-2979 to arrange for your copy.

SCRIP IS A FUNDRAISER!!!!

NOW SLONE'S HAS A GIFT CARD...JUST LIKE KROGER!

Participation is picking up!

Grocery gift cards are a great way to help our entire congregation with minimal effort. It's simple! It's easy! It's tzedakah! Go to Kroger or Slone's for your groceries, prescriptions, etc. and add to our general fund every time you use your card! **NOW YOU CAN PURCHASE GAS WITH YOUR KROGER CARD!! WE ALL NEED GAS AND FOOD! If you are a Slone's shopper, purchase your card now!! It works just like a Kroger card...reload and reuse!!!**

This is how it works. Purchase your \$5 Kroger card or \$10 Slone's card from the Temple office. You shop at Kroger or Slone's the way you normally do, and Temple Adath Israel gets **4% from Kroger and 5% from Slone's** proceeds in a monthly check. The only difference is that before you pay for your items, you present your card to the cashier for payment, like a credit card. The card can also be used at the U-Scan lanes and now at the Kroger gas station pumps. You may use your VISA or other credit cards to recharge your card...**and add up the miles and points at the same time!**

If you know you are going to spend over the amount on the card, just recharge the card before you check out, up to \$100 at the register or up to \$500 at the customer service desk. You can keep using and recharging your card indefinitely. And again TAI benefits every time Kroger and Slone's sends the monthly check.

Remember, that in order for TAI to receive credit, the card must be purchased initially through TAI. If you lose your card or want to purchase additional cards for family members or friends, please call the Temple office.

MEMBERS....GET YOUR CARD THIS MONTH AND START HELPING TEMPLE ADATH ISRAEL! We seem to be averaging about \$800.00 a month and this is just from 1/3 of our Temple families....just think if we all tried and used our gift card this month!!

Please note that Temple Adath Israel had discontinued participation in the Meijer program.

HADASSAH'S ANNUAL DONOR CAMPAIGN

We hope the Donor solicitation letter reached everyone. We also hope you took the opportunity to pledge generously and/or send your check to Hadassah already. If your pledge is not received prior to September 22, we'll look forward to talking with you during the Phonathon scheduled for that evening. Hadassah relies on its members and friends to further its medical, educational and social programs in Israel and the U.S. and appreciates every contribution, however large or small, to the Donor Campaign. If you have any questions, please call Lynn Furness, Donor Co-Chair, 859-873-0328 (days) or 859-873-0593 (eves) or Carole Wilson, Donor Co-Chair, 859-277-0979 (eves). Thank you for your support of Hadassah's Donor Campaign.

ADULT EDUCATION

TORAH STUDY

Rabbi Kline conducts Torah Study in the TAI library, Saturdays at 9 AM on alternate weeks. He is joined by a congenial group that brings together members of TAI and others, who, following the ancient tradition of Judaism, love study and matters of the mind. If you enjoy wrestling with problems of life and faith, join this friendly group. **Sept. schedule is 3 and 17.**

KOLLEL STUDY GROUP

Joe Engelberg leads this study of fundamental ideas of Jewish life and thought. Among these are spirituality, the nature of God, a critique of Biblical and traditional injunctions and laws, Jewish history, principles of the Reform movement, the relation of Judaism to Christianity, Islam, and Buddhism. The purpose of the Kollel group's study is not to assert these principles as eternal truths, nor to refute them, but to discover the wisdom there is in them and to expand upon them. Drop in any time and join in the provocative and friendly discussion. **Sept. schedule is 10 & 24.**

ADULT EDUCATION FOR 2005-2006 LARRY KANT'S CLASS

This year "Finding a Jewish Path While the Ground Shifts Beneath Us" will once again meet monthly on Sundays in the TAI Sisterhood Lounge from 10:00 am to 12 noon. For 2005-2006, we have the following dates: **9/25, 10/23, 11/13, 12/11, 1/22, 2/26, 3/26, 4/23, & 5/21.** We will concentrate our efforts on the traditional Jewish prayer book (*siddur*) so clearly presented in the wonderful series, "My People's Prayer Book," published by Jewish Lights Publishing. This series is easy to use and full of information that is simple to find and to understand. Of course, most Jewish prayers involve biblical interpretation and *midrash*, which should help us to look at traditional Torah texts from an interesting vantage point. Much of the time, congregants in synagogues go through the motions of reciting prayers, both in Hebrew and English, without really considering their meaning. In our class, we will think about what the words actually mean, consider their beauty and poetry, and try to adapt them to our own lives in the modern world. We will begin by working our way through the material on prayers at home for Shabbat (*Shabbat at Home*). This should help us in our Shabbat preparation. I am very excited about continuing our learning and thinking about what it now means to be Jewish.

