NOTES

This column is addressed to only some of you.....
It is addressed to those members who..at one time or another..have wondered fleetingly about the history of Reform Judaism.

It is addressed to those members who have expressed or felt a desire to know something about this great movement...and to find just where they stand in the larger scheme of things.....

This Friday night..we shall attempt a beginning in a joint search after facts..

We shall meet...at the close of services, in the Temple Vestry...There we will explore the story of Reform Judaism.....

And....if you wish...we shall consider ways whereby we may continue the search after facts.....

If you like....you may attend services...and not stay for our discussion...If you like...you may absent yourselves entirely from services.....

But.....if you prefer facts to fancy.....if you prefer participation to passive spectator-ship.....
If you prefer to be the kind of a Jew who knows something about his Judaism.....then.....I hope to see you this Friday night both during and after the services.....

NOTICE

FROM WHERE I SIT
by
RABBI MAURICE DAVIS

Haven't done much 'sitting' this past week..Seven days on my back is not my idea of fun and games..... After examining the ceiling intently what else can you look at..... when you are flat on your back? I spent long hours thinking about the YOU.....

I've used this column to get many things off my chest....I hope that you haven't minded.....

I've also used this column to pour out some hopes and dreams of mine. I hope you haven't minded that.

But lying on my back...I realized that there was one more purpose for this column....one I haven't used so very much.....

That is to thank you for the partnership...which makes our Temple click.....

This is not a one man job..... and most of you realize that..... A congregation without a rabbi.....or a rabbi without a congregation is only one half a team trying to do a team job....It can be done....but not well.....

By and large....we have functioned as a team....as a partnership....in the most exalted task there is..... It is to find out where we are in the scheme of things...to testify to certain dreams we share....and to build our lives on something more abiding than the stones we use to build our houses.....

The job is nowhere near completionand it never will.....but we can work together.....learn together.....pray together..... and together we can grow....in loveand dignity.....

We have a good team.....We are involved in a good game..... Let's join hands in a good life.....

WHAT IS A YOUTH GROUP?

A youth group is a bunch of kids who are never on time...who can't seem to settle down because one of them is tossin a bean bag, and one is doodling with your new fountain pen, and ALL of them are chewing gum as if the world depended upon some saccharine secretion of saliva...while you are trying to get them to prepare something they had solemnly promised to do six and a half weeks ago, but had forgotten....

A youth group is a gang of youngsters whose world seems to revolve about a basketball game, a date, a comic book and a piece of gum, and who insist on telling you jokes that weren't funny when YOU were a teenager, a century

ago.....

A youth group is a conspiracy, sworn to the sacred task of driving you insane...by changing the subject...by forgetting appointments, and by giggling.....

And yet, when they turn to you for advice; when they speak of their goals in life; when they struggle to find expression for the beauty and the greatness and the sympathy and the dedication for which they yearn; when they come through with flying colors...as they always do, they cause a tingle to run up and down your spine

because.....

you have.....by holding their hands and their hearts....peeked into the future, and you like what you

see....

NOTES

Did you read in the papers about the Lockland Baptist Church...and the 'to-do' it had between the minister and a member of the Congregation?.....

The minister expelled her from the Church as a 'gross sinner'..... A court order then restrained him from carrying out the expulsion.....but the congregation of about 2,000 people voted unanimously to follow the advice of the minister.....

It seems this woman had missed two Church services in a row.....and had also said unkind things about the minister.....

That sort of thing can lead to interesting speculation.....And if we wanted to transfer our thinking from the Lockland Baptist Church to Adath Israel.....who of us would be safe?.....

Are there more than ten couples in our Congregation who haven't, at one time or another, missed two services in a row?.....

And as for the other charge...why that would be taking away one of our most precious past-times.....

I would advise the worthy minister that attendance at religious services is a thing of the heart...and if a member of his congregation is absent for a period of time, expulsion is precisely what is not to be advised...

And if he proposes that his congregants should not gossip about him, he is thereby depriving them of mankind's chief-most pleasure..... It is not fair to expect congregants not to slough off upon the 'religious ministrant' all of their pent up feelings.....A man has to blame someone... and if he can't blame his minister.... America will have lost one of its freedoms....The freedom to gripe.....

'FROM WHERE I SIT' it seems to me that every prospective clergyman should have one course in his seminary that would prepare him for this phenomenon...After all....we do make an excellent target.....

THE TEMPLE BROTHERHOOD PLAYED HOST TO Mr. Justin Rothman, Assistant Director of the National Federation of Temple Brotherhood, on Monday, January 25.

President, Sanford Lowenthal announces that as a result of the meeting, new plans for an improved Brotherhood are under way.

Incidentally, the dates in February for our Temple Brotherhood are 10, and 26. Put them aside, and save them.

THE TEMPLE YOUTH GROUP MET LAST SUNDAY evening. President, David Davis discussed with the group, plans for the forthcoming O.V.F.T.Y. (Ohio Valley Federation of Temple Youth) Conclave to be held in Columbus Ohio in February. The group plans to send five representatives to the Conclave.

THE SUNDAY SCHOOL CHARITY COMMITTEE met last week, and elected Robert Miller, Chairman. The committee reported to the assembly, the method whereby they would present to the assembly their slate of charities for contributions.

MR. HERSCHEL WEIL WAS RECENTLY APPOINTED chairman of the planning committee for the Temple Adath Israel's Golden Anniversary, which will take place on the second of May, 1954. The first meeting of his committee has already taken place, and the second meeting has been called for February 3, in the Temple.

MRS. MATTHEW BARRETT HAS ANNOUNCED THAT the Sisterhood Spring Dance will be held on Saturday, April 3. Further announcements will appear in the Temple BULLETIN.

THE TEMPLE GRATEFULLY ACCEPTS A DONATION to the LIBRARY FUND, by Mrs. Louis Rosenberg.

They say that experience is the best teacher...but there are times when we don't want to wait for experience to tell us what to do.....

Experience is the best teacher..but it is a harsh teacher as well.....

At the moment..I am thinking of those youngsters who attend our Sunday School. They are a happy, laughing lot..and the joy that they bring into our hearts is something wonderful to behold.....

Do we all agree on that?

Fine!

You know..as well as I..that our parking situation on Sunday morning in front of the Temple is a dangerous one.....

We have NO PARKING signs, but too many parents prefer to ignore them.....

You parents park double in front of the Temple..you park triple..you block almost the entire street.....

Some people might think that this behavior is unseemly...They might think that it is bad public relations...But at the moment..all I can think of is those kids.....

They run out of Temple..and see their daddy parked halfway in the middle of the street..there is so much to talk to him about..they run to him.....

One of these days..a child is going to get hurt..One of those happy..laughing kids...bubbling over with excitement is going to run into the street..out where his daddy is parked..illegally...dangerously...and he is going to get hurt.....

He is going to be hit by a passing auto...and then:

Then we are going to rush him to the hospital.....

Then we are going to wait anxiously for a doctor's report.....

Then we are going to resolve never again to park illegally...dangerously..

Then we are going to leave our cars down the block..and walk the few extra steps to pick up our children.....

Then..it may be too late for someone.

Experience is the best teacher..... but a harsh one.....

Must we wait for her?.....

STAND BACK FOR BROTHERHOOD

It's here again! You know what I mean.....That WEEK they call 'Brotherhood'.....

After fifty-one weeks of bickering.....a whistle is blown.....and, as if we were caught in a parade that snarls up traffic, a voice is heard, "Stand Back! Stand back, please Brotherhood is passing by!!".....

What a sad commentary on our timesthat we need this kind of 'police whistle' to force us.....even for a moment.....to stop and take a quick look at Brotherhood....before it passes down the street.....and out of sight.....and out of mind....and out of heart.....

I wonder.....do we seriously believe that this week of officialdom will change the minds of men?

Perhaps we need more than this temporary tolerance to solve our sicknesses.....

Perhaps we need more than a pannel of clergymen...speaking at luncheon clubs...reciting in sonorous tones, "What I like about me."

Perhaps we need a little thinking on the subject...to see exactly just what Brotherhood means.....

We need to translate the pleasant words into realities....such as restricted neighborhoods...and segregation in the schools...and anti-semitic literature...and anti-Catholic wisecracks.....

We need to translate Brotherhood into world affairs...and Arab oil.....and warfare.....

We need to translate Brotherhood into little things...like friendship instead of sniping...and instinctive trust instead of rampant suspicion....

And if we have not the greatness, nor the courage, nor the compassion to do these things..at least let us not delude ourselves that an annual parade fulfills our duty.....

"Stand back, Brotherhood is passing by!" If we are not terribly careful, we may learn that Brotherhood is not passing by. We may learn that it is passing away.....

OUR TEMPLE SISTERHOOD WILL HOLD ITS NEXT meeting, Wednesday, Feb. 17 in the Temple Vestry. Mrs. Irving Rosenstein, Program Chairman, announces that Dr. James Gladden Associate Professor of Sociology at U.K. will be the speaker. Dr. Gladden's subject is: THE IMPORTANCE OF THE FAMILY TO CHILD DEVELOPMENT.

ON BEHALF OF HILLEL, WE WISH TO THANK Mrs. Herschel Weil, and Mrs. Matthew Barrett for preparing the dinner for the latest Hillel meeting, February 14, 1954.

WE WOULD LIKE TO THANK MRS. ED VIDES FOR assisting Mrs. Ernst Rosenzweig with the reception after services last Friday night.

