Minutes of the Meeting of the Board of Trustees of the University of Kentucky, Tuesday, May 4, 1999.

The Board of Trustees of the University of Kentucky met at 1:00 p.m. (Lexington time) on Tuesday, May 4, 1999 in the Board Room on the 18th floor of Patterson Office Tower.

A. Meeting Opened

Governor Edward T. Breathitt, Chairperson, called the meeting to order at 1:00 p.m., and the invocation was pronounced by Mr. Ted Bates.

B. Oath of Office

Governor Breathitt asked Richard Plymale, General Counsel, to administer the oath of office to the following member:

Professor Loys L. Mather, re-elected faculty representative, for a term to expire June 30, 2002.

C. Roll Call

The following members of the Board of Trustees answered the call of the roll: Mr. Ted Bates, Governor Edward T. Breathitt (Chairperson), Mr. Nathan Brown, Mr. Paul W. Chellgren, Mr. Merwin Grayson, Mr. John "Jack" Guthrie, Mr. James F. Hardymon, Professor Loys L. Mather, Dr. Robert P. Meriwether, Mr. Billy Joe Miles, Dr. Elissa Plattner, Mr. Steven S. Reed, Professor Daniel R. Reedy, Mr. C. Frank Shoop, Mrs. Marian Sims, Dr. W. Grady Stumbo, Mr. Martin Welenken, Ms. JoEtta Y. Wickliffe, Mr. Billy B. Wilcoxson, and Mr. Russell Williams. The University administration was represented by President Charles T. Wethington, Jr.; Chancellor James W. Holsinger; Vice Presidents Fitzgerald Bramwell, Joseph T. Burch, Ben W. Carr, Edward A. Carter, George DeBin and Eugene Williams; Dr. Juanita Fleming, Special Assistant for Academic Affairs; and Mr. Richard E. Plymale, General Counsel.

Members of the various news media were also in attendance. A quorum being present, the Chairperson declared the meeting officially open for the conduct of business at 1:02 p.m.

D. Approval of Minutes

Governor Breathitt said that the Board had received the Minutes and asked for any additions or corrections. He entertained a motion that the Minutes be approved. Mr. Guthrie moved approval. Mr. Chellgren seconded the motion, and it carried.

E. Closed Session

Governor Breathitt stated that before the Board continued with the regular order of business he had a request that the Board and the Board only go into closed session. Mr. Wilcoxson moved that the Board go into closed session to discuss the appointment of an

individual employee. He stated that the reason for closing the meeting was to allow full discussion and to protect the privacy interests of the person being discussed. Governor Breathitt explained that under the Open Meetings Act no votes could be taken during the closed session, the only purpose being discussion. Mr. Shoop seconded the motion. The motion carried. The Board thereupon went into closed session.

F. Regular Session Resumed

Governor Breathitt called the Board back into session. Dr. Meriwether moved that the Board extend the contract of President Charles Wethington for a period of time two years from the date of his birth date and that the Chairman be authorized to negotiate the provisions of the contract and execute it on behalf of the Board. The motion was seconded by Mr. Shoop. Governor Breathitt asked if there was discussion. There was none. The vote was taken. Before Governor Breathitt announced the result, Mr. Chellgren asked whether that birth date meant 65th birthday. Governor Breathitt indicated that Mr. Chellgren was correct. Governor Breathitt then announced that the motion carried.

Governor Breathitt then stated that after determining the salaries of presidents of Southeastern Conference and benchmark universities and after discussions with each Board member, he would negotiate the contract with the President. He said that he would report the results to the Board.

G. Schedule for Meetings of Board of Trustees - 1999-2000

Governor Breathitt said that the schedule of Meetings for 1999-2000 were in the Board packets and entertained a motion that the dates be accepted as the schedule of the meetings. Mr. Williams so moved. Mr. Chellgren seconded the motion, and it passed. (See Schedule for Meetings - 1999-2000 at the end of the Minutes.)

H. President's Report to the Board of Trustees (PR 1)

President Wethington stated that due to the length of time of the Executive Session the College of Architecture report would be postponed until probably the August Board meeting.