Book Discussion Group Open to all

The September book for discussion is *Jane Austen in Boca* by Paula Marantz Cohen. We'll meet in the Temple library on Wednesday, September 28th at 7:30 PM. Everyone is welcome.

A NOTE FROM THE MEMBERSHIP COMMITTEE

The Membership Committee will continue their monthly dinners on the third Sunday of each month. You are not required to bring a dish as these are not pot luck, nor are they fund raisers but an opportunity to share a meal with other members for a minimal fee which is basically the cost of providing the food. This is a great opportunity for us to come together as a Temple family, to greet new members and nurture relationships.

Of course the Membership Committee is looking for a few good men/women to help with welcoming our prospective and new members and plan events for all members. If you are interested in joining this committee you may contact Ben Baker (ben@injectedperformance.com) or Pat Shraberg (patshra@aol.com), or let Sandee know of your interest and one of us will contact you. We hope to share a meal with you in the future and we'll leave the lights on.

SOCIAL ACTION

ADOPT A SCHOOL ASHLAND ELEMENTARY

It's back-to-school time.

Thanks again to Ashland's tutors. Ashland met 10 of its 10 No Child Left Behind Adequate Yearly Progress goals for all students. The new school year begins on August 15. School leaders will need about two weeks to make assessments to see which students will need additional help. After that, those who volunteered last year can call the school directly to learn which teachers and students will need assistance and when. New volunteers should call Dianne Bazell at 278-3042.

If you would like to donate to the Ashland Elementary School this year, please bring the following to the Temple:

backpacks	markers
colored pencils	crayons
fisker scissors	paper
uniforms (all sizes of khaki, navy, or black pants, and solid jersey shirts with collars)	

BOOKS & BAGELS SEPTEMBER 18

TAI's Social Action Committee will hold its annual "Books and Bagels" fundraising event on September 18th this year. If you are doing your spring cleaning and want to get rid of some books in good condition, please bring them to the stage in the social hall to store over the summer. By September, we'll have a great book collection to be sold off at very reasonable prices. As always, all proceeds will support our important social action programs, including our Ashland Elementary School partnership, providing meals to the Hope Center, and our collaboration with the religious school. For more information, please contact Ray Archer (219-9854) or Nancy Schoenberg (323-8175).

Please send your new e-mail

keep the data base updated.

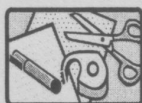

RECYCLE AND THE TEMPLE EARNS CASH

**Please do not throw away your old printer
cartridges!!**

Temple Adath Israel will become a part of the recycling program for printer cartridges.

We will be collecting your old inkjet and laser cartridges. There will be a drop off box in the Temple office as well as in the main hallway at the Temple. Save them up and bring them to Temple to deposit in the collection box. The Temple will receive a percentage for all cartridges that will be picked up by *Printagain Inkjets*, a local company. A great new way to earn money for the Temple. There is no cost to the Temple and it helps the environment. Most cartridges are accepted. If you are not sure if your cartridge is accepted, call the Temple office to get a list of cartridges that can be recycled.

RELIGIOUS SCHOOL NEWS

Jane Gris , Youth Education Director

I am writing this column as I fly back to Kentucky from the URJ's Summer 2005 Retreat on "Reaching and Teaching Students With Special Needs." Thanks to the generosity of the Mersack Fund that was established to fund teacher training opportunities, I attended this Retreat at the Kutz Camp in Warwick, New York with 25 other educators from around the country.

We spent three days learning from Dr. Shana Erenberg, an expert in the field of special education in Chicago, Illinois. Dr. Erenberg was the founding Director of the Keshet Sunday School for students with disabilities in Northbrook, Illinois and is currently the Chairperson of the Department of Education at Hebrew Theological College in Chicago. She serves as a consultant to the URJ on special education issues.

At the Retreat, we examined a wide range of topics including an analysis of the wide varieties of special needs, behavior management techniques, gifted education issues, and how to adapt curriculum to different student needs. We collected many wonderful articles, had great discussions, watched fascinating movies, and examined several excellent websites. One website, <http://www.pbs.org/wgbh/misunderstoodminds/>, created scenarios where we had special needs in the areas of math or reading and we were then required to do reading and/or math tasks. For the first time, many of us learned how our students feel on a daily basis – frustrated and defeated. We must adapt our classroom to avoid these situations. We also concluded that most techniques used to assist students with special needs were actually the best practice to utilize for all students.