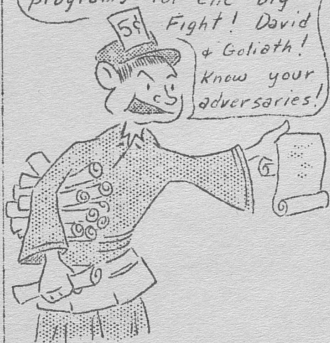

THE CONGREGATION RECORDS WITH SORROW, THE death of Mrs. B. Mintz of Chicago. We send our heartfelt sympathy to Mrs. Irving Zapolsky, daughter of Mrs. Mintz.

WILL YOU HELP THE TEMPLE BROTHERHOOD? IN Preparation for our Golden Anniversary, the Brotherhood has undertaken the task of compiling the names of all those who have been confirmed at our Temple. Dr. Sanford Lowenthal makes this urgent request. Please send a post-card to the Temple, and on it state the following 3 things:
1) Your name, and year of your Confirmation
2) The name of the Rabbi who officiated at your Confirmation.
3) The names of as many of your classmates as you can remember. This will only take a moment of your time, but such help will prove invaluable to the Brotherhood.

MR. HERSCHEL WEIL, GENERAL CHAIRMAN FOR our GOLDEN ANNIVERSARY, is most anxious to enlist the help of all members of the Congregation. Please send in to the Temple, any suggestions that you might have concerning the early history of our Congregation. Either write it down, or let us know, and we will send a reporter to you for an interview. This celebration belongs to all of us, and all of us should share in it.

THE OHAVA ZION SYNAGOGUE HAS ASKED US TO announce that beginning Feb. 24, it will hold a series of square dances for beginner and experts. Time: 8 P.M. and 50¢ a person.

CATCHING UP WITH YESTERDAY

Pause for a moment...in memory of George Washington...who walked upon this earth some two hundred years ago, who stood on the balcony of New York's Federal hall and accepted the presidency of the United States.....

Pause for a moment...and remember the words he wrote to the Jews of Newport, R.I.....

"....for happily, the government of the United States...gives to bigotry no sanction, to persecution no assistance....."

And now pause again...and think of the Commonwealth of Kentucky...There is a Bill before the Legislature in Frankfort which states.....
"It is hereby declared to be the policy of the Commonwealth that the American ideal of equality of opportunity requires that students, otherwise qualified, be admitted to educational institutions without regard to race, color, religion, creed, or national origin....."

It's a big step forward...but..... they tell me.....the BILL will die!.. Too radical! Ahead of our times!.....

Pause for a moment in memory of George Washington...and pray that our Commonwealth can catch up with him....

WE STILL NEED THE HELP OF THOSE MEMBERS who have been Confirmed in our Temple! Please send us a postcard giving the year of your Confirmation, and the name of the Rabbi who officiated. Try to send us, also, the names of those who were Confirmed with you.

DURING THE PAST SEVERAL DAYS, RABBI Davis has addressed the Antioch Christian Church, Temple Beth-El of Muncie, Ind., and the Kiwanis Club of Lexington. In the next ten days he will speak before Morton Jr. High, the Ohio Valley Federation of Temple Youth, in Columbus and spend a few days at the Union of American Hebrew Congregations, in New York. How often...during our lifetimes...do we come in contact with true greatness? How often do we have the opportunity to meet....and listen to a man whose wisdom is great...and whose goodness is greater still?.....

We have that chance....this coming Friday night...Our guest speaker at our Sabbath Service will be Dr. ABRAHAM CRONBACH

Dr. Cronbach is Professor Emeritus of the Hebrew Union College...There...for more than a score of years...he was a fountain of knowledge...and a greater fountain of inspiration.....

An entire generation of Rabbis called him 'the Saint' because they had never met such godliness before.....

At the National Leadership Training Institutes, sponsored by N.F.T.Y. the campers followed Dr. Cronbach's every word because it was the closest thing they had to the living word of God....

Among the scholars of this nation, he is a respected figure in semantics, social studies, and the wide field which is Judaism.....

He would have come to us sooner.... had I the Chutzpah to invite him..... But now that he will spend the week in Lexington for the University of Kentucky's Religious Emphasis Week....I had no hesitation to impose upon him the task of speaking to our congregation on the sabbath that precedes the week's activities.

I ask you to make every effort to attend this service.....not because of what it will mean to me..or to him. but what it will mean to you.....

THESE ARE THE DATES FOR THE MONTH OF MARCH.

- 1- Sabbath Service. Dr. A. Cronbach.
- 1- P.T.A. Meeting 8P.M.
- 0- Brotherhood meeting plus wives.
- 2- Sabbath Service
- 7- Sisterhood Interfaith program 2 P.M.
- 9- Sabbath Service (Purim)
- 11- Sunday School Purim Party
- 16- Brotherhood Sabbath Service (Chautauqua night)

THE TEMPLE BROTHERHOOD REQUEST THAT YOU send in your reservations to its 'Husband and wives' dinner as soon as possible. A wonderful evening has been prepared, featuring a battle of the sexes, which is a quiz between the men and the women on the subject of the Temple. The Temple Youth Group will present for a second time, the pageant, "THE BUILDERS".

PLEASE SEND IN THE YEAR OF YOUR CONFIRMATION, the names of fellow confirmants, and the name of the Rabbi who officiated! The Brotherhood needs this information!

THE TEMPLE SISTERHOOD INVITES ALL OF THE Ladies of our Congregation to its Annual Interfaith Program, for the afternoon of March 17. A panel, consisting of Father James Herlhy, Dr. James Kennedy, Dr. Howard Short, and Rabbi Davis will discuss, COMMON GROUND.

THE TEMPLE YOUTH GROUP ATTENDED THE OVFTY Winter Conclave in Columbus, Ohio during the past week-end.

EVERY PARENT OF A SUNDAY SCHOOL CHILD IS requested to attend the final P.T.A. meeting of the year. It will take place Monday March 8 at 8P.M. The Class which has the highest percentage of parental attendance will receive an award. The meeting will afford parents and teachers to meet together, and mutually plan for a still better Sunday School. We think that every parent owes it to his child, to attend this meeting. The feature of the program will be a PANEL DISCUSSION on the subject: A BILL OF RIGHTS FOR THE KIDS. "THE RIGHT TO LEARN" 1-Proper Curriculum, 2-Proper Equipment, 3-Proper Environment, 4- Proper Parental Co-operation.

IT IS REQUEST BY DR. I. KANNER THAT EVERY Temple member send in his or her name or the name of his child who served in any of the Armed Forces from the beginning of World War I to the end of the Korean War. Please! This will help us get our memorial plaque up to date.

I'm sick and tired of you loafing around here while I work my fingers to the bone. It's simply a shame that I have to do everything..

b-b-but, doll...

...and I'm fed up with your sneaking off to play golf every Saturday and Sunday, and leaving me to slave over the entire week-end!!

b-b-but d-dear...

Don't you DARE raise your voice to me!!

..and I've had enough of picking up after you, because you're too lazy and sloppy to pick up your own clothes... I just pick up, pick up, etc., etc., etc....

And to top it all, you have to insult MY Mother in MY house!

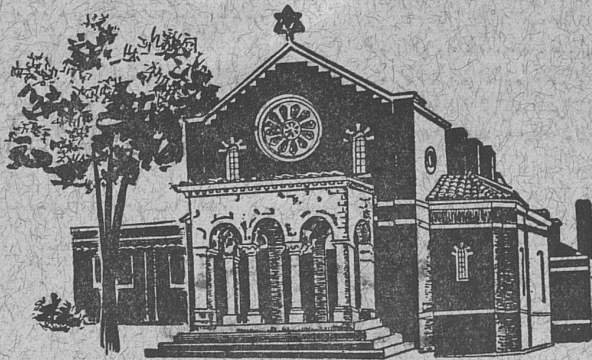

b-but, doll, I only said she had such a good appetite.

Don't worry, folks. They're just practicing up for the "Battle of the Sexes" at the Brotherhood Meeting next Wednesday night!

Ed. Note: Any resemblance of Homer to Nudnik himself is purely coincidental.

FROM WHERE I SIT
by

Rabbi Maurice Davis

I used to drive a car with a conventional shift...I would put my foot on the clutch pedal..and push the gear shift into first..then into second...and then into third.....

I now drive a car with an automatic shift....It slides by itself from one gear into the next....It is quite convenient....takes less concentration...contributes to the ease of driving....

I mention this because I suddenly had the feeling that our Congregation has slid into High Gear..automatically

Suddenly the pages of the BULLETIN are eaten up with important announcements.....

Suddenly.....there is a great difficulty in finding time for all the plans that are being made.....

It is only the beginning of March...but things are happening so rapidly....

that the whole calendar is filled with plans..and meetings.....and action.

The year that began so quietly is now buzzing with activities.....The Congregation.....like my car.....has moved automatically into High.....

Except for one thing.....our Congregation is not Hydramatic.....Our Congregation is made up of people.....who guide the action and the speed and the progress of our 'machine'

When we work together in harmony...because our hearts are thrilled.....then it appears as if it were an automatic machine.....

But you know better.....and so do I.....Let's all have a hand in the running of our machine.....and may the love of great matters.....aid us to run it smoothly.....

FROM WHERE I SIT
by

Well.....once again....we have held a tremendously successful meeting of parents and teachers.....

Once again the vestry was filled as the vast majority of parents were present to discuss....with sincerity....the future of our Religious School program.

When I remember the pitiful few who would come to our former meetings....it is impressed upon me...that we now have the proper formula for success.....

For the benefit of those who would like to know our secret...it is a simple one.....and I record it for you.....