President Wethington called attention to the following items in PR 1:

1. Commencement is set for May 8th.
2. Former Senator Wendell H. Ford has accepted an appointment in the Martin School of Public Policy and Administration. He will join the University this fall.
3. An historical marker commemorates desegregation at the University of Kentucky. The marker was unveiled on campus honoring Lyman T. Johnson.

4. The Alumni Association has named the Great Teachers. The Alumni Association chooses Great Teachers each year during the month of April. Those individuals were recently honored in a ceremony at the Alumni House.
5. The Center on Drug and Alcohol Research has received a \$1,292,096 grant from the National Institute on Drug Abuse to develop a Young Women in Science Program to encourage women from Appalachia to pursue careers in drug abuse research.
6. James H. "Jimmy" Glenn III has been elected president of the Student Government Association for 1999-2000. He is the first African-American student elected to the Student Government President position.

President Wethington asked the members to read the other items in the report at their leisure.

I. Personnel Actions (PR 2)

President Wethington recommended that approval be given to the attached appointments, actions and/or other staff changes which require Board action; and that the report relative to appointments and/or changes already approved by the administration be accepted. Mr. Shoop moved approval. The motion, seconded by Mr. Welenken, carried. (See PR 2 at the end of the Minutes.)

President Wethington said that there were no items to be reported from the Community College System.

J. Candidates for Degrees – University System (PR 5A)

President Wethington said that PR 5A is a recommendation that the President be authorized to confer upon each individual whose name appears on the attached list the degree to which he or she is entitled upon certification by the University Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate. Mrs. Sims moved approval. Her motion, seconded by Mr. Williams, passed. (See PR 5A at the end of the Minutes.)

K. Department of Landscape Architecture (PR 5B)

President Wethington said that PR 5B is a recommendation that the Board of Trustees approve the establishment of the Department of Landscape Architecture in the College of Agriculture. He noted that the Department of Horticulture and Landscape Architecture have been combined up to this point. The Department underwent a periodic review in January. The recommendation, supported by the Dean of the College, the Chancellor of the Lexington Campus, and the departments, is that a separate Department of Landscape Architecture be established. President Wethington said he was pleased to recommend approval of PR 5B. Mr. Welenken moved approval. Professor Mather seconded the motion, and it passed. (See PR 5B at the end of the Minutes.)

L. James F. Hardymon Building (PR 5C)

President Wethington said that PR 5C is a recommendation that the Systems and Networking Building be named the James F. Hardymon Building. The naming of the building to be located on the corner of Rose and Maxwell Streets is to reflect the contributions that Mr. Hardymon has made to the University. President Wethington said he was pleased to recommend approval of PR 5C. On motion made by Mr. Williams, seconded by Mrs. Sims and carried, PR 5C was approved. (See PR 5C at the end of the Minutes.)

President Wethington noted that there will be a groundbreaking ceremony Monday, May 10th for this building at 10:00 a.m. on the site.

M. Spinal Cord and Brain Injury Research Center (PR 6A)

President Wethington said that PR 6A is a recommendation that the Board approve the establishment of the Spinal Cord and Brain Injury Research Center in the College of Medicine. This is a multidisciplinary research center to promote individual and collaborative studies on injuries to the spinal cord and brain that result in paralysis or other loss of neurologic function. This Center is supported by the Dean of the College of Medicine and the Chancellor for the Medical Center and is approved by the University Senate. Mrs. Sims moved approval. Mr. Bates seconded her motion, and it carried. (See PR 6A at the end of the Minutes.)

Governor Breathitt said that Mr. Hardymon had to leave the meeting to go out of town. He asked Mr. Paul Chellgren, Vice Chairperson of the Finance Committee, to give the Finance Committee report.

N. Acceptance of Interim Financial Report for the University of Kentucky for the Nine Months Ended March 31, 1999 (FCR 1)

Mr. Chellgren reported that the Finance Committee had a long meeting that morning. The majority of the Board was in attendance; therefore, he would move quite quickly. The first action item is the acceptance of the Interim Financial Report for nine months ending March 31, 1999. He stated that the University is 75% through the year, 77% of the income has been received, and 71% of the budget expenditures have been made. There are no unusual items to bring to the Board's attention. He moved the acceptance of the Interim Financial Report. His motion, seconded by Mrs. Sims, passed. (See FCR 1 at the end of the Minutes.)