This conference provided a great deal of fantastic information that will benefit all of our students. Over the next year, we as a school are going to examine this information first at our teacher in-service session on August 28th and next at our monthly faculty meetings. I plan to initiate two parent education sessions as well so that we can all become more knowledgeable and effective in dealing with our children. The first session will take place on Sunday, October 2nd at 10:30. Put this on your calendar.

I look forward to seeing everyone on the opening day of the Religious School – September 11th. Join us for an opening Assembly at 9:30 am. We are also asking that all parents visit their child's classroom at 9:45 so that you can receive important information about the upcoming year.

PRESCHOOL NEWS Laura Creamer, Director

Hello from the Preschool! We are so excited that school has begun and we are seeing old friends and meeting new ones! The 2 year olds are getting used to spending the mornings away from their parents and the 3 year olds are busy making art projects and playing with friends! The 4 year olds are now the "big kids" in school and enjoying every moment! Rabbi Kline comes to visit us on Fridays to help us welcome Shabbat and the children love to give him hugs! We will start Art and Music this month and we can't wait to make some masterpieces and learn new songs!

Don't forget to order your Rosh Hashanah baskets for all of your family, friends and religious school teachers. Those who have received them in the past have really enjoyed them, and it is a nice way to welcome in the New Year. Look for the order form in this bulletin or pick one up in the front office. Any questions, please call Laura Creamer at 269-1915. Have a wonderful September!

ALL HIGH SCHOOL STUDENTS ARE INVITED TO ATTEND A "MAKE YOUR OWN SUNDAE" PARTY HOSTED BY TRYB!

Join us on September 11, the day of the Temple Religious school Brotherhood Picnic. Come to the Youth Lounge at noon and design your own ice cream dessert. TRYB elections will be held at this time so be sure to pay your \$25 membership so that you can vote. If you want to run for the TRYB Board, contact Toni Reiss for a "letter of Intent" form to submit prior to the election.

FIRST DAY OF RELIGIOUS SCHOOL IS SEPTEMBER 11 AT 9:30 AM

WE WILL BEGIN WITH AN ASSEMBLY FOR PARENTS AND STUDENTS AT 9:30 AM.

AT 9:45 AM, WE REQUEST THAT ALL PARENTS VISIT THEIR CHILD'S CLASSROOM.

THE BROTHERHOOD WILL HOLD THEIR ANNUAL PICNIC AT 11:45 AM FOR ALL STUDENTS AND TEMPLE CONGREGANTS.

BE SURE TO ATTEND THIS ANNUAL EVENT AS WE BEGIN ANOTHER YEAR OF LEARNING.

PLEASE LET US KNOW!!!

As a result of patient confidentiality, some area hospitals will not release to us the names of Jewish patients when our Temple office calls. Therefore, Rabbi Kline and the Temple are relying on you to let us know when someone is in the hospital. Please call us when you know about someone going into the hospital. Your help in this matter is invaluable.

Order your Rosh Hashanah Greeting Gift Baskets Today

Proceeds to benefit the TAI Preschool

TAI Preschool is selling Rosh Hashanah greeting baskets. These beautifully wrapped baskets will be filled with apples, honey, a round Rosh Hashanah challah, and other goodies. The Rosh Hashanah celebration basket program operates much like the Uniongram program; each recipient will receive one basket with a card listing the names of all those who are sending their greetings.

This is a wonderful way to share New Year's wishes with family and friends in the Lexington area, to show appreciation to religious school teachers or others who have been helpful to you, and to help build community spirit while supporting the TAI Preschool. The baskets will be delivered to homes in the immediate Lexington area in time for Rosh Hashanah.

The cost is \$15 for each basket on which you want your name included (for example, if you want to send greetings to five families, the cost to you will be \$75). The quantity discount is ten baskets for \$125. In addition to, or instead of, sending baskets, we will print your name on all of the cards as a sponsor of this fundraiser for \$50.

As we are anticipating a large number of families wanting their Rosh Hashanah greetings to be included on a basket for Rabbi Kline and his family, having your name on this card will cost \$5.

To assure that we have enough materials for all the baskets, we ask that you **send in your order no later than September 16th**. We cannot guarantee that orders postmarked after that date will be filled.

