PREFACE

The publication herewith presented, an index to the probate cases filed in Brazoria County, Texas, is No. 20 of the Texas series of counties. The publication is intended to meet the requirements of day-to-day usage by the officials of the county, attorneys, businessmen, and other citizens who have occasion to consult probate case records for the proper conduct of their affairs. The publication may be used by historians and genealogists to obtain references to unpublished source material.

The names of the deceased persons, minors, and other principals are arranged alphabetically, with reference to the filing date of the case and the case number. In Brazoria County all probate records are in the custody of the county clerk. The probate case papers are kept in steel file boxes in the county clerk's office. The papers of each case are in an individual file jacket, and cases are arranged numerically according to case numbers.

Since the transfer of territory from one county to another has affected probate jurisdiction and has determined the county in which the probate case should have been filed, a map and table of territorial changes are included herein. Notations concerning present location and availability of records pertinent to Brazoria County follow:

Austin County, Bellville, all records extant.

Fort Bend County, Richmond, all records extant.

Galveston County, Galveston, all records extant.

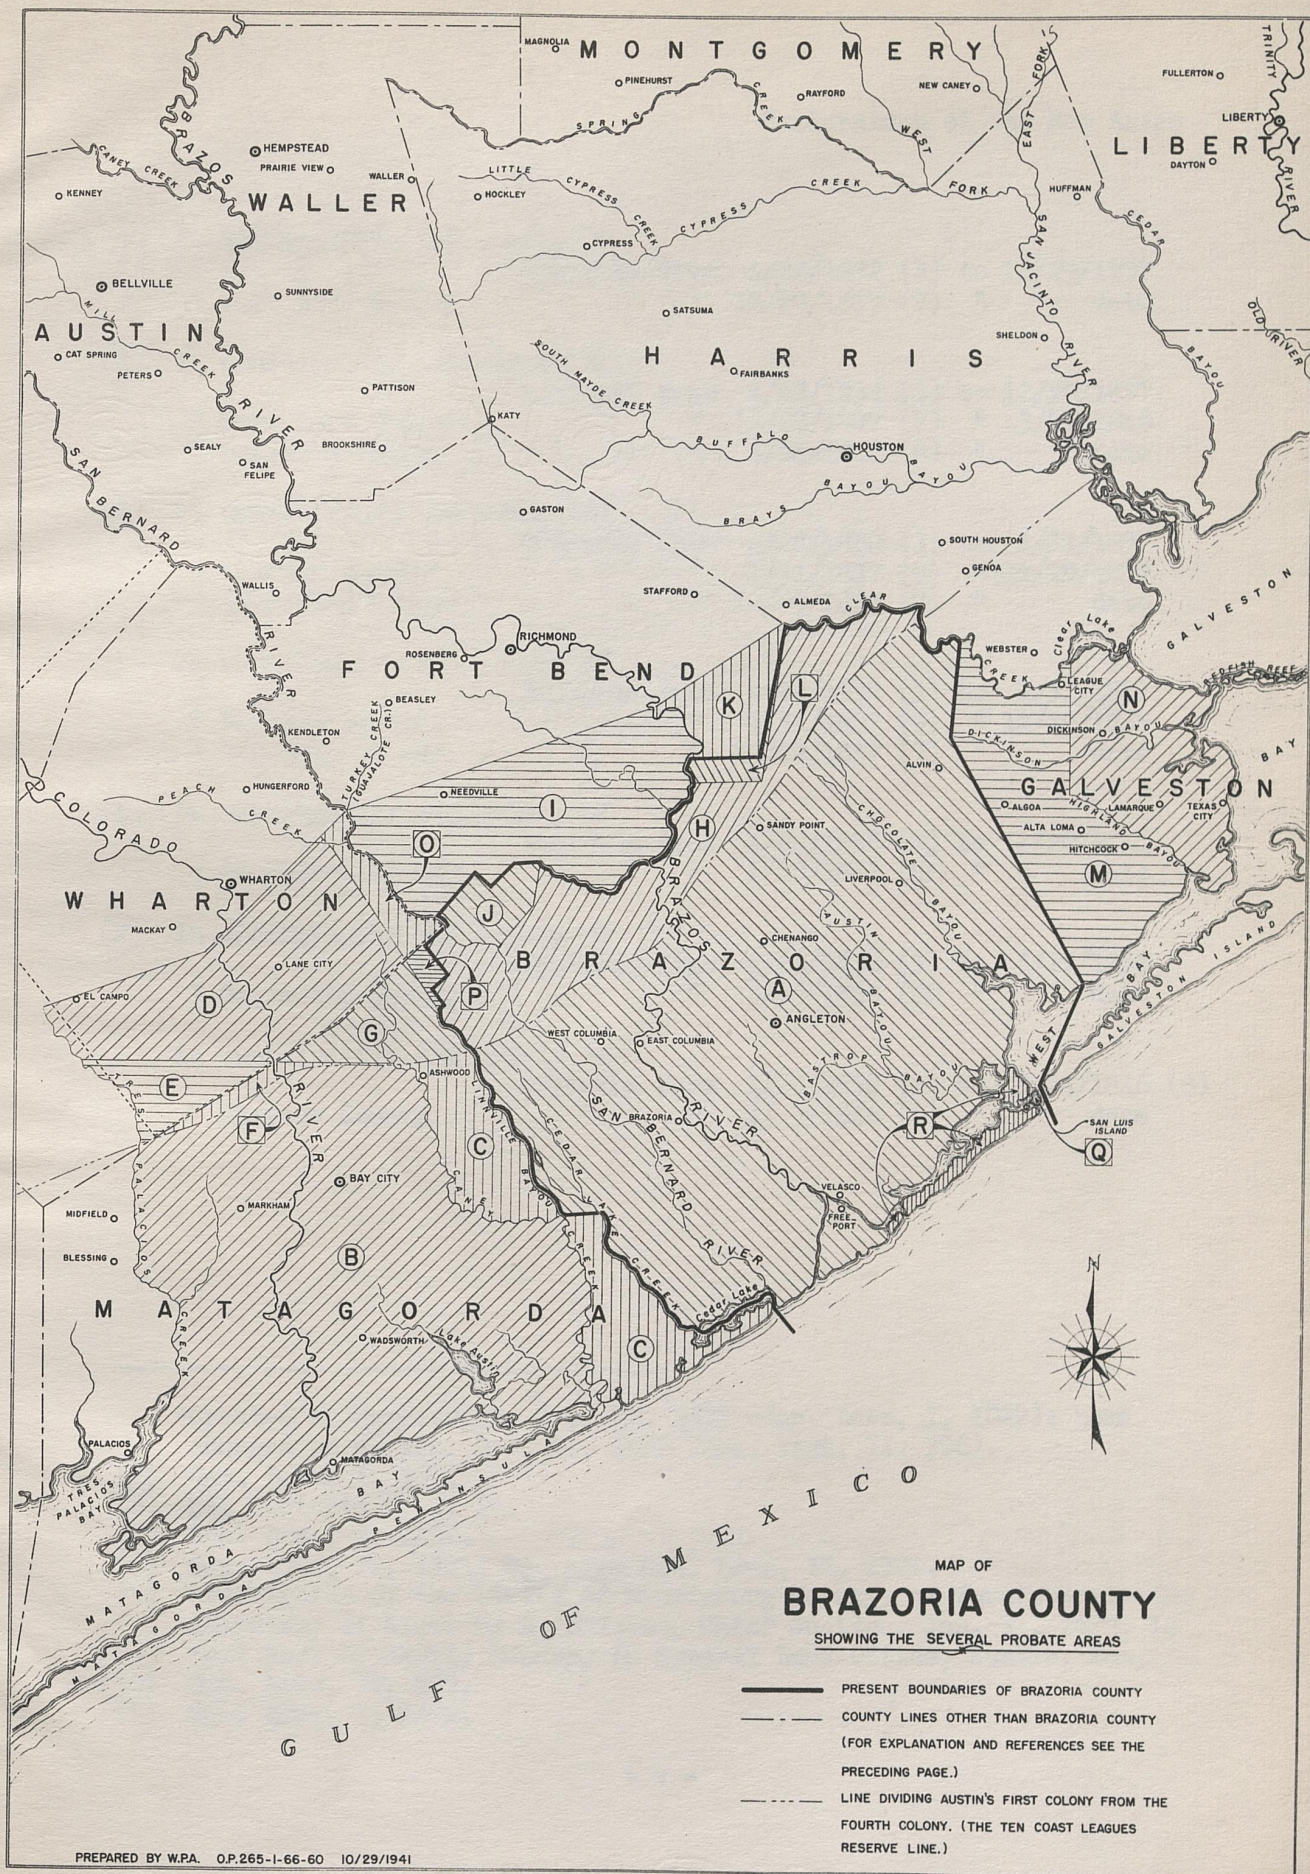

Harris County, Houston, all records extant.