O. Report of Leases (FCR 2)

Mr. Chellgren said that FCR 2 is the regular Report of Leases. There are six leases; three new ones and three renewals. He said that the report is conventional and in order. He moved the adoption of FCR 2. Mr. Williams seconded the motion, and it carried. (See FCR 2 at the end of the Minutes.)

P. Capital Construction Report (FCR 3)

Mr. Chellgren said that FCR 3 is the quarterly report of the Capital Construction activities of the University. It is an extensive report and is available in detail, capital expenditure by capital expenditure. There are no unusual items that need to be brought to the Board's attention. The Finance Committee did have a discussion of a couple of moderate items at the Finance Committee about asbestos removal, change of contracts and one or two other items. He moved the adoption of FCR 3. The motion was seconded by Mr. Shoop and passed. (See FCR 3 at the end of the Minutes.)

Q. 1998-99 Budget Revisions (FCR 4)

Mr. Chellgren said FCR 4 was quite conventional. It is the reconciliation of actual expenditures as the budget is revised as the year progresses. UK is an organization with an overall budget of \$1.1 billion. There is a \$1,056,000 adjustment in income and expenditures related primarily to gifts and grants and federal appropriations on the income side and related offsetting expenditures on the expenditure side. He moved the adoption of the budget revisions in FCR 4. Mrs. Wickliffe seconded the motion, and it carried. (See FCR 4 at the end of the Minutes.)

R. Confirmation of 1999-2000 Tuition Schedule (FCR 5)

Mr. Chellgren stated that FCR 5 is again conventional, but it portends a bigger change moving into the next fiscal year. This is a confirmation of the 1999-2000 tuition schedule. He reiterated that this is a confirmation and not an approval. It is a confirmation by the Board under the guidelines of the Council on Postsecondary Education. He understands that under some new authority the Board will be reviewing and approving the tuition schedule for the 2001-2002 academic year. The Committee has asked the administration to provide background information so the Committee can deal with the tuition schedule on a more studied manner. He moved the adoption of FCR 5. His motion, seconded by Mr. Welenken, passed. (See FCR 5 at the end of the Minutes.)

S. Mandatory Registration Fee Schedule (FCR 6)

Mr. Chellgren said that FCR 6 is an interesting item. He reported that FCR 6 will add a \$50 per semester fee to the students beginning in 2001-2002 to help finance and support a very significant expansion of the Seaton Student Activities Center. This was negotiated and dealt with by the student body with a lot of student input. The project does require a capital request from the forthcoming session of the state legislature. If the project does not go forward, the fee will not be implemented. He moved the adoption of FCR 6. Mr. Williams seconded the motion.

Mr. Brown expressed appreciation to President Wethington for his help on this item. He said that the Student Government Association did a survey with various groups of students regarding the need for a new campus recreation center. He reported that other schools around the state and the country have adequate state-of-the-art recreation centers that have helped the retention rate, the graduation rate and recruitment. He said that private money needs to be raised

to get the project going, and he knew that President Wethington would work hard with the development staff to meet those dollars.

Governor Breathitt expressed his appreciation to Mr. Brown for the fine job he did on working this out. It showed real leadership with the student body. He called for a vote, and it carried. (See FCR 6 at the end of the Minutes.)

T. Room and Board Rates 1999-2000 School Year (FCR 7)

Mr. Chellgren said that FCR 7 is the adoption of the Room and Board Rates for the 1999-2000 academic year. Basic housing shows a reasonable percentage increase of about 7%, but it was pointed out that this will now include \$180 per year for data and television cable wiring in dorms. Including that item, the increase is in the \$70 range which is less than 2%. He said that the Committee discussed this in detail. He moved the adoption of FCR 7. His motion, seconded by Mr. Williams, passed. (See FCR 7 at the end of the Minutes.)

U. Anonymous Gift for William T. Young Library Endowment (FCR 8)

Mr. Chellgren said that the next 21 items are a wonderful tribute to the generosity of benefactors of the University and of course the first challenge grant that the state of Kentucky was so farsighted in giving the University. He said he did not want to go through the items too quickly but the items were discussed in detail item-by-item at the Finance Committee. There has been a wonderful addition to the endowments and the richness of the research programs at this university.