NOVEMBER 2005

Tishri-Cheshvan 5766

FROM THE RABBI

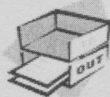

Welcome to November. For many of us, this month is all about football and turkey. Perhaps it is just the American tradition. Perhaps it is the sugar induced lethargy that we experience in the "Post Halloween and I have eaten way too much candy blues." Perhaps it is because too many of us only think about eating and recreation (but that is for another discussion). I would like to throw into the mix a moment of Torah. We have already discussed the relationship between Sukkot and Thanksgiving. I would like to briefly go one step further.

We have become accustomed to thinking of the people who live by the bible as narrow fundamentalists. Whether it is our religion or outside our own religion, we look upon those "bible thumpers" as a blot on our progressive society. I would like to take you back several hundred years, though. Those whom we call Pilgrims certainly saw things differently. In England, they were oppressed, being forced to live religiously within the rules of the Anglican Church. It was England's church or not at all. The pilgrims, by definition of their name, were those who sought to experience the waltz with God in freedom. People who make pilgrimages do so for spiritual uplift and freedom. In reaching this land of freedom, the Pilgrims befriended the Native American population, planted and reaped crops, and wanted to thank God for these blessings. That they looked to the bible for advice, and especially the Hebrew Scriptures was all but heretical given the iron thumb of the Anglican church of the day. It was a bold move intended to establish and secure the religious freedom that we enjoy today.

It is true that this legacy has somehow been hi-jacked in our day, such that strict biblical adherence is used as a platform for power by religious fundamentalists. The spirit of the pilgrims, though, has been well preserved in our society. We are free to choose our religious traditions. As Jews we celebrate the voices in history who have

FROM THE PRESIDENT'S DESK

Reform Judaism values each Jewish story—yours, mine, and that of the person who sat next to you during the High Holy Day services. Some of us have long Jewish stories, filled with moments and memories; others are just beginning their Jewish journey.

Yet whether old or new, each story is a connection to Temple Adath Israel. There was something that brought each and every person through our Temple doors for Rosh HaShanah, Yom Kippur, and even consecration, and this is something that we share. Cherish the moment and continue to work to write the story of your Jewish history.

L'Shalom

FROM THE RABBI (from page 1)

stood for freedom. We celebrate individual thought, over blind obeisance. It is for this reason that we now have issues with religious people who cannot look past the bible for guidance. While the bible can be a source of inspiration, it can also be a bludgeoning hammer. It has always been our way to celebrate those who look for inspiration, not power. Yes, Thanksgiving is patterned after Sukkot. And, yes, as people whose mission it is to be good citizens, we treat our country's holidays as our own. Even more so, though, this reason of spiritual freedom provides me the best reason to treat thanksgiving as a Jewish holiday. Besides, it fits the model of all Jewish holidays. They attacked us. We won. Let's eat. Have a great month!

SISTERHOOD NEWS

From the President, Marcia Brown

The time may have changed and we lost an hour, but hopefully we will be on time for the upcoming Sisterhood events! The holidays are behind us; however, our pledge to do the right things at the right time is ahead of us! Don't let your busy schedules get away with you; there is always time to participate in Sisterhood. We have many programs planned on the calendar and I know there will be something of interest for each and every woman and little sister of Temple Adath Israel. We are a vital part of TAI and the larger picture, Women of Reform Judaism. Your time, your financial support and your presence makes this organization what we are and what we strive to be!! A great big thank you to Mary Engel, Connie Grobstein and Rose Rita Wurmser and all the members who participated in Break the Fast after Yom Kippur services. Your time is so appreciated! We had a beautiful afternoon to decorate our Sukkah. Our families performed a mitzvah and had lots of fun doing it, together! It is so nice to come together as a community to celebrate the holidays. Women's health issues brought our Jewish women's community together. Dr Tammy James and Dr. Sara Rosenthal provided us with very important information and shed light on health issues that are a concern to all women. After the presentation, a Q & A session and refreshments, it was nice to schmooze with new friends and old. We hope to have many joint programs in the future. The months are flying by and the holiday season is almost upon us. Please visit our gift shop, we are constantly adding new items and there are many beautiful items for your Hanukkah shopping...and we know there is always time for shopping!! And speaking of shopping...Sisterhood will be hosting an evening of shopping. So, mark your calendars and watch your mail for more information....November 16th will be the night. Commit yourselves this year to enriching your life and our Temple, by joining and participating in Sisterhood. I look forward to seeing many new faces at our upcoming events!