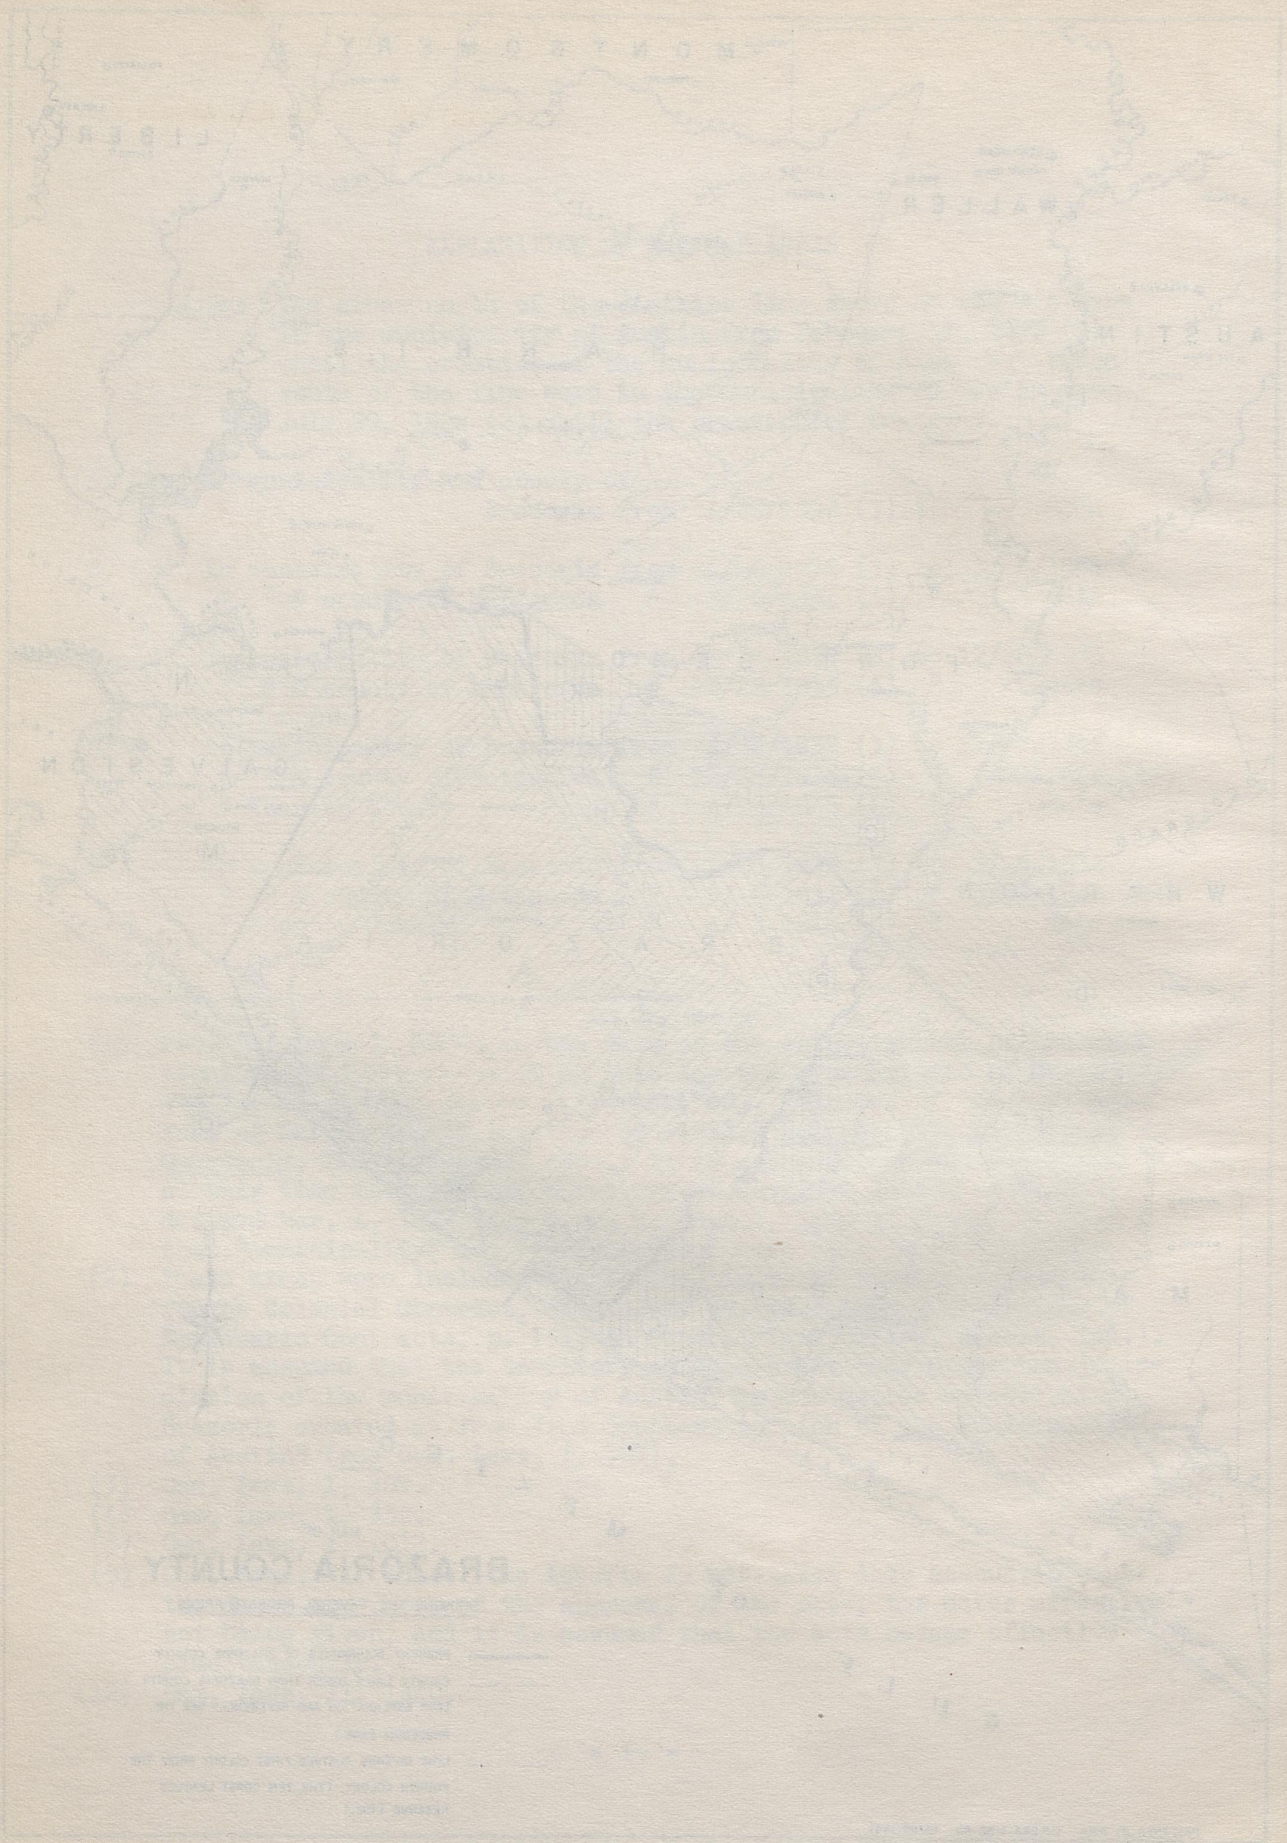

EXPLANATION OF THE MAP AREAS

Note: The areas north of the district line shown on the map were in the municipality of Austin from February 10, 1828 (1) until the creation of the municipality of Brazoria; those south of the line were in the municipality of Austin from July 29, 1828 (2) until the creation of Brazoria.

- (A) (H) in municipality and county of Brazoria from 4/28/1832 (3) to date
- (B) (F) in municipality of Brazoria from 4/28/1832 (3) to 3/ 6/1834

- (C) (G) in municipality of Brazoria from 4/28/1832 (3) to 12/28/1835
" " & county of Matagorda " 12/28/1835 (5) " date
- (D) in municipality of Brazoria from 4/28/1832 (3) to 12/28/1835
" " & county of Matagorda " 12/28/1835 (5) " 3/30/1846 (12)
" Wharton County " 4/ 3/1846 (6) " date
- (E) in municipality of Brazoria from 4/28/1832 (3) to 3/ 6/1834
" " & county of Matagorda " 3/ 6/1834 (4) " 3/30/1846 (12)
" Wharton County " 4/ 3/1846 (6) " date

- (1) Feb. 10, 1828 is given as the date of the establishment of the municipality of Austin because on that day the ayuntamiento of Austin was installed (see Eugene C. Barker, ed., "Minutes of the Ayuntamiento of San Felipe de Austin, 1828-1832," Southwestern Historical Quarterly, XXI (1917-18), 299). It is assumed that the municipality at this time included the territory of Austin's Colony as legally defined Mar. 4, 1827 (see H. P. N. Gammel, Laws of Texas, I, 50); that "municipality" and "jurisdiction" were used interchangeably.
- (2) These areas were included within the limits of Stephen F. Austin's fourth Colonial Contract, dated July 29, 1828 (see Translations of Empresario Contracts; p. 151, in General Land Office, Austin, Tex.). It is assumed that the territory of this grant came under the jurisdiction of the municipality of Austin, as the decree establishing Brazoria created it from "the Southern portion of the Municipality of Austin" (see Gam. Laws, I, 307).
- (3) Gam. Laws, I, 307.
- (4) Gam. Laws, I, 352.
- (5) Gam. Laws, I, 1018.
- (6) Gam. Laws, II, 1344. The interim is not taken into account because the dates are those of the approval of the acts, the dates effective not being given, and it is assumed that the acts became effective simultaneously.
- (12) Gam. Laws, II, 1340.