Mr. Chellgren said that FCR 8 is an anonymous gift of \$1,527,531 for the endowment for the new library. This gift is to be matched by the state government. He moved the adoption of FCR 8. Mr. Reed seconded the motion, and it passed. (See FCR 8 at the end of the Minutes.)

V. ARCO Aluminum Pledge (FCR 9)

Mr. Chellgren said that FCR 9 is to support the research program in the College of Engineering in aluminum technology that is important to the state of Kentucky. It is a pledge from ARCO Aluminum of Louisville, Kentucky for \$250,000. He moved the adoption of FCR 9. The motion, seconded by Mr. Welenken, carried. (See FCR 9 at the end of the Minutes.)

W. Boehringer Ingelheim Pharmaceuticals, Inc. Pledge (FCR 10)

Mr. Chellgren said that FCR 10 is establishing a research professorship in the College of Medicine. It is a \$50,000 grant to be matched by another \$50,000 from the state assuming it qualifies and the presumption is that it will. He moved the adoption of FCR 10. His motion, seconded by Mrs. Sims, passed. (See FCR 10 at the end of the Minutes.)

X. Columbia/HCA Healthcare Foundation Pledge (FCR 11)

Mr. Chellgren said that FCR 11 is another grant for the library endowment. It is from Columbia/HCA Foundation of Nashville, Tennessee. The amount is \$50,000 and is to be matched one-for-one. He moved the adoption of FCR 11. Dr. Stumbo seconded the motion, and it passed. (See FCR 11 at the end of the Minutes).

Y. Dorothea Smith Oatts Pledge (FCR 12)

Mr. Chellgren said that FCR 12 is a pledge of \$200,000 from Dorothea Smith Oatts of Lexington, Kentucky, for a visitor's center at the University of Kentucky Arboretum on the campus. He noted that this pledge will not be matched by the state. He moved the adoption of FCR 12. The motion, seconded by Mr. Reed, carried. (See FCR 12 at the end of the Minutes.)

Z. Dr. Shih Chun Wang Professorship in Physiology (FCR 13)

Mr. Chellgren said that FCR 13 is a pledge to establish and endow the Dr. Shih Chun Wang Professorship in Physiology in the College of Medicine. It is a \$50,000 pledge to be matched one-for-one for a \$100,000 professorship. He moved the adoption of FCR 13. Mr. Guthrie seconded the motion, and it passed. (See FCR 13 at the end of the Minutes.)

AA. Establishing Four Endowed Funds in the Departments of Horticulture and Landscape Architecture (FCR 14)

Mr. Chellgren said FCR 14 is the establishment of four endowed funds in the Department of Horticulture and Landscape Architecture. He reminded the Board of its action earlier in the meeting changing the name of the Department. He moved the adoption of FCR 14. Professor Mather seconded the motion and said he would like to make a clarification that they did not change the name of the Department but created a new Department of Landscape Architecture out of the existing Department of Horticulture and Landscape Architecture. Governor Breathitt called for a vote, and it carried. (See FCR 14 at the end of the Minutes.)

BB. Gary B. Knapp Gift and Pledge (FCR 15)

Mr. Chellgren said that FCR 15 is an interesting and large gift of \$1.5 million to fund the Gary Knapp Chair in Arts Administration in the College of Fine Arts and the Gary Knapp Endowment in Support of Business Education and the Arts in the Carol Martin Gatton College of Business and Economics. Mr. Knapp is a very generous alumnus and a former employee of the University. Mr. Chellgren moved the adoption of FCR 15. Mrs. Sims seconded the motion, and it passed. (See FCR 15 at the end of the Minutes.)

CC. Gift from the Estate of Nadine James (FCR 16)

Mr. Chellgren said that FCR 16 is a gift of \$150,000 which should be matched one-for-one to create an Alzheimer's Disease Research Fund in the Sanders-Brown Center on Aging. He

moved the adoption of FCR 16. His motion, seconded by Dr. Stumbo, carried. (See FCR 16 at the end of the Minutes.)