SCRIP IS A FUNDRAISER!!!! NOW SLONE'S HAS A GIFT CARD...JUST LIKE KROGER!

Participation is picking up!

Grocery gift cards are a great way to help our entire congregation with minimal effort. It's simple! It's easy! It's tzedaka! Go to Kroger or Slone's for your groceries, prescriptions, etc. and add to our general fund every time you use your card! **NOW YOU CAN PURCHASE GAS WITH YOUR KROGER CARD!! WE ALL NEED GAS AND FOOD!** If you are a Slone's shopper, purchase your card now!! It works just like a Kroger card...reload and reuse!!!

Here are a few ways in which you may use the Kroger card:

- Give family members in other cities a card....you can load the card from your local store if you have the account number...this is a great way to fund your college student's grocery shopping.
- You may use your VISA or other credit cards to recharge your card....and add up the miles and points at the same time!
- Purchase gas and prescriptions with your card...it is convenient and really adds up!
- Give gift cards as gifts for the holidays or as a thank you to your postman, paper person, a favorite teacher or tutor!

Temple Adath Israel gets **4% from Kroger and 5% from Slone's** proceeds in a monthly check. You can keep using and recharging your card indefinitely. And again TAI benefits every time Kroger and Slone's sends the monthly check.

MEMBERS....PLEASE USE YOUR CARD THIS MONTH AND CONTINUE HELPING TEMPLE ADATH ISRAEL! About 1/3 of our Temple families are participating in this ongoing fundraiser...just think if we all used a gift card this month!!

TEMPLE ADATH ISRAEL BOTTLED WATER

The Temple now has its own label for bottled water. The water H2Oy has been blessed by the Rabbi and you can get your bottle(s) at the Temple. The cost is \$1 per bottle or 6 bottles for \$5 or \$18 per case (24 bottles to a case). All proceeds benefit the Temple. This is a wonderful refreshing way to support the Temple. Get your bottled water today! Stock up your fridge, your boat, your summer home and your RV. It can also be personalized and decorated to reflect a theme for Bar or Bat Mitzvahs, weddings, or a Simcha where you may serve refreshments.

ADULT EDUCATION

TORAH STUDY

Rabbi Kline conducts Torah Study in the TAI library, Saturdays at 9 AM on alternate weeks. He is joined by a congenial group that brings together members of TAI and others, who, following the ancient tradition of Judaism, love study and matters of the mind. If you enjoy wrestling with problems of life and faith, join this friendly group. **November schedule is 12, & 26.**

KOLLEL STUDY GROUP

Joe Engelberg leads this study of fundamental ideas of Jewish life and thought. Among these are spirituality, the nature of God, a critique of Biblical and traditional injunctions and laws, Jewish history, principles of the Reform movement, the relation of Judaism to Christianity, Islam, and Buddhism. The purpose of the Kollel group's study is not to assert these principles as eternal truths, nor to refute them, but to discover the wisdom there is in them and to expand upon them. Drop in any time and join in the provocative and friendly discussion. **November schedule is 5 & 19.**

ADULT EDUCATION FOR 2005-2006 LARRY KANT'S CLASS

This year "Finding a Jewish Path While the Ground Shifts Beneath Us" will once again meet monthly on Sundays in the TAI Sisterhood Lounge from 10.00 am to 12 noon. For 2005-2006, we have the following dates: **11/13, 12/11, 1/22, 2/26, 3/26, 4/23, & 5/21.** We will concentrate our efforts on the traditional Jewish prayer book (*siddur*) so clearly presented in the wonderful series, "My People's Prayer Book," published by Jewish Lights Publishing. This series is easy to use and full of information that is simple to find and to understand. Of course, most Jewish prayers involve biblical interpretation and *midrash*, which should help us to look at traditional Torah texts from an interesting vantage point. Much of the time, congregants in synagogues go through the motions of reciting prayers, both in Hebrew and English, without really considering their meaning. In our class, we will think about what the words actually mean, consider their beauty and poetry, and try to adapt them to our own lives in the modern world. We will begin by working our way through the material on prayers at home for Shabbat (*Shabbat at Home*). This should help us in our Shabbat preparation. I am very excited about continuing our learning and thinking about what it now means to be Jewish.

