W. White

The Scientific Faculty met in Prof. White's room with the following present. Prof. White, Korte, Pence, Matthews, McKeuzie, Miller and Pryor. Prof. White suggested that we adopt a different time for the regular meeting from that in the past. On motion of Prof. Korte seconded by Prof. Miller, the 3rd Wednesday in each month as the lecture time, was adopted.

Prof. Korte suggested that a list of the Scientific Students with their classification be given each Prof. a motion to this effect was made and carried.

Prof. White presented a list of the Scientific Students and their classification.

This was read and corrections made.

The standing of each student was reported and comparison of the work done with each Prof.

There being no other business the faculty adjourned.