Here are the things you need:

- 1) A Chairman of P.T.A. who is willing to work for a worthy cause.
- 2) A Sunday School Principal who is devoted....and dedicated.....
- 3) A Group of Room Mothers...ready to do their share.....
- 4) A staff of teachers who love the youngsters...and who are ready at all times to work with them and for them....
- 5) A Sisterhood chairman to work with the P.T.A. in relation to refreshments...expenditures...and the like.....
- 6) A group of parents aware of the challenge...and the goals...and the glory of working with the young.

The formula is simple...Just take the above ingredients...and let them work it out.....

The formula is simple...The recipe is simple.....The only difficult task is getting all the proper ingredients.....

And we have. In every category we have the kind of people who demand success...and who achieve it.....

They achieve success...because they deserve success....and they deserve the active help of every person who sees himself in one of these categories.....

PUT ASIDE THE DATE OF APRIL 10!!!!!!!!!!!!
The Sisterhood announces that April 10 is the night of the gala Spring Dance at Boiling Springs Country Club. It will feature good food, good music, and an excellent play by Mrs. Irving Gail. And most important of all, it gives each member a chance to support the Sisterhood and the Religious School.

PURIM! PURIM! PURIM!

- 1) It will begin Sunday, March 21 at 9:30 A.M.
- 2) There will be performances by each class.
- 3) We want the youngsters to come in costume, BUT we want the costumes to be appropriate for Purim.
- 4) We will serve LUNCH for all the children, so don't call for them until 12:30 P.M.

THE TEMPLE YOUTH GROUP URGENTLY REQUEST
that you fill out the questionnaire that was mailed to you last week, and send it in to

as soon as possible.

FROM CHARLES STERN, SCOUTMASTER
of our Temple Troup, comes word that the Boy Scouts are painting the basement. The paint for the project was donated by Ben Cohen of Paris, Kentucky.

THE TEMPLE BROTHERHOOD WISHES TO REMIND
the Congregation that it will conduct services on Friday, March 26. Harold Baker, chairman of the evening, has announced that this service will be in honor of the Jewish Chautauqua Society.

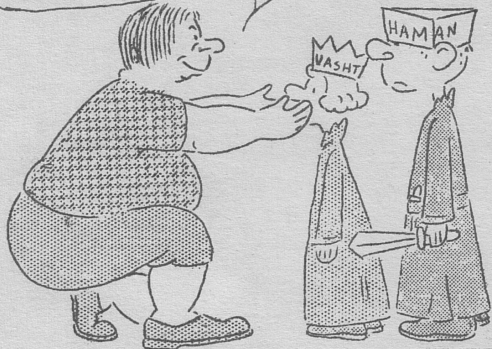

The reception that will follow services, will be presided over by Irving Stern Jr. and his committee.

PLEASE FILL OUT THE ENCLOSED POSTCARD
for the Congregational Seder. This will take place Sunday night, April 18, in the Temple Vestry. We would like to have a full representation at this Temple Family affair.

RABBI DAVIS HAS JUST ACCEPTED AN INVITATION
to serve on the Advisory Board for the Juvenile Delinquent Court of Fayette County.

On Monday March 15, he addressed the Jewish Community Center of Cincinnati, and on Friday of this week he will speak to the students of Lafayette High School.

You children certainly should win the prizes as Vashti & Haman at the Sunday School Purim Party, because I'm sure all the rest will be dressed as Esther and Mordecai....

FOOTNOTE ON SISTERHOOD

How often do we go to the Congregation to ask for financial support for the Congregation?

How often do we ask for us to help ourselves?

This is it! This is the one time during the year that the Sisterhood makes a plea for funds...for a better Sunday School.

Throughout the year, you are asked hundreds of times for donations to community projects, in which the entire community shares.

But once, during the year, you are asked to help your Sunday School. How can you help it? By attending a dance, eating good food, watching a fine play. We have made our Fund Raising endeavor to be a pleasant evening.

Now support it! Be a GOLD DONOR on this GOLDEN ANNIVERSARY YEAR. Know, in your heart that you have contributed to progress for the sake of our Temple, and its educational system.

The question is not, "Can you afford to be a donor?" The real question is, "Can you afford not to be a donor?" Only you can answer this, but much depends upon your answer.

Congregation? Ruth Barrett

How often do we ask for us to help ourselves? Chairman,

This is it! This is the one time during the year that the Sisterhood makes a plea for funds...for a better Sunday School. Now support it! Be a GOLD DONOR on this GOLDEN ANNIVERSARY YEAR. A NOTE FROM NFTY

At the last P.T.A. Meeting, there was a discussion about parental co-operation. I said that our Temple Youth Group felt that the parents were not behind us. The parents said that they were.

When I mentioned that we were not getting too large a group at our NFTY NASCHERIE, I was told that the driving shifts made it impossible. That was o.k. we felt better about some of the people.

BUT, a few weeks ago, we called again on you for support - we did not get it. We sent to everyone in the Congregation a census form.

After three weeks, we have received about 25 of them. If you have not received the questionnaire, let us know, and we will send you an additional one. Otherwise, please let us know if we can help you in any way.

If we do not receive your form, we shall have to contact you personally, but a great deal of time can be saved, by a minimum of co-operation.

We want to thank those who have returned their questionnaires to us, and we hope that the others of you will soon comply with our request.

At the last P.T.A. Meeting, there was a discussion about parental co-operation. I said that our Temple Youth Group felt that the parents were not behind us. The parents said that they were.

Bob Miller
Vice President
Temple Youth Group.

THE PICTURES OF THE YOUNGSTERS WHO TOOK part in the Purim plays, are on our BULLETIN BOARD. Please sign up for whatever pictures you would like. All proceeds will go to the Sisterhood for its fund raising in behalf of the Sunday School.

OUR TEMPLE ALTAR FUND IS BADLY IN NEED OF additional revenue. We would like to see the altar decked with flowers for our every service. This can only be accomplished by donations, in memory of a dear one. If you have a Yahrzeit, send a donation to the ALTAR FUND, to Mrs. Ben Cohen of Paris.

ON BEHALF OF OUR HILLEL GROUP, WE wish to thank Mrs. Ed. Munich, and Mrs. David Weil for providing the dinner at the last Hillel meeting.

FROM WHERE
I SIT...

by....
Rabbi
Maurice
Davis...

Now is the time for all good men to come to the aid of their candidates..... In your Temple BULLETIN this week, you have received our annual BALLOT for membership on the Board.....

It is your task to find five good men and true.. to replace those who have served faithfully and well for the past three years.....

There are three ways in which you can destroy all the good of this democratic way of voting..... As a public service let me outline them.....

A) You can throw this BALLOT away. If you do... you default in your right to choose the best possible Board.....

B) You can vote for less than five.. we can't stop you.. You can vote for just one... and not pick any other names lest they compete with your favorite. If you do this.. you have not helped to pick the best possible five... You have helped to pick one.. and you have defaulted on the rest of the five... just as the man who follows plan A)....

C) You can treat the whole thing as a joke.. pick names indiscriminately... just for laughs.... The price of your humor may be very costly for the Congregation.... and you.....

There they are.. all outlined for you.. Of course you may choose the right way.. also.

You might remember that membership on the Board is both an honor and a responsibility.. You might search out men who deserve the honor.. and are willing to assume the responsibility .. You might seek people who are Temple-minded... whose attendance at Temple functions is ta-

Cont'd.

ken for granted... whose criticism is always constructive.... whose desires are for the whole Temple family.....

You might seek five such people.... and vote for THEM...

Three easy ways to ruin this thing... one tough way to make it work.....

TAKE YOUR CHOICE!

NEW YORK REVISITED

The 80th Anniversary of the Union of American Hebrew Congregations will be observed at the coming convention in New York, April 19-24.

The National Federation of Temple Sisterhoods will hold its meetings concurrently with the Union.

THE BUILDERS was written by Rabbi Jack Stern, and Rabbi Maurice Davis last summer during N.F.T.Y.'s Leadership Training Institute. Rabbi Davis is Dean of the Institute, and Rabbi Stern is co-Dean.

FROM WHERE I SIT

by

Rabbi Maurice Davis

What does Passover mean to you?.....
I can't even guess....But I do know
what it means to me.....

To me.....Passover is a combination
of Spring Fever....and Freedom.....and
a Family seated together.....

It is spring fever...because it
promises the coming of warmth...and
pleasantness.....after the bitterness
of the past.....It promises the
rebirth of flowers.....and grass and
things that grow up from the soil.....
It is all the hopes and dreams that
spring brings into the heart.....

And it is freedom...too. Free-
dom from the drabness of yesterday....
and from all the pains and pangs of
yesterday.....

But most of all.....it is a
family sitting together....laughing
together.....praying together.....
Filled with the sure knowledge of a
love that binds.....and hearts related.
Passover is the togetherness of a
family.....

There are lots of learned ways in
which to describe the Passover.....
but this is mine.....And with all my
heart.....I wish you a Happy Spring
Fever.....Happy Freedom.....and a
Happy Family held together by family
prayers.....and hopes....and dreams.....

WE ARE VERY HAPPY TO ANNOUNCE THAT PLANS
for our GOLDEN JUBILEE CELEBRATION are
now complete. We only ask you to be
ready to send in your reservations for
this affair as soon as you receive them
in the mail.

And while you are waiting, place
a big red (?) circle around May 2, 1954.
For this is 'Happy Birthday' to Adath
Israel.

We will meet at 6:00 P.M. (sharp!)
at the Temple for an evening of festivi-
ties. RABBI MAURICE EISENDRATH Presi-
dent of the Union of American Hebrew
Congregations will address our Congre-
gation that night.

An outstanding evening...for an
outstanding event! A 'once-in-a-life-
time-affair'. Don't let ANYTHING keep
you away!!!!!!

Question for today!.....
What is the role of the audience?.....
Good question.....There are two kinds
of audiences.....passive and
active.....