Book Discussion Group Open to all

The November book for discussion is *The Inextinguishable Symphony* by Martin Goldsmith. We'll meet in the Temple library on Wednesday, November 30th at 7:30 PM. Everyone is welcome.

MONTHLY CONGREGATIONAL SUPPER

The TAI Membership Committee is offering a series of suppers for the entire congregation—including old members, new members, and prospective members—the third Sunday of every month.

We will provide a (mostly) home-cooked delicious supper (a different theme each month). All you need to provide is your presence plus \$5 for each person in your party over the age of 12. Everyone younger eats free.

What a deal! Where could you do better? Please join us for a tasty and fun interlude each third Sunday of the month at 6 PM in the TAI social hall. The only catch, you must call the Temple at 269-2979 for reservations by 5 PM on the Thursday before the event. If you don't reserve, we can't be sure there'll be enough meals for everyone.

Please join us on November 16 for our next supper. We're taking December off; try the CKJF Winter Dinner on December 18 instead.

SOCIAL ACTION

HADASSAH DONOR SUCCESS CONTINUES

Lead by our new President, Odette Kaplan, who so generously and graciously pledged to become a Keeper of the Gate, the Lexington Chapter of Hadassah commenced another highly successful Donor Campaign. Many thanks to all the members and friends of Hadassah who have pledged and/or paid their donor commitment for 2005-2006. We have raised more than \$12,000 so far and checks continue to be received. These funds are in addition to the significant contributions made by the other 13 Keepers of the Gate and the six Founders.

We also want to express our deep appreciation to those who helped with the Phonathon on September 22 by making calls: Janice Newman, Judy Baumann, Vinnie Dubilier, Di Sobel, Vivian Bitensky, Marilyn Moosnick and Odette Kaplan. A very special thank you to Angie Smith for hosting the Phonathon and providing expert help with the spreadsheet and follow up letters.

If you are a Hadassah member or friend who has not yet made a Donor pledge for this year, and would like to do so, please contact Lynn Furness, 859-873-0328 or Carole Wilson, 859-277-0979, Donor Co-Chairs. We look forward to hearing from you. Thank you.

RECYCLE AND THE TEMPLE EARNS CASH

Please do not throw away your old printer cartridges!!

Temple Adath Israel will become a part of the recycling program for printer cartridges.

We will be collecting your old inkjet and laser cartridges. There will be a drop off box in the Temple office as well as in the main hallway at the Temple. Save them up and bring them to Temple to deposit in the collection box. The Temple will receive a percentage for all cartridges that will be picked up by *Printagain Inkjets*, a local company. A great new way to earn money for the Temple. There is no cost to the Temple and it helps the environment. Most cartridges are accepted. If you are not sure if your cartridge is accepted, call the Temple office to get a list of cartridges that can be recycled.

PRESCHOOL NEWS

Laura Creamer, Director

October was a great month at TAI Preschool and we are looking forward to a busy November! We had such fun dipping apples in honey, hearing the Rabbi blow the shofar and spending lots of time in the sukkah! The 2 and 3 year old classes made wonderful crafts for Rosh Hashanah and continued their exploration of Fall. A good time was had by all at the Halloween parties! The four year olds spent some time in the Wild Wild West and the children looked wonderful in their wild west costumes! They also had a great time preparing for Halloween and going trick or treating door to door in the hallways! The teachers loved all of the drawings, flowers and tokens they received for Teacher Appreciation Week – Thank you!

Our Rosh Hashanah baskets were a wonderful success! A **HUGE** thank you to everyone who purchased, filled, delivered and provided support to make it such a wonderful fundraiser! And an extra **HUGE** thank you to Rebecca Young who spearheaded the whole event and did an outstanding job! **If you would like to recycle your empty basket, please bring it to the temple office.**

Thanksgiving is coming, so the children are beginning to get excited about their preparations for their classroom Thanksgiving Feast. We are also busy planning our Family Spaghetti Nite on Thursday, November 10th. Come on out and enjoy some spaghetti and fun! The firefighters will also come to visit in November, so it will be a full month!

There are still a few spaces left in the 3 and 4 year old classes. Spread the word, and call Laura Creamer at the preschool, at 269-2979 or 269-1915 for more information.

PLEASE LET US KNOW!!!

As a result of patient confidentiality, some area hospitals will not release to us the names of Jewish patients when our Temple office calls. Therefore, Rabbi Kline and the Temple are relying on you to let us know when someone is in the hospital. Please call us when you know about someone going into the hospital. Your help in this matter is invaluable.