DD. Gift to Establish Endowed Graduate Fellowship Fund (FCR 17)

Mr. Chellgren said that FCR 17 is to accept gifts totaling \$30,724 to endow the Library and Information Science Endowed Graduate Fellowship Fund in the College of Communications and Information Studies. Again, this gift should be matched by the state's Research Challenge Trust Fund. He moved the adoption of FCR 17. Mr. Guthrie seconded the motion, and it passed. (See FCR 17 at the end of the Minutes.)

EE. Janet Galloway Carter Endowed Professorship in Physical Medicine and Rehabilitation (FCR 18)

Mr. Chellgren said that FCR 18 is another endowed professorship in the College of Medicine. The gift is for \$150,000, and it is anticipated that this gift will be matched by the Research Challenge Trust Fund. He noted the details in the background information of FCR 18 and moved the adoption of FCR 18. His motion, seconded by Mrs. Sims, carried. (See FCR 18 at the end of the Minutes.)

FF. John R. Mink Professorship in Pediatric Dentistry and Oral Health Services Research (FCR 19)

Mr. Chellgren said that FCR 19 is for the Dr. John R. Mink Professorship in Pediatric Dentistry and Oral Health Services Research in the College of Dentistry. It is a gift for \$55,000, and it is anticipated that the gifts will be matched one-for-one by the Research Challenge Trust Fund. He moved the adoption of FCR 19. Dr. Stumbo seconded his motion, and it passed. (See FCR 19 at the end of the Minutes.)

He moved the adoption of FCR 20, and Mr. Brown seconded the motion. Governor Breathitt said that FCR 20 is approved. (See FCR 20 at the end of the Minutes.)

HH. Mary Florence Jones Professorship in Neonatology (FCR 21)

Governor Breathitt said that it was called to his attention that a vote was not taken on the previous FCR. He called for a vote, and it carried.

Mr. Bates seconded the motion on FCR 21, and it passed. (See FCR 21 at the end of the Minutes.)

Mr. Chellgren apologized for moving through the gifts so quickly. He said that each and every one of the gifts has a full story and background behind them. It wasn't very many years ago that several minutes would have been spent on each item; however, the pace has picked up dramatically lately.

II. Merck & Co. Inc. Gift for Pulmonary Medicine Professorship (FCR 22)

Mr. Chellgren said that FCR 22 is a Merck & Company Gift for Pulmonary Medicine Professorship for \$50,000 to endow a Professorship in Pulmonary Medicine in the College of Medicine. He moved the adoption of FCR 22. His motion, seconded by Mrs. Wickliffe, carried. (See FCR 22 at the end of the Minutes.)

JJ. Robert G. Lawson Professorship (FCR 23)

Mr. Chellgren said that FCR 23 is to accept gifts and pledges to establish and endow the Robert G. Lawson Professorship in the College of Law. Mr. Lawson is a good friend of many of the Board members, a faculty member and served as Dean of the College of Law twice. A number of his personal and professional friends have raised this money to endow a professorship in his name. He said it was a pleasure to move the adoption of FCR 23. Mr. Reed seconded his motion, and it passed. (See FCR 23 at the end of the Minutes.)

KK. Spinal Cord and Head Injury Research Trust Fund Gift (FCR 24)

Mr. Chellgren said that FCR 24 is to establish some financial support for the spinal cord and brain injury program. It is a pledge of \$500,000 to create a chair when matching funds are received. (See FCR 24 at the end of the Minutes.)

LL. Tennessee Valley Authority Pledge (FCR 25)

Mr. Chellgren said that FCR 25 is a very generous pledge for \$1,000,000 from the Tennessee Valley Authority to endow a Power Plant Engineering Program in the College of Engineering. It is anticipated that this gift will qualify for the matching funds. He moved the adoption of FCR 25. Mr. Reed seconded the motion, and it passed. (See FCR 25 at the end of the Minutes.)

MM. Wyatt Tarrant & Combs Professorship (FCR 26)

Mr. Chellgren said that FCR 26 is a generous gift from Wyatt Tarrant & Combs to create a Wyatt Tarrant & Combs Professorship in the College of Law. He moved the adoption of FCR 26. The motion, seconded by Mr. Miles, carried. (See FCR 26 at the end of the Minutes.)