When you go to the movie.....you
are a passive audience.....except when
you pay for the ticket.....then you
are active.....and your action
supports the theatre.....but inside
you are passive.....

Now.....what about our GOLDEN
JUBILEE? A committee.....under
Herschel Weil has been extremely active
.....A magnificent affair has been pre-
pared.....

Not only will we have a wonderful
meal (Marianne Rosenzweig).....
Not only will we participate in the
important business of our Congregation
(Ben Goldfarb).....Not only will
we watch a beautiful pageant about our
Temple (Freda Roos, Edith Weil and
Fannie Miller).....

We will also be privileged to hear
Rabbi Maurice Eisendrath, President of
the Union of American Hebrew Congrega-
tions....one of the great men of our
time.....

We belong to the Union.....and
the Union belongs to us.....

We belong to this Congregation.....
and this Congregation belongs to us....
Every person who attends.....will be
more than a passive spectator.....

Each person there will testify to his
belief in our Congregation.....his
belief in all the tasks that are ours..
his belief that a group of men and
women and children.....united
in the name of all their dreams.....
can make those dreams come true.....

HAVE YOU sent in your reservations
yet?.....Don't wait! Sign up NOW....
Sign up as a witness.....who testifies
on behalf of the work of our hands.....
and the work of our hearts.....

ON BEHALF OF THE ENTIRE CONGREGATION, WE
want to thank Mrs. Robt. Mickler and her
committee for the beautiful Passover Seder
they made possible for all of us. It was
a memorable night in our lives.

OUR TEMPLE BROTHERHOOD ANNOUNCES ITS
monthly meeting, scheduled for Wednesday
April 21, at 6:30 P.M. The program will
feature THE ART LINKLETTER SHOW. Please
make every effort to attend.

THE BROTHERHOOD ANNOUNCES THAT IT HAS
made a gift to the Temple of a complete
set of dishes. We want to thank them
for their generosity. Our Passover Seder
was made that much more beautiful because
of them, and our GOLDEN JUBILEE will be
aided immensely by this gift.

OUR TEMPLE SISTERHOOD WILL HOLD ITS
monthly luncheon, Wednesday, April 21, at
12:30 P.M. The program of the day is
entitled, NAMES OF FAME, sponsored by
the members of this year's Confirmation
class.

WE RECEIVED THIS NOTE FROM AN ANONYMOUS
person, whose stationary read, Mrs.
Matthew Barrett:

"We are pleased to announce that Mr. and
Mrs. Adolph Abraham are silver donors to
our (Sisterhood) fund raising affair.

"Our sincere thanks to all who parti-
cipated in any and every way to make our
drive a success. All will profit from
the profits."

Signed,

WE ARE DELIGHTED TO ANNOUNCE THE ENGAGE-

FROM WHERE I SIT

by

Rabbi Maurice Davis

How many times have I come to you in this column....with a specific plea?..... How many times have I asked you for a favor?.....

Today I ask you to do a favor for yourselves. I want you to enjoy our GOLDEN JUBILEE affair.....I want you to be relaxed.....and at ease.....

There is only one way in which this can be accomplished. We MUST serve no later than 6:00 P.M.....

Rabbi Maurice Eisendrath has to leave that very night.....and unless we begin on time...we all will feel the pressure of being rushed throughout the evening...

Therefore.....this is my plea....Be at the Temple no later than 5:30 P.M. This will allow us to be seated, and to begin the program on time.....This will also allow us the opportunity to meet with Rabbi Eisendrath prior to dinner.....

This man.....who comes to us..... does so at great personal sacrifice..... Actually....his schedule did not permit him to be with us.....

But.....because he wanted to celebrate with us our GOLDEN JUBILEE..... he has curtailed some of his other commitments.....in order to spend a few hours in Lexington.....

I don't want those few hours wasted... I don't want the pressure of time to be such....that you will not be able to meet one of the outstanding Jews of our generation.....

Be here at 5:30.....and the favor you do for me.....will be a favor you do for yourselves. We will serve at precisely 6:00 P.M.....and because of the large turn-out that we expect...we can only succeed if you are willing to co-operate.

This is to be a wonderful night. Let's not allow anything to mar it!!!

REMEMBER!!!!

In order to meet Dr. Eisendrath;
In order to begin our festivities on time;
In order to enjoy the evening in a relaxed and pleasant manner;

In order to show our appreciation to a very great man for coming to us;

BE HERE AT 5:30 P.M.!!!!

P.S. If, for any reason, you have not made your reservations, please call James Frankel immediately!!!!

We cannot ever hope to thank all of the people who labored so diligently to make our GOLDEN JUBILEE such a successful affair.

First of all, and most of all, there was Herschel Weil, General Chairman of the entire project. He did a yeoman's job in organizing, and in following through. As usual, he gave completely of himself during those long months of preparation. In addition to that, his presiding as Master of Ceremonies was magnificent.

Ben Goldfarb, as President, Iz Paritz, Vice-President, Irv Kanner, Secretary, and James Frankel, Treasurer have our hearty congratulations at their re-election, and our thanks for the way in which the meeting was conducted, as well as for all the preparations that went into it.

That wonderful dinner, and the amazing way in which so many were comfortably seated, as they were also efficiently served, is due to the ability and the planning of Ernst and Marianne Rosenzweig. We can't thank them enough.

The Vestry has never been so beautiful. It literally glistened with all the gold of flowers, and table decorations. For this work of art, and this labor of love, our thanks go to Iz, and Helen Paritz, our twin geniuses.

Thanks to Harold Baker and Maurice Hymson for the publicity which the local press afforded us. This was one affair of which the city was made aware.

The program itself was perfect. In good taste from beginning to end. Thanks to James Frankel and David Weil for this wonderful souvenir, and for the research work which went into it, in cooperation with Ben Goldfarb, who was also Historian for the Planning Committee.

The pageant just hit the spot. To Freda Roos, Fannie Miller and Edith Weil, as well as all who worked with them on it, and in it, our deep gratitude. One special word of thanks to Bertha Speyer, whose blessing of the youngsters brought tears to the eyes of everyone present.

The Youth Group, in their fancy dress, served efficiently and graciously, characteristics we have come to expect from them.

All of the chairmen, and presidents who made their reports, did so in such good taste, and with such sincerity, that all of us felt that ours certainly is a Temple aware of its duties, as well as of its glories.

To Rabbi Maurice N. Eisendrath, for his moving address, our deepest gratitude is manifest. And to all the others who served anonymously, but without whom this would have been just an ordinary meeting, our thanks are gratefully offered.

That evening was as Herschel Weil said, "The most important night in the history of the Temple."

WE ARE DEEPLY MOVED BY THE VERY LOVELY gift of four silver trays which Janice Weil has presented to our Temple. At the close of her tenure as Principal of the Sunday School, she has given these lovely trays, with the following inscribed:

TEMPLE ADATH ISRAEL

In appreciation for a very pleasant association with the Religious School
Janice Weil....1954

IN NEXT WEEK'S BULLETIN WE SHALL TAKE pleasure in announcing the names of those whose donations to the GOLDEN JUBILEE FUND has made it the success that it is. We haven't wiped out the entire deficit of the Temple yet, but we soon will. We shall also announce the names of those in whose memory, or in whose honor these donations have been made.

WE GRATEFULLY RECORD A DONATION TO THE RABBI'S FUND, by Mrs. L.K. Frankel, in memory of Rabbi Leo Mannheimer.

HEARTIEST CONGRATULATIONS TO MR. & MRS. Sanford Krinsky, on the engagement of their daughter Lois Jean to Bernard A. Marcus.

THE MAY MEETING OF THE COUNCIL WILL BE A HAPPY BIRTHDAY meeting. Please bring toys for the Hearing Clinic, as your birthday gift. Highchairs are also needed.

SISTERHOOD ANNUAL MEETING, WILL BE HELD May 19, at Boiling Springs Country Club. A skit, "This Is Your Life", will be given in honor of the out-of-town members.

ADATH

ISRAEL

NEWS

I have made a strange request of our Board of Directors.....I have asked that the policy of placing the name of every members of the Congregation on some committee be discontinued.....

With a few exceptions....our committees have not been functioning but they are going to.....

We shall start the coming year with an entirely new philosophy about committees. We only want members who are willing to do something.....

Actually.....people who will participate in such committees will derive a tremendous satisfaction by being on committees that work.....

Moreover....we are renovating the entire list of committees to drop some... and create others....so that the total needs of the Temple can be met by the members.....

If YOU would like to be on a committee if you have a special preference for a specific committee....or if....without preference....you would like to be active in committee work.....merely call the Temple office. I promise you that your desires will be fulfilled. You will be put on the committee of your preference.. if you call the Temple now!!!

I hope that next year each committee will be monthly.....I hope that next year all committees will meet on the same night.....at the same time...in the Temple.....

We could establish a night....something like the third Tuesday of each month.... and then have all the rooms of the Sunday School wing in use...and perhaps end up with refreshments at the close of an active night.....

It is partially up to me..... but it is mostly up to you....and now is the time to stand up....and be counted among those whose love for the Temple.... leads them into action.

LOST BUT NOT YET CLAIMED, ARE THE FOLLOWING items:

Umbrella, rain coat, man's hat, lady's coat, gloves, purse, quilted glass case. Please call the Temple Office, if any of these items are yours.

THE SISTERHOOD ANNUAL MEETING WILL TAKE place on Wednesday May 19, at Boiling Springs Country Club. Mrs. Irvin Stern Sr. is Program Chairman. Mrs. Sherman Miller is in charge of the installation of officers. During the luncheon meeting, there will be a skit entitled: "THIS IS YOUR LIFE, NFTS", directed by Mrs. Hugo Bloomfield. Participants are: Mmes: Harold Baker, Irving Gail, Robert Mickler, Irvin Stern Jr., and Stanley Scher.

THE BROTHERHOOD ANNUAL MEETING WILL TAKE place Wednesday, May 19 in the Temple Vestry at 6:45 P.M. This will be the last meeting of the season, and will feature the installation of the new officers.

HEARTIEST CONGRATULATIONS TO THE FOLLOWING proud parents:

To Mr. & Mrs. Larry Goodman on the birth of Philip Jay.

To Mr. & Mrs. Harold Brown on the birth of Betsy Deborah.

To Mr. & Mrs. Mark Halleck on the birth of Donald Richard.

AT THE LAST MEETING OF THE TEMPLE YOUTH Group, the following members were elected to office:

President.....Bob Miller
Vice-President.....Dick Munich
Rec. Secretary.....Linda Kanner
Cor. Secretary.....Marge Wikler
Treasurer.....Mickey Kessler

WE ARE VERY HAPPY TO ANNOUNCE THE APPOINT-ment of Mrs. Stanley Rose as Sunday School Principal for the school year of 1954-1955.

SPEAKING OF SUNDAY SCHOOL, THE SESSION will end on Sunday May 23. On Sunday May 30, there will be a school picnic.

MRS. CHARLES SCHWARTZ, OUR SCHOOL LIBRARI-an, asks that all children AND ADULTS return books that they have borrowed from the library.

WE GRATEFULLY RECORD A GIFT TO THE RABBI'S FUND from Mr. & Mrs. Al Wenneker in honor of the Home Dedication Ceremony performed by Rabbi Davis.

THERE WILL BE NO NASCHERIE FOR THE REST OF THE YEAR!!!!!!

GOLDEN JUBILEE FUND

We are happy to announce in this issue, the names of those people who have contributed to Adath Israel's GOLDEN JUBILEE FUND. In each subsequent issue we will continue to add the names of those whose contributions have been received. If there is any error in our reporting, we hope you will bring it to our attention.

In honor of fifty years of our existence, we hope that the entire Temple deficit will be wiped out by this FUND. We can do no less than that. We hope that every member will be able to purchase at least one month's payment (\$191.25) of our Temple's indebtedness.

FROM WHERE I SIT

by

Rabbi Maurice Davis

How many times in the life of a man can he be truly proud of his country? How many times does a nation rise to greatness...so that we who love that nation...tingle at the work of its hands?

Did we tingle with pride when America perfected the A-Bomb? Not I. Did we tingle with pride when our nation promised "Instant and massive retaliation"? Not I! Did we tingle with pride when the Army and McCarthy traded blows? Not hardly!

But I tingled yesterday...when the calm voice of the announcer told us that this was that 'Monday Morning' for which we all had been waiting: "The Supreme Court of the United States has this day declared segregation in the public school of America to be contrary to the Constitution of the United States".

There is greatness in a land that can say "I have been wrong". There is greatness in a land that can say "I have been sick". There is greatness in a land that dares to do the right.....

And....among the ranting that greeted the news.....Kentucky was the calm voice.....In this I can take a more personal pride.....There have been those of us who helped to prepare Kentucky for 'that Monday Morning'.....and we were proud of the way it greeted the news....

And now....for the first time.....the song we sing...is no longer a lie...a half truth.....

Now our mountains are a part of the mountains of America.....

Now it is no longer the Catskills, and the Green Mountains alone.....

Now it will be the Smokies....and the Stone Mountains...and the Blue Ridge and all the mountains of our southland will be included.....

When we sing with deep sincerity.... and added courage: "From EVERY mountain side.....let freedom ring ".....

Yesterday we had our final session of the Religious School.....At a time like that.....you just can't help wondering whether any good is being done.....I feel certain there is.....but what?

We had a wonderful staff of teachers this year.....They worked hard....and the love they had for the children.....was something you could sense...easily...

Janice was a wonderful principal.....you could always depend on her to follow through.....Our Teachers' Meetings were always well conducted...without pettiness.....as we strove to do our job.

Fannie was....as usual...invaluable. It was her special task to see that the teachers were well prepared.....They were.....because she was.....

But what did we accomplish?.....I think the youngsters learned something. I know they felt something.....There is a kind of esprit that must be engendered. Esprit....not only for one teacher....or one school....but for Judaism and all the members of Judaism wherever they might live.....

As for me.....the real thrill is not that all the youngsters knew my name.....the thrill was that I knew theirs.....

A few weeks ago I visited a very large....and very wonderful Temple.....I sat through a Sunday School Assembly... There was a lovely play presented. The star of it was a six year old boy who was utterly delightful.....I asked several teachers....and the principal.... the name of that boy...None of them knew.

But here.....we know. That means a great deal to me.....Does it mean a great deal to you?

PLEASE RETURN TO THE LIBRARY, AND TO THE Rabbi, any books you have borrowed from either, during this past year. PLEASE!!!

FROM WHERE I SIT

by

Rabbi Maurice Davis

Well....this is it...the final edition of our Temple BULLETIN.....Once again we have weekly...and weakly...sent out our 'news letter' from us to you...with the simple but fervent prayer that you might read it.....

We wanted it to be more than a series of announcements...we wanted to be entertaining....and a bit enlightening as well.....We wanted it to engender a spirit of comradeship with the Congregation.

At times we succeeded...and that made us very happy.....

At times we failed.....and that made us very sad.....

But at all times....we tried...and tried.....and tried.....

Next year.....the BULLETIN will be better than ever....We are going to have a real editor.....just like the big magazines.....Mrs. Ben Roos will see to it that personal announcements are made....awards that children receive....happy events in the lives of our people.

I have avoided this stuff like the plague....for fear of leaving someone....or something out....But Freda is made of sterner stuff....and she is willing to take the blame of irate parents...and the like.....

Many plans for next year.....HOMER will be back with us....and this column will remain.....and the spirit with which we have always published will still be with us.....

But....for now...we rest a while....My summer schedule does not appear to be a restful one....but one thing I do know.

Next Monday morning....I shall not dash down to the Temple in order to help put out the BULLETIN.....

There won't be any BULLETIN.....

I hope you miss it.....I shall not miss putting it out.....I shall loaf around the house.....all morning.....and maybe.....sleep.....

DURING THE MONTH OF MAY, RABBI DAVIS WAS appointed to serve on the First Delegate Assembly of the United Community Services.

MR. AND MRS. NATHAN HERMAN INVITE ALL their friends to a home reception, July 11, from 5-7P.M. in honor of the marriage of their daughter Irene to Marshall Pattner. The reception will follow the wedding ceremony.

THE FOOL

Who was it who jumped on his horse, and rode off in all directions? Whoever else it might have been..it also applies to me. This summer..I tried to do all the things I wanted to do..and in the three months between then and now..I did most of them.

This Congregation may get tired of hearing about youth..but in my book..there is nothing quite so exciting..I worked with Christian Youth in Hazel Green..with Negro Youth in Louisville..with NFTY in Oconomowoc..and with OVFTY in Ohio.

Perhaps I tried to do too much..I did get tired at times..Perhaps I was a fool..not to have rested this summer...But whatever I was...I did see great beauty.. I did see the meaning..and the relevance of religion..I did peer into the future..and it is good future..If that is being a fool I'm glad.

THE RABBI

We are going to be crowded during these High Holy Days..We have not yet solved our problem of growth..The result is that some of you are going to have to sit in the vestry..and hear the services over a loud speaker..We will fill the Temple..in the order in which you arrive..and then the doors will be closed..and others will be asked to enter into the vestry..I'm terribly sorry...but there appears to be no other solution..for the time being.

One small request from your Rabbi..... Don't wait for me to begin the services.. Let them begin when you enter the sanctuary..Let there be quiet..and reverence.. and solemnity...Let there not be the babbling of conversation..and of gossip. Last year the Temple sounded..for all the world..just like a zoo...When we arrive.. let there be a 'warm-up' period..to get us in the mood for worship...Remember..the person next to you might want a moment of silence...Our's is a House of Worship.... Let there be worship.

THE PAPA

Tomorrow morning I head, once again, for Cincinnati. This time to bring back to the Blue Grass, my enlarged family. It hasn't been much fun..commuting back and forth

this summer..shuttling between my two loves...This congregation..and my family Tomorrow..they shall be re-united..and with a whole family (complete with a number two son)...I will be able to continue my work as fool, as Rabbi, and as an inordinately proud papa.

PUBLICITY COMMITTEE

Mr. I. Jay Miller, and Mrs. Ben Roos, Chairmen of publicity for the Temple and Sisterhood respectively, with Mrs. M. Baer, Mrs. B. Cohen, Mrs. K. Hart, Mrs. S.E. Miller, Mrs. S. The Committee's function is actually an innovation in the Temple organizations, and we need your assistance to have it function properly. A box will be found on the Temple Bulletin Board. All news should be placed in the box, or relayed to Mrs. Roos, or any member of the Committee. The workings of the Committee will be detailed in a letter next week.

FROM WHERE I SIT

by
Rabbi Maurice Davis

My problem is a problem of grammar.... and of tense...As I sit at my desk..it is Sunday evening..twenty-four hours before Rosh Ha-Shono.....

And yet..when you receive this column.. it will be after Rosh Ha-Shono..Now shall I use the future tense..or the past tense as I write this message?

Shall I talk about Rosh Ha-Shono as if it had already taken place..or shall I write of it..as if it had not yet taken place?

I think I shall use the future tense after all.....Rosh Ha-Shono is always in the future...The whole thinking behind this Holy Day lies in the future.....