This is another action to be matched one-for-one from the state's research challenge grant to create a number of endowed chairs and five professorships. He moved the adoption of FCR 28. The motion, seconded by Mr. Bates, carried. (See FCR 28 at the end of the Minutes.).

Governor Breathitt expressed his appreciation to President Wethington for the outstanding job he did in bringing this couple to the university. He said he knew of President Wethington's efforts and the efforts of those who helped him.

President Wethington thanked Governor Breathitt. He said the Gills are good friends of the University, and he was sure they will be contributing over the years. He said he was delighted to have them as friends.

Governor Breathitt said that he hoped he could negotiate the renewal of President Wethington's contract so he could continue the outstanding job of recruitment of dollars for the University.

PP. Amendment of Code of Student Conduct (SCCR 1)

Mr. Grayson, Chairperson of the Student Code Committee, reported that the Student Code Committee does not meet very often. Last year's action was more controversial; the Committee dealt with eliminating drinking in fraternity houses. This one is much less controversial. There are no changes in substance to the Code of Student Conduct: Rules, Procedures, Rights and Responsibilities Governing Non-Academic Relationships. The fact is the Director of the Student Center now reports directly to the Vice Chancellor rather than the Dean of Students. This is to clean up the language. The Committee approved SCCR 1 and recommends to the Board for approval. He moved approval of SCCR 1. Mr. Miles seconded the motion, and it carried. (See SCCR 1 at the end of the Minutes.)

QQ. Announcements

Professor Mather referred to the newly created Department of Landscape Architecture and a flyer passed around to the Board earlier in the meeting. He announced that there would be an open house tomorrow from 3:00 p.m. on. Seniors will be reporting on this year's project

which was regional planning involving preservation for the equine industry. They will have a power point eight-minute video that will be shown at different times.

Governor Breathitt pointed out that there was a reception at 4:00 p.m. today at the Alumni House for the two Truman Scholars. It is very unusual for there to be two Truman Scholars from one university. There will also be many other scholars honored at that time. He urged the members of the Board and others to attend and honor those outstanding students.

RR. Meeting Adjourned

There being no further business to come before the Board, the Chairperson adjourned the meeting at 3:20 p.m.

Respectfully submitted,

Merwin Grayson
Secretary
Board of Trustees

3. Historical Marker Commemorates UK Desegregation

The University unveiled an historical marker near Frazee Hall commemorating the history of desegregation and the achievements of Lyman T. Johnson, the person who led that effort in 1949. The marker is part of the University's 50-year commemoration of African Americans on campus and was made possible by the Student Development Council and the annual Senior Challenge, which supports the historical marker program.

4. Digital Atheneum Receives Support from IBM, NSF and British Library

Researchers from the departments of computer science and English have teamed up for a project designed to develop new computer technology to restore, search and edit images of Old English manuscripts. Members, Board of Trustees:

CANDIDATES FOR DEGREES
UNIVERSITY SYSTEM

Recommendation: that the President be authorized to confer upon each individual whose name appears on the attached list the degree to which he or she is entitled upon certification by the University Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate.

Background: Since the Commencement exercises are held immediately following completion of examinations, it is not possible for the University Registrar to certify satisfactory completion of requirements prior to Commencement exercises for those candidates who completed their requirements in May. The candidates who completed their requirements in August 1998 and December 1998 were approved by the Board of Trustees at earlier meetings.

DEPARTMENT OF LANDSCAPE ARCHITECTURE

Recommendation: that the Board of Trustees approve the establishment of the Department of Landscape Architecture in the College of Agriculture.

Background: The Department of Horticulture and Landscape Architecture underwent a Periodic Review in January 1999 as required by the Administrative Regulations. The Review Committee endorsed the creation of a Department of Landscape Architecture. The proposal to establish the department reflects the evolution that has taken place in most universities with a landscape architecture program. It is believed that the creation of a discrete academic unit is in the best interest of the students, the profession and the University.

The proposal is supported by the entire faculty of the Department of Horticulture and Landscape Architecture, the Dean of the College of Agriculture, and the Chancellor for the Lexington Campus. It has been endorsed by the Landscape Architecture Advisory Council and approved by the University Senate.