Rosh Ha-Shono talks about all the tomorrows that lie waiting for us...and the 'todays' are only a preparation for them.

May all your tomorrows be bright..... and beautiful...May they be filled with that kind of joy which comes from love.... and friendship.....

May all your tomorrows be warm..with the warmth of family unity..with hearts that are bound up together.....

And may we..today...make plans for those tomorrows...May we...today..form those friendships..that will blossom tomorrow.

A New Year...filled with all your hearts' desire..created by you today..is what I wish...for all of you.....

WE WISH TO THANK MRS. JACOB SPEYER FOR HER donation to the Rabbi's Fund.

WE EXTEND DEEPEST SYMPATHY TO MR. MILTON Baer, on the death of his brother, Irwin H. Baer, of Wheeling, West Virginia.

Be sure to state your preference date - Saturday matinee, or Saturday evening.

REMEMBER THE FLOWER FUND

You will, sometime in the future receive folders, which will read as follows: "At Religious Services, next Friday night, the Yahrzeit of _____ will be observed. The Temple Sisterhood, through its Flower Fund, will attempt to beautify the occasion by having flowers placed at the altar. If, in memory of your dear one, you would like to make this possible, please mail your contributions to Mrs. Wm. Michalove, 1715 Fairway Dr. or phone, 3-4295."

The flowers on the pulpit for Rosh Hashono, were in memory of Jonas Weil, and Mr. & Mrs. August Hammel. Many thanks to the donors for adding beauty to the service.

Dear Friends:

You, no doubt, noted in the first Temple Bulletin published this year the name of a Committee captioned "Publicity Committee", of which the writer is chairman. The other Committee members are Mrs. Milton Baer, Mrs. Ben Cohen, Mrs. Kenneth Hart, Mrs. Sherman Miller, Mrs. Freda Roos, Mrs. Stanley Rose, Mark Halleck, Harry Miller, Harold Pressman and Al Strauss. Its primary function, as the name would indicate, is to assemble and dispense news of common interest to the Temple membership through the medium of the Bulletin. Its purpose, however, exceeds that category. We intend as a committee in conjunction with Rabbi Davis, to utilize ourselves of newspaper and radio publicity, locally and in counties in which members reside at such times and upon such occasions as we see fit and proper. No, we are not seeking converts, but feel that the general public, as well as the Temple members, should be enlightened from time to time on certain special events-Tercentenary, etc.

Since the committee, will, colloqually speaking, be 'feeling its way' as time progresses, we earnestly solicit all constructive criticism and suggestions. The Committee's function is actually an innovation in the Temple organization, and we need your assistance to have it function properly. To be quite specific: Mr. and Mrs. A, Temple members, have a grandchild born in Denver. You might have known of this, but it wasn't until two months later that the BULLETIN staff learned of it. While all of this was happening, Mr. and Mrs. B, became grandparents, notified the Temple, and the BULLETIN made mention of this happy event. Mr. and Mrs. A, became indignant, felt that they had been slighted. By whom? By themselves.

John C. wins an honor at Henry Clay High School Jack D. wins a similar award at Cassidy School. The BULLETIN staff, having been informed of John's accomplishment, makes mention of it in the BULLETIN. Had it know of Jack's **success**, it would certainly have published it. Whose fault was it, that this was left out? Can you guess?

Like illustrations of joys and sorrows, honors, recognitions, anniversaries, etc, are too numerous to be elaborated upon here.

Mrs. Ben Roos is chairman of the Sisterhood Publicity Committee and is, as shown above, a member of the Temple Publicity Committee. She has graciously consented to act as a 'clearing house' for us. We are approaching our task in three directions, to the end that if there are any omissions in the BULLETIN it will be YOURS not ours.

A mimeographed copy of this letter is going forward to the head of the following organizations: Temple Brotherhood, Temple Sisterhood, Hadassah, U.J.A., NFTY, ZBT, Fraternity, Phi Sigma Sigma Sorority, Sunday School, B'nai B'rith, Hillel, Spinoza, and Council of Jewish Women. If I have omitted any organizations, would you advise?

A box will be found on the Temple Bulletin Board where you may deposit any material about which you feel the membership should know. The deadline for deposit will be noon on each Friday. The Committee wishes to be furnished with all happenings which are of interest to YOU. If these events have any general interest, we shall publish them insofar as space permits. We shall do our share, if you will do yours.

Remember, all news should be either relayed to Mrs. Roos by letter or telephone, or placed in the box on the Bulletin Board.

Thanking you in advance for your co-operation, we are,

Respectfully,
I. Jay Miller

CONGRATULATIONS TO OHAVA ZION CONGREGA-
tion, one of 500 congregations to re-
ceive citations, at a convocation at the
JEWISH THEOLOGICAL SEMINARY OF AMERICA
in New York City. Edward Greenfield
accepted the scroll on behalf of the
congregation. The scroll commends the
contribution of the synagogue to estab-
lishing religious freedom in America, and
to the furthering of human brotherhood.

IN A RECENT JEWISH PUBLICATION, PICTURES
of three prominent Rabbis appeared. DR.
SAMUEL GOLDENSON, RABBI EMERITUS of
Temple Emanu-El, who at 76 years, 'is
engaging in one of the most remarkable
series of preaching missions, in the
300 years history of American Judaism.'
Lexington was Dr. Goldenson's first
pulpit, he was Rabbi from 1904-1907.
RABBI SAMUEL THURMAN, who with Mrs.
Thurman (Hattie Weil of Lexington) was
pictured with former President Harry S.
Truman, when Rabbi Thurman was guest of
honor at a dinner honoring him for 40
years of service to the UNITED HEBREW
CONGREGATION OF ST. LOUIS. Rabbi
Thurman served Lexington in 1907-1908.
Our present (and beloved) RABBI DAVIS
was photographed with a group of regional
rabbis whose duties it will be to in-
crease service of the UNION to congrega-
tions throughout the length and breadth
of our country. It was said, many years
ago, that Lexington was the 'proving
ground' for young, and newly ordained
Rabbis. If this be true, then Lexington
can truly burst with pride, for these
men have 'proven' to be men of right-
eousness; men whose vision and prayers
are for peace and justice for all peoples.

FROM WHERE I SIT
by
Rabbi Maurice Davis

Well....they are over now...The High Holy Days of the year 5715....and I..for one..am sad to see them go..There was a note of greatness in them..this year..You could feel it in the service..You could sense it in the people..almost as if there were a yearning in us all..that somehow found the words it needed.....

Perhaps we needed those days..more than we know..Perhaps we needed the intensity that came with them...Perhaps we were hungrier for nobility than any of us have ever realized.....

I know that we don't live in an Utopia....I know that neither the world nor we can be made over in a moment..But..once in a while..it's good to look as far as we can into the distance..to catch a glimpse of the goals that seem so very far away.....

The music was superb...Our undying gratitude to Anita Baker..the choir..and the organist...who did so much to create the proper setting for those few moments of greatness which were ours.....

Our thanks to Leslie Aberson..for the piercing notes of the shofar..to all the men who sat on the pulpit..blessed the Torah..and prayed in the sight of the people.....

Our thanks to Fernand Weil..and his Reception Committee for the dignified way in which the people were welcomed...and ushered in..even as we ushered in..the New Year.....

Our thanks to the Sisterhood..and Helen Paritz for the Rosh Ha-shono reception...to the Flower Committee...and the flower donors.....

But....most of all...our thankfulness for the High Holy Days...They are ended now...but they were with us for awhile...and it may be that we are all the better..kinder..nobler...because of them.....

THE NEW OFFICERS OF OUR GIRL SCOUT TROOP #64 are: President, Adatha Weil; Vice-President, Joanne Wides; Scribe, Delores Levy; Treasurer, Judy Goldfarb, and Reporter, Susan Munich. Congratulations girls, you'll do a good job, we know!

DURING THE HOLIDAYS, OUR LOST & FOUND DEPARTMENT HAS ACQUIRED SEVERAL ITEMS. IF YOU are the owner of any of the following items, please contact the Temple Office 2-4606. 1-lady's white hat; 2-men's hats; lady's gloves; man's rain coat, 1-umbrella, and A PAIR OF EYE GLASSES.

CONTRIBUTIONS HAVE BEEN MADE TO THE FLOWER Fund in observance of the Yahrzeits of Lena Moses and Max Munich.

IT IS WITH PLEASURE THAT WE WELCOME INTO the Congregation Mr. and Mrs. H.S. Marcus and trust that they will find peace and joy within our Temple Family.

This will allow the women to meet with him prior to the luncheon meetings which take place on Wednesdays. Anyone interested in this course should contact the Temple Office.

THERE WILL BE THREE HEBREW CLASSES CON- ducted during the week for members of the Sunday School. There will be a Beginner's Class, an Intermediate Class, and an Ad- vance Class. Anyone interested in joining our week-day series should contact the Temple Office.

HELP!...my 'modesty' has been impugned..and I must now waste a column trying to recover it...For the past three years...I have been editor...janitor..and copyboy for this BULLETIN.....
I must have forgotten to tell you that those days are over..There is now a new editor of these pages..When I. Jay Miller undertook the chairmanship of the Publicity Committee, the BULLETIN came under his aegis....Mrs. Ben Roos, a member of that Committee became the Editor of our publication.....Therefore...when you read....as some of you did last week...a reference to me as your 'beloved' Rabbi..remember that Freda wrote it...and not I.....It's bad enough to be called 'beloved'..... I always thought that term referred to elderly people...but to be accused of having written it myself..is more than my poor tortured soul could bear.....

Your long-suffering Rabbi

This is the last column before the election..When the next BULLETIN appears in your homes..the nation will have made many choices..national choices..local choices..good choices and bad choices.....

Now..don't be frightened..and don't be angry..I am not going to urge you to vote for my favorites, and I am not going to foretell the results...except in one small but important detail.....

This is my prophecy...More people will stay at home..than will vote..All of the candidates put together..will not pull as many votes as the ones that will not be cast.....

If you vote for candidates who are not my choice..I may disagree with you..and I probably will....But if you refuse to vote at all...than I must look upon you as I would a child who threw away his choicest toy..because he was lazy..or very young...or not very bright.....

November two belongs to you..It is your day..No one can take it away..except you..by default.....

The leaders of the parties..the powers behind the thrones..can invent false issues with which to fool you..They can spend huge sums with which to sway you..They can take the pulse of the people with polls..They can analyze..diagnose..prophecy..and guess.

But when Election Day rolls around.... the leaders are silent..Mr. Hooper, and Mr. Gallup bite their finger nails..The hoopla and the shouting dies away.....

For one day..the government is handed over to the people..and we, the people speak.....

I know that I shall speak..I'll walk to the polls with head held high..This is my day...It belongs to me..and the world will wait for my action.....

What about you?

Boy Scout Troop #22, of our Temple has been re-activated. Raymond Levy, Scout Master, B. Shraberg, B. Mickler, M. Barrett, A. Meyers, and M.H. Hymson appeared before a city wide meeting and maintained our Charter. We wish to thank each one for their interest in our Boy Scouts. Scouts meet each Tuesday evening at the Temple at 7:30.

BOARD BUSINESS IN BRIEF

As a regular monthly feature, the BULLETIN plans to present this column of happenings at the Temple Board Meetings. These meetings occur on the first Monday of each month, and are open to any member of the Congregation.

The October meeting (delayed because of the holidays) took place at 7:30 P.M. on October 13. There were twenty Board members in attendance, with Ben Goldfarb presiding.

Following a custom, inaugurated this year, the Board Meeting opened with a prayer.

Mr. Fernand Weil presented a report of the Reception Committee, of which he is chairman. Rabbi Davis complimented Mr. Weil and his committee for the splendid way in which the seating was handled for the High Holy Days.

Dr. S.E. Miller, chairman of the Worship Committee, commented on the mechanics of the services, and the use of a public address system to accommodate the overflow.

Mr. I.A. Paritz (vice-president) reported that the Sunday School is in an impossible situation. The new wing is adequate for only one half of the present student body. (Sunday School enrollment has almost doubled in the past 3 years.) Committees were appointed to investigate the matter.

Mr. Barney Miller (co-chairman of the Golden Jubilee Fund) reported that to date, \$11,823.76 have been pledged. Of that amount, \$4,785 have been paid. The stated goal was \$18,000. He noted that although two thirds of the goal has already been reached, only one third of the Congregation has contributed to the Fund. The Board expressed the hope that the remaining two thirds of the Congregation would make up the difference.

The meeting was adjourned at 11:00 P.M.

FROM WHERE I SIT

by

Rabbi Maurice Davis

Took a trip to Hopkinsville last week.. a five hour drive southwest from Lexington down toward the Tennessee border.....

It's been a long time since I have seen anything quite so beautiful as the leaves, with all their varied colors..making a kind of symphony of sight.....

From the distance of a speeding car... there was not a single flaw in all the painted beauty.....

But I knew..if once I stopped the car.. and walked into the wood..exactly what I would find...Swamp areas..refuse tossed upon the ground...trees dying..and leaves already dead..bugs and insects and unpleasantness.....

Nature is beautiful..from a distance... but you mustn't look too closely lest the beauty disappears...Nature is beautiful from a distance..but it will not bear your scrutiny.....

When I look at people...not knowing who they are...there is nothing lovely in the sight..I see what they look like from the outside..and no man honestly can say the vista thrills him.....

But then I get to KNOW the people..... know their hopes and dreams...their thoughts and plans...their deeds and motives.....

I no longer know what they look like from the outside..I am utterly incapable of describing someone I know..because I have seen inside that person..and I have found a greater beauty than all the beauty of nature.....

I can tell you what a stranger look like but not a friend. I can only tell you what that friend is.....

Nature is beautiful from a distance.... and grows progressively uglier..the closer you get.....

People are unprepossessing from a distance..and grow progressively lovelier... the closer you get.....

I guess I am not a 'nature lover'..... I am only a 'people-lover'.....

PLEASE NOTE!! THE BROTHERHOOD FATHER AND Children's dinner meeting will take place on Wednesday November 17 and not on Nov. 19 as was stated in last week's bulletin.

Quiet World! This is Armistice Day... and I want those two minutes of silence... I need them...because I am confused.....

Quiet, World! I want to think in silence...I'd like to pray..but prayer is passe...We moderns have no need for prayer.

We have no need for Armistice Day either...I am told that the name is to be changed to Veteran's Day...That makes more sense....At least we have veterans.....

Instead of honoring a thirty-six year old dream of world peace...we shall now honor the veterans of war...It's more realistic...more in keeping with the mood of the world.....

On Armistice Day we used to think about the peace we did not have...but which we wanted...On Veteran's Day we shall think about the veterans which we do have..but which we never wanted.....

A world in peace would have no veterans only peace...and peaceful people.....

Quiet, World! I want to think.....I suppose our veterans exist because Armistice did not.....

We will have speeches by military geniuses upon this day....Speeches about how this country has been made strong.... so strong that we are now afraid of our shadow...our thoughts...our books....our words....So strong that we quake before an Army dentist who said the wrong things to the wrong man.....

Quiet, World! I'm all confused...I want to think....And passe or not..I want to pray...even on Veteran's Day: "Grant us peace, Thy most precious gift..O Thou.. eternal source of peace.".....

DON'T MISS THE NEXT BROTHERHOOD MEETING ON Wednesday November 17 at 6:30 P.M. This is the annual FATHER-SON-DAUGHTER MEETING. FROM WHERE I SIT
by
Rabbi Maurice Davis

Something is wrong with the picture...
Everyone knows the way to attract people
to Temple on Friday night.....

First of all....the evening must be a
short evening..the members don't want to
stay around the Temple all night...they
have more important things to do.....

Second of all....pick an irresistible
sermon title....one that will capture the
imagination of the modern sophisticate....

These are timetested laws...immutable
and changeless.....

The fact that we...at Adath Israel
have been flaunting them....and receiving
a wonderful attendance has been mere luck,
and chance.....

Well....for last Friday night.....our
Adult Education Committee decided to smash
the laws once and for all.....

The scintillating topic...chosen for
the sermon...was on imagine...prayer;

People should have stayed away in
droves.....And...then...to make it even
less attractive...we announced that there
would be a sermon...and a discussion after.

Not a discussion instead of a sermon,
but both.....

Instead of the evening ending at 9:00
or thereabouts...it was scheduled to go
until 10:00...actually...it lasted until
well past 11:00.....

And the members came...one of the larg-
est turnouts of the year....They came to
discuss prayer....They stayed to discuss
prayer....When we finally called a halt...
they continued to stand around and discuss
prayer.....

Something is wrong with the picture...
and then again...perhaps....something is
very right....with the picture.....

FROM WHERE I SIT
by
Rabbi Maurice Davis

When you read this..I shall be about a thousand miles north-east of Lexington. I shall be where everyone should be at Thanksgiving time..up in New England.....

Remember? This is my annual trek homeward..to the family I see too rarely..... Of course it won't be complete this year. I am going solo..Marion..Jay..and Mike remain in the Blue Grass..I shall have to do all the talking myself.....

Some of the talking..I shall do in that beautiful Temple they have just completed in Providence..I'll tell you all about it when I return.....

Some of the talking I shall do in the House of Living Judaism in New York..... where I shall work for a couple of days..

But most of the talking..I shall do in the confines of my family.....

I shall tell them how Mike really enjoys my singing..proof that he is only an infant..how Jay has grown during this past year..how well the 'little mother' is getting along.....

I shall tell them how our Congregation has become a beehive of activity..over six hundred people here during the past seven days.....

I'll tell them about our successful PTA Meeting..how well the Socio-drama went off at Sisterhood..how thrilled the youngsters were at the Father-Child banquet of the Brotherhood.....

On..we'll talk for hours about Lexington..about what a Temple we have..and what it will someday be.....

But most of all..I shall be able..in person..to wish my mother a happy birthday....I'll do it also on behalf of my absent family.....

I'll do it also on behalf of the entire Congregation..of which my mother is practically a member.....

I wish all of the Temple family a very happy Thanksgiving.....as for me... I'm going home.....

THE QUICKEST WAY TO GET YOUR GOOD NEWS around, is through the Temple Bulletin. Leave your good news in our Temple Bulletin Box on the Bulletin Board anytime before Friday. All news is picked up on Friday at noon. We hope that each member of the Congregation will take advantage of this service.

FROM WHERE I SIT

by

Rabbi Maurice Davis

Nowadays...the constant theme we hear.. from all the practical people in the land, is a question..."What did you get out of it?" The worth of every deed must be quickly valued..Only a fool would do something..and not get something out of it....

I agree...In the past eighteen days I have travelled over two thousand miles....

I preached in Providence, R.I., wrote a pageant in New York..conducted a meeting in Cincinnati.....

What did I get out of all this? Well... for one thing..I got a cold in my head.... For the past week I have been doctoring myself up..on the run..so that the cold wouldn't interfere with my work..and it hasn't.....

What did I get out of all this? Well I had the pleasure of being with my mother on her birthday..of speaking from the pulpit of America's most beautiful Temple, of spending time with MY rabbi.....