Members, Board of Trustees:

JAMES F. HARDYMON BUILDING

Recommendation: that the Systems and Networking Building be named the James F. Hardymon Building.

Background: Mr. Hardymon retired in January as chairman and chief executive officer of Textron Corporation of Providence, Rhode Island. He is a member of the University of Kentucky Board of Trustees and serves as chair of the Finance Committee. He holds both a bachelor's and master's degree in civil engineering from the University. He is a native of Maysville, Kentucky. Mr. Hardymon's pledge of \$2,000,000 in support of the College of Engineering was accepted by the Board at the April 6, 1999 meeting. This gift will establish two endowed chairs, one of which will be for electrical engineering or computer science. In 1995 Mr. Hardymon was inducted into the College of Engineering Hall of Distinction.

The new Systems and Networking building will house the headquarters of the University's Computing Network as well as provide a unique laboratory for electrical engineering and computer science faculty and students to work cooperatively with industrial partners on the next generation of networking hardware and software. Mr. Hardymon's visionary leadership in industry has made him a strong advocate for aggressive development of the University's engineering and computing infrastructure during his tenure on the Board of Trustees.

The naming of this new facility in honor of Mr. Hardymon meets the guidelines in the Administrative Regulations, and Mr. Hardymon's contributions to the University, both financially and professionally, warrant this notable tribute. The Dean of the College of Engineering, the Chancellor of the Lexington Campus, and the Committee on Naming University Buildings support this recommendation.

SPINAL CORD AND BRAIN INJURY RESEARCH CENTER

Recommendation: that the Board of Trustees approve the establishment of the Spinal Cord and Brain Injury Research Center in the College of Medicine.

Background: The mission of this multidisciplinary research center is to promote both individual and collaborative studies on injuries to the spinal cord and brain that result in paralysis or other loss of neurologic function.

The goal of the Center is to find treatments that are more effective and ultimately to achieve functional repair of the injured spinal cord and brain. The faculty will include researchers and clinicians from a variety of other disciplines working together to understand the nature of severe injuries to the spinal cord and brain. The Center will support statewide efforts to develop research and clinical translational programs in spinal cord and brain injury for improving the recovery of patients who have suffered such injuries and will take advantage of recent funding from the Kentucky Spinal Cord and Head Injury Trust. The Center meets the criteria stipulated for establishing centers. It is supported by the Dean of the College of Medicine and the Chancellor for the Medical Center and has been approved by the University Senate.

Recommendation: that the Board of Trustees (1) confirm changes in the tuition schedule as adopted by the Council on Postsecondary Education, and (2) establish corresponding part-time and summer school charges under the guidelines of the Council on Postsecondary Education.

Background: Under KRS 164.020 (8), the Council on Postsecondary Education is empowered and charged with the responsibility to determine the tuition for attendance at public institutions of higher education in the Commonwealth. Charges for part-time and summer school students are derived, as the Council has directed, from the semester rate, using the institution's definition of what constitutes a full-time load for each level and program area.

MANDATORY REGISTRATION FEE SCHEDULE

Recommendation: (1) that no change be made in the Mandatory Registration Fee Schedule for 1999-2000; (2) that an increase of \$50 per semester be approved beginning in 2001-2002 to support the annual cost of debt service for the Seaton Center Addition/Renovation project.

Background: A high priority of the students is an expansion of the Seaton Center as well as the renovation of the existing space. The University is currently experiencing overcrowded conditions in the Seaton Center and is not able to meet adequately the recreational needs of the students. The students, through the Student Government Association, have actively worked with the administration to make this project a reality and have agreed to support the cost of the project through an increase in the mandatory registration fee. It is estimated that the annual cost for debt service for a \$16.0 million project would require a Mandatory Registration Fee increase of approximately \$50 per semester.

To respond to the student need, this project will be a high priority of the University in the 2000-2002 capital request. The project is estimated to be a \$16.0 million project and, with the approval of the legislature, it is anticipated that construction on the project could start in 2000-2001 with completion in 2002. The increase in the mandatory fee will not be implemented unless the project is approved by the General Assembly in the 2000 Session.