What did I get out of all this? Well... I had the privilege of being with Rabbi Eisendrath..and all the dedicated men and women in the House of Living Judaism..of doing a small thing for a great cause..of meeting with people who work for the Union of American Hebrew Congregations..and through the Union..for all of Reform Judaism.....

What did I get out of all this? It depends on how we add things up...As for me, I got a cold in my head..and a glow in my heart...I'm more than satisfied with the total.....

THIS WEEK, Rabbi Davis will address the nurses at Good Samaritan Hospital on Tuesday, and the Lexington Rotary Club on Thursday.

Have YOU taken advantage of our BULLETIN BOX? Pick-up time is noon on Fridays.

FROM WHERE I SIT

by
Rabbi Maurice Davis

Have you read of our nation's 'noble experiment'? We are about to concentrate on one day...December 15 (a good day)...to determine whether Americans can go through 24 hours without killing each other with automobiles.....

From midnight to midnight we shall keep vigil....because it will be a contest.... man versus the work of his hands.....

None of us can approach this day with anything like peace of mind..We become increasingly aware of the fact that we can't possibly win.....

Either we shall live through that day without an automobile fatality..or we shall not.....

The odds are six hundred to one against us to start off with...and if we kill a few citizens with our cars..as we almost certainly shall...than what can we think?

If..with all the power of the press and President...we still cannot avoid fatalities...it can only mean that the machine is too much for us.....

And if..through some series of chance we do avoid highway murder for a day..then why is that we still kill some 30,000 a year..when apparently we can avoid it?....

Well...the contest has been declared.. and we shall follow the rules of the game even if we do it without much hope of success.....

At Chanukah time we parents wonder whether or not we have picked the right toys for our children..we wonder if they are old enough to appreciate them and to use them wisely.....

Perhaps it is time for us to come to grips with ourselves..to ask whether we are old enough to use our own favorite toy the automobile.....

It will be an interesting game on S-D Day (December 15)..and I bet we lose.....

WHAT DAY IS SET ASIDE FOR PARENTS AND children to enjoy games, food and the best in enjoyment? Everybody knows this answer..of course it's SUNDAY DECEMBER 19 at the BIG BROTHERHOOD CHANUKAH CARNIVAL! DON'T FORGET!! Come early and stay late!

PLEASE!! Anyone knowing the whereabouts of the Chanukah Bingo Game, please notify the Temple Office, 2-4606!!

FOUND: Pair of fur trimmed boots.

Happy Chanukah!! We are in the midst of a very joyous festival..for the youngsters. But what about us who are no longer children?

For the kids it means present and candles and presents and dreidles and presents and parties and presents..No wonder it is a joyous festival.

Of course we get pleasure out of doing all of these things for them..But isn't there any significance for us..beyond the vicarious thrill we get when they squeal with joy?

What does Chanukah mean anyway?..It doesn't mean presents..or parties....or military victory..or even festival.

Chanukah means..REDEDICATION..That's what it means. Rededication to what? They tell us that historically it meant the rededication OF the Temple. But..'from where I sit'..it also means rededication TO the Temple..and to all for which it stands.....

There are many ways in which we can rededicate ourselves to our very own Temple. And this would be the perfect time to do it.....

We can support our Temple financially. (Footnote-even though we have reached 2/3 of our goal for the GOLDEN JUBILEE FUND, only 1/3 of the members have contributed).

We can support it in terms of participation. (Footnote-even though our Temple attendance has been very good, if YOU don't attend, what good are statistics?)

We can support it by living up to the ideals which it espouses. (Footnote-even though the prayer-book words are pretty, the action they urge upon us is thrilling, beyond words..).....

Perhaps it is time to find a place for us in Chanukah...and in rededication.....

Why should kids have all the fun?.....

THE CONGREGATION gratefully accepts a donation to the RABBI'S FUND from Al Fogel in memory of Helene S. Fogel.

FROM WHERE I SIT

by

Rabbi Maurice Davis

(Just sitting here...thinking out loud..
Do you want to listen in for a while?)

So New Year's Eve falls on Friday night,
this year..I wonder who will come to
Temple? I bet every Rabbi in America is
wondering the same thing..whether they
admit or not..It's a real conflict..or is
it?

I wonder why anyone would stay away
this Friday night.....

Let's see..Could it be the time element?
Services begin at 8:00 P.M. and are over
around 9:00..Who goes to a New Year's Eve
party before 9:00.....

Maybe some of them will feel self
conscious at Temple..since they will be
all dressed up...I don't see anything
wrong coming to Temple dressed up..I think
it would be fine.....

Perhaps some of them think that it would
be starting the night off on the wrong
foot..I wonder if they think that 1955 is
going to be such a pleasant uneventful
year..that it can be welcomed with only a
highball and a kiss? From where I sit...
it is going to take a lot more than that..
We're going to need the spirit of religion.
That's a wee bit more potent than the
spirit in the glass.....

Everyone knows that I am in favor of
laughter and fun..And I'm going to a New
Year's Eve party..too.....

But I want to begin my welcome to 1955
with some prayer..and some thought..and
some very private dreams.....

I want to earn the gaiety of midnight
with prayers at eight o'clock.....

Mine is going to be a progressive party
and the first stop will be the Temple.....

Wouldn't it be wonderful if everyone in
the Congregation came first to Temple..to
offer a prayer before offering a toast....

I wonder.....

ANITA BAKER, has been re-elected to the
Board of Directors of the United Community
Services.

HEARTIEST CONGRATULATIONS to Pauline and
Hyman Levy upon the engagement of their

PERSONAL SKETCH - #11

MEET AND WELCOME Marvin and Joyce Solomon
to the Temple Family. Marvin was born in
Pine Bluff, Arkansas. He attended the
U. of Missouri, where he was a member of
Z.B.T. Fraternity. He came to Lexington
from Paducah, and is the manager of a
women's ready-to-wear department in one
of Lexington's stores. He is interested
in golf. Joyce, was also born in Pine
Bluff, and attended U. of Long Beach, in
Long Beach, California. The Solomons
have two children, Linda, 10 and Joe, 4,
both of whom are enrolled in our Religious
School. They live at 301 Garden Road.

THE MAILING LIST of "American Judaism" has
been brought up-to-date. The list con-
sists of all members of good standing of
the Congregation, Sisterhood and Brother-
hood. The magazine is issued four times
a year, not monthly. Only one copy of the
magazine goes to a household. The editor
of "American Judaism" has asked us to
keep the mailing list up-to-date, so each
member of the Congregation, Sisterhood and
Brotherhood should notify their respec-
tive secretaries or the Temple Secretary
of new members, changes of address and
removal. This is the key to make every-
body happy.

RABBI DAVIS will be guest speaker on Ann
Jones' program, over W.L.A.P. January
at 10 A.M. His subject will be "New
Hope With Old Faith". Be sure and listen
and jot the time and date down.

CONTRIBUTIONS have been made to the
Flower Fund in memory of the following,
whose Yahrzeits were observed last week:
Ann Tuvil Switow, mother of Mrs. L. Bloom;
Jonas Weil, husband of Mrs. Jonas Weil;
Louis Michalove, father of Wm. Michalove;
Alice Friedenn, relative of Al Foster and
Leah Meyers, mother of Emanuel and Arthur
Meyers.

THE RABBI'S FUND is the receipient of a
contribution from the Realty Mortgage Co.

IN THE DECEMBER ISSUE of the Ladies' Home Journal, appears an article entitled, "HAVE WE WON THE FIGHT AGAINST POLIO?" It describes, at length, the intensive and widespread program carried out in Lexington. Much credit and praise is given to Nanette and Jim Straus and Dr. Franklin Moosnick, for their untiring efforts in carrying out the field trial of the Salk vaccine in the Lexington area. Nanette is past chairman of the City Mothers March on Polio, and is a member of the Speaker's Bureau. Dr. Moosnick is chairman of the medical advisory committee of the National Foundation's Local Chapter, and Jim, has for several years been chairman of the March of Dimes Committee. Not enough CREDIT and not enough PRAISE can be given to these three people. Theirs is really a labor of love, for, and interested in, finding a weapon which will remove this formidable disease, through inoculations and immunization. May the day soon come, when they can answer, in the affirmative, "WE HAVE WON THE FIGHT AGAINST POLIO". We, of Temple Adath Israel add our praise and gratitude to Nanette, Jim and Franklin.

THE LEXINGTON SECTION of the Council of Jewish Women, will hold its regular luncheon meeting, Wednesday January 5 at the Temple. A panel discussion, "WIRE TAPPING- IS IT A NECESSITY, OR A MENACE", will follow the business meeting. The participants will be: Mrs. Murray Scherago, Mrs. Louis Rosenberg and Mrs. David Bolotin.

UNION NEWS

Did you know that today there are 495 Reform Congregations, affiliated with the Union of American Hebrew Congregations? (Last year, when Dr. Eisendrath addressed our Temple, we rejoiced that that the Union had grown from 300 Congregations to 450. In less than a year in 7 months- we have gained almost another fifty.)

Did you know that, today, there are approximately 600,000 people affiliated with Reform Congregations? (One out of every nine Jews in America is a member of a Reform Congregation.)

Did you know that there are sixty-five Reform Congregations in America that are at least one hundred years old? (We who are just fifty years old are mere youngsters in this country).

Did you know that every graduate of the Hebrew Union College, unless physically unfit, goes immediately into the chaplaincy of the United States Armed Forces?

Did you know that the 43rd General Assembly of the Union of American Hebrew Congregations will take place in Los Angeles, February 13-16, 1955? (Our Congregation will be represented by the Rabbi plus Mr. and Mrs. Herschel Weil, Mr. and Mrs. Maurice Hymson and Mrs. Hugo Bloomfield).
